Subpart J—Communications Management Housing Units

SOURCE: 80 FR 3177, Jan. 22, 2015, unless otherwise noted.

§ 540.200 Purpose and scope.

(a) *Purpose of this subpart.* This subpart defines the Federal Bureau of Prisons' (Bureau) authority to operate, and designate inmates to, Communications Management Housing Units (CMUs) within Bureau facilities.

(b) *CMU.* A CMU is a general population housing unit where inmates ordinarily reside, eat, and participate in all educational, recreational, religious, visiting, unit management, and work programming, within the confines of the CMU. Additionally, CMUs may contain a range of cells dedicated to segregated housing of inmates in administrative detention or disciplinary segregation status.

(c) *Purpose of CMUs.* The purpose of CMUs is to provide an inmate housing unit environment that enables staff to more effectively monitor communication between inmates in CMUs and persons in the community. The ability to monitor such communication is necessary to ensure the safety, security, and orderly operation of correctional facilities, and protection of the public. The volume, frequency, and methods, of CMU inmate contact with persons in the community may be limited as necessary to achieve the goal of total monitoring, consistent with this subpart.

(d) *Application.* Any inmate (as defined in 28 CFR 500.1(c)) meeting criteria prescribed by this subpart may be designated to a CMU.

(e) *Relationship to other regulations.* The regulations in this subpart supersede and control to the extent they conflict with, are inconsistent with, or impose greater limitations than the regulations in this part, or any other regulations in this chapter, except 28 CFR part 501.

§ 540.201 Designation criteria.

Inmates may be designated to a CMU if evidence of the following criteria exists:

(a) The inmate's current offense(s) of conviction, or offense conduct, included association, communication, or involvement, related to international or domestic terrorism;

(b) The inmate's current offense(s) of conviction, offense conduct, or activity while incarcerated, indicates a substantial likelihood that the inmate will encourage, coordinate, facilitate, or otherwise act in furtherance of illegal activity through communication with persons in the community;

(c) The inmate has attempted, or indicates a substantial likelihood that the inmate will contact victims of the inmate's current offense(s) of conviction;

(d) The inmate committed prohibited activity related to misuse or abuse of approved communication methods while incarcerated; or

(e) There is any other substantiated/credible evidence of a potential threat to the safe, secure, and orderly operation of prison facilities, or protection of the public, as a result of the inmate's communication with persons in the community.

§ 540.202 Designation procedures.

Inmates may be designated to CMUs only according to the following procedures:

(a) *Initial consideration.* Initial consideration of inmates for CMU designation begins when the Bureau becomes aware of information relevant to the criteria described in § 540.201.

(b) *Assistant Director authority.* The Bureau's Assistant Director, Correctional Programs Division, has authority to approve CMU designations. The Assistant Director's decision must be based on a review of the evidence, and a conclusion that the inmate's designation to a CMU is necessary to ensure the safety, security, and orderly operation of correctional facilities, or protection of the public.

(c) *Written notice.* Upon arrival at the designated CMU, inmates will receive written notice from the facility's Warden explaining that:
