

Equal Employment Opportunity Comm.

§ 1608.10

Act, find no reasonable cause where appropriate.

(2) *Plans or programs not previously approved.* If the plan or program has not been approved by an appropriate official of the State or local government, the Commission will follow the procedure of §1608.10 of these Guidelines. If the Commission finds that the plan or program does conform to these Guidelines, the Commission will make a determination of no reasonable cause as set forth in §1608.10(a).

(b) *Reliance on these guidelines.* In addition, if the affirmative action plan or program has been adopted in good faith reliance on these Guidelines, the provisions of section 713(b)(1) and §1608.10(b), of this part, may be asserted by the respondent.

§ 1608.8 Adherence to court order.

Parties are entitled to rely on orders of courts of competent jurisdiction. If adherence to an Order of a United States District Court or other court of competent jurisdiction, whether entered by consent or after contested litigation, in a case brought to enforce a Federal, State, or local equal employment opportunity law or regulation, is the basis of a complaint filed under title VII or is alleged to be the justification for an action which is challenged under title VII, the Commission will investigate to determine:

(a) Whether such an Order exists and

(b) Whether adherence to the affirmative action plan which is part of the Order was the basis of the complaint or justification.

If the Commission so finds, it will issue a determination of no reasonable cause. The Commission interprets title VII to mean that actions taken pursuant to the direction of a Court Order cannot give rise to liability under title VII.

§ 1608.9 Reliance on directions of other government agencies.

When a charge challenges an affirmative action plan or program, or when such a plan or program is raised as justification for an employment decision, and when the plan or program was developed pursuant to the requirements of a Federal or State law or regulation which in part seeks to ensure equal em-

ployment opportunity, the Commission will process the charge in accordance with §1608.10(a). Other agencies with equal employment opportunity responsibilities may apply the principles of these Guidelines in the exercise of their authority.

§ 1608.10 Standard of review.

(a) *Affirmative action plans or programs not specifically relying on these guidelines.* If, during the investigation of a charge of discrimination filed with the Commission, a respondent asserts that the action complained of was taken pursuant to an in accordance with a plan or program of the type described in these Guidelines, the Commission will determine whether the assertion is true, and if so, whether such a plan or program conforms to the requirements of these guidelines. If the Commission so finds, it will issue a determination of no reasonable cause and, where appropriate, will state that the determination constitutes a written interpretation or opinion of the Commission under section 713(b)(1). This interpretation may be relied upon by the respondent and asserted as a defense in the event that new charges involving similar facts and circumstances are thereafter filed against the respondent, which are based on actions taken pursuant to the affirmative action plan or program. If the Commission does not so find, it will proceed with the investigation in the usual manner.

(b) *Reliance on these guidelines.* If a respondent asserts that the action taken was pursuant to and in accordance with a plan or program which was adopted or implemented in good faith, in conformity with, and in reliance upon these Guidelines, and the self analysis and plan are in writing, the Commission will determine whether such assertion is true. If the Commission so finds, it will so state in the determination of no reasonable cause and will advise the respondent that:

(1) The Commission has found that the respondent is entitled to the protection of section 713(b)(1) of title VII; and

(2) That the determination is itself an additional written interpretation or opinion of the Commission pursuant to section 713(b)(1).
