Subpart A—Definitions

§ 1021.100 Definitions.

Refer to §1010.100 of this chapter for general definitions not noted herein. To the extent there is a differing definition in §1010.100 of this chapter, the definition in this section is what applies to part 1021. Unless otherwise indicated, for purposes of this part:

- (a) *Business year* means the annual accounting period, such as a calendar or fiscal year, by which a casino maintains its books and records for purposes of subtitle A of title 26 of the United States Code.

(b) *Casino account number* means any and all numbers by which a casino identifies a customer.

(c) *Customer* includes every person which is involved in a transaction to which this chapter applies with a casino, whether or not that person participates, or intends to participate, in the gaming activities offered by that casino.

(d) *Gaming day* means the normal business day of a casino. For a casino that offers 24 hour gaming, the term means that 24 hour period by which the casino keeps its books and records for business, accounting, and tax purposes. For purposes of the regulations contained in this chapter, each casino may have only one gaming day, common to all of its divisions.

(e) *Machine-readable* means capable of being read by an automated data processing system.

Subpart B—Programs

§ 1021.200 General.

Casinos and card clubs are subject to the program requirements set forth and cross referenced in this subpart. Casinos and card clubs should also refer to subpart B of part 1010 of this chapter for program requirements contained in that subpart which apply to casinos and card clubs.

§ 1021.210 Anti-money laundering program requirements for casinos.

(a) *Requirements for casinos.* A casino shall be deemed to satisfy the requirements of 31 U.S.C. 5318(h)(1) if it implements and maintains a compliance program described in paragraph (b) of this section.

(b) *Compliance programs.* (1) Each casino shall develop and implement a written program reasonably designed to assure and monitor compliance with the requirements set forth in 31 U.S.C. chapter 53, subchapter II and the regulations contained in this chapter.

(2) At a minimum, each compliance program shall provide for:

(i) A system of internal controls to assure ongoing compliance;

(ii) Internal and/or external independent testing for compliance. The scope and frequency of the testing shall be commensurate with the money laun-

dering and terrorist financing risks posed by the products and services provided by the casino;

(iii) Training of casino personnel, including training in the identification of unusual or suspicious transactions, to the extent that the reporting of such transactions is required by this chapter, by other applicable law or regulation, or by the casino's own administrative and compliance policies;

(iv) An individual or individuals to assure day-to-day compliance;

(v) Procedures for using all available information to determine:

(A) When required by this chapter, the name, address, social security number, and other information, and verification of the same, of a person;

(B) The occurrence of any transactions or patterns of transactions required to be reported pursuant to § 1021.320;

(C) Whether any record as described in subpart D of part 1010 of this chapter or subpart D of this part 1021 must be made and retained; and

(vi) For casinos that have automated data processing systems, the use of automated programs to aid in assuring compliance.

Subpart C—Reports Required To Be Made By Casinos and Card Clubs

§ 1021.300 General.

Casinos and card clubs are subject to the reporting requirements set forth and cross referenced in this subpart. Casinos and card clubs should also refer to subpart C of part 1010 of this chapter for reporting requirements contained in that subpart which apply to casinos and card clubs.

[75 FR 65812, Oct. 26, 2010, as amended at 76 FR 43597, July 21, 2011]

§ 1021.312 Identification required.

Refer to §1010.312 of this chapter for identification requirements for reports of transaction in currency filed by casinos and card clubs.

§ 1021.313 Aggregation.

In the case of a casino, multiple currency transactions shall be treated as a single transaction if the casino has knowledge that they are by or on behalf of any person and result in either cash in or cash out totaling more than \$10,000 during any gaming day. For purposes of this section, a casino shall be deemed to have the knowledge described in the preceding sentence, if: Any sole proprietor, partner, officer, director, or employee of the casino, acting within the scope of his or her employment, has knowledge that such multiple currency transactions have occurred, including knowledge from examining the books, records, logs, information retained on magnetic disk, tape or other machine-readable media, or in any manual system, and similar documents and information, which the casino maintains pursuant to any law or regulation or within the ordinary course of its business, and which contain information that such multiple currency transactions have occurred.

§ 1021.314 Structured transactions.

Refer to §1010.314 of this chapter for rules regarding structured transactions for casinos.

§ 1021.315 Exemptions.

Refer to §1010.315 of this chapter for exemptions from the obligation to file

reports of transactions in currency for casinos.

§ 1021.320 Reports by casinos of suspicious transactions.

(a) *General.* (1) Every casino shall file with FinCEN, to the extent and in the manner required by this section, a report of any suspicious transaction relevant to a possible violation of law or regulation. A casino may also file with FinCEN, by using the form specified in paragraph (b)(1) of this section, or otherwise, a report of any suspicious transaction that it believes is relevant to the possible violation of any law or regulation but whose reporting is not required by this section.

(2) A transaction requires reporting under the terms of this section if it is conducted or attempted by, at, or through a casino, and involves or aggregates at least \$5,000 in funds or other assets, and the casino knows, suspects, or has reason to suspect that the transaction (or a pattern of transactions of which the transaction is a part):

(i) Involves funds derived from illegal activity or is intended or conducted in order to hide or disguise funds or assets derived from illegal activity (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any Federal law or regulation or to avoid any transaction reporting requirement under Federal law or regulation;

(ii) Is designed, whether through structuring or other means, to evade any requirements of this chapter or of any other regulations promulgated under the Bank Secrecy Act;

(iii) Has no business or apparent lawful purpose or is not the sort in which the particular customer would normally be expected to engage, and the casino knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction; or

(iv) Involves use of the casino to facilitate criminal activity.

(b) *Filing procedures*—(1) *What to file.* A suspicious transaction shall be reported by completing a Suspicious Activity Report (“SAR”), and collecting

and maintaining supporting documentation as required by paragraph (d) of this section.

(2) *Where to file.* The SAR shall be filed with FinCEN in a central location, to be determined by FinCEN, as indicated in the instructions to the SAR.

(3) *When to file.* A SAR shall be filed no later than 30 calendar days after the date of the initial detection by the casino of facts that may constitute a basis for filing a SAR under this section. If no suspect is identified on the date of such initial detection, a casino may delay filing a SAR for an additional 30 calendar days to identify a suspect, but in no case shall reporting be delayed more than 60 calendar days after the date of such initial detection. In situations involving violations that require immediate attention, such as ongoing money laundering schemes, the casino shall immediately notify by telephone an appropriate law enforcement authority in addition to filing timely a SAR. Casinos wishing voluntarily to report suspicious transactions that may relate to terrorist activity may call FinCEN’s Financial Institutions Hotline at 1-866-556-3974 in addition to filing timely a SAR if required by this section.

(c) *Exceptions.* A casino is not required to file a SAR for a robbery or burglary committed or attempted that is reported to appropriate law enforcement authorities.

(d) *Retention of records.* A casino shall maintain a copy of any SAR filed and the original or business record equivalent of any supporting documentation for a period of five years from the date of filing the SAR. Supporting documentation shall be identified as such and maintained by the casino, and shall be deemed to have been filed with the SAR. A casino shall make all supporting documentation available to FinCEN or any Federal, State, or local law enforcement agency, or any Federal regulatory authority that examines the casino for compliance with the Bank Secrecy Act, or any State regulatory authority administering a State law that requires the casino to comply with the Bank Secrecy Act or otherwise authorizes the State authority to ensure that the casino complies with

the Bank Secrecy Act, or any tribal regulatory authority administering a tribal law that requires the casino to comply with the Bank Secrecy Act or otherwise authorizes the tribal regulatory authority to ensure that the casino complies with the Bank Secrecy Act, upon request.

(e) *Confidentiality of SARs.* A SAR, and any information that would reveal the existence of a SAR, are confidential and shall not be disclosed except as authorized in this paragraph (e). For purposes of this paragraph (e) only, a SAR shall include any suspicious activity report filed with FinCEN pursuant to any regulation in this chapter.

(1) *Prohibition on disclosures by casinos—(i) General rule.* No casino, and no director, officer, employee, or agent of any casino, shall disclose a SAR or any information that would reveal the existence of a SAR. Any casino, and any director, officer, employee, or agent of any casino that is subpoenaed or otherwise requested to disclose a SAR or any information that would reveal the existence of a SAR, shall decline to produce the SAR or such information, citing this section and 31 U.S.C. 5318(g)(2)(A)(i), and shall notify FinCEN of any such request and the response thereto.

(ii) *Rules of Construction.* Provided that no person involved in any reported suspicious transaction is notified that the transaction has been reported, this paragraph (e)(1) shall not be construed as prohibiting:

(A) The disclosure by a casino, or any director, officer, employee, or agent of a casino, of:

(1) A SAR, or any information that would reveal the existence of a SAR, to FinCEN or any Federal, State, or local law enforcement agency, or any Federal regulatory authority that examines the casino for compliance with the Bank Secrecy Act, or any State regulatory authority administering a State law that requires the casino to comply with the Bank Secrecy Act or otherwise authorizes the State authority to ensure that the casino complies with the Bank Secrecy Act, or any tribal regulatory authority administering a tribal law that requires the casino to comply with the Bank Secrecy Act or otherwise authorizes the tribal regu-

latory authority to ensure that casino complies with the Bank Secrecy Act; or

(2) The underlying facts, transactions, and documents upon which a SAR is based, including but not limited to, disclosures to another financial institution, or any director, officer, employee, or agent of a financial institution, for the preparation of a joint SAR.

(B) The sharing by a casino, or any director, officer, employee, or agent of the casino, of a SAR, or any information that would reveal the existence of a SAR, within the casino's corporate organizational structure for purposes consistent with Title II of the Bank Secrecy Act as determined by regulation or in guidance.

(2) *Prohibition on disclosures by government authorities.* A Federal, State, local, territorial, or Tribal government authority, or any director, officer, employee, or agent of any of the foregoing, shall not disclose a SAR, or any information that would reveal the existence of a SAR, except as necessary to fulfill official duties consistent with Title II of the Bank Secrecy Act (BSA). For purposes of this section, "official duties" shall not include the disclosure of a SAR, or any information that would reveal the existence of a SAR, in response to a request for disclosure of non-public information or a request for use in a private legal proceeding, including a request pursuant to 31 CFR 1.11.

(f) *Limitation on liability.* A casino, and any director, officer, employee, or agent of any casino, that makes a voluntary disclosure of any possible violation of law or regulation to a government agency or makes a disclosure pursuant to this section or any other authority, including a disclosure made jointly with another institution, shall be protected from liability to any person for any such disclosure, or for failure to provide notice of such disclosure to any person identified in the disclosure, or both, to the full extent provided by 31 U.S.C. 5318(g)(3).

(g) *Compliance.* Casinos shall be examined by FinCEN or its delegates for compliance with this section. Failure

to satisfy the requirements of this section may be a violation of the Bank Secrecy Act and of this chapter.

(h) *Applicability date.* This section applies to transactions occurring after March 25, 2003.

[75 FR 65812, Oct. 26, 2010, as amended at 76 FR 10517, Feb. 25, 2011; 81 FR 76864, Nov. 4, 2016]

§ 1021.330 Exceptions to the reporting requirements of 31 U.S.C. 5331.

(a) *Receipt of currency by certain casinos having gross annual gaming revenue in excess of \$1,000,000—In general.* If a casino receives currency in excess of \$10,000 and is required to report the receipt of such currency directly to the Treasury Department under §1010.306, §1021.311, or §1021.313 and is subject to the recordkeeping requirements of §1021.410, then the casino is not required to make a report with respect to the receipt of such currency under 31 U.S.C. 5331 and this section.

(b) *Casinos exempt under §1010.970(c).* Pursuant to §1010.970, the Secretary may exempt from the reporting and recordkeeping requirements under §1010.306, §1021.311, §1021.313 or §1021.410 casinos in any state whose regulatory system substantially meets the reporting and recordkeeping requirements of this chapter. Such casinos shall not be required to report receipt of currency under 31 U.S.C. 5331 and this section.

(c) *Reporting of currency received in a non-gaming business.* Non-gaming businesses (such as shops, restaurants, entertainment, and hotels) at casino hotels and resorts are separate trades or businesses in which the receipt of currency in excess of \$10,000 is reportable under section 5331 and these regulations. Thus, a casino exempt under paragraph (a) or (b) of this section must report with respect to currency in excess of \$10,000 received in its non-gaming businesses.

(d) *Example.* The following example illustrates the application of the rules in paragraphs (a) and (c) of this section:

Example. A and B are casinos having gross annual gaming revenue in excess of \$1,000,000. C is a casino with gross annual gaming revenue of less than \$1,000,000. Casino A receives \$15,000 in currency from a customer with respect to a gaming transaction

which the casino reports to the Treasury Department under §§1010.306, 1021.311, and 1021.313. Casino B receives \$15,000 in currency from a customer in payment for accommodations provided to that customer at Casino B's hotel. Casino C receives \$15,000 in currency from a customer with respect to a gaming transaction. Casino A is not required to report the transaction under 31 U.S.C. 5331 or this section because the exception for certain casinos provided in paragraph (a) of this section ("the casino exception") applies. Casino B is required to report under 31 U.S.C. 5331 and this section because the casino exception does not apply to the receipt of currency from a nongaming activity. Casino C is required to report under 31 U.S.C. 5331 and this section because the casino exception does not apply to casinos having gross annual gaming revenue of \$1,000,000 or less which do not have to report to the Treasury Department under §§1010.306, 1021.311, and 1021.313.

Subpart D—Records Required To Be Maintained By Casinos and Card Clubs

§ 1021.400 General.

Casinos and card clubs are subject to the recordkeeping requirements set forth and cross referenced in this subpart. Casinos and card clubs should also refer to subpart D of part 1010 of this chapter for recordkeeping requirements contained in that subpart which apply to casinos and card clubs.

§ 1021.410 Additional records to be made and retained by casinos.

(a) With respect to each deposit of funds, account opened or line of credit extended after the effective date of these regulations, a casino shall, at the time the funds are deposited, the account is opened or credit is extended, secure and maintain a record of the name, permanent address, and social security number of the person involved. Where the deposit, account or credit is in the names of two or more persons, the casino shall secure the name, permanent address, and social security number of each person having a financial interest in the deposit, account or line of credit. The name and address of such person shall be verified by the casino at the time the deposit is made, account opened, or credit extended. The verification shall be made by examination of a document of the

§ 1021.410

31 CFR Ch. X (7-1-25 Edition)

type described in § 1010.312 of this chapter, and the specific identifying information shall be recorded in the manner described in § 1010.312 of this chapter. In the event that a casino has been unable to secure the required social security number, it shall not be deemed to be in violation of this section if it has made a reasonable effort to secure such number and it maintains a list containing the names and permanent addresses of those persons from whom it has been unable to obtain social security numbers and makes the names and addresses of those persons available to the Secretary upon request. Where a person is a nonresident alien, the casino shall also record the person's passport number or a description of some other government document used to verify his identity.

(b) In addition, each casino shall retain either the original or a copy or reproduction of each of the following:

(1) A record of each receipt (including but not limited to funds for safekeeping or front money) of funds by the casino for the account (credit or deposit) of any person. The record shall include the name, permanent address and social security number of the person from whom the funds were received, as well as the date and amount of the funds received. If the person from whom the funds were received is a non-resident alien, the person's passport number or a description of some other government document used to verify the person's identity shall be obtained and recorded;

(2) A record of each bookkeeping entry comprising a debit or credit to a customer's deposit account or credit account with the casino;

(3) Each statement, ledger card or other record of each deposit account or credit account with the casino, showing each transaction (including deposits, receipts, withdrawals, disbursements or transfers) in or with respect to, a customer's deposit account or credit account with the casino;

(4) A record of each extension of credit in excess of \$2,500, the terms and conditions of such extension of credit, and repayments. The record shall include the customer's name, permanent address, social security number, and the date and amount of the transaction

(including repayments). If the customer or person for whom the credit extended is a non-resident alien, his passport number or description of some other government document used to verify his identity shall be obtained and recorded;

(5) A record of each advice, request or instruction received or given by the casino for itself or another person with respect to a transaction involving a person, account or place outside the United States (including but not limited to communications by wire, letter, or telephone). If the transfer outside the United States is on behalf of a third party, the record shall include the third party's name, permanent address, social security number, signature, and the date and amount of the transaction. If the transfer is received from outside the United States on behalf of a third party, the record shall include the third party's name, permanent address, social security number, signature, and the date and amount of the transaction. If the person for whom the transaction is being made is a non-resident alien the record shall also include the person's name, his passport number or a description of some other government document used to verify his identity;

(6) Records prepared or received by the casino in the ordinary course of business which would be needed to reconstruct a person's deposit account or credit account with the casino or to trace a check deposited with the casino through the casino's records to the bank of deposit;

(7) All records, documents or manuals required to be maintained by a casino under state and local laws or regulations, regulations of any governing Indian tribe or tribal government, or terms of (or any regulations issued under) any Tribal-State compacts entered into pursuant to the Indian Gaming Regulatory Act, with respect to the casino in question.

(8) All records which are prepared or used by a casino to monitor a customer's gaming activity.

(9)(i) A separate record containing a list of each transaction between the casino and its customers involving the following types of instruments having a face value of \$3,000 or more:

(A) Personal checks (excluding instruments which evidence credit granted by a casino strictly for gaming, such as markers);

(B) Business checks (including casino checks);

(C) Official bank checks;

(D) Cashier's checks;

(E) Third-party checks;

(F) Promissory notes;

(G) Traveler's checks; and

(H) Money orders.

(ii) The list will contain the time, date, and amount of the transaction; the name and permanent address of the customer; the type of instrument; the name of the drawee or issuer of the instrument; all reference numbers (*e.g.*, casino account number, personal check number, *etc.*); and the name or casino license number of the casino employee who conducted the transaction. Applicable transactions will be placed on the list in the chronological order in which they occur.

(10) A copy of the compliance program described in § 1021.210(b).

(11) In the case of card clubs only, records of all currency transactions by customers, including without limitation, records in the form of currency transaction logs and multiple currency transaction logs, and records of all activity at cages or similar facilities, including, without limitation, cage control logs.

(c)(1) Casinos which input, store, or retain, in whole or in part, for any period of time, any record required to be maintained by § 1010.410 of this chapter or this section on computer disk, tape, or other machine-readable media shall retain the same on computer disk, tape, or machine-readable media.

(2) All indexes, books, programs, record layouts, manuals, formats, instructions, file descriptions, and similar materials which would enable a person readily to access and review the records that are described in § 1010.410 of this chapter and this section and that are input, stored, or retained on computer disk, tape, or other machine-readable media shall be retained for the period of time such records are required to be retained.
