dollar liabilities to foreigners, are essential in order that the United States may comply with official requests of the International Monetary Fund for information with respect to the U.S. balance of payments and monetary reserves.”

It is hereby determined pursuant to section 2(b) of Executive Order 10033, that the Treasury Department shall collect information pertaining to capital movements between the United States and foreign countries and pertaining to the monetary reserves of the United States, except information pertaining to direct-investment transactions, U.S. Government foreign lending operations, and claims and liabilities of U.S. Government agencies (other than public debt obligations), which is collected by the Department of Commerce.

This letter supersedes the earlier determination as to the responsibilities of the Treasury Department in this area, dated April 21, 1949, as amended May 4, 1950.

Sincerely yours,

Raymond T. Bowman,
Assistant Director for Statistical Standards.
