status during the first 180 days of continuous active military service, or the first 180 days of continuous active service after a service break of more than 92 days of active service. A Service member of a Reserve Component who is not on active duty or who is serving under a call or order to active duty for 180 days or less begins entry-level status upon enlistment in a Reserve Component. When there is no State law to authorize the granting of a degree, the school may be recognized as an institution of higher learning if it is accredited for degree programs by a recognized accrediting agency. The term also includes a hospital offering educational programs at the post secondary level regardless of whether the hospital grants a post secondary degree. The term also includes an educational institution that is not located in a State that offers a course leading to a standard college degree or equivalent and is recognized as such by the Secretary of Education (or comparable official) of the country or other jurisdiction in which the institution is located.

A letter certifying enrollment in a full-time in-residence, or online course of study, leading to an associate degree or higher and listing an anticipated graduation date. Students attending two institutions less than full-time may not combine courses from both institutions to meet full-time student status. Most colleges and universities contract with third parties, such as the National Student Clearinghouse, to verify student enrollment. These third parties must comply with 20 U.S.C. 1232g and 34 CFR part 99 and are considered official agents of the institution for that purpose. Such documentation is considered equivalent to and accepted in lieu of a letter from the registrar's office. For graduate students, a letter of acceptance of enrollment signed by an authorized officer of the college or university is required to serve as the school letter.

Marriage certificate. State-certified record of marriage.

Is the minimum investigation conducted by the Office of Personnel Management (OPM) for federal employment in nonsensitive positions and for individuals requiring eligibility for logical and physical access. The NACI consists of a records check (of designated agencies of the Federal Government that maintain record systems containing information relevant to making a personnel security determination) plus Written Inquiries to law enforcement agencies, former employers and supervisors, references and schools covering the last 5 years.

Under these provisions the eligibility age for applying for retired pay shall be reduced below 60 years of age by 3 months for each aggregate of 90 days on which the member performs in any fiscal year after such date, providing the applicant is at least 50 years of age. However, the member must be age 60 to qualify for CHC and CD.

Permanent employee. Career or career-conditional appointment in the Competitive or SES or an appointment in the Excepted Service that carries no restrictions or conditions.

Placement agency (recognized by the Secretary of Defense). An authorized placement agency in the United States or U.S. territories or possessions that must be licensed for adoption by the State, territory, or possession in which the adoption procedures will be completed. In all other locations, a request for recognition must be approved by the appropriate Assistant Secretary of the Military Department concerned or an appropriate official who has been delegated approval authority.

Placement agreement. An agreement between the State and the parent(s) placing the child in the legal custody of the parent(s). To establish the child as a pre-adoptive child, the placement agreement must include the intent to adopt.

Retired Reserve entitled to pay at age 60 (Gray Area Retirees). Reserve members who have completed 20 qualifying years for retirement and are entitled to receive pay at age 60, but have not yet reached age 60. The uniformed services, National Guard and Reserve Component, and agency-level office that coordinates with OUSD(P&R) on policy and functional matters related to DEERS, RAPIDS, and Trusted Associate Sponsorship System (TASS), and manages ID card operations within the respective organization.

SES positions. Appropriated fund positions in an agency classified above General Service-15 pursuant to 5 U.S.C. 5108 or in level 4 or 5 of the Executive Schedule, or an equivalent position, which is not required to be filled by an appointment by the President by and with the advice and consent of the Senate.

Site security manager (SSM). The SPO-appointed individual that manages the daily operations at a RAPIDS site to include managing users, cardstock, and consumables.

Sponsor. The person affiliated to the DoD, uniformed service, or other Federal agency who is delegated the responsibility for verifying and authorizing an applicant's need for an ID card. This term also refers to the prime beneficiary who derives eligibility based on individual status rather than dependence upon or relationship to another person. This beneficiary receives benefits based on the beneficiary's direct affiliation to the DoD or other uniformed service.

Spouse. A person legally married to a current, former, or retired uniformed service member, eligible civilian employee, or other eligible individual in accordance with subpart C of this part, regardless of gender or State of residence.

Standby Reserve. Personnel who maintain their military affiliation without being in the Ready Reserve, who have been designated key civilian employees, or who have a temporary hardship or disability. These individuals are not required to perform training and are not part of units. These individuals are trained and could be mobilized, if necessary, to fill manpower needs in specific skills.

Stepchild. A natural or adopted child of a spouse of a sponsor and who qualifies as a child.

Surviving dependent. The dependent of a member who died while on active duty under orders that specified a period of more than 30 days, or a member who died while in a retired with-pay status.

Temporary assignment. An appointment for a specified period not to exceed 1 year. A temporary assignment can be extended up to a maximum of 1 additional year.

Transitional Health Care (THC). A healthcare system, formerly known as Transition Assistance Management Program (TAMP), instituted in section 502 of Public Law 101-510. It includes pre-separation and separation services, the Continued Health Care Benefit Program, a voluntary insurance program for sponsors and eligible dependents separating from active service; pre-separation counseling service for separating uniformed services members; and various other transitional initiatives. Uniformed service members separated as uncharacterized entry-level separations do not qualify for THC. Section 706 of Public Law 108-375 replaced the TAMP with the THC program. Section 651 of Public Law 110-181 included the 2-year commissary and exchange privilege for involuntarily separated uniformed service members. The DoD added MWR to the benefit set and extended the same benefits to the eligible dependents. To qualify for benefits under this program, individuals must be separated with service characterized as honorable or general under honorable conditions meeting the separation reasons identified in 10 U.S.C. 1145. The THC program is a permanent program and made the medical eligibility 180 days for all eligible uniformed service members and eligible dependents. Enlisted uniformed service members discharged for reasons of misconduct, discharge in lieu of court-martial, or other reasons for which service normally is characterized as under other than honorable conditions are not eligible for transition benefits. Officers discharged as a result of resignation in lieu of trial by court-martial, or misconduct or moral or professional dereliction if the discharge could be char-

acterized as under other than honorable conditions are not eligible for transition benefits. Pursuant to 10 U.S.C. 1145, the qualifying periods of active duty include:

(1) A member who is involuntarily separated from active duty.

(2) A member of a Reserve Component who is separated from active duty to which called or ordered in support of a contingency operation if the active duty is for a period of more than 30 days.

(3) A member who is separated from active duty for which the member is involuntarily retained in accordance with 10 U.S.C. 12305 in support of a contingency operation.

(4) A member who is separated from active duty served pursuant to a voluntary agreement of the member to remain on active duty for a period of less than 1 year in support of a contingency operation.

(5) A member who receives a sole survivorship discharge (as defined in 10 U.S.C. 1174); or

(6) A member who is separated from active duty who agrees to become a member of the SelRes. Section 734 of Public Law 110-417, which took effect on October 14, 2008 extended THC benefits to a uniformed service member who is separated from active duty who agrees to become a member of the SelRes of the Ready Reserve of a Reserve Component.

Trusted Agent (TA). An individual appointed by a TASM that serves as a sponsor for eligible populations within TASS, utilizes TASS to register data for the DD Form 1172-2 (available at <http://www.dtic.mil/whs/directives/infomgt/forms/eforms/dd1172-2.pdf>), re-verifies CAC holder affiliation, and revokes CACs.

Trusted Agent Security Manager (TASM). An individual appointed by a SPO to oversee the activity for a specific TASS site and associated TAs. These individuals also serve in the TA role.

Trusted Associate Sponsorship System (TASS) (formerly known as Contractor Verification System (CVS)). A Web application used to verify that CAC applicants have the appropriate government sponsorship for the purpose of issuing CACs. The TASS web interface

§ 161.4

32 CFR Ch. I (7–1–25 Edition)

automates the DD Form 1172–2 for tracking the request process and updating DEERS with applicant information required for CAC issuance. The system also provides a mechanism for periodic re-verification of contractor eligibility to ensure that information is current and contractor CACs do not remain active when not appropriate. This capability will be expanded to support registration and background investigation confirmation for additional CAC eligible populations.

United States. The 50 United States and the District of Columbia.

Unmarried. A widow or widower who remarried and whose remarriage ended by death or divorce, or a former spouse of a sponsor whose subsequent remarriage ended by death or divorce.

Unremarried. A widow or widower who has never remarried, or a former spouse whose only remarriage was to the same military sponsor. Periods of marriage in this case may be combined to document eligibility for former spouse benefits.

U.S. territories and possessions. Puerto Rico, American Samoa, Guam, the Commonwealth of the Northern Mariana Islands, and the U.S. Virgin Islands.

VA rating determination letter. A letter from the appropriate VA authorities that establishes that the uniformed service member has been rated as 100 percent disabled or incapable of pursuing substantially gainful employment by the VA.

Verifying Official (VO). An individual who is responsible for validating eligibility of bona fide beneficiaries to receive benefits and entitlements.

Voluntary acknowledgment of paternity. A document recognized by relevant and applicable State law as establishing legal paternity. Such documents must be certified as a “true copy” by the appropriate state office.

Ward. An unmarried person who is placed in the legal custody of the member or former member as a result of an order of a court of competent jurisdiction in the United States (or a U.S. territory or possession) for a period of at least 12 consecutive months; is dependent on the member or former member for more than 50 percent of the person’s support; resides with the member or

former member unless separated by the necessity of uniformed service or to receive institutional care as a result of disability or incapacitation or under such other circumstances as the administering Secretary may by regulation prescribe; is not a dependent of a member or a former member under 10 U.S.C. 1072(2); and either:

(1) Has not attained the age of 21;

(2) Has not attained the age of 23 and is enrolled in a full-time course of study at an institution of higher learning approved by the administering Secretary; or

(3) Is incapable of self-support because of a mental or physical incapacity that occurred while the person was considered a dependent of the member or former member.

Widow. The female spouse of a deceased member of the uniformed Services.

Widower. The male spouse of a deceased member of the uniformed Services.

§ 161.6 Procedures.

(a) The DoD ID card life cycle shall be supported by an infrastructure that is predicated on a systems-based model for credentialing as described in FIPS Publication 201-3. Paragraphs (a)(1) through (7) of this section represent the baseline requirements for the life cycle of all DoD ID cards. The specific procedures and sequence of order for these items will vary based on the applicant's employment status or affiliation with the DoD and the type of ID card issued. Detailed procedures of the ID card life cycle for each category of applicant and type of ID card shall be provided by the responsible agency.

(1) *Sponsorship and eligibility.* Sponsorship shall incorporate the processes for confirming eligibility for an ID

card. The sponsor is the person affiliated with the DoD or other Federal agency who takes responsibility for verifying and authorizing the applicant's need for an ID card. Applicants for a CAC must be sponsored by a DoD government official or employee.

(2) *Registration and enrollment.* Sponsorship and enrollment information on the ID card applicant shall be registered in DEERS prior to card issuance.

(3) *Background investigation.* Background investigation is required for those individuals eligible for a CAC. A background investigation is not currently required for those eligible for other forms of DoD ID cards. Sponsored CAC applicants shall not be issued a CAC without a favorably adjudicated background investigation stipulated in FIPS Publication 201-3. Applicants that have been denied a CAC based on an unfavorable adjudication of the background investigation may submit an appeal in accordance with FIPS Publication 201-3 and Office of Personnel Management Memorandum, "Final Credentialing Standards for Issuing Personal Identity Verification Cards under HSPD-12."

(4) *Identity and eligibility verification.* Identity and eligibility verification shall be completed at a RAPIDS workstation. Verifying officials (VOs) shall inspect identity and eligibility documentation and RAPIDS shall authenticate individuals to ensure that ID cards are provided only to those sponsored and with a current affiliation with the DoD. RAPIDS shall also capture uniquely identifying characteristics that bind an individual to the information maintained on that individual in DEERS and to the ID card issued by RAPIDS. These characteristics may include, but are not limited to, digital photographs and fingerprints.

(5) *Issuance.* ID cards shall be issued after the RAPIDS workstation after all sponsorship, enrollment and registration, background investigation (CAC only), and identity and eligibility verification requirements have been satisfied.

(6) *Use and maintenance.* ID cards shall be used as proof of identity and DoD affiliation to facilitate access to

DoD facilities and systems. Additionally, ID cards shall represent authorization for entitled benefits and privileges in accordance with DoD policies.

(7) *Retrieval and revocation.* ID cards shall be retrieved by the sponsor or sponsoring organization when the ID card has expired, when it is damaged or compromised, or when the card holder is no longer affiliated with the DoD or no longer meets the eligibility requirements for the card. The active status of an ID card shall be revoked within the DEERS and RAPIDS infrastructure and the PKI certificates on the CAC shall be revoked.

(b) The guidelines and restrictions of this paragraph apply to all forms of DoD ID cards.

(1) Any person willfully altering, damaging, lending, counterfeiting, or using these cards in any unauthorized manner is subject to fine or imprisonment or both, as prescribed in 18 U.S.C. 499, 506, 509, 701, and 1001. Section 701 of 18 U.S.C. prohibits photographing or otherwise reproducing or possessing DoD ID cards in an unauthorized manner, under penalty of fine or imprisonment or both. Unauthorized or fraudulent use of ID cards would exist if bearers used the card to obtain benefits and privileges to which they are not entitled. Examples of authorized photocopying include photocopying of DoD ID cards to facilitate medical care processing, check cashing, voting, tax matters, compliance with 50 U.S.C. appendix 501 (also known as "The Service member's Civil Relief Act"), or administering other military-related benefits to eligible beneficiaries. When possible, the ID card will be electronically authenticated in lieu of photographing the card.

(2) International agreements (including status-of-forces agreements) and host-nation law may limit and/or define the types of support available to personnel in overseas areas. Although an ID card may be used to verify eligibility in the United States for access to, for example, commissary or exchange facilities, the use of such facilities overseas may be limited to persons who are stationed or performing temporary duty in a foreign country under official orders in support of a mutual defense mission with the host nation.

ID cards shall be issued only for the purposes identified in and in accordance with this Instruction, and the Heads of the DoD Components shall use other means, such as ration cards, to implement provisions in international agreements or to prevent violations of applicable host-nation law. ID cards shall not be issued for the sole purpose of implementing provisions of international agreements or restrictions based on applicable host-nation law.

(3) All ID cards are property of the U.S. Government and shall be returned upon separation, resignation, firing, termination of contract or affiliation with the DoD, or upon any other event in which the individual no longer requires the use of such ID card.

(4) To prevent any unauthorized use, ID cards that are expired, invalidated, stolen, lost, or otherwise suspected of potential or actual unauthorized use shall be revoked in DEERS along with the PKI certificates on the CACs immediately revoked.

(5) There are instances where graphical representations of ID cards are necessary to facilitate the DoD mission. When used and distributed, the replicas must not be the same size as the ID card, must have the word "SAMPLE" written on them, and shall not contain an individual's PII. All SAMPLE ID cards must be maintained in a controlled environment and shall not serve as a valid ID.

(6) Individuals within the DoD who have multiple personnel category codes (e.g., an individual who is both a reservist and a contractor) shall be issued a separate ID card in each personnel category for which they are eligible. Multiple current ID cards of the same form (e.g., CAC) shall not be issued or exist for an individual under a single personnel category code.

(7) ID cards shall not be amended, modified, or overprinted by any means. No stickers or other adhesive materials are to be placed on either side of an ID card. Holes shall not be punched into ID cards, except when a CAC has been requested by the next of kin for an individual who has perished in the line of duty. A CAC provided to next of kin shall have the status of the card revoked in DEERS, have the certificates revoked, and have a hole punched

through the integrated circuit chip before it is released to the next of kin.

(8) An ID card shall be in the personal custody of the individual to whom it was issued at all times. If required by military authority, it shall be surrendered for ID or investigation.

(c) *CAC migration to Federal PIV requirements.* The DoD is migrating the CAC to meet the Federal requirements for credentialing contained within Homeland Security Presidential Directive 12 and FIPS Publication 201-3. Migration will take place over multiple years as the card issuance hardware, software, and supporting systems and processes are upgraded. Successful migration will require coordination and collaboration within and among all CAC communities (e.g., personnel security, operational security, industrial security, information security, physical security, and information technology). The organizations listed in this section will support the migration in conjunction with the responsibilities listed in § 161.5:

(1) The Director, DMDC shall:

(i) Procure and distribute CAC consumables, including card stock, electromagnetically opaque sleeves, and printer supplies, commensurate with funding received from the DoD Components.

(ii) In coordination with the Office of the Under Secretary of Defense for Policy, establish an electronic process for securing CAC eligibility information on foreign government military, employee, or contract support personnel whose visit status and background investigation has been confirmed, documented, and processed in accordance with DoD Directive 5230.20, "Visits and Assignments of Foreign Nationals" (available at <http://www.dtic.mil/whs/directives/corres/pdf/523020p.pdf>).

(iii) In accordance with FIPS Publication 201-3, electronically capture and store source documents in the identity-proofing process at the accession points for eligible ID card holders.

(iv) Implement modifications to the CAC applets and interfaces, add contactless capability to the CAC platform and implement modifications to the CAC topology to support compliance with FIPS Publication 201-3.

§ 161.7

32 CFR Ch. I (7–1–25 Edition)

(v) Establish and implement procedures for capturing biometrics required to support CAC issuance, which includes fingerprints and facial images specified in FIPS Publication 201–3 and National Institute of Standards and Technology Special Publication 800–76–1, “Biometric Data Specification for Personal Identity Verification” (available at http://csrc.nist.gov/publications/nistpubs/800-76-1/SP800-76-1_012407.pdf).

(vi) In coordination with the Executive Manager for DoD Biometrics and the Office of the USD(AT&L), implement the capability to obtain two segmented images (primary and secondary) fingerprint minutiae from the full 10-print fingerprints captured as part of the initial background investigation process for CAC issuance.

(vii) Maintain a capability for a CAC holder to reset or unlock PINs from a system outside of the CAC issuance infrastructure.

(2) The Executive Manager for DoD Biometrics, as appointed by the Secretary of the Army as DoD Executive Agent for DoD Biometrics in accordance with DoD Directive 8521.01E, “Department of Defense Biometrics” (available at <http://www.dtic.mil/whs/directives/corres/pdf/852101p.pdf>), shall:

(i) Establish biometric standards for collection, storage, and subsequent transmittal of biometric information in accordance with DoD Directive 8521.01E (available at <http://www.dtic.mil/whs/directives/corres/pdf/852101p.pdf>).

(ii) In coordination with the USD(P&R), the USD(I), and the Heads of the DoD Components, establish capability for biometric collection and enrollment operations to support CAC issuance in accordance with 32 CFR part 310 and National Institute of Standards and Technology Special Publication 800–76–1 (available at http://csrc.nist.gov/publications/nistpubs/800-76-1/SP800-76-1_012407.pdf).

(3) The Identity Protection and Management Senior Coordinating Group shall:

(i) Monitor the CAC and identity management related activities outlined within this Instruction in accordance with DoD Instruction 1000.25 (available at <http://www.dtic.mil/whs/directives/corres/pdf/100025p.pdf>).

(ii) Maintain a configuration management process for the CAC and its related components to monitor DoD compliance with FIPS Publication 201–3.

[79 FR 709, Jan. 6, 2014, as amended at 81 FR 74878, Oct. 27, 2016; 89 FR 11179, Feb. 14, 2024]

Subpart B—DoD Identification (ID) Cards: ID Card Life-Cycle

§ 161.7 ID card life-cycle procedures.

(a) *Sponsorship and eligibility.* In accordance with this part, sponsorship shall incorporate the processes for confirming eligibility for an ID card. The sponsor is the person affiliated with the DoD or other Federal agency who takes responsibility for verifying and authorizing the applicant’s need for an ID card. Applicants for a CAC shall be sponsored by a DoD Government official or employee.

(1) The population categories and specific ID cards for which applicants are eligible are listed in Appendix 1 of this section. The majority of these populations are eligible to be sponsored for an ID card based on either their employment status with the DoD or their authorization to receive DoD benefits and entitlements. Examples of these population categories include, but are not limited to: Uniformed services personnel; DoD civilian employees; military retirees; certain DoD beneficiaries; and the eligible dependents for these categories.

(2) Specific populations, listed in paragraph (c)(2)(ii) of Appendix 1 of this section who are eligible to submit for the “U.S. DoD/Uniformed Service ID Card” may only be sponsored if they meet additional criteria. Examples of these population categories include DoD contractors, non-DoD Federal civilians, State employees, and other non-DoD personnel that have an affiliation with the DoD other than through employment or contract. Eligibility for these approved population categories is based on the DoD Government sponsor’s determination of the type and frequency of access required to DoD facilities or networks. For the populations described in this paragraph, the applicant’s sponsor must confirm that

the applicant meets one of the requirements in paragraphs (a)(2)(i) and (iii) of this section:

(i) Both physical access to a DoD facility and access, via logon, to DoD networks on-site or remotely. Access to the DoD network must require the use of a computer with Government-controlled configuration or use of a DoD-approved remote access procedure in accordance with the Defense Information Systems Agency Security Technical Implementation Guide, "Secure Remote Computing" (available at <http://iase.disa.mil/stigs/a-z.html> under "Remote. . .").

(ii) Remote access, via logon, to a DoD network using DoD-approved remote access procedures.

(iii) Physical access to multiple DoD facilities or multiple non-DoD federally controlled facilities on behalf of the DoD (applicable to DoD contractors only) on a recurring basis for a period of 6 months or more.

(A) The frequency of "recurring basis" for access shall be determined by the DoD Component concerned in coordination with installation security policies.

(B) CAC eligibility for applicants requiring physical access to multiple DoD facilities on a recurring basis for less than 6 months are risk-based decisions that shall be made by the DoD Component concerned in coordination with installation security policies. These applicants may instead be eligible for local or regional base passes in accordance with Office of the Under Secretary of Defense for Intelligence (USD(I)) and local installation security policies and procedures.

(b) *Registration and enrollment.* In accordance with this part, sponsorship and enrollment information about the ID card applicant shall be registered in the DEERS prior to card issuance.

(1) For uniformed services personnel and DoD civilians, all submissions to DEERS must be made electronically via an authorized data source feed (e.g., Civilian Personnel Management Service). Data source feeds for additional population categories shall be approved and incorporated by the Office of the USD(P&R) (OUSD(P&R)) as they become available.

(2) The population categories that are not registered via an authorized data source feed will be registered in DEERS via the RAPIDS using the DD Form 1172-2 or via the TASS (formerly known as CVS, as described in § 161.8 of this subpart.

(c) *Background Investigation.* In accordance with this subpart and DoDI 5200.46, "DoD Investigative and Adjudicative Guidance for Issuing the Common Access Card (CAC)" (available at: <http://www.dtic.mil/whs/directives/correspdf/520046p.pdf>), a background investigation is required for those individuals eligible for a CAC. A background investigation is not currently required for those eligible for other forms of DoD ID cards. The use of the CAC, as the DoD Federal personal identity verification (PIV) card, is governed and supported by additional policies when compared to non-CAC ID cards. Sponsored CAC applicants shall not be issued a CAC without the required background investigation stipulated in DoDI 5200.46 and FIPS Publication 201-3.

(1) A background investigation shall be initiated by the sponsoring organization before a CAC can be issued. The mechanisms required to verify completion of background investigation activities for DoD, military, and civilian CAC populations are managed within the DoD human resources and personnel security communities and are linked to the CAC issuance process. An automated means is not currently in place to confirm the vetting for populations other than DoD military and civilian personnel such as CAC-eligible contractors and non-DoD Federal civilian affiliates. When data is not available within the CAC issuance infrastructure on the background investigation status for an applicant, the sponsor shall be responsible for confirming that the required background investigation procedures comply with the DoD Instruction 5200.46 and FIPS Publication 201-3 before a CAC is authorized for issuance.

(2) Issuance of a CAC requires, at a minimum, the completion of the Federal Bureau of Investigation (FBI) fingerprint check with favorable results and successful submission of a NACI (or investigation approved in Federal

Investigative Standards) to the Office of Personnel Management (OPM). Completed background investigations for CAC issuance shall be adjudicated in accordance with DoD Instruction 5200.46 and Office of Personnel Management Memorandum, “Final Credentialing Standards for Issuing Personal Identity Verification Cards under HSPD–12” (available at http://www.opm.gov/investigate/resources/final_credentialing_standards.pdf).

(3) Except for uniformed services members, special considerations for conducting background investigations of non-U.S. nationals are addressed in DoD Instruction 5200.46. Non-U.S. person CAC applicants that do not meet the criteria to complete a NACI (e.g., U.S. residency requirements), must meet one of the criteria in paragraph (c)(3)(i) or (ii) of this section prior to CAC issuance. CACs issued to these non-U.S. persons shall display a blue stripe as described in appendix 2 of this section. Procedures for the acceptance of this CAC shall be in accordance with DoD Instruction 5200.46 and Office of Personnel Management Memorandum, “Final Credentialing Standards for Issuing Personal Identity Verification Cards under HSPD–12.” The specific background investigation conducted on the non-U.S. person may vary based on governing international agreements. Non-U.S. persons must:

(i) Possess (as foreign military, employee, or contract support personnel) a visit status and security assurance that has been confirmed, documented, and processed in accordance with international agreements pursuant to DoD Directive 5230.20, “Visits and Assignments of Foreign Nationals” (available at <http://www.dtic.mil/whs/directives/corres/pdf/523020p.pdf>).

(ii) Meet (as direct or indirect DoD hire personnel overseas) the investigative requirements for DoD employment as recognized through international agreements pursuant to Volume 1231 of DoD Instruction 1400.25, “DoD Civilian Personnel Management System: Employment of Foreign Nationals” (available at http://www.dtic.mil/whs/directives/corres/html/CPM_table2.html). In addition to these investigative requirements, a fingerprint check against the FBI criminal history database, an FBI

investigations files (name check search), and a name check against the Terrorist Screening Database shall be required prior to CAC issuance in accordance with Office of Personnel Management Memorandum, “Final Credentialing Standards for Issuing Personal Identity Verification Cards under HSPD–12.”

(d) *Identity and eligibility verification.* In accordance with this part, identity and eligibility verification shall be completed at a RAPIDS workstation. VOs shall inspect identity and eligibility documentation and RAPIDS shall authenticate individuals to ensure that ID cards are provided only to those sponsored and who have a current affiliation with the DoD. RAPIDS shall also capture uniquely identifying characteristics that bind an individual to the information maintained in DEERS and to the ID card issued by RAPIDS. These characteristics may include, but are not limited to, digital photographs and fingerprints.

(1) *Identity documents.* Applicants for initial ID card issuance shall submit two identity documents in original form as proof of identity. A VO at a RAPIDS workstation shall inspect and verify the documents presented by the applicant before ID card issuance. The identity documents must come from the list of acceptable primary and secondary documents included in the FIPS Publication 201–3 PIV Identity Proofing and Registration Requirements, or, for non-U.S. persons, other sources as outlined within paragraph (d)(1)(ii) of this section. Copies of the identity documentation may be accepted so long as they are certified documents. In accordance with FIPS Publication 201–3 PIV Identity Proofing and Registration Requirements, the identity documents shall be neither expired nor cancelled. The primary identity document shall be a State or Federal Government-issued picture ID. The identity documents shall be inspected for authenticity and scanned and stored in the DEERS in accordance with the DMDC, “Real-time Automated Personnel Identification System (RAPIDS) User Guide” upon issuance of an ID card. The requirement for the primary identity document to have a photo cannot be waived for initial ID

card issuance, consistent with applicable statutory requirements. Identity documentation requirements for renewal or re-issuance are provided in paragraph (e)(3) of this section. When it has been determined that a CAC applicant has purposely misrepresented or not provided the applicant's true identity, the case shall be referred by the relevant RAPIDS Service Project office (SPO) to the sponsoring DoD or other Uniformed Service Component organization. The DoD or other Uniformed Service Component organization concerned shall initiate an investigation or provide appeals procedures as appropriate. Exceptions to the identity documentation requirements for initial ID card issuance are provided in paragraphs (d)(1)(i) and (ii) of this section:

(i) *Children*. Children under the age of 18 applying for a dependent ID card are only required to provide documentation for the initial verification of eligibility or proof of relationship to the sponsor described in paragraph (d)(2) of this section.

(ii) *Documentation for non-U.S. persons*. At foreign locations, eligible non-U.S. persons may not possess identity documentation from the FIPS Publication 201-3 PIV Identity Proofing and Registration Requirements required for ID card issuance. These individuals shall still provide personal ID as required by the intent of this paragraph (d)(1). Non-U.S. persons within the United States and U.S. territories and possessions shall present a valid (unexpired) foreign passport as the primary form of identity source documentation. DoD organizations based outside the United States and U.S. territories and possessions should work with the local consular affairs office to determine guidelines for the appropriate identity documentation for eligible non-U.S. persons in accordance with agreements with host nations. It is recommended that a foreign passport be used as the primary form of identity source documentation for these individuals. The requirement for the primary identity document to have a photo cannot be waived. A foreign government issued ID with photograph may be used as a secondary document for ID card issuance. Additional documentation used to verify identity must be original

or certified true copies. All documentation not in English must have a certified English translation.

(2) *Eligibility documents*. ID card applicants may be required to provide documentation as initial verification of eligibility for benefits or proof of relationship to the sponsor. The eligibility documents shall be inspected for authenticity by the VO and scanned and stored in DEERS in accordance with the procedures in DMDC, "Real-time Automated Personnel Identification System (RAPIDS) User Guide." Specifications and the types of documents and how they are utilized to verify eligibility for a member or dependent based on their status (e.g., Retired, Reservist, spouse, former spouse, child) shall be established by the uniformed services subject to the guidelines in this subpart. All documentation used to verify eligibility must be original or certified true copies. All documentation not in English must have a certified English translation. Eligibility documentation is not required when DEERS can verify eligibility via an authoritative source or process.

(3) *DEERS verification*. The VO shall utilize DEERS to verify affiliation and eligibility for benefits as described in subpart C of this part.

(4) *Biometrics*. In accordance with DoD Instruction 1000.25, ID card applicants shall provide two fingerprint biometric scans and a facial image, to assist with authenticating the applicant's identity and to bind the information maintained on that individual in DEERS and to the ID card issued by RAPIDS. These requirements shall be integrated into the ID card issuance processes in the following manner:

(i) A digitized, full-face passport-type photograph will be captured for the facial image and stored in DEERS and shall have a plain white or off-white background. No flags, posters, or other images shall appear in the photo. All ID cards issued will display a photograph.

(ii) Two fingerprints are captured for storage within DEERS for applicable ID card applicants. The right and left index fingers shall normally be designated as the primary and secondary finger, respectively. However, if those fingers cannot be imaged, the primary

and secondary designations shall be taken in the following order of priority: Right thumb, left thumb, right middle finger, left middle finger, right ring finger, left ring finger, right little finger, left little finger.

(iii) If two fingerprints cannot be captured, the facial image will be the alternative for authenticating ID card applicants and ID card holders during the issuance process. Additionally, when verification or capture of biometrics is not possible, authorization will be provided by the RAPIDS SSM's digital signature. This transaction shall be subject to audit by DMDC and the uniformed services.

(e) *Issuance.* In accordance with this part, ID cards shall be issued at the RAPIDS workstation after all sponsorship, enrollment and registration, background investigation (CAC only), and identity and eligibility verification requirements have been satisfied. Initial issuance of an ID card to an applicant will be contingent on satisfying the criteria in paragraphs (a) through (d) of this section.

(1) *Cross-servicing.* The uniformed services agree to cross-service the issuance of ID cards when affiliation and eligibility can be verified in DEERS. When eligibility cannot be verified through DEERS, presentation of documentation shall be required. The uniformed services shall restrict cross-servicing for verification of the DD Form 1172-2 and eligibility documentation to the parent uniformed service for the categories in paragraphs (e)(1)(i) through (viii) of this section:

(i) Initial application for permanently incapacitated individuals over age 21 and temporarily incapacitated children over age 21.

(ii) All dependent parents and parents-in-law.

(iii) Illegitimate child of a male sponsor, whose paternity has not been judicially determined.

(iv) Illegitimate child of spouse or sponsor.

(v) Unremarried and unmarried former spouses applying for initial issuance of an ID card.

(vi) Retiree from other services, and former members not currently enrolled in DEERS.

(vii) Surviving dependents of Reserve Retirees on the sponsor's 60th birthday.

(viii) Abused dependents.

(ix) Wards.

(2) *Expiration dates*—(i) *CACs.* Except as noted in paragraphs (e)(2)(i)(A) and (B) of this section, CACs shall be issued for a period not to exceed 3 years from the date of issuance or contract expiration date, whichever is shorter. Unfunded contract options shall be considered in the determination of the length of contract. For example, a contractor hired under DoD contract with a base year plus 2 option years shall be issued a CAC with a 3-year expiration. The expiration date of the PKI certificates on the CAC shall match the expiration date on the card.

(A) CACs issued to DoD civilian employees, contractors, and other eligible personnel assigned overseas or deploying in support of contingency operations shall have an expiration date coinciding with their deployment period end date.

(B) Service Academy students shall be issued 4-year cards with 3-year certificates.

(ii) *Non-CAC ID cards.* (A) DD Form 1173, "United States Uniformed Services ID and Privilege Card" issued to dependents of DoD civilian employees, contractors, and other eligible personnel assigned overseas or deploying in support of contingency operations shall have an expiration date coinciding with their deployment period end date.

(B) An indefinite DD Form 1173 will be issued to the dependents of retired Service members who are either 65 years of age or permanently incapacitated in accordance with 10 U.S.C. 1060b.

(C) All other non-CAC ID cards shall be given expiration dates in accordance with the guidance listed on www.cac.mil.

(3) *Renewal and reissuance.* Consistent with applicable law, the applicant for ID renewal or reissuance shall be required to surrender the current DoD ID card that is up for renewal or reissuance except as indicated for lost and stolen ID cards in paragraph (e)(3)(iii) of this section. An expired DoD ID card is an acceptable secondary form of ID for non-CAC ID card renewal

or reissuance if identity document verification is required. To authenticate renewal or reissuance applicants, the VO shall visually compare the applicant against the facial image stored in DEERS. For applicants who have fingerprint biometrics stored in DEERS, live fingerprint biometrics samples shall be checked against the applicant's DEERS record. If the biometric check confirms the identity of the renewal or reissuance applicant then no additional documentation is required to verify identity other than the ID card that is being renewed or reissued (documentation may still be required to verify or re-verify eligibility as described in paragraph (d)(2) of this section). As a general practice for renewal or re-issuance, two fresh fingerprint biometric captures may be stored for applicable personnel through the initial procedures in paragraph (d)(4)(ii) of this section to support DMDC's biometric update schedule. If biometric information cannot be verified, the requirements for initial issuance shall apply or a temporary card may be issued in accordance with paragraph (e)(4) of this subpart.

(i) An ID card holder may apply for a renewal starting 90 days prior to the expiration of a valid ID. The SPO can provide exceptions to this requirement.

(ii) An ID card shall be reissued when printed information requires changes (e.g., pay grade, rank, change in eligibility), when any of the media (including printed data, magnetic stripe, bar codes, or integrated circuit chip) becomes illegible or inoperable, or when a CAC is known or suspected to be compromised.

(iii) An ID card shall be reissued when it is reported lost or stolen. The individual reporting a lost or stolen ID card shall be required to provide a valid (unexpired) State or Federal Government-issued picture ID as noted in paragraph (d)(1) of this section, consistent with applicable law, when available. If the individual is unable to present the required identity documentation, a biometric verification shall be used as proof of identity as described in paragraph (e)(3)(iii)(A) of this section. The VO shall verify the cardholder's identity against the biometric information stored in DEERS

and confirm the expiration date of the missing ID card. The individual shall also be required to present documentation from the local security office or ID card sponsor confirming that the ID card has been reported lost or stolen. This documentation must be scanned and stored in DEERS. For dependents, the DD Form 1172-2 serves as the supporting documentation for a lost or stolen card. For individuals sponsored through TASS, the replacement ID card shall have the same expiration date as the lost or stolen card.

(A) If no identity documentation is available but biometric information (facial image or fingerprint when applicable) in the DEERS database can be verified by the VO, an ID card can be reissued to the individual upon the additional approval of a SSM. This transaction shall be digitally signed and audited.

(B) If biometric information cannot be verified, the requirements for initial issuance shall apply or a temporary card may be issued in accordance with paragraph (e)(4) of this section.

(4) *Temporary cards*—(i) *Temporary issuance of a CAC*. During contingency operations, in the event there is no communication with the DEERS database or the certificate authority, a temporary CAC may be issued with an abbreviated expiration date for a maximum of 10 days. The temporary card will not have PKI certificates and will be replaced as soon as the member can reach an online RAPIDS station or communications have been restored. Additionally, the temporary CAC does not communicate or imply eligibility to any DoD benefit. This capability will be enabled only at affected RAPIDS sites and must have approval granted by DMDC.

(ii) *Temporary issuance of a Uniformed Services Identification card*. There are multiple scenarios under which a temporary Uniformed Services Identification card may be issued. The uniformed services shall develop standard processes and procedures for scenarios requiring issuance of a temporary DD Forms 2765 "Department of Defense/Uniformed Services Identification and Privilege Card" or DD 1173, including but not limited to those situations where the applicant needs to obtain the

necessary legal documentation or the sponsor is unavailable to provide an authorizing signature.

(5) *Multiple cards.* Individuals shall be issued a separate ID card for each population category for which they qualify as described in Appendix 1 of this section. In instances where an individual has been issued more than one ID card (e.g., an individual that is eligible for an ID card as both a Reservist and as a DoD contractor employee), only the ID card that most accurately depicts the capacity in which the individual is affiliated with the DoD should be utilized at any given time.

(f) *Use and maintenance.* In accordance with this part, ID cards shall be used as proof of identity and DoD affiliation to facilitate access to DoD facilities and systems. Additionally, ID cards shall represent authorization for entitled benefits and privileges in accordance with DoD policies. The CAC, as the DoD Federal PIV card, is governed and supported by additional policies and infrastructure when compared to non-CAC ID cards. This section provides additional guidance on CAC use and maintenance:

(1) *Access.* The granting of access privileges is determined by the facility or system owner as prescribed by the DoD.

(2) *Accountability.* CAC holders will maintain accountability of their CAC at all times while affiliated with the DoD.

(3) *PKI.* Using the RAPIDS platform, DoD PKI identity and PIV authentication certificates will be issued on the CAC at the time of card issuance in compliance with OPM Memorandum, “Final Credentialing Standards for Issuing Personal Identity Verification Cards under HSPD–12.” Email signature, email encryption, or PIV authentication certificates may also be available on the CAC either upon issuance or at a later time. If the person receiving a CAC does not have an organization email address assigned to them, they may return to a RAPIDS terminal or use milConnect to receive their email certificate when the email address has been assigned. To help prevent inadvertent disclosure of controlled information, email addresses assigned by an organization shall com-

ply with DoD Instruction 8500.2, “Information Awareness (IA) Implementation” (available at <http://www.dtic.mil/whs/directives/corres/pdf/850002p.pdf>).

(4) *milConnect.* DoD has a self-service Web site available that allows an authenticated CAC holder to add applets to the CAC, change the email address, add/update Email Signature and Email Encryption Certificates, and activate the Personal Identity Verification (PIV) Authentication certificate. This capability can be utilized from any properly configured UNCLASSIFIED networked workstation. The milConnect Web site is <https://www.dmdc.osd.mil/milconnect>.

(5) *CAC Personal ID Number (PIN) Reset.* DoD has manned workstations capable of resetting the PINs of a CAC holder with a locked card or forgotten PIN. These workstations are intended to provide alternative locations for CAC holders to service their cards other than RAPIDS issuance locations. To authenticate cardholders, live biometric samples shall be checked against the biometrics stored in DEERS prior to resetting CACs. This process requires the presence of a CPR trusted agent (CTA) or TASM or RAPIDS VO or SSM.

(g) *Retrieval and revocation.* In accordance with this part, ID cards shall be retrieved by the sponsor or sponsoring organization when the ID card has expired, when it is damaged or compromised, or when the card holder is no longer affiliated with the DoD or no longer meets the eligibility requirements for the card. The active status of the card shall be terminated within the DEERS and RAPIDS infrastructure. The CAC, as the DoD Federal PIV card, is governed and supported by additional policies and infrastructure when compared to non-CAC ID cards. This section provides additional guidance on CAC retrieval and revocation:

(1) CACs shall be retrieved as part of the normal organizational or command-level check-out processes. The active status of the CAC shall also be terminated in special circumstances (e.g., absent without leave, unauthorized absence, missing in action) in accordance with organization or command-level security policies.

(2) The DoD sponsor or sponsoring organization is ultimately responsible for retrieving CACs from their personnel who are no longer supporting their organization or activity with the exception of transferring DoD civilian employees. Civilian employees transferring from one DoD Component to another as civilian employees (*e.g.*, Army civilian to Air Force civilian) will be permitted to retain their CAC during their transition for up to 30 days in accordance with the DoD CIO and USD(P&R) joint memorandum, "Common Access Card Retention for Department of Defense Civilian Employees when Transferring Between Department of Defense Components." CAC retrieval will be documented and treated as personally identifiable information, in accordance with DoD Regulation 5200.1-R, and 32 CFR part 310 and receipted to a RAPIDS site for disposition in a timely manner.

(3) Upon loss, destruction, or revocation of the CAC, the certificates thereon are revoked and placed on the certificate revocation list in accordance with Assistant Secretary of Defense for Networks and Information Integration Certificate Policy, "X.509 Certificate Policy for the United States Department of Defense" (available at http://jtic.fhu.disa.mil/pki/documents/dod_x509_certificate_policy_v9_0_9_february_2005.pdf). All other situations that pertain to the disposition of the certificates are handled in accordance with Assistant Secretary of Defense for Networks and Information Integration Certificate Policy, "X.509 Certificate Policy for the United States Department of Defense" as implemented.

(b) *CAC stripe color coding*. The CAC shall be color-coded as indicated in the Table to reflect the status of the holder of the card. (1) If a person meets more than one condition as shown in the Table, priority will be given to the blue stripe to denote a non-U.S. citizen unless the card serves as a Geneva Conventions card.

(2) FIPS Publication 201-3 reserves the color red to distinguish emergency first responder officials. Until the DoD implementation of Homeland Security Presidential Directive 12 is complete, the color red will also be used to denote non-U.S. personnel in the same manner as the blue stripe in the Table (i.e., some cards with red stripes may continue to exist in circulation until the 3-year life cycle is complete).

TABLE—CAC STRIPE COLOR CODING

No stripe	U.S. military and DoD civilian personnel or any personnel eligible for a Geneva Conventions card
Blue	Non-U.S. personnel, including DoD contract employees (other than those persons requiring a Geneva Conventions card).
Green	All U.S. citizen personnel under contract to the DoD (other than those persons requiring a Geneva Conventions card).

(c) *CAC printed statements*—(1) Eligible individuals who are permanently assigned in foreign countries for at least 365 days (it should be noted that local nationals are in their home country, not a foreign country) will have the word “OVERSEAS” printed within the authorized patronage area of the CAC.

the Uniformed Services will be granted all commissary; exchange; MWR; and medical privileges available at the site of the deployment, regardless of the statements on the ID card. Contractor employees possessing this ID card shall receive the benefit of those commissary, exchange, MWR, and medical privileges that are accorded to such persons by international agreements in force between the United States and the host country concerned and their letter of authorization.

§ 161.8 ID card life-cycle roles and responsibilities.

(a) *General.* This section provides the roles and responsibilities associated with a series of processes and systems that support the ID card life-cycle. The requirements provided in this section may be supplemented by military Service guidance, DoD Component-level procedures and DMDC procedural and system documentation on DEERS, RAPIDS, TASS, and CPR.

(b) *Separation of duties.* The ID card life-cycle includes a requirement for a separation of duties to support the issuance process. This rule requires more than one person to serve in an official role during the sponsorship and enrollment and issuance processes. Authorizing a RAPIDS SSM or VO to exercise the duties of a TASS TASM, TA, or sponsor would allow a single individual to control the ID card issuance process, from record creation to card issuance. Individuals serving in the role of a RAPIDS SSM or VO shall not exercise the role of the TASS TASM or TA or the role of the signatory sponsor on the DD Form 1172-2. (In the case of their own dependents, a RAPIDS SSM or VO can serve as the sponsor on the

DD Form 1172-2 but cannot serve as the VO for card issuance.)

(c) *DD Form 1172-2.* The DD Form 1172-2 shall be used to collect the information necessary to register ID card and CAC applicants in DEERS via RAPIDS who are not enrolled through an authorized personnel data feed or are not registered through TASS. The DD Form 577, “Appointment/Termination Record—Authorized Signature,” shall be used to verify the sponsoring individual’s signature, when verification through RAPIDS is unavailable. This form is to be used primarily for DEERS enrollment and verification of initial and continued association for dependents and DoD affiliates (e.g., foreign national military). The DD Form 1172-2 shall also be used to add benefits conditions for eligible personnel in accordance with DMDC, “Real-time Automated Personnel Identification System (RAPIDS) User Guide” and subpart C of this part. Retention and disposition of the DD Form 1172-2 shall be in accordance with the uniformed services’ regulatory instructions. In the absence of electronic verification of sponsorship for the enrollment or reenrollment of dependents, the sponsor signing block 65 in Section 5 of the DD Form 1172-2 for the ID card applicant:

(1) Shall be a uniformed services member, retiree, civilian employee working for the sponsoring organization, or an individual entitled to DoD benefits in their own right, without requiring relationship to another sponsor, as described in subpart C of this part.

(2) Must be a DoD ID card or CAC holder.

(3) Shall establish the applicant’s initial and continued relationship to the sponsor, affiliation with DoD, and need for a CAC card in accordance with this subpart and DoD Component-level procedures.

(d) *TASS.* TASS shall serve as the sponsorship and DEERS data registration tool for CAC-eligible DoD contractors and other populations as determined by the Director, DHRM. TASS employs an automated version of the DD Form 1172-2 to collect information necessary for DEERS enrollment. Organizations that use TASS shall adhere

§ 161.8

32 CFR Ch. I (7-1-25 Edition)

to the following guidelines on user roles:

(1) *Service Point of Contact (SPOC)*. A DoD Component that utilizes TASS shall appoint a SPOC for TASS management and operation. The SPOC shall coordinate with the DMDC to establish a site with TASS capability. The SPOC shall create policies, operating procedures, and other supporting documentation in support of the Service or agency-specific implementation. The SPOC will oversee TASM registration, and provide any other required field support. The TASS SPOC:

- (i) Must be a U.S. citizen.
- (ii) Must be a uniformed services member, civilian employee working for the sponsoring organization, or a DoD contractor providing management support to the service or agency implementing TASS (a contractor cannot perform the TA or TASM role).
- (iii) Must be capable of sending and receiving digitally signed and encrypted email.
- (iv) Must be a CAC holder.
- (v) Shall complete the training provided by DMDC for the TASM and TA roles.

(2) *TASM*. The TASM will act as a TA and oversee the activity for TASS site TAs. A TASS TASM:

- (i) Must be a U.S. citizen.
- (ii) Must be a uniformed services member or a DoD civilian employee working for the sponsoring organization.
- (iii) Must be capable of sending and receiving digitally signed and encrypted email.
- (iv) Must be a CAC holder.
- (v) Shall complete the training provided by DMDC for the TASM role.

(3) *TA*. TAs shall be sponsors for eligible populations within TASS and will utilize TASS to register data for the DD Form 1172-2, re-verify CAC holder affiliation, and revoke CACs in accordance with this part and the DMDC “Contractor Verification System TASS (CVS) TASM/TA and Applicant User Guides, Version 3.03” (available at <https://www.dmdc.osd.mil/appj/cvs/login>). Sponsoring an applicant is a multi-step process which includes establishing the individual’s eligibility in accordance with paragraph (a) of §161.7 of this subpart and verifying that the individual

has the necessary background investigation completed to be issued a CAC in accordance with paragraph (c) of §161.7 of this subpart. A TASS TA:

- (i) Must be a U.S. citizen.
- (ii) Must be a uniformed services member, a DoD civilian employee working for the sponsoring organization, or a non DoD Federal agency employee approved by DHRA.
- (iii) Must be capable of sending and receiving digitally signed and encrypted email.
- (iv) Must be a CAC holder.
- (v) Shall complete the training provided by DMDC for the TA role.
- (vi) Shall manage no more than 100 active contractors at any given time within TASS. Exceptions to this limit can be authorized by the DoD Component concerned to address specific contract requirements that substantiate a need for a larger contractor-to-TA ratio. The DoD Component SPOC shall document any authorized exceptions to the 100-contractors limit and shall, at a minimum, conduct annual audits on the oversight functions of these specific TAs.
- (vii) Shall coordinate with their contracting personnel when establishing the contractor’s initial and continued affiliation with DoD and need for CACs in accordance with agency or Component-level procedures.
- (viii) Shall coordinate with their contracting, human resources, or personnel security organizations to confirm that the appropriate background check has been completed for CAC applicants.
- (ix) Shall re-verify a CAC holder’s need for a CAC every 6 months (180 days) within TASS.
- (x) Shall revoke the CAC within the TASS upon termination of employment or completion of affiliation with the DoD.
- (xi) Shall ensure that the CAC is retrieved upon the CAC holder’s termination of employment or completion of affiliation with the DoD.

(e) *RAPIDS*. RAPIDS must be operated in accordance with DMDC, “Real-time Automated Personnel Identification System (RAPIDS) User Guide.” RAPIDS shall be supported by:

- (1) *SSM*. The SSM shall manage the daily operations at a RAPIDS site to

include managing users, cardstock, and consumables. The SPO shall assign a primary and secondary SSM to each site to ensure the site continues to function in the absence of one of the SSMs. The SSM shall perform all responsibilities of a RAPIDS user (VO), as well as all SSM responsibilities. The SSM shall:

- (i) Be a U.S. citizen.
- (ii) Be a uniformed services member, civilian employee working for the sponsoring organization, or a DoD contractor.
- (iii) Be a CAC holder.
- (iv) Complete the training provided by DMDC for the SSM and VO roles.
- (v) Be responsible for supporting RAPIDS functions delineated in DMDC, “Real-time Automated Personnel Identification System (RAPIDS) User Guide.”
- (vi) Must have a favorably adjudicated NACI.

(2) *VO*. The VO shall complete identity and eligibility verification and card issuance functions in accordance with this part. The VO:

- (i) Must be a U.S. citizen.
- (ii) Must be a uniformed services member, civilian employee working for the sponsoring organization, or a DoD contractor.
- (iii) Must be a CAC holder.
- (iv) Shall complete the training provided by DMDC for the VO role.
- (v) Be responsible for supporting RAPIDS functions delineated in DMDC, “Real-time Automated Personnel Identification System (RAPIDS) User Guide.”

(f) *CPR*. Organizations that utilize CPR shall adhere to the guidelines in this section on user roles:

(1) *CPR project officer*. The CPR project officer (CPO) shall be appointed by the Service or Agency as the focal point for day-to-day CPR management and operation. The CPO:

- (i) Must be a U.S. citizen.
- (ii) Must be a uniformed services member, civilian employee working for the sponsoring organization, or a DoD contractor.
- (iii) Must be a CAC holder.
- (iv) Must establish sites with CPR capability, oversee CPR TASM registration, and ensure other required field

support in accordance with DMDC and Service- or agency-level guidelines.

(2) *CPR TASM*. The CPR TASM manages the CPR trusted agent (CTA) operations. The CPR TASM:

- (i) Must be a U.S. citizen.

Subpart C—DoD Identification (ID) Cards: Benefits for Members of the Uniformed Services, Their Dependents, and Other Eligible Individuals

SOURCE: 81 FR 74879, Oct. 27, 2016, unless otherwise noted.

§ 161.9 DoD benefits.

The benefits population is defined by roles. There are roles that have a direct affiliation with the DoD, such as an active duty Service member, or those that have an association to someone who is affiliated, such as the spouse of an active duty member. This section reflects benefit eligibility established by law and associated DoD policy, and addresses the roles that receive benefits. These benefits can include civilian health care, direct care at an MTF, commissary, exchange, and MWR, which are conveyed on the authorized CAC or uniformed services ID card. Sections 161.10 through 161.22 identify the categories of eligible persons and their authorized benefits as they would be recorded in the Defense

§ 161.10

Eligibility Enrollment Reporting System (DEERS).

(a) Sections 161.10 through 161.22 reflect the eligibility of persons for the benefits administered by the uniformed services in accordance with 10 U.S.C. chapter 55 and DoD Instruction 1330.17, “Armed Services Commissary Operations” (available at <http://www.dtic.mil/whs/directives/corres/pdf/133017p.pdf>); DoD Instruction 1330.21, “Armed Services Exchange Regulations” (available at <http://www.dtic.mil/whs/directives/corres/pdf/133021p.pdf>); and DoD Instruction 1015.10.

(1) Additional benefits may be authorized by DoD Instruction 1330.17, DoD Instruction 1330.21, and DoD Instruction 1015.10, but are not printed on the DoD ID card; access to benefits may be facilitated in another manner in accordance with DoD Instruction 1330.17, DoD Instruction 1330.21, and DoD Instruction 1015.10.

(2) Installation commanders may never authorize benefits beyond those allowed by DoD Instruction 1330.17, DoD Instruction 1330.21, and DoD Instruction 1015.10, but they may deny privileges indicated when base support facilities cannot handle the burden imposed as authorized by DoD Instruction 1330.17, DoD Instruction 1330.21, and DoD Instruction 1015.10.

(b) A sponsor’s begin date for benefit eligibility is based on the date the sponsor begins their affiliation with the Department.

(c) A dependent’s begin date for benefit eligibility is based on the date the

dependent becomes associated as an eligible dependent to an eligible sponsor.

(d) Guidance on benefit eligibility begin dates and ID card expiration dates based on benefits will be maintained at <http://www.cac.mil>.

(e) Refer to the figure 1 to this subpart for abbreviations for the tables in this subpart.

Subpart D—DoD Identification (ID) Cards: Eligibility Documentation Required for Defense Enrollment Eligibility Reporting System (DEERS) Enrollment, Record Management, and ID Card Issuance

SOURCE: 81 FR 74904, Oct. 27, 2016, unless otherwise noted.

§ 161.23 Procedures.

(a) *Eligibility documentation*—(1) *Basic requirements.* (i) ID card applicants must provide documentation as initial verification of eligibility for benefits or as proof of relationship to the sponsor. The sponsor is the prime beneficiary who derives eligibility based on individual status rather than dependence upon or relationship to another person, in accordance with §161.7(a). When possible, DEERS records will be established and updated by authoritative data feeds.

(ii) An individual's DEERS record is established through the in-person presentation of identity documentation and, in some cases, eligibility documentation. Documentation verifying an ID card applicant's identity is always required in accordance with §161.7(d)(1). Eligibility documentation may also be required to update a DEERS record to reflect a change in benefits or status.

(A) Identity and eligibility documentation is reviewed for authenticity by a RAPIDS verifying official (VO) and incorporated into the individual's DEERS record as necessary.

(B) The sponsor or DoD beneficiary must provide documentation to establish or terminate the relationship to a dependent within 30 days of the change.

(C) The VO ensures that the DD Form 1172-2 is signed by the sponsor.

(I) If the sponsor refuses to sign or is physically unable to sign the application, the VO verifies that the dependency between the sponsor and dependent exists and includes reasons why the sponsor is not able to or will not sign the application on the DD Form 1172-2.

The VO then signs in the sponsor signature block and in the verifier's block.

(2) If the sponsor is deceased, the DoD beneficiary signs on the beneficiary's own behalf or on behalf of the surviving dependent.

(D) A VO may request additional documentation if there is any question of the authenticity of those presented.

(iii) Eligible individuals presenting eligibility documentation not listed in this subpart must have the responsible uniformed service Judge Advocate General or local Staff Judge Advocate (SJA) review and verify the documentation. A written Judge Advocate General or SJA opinion may need to be submitted at ID card issuance, verifying the documentation's use for DEERS enrollment.

(2) *Documentation standards*—(i) *Certified documentation.* All documentation must be an original or certified document.

(ii) *Foreign documentation.* Additional requirements are applied toward the verification of foreign eligibility documentation submitted to support enrollment of a dependent, including:

(A) A full English language translation, which the translator has certified as complete and accurate, and the translator's certification of competency to translate from the foreign language into English, in accordance with 8 CFR 103.2(b)(3). Translation must be provided by a translator other than the individual presenting the document.

(B) A written Judge Advocate General or local SJA opinion confirming use of the eligibility documentation, if the uniformed service member is stationed overseas.

(C) Documentation that attests to the genuineness of the signature and seal, or the position of the foreign official who executed, issued, or certified the foreign documentation being presented to substantiate the dependency relationship to the sponsor.

(I) An accompanying original *apostille* (i.e., certification) from a higher-level authority in the foreign country of issuance, for eligibility documents from countries that have adopted the Hague Convention Abolishing the Requirement of Legalisation for Foreign Public Documents, October 5,

1961 (copies may be obtained from the Internet at <https://www.hcch.net/en/instruments/conventions/full-text/?cid=41>).

Sponsors should contact their SJA for information on how to obtain an *apostille* from a member nation; or

(2) An accompanying original certificate of authentication by a U.S. Consular Officer in the foreign country of issuance, for eligibility documents from all other foreign nations. Sponsors should contact their SJA for information on how to request issuance of certificate(s) of authentication from a U.S. Consular official.

(b) *Documentation for dependents*—(1) *Overview.* This paragraph (b) describes eligibility documentation required for eligible dependents of qualifying sponsors, including current, former, and retired uniformed service members, civilian employees, and other eligible individuals in accordance with subpart C of this part. Dependents who are eligible for benefits in accordance with subpart

C of this part must provide eligibility documentation that establishes the dependent’s relationship to the sponsor and verifies eligibility, as shown in Tables 1 through 12 to this subpart.

(i) The uniformed services restrict cross-servicing for verification of the DD Form 1172–2 and eligibility documentation to the responsible uniformed service for certain categories of dependents, in accordance with § 161.7(e)(1).

(ii) Service-specific requirements and processes are addressed in Air Force Instruction 36–3026, “Identification Cards for Members of the Uniformed Services, Their Eligible Family Members, and Other Eligible Personnel” (available at: http://static.e-publishing.af.mil/production/1/af_a1/publication/afi36-3026v1_ip/afi_36-3026_ip.pdf).

(2) *Spouse.* A sponsor’s spouse must have eligibility verified by documentation shown in Table 1 to this subpart.

TABLE 1 TO SUBPART D OF PART 161—ELIGIBILITY DOCUMENTATION REQUIRED FOR A SPOUSE

Status	Eligibility documentation
Spouse	Marriage certificate.
Common Law Spouse	SJA opinion (Note 1) and Common law marriage certificate (Note 2) or Court order (Note 3).

Notes:

1. A written SJA opinion that a common law marriage is recognized in the relevant State or U.S. jurisdiction.
2. A common law marriage certificate certified by the State.
3. An order or other appropriate document from a court of competent jurisdiction in the United States (or U.S. territory or possession) that establishes a common law marriage.

(3) *Child, unmarried, under the age of 21.* A sponsor’s dependent child, who is unmarried and under the age of 21, must have eligibility verified as shown in Tables 2 through 7 to this subpart. A child under the age of 21, who marries and subsequently divorces, may

present a divorce decree and have eligibility reinstated, if the other requirements for a dependent child are met.
