Subpart B—Requests for Historical Access

§ 1804.11 Requirements as to who may apply.

(a) *Historical researchers*.—(1) *In general*. Any historian engaged in a historical research project as defined above may submit a request in writing to the Coordinator to be given access to classified information for purposes of that research. Any such request shall indicate the nature, purpose, and scope of the research project.

(2) *Additional considerations*. In light of the very limited resources for NACIC's various historical programs, it is the policy of NACIC to consider applications for historical research privileges only in those instances where the researcher's needs cannot be satisfied through requests for access to reasonably described records under the Freedom of Information Act or the mandatory declassification review provisions of Executive Order 12958 and where issues of internal resource availability and fairness to all members of the historical research community militate in favor of a particular grant.

(b) *Former Presidential appointees*. Any former Presidential appointee as defined herein may also submit a request to be given access to any classified records which they originated, reviewed, signed, or received while serving in that capacity. Such appointees may also request approval for a research associate but there is no entitlement to such enlargement of access and the decision in this regard shall be in the sole discretion of NACIC. Requests from appointees shall be in writing to the Coordinator and shall identify the records of interest.

§ 1804.12 Designations of authority to hear requests.

The Director, NACIC has designated the Coordinator, as the NACIC authority to decide requests for historical and former Presidential appointee access under Executive Order 12958 (or successor Orders) and this part.

(a) *Compliance with general requirements.* The Coordinator shall review each request under this part and determine whether it meets the general requirements as set forth in §1804.11; if it does not, the Coordinator shall so notify the requester and explain the legal basis for this decision.

(b) *Action on requests meeting general requirements.* For requests which meet the requirements of §1804.11, the Coordinator shall thereafter task the originator(s) of the materials for which access is sought and other interested parties. Additional taskings, as required during the review process, shall be accomplished within ten (10) days of notification.

§ 1804.14 Determinations by tasked officials.

(a) *Required determinations.* The tasked parties as specified below shall respond in writing to the Coordinator with recommended findings to the following issues:

(1) That a serious professional or scholarly research project by the requester is contemplated;

(2) That such access is clearly consistent with the interests of national security (by originator and interested party, if any);

(3) That a non-disclosure agreement has been or will be executed by the requester (or research associate, if any) and other appropriate steps have been taken to assure that classified information will not be disclosed or otherwise compromised;

(4) That a pre-publication agreement has been or will be executed by the requester (or research associate, if any) which provides for a review of notes and any resulting manuscript by the Deputy Director of NACIC;

(5) That the information requested is reasonably accessible and can be located and compiled with a reasonable effort (by the Deputy Director of NACIC and the originator);

(6) That it is reasonably expected that substantial and substantive government documents and/or information will be amenable to declassification

and release and/or publication (by the Deputy Director of NACIC and the originator);

(7) That sufficient resources are available for the administrative support of the researcher given current mission requirements (by the Deputy Director of NACIC and the originator); and,

(8) That the request cannot be satisfied to the same extent through requests for access to reasonably described records under the Freedom of Information Act or the mandatory declassification review provisions of Executive Order 12958 (by the Coordinator, the Deputy Director of NACIC and the originator).

(b) *Time.* These responses shall be provided expeditiously on a first-in, first-out basis taking into account the business requirements of the tasked offices and consistent with the information rights of members of the general public under the Freedom of Information Act and the Privacy Act. NACIC will utilize its best efforts to complete action on requests under this part within thirty (30) days of date of receipt.

§ 1804.15 Action by hearing authority.

Action by Coordinator. The Coordinator shall provide a summation memorandum for consideration of the Director, NACIC, the complete record of the request consisting of the request and the findings of the tasked parties. The Director, NACIC shall decide requests on the basis of the eight factors enumerated at §1804.14(a). The Director, NACIC shall personally decide each case; no personal appearances shall be permitted without the express permission of the Director, NACIC.

§ 1804.16 Action by appeal authority.

The record compiled (the request, the memoranda filed by the originator and interested parties, and the previous decision(s)) as well as any memorandum of law or policy the referent desires to be considered, shall be certified by the Coordinator and shall constitute the official record of the proceedings and must be included in any subsequent filings. In such cases, the factors to be determined as specified in §1804.14(a) will be considered by the Director,

§ 1804.17

NACIC de novo and that decision shall be final.

§ 1804.17 Notification of decision.

The Coordinator shall inform the requester of the decision of the Director, NACIC within ten (10) days of the decision and, if favorable, shall manage the access for such period as deemed required but in no event for more than two (2) years unless renewed by the Director, NACIC in accordance with the requirements of § 1804.14(a).

§ 1804.18 Termination of access.

The Coordinator shall cancel any authorization whenever the security clearance of a requester (or research associate, if any) has been canceled or whenever the Director, NACIC determines that continued access would not be in compliance with one or more of the requirements of § 1804.14(a).
