(2) The number of children with disabilities, if any, participating in alternate assessments based on grade-level academic achievement standards in school years prior to 2017–2018.

(3) The number of children with disabilities, if any, participating in alternate assessments aligned with modified academic achievement standards in school years prior to 2016–2017.

(4) The number of children with disabilities who are students with the most significant cognitive disabilities participating in alternate assessments aligned with alternate academic achievement standards.

(i) The number of children participating in those assessments is sufficient to yield statistically reliable information; and

(ii) Reporting that information will not reveal personally identifiable information about an individual student on those assessments.

(g) *Universal design.* An SEA (or, in the case of a district-wide assessment, an LEA) must, to the extent possible, use universal design principles in developing and administering any assessments under this section.

#### § 300.161 [Reserved]

#### § 300.162 Supplementation of State, local, and other Federal funds.

(a) *Expenditures.* Funds paid to a State under this part must be expended in accordance with all the provisions of this part.

(b) *Prohibition against commingling.* (1) Funds paid to a State under this part must not be commingled with State funds.

(2) The requirement in paragraph (b)(1) of this section is satisfied by the use of a separate accounting system that includes an audit trail of the expenditure of funds paid to a State under this part. Separate bank accounts are not required. (See 34 CFR 76.702 (Fiscal control and fund accounting procedures).)

(c) *State-level nonsupplanting.* (1) Except as provided in § 300.203, funds paid to a State under Part B of the Act must be used to supplement the level of Federal, State, and local funds (including funds that are not under the direct control of the SEA or LEAs) expended for special education and related services provided to children with disabilities under Part B of the Act, and in no case to supplant those Federal, State, and local funds.

(2) If the State provides clear and convincing evidence that all children with disabilities have available to them FAPE, the Secretary may waive, in whole or in part, the requirements of paragraph (c)(1) of this section if the Secretary concurs with the evidence provided by the State under § 300.164.

#### § 300.163 Maintenance of State financial support.

(a) *General.* A State must not reduce the amount of State financial support for special education and related services for children with disabilities, or otherwise made available because of the excess costs of educating those children, below the amount of that support for the preceding fiscal year.

(b) *Reduction of funds for failure to maintain support.* The Secretary reduces the allocation of funds under section 611 of the Act for any fiscal year following the fiscal year in which the State fails to comply with the requirement of paragraph (a) of this section by the same amount by which the State fails to meet the requirement.

(c) *Waivers for exceptional or uncontrollable circumstances.* The Secretary may waive the requirement of paragraph (a) of this section for a State, for one fiscal year at a time, if the Secretary determines that—

(1) Granting a waiver would be equitable due to exceptional or uncontrollable circumstances such as a natural disaster or a precipitous and unforeseen decline in the financial resources of the State; or

(2) The State meets the standard in § 300.164 for a waiver of the requirement to supplement, and not to supplant, funds received under Part B of the Act.

(d) *Subsequent years.* If, for any fiscal year, a State fails to meet the requirement of paragraph (a) of this section, including any year for which the State is granted a waiver under paragraph (c) of this section, the financial support required of the State in future years under paragraph (a) of this section shall be the amount that would have been required in the absence of that failure and not the reduced level of the State's support.

**§ 300.164 Waiver of requirement regarding supplementing and not supplanting with Part B funds.**

(a) Except as provided under §§ 300.202 through 300.205, funds paid to a State under Part B of the Act must be used to supplement and increase the level of Federal, State, and local funds (including funds that are not under the direct control of SEAs or LEAs) expended for special education and related services provided to children with disabilities under Part B of the Act and in no case to supplant those Federal, State, and local funds. A State may use funds it retains under § 300.704(a) and (b) without regard to the prohibition on supplanting other funds.

(b) If a State provides clear and convincing evidence that all eligible children with disabilities throughout the State have FAPE available to them, the Secretary may waive for a period of one year in whole or in part the requirement under § 300.162 (regarding State-level nonsupplanting) if the Secretary concurs with the evidence provided by the State.

(c) If a State wishes to request a waiver under this section, it must submit to the Secretary a written request that includes—

(1) An assurance that FAPE is currently available, and will remain available throughout the period that a waiver would be in effect, to all eligible children with disabilities throughout the State, regardless of the public agency that is responsible for providing FAPE to them. The assurance must be signed by an official who has the authority to provide that assurance as it applies to all eligible children with disabilities in the State;

(2) All evidence that the State wishes the Secretary to consider in determining whether all eligible children with disabilities have FAPE available to them, setting forth in detail—

(i) The basis on which the State has concluded that FAPE is available to all eligible children in the State; and

(ii) The procedures that the State will implement to ensure that FAPE remains available to all eligible children in the State, which must include—

(A) The State's procedures under § 300.111 for ensuring that all eligible children are identified, located and evaluated;

(B) The State's procedures for monitoring public agencies to ensure that they comply with all requirements of this part;

(C) The State's complaint procedures under §§ 300.151 through 300.153; and

(D) The State's hearing procedures under §§ 300.511 through 300.516 and §§ 300.530 through 300.536;

(3) A summary of all State and Federal monitoring reports, and State complaint decisions (see §§ 300.151 through 300.153) and hearing decisions (see §§ 300.511 through 300.516 and §§ 300.530 through 300.536), issued within three years prior to the date of the
