

(2) *Construction projects.* The Federal share for expenditures made for the construction of a facility for community rehabilitation program purposes may not be more than 50 percent of the total cost of the project.

(b) *Non-Federal share*—(1) *General.* Except as provided in paragraph (b)(2) and (b)(3) of this section, expenditures made under the vocational rehabilitation services portion of the Unified or Combined State Plan to meet the non-Federal share under this section must be consistent with the provisions of 2 CFR 200.306(b).

(2) *Third party in-kind contributions.* Third party in-kind contributions specified in 2 CFR 200.306(b) may not be used to meet the non-Federal share under this section.

(3) *Contributions by private entities.* Expenditures made from those cash contributions provided by private organizations, agencies, or individuals and that are deposited in the State agency's account or, if applicable, sole local agency's account, in accordance with State law prior to their expenditure and that are earmarked, under a condition imposed by the contributor, may be used as part of the non-Federal share under this section if the funds are earmarked for—

(i) Meeting in whole or in part the State's share for establishing a community rehabilitation program or constructing a particular facility for community rehabilitation program purposes;

(ii) Particular geographic areas within the State for any purpose under the vocational rehabilitation services portion of the Unified or Combined State Plan, other than those described in paragraph (b)(3)(i) of this section, in accordance with the following criteria:

(A) Before funds that are earmarked for a particular geographic area may be used as part of the non-Federal share, the State must notify the Secretary that the State cannot provide the full non-Federal share without using these funds.

(B) Funds that are earmarked for a particular geographic area may be used as part of the non-Federal share without requesting a waiver of statewideness under § 361.26.

(C) Except as provided in paragraph (b)(3)(i) of this section, all Federal funds must be used on a statewide basis consistent with § 361.25, unless a waiver of statewideness is obtained under § 361.26; and

(iii) Any other purpose under the vocational rehabilitation services portion of the Unified or Combined State Plan, provided the expenditures do not benefit in any way the donor, employee, officer, or agent, any member of his or her immediate family, his or her partner, an individual with whom the donor has a close personal relationship, or an individual, entity, or organization with whom the donor shares a financial or other interest. The Secretary does not consider a donor's receipt from the State unit of a subaward or contract with funds allotted under this part to be a benefit for the purposes of this paragraph if the subaward or contract is awarded under the State's regular competitive procedures.

construction of facilities for community rehabilitation program purposes.

§ 361.62 Maintenance of effort requirements.

(a) *General requirements.* The Secretary reduces the amount otherwise payable to a State for any fiscal year by the amount by which the total expenditures from non-Federal sources under the vocational rehabilitation services portion of the Unified or Combined State Plan for any previous fiscal year were less than the total of those expenditures for the fiscal year two years prior to that previous fiscal year.

(b) *Specific requirements for construction of facilities.* If the State provides for the construction of a facility for community rehabilitation program purposes, the amount of the State's share of expenditures for vocational rehabilitation services under the plan, other than for the construction of a facility for community rehabilitation program purposes or the establishment of a facility for community rehabilitation purposes, must be at least equal to the expenditures for those services for the second prior fiscal year.

(c) *Separate State agency for vocational rehabilitation services for individuals who are blind.* If there is a separate part of the vocational rehabilitation services portion of the Unified or Combined State Plan administered by a separate State agency to provide vocational rehabilitation services for individuals who are blind—

(1) Satisfaction of the maintenance of effort requirements under paragraphs (a) and (b) of this section is determined based on the total amount of a State's non-Federal expenditures under both parts of the vocational rehabilitation services portion of the Unified or Combined State Plan; and

(2) If a State fails to meet any maintenance of effort requirement, the Secretary reduces the amount otherwise payable to the State for a fiscal year under each part of the plan in direct proportion to the amount by which non-Federal expenditures under each part of the plan in any previous fiscal year were less than they were for that

part of the plan for the fiscal year 2 years prior to that previous fiscal year.

(d) *Waiver or modification.* (1) The Secretary may waive or modify the maintenance of effort requirement in paragraph (a) of this section if the Secretary determines that a waiver or modification is necessary to permit the State to respond to exceptional or uncontrollable circumstances, such as a major natural disaster or a serious economic downturn, that—

(i) Cause significant unanticipated expenditures or reductions in revenue that result in a general reduction of programs within the State; or

(ii) Require the State to make substantial expenditures in the vocational rehabilitation program for long-term purposes due to the one-time costs associated with the construction of a facility for community rehabilitation program purposes, the establishment of a facility for community rehabilitation program purposes, or the acquisition of equipment.

(2) The Secretary may waive or modify the maintenance of effort requirement in paragraph (b) of this section or the 10 percent allotment limitation in § 361.61 if the Secretary determines that a waiver or modification is necessary to permit the State to respond to exceptional or uncontrollable circumstances, such as a major natural disaster, that result in significant destruction of existing facilities and require the State to make substantial expenditures for the construction of a facility for community rehabilitation program purposes or the establishment of a facility for community rehabilitation program purposes in order to provide vocational rehabilitation services.

(3) A written request for waiver or modification, including supporting justification, must be submitted to the Secretary for consideration as soon as the State has determined that it has failed to satisfy its maintenance of effort requirement due to an exceptional or uncontrollable circumstance, as described in paragraphs (d)(1) and (2) of this section.
