(b)(1) Each grantee that is an institution of higher education, as defined in 20 U.S.C. 1002(a), that is public and that is legally required to abide by the First Amendment to the U.S. Constitution (hereinafter “public institution”), must also comply with the First Amendment to the U.S. Constitution,

including protections for freedom of speech, association, press, religion, assembly, petition, and academic freedom, as a material condition of the Department’s grant. The Department will determine that a public institution has

not complied with the First Amendment only if there is a final, non-default judgment by a State or Federal court that the public institution or an employee of the public institution, acting in his or her official capacity, violated the First Amendment. A final judgment is a judgment that the public institution chooses not to appeal or that is not subject to further appeal. Absent such a final, non-default judgment, the Department will deem the public institution to be in compliance with the First Amendment.

(2) Each grantee that is a public institution also must submit to the Secretary a copy of the final, non-default judgment by that State or Federal court to conclude the lawsuit no later than 45 calendar days after such final, non-default judgment is entered.

The Department will determine that a private institution has not complied with these stated institutional policies only if there is a final, non-default judgment by a State or Federal court to the effect that the private institution or an employee of the private institution, acting on behalf of the private institution, violated its stated institutional policy regarding freedom of speech or academic freedom. A final judgment is a judgment that the private institution chooses not to appeal or that is not subject to further appeal. Absent such a final, non-default judgment, the Department will deem the private institution to be in compliance with its stated institutional policies.

(2) Each grantee that is a private institution also must submit to the Secretary a copy of the final, non-default judgment by that State or Federal court to conclude the lawsuit no later than 45 calendar days after such final, non-default judgment is entered.

(d) As a material condition of the Department’s grant, each grantee that is a public institution shall not deny to any student organization whose stated mission is religious in nature and that

is at the public institution any right, benefit, or privilege that is otherwise afforded to other student organizations at the public institution (including but not limited to full access to the facilities of the public institution, distribution of student fee funds, and official recognition of the student organization by the public institution) because of the religious student organization’s beliefs, practices, policies, speech, membership standards, or leadership standards, which are informed by sincerely held religious beliefs.
