#### § 75.1

### Subpart A—General

REGULATIONS THAT APPLY TO DIRECT GRANT PROGRAMS

## § 75.1 Programs to which part 75 applies.

- (a) The regulations in part 75 apply to each direct grant program of the Department of Education.
- (b) If a direct grant program does not have implementing regulations, the Secretary implements the program under the authorizing statute and, to the extent consistent with the authorizing statute, under the General Education Provisions Act and the regulations in this part. For the purposes of this part, the term "direct grant program" includes any grant program of the Department other than a program whose authorizing statute or implementing regulations provide a formula for allocating program funds among eligible States. With respect to Public Law 81-874 (the Impact Aid Program), the term "direct grant program" includes only the entitlement increase for children with disabilities under section 3(d)(2)(C) of Public Law 81-874 (20 U.S.C. 238(d)(2)(C) and disaster assistance under section 7 of that law (20 U.S.C. 241-1).

NOTE: See part 76 for the general regulations that apply to programs that allocate funds among eligible States. For a description of the two kinds of direct grant programs see §75.200. Paragraph (b) of that section describes discretionary grant programs. Paragraph (c) of that section describes formula grant programs. Also see §875.201, 75.209, and 75.210 for the selection criteria for discretionary grant programs that do not have implementing regulations or whose implementing regulations do not include selection criteria.

#### § 75.52 Eligibility of faith-based organizations for a grant and nondiscrimination against those organizations.

- (a)(1) A faith-based organization is eligible to apply for and to receive a grant under a program of the Department on the same basis as any other organization, with respect to programs for which such other organizations are eligible and considering any permissible accommodation. The Department shall provide such religious accommodation as is consistent with Federal law, the Attorney General's Memorandum of October 6, 2017 (Federal Law Protections for Religious Liberty), and the Religion Clauses of the First Amendment to the U.S. Constitution.
- (2) In the selection of grantees, the Department may not discriminate for or against a private organization on the basis of the organization's religious character, affiliation, or exercise and must ensure that all decisions about grant awards are free from political interference, or even the appearance of such interference, and are made on the basis of merit, not on the basis of religion or religious belief, or the lack

- (4) No grant document, agreement, covenant, memorandum of understanding, policy, or regulation that is used by the Department shall disqualify faith-based organizations from applying for or receiving grants under a program of the Department because such organizations are motivated or influenced by religious faith to provide social services, or because of their religious character or affiliation, or on grounds that discriminate against organizations on the basis of the organizations' religious exercise.
- (b) The provisions of §75.532 apply to a faith-based organization that receives a grant under a program of the Department.
