

Office of the Secretary, Education

§ 75.60

(ii) Continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs;

(iii) Use its facilities to provide services without concealing, removing, or altering religious art, icons, scriptures, or other symbols from these facilities;

(iv) Select its board members and employees on the basis of their acceptance of or adherence to the religious tenets of the organization; and

(v) Include religious references in its mission statement and other chartering or governing documents.

(e) An organization that receives any Federal financial assistance under a program of the Department shall not discriminate against a beneficiary or prospective beneficiary in the provision of program services or in outreach activities on the basis of religion or religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. However, an organization that participates in a program funded by indirect Federal financial assistance need not modify its program activities to accommodate a beneficiary who chooses to expend the indirect aid on the organization's program and may require attendance at all activities that are fundamental to the program.

(f) If a grantee contributes its own funds in excess of those funds required by a matching or grant agreement to supplement federally funded activities, the grantee has the option to segregate those additional funds or commingle them with the funds required by the matching requirements or grant agreement. However, if the additional funds are commingled, this section applies to all of the commingled funds.

(g) A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, in section 702(a) of the Civil Rights Act of 1964, 42 U.S.C. 2000e-1, is not forfeited when the organization receives financial assistance from the Department. An organization qualifying for such exemption may select its employees on the basis of their acceptance of or adherence to the religious tenets of the organization.

(h) *The Department shall not construe these provisions in such a way as to ad-*

vantage or disadvantage faith-based organizations affiliated with historic or well-established religions or sects in comparison with other religions or sects.
