LOANS BY BANKS ON ADJUSTED SERVICE CERTIFICATES UNDER SECTION 502 OF THE WORLD WAR ADJUSTED COMPENSATION ACT

SOURCE: 13 FR 7125, Nov. 27, 1948, unless otherwise noted.

§ 11.75 Certificates.

Adjusted service certificates are dated as of the 1st day of the month in which the applications were filed, but no certificates are dated prior to January 1, 1925. Loans on the security of such certificates may be made at any time after the date of the certificate. The fact that a certificate is stamped or marked “duplicate” does not destroy its value as security for a loan.

§ 11.76 To whom loan may be made.

Only the veteran named in the certificate can lawfully obtain a loan on his adjusted service certificate and neither the beneficiary nor any other person than the veteran has any rights in this respect. The person to whom the loan is made must be known to the lending bank to be the veteran named

Department of Veterans Affairs

§ 11.83

in the certificate securing such note. The consent of the beneficiary is not required, the act providing that a loan on the security of the certificate may be made "with or without the consent of the beneficiary thereof." Loans may be made to veterans adjudged incompetent only through the guardians of such veterans and pursuant to specific order of the court having jurisdiction. Certified copy of court order must be submitted if note be presented for redemption by the Department of Veterans Affairs.

§ 11.77 By whom loans may be made.

Any national bank or any bank or trust company incorporated under the laws of any State, Territory, possession, or the District of Columbia, hereinafter referred to as any *bank*, is authorized to loan to any veteran upon his promissory note secured by his Adjusted Service Certificate any amount not in excess of the loan value of the certificate at the date the loan is made. Each certificate contains on its face a table for determining the loan value of the certificate, but it is provided by amendment to the World War Adjusted Compensation Act dated February 27, 1931, that the loan value of any certificate shall at no time be less than 50 percent of the face value. Upon the making of such loan, the lending bank shall promptly notify the Department of Veterans Affairs of the name of the veteran, the A-number shown immediately after the name, the number of the certificate, the amount, the rate of interest, and date of loan: However, this requirement may be waived by the Secretary of Veterans Affairs.

§ 11.80 Sale or discount of note by holding bank.

Any bank holding a note secured by an Adjusted Service Certificate may sell the note to any bank authorized to make a loan to a veteran and deliver the certificate to such bank. In case a note secured by an Adjusted Service Certificate is sold or transferred, the bank selling, discounting or rediscounting the note is required by law to notify the veteran promptly by mail at his last known post office address. No Adjusted Service Certificate is negotiable or assignable, or may serve as

security for a loan, except as provided in section 502 of the World War Adjusted Compensation Act, as amended. Any negotiation, assignment or loan made in violation of section 502 of the World War Adjusted Compensation Act is void. In case of sale, discount or rediscount by the bank which made the loan, the note or notes should be accompanied by the affidavit required by § 11.85.

§ 11.81 Rediscounts with Federal Reserve Banks.

Upon the endorsement of any bank, which shall be deemed a waiver of demand, notice and protest by such bank as to its own endorsement exclusively, and subject to regulations to be prescribed by the Federal Reserve Board, any such note secured by an Adjusted Service Certificate and held by a bank is made eligible for discount or rediscount by the Federal reserve bank of the Federal reserve district in which such bank is located, whether or not the bank offering the note for discount or rediscount is a member of the Federal Reserve System and whether or not it acquired the note in the first instance from the veteran or acquired it by transfer upon the endorsement of any other bank: *Provided*, That at the time of discount or rediscount such note has a maturity not in excess of 9 months, exclusive of days of grace, and complies in all other respects with the provisions of the law, the regulations of the Federal Reserve Board and the regulations in this part.

§ 11.83 Additional loans by reason of 50 percent loan value.

(a) It will be the policy of the Department of Veterans Affairs to redeem all loans made in accordance with the law and regulations made pursuant thereto, when such loans are made in good faith to the veteran to whom the certificate was issued. If, while his certificate is held by a bank as security for a loan, the veteran applies for the increased loan value authorized by the amendment to the World War Adjusted Compensation Act dated February 27, 1931, whether or not the loan has matured, the veteran and the bank will be informed fully of the provisions of this section and that the bank may make

§ 11.84

the loan for the additional amount or, upon request of the veteran, may send the note and certificate to the Secretary of Veterans' Affairs. The Secretary shall, if the loan was legally made, accept such certificate and note, and pay to the bank in full satisfaction of its claim the amount of the unpaid principal due it and the unpaid interest at the rate authorized by the World War Adjusted Compensation Act, as amended, up to the date of the check issued to the bank. If the veteran has not filed application for final settlement of his adjusted service certificate under the provisions of the Adjusted Compensation Payment Act, 1936, and demand is made upon the bank to present the note and certificate for redemption prior to the maturity date of the loan and during the lifetime of the veteran, interest will be payable up to the date the check is issued to the bank, or, if demanded by the bank, up to the maturity date of the loan.

(b) If, however, an application for final settlement is filed and the bank is notified to present the note and certificate to the Secretary and does so within 15 days after the mailing of such notice interest will be payable to the date the check is issued to the bank. If the bank fails to forward the note and certificate within 15 days after the mailing of the notice, interest shall be paid only up to the fifteenth day after the mailing of such notice.

§ 11.84 Redemption because of veteran's death.

If the veteran dies before the maturity of the loan, the amount of the unpaid principal and the unpaid interest shall be immediately due and payable. In such case, or if the veteran dies on the day the loan matures or within six months thereafter, the bank holding the note and certificate shall, upon notice of the death, present them to the Secretary, who shall pay to the bank, in full satisfaction of its claim the amount of the unpaid principal and unpaid interest, at the rate authorized by the World War Adjusted Compensation Act, as amended, accrued up to the date of the check issued to the bank; except that if, prior to the payment, the bank is notified of the death by the Secretary and fails to present the cer-

tificate and note to the Secretary within 15 days after the notice such interest shall be paid only up to the fifteenth day after such notice.

§ 11.85 Condition requisite for redemption.

In order to be eligible for redemption by the Department of Veterans Affairs, the note and certificate must be accompanied by an affidavit of a duly authorized officer (the capacity in which the officer serves must be shown) of the lending bank showing that the said bank has not charged or collected, or attempted to charge or collect, directly or indirectly, any fee or other compensation in respect of the loan, or any other loan made by the bank under the provisions of section 502 of the World War Adjusted Compensation Act, except the rate of interest specified in the section of the Act cited; that the person who obtained the loan is known to the lending bank to be the person named in the Adjusted Service Certificate; and that notice required by § 11.77 was promptly given. In case the note was sold or discounted by the lending bank, there should be incorporated in the affidavit a statement that the veteran was notified promptly of the transfer by mail to his last known address. In case the note was resold or rediscounted by any other bank, affidavit shall be made by a duly authorized officer of such bank that proper notice of such resale or rediscount was promptly mailed to the veteran at his last known address. The proper execution of the appropriate affidavit on Form 6615 or 6615a will be considered as a compliance with the requirements of this section. A single affidavit setting forth the full particulars may be accepted to cover any number of veterans' notes submitted for redemption at one time. The affidavit must be executed before a judge of the United States court, a United States commissioner, a United States district attorney, a United States marshal, a collector of internal revenue, a collector of customs, a United States postmaster, a clerk of court of record under the seal of the court, an executive officer of an incorporated bank or trust company, under his official designation and the seal of the bank or trust company, or a notary

These bonds will be issued by the Treasury Department in denominations of \$50, in the name of the veteran only, and will bear interest at the rate of 3 percent per annum from June 15, 1936, to June 15, 1945. An application made by the veteran or his legal representative shall evidence his intention to claim the benefits of this Act; no other evidence shall be acceptable.

(a) If the veteran's death occurs after the application is filed but before payment is received under this Act, or if the application is filed after death occurs but before the maturity of the certificate and before payment is made to the beneficiary under section 501 of the World War Adjusted Compensation Act, as amended, payment under this act shall be made to the estate of the veteran irrespective of any beneficiary designation.

§ 11.117 Missing applications.

Where the records of the Department of Veterans Affairs show that an application, disclosing an intention to claim the benefits of this Act, has been filed and the application cannot be found, such application shall be presumed, in
