[84 FR 177, Jan. 18, 2019]

§ 19.2 Appellant's election for review of a legacy appeal in the modernized system.

(a) *Effective date.* As used in this section, *the effective date* means February 19, 2019.

(b) *Modernized review system.* The modernized review system refers to the current statutory framework for claims and appeals processing, set forth in Public Law 115-55, and any amendments thereto, applicable on the effective date. The modernized review system applies to all claims, requests for reopening of finally adjudicated claims, and requests for revision based on clear and unmistakable error for which VA issues notice of an initial decision on or after the effective date, or as otherwise provided in paragraph (d) of this section.

(c) *Legacy appeals.* A legacy appeal is an appeal of a legacy claim, as defined in 38 CFR 3.2400(b), where a claimant has not elected to participate in the modernized review system as provided in paragraph (d) of this section. A legacy appeal is initiated by the filing of a Notice of Disagreement and is perfected to the Board with the filing of a Substantive Appeal pursuant to applicable regulations in accordance with 38 CFR parts 19 and 20.

(d) *Election into the modernized review system.* The modernized review system applies to legacy claims and appeals where:

(1) A claimant with a legacy claim or appeal elects the modernized review system pursuant to 38 CFR 3.2400(c)(1);

(2) A claimant with a legacy claim or appeal elects the modernized review system, following issuance, on or after the effective date, of a VA Statement of the Case or Supplemental Statement of the Case. The election is made by filing, on a form prescribed by the Secretary, an appeal in accordance with 38 CFR 20.202, or a review option in accordance with 38 U.S.C. 5108 or 5104B, as implemented by 38 CFR 3.2500 and other applicable regulations. The election must be filed within the time allowed for filing a substantive appeal under § 19.52(b); or

(3) VA issued notice of a decision prior to the effective date, and, pursuant to the Secretary's authorization to participate in a test program, the

claimant elects the modernized review system by filing an appeal in accordance with 38 U.S.C. 7105, or a review option in accordance with 38 U.S.C. 5108 or 5104B.

§§ 19.3–19.19 [Reserved]

Subpart B—Legacy Appeals and Legacy Appeals Processing by Agency of Original Jurisdiction

§ 19.20 What constitutes an appeal.

An appeal consists of a timely filed Notice of Disagreement submitted in accordance with the provisions of § 19.21, and either § 19.52(a) or § 20.501(a) of this chapter, as applicable and, after a Statement of the Case has been furnished, a timely filed Substantive Appeal.

[79 FR 57698, Sept. 25, 2014. Redesignated and amended at 84 FR 177, 178, Jan. 18, 2019]

§ 19.21 Notice of Disagreement.

(a) Cases in which a form is provided by the agency of original jurisdiction for the purpose of initiating an appeal.

(1) *Format.* For every case in which the agency of original jurisdiction (AOJ) provides, in connection with its decision, a form for the purpose of initiating an appeal, a Notice of Disagreement consists of a completed and timely submitted copy of that form. VA will not accept as a notice of disagreement an expression of dissatisfaction or disagreement with an adjudicative determination by the agency of original jurisdiction and a desire to contest the result that is submitted in any other format, including on a different VA form.

(2) *Provision of form to the claimant.* If a claimant has established an online benefits account with VA, or has designated an email address for the purpose of receiving communications from VA, VA may provide an appeal form pursuant to paragraph (a)(1) of this section electronically, whether by email,

§ 19.22

hyperlink, or other direction to the appropriate form within the claimant's online benefits account. VA may also provide a form pursuant to paragraph (a)(1) of this section in paper format.

(3) *Presumption form was provided.* This paragraph (a) applies if there is any indication whatsoever in the claimant's file or electronic account that a form was sent pursuant to paragraph (a)(1) of this section.

(4) *Specificity required by form.* If the agency of original jurisdiction gave notice that adjudicative determinations were made on several issues at the same time, the specific determinations with which the claimant disagrees must be identified to the extent a form provided pursuant to paragraph (a)(1) of this section so requires. If the claimant wishes to appeal all of the issues decided by the agency of original jurisdiction, the form must clearly indicate that intent. Issues not identified on the form will not be considered appealed.

(5) *Alternate form or other communication.* The filing of an alternate form or other communication will not extend, toll, or otherwise delay the time limit for filing a Notice of Disagreement, as provided in §19.52(a). In particular, returning the incorrect VA form, including a form designed to appeal a different benefit does not extend, toll, or otherwise delay the time limit for filing the correct form.

(b) *Cases in which no form is provided by the agency of original jurisdiction for purpose of initiating an appeal.* A written communication from a claimant or his or her representative expressing dissatisfaction or disagreement with an adjudicative determination by the agency of original jurisdiction and a desire to contest the result will constitute a Notice of Disagreement relating to a claim for benefits in any case in which the agency of original jurisdiction does not provide a form identified as being for the purpose of initiating an appeal. The Notice of Disagreement must be in terms which can be reasonably construed as disagreement with that determination and a desire for appellate review. If the agency of original jurisdiction gave notice that adjudicative determinations were made on several issues at the same

38 CFR Ch. I (7–1–25 Edition)

time, the specific determinations with which the claimant disagrees must be identified.

(c) *Simultaneously contested claims.* The provisions of paragraph (b) of this section shall apply to appeals in simultaneously contested claims under Rules 500 and 501 (§§20.500 and 20.501 of this chapter), regardless of whether a standardized form was provided with the decision of the agency of original jurisdiction.

§ 19.22 Substantive Appeal.

A Substantive Appeal consists of a properly completed VA Form 9, "Appeal to Board of Veterans' Appeals," or correspondence containing the necessary information. If the Statement of the Case and any prior Supplemental Statements of the Case addressed several issues, the Substantive Appeal must either indicate that the appeal is being perfected as to all of those issues or must specifically identify the issues appealed. The Substantive Appeal should set out specific arguments relating to errors of fact or law made by the agency of original jurisdiction in reaching the determination, or determinations, being appealed. To the extent feasible, the argument should be related to specific items in the Statement of the Case and any prior Supplemental Statements of the Case. The Board will construe such arguments in a liberal manner for purposes of determining whether they raise issues on appeal, but the Board may dismiss any appeal which fails to allege specific error of fact or law in the determination, or determinations, being appealed. The Board will not presume that an appellant agrees with any statement of fact contained in a Statement of the Case or a Supplemental Statement of the Case which is not specifically contested. Proper completion and filing of a Substantive Appeal are

the last actions the appellant needs to take to perfect an appeal.

§ 19.23 Applicability of provisions concerning Notice of Disagreement.

(a) Appeals governed by § 19.21(a) shall be processed in accordance with § 19.24. Sections 19.26 and 19.28 shall not apply to appeals governed by § 19.21(a).

(b) Appeals governed by § 19.21(b) shall be processed in accordance with §§ 19.26 and 19.28.

[79 FR 57697, Sept. 25, 2014, as amended at 84 FR 178, Jan. 18, 2019]

§ 19.24 Action by agency of original jurisdiction on Notice of Disagreement required to be filed on a standardized form.

(a) *Initial action.* When a timely Notice of Disagreement in accordance with the requirements of § 19.21(a) is filed, the agency of original jurisdiction will reexamine the claim and determine whether additional review or development is warranted.

(b) *Incomplete and complete appeal forms—(1) Incomplete appeal forms.* In cases governed by § 19.21(a), if VA determines a form filed by the claimant is incomplete and requests clarification, the claimant must timely file a completed version of the correct form in order to initiate an appeal. A claimant is not required to cure or correct the filing of an incomplete form by filing a completed version of the correct form unless VA informs the claimant or his or her representative that the form is incomplete and requests clarification.

(2) *Complete appeal forms.* In general, a form will be considered complete if the following information is provided:

(i) Information to identify the claimant;

(ii) The claim to which the form pertains;

(iii) Any information necessary to identify the specific nature of the disagreement if the form so requires. For compensation claims, this criterion

will be met if the form enumerates the issues or conditions for which appellate review is sought, or if it provides other information required on the form to identify the claimant and the nature of the disagreement (such as disagreement with disability rating, effective date, or denial of service connection); and

(iv) The claimant's signature.

(3) *Timeframe to complete correct form.*

In general, a claimant who wishes to initiate an appeal must provide a complete form within the timeframe established by § 19.52(a). When VA requests clarification of an incomplete form, the claimant must provide a complete form in response to VA's request for clarification within the later of the following dates:

(i) 60 days from the date of the request; or

(ii) 1 year from the date of mailing of the notice of the decision of the agency of original jurisdiction.

(4) *Failure to respond.* If the claimant fails to provide a completed form within the timeframe set forth in paragraph (b)(3) of this section, the decision of the agency of original jurisdiction will become final.

(5) *Form timely completed.* If a completed form is received within the timeframe set forth in paragraph (b)(3) of this section, VA will treat the completed form as the Notice of Disagreement and VA will reexamine the claim and determine whether additional review or development is warranted. If no further review or development is required, or after necessary review or development is completed, VA will prepare a Statement of the Case pursuant to § 19.29 unless the disagreement is resolved by a grant of the benefit(s) sought on appeal or the NOD is withdrawn by the claimant.

(c) *Issues under appellate review.* If a form enumerates some but not all of the issues or conditions which were the subject of the decision of the agency of original jurisdiction, the form will be considered complete with respect to the issues for which appellate review is sought and identified by the claimant. Any issues or conditions not enumerated will not be considered appealed on the basis of the filing of that form and will become final unless the claimant

§ 19.25

timely files a separate form for those issues or conditions within the applicable timeframe set forth in paragraph (b)(3) of this section.

(d) *Disagreement concerning whether Notice of Disagreement has been filed.* Whether or not a claimant has timely filed a Notice of Disagreement is an appealable issue, but in such a case, appellate consideration shall be limited to the question of whether the correct form was timely filed.

§ 19.25 Notification by agency of original jurisdiction of right to appeal.

The claimant and his or her representative, if any, will be informed of appellate rights provided by 38 U.S.C. chapters 71 and 72, including the right to a personal hearing and the right to representation. The agency of original jurisdiction will provide this information in each notification of a determination of entitlement or nonentitlement to Department of Veterans Affairs benefits.

[57 FR 4104, Feb. 3, 1992, as amended at 84 FR 178, Jan. 18, 2019]

§ 19.26 Action by agency of original jurisdiction on Notice of Disagreement.

(a) *Initial action.* When a timely Notice of Disagreement (NOD) is filed, the agency of original jurisdiction (AOJ) must reexamine the claim and determine whether additional review or development is warranted.

(b) *Unclear communication or disagreement.* If within one year after mailing an adverse decision (or 60 days for simultaneously contested claims), the AOJ receives a written communication expressing dissatisfaction or disagreement with the adverse decision, but the AOJ cannot clearly identify that communication as expressing an intent to appeal, or the AOJ cannot identify which denied claim(s) the claimant wants to appeal, then the AOJ will contact the claimant to request clarification of the claimant's intent. This contact may be either oral or written.

(1) For oral contacts, VA will contact whoever filed the communication. VA

38 CFR Ch. I (7–1–25 Edition)

will make a written record of any oral clarification request conveyed to the claimant including the date of the adverse decision involved and the response. In any request for clarification, the AOJ will explain that if a response to this request is not received within the time period described in paragraph (c) of this section, the earlier, unclear communication will not be considered an NOD as to any adverse decision for which clarification was requested.

(2) For written contacts, VA will mail a letter requesting clarification to the claimant and send a copy to his or her representative and fiduciary, if any.

(c) *Response required from claimant—*
(1) *Time to respond.* The claimant must respond to the AOJ's request for clarification within the later of the following dates:

(i) 60 days after the date of the AOJ's clarification request; or

(ii) One year after the date of mailing of notice of the adverse decision being appealed (60 days for simultaneously contested claims).

(2) *Failure to respond.* If the claimant fails to provide a timely response, the previous communication from the claimant will not be considered an NOD as to any claim for which clarification was requested. The AOJ will not consider the claimant to have appealed the decision(s) on any claim(s) as to which clarification was requested and not received.

(d) *Action following clarification.* When clarification of the claimant's intent to file an NOD is obtained, the AOJ will reexamine the claim and determine whether additional review or development is warranted. If no further review or development is required, or after necessary review or development is completed, the AOJ will prepare a Statement of the Case pursuant to § 19.29 unless the disagreement is resolved by a grant of the benefit(s) sought on appeal or the NOD is withdrawn by the claimant.

(e) *Representatives and fiduciaries.* For the purpose of the requirements in paragraphs (b) through (d) of this section, references to the "claimant" include reference to the claimant or his

§ 19.31 Supplemental statement of the case.

(a) *Purpose and limitations.* A "Supplemental Statement of the Case," so identified, is a document prepared by the agency of original jurisdiction to inform the appellant of any material changes in, or additions to, the information included in the Statement of the Case or any prior Supplemental Statement of the Case. The information furnished with the Supplemental Statement of the Case shall include a statement describing the available review options if the appellant elects review of the issue or issues on appeal in the modernized system. In no case will a Supplemental Statement of the Case be used to announce decisions by the agency of original jurisdiction on issues not previously addressed in the Statement of the Case, or to respond to a notice of disagreement on newly appealed issues that were not addressed in the Statement of the Case. The agency of original jurisdiction will respond to notices of disagreement on newly appealed issues not addressed in the Statement of the Case using the procedures in §§19.29 and 19.30 of this

§ 19.32

part (relating to statements of the case).

(b) *When furnished.* The agency of original jurisdiction will furnish the appellant and his or her representative, if any, a Supplemental Statement of the Case if:

(1) The agency of original jurisdiction receives additional pertinent evidence after a Statement of the Case or the most recent Supplemental Statement of the Case has been issued and before the appeal is certified to the Board of Veterans' Appeals and the appellate record is transferred to the Board;

(2) A material defect in the Statement of the Case or a prior Supplemental statement of the Case is discovered; or

(3) For any other reason the Statement of the Case or a prior Supplemental Statement of the Case is inadequate.

(c) *Pursuant to remand from the Board.* The agency of original jurisdiction will issue a Supplemental Statement of the Case if, pursuant to a remand by the Board, it develops the evidence or cures a procedural defect, unless:

(1) The only purpose of the remand is to assemble records previously considered by the agency of original jurisdiction and properly discussed in a prior Statement of the Case or Supplemental Statement of the Case; or

(2) The Board specifies in the remand that a Supplemental Statement of the Case is not required.

(d) *Exception.* Paragraph (b)(1) of this section does not apply in proceedings before the General Counsel conducted under part 14 of this chapter to cancel accreditation or to review fee agreements and expenses for reasonableness.

§ 19.37 Consideration of additional evidence received by the agency of original jurisdiction after an appeal has been initiated.

(a) *Evidence received prior to transfer of records to Board of Veterans' Appeals.* Evidence received by the agency of original jurisdiction prior to transfer of the records to the Board of Veterans' Appeals after an appeal has been initiated (including evidence received after certification has been completed) will be referred to the appropriate rating or authorization activity for review and disposition. If the Statement of the Case and any prior Supplemental Statements of the Case were prepared before the receipt of the additional evidence, a Supplemental Statement of the Case will be furnished to the appellant and his or her representative as provided in § 19.31 of this part, unless the additional evidence received duplicates evidence previously of record which was discussed in the Statement of the Case or a prior Supplemental Statement of the Case or the additional evidence is not relevant to the issue, or issues, on appeal.

(b) *Evidence received after transfer of records to the Board of Veterans' Appeals.* Additional evidence received by the agency of original jurisdiction after the records have been transferred to the Board of Veterans' Appeals for appellate consideration will be forwarded to the Board if it has a bearing on the appellate issue or issues. The Board will then determine what action is required with respect to the additional evidence.

§ 19.38 Action by agency of original jurisdiction when remand received.

When a case is remanded by the Board of Veterans' Appeals, the agency of original jurisdiction will complete the additional development of the evidence or procedural development required. Following completion of the development, the case will be reviewed to determine whether the additional development, together with the evidence which was previously of record, supports the allowance of all benefits sought on appeal. If so, the appellant and his or her representative, if any, will be promptly informed. If any benefits sought on appeal remain denied following this review, the agency of original jurisdiction will issue a Supplemental Statement of the Case concerning the additional development pertaining to those issues in accordance with the provisions of § 19.31 of this part. Following the 30-day period allowed for a response to the Supplemental Statement of the Case pursuant to § 19.52(c), the case will be returned to the Board for further appellate processing unless the appeal is withdrawn or review of the response to the Supplemental Statement of the Case results in the allowance of all benefits sought on appeal. Remanded cases will not be closed for failure to respond to the Supplemental Statement of the Case.

§ 19.55 Withdrawal of Appeal.

If the appeal involves multiple issues, the withdrawal must specify that the appeal is withdrawn in its entirety, or list the issue(s) withdrawn from the appeal.

(2) *Where to file.* Appeal withdrawals should be filed with the agency of original jurisdiction until the appellant or representative filing the withdrawal receives notice that the appeal has been transferred to the Board. Thereafter, file the withdrawal at the Board.

(3) *When effective.* Until the appeal is transferred to the Board, an appeal withdrawal is effective when received by the agency of original jurisdiction. Thereafter, it is not effective until received by the Board. A withdrawal received by the Board after the Board issues a final decision under Rule 1100(a) (§ 20.1100(a) of this chapter) will not be effective.

(c) *Effect of filing.* Withdrawal of an appeal will be deemed a withdrawal of the Notice of Disagreement and, if filed, the Substantive Appeal, as to all issues to which the withdrawal applies.

Withdrawal does not preclude filing a new Notice of Disagreement and, after a Statement of the Case is issued, a new Substantive Appeal, as to any issue withdrawn, provided such filings would be timely under these rules if the appeal withdrawn had never been filed.
