§ 20.902 Rule 902. Order of consideration of appeals.

(a) *Docketing of appeals.* Applications for review on appeal are docketed in the order in which they are received.

(1) A case returned to the Board following action pursuant to a remand assumes its original place on the docket.

(2) A case returned to the Board following the grant of a substitution request or pursuant to an appeal of a denial of a substitution request assumes the same place on the docket held by the deceased appellant at the time of his or her death. Pursuant to paragraph (c) of this section, if the deceased appellant's case was advanced on the docket prior to his or her death, the substitute will receive the benefit of the advanced placement.

(b) *Appeals considered in docket order.* Except as otherwise provided in this Rule, appeals are considered in the order in which they are entered on the docket.

(c) *Advancement on the docket—(1) Grounds for advancement.* A case may be advanced on the docket on the motion of the Chairman, the Vice Chairman, a party to the case before the Board, or such party's representative. Such a motion may be granted only if the case involves interpretation of law of general application affecting other claims, if the appellant is seriously ill or is under severe financial hardship, or if other sufficient cause is shown. "Other sufficient cause" shall include, but is not limited to, administrative error resulting in a significant delay in docketing the case, administrative necessity, or the advanced age of the appellant. For purposes of this Rule, "advanced age" is defined as 75 or more years of age. This paragraph does not require the Board to advance a case on the docket in the absence of a motion of a party to the case or the party's representative.
