### VETERAN READINESS AND EMPLOYMENT OVERVIEW

#### § 21.1 Training and rehabilitation for veterans with service-connected disabilities.

(a) *Purposes.* The purposes of this program are to provide to eligible veterans with compensable service-connected disabilities all services and assistance necessary to enable them to achieve maximum independence in daily living and, to the maximum extent feasible, to become employable and to obtain and maintain suitable employment.

(Authority: 38 U.S.C. 3100)

(b) *Basic requirements.* Before a service-disabled veteran may receive training and rehabilitation services under Chapter 31, Title 38 U.S.C., three basic requirements must be met:

(1) The Department of Veterans Affairs must first find that the veteran has basic entitlement to services as prescribed by § 21.40.

(Authority: 38 U.S.C. 3102)

(2) The services necessary for training and rehabilitation must be identified by the Department of Veterans Affairs and the veteran.

(Authority: 38 U.S.C. 3106)

## 38 CFR Ch. I (7–1–25 Edition)

(3) An individual written plan must be developed by the Department of Veterans Affairs and the veteran describing the goals of the program and the means through which these goals will be achieved.

### NONDUPLICATION

#### § 21.21 Election of benefits under education programs administered by the Department of Veterans Affairs.

(a) *Election of benefits required.* A veteran must make an election of benefits among the programs of education administered by VA for which he or she may be eligible. A veteran who has basic entitlement to rehabilitation under chapter 31 and is also eligible for assistance under any of the other education programs administered by VA must make an election of benefits between chapter 31 and any other VA program of education for which he or she may be eligible. The veteran may reelect at any time if he or she is otherwise eligible. (See §§ 21.264 and 21.334.)

(Authority: 38 U.S.C. 1781(b))

(b) *Use of prior training in formulating a rehabilitation program.* If a veteran has pursued an educational or training program under an education program listed in § 21.4020 of this part, the earlier program of education or special restorative training shall be utilized to the extent practicable.

#### § 21.22 Nonduplication—Federal programs.

(a) *Allowances.* A service-disabled veteran who is eligible for benefits under Chapter 31, may not receive a subsistence allowance or elect payment of an allowance at the educational assistance rate under Chapter 30 pursuant to § 21.264 if the veteran:

(1) Is on active duty and is pursuing a course of education which is being paid for by the Armed Forces (or by the Department of Health and Human

### CLAIMS

#### § 21.30 Claims.

A specific claim in the form prescribed by the Department of Veterans Affairs must be filed for:

(a) A program of rehabilitation services, or

(b) Employment assistance.

(Authority: 38 U.S.C. 501(a), 3102, 3117, 5101(a))

#### § 21.31 Informal claim.

Any communication or action indicating an intent to apply for rehabilitation or employment assistance, from a veteran, a duly authorized representative, or a Member of Congress may be considered an informal claim. Upon receipt of an informal claim, if a formal claim has not been filed, an application form will be forwarded to the veteran for execution. In the case of a claim for rehabilitation, or employment assistance, the formal claim will be considered filed as of the date of receipt of the informal claim if received within 1 year from the date it was sent to the

veteran, or before cessation of the course, whichever is earlier.

(Authority: 38 U.S.C. 501(a), 5101(a), 5103(a))

#### § 21.32 Notification by VA of necessary information or evidence when a claim is filed; time for claimant response and VA action.

The provisions of this section apply to claims that are governed by this subpart or subpart M of this part.

(a) *VA has a duty to notify claimants of necessary information or evidence.* Except when a claim cannot be substantiated because there is no legal basis for the claim, or undisputed facts render the claimant ineligible for the claimed benefit, when VA receives a complete or substantially complete application for vocational rehabilitation benefits and services provided under this subpart or subpart M of this part VA will:

(1) Notify the claimant of any information and evidence that is necessary to substantiate the claim;

(2) Inform the claimant which information and evidence, if any, the claimant is to provide to VA and which information and evidence, if any, VA will try to obtain for the claimant; and

(3) Inform the claimant of the time limit, as provided in paragraph (c) of this section, for responding to VA's notification, and of actions, as provided in paragraph (d) of this section, that VA may take to decide the claim if the claimant does not respond to such notification within 30 days.

(b) *Definitions for purposes of §§ 21.32 and 21.33.* For purposes of this section and § 21.33:

(1) The term *application* does not include a notice of disagreement.

(2) The term *notification* means the notice described in paragraph (a) of this section.

(3) The term *substantially complete application* means, for an individual's first application for vocational rehabilitation benefits and services administered by VA, an application containing:

(i) The claimant's name;

(ii) His or her relationship to the veteran, if applicable;

(iii) Sufficient information for VA to verify the claimed service, if applicable; and

(iv) The benefit claimed.

**§ 21.33**

**38 CFR Ch. I (7–1–25 Edition)**

(4) The term *information* means non-evidentiary facts, such as the claimant's Social Security number or address, or the name of the educational institution the claimant is attending.

(c) *Time limit.* Any information and evidence described in the notification as information and evidence that the claimant is to provide must be received by VA within one year from the date of the notification. If VA does not receive the information and evidence from the claimant within that time period, VA may adjudicate the claim based on the information and evidence in the file.

(d) *Actions VA may take after 30 days if no response from claimant.* If the claimant has not responded to the notification within 30 days, VA may decide the claim before the expiration of the one-year period, based on all the information and evidence in the file, including information and evidence it has obtained on behalf of the claimant. If VA does so, however, and the claimant subsequently provides the information and evidence specified in the notification within one year of the date of the notification, VA must readjudicate the claim. If VA's decision on a readjudication is favorable to the claimant, the award of vocational rehabilitation benefits and services shall take effect as if the prior decision by VA on the claim had not been made.

(e) *Incomplete applications.* If VA receives an incomplete application for benefits, it will notify the claimant of the information necessary to complete the application and will defer assistance until the claimant submits this information. If the information necessary to complete the application is not received by VA within one year from the date of such notice, VA cannot pay or provide any benefits based on that application.

(f) *Who VA will notify.* For the purpose of this section, when VA seeks to notify a claimant, it will provide such notice to:

- (1) The claimant;
- (2) His or her fiduciary, if any; and
- (3) His or her representative, if any.

(Authority: 38 U.S.C. 5102, 5103, 5103A(a)(3))

[74 FR 31855, July 6, 2009]

**§ 21.33 VA has a duty to assist claimants in obtaining evidence.**

The provisions of this section apply to claims that are governed by this subpart or subpart M of this part.

(a) *VA's duty to assist begins when VA receives a complete or substantially complete application.* (1) Except as provided in paragraph (d) of this section, upon receipt of a complete or substantially complete application for vocational rehabilitation benefits and services under this subpart or subpart M of this part, VA will:

(i) Make reasonable efforts to help a claimant obtain evidence necessary to substantiate the claim; and

(ii) Give the assistance described in paragraphs (b) and (c) of this section to an individual attempting to reopen a finally decided claim.

(2) VA will not pay any fees a custodian of records may charge to provide the records VA requests.

(Authority: 38 U.S.C. 5103A)

(b) *Obtaining records not in the custody of a Federal department or agency.* (1) VA will make reasonable efforts to obtain relevant records not in the custody of a Federal department or agency. These records include relevant records from:

- (i) State or local governments;
- (ii) Private medical care providers;
- (iii) Current or former employers; and
- (iv) Other non-Federal governmental sources.

(2) The reasonable efforts described in paragraph (b)(1) of this section will generally consist of an initial request for the records and, if VA does not receive the records, at least one follow-up request. The following are exceptions to this provision concerning the number of requests that VA generally will make:

(i) VA will not make a follow-up request if a response to the initial request indicates that the records sought do not exist or that a follow-up request for the records would be futile.

(ii) If VA receives information showing that subsequent requests to this or another custodian could result in obtaining the records sought, reasonable efforts will include an initial request and, if VA does not receive the records, at least one follow-up request to the

## Department of Veterans Affairs

## § 21.33

new source or an additional request to the original source.

(3) The claimant must cooperate fully with VA's reasonable efforts to obtain relevant records from non-Federal agency or department custodians. The claimant must provide enough information to identify and locate the existing records, including:

(i) The person, company, agency, or other custodian holding the records;

(ii) The approximate time frame covered by the records; and

(iii) In the case of medical treatment records, the condition for which treatment was provided.

(4) If necessary, the claimant must authorize the release of existing records in a form acceptable to the person, company, agency, or other custodian holding the records.

(Authority: 38 U.S.C. 5103A)

(c) *Obtaining records in the custody of a Federal department or agency.* (1) Subject to paragraphs (c)(2) through (c)(4) of this section, VA will make as many requests as are necessary to obtain relevant records from a Federal department or agency. These records include but are not limited to:

(i) Military records;

(ii) Medical and other records from VA medical facilities;

(iii) Records from non-VA facilities providing examination or treatment at VA expense; and

(iv) Records from other Federal agencies.

(2) VA will cease its efforts to obtain records from a Federal department or agency only if VA concludes that the records sought do not exist or that further efforts to obtain those records would be futile. Cases in which VA may conclude that no further efforts are required include cases in which the Federal department or agency advises VA that the requested records do not exist or that the custodian of such records does not have them.

(3) The claimant must cooperate fully with VA's reasonable efforts to obtain relevant records from Federal department or agency custodians. At VA's request, the claimant must provide enough information to identify and locate the existing records, including:

(i) The custodian or agency holding the records;

(ii) The approximate time frame covered by the records; and

(iii) In the case of medical treatment records, the condition for which treatment was provided.

(4) If necessary, the claimant must authorize the release of existing records in a form acceptable to the custodian or agency holding the records.

(Authority: 38 U.S.C. 5103A)

(d) *Circumstances where VA will refrain from or discontinue providing assistance.* VA will refrain from providing assistance in obtaining evidence for a claim if the substantially complete or complete application for benefits indicates that there is no reasonable possibility that any assistance VA would provide to the claimant would substantiate the claim. VA will discontinue providing assistance in obtaining evidence for a claim if the evidence obtained indicates that there is no reasonable possibility that further assistance would substantiate the claim. Circumstances in which VA will refrain from or discontinue providing assistance in obtaining evidence include but are not limited to:

(1) The claimant's ineligibility for the benefit sought because of lack of qualifying service, lack of veteran status, or other lack of legal eligibility;

(2) Claims that are inherently not credible or clearly lack merit;

(3) An application requesting a benefit to which the claimant is not entitled as a matter of law; and

(4) The claimant's lack of cooperation in providing or requesting information or evidence necessary to substantiate the claim.

(Authority: 38 U.S.C. 5103A)

(e) *Duty to notify claimant of inability to obtain records.* (1) VA will notify the claimant either orally or in writing when VA:

(i) Has made reasonable efforts to obtain relevant non-Federal records, but is unable to obtain them; or

(ii) After continued efforts to obtain Federal records, concludes that it is reasonably certain they do not exist or that further efforts to obtain them would be futile.

**§ 21.35**

**38 CFR Ch. I (7–1–25 Edition)**

(2) For non-Federal records requests, VA may provide the notice to the claimant at the same time it makes its final attempt to obtain the relevant records.

(3) VA will make a written record of any oral notice conveyed under this paragraph to the claimant.

(4) The notice to the claimant must contain the following information:

(i) The identity of the records VA was unable to obtain;

(ii) An explanation of the efforts VA made to obtain the records;

(iii) The fact described in paragraph (e)(1)(i) or (e)(1)(ii) of this section;

(iv) A description of any further action VA will take regarding the claim, including, but not limited to, notice that VA will decide the claim based on the evidence of record unless the claimant submits the records VA was unable to obtain; and

(v) A notice that the claimant is ultimately responsible for obtaining the evidence.

(5) If VA becomes aware of the existence of relevant records before deciding the claim, VA will notify the claimant of the existence of such records and ask that the claimant provide a release for the records. If the claimant does not provide any necessary release of the relevant records that VA is unable to obtain, VA will ask that the claimant obtain the records and provide them to VA.

### PERIODS OF ELIGIBILITY

#### §21.41 Basic period of eligibility.

(a) *Time limit for eligibility to receive vocational rehabilitation.* (1) For purposes of §§21.41 through 21.46, the term *basic period of eligibility* means the 12-year period beginning on the date of a veteran's discharge or release from his or her last period of active military, naval, or air service, and ending on the date that is 12 years from the veteran's discharge or release date, but the beginning date may be deferred or the ending date extended under the sections referred to in paragraph (b) of this section. (See §§21.70 through 21.79 concerning duration of rehabilitation programs.)

(2) Except as provided in paragraph (b) or (c) of this section, the period during which an individual may receive a program of vocational rehabilitation benefits and services under 38 U.S.C. chapter 31 is limited to his or her basic period of eligibility.

(b) *Deferral and extension of the basic period of eligibility.* VA may defer the beginning date of a veteran's basic period of eligibility under §21.42. VA may extend the ending date of a veteran's basic period of eligibility under §21.42 (extension due to medical condition); §21.44 (extension for a veteran with a serious employment handicap), §21.45 (extension during a program of independent living services and assistance), and §21.46 (extension for a veteran recalled to active duty).

(Authority: 38 U.S.C. 3103)

(c) *Servicemember entitled to vocational rehabilitation services and assistance before discharge.* The basic period of eligibility for a servicemember who is entitled to vocational rehabilitation services and assistance under 38 U.S.C. chapter 31 for a period before discharge does not run while the servicemember

## § 21.42

remains on active duty, but begins on the date of discharge from the active military, naval, or air service. The period of eligibility requirements of this section are not applicable to provision of vocational rehabilitation services and assistance under chapter 31 during active duty.

(Authority: 38 U.S.C. 3102, 3103)

[75 FR 3166, Jan. 20, 2010]

### § 21.42 Deferral or extension of the basic period of eligibility.

The basic period of eligibility does not run as long as any of the following reasons prevents the veteran from commencing or continuing a vocational rehabilitation program:

(a) *Qualifying compensable service-connected disability(ies) not established.* The basic period of eligibility does not commence until the day VA notifies a veteran of a rating determination by VA that the veteran has a qualifying compensable service-connected disability under § 21.40.

(Authority: 38 U.S.C. 3103(b)(3))

(b) *Character of discharge is a bar to benefits.* (1) The basic period of eligibility does not commence until the veteran meets the requirement of a discharge or release under conditions other than dishonorable. (For provisions regarding character of discharge, see § 3.12 of this chapter.)

(2) If VA has considered a veteran's character of discharge to be a bar to benefits, the basic period of eligibility commences only when one of the following happens:

(i) An appropriate authority changes the character of discharge or release; or

(ii) VA determines that the discharge or release was under conditions other than dishonorable or that the discharge or release was, but no longer is, a bar to benefits.

(3) If there is a change in the character of discharge, or the discharge or release otherwise is determined, as provided in paragraph (b)(2) of this section, not to be a bar to benefits, the beginning date of the basic period of eli-

gibility will be the effective date of the change or VA determination.

(Authority: 38 U.S.C. 3103(b)(2))

(c) *Commencement or continuation of participation prevented by medical condition(s).* (1) The basic period of eligibility does not run during any period when a veteran's participation in a Veteran Readiness and Employment (VR&E) program is determined to be infeasible for 30 days or more because of any medical condition(s) of the veteran, including the disabling effects of chronic alcoholism (see paragraphs (c)(2) through (c)(5) of this section).

(2) For purposes of this section, the term *disabling effects of chronic alcoholism* means alcohol-induced physical or mental disorders or both, such as habitual intoxication, withdrawal, delirium, amnesia, dementia, and other like manifestations that:

(i) Have been diagnosed as manifestations of alcohol dependency or chronic alcohol abuse; and

(ii) Have been determined to prevent the affected veteran from beginning or continuing in a program of VR&E.

(3) A diagnosis of alcoholism, chronic alcoholism, alcohol dependency, or chronic alcohol abuse, in and of itself, does not satisfy the definition of disabling effects of chronic alcoholism.

(4) Injuries sustained by a veteran as a proximate and immediate result of activity undertaken by the veteran while physically or mentally unqualified to do so due to alcoholic intoxication are not considered disabling effects of chronic alcoholism. An injury itself, however, may prevent commencement or continuation of a rehabilitation program.

(5) For purposes of this section, after November 17, 1988, the disabling effects of chronic alcoholism do not constitute willful misconduct. See 38 U.S.C. 105(c).

(6) If the basic period of eligibility is delayed or interrupted under this paragraph (c) due to any medical condition(s) of the veteran, it will begin or resume on the date a Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) notifies the veteran in writing that the CP or VRC has determined, based on the evidence of record, that participation in a VR&E

### § 21.44 Extension of the basic period of eligibility for a veteran with a serious employment handicap.

(a) *Conditions for extension.* A Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) may extend the basic period of eligibility of a veteran with a serious employment handicap when the veteran's current employment handicap and need for rehabilitation services and assistance necessitate an extension under the following conditions:

(1) *Not rehabilitated to the point of employability.* The veteran has not been rehabilitated to the point of employability; or

(Authority: 38 U.S.C. 3103(c))

(2) *Rehabilitated to the point of employability.* The veteran was previously declared rehabilitated to the point of employability, but currently meets one of the following three conditions:

(i) One or more of the veteran's service-connected disabilities has worsened, preventing the veteran from working in the occupation for which he or she trained, or in a related occupation;

(ii) The veteran's current employment handicap and capabilities clearly show that the occupation for which the veteran previously trained is currently unsuitable; or

(iii) The occupational requirements in the occupation for which the veteran trained have changed to such an extent that additional services are necessary to enable the veteran to work in that occupation, or in a related field.

(Authority: 38 U.S.C. 3103(c))

(b) *Length of eligibility extension.* For a veteran with a serious employment handicap, a CP or VRC may extend the basic period of eligibility for such additional period as the CP or VRC determines is needed for the veteran to ac-

complish the purposes of his or her individualized rehabilitation program.

A Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) may extend the period of eligibility for a veteran's program of independent living services beyond the veteran's basic period of eligibility if the CP or VRC determines that an extension is necessary for the veteran to achieve maximum independence in daily living. The extension may be for such period as the CP or VRC determines is needed for the veteran to achieve the goals of his or her program of independent living. (*See* § 21.76(b) concerning duration of independent living services.)

[75 FR 3166, Jan. 20, 2010]

### § 21.46 Veteran ordered to active duty; extension of basic period of eligibility.

If VA determines that a veteran is prevented from participating in, or continuing in, a program of vocational rehabilitation as a result of being ordered to active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304, the veteran's basic period of eligibility will be extended by the length of time the veteran serves on active duty plus 4 months.

(i) Have elected to secure employment without completing the period of rehabilitation to the point of employability; and

(ii) Are employable; or

(3) Have never received services for rehabilitation to the point of employability under chapter 31 if they:

(i) Are employable or employed in a suitable occupation;

(ii) Have an employment handicap or a serious employment handicap; and

(iii) Need employment services to secure and/or maintain suitable employment.

(Authority: 38 U.S.C. 3102)

(b) *Veteran previously participated in a VA vocational rehabilitation program or a similar program under the Rehabilitation Act of 1973, as amended.* A veteran who at some time in the past has participated in a vocational rehabilitation program under chapter 31 or a similar program under the Rehabilitation Act of 1973 as amended, and is employable is eligible for employment services under the following conditions even though he or she is ineligible for any other assistance under chapter 31:

(1) The veteran is employable in a suitable occupation;

(2) The veteran has filed a claim for vocational rehabilitation or employment assistance;

(3) The veteran meets the criteria for eligibility described in § 21.40; and

(Authority: 38 U.S.C. 3117)

(d) *Duration of period of employment assistance.* The periods during which employment assistance may be provided are not subject to limitations on periods of eligibility for vocational rehabilitation provided in §§ 21.41 through 21.45 of this part, but entitlement to such assistance is, as provided in § 21.73 of this part, limited to 18 total months of assistance.

### **§ 21.48 Severance of service-connection—reduction to noncompensable degree.**

When a rating action is taken which proposes severance of service-connection or reduction to a noncompensable degree, the provisions of the following paragraphs will govern the veteran's entitlement to rehabilitation and employment assistance under 38 U.S.C. Chapter 31.

(a) *Applicant.* If the veteran is an applicant for rehabilitation or employment assistance when the proposed rating action is taken, all processes respecting determination of entitlement or induction into training shall be immediately suspended. In no event shall any veteran be inducted into a rehabilitation program or provided employment assistance during the interim periods provided in § 3.105 (d) and (e) of

(Authority: 38 U.S.C. 3104)

(b) *Reduction while in a rehabilitation program.* If the proposed rating action is taken while the veteran is in a rehabilitation program and results in a reduction to a noncompensable rating of his or her disability, the veteran may be retained in the program until the completion of the program, except if “discontinued” under § 21.198 he or she may not reenter.

(Authority: 38 U.S.C. 3103)

(c) *Severance while in a rehabilitation program.* If the proposed rating action is taken while the veteran is in a rehabilitation program and results in severance of the service-connection of his or her disability, rehabilitation will be terminated effective as of the last day of the month in which severance of service-connection becomes final.

(Authority: 38 U.S.C. 3103)

### INITIAL AND EXTENDED EVALUATION

#### § 21.50 Initial evaluation.

(a) *Entitlement to an initial evaluation.* VA will provide an initial evaluation to an individual who:

(1) Applies for benefits under 38 U.S.C. chapter 31; and

(2) Meets the service-connected disability requirements of § 21.40.

(Authority: 38 U.S.C. 3101(9), 3106)

(b) *Determinations to be made by VA during the initial evaluation.* A counseling psychologist (CP) or vocational rehabilitation counselor (VRC) will determine:

(1) Whether the individual has an employment handicap as determined in accordance with this section and § 21.51;

(2) Whether an individual with an employment handicap has a serious employment handicap as determined in accordance with this section and § 21.52; and

(3) Whether the achievement of a vocational goal is currently reasonably feasible as described in § 21.53.

(Authority: 38 U.S.C. 3102, 3103)

(c) *Factors for assessment as part of the initial evaluation.* In making the determinations under paragraph (b) of this section, the following factors will be developed and assessed:

(1) The handicapping effects of the individual’s service-connected and non-service-connected disability(ies) on employability and on independence in daily living;

(2) The individual’s physical and mental capabilities that may affect employability and ability to function independently in daily living activities in family and community;

(3) The impact of the individual’s identified vocational impairments on the individual’s ability to prepare for, obtain, and keep suitable employment;

(4) The individual’s abilities, aptitudes, and interests;

(5) The individual’s personal history and current circumstances (including educational and training achievements, employment record, developmental and related vocationally significant factors, and family and community adjustment); and

(6) Other factors that may affect the individual’s employability.

(Authority: 38 U.S.C. 3106(a))

(d) *Need for cooperation in the initial evaluation process.* The individual’s cooperation is essential in the initial evaluation process. If the individual does not cooperate, the CP or VRC will make reasonable efforts to secure the individual’s cooperation. If, despite those efforts, the individual fails to cooperate, VA will suspend the initial evaluation process (see § 21.362, regarding satisfactory conduct and cooperation, and § 21.364, regarding unsatisfactory conduct and cooperation).

For the purposes of § 21.50, an employment handicap will be found to exist only if a CP or VRC determines that the individual meets each of the following conditions:

(a) *Vocational impairment.* The individual has a vocational impairment; that is, an impairment of the ability to prepare for, obtain, or keep employment in an occupation consistent with his or her abilities, aptitudes, and interests.

(b) *Effects of impairment not overcome.* The individual has not overcome the effects of the individual's impairment of employability through employment in, or qualifying for employment in, an occupation consistent with his or her abilities, aptitudes, and interests. This situation includes an individual who qualifies for a suitable job, but who does not obtain or keep the job for reasons beyond his or her control.

(Authority: 38 U.S.C. 3102)

(c) *Contribution of the service-connected disability(ies) to the individual's overall vocational impairment.* (1) Except as provided in paragraph (c)(3) of this section, the service-connected disability(ies) must contribute in substantial part to the individual's overall vocational impairment. This means that the disability(ies) must have an identifiable, measurable, or observable causative effect on the overall vocational impairment, but need not be the sole or primary cause of the employment handicap.

(2) When determining the individual's overall vocational impairment, the CP or VRC will consider the factors identified in § 21.50(c).

(3) For determinations made on applications for vocational rehabilitation filed on or after March 30, 1995, but before October 9, 1996, the individual's service-connected disability(ies) need not contribute to the individual's overall vocational impairment.

### § 21.52 Determining serious employment handicap.

(a) *Requirements for determining serious employment handicap.* For each individual who is found to have an employment handicap, a CP or VRC must make a separate determination of whether the individual has a serious employment handicap. For the purposes of an initial evaluation under § 21.50, a serious employment handicap will be found to exist only if a CP or VRC determines that the individual meets each of the following conditions:

(1) *Significant vocational impairment.* The individual has a significant vocational impairment; that is, a significant impairment of the ability to prepare for, obtain, or keep employment in an occupation consistent with his or her abilities, aptitudes, and interests, considering the factors described in § 21.50 and paragraph (b) of this section.

(2) *Effects of significant impairment not overcome.* The individual has not overcome the effects of the significant vocational impairment through employment in, or qualifying for employment in, an occupation consistent with his or her abilities, aptitudes, and interests. This includes an individual who qualifies for a suitable job, but who does not obtain or keep the job for reasons beyond his or her control.

(Authority: 38 U.S.C. 3102)

(3) *Contribution of the service-connected disability(ies) to the individual's overall significant vocational impairment.*

(i) Except as provided in paragraph (a)(3)(ii) of this section, the service-connected disability(ies) must contribute in substantial part to the individual's overall significant vocational impairment. This means that the disability(ies) must have an identifiable, measurable, or observable causative effect on the overall significant vocational impairment, but need not be the sole or primary cause of the serious employment handicap.

(Authority: 38 U.S.C. 3101)

(ii) For determinations made on applications for vocational rehabilitation filed on or after March 30, 1995, but before October 9, 1996, the individual's service-connected disability(ies) need

not contribute to the individual's overall significant vocational impairment.

(b) *Factors for assessment during the initial evaluation, when determining whether a significant vocational impairment exists.* The combination of all restrictions and their effects on the individual define the extent of the vocational impairment and its significance. When determining whether the individual has a significant vocational impairment, VA will develop and assess the following factors and their effects:

- (1) Number of disabling conditions;
- (2) Severity of disabling condition(s);
- (3) Existence of neuropsychiatric condition(s);
- (4) Adequacy of education or training for suitable employment;
- (5) Number, length, and frequency of periods of unemployment or underemployment;
- (6) A pattern of reliance on government support programs, such as welfare, service-connected disability compensation, nonservice-connected disability pension, worker's compensation, or Social Security disability;
- (7) Extent and complexity of services and assistance the individual needs to achieve rehabilitation;
- (8) Negative attitudes toward individuals with disabilities and other evidence of restrictions on suitable employment, such as labor market conditions; discrimination based on age, race, gender, disability or other factors; alcoholism or other substance abuse; and
- (9) Other factors that relate to preparing for, obtaining, or keeping employment consistent with the individual's abilities, aptitudes, and interests.

### **§ 21.53 Reasonable feasibility of achieving a vocational goal.**

(a) *Requirement.* The Department of Veterans Affairs shall determine the reasonable feasibility of achieving a vocational goal in each case in which a veteran has either:

- (1) An employment handicap, or
- (2) A serious employment handicap.

(Authority: 38 U.S.C. 3106(a))

(b) *Definition.* The term *vocational goal* means a gainful employment status consistent with the veteran's abilities, aptitudes, and interests.

(Authority: 38 U.S.C. 3101(8))

(c) *Expeditious determination.* The determination of reasonable feasibility shall be made as expeditiously as possible when necessary information has been developed in the course of initial evaluation. If an extended evaluation is necessary as provided in § 21.57 a decision of feasibility shall be made by the end of the extended evaluation. Any reasonable doubt shall be resolved in favor of a finding of feasibility.

(Authority: 38 U.S.C. 3105(d))

(d) *Vocational goal is reasonably feasible.* Achievement of a vocational goal is reasonably feasible for a veteran with either an employment or serious employment handicap when the following conditions are met:

- (1) Vocational goal(s) has (have) been identified;
- (2) The veteran's physical and mental conditions permit training for the goal(s) to begin within a reasonable period; and
- (3) The veteran:
  - (i) Possesses the necessary educational skills and background to pursue the vocational goal; or
  - (ii) Will be provided services by the Department of Veterans Affairs to develop such necessary educational skills as part of the program.

(Authority: 38 U.S.C. 3104(a)(1), 3106(a))

(e) *Criteria for reasonable feasibility not met.* (1) When VA finds that the provisions of paragraph (d) of this section are not met, but VA has not determined that achievement of a vocational goal is not currently reasonably feasible, VA shall provide the rehabilitation services contained in § 21.35(i)(1)(i) of this part as appropriate;

(2) A finding that achievement of a vocational goal is infeasible without a period of extended evaluation requires compelling evidence which establishes

## § 21.57

infeasibility beyond any reasonable doubt.

(Authority: 38 U.S.C. 3104(a)(1), 3106(b))

(f) *Independent living services.* The Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) shall determine the current reasonable feasibility of a program of independent living services in each case in which a vocational rehabilitation program is not found reasonably feasible. The concurrence of the Veteran Readiness and Employment (VR&E) Officer is required in any case in which the CP or VRC does not approve a program of independent living services.

(Authority: 38 U.S.C. 3100)

(g) *Responsible staff.* A CP or VRC in the VR&E Division shall determine whether achievement of a vocational goal is:

- (1) Reasonably feasible; or
- (2) Not currently reasonably feasible under the provisions of paragraph (e) of this section for the purpose of determining present eligibility to receive a program of independent living services.

### § 21.57 Extended evaluation.

(a) *Purpose.* The purpose of an extended evaluation for a veteran with a serious employment handicap is to determine the current feasibility of the veteran achieving a vocational goal, when this decision reasonably cannot be made on the basis of information developed during the initial evaluation.

(Authority: 38 U.S.C. 3106(c), Pub. L. 99-576)

(b) *Scope of services.* During the extended evaluation, a veteran may be provided:

- (1) Diagnostic and evaluative services;
- (2) Services to improve his or her ability to attain a vocational goal;
- (3) Services to improve his or her ability to live and function independently in the community;

(4) An allowance as provided in § 21.260.

(Authority: 38 U.S.C. 3104)

(c) *Determination.* (1) The determination of the reasonable feasibility of a veteran achieving a vocational goal will be made at the earliest time possible during an extended evaluation, but not later than the end of the period of evaluation, or an extension of that period. Any reasonable doubt as to feasibility will be resolved in the veteran's favor;

(Authority: 38 U.S.C. 3106(d))

(2) When it is reasonably feasible for the veteran to achieve a vocational goal, an individualized written rehabilitation plan (IWRP) will be developed as indicated in § 21.84 of this part.

(Authority: 38 U.S.C. 3106(b))

(d) *Responsibility for determining the need for a period of extended evaluation.* A Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) in the Veteran Readiness and Employment (VR&E) Division shall determine whether a period of extended evaluation is needed.

### § 21.58 Redetermination of employment handicap and serious employment handicap.

(a) *Prior to induction into a program.* A determination as to employment handicap, serious employment handicap, or eligibility for a program of employment services will not be changed except for:

- (1) Unmistakable error in fact or law; or
- (2) New and material evidence which justifies a change.

(b) *After induction into a program.* (1) The Department of Veterans Affairs will not redetermine a finding of employment handicap, serious employment handicap, or eligibility for a program of employment services subsequent to the veteran's induction into a

program because of a reduction in his or her disability rating, including a reduction to 0 percent:

(2) The Department of Veterans Affairs may consider whether a finding of employment handicap should be changed to serious employment handicap when there is an increase in the degree of service-connected disability, or other significant change in the veteran's situation;

(3) A redetermination of employment handicap, serious employment handicap, or eligibility for a program of employment services will be made when there is a clear and unmistakable error of fact or law.

(Authority: 38 U.S.C. 3102, 3106)

(c) *Following rehabilitation or discontinuance.* A veteran's eligibility and entitlement to assistance must be redetermined in any case in which:

(2) The veteran is determined to meet the requirements for rehabilitation under the provisions of § 21.196; or

(3) The veteran's program is discontinued under the provisions of § 21.198, except as described in § 21.198(c)(3).

(1) Evaluate and improve the veteran's ability to achieve a vocational goal;

(2) Provide services needed to qualify for suitable employment;

(3) Enable the veteran to achieve maximum independence in daily living;

(4) Enable the veteran to become employed in a suitable occupation and to maintain suitable employment.

(b) *Vocational rehabilitation program.* This term includes:

(1) The services that are needed for the accomplishment of the purposes of Chapter 31, including such counseling, diagnostic, medical, social, psychological, independent living, economic, educational, vocational, and employment services as are determined by the Department of Veterans Affairs to be needed;

(i) In the case of a veteran for whom the achievement of a vocational goal has not been found to be currently infeasible such needed services include:

(A) Determining whether a vocational goal is reasonably feasible;

(B) Improving the veteran's potential to participate in a program of services designed to achieve a vocational goal;

(C) Enabling the veteran to achieve maximum independence in daily living;

(ii) In the case of a veteran for whom achievement of a vocational goal is feasible, such needed services include assisting the veteran to become, to the maximum extent feasible, employable and to obtain and maintain suitable employment;

(2) The term also includes the monetary assistance authorized by Chapter 31 for a veteran receiving any of the services described in this paragraph.

(Authority: 38 U.S.C. 3101(9); Pub. L. 99-576)

(c) *Duration of vocational rehabilitation.* Decisions on the duration of periods for attaining the goals named in paragraph (a) of this section are made in the course of development and approval of the Individualized Written Rehabilitation Plan. However, the duration of a vocational rehabilitation program may not exceed 48 months (or its equivalent when pursued on a part-time basis), except as provided in § 21.78.

**§ 21.72 Rehabilitation to the point of employability.**

(a) *General.* Rehabilitation to the point of employability may include the services needed to:

(1) Evaluate and improve the veteran's ability to undertake training;

(2) Train the veteran to the level generally recognized as necessary for entry into employment in a suitable occupational objective. Where a particular degree, diploma, or certificate is generally necessary for entry into the occupation, e.g., an MSW for social work, the veteran shall be trained to that level.

(Authority: 38 U.S.C. 3101(5), 3104)

(b) *When duration of training may exceed general requirements—(1) Employment handicap.* If the amount of training necessary to qualify for employment in a particular occupation in a geographical area where a veteran lives or will seek employment exceeds the amount generally needed for employment in that occupation, the Department of Veterans Affairs will provide, or arrange for the necessary additional training.

(2) *Serious employment handicap.* The Department of Veterans Affairs will assist a veteran with a serious employment handicap to train to a higher level than is usually required to qualify in a particular occupation, when one of the following conditions exist:

(i) The veteran is preparing for a type of work in which he or she will be at a definite disadvantage in competing with nondisabled persons for jobs or business, and the additional training will help to offset the competitive disadvantage;

(ii) The number of feasible occupations are restricted, and additional training will enhance the veteran's employability in one of those occupations;

(iii) The number of employment opportunities within feasible occupations are restricted.

(Authority: 38 U.S.C. 3105(c))

(c) *Responsibility for estimating duration of training.* (1) The Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) shall estimate the duration of training and the esti-

mate shall be incorporated in the IWRP (Individualized Written Rehabilitation Plan). When the period of training is estimated to exceed 48 months, the concurrence of the Veteran Readiness and Employment (VR&E) Officer is required, prior to approving the IWRP, under conditions listed in § 21.78.

(2) The estimated duration of the period of training required to complete an original or amended IWRP may be extended when necessary. Authorization of an extension is the responsibility of the CP or VRC, except as provided in paragraph (d) of this section. Any extension which will result in use of more than 48 months of entitlement must meet conditions described in § 21.78.

(Authority: 38 U.S.C. 3695(b))

(d) *Extension of training by the vocational rehabilitation specialist.* (1) The VRS (Vocational Rehabilitation Specialist) may authorize an extension of up to six months of the period of vocational rehabilitation training authorized by the IWRP when:

(i) The veteran is in *rehabilitation to the point of employability* status under § 21.190;

(ii) The veteran has completed more than half of the prescribed training;

(iii) The veteran is making satisfactory progress;

(iv) The extension is necessary to complete training;

(v) Training can be completed within six months; and

(vi) The extension will not result in use of more than 48 months of entitlement under Chapter 31 alone or in combination with other programs identified in § 21.4020.

(2) If the conditions listed in paragraph (d)(1) of this section are not met, and an extension is needed to complete the program, the case will be referred to the CP or VRC for a determination.

**§ 21.73 Duration of employment assistance programs.**

(a) *Duration.* Employment assistance may be provided to the veteran for the

## § 21.74

period necessary to enable the veteran to secure employment in a suitable occupation, and to adjust in the employment. This period shall not exceed 18 months. A veteran may be provided such assistance if he or she is eligible for employment assistance under the provisions of § 21.47 of this part.

(Authority: 38 U.S.C. 3105(b))

(b) *Employment assistance not charged against Chapter 31 entitlement.* The period of employment assistance provided in paragraph (a) of this section is not charged against the months of entitlement under Chapter 31 (see § 21.70).

### § 21.74 Extended evaluation.

(a) *General.* An extended evaluation may be authorized for the period necessary to determine whether the attainment of a vocational goal is currently reasonably feasible for the veteran. The services which may be provided during the period of extended evaluation are listed in § 21.57(b) of this part.

(Authority: 38 U.S.C. 3105(a), 3106(a))

(b) *Duration.* An extended evaluation may not be for less than two weeks (full or part-time equivalent) nor for more than twelve months, unless a longer period is necessary to determine whether achievement of a vocational goal is reasonably feasible.

(Authority: 38 U.S.C. 3105(a))

(c) *Approval of the period of an extended evaluation.* (1) The Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) may approve an initial period of up to 12 months for an extended evaluation.

(2) An additional period of extended evaluation of up to 6 months may be approved by the CP or VRC, if there is reasonable certainty that the feasibility of achieving a vocational goal can be determined during the additional period. The CP or VRC will obtain the concurrence of the Veteran Readiness and Employment (VR&E) Of-

ficer before approving the extension of a period of extended evaluation.

(3) An extension beyond a total period of 18 months for additional periods of up to 6 months each may only be approved by the CP or VRC if there is a substantial certainty that a determination of current feasibility may be made within this extended period. The concurrence of the VR&E Officer is also required for this extension.

### § 21.76 Independent living.

(a) *General.* A program of independent living services may be authorized to enable the veteran to:

- (1) Reach the goals of the program, and
- (2) Maintain the newly achieved level of independence in daily living.

(Authority: 38 U.S.C. 3101(4), 3104(b))

(b) *Period of independent living services.* The duration of an independent living services program may not exceed 24 months unless the Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) finds that an additional period of up to 6 months would enable the veteran to substantially increase his or her level of independence in daily living. The concurrence of the Vocational Counseling and Rehabilitation Officer in this finding is required.

exceed 48 months except as indicated in paragraphs (b) and (c) of this section.

(Authority: 38 U.S.C. 3695)

(b) *Employment handicap.* A rehabilitation program for a veteran with an employment handicap may only be extended beyond 48 months when:

(1) The veteran previously completed training for a suitable occupation but the veteran's service-connected disability has worsened to the point that he or she is unable to perform the duties of the occupation for which training had been provided, and a period of training in the same or a different field is required. An extension beyond 48 months under Chapter 31 alone shall be authorized for this purpose.

(Authority: 38 U.S.C. 3105(c)(1)(A))

(2) The occupation in which the veteran previously completed training is found to be unsuitable because of the veteran's abilities and employment handicap. An extension beyond 48 months under Chapter 31 alone shall be approved for this purpose.

(Authority: 38 U.S.C. 3105(c)(1)(B))

(3) The veteran previously used education benefit entitlement under other programs administered by VA, and the additional period of assistance to be provided under Chapter 31 which the veteran needs to become employable will result in more than 48 months being used under all VA education programs, under these conditions the number of months necessary to complete the program may be authorized under Chapter 31, provided that the length of the extension will not result in authorization of more than 48 months under Chapter 31 alone.

(Authority: 38 U.S.C. 3695)

(4) A veteran in an approved Chapter 31 program has elected payment of benefits at the Chapter 30 educational assistance rate. The 48 month limitation may be exceeded only:

(i) To the extent that the entitlement in excess of 48 months does not exceed the entitlement previously used by the veteran in a course at the secondary school level under §21.4235 before December 31, 1989, or

(ii) If the veteran is in a course on a term, quarter, or semester basis which began before the 36 month limitation on Chapter 30 entitlement was reached, and completion of the course will be possible by permitting the veteran to complete the training under Chapter 31.

(Authority: 38 U.S.C. 3013, 3695; Pub. L. 98-525)

(5) The assistance to be provided in excess of 48 months consists only of a period of employment assistance (see §21.73).

(Authority: 38 U.S.C. 3105(b))

(c) *Serious employment handicap.* The duration of a rehabilitation program for a veteran with a serious employment handicap may be extended beyond 48 months under Chapter 31 for the number of months necessary to complete a rehabilitation program under the following conditions:

(1) To enable the veteran to complete a period of rehabilitation to the point of employability;

(2) To provide an extended evaluation in cases in which the total period needed for an extended evaluation and for rehabilitation to the point of employability would exceed 48 months;

(3) To provide a program of independent living services, including cases in which achievement of a vocational goal becomes feasible during or following a program of independent living services;

(4) Following rehabilitation to the point of employability:

(i) The veteran has been unable to secure employment in the occupation for which training has been provided despite intensive efforts on the part of the Department of Veterans Affairs and the veteran, and a period of retraining or additional training is needed;

(ii) The skills which the veteran developed in training for an occupation in which he or she was employed are no longer adequate to maintain employment in that field and a period of retraining is needed;

(iii) The veteran's service-connected disability has worsened to the point that he or she is unable to perform the duties of the occupation for which the

veteran has been trained, and a period of training in the same or different field is required;

(iv) The occupation in which the veteran previously completed training is found to be unsuitable due to the veteran's abilities and employment handicap.

(5) The assistance to be provided in excess of 48 months consists, only of a period of employment assistance. (see § 21.73).

(Authority: 38 U.S.C. 3105(c)(2))

(d) *Approval of extension beyond 48 months.* All extensions of a rehabilitation program beyond 48 months of total entitlement under all Department of Veterans Affairs programs requires the approval of the Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) and concurrence of the Veteran Readiness and Employment (VR&E) Officer or designee. Concurrence of the VR&E officer is not required for an extension due to provision of employment assistance (see § 21.21).

### § 21.79 Determining entitlement usage under Chapter 31.

(a) *General.* The determination of entitlement usage for chapter 31 participants is made under the provisions of this section except as provided in paragraph (f) of this section. Charges for entitlement usage shall be based upon the principle that a veteran who pursues a rehabilitation program for 1 day should be charged 1 day of entitlement. The determination of entitlement is based upon the rate at which the veteran pursues his or her rehabilitation program. The rate of pursuit is determined under the provisions of § 21.310 of this part.

(Authority: 38 U.S.C. 3108(d))

(b) *No charge against chapter 31 entitlement.* No charge will be made against chapter 31 entitlement under any of the following circumstances:

(1) The veteran is receiving employment services under an Individualized Employment Assistance Plan (IEAP);

(2) The veteran is receiving an employment adjustment allowance; or

(3) The veteran is on leave from his or her program, but leave is not authorized by the Department of Veterans Affairs.

(Authority: 38 U.S.C. 3108(d), 3117)

(c) *Periods during which entitlement may be charged.* Charges for usage of chapter 31 entitlement may only be made for program participants in one of the following case statuses:

(1) Rehabilitation to the point of employability;

(2) Extended evaluation; or

(3) Independent living.

(Authority: 38 U.S.C. 3106, 3109)

(d) *Method of charging entitlement under chapter 31.* The Department of Veterans Affairs will make a charge against entitlement:

(1) On the basis of total elapsed time (1 day of entitlement for each day of pursuit) if the veteran is being provided a rehabilitation program on a full-time basis;

(2) On the basis of a proportionate rate of elapsed time if the veteran is being provided a rehabilitation program on a three-quarter, one-half or less than one-half time basis. Entitlement is charged at a:

(i) Three-quarter time rate if pursuit is three-quarters or more, but less than full-time;

(ii) One-half time rate if pursuit is half-time or more, but less than three-quarter time;

(iii) One-quarter time rate if pursuit is less than half-time. Measurement of pursuit on a one-quarter time basis is limited to veterans in independent living or extended evaluation programs.

(Authority: 38 U.S.C. 3108(d), 3680(g))

(e) *Computing entitlement.* (1) The computation of entitlement is based upon the rate of program pursuit, as determined under § 21.310 of this part, over the elapsed time during which training and rehabilitation services were furnished;

(2) The Department of Veterans Affairs will compute elapsed time from the commencing date of the rehabilitation program as determined under § 21.322 of this part to the date of termination as determined under § 21.324 of this part. This includes the period during which veterans not receiving subsistence allowance because of a statutory bar; e.g., certain incarcerated veterans or servicepersons in a military hospital, nevertheless, received other chapter 31 services and assistance. Elapsed time includes the total period from the commencing date until the termination date, except for any period of unauthorized leave;

(3) If the veteran's rate of pursuit changes after the commencing date of the rehabilitation program, the Department of Veterans Affairs will:

(i) Separate the period of rehabilitation program services into the actual periods of time during which the veteran's rate of pursuit was different; and

(ii) Compute entitlement based on the rate of pursuit for each separate elapsed time period.

(Authority: 38 U.S.C. 3108(f))

(f) *Special situations.* (1) When a chapter 31 participant elects benefits of the kind provided under chapter 30 or chapter 34 as a part of his or her rehabilitation program under chapter 31, the veteran's entitlement usage will be determined by using the entitlement provisions of those programs. Entitlement charges shall be in accordance with § 21.7076 for chapter 30 and § 21.1045 under chapter 34. The entitlement usage computed under these provisions is deducted from the veteran's chapter 31 entitlement. No entitlement charges are made against either chapter 30 or chapter 34.

(Authority: 38 U.S.C. 3108(f))

(2) When a chapter 31 participant elects to receive payment of the *Post-9/11 subsistence allowance* under § 21.260(c) in lieu of a subsistence allowance under § 21.260(b), the entitlement usage is deducted from the veteran's chapter 31 entitlement. No entitlement charges are made against chapter 33.

(Authority: 38 U.S.C. 3108(b))

(3) When a veteran is pursuing on-job training or work experience in a Federal agency on a nonpay or nominal pay basis, the amount of entitlement used is determined in the following manner:

(i) Entitlement used in on-job training in a Federal agency on a nonpay or nominal pay basis is determined in the same manner as other training.

(ii) Entitlement used in pursuing work experience will be computed in the same manner as for veterans in on-job training except that work experience may be pursued on a less than full-time basis. If the veteran is receiving work experience on a less than full-time basis, entitlement charges are based upon a proportionate amount of the workweek. For example, if the workweek is 40 hours, three-quarter time is at least 30 hours, but less than 40 hours, and half-time is at least 20 hours but less than 30 hours.

(Authority: 38 U.S.C. 3108(c))

(4) Entitlement is charged on a full-time basis for a veteran found to have a reduced work tolerance.

(Authority: 38 U.S.C. 3108(d), 3680(g))

(g) *Overpayment.* The Department of Veterans Affairs will make a charge against entitlement for an overpayment of subsistence allowance under the conditions described in § 21.1045(h) of this part.

(Authority: 38 U.S.C. 3680(g))

INDIVIDUALIZED WRITTEN  
REHABILITATION PLAN

**§ 21.80 Requirement for a rehabilitation plan.**

(a) *General.* An IWRP (Individualized Written Rehabilitation Plan) will be developed for each veteran eligible for rehabilitation services under Chapter 31. The plan is intended to assist in:

(1) Providing a structure which allows Veteran Readiness and Employment (VR&E) staff to translate the findings made in the course of the initial evaluation into specific rehabilitation goals and objectives;

## § 21.82

(2) Monitoring the veteran's progress in achieving the rehabilitation goals established in the plan;

(3) Assuring the timeliness of assistance by Department of Veterans Affairs staff in providing services specified in the plan; and

(4) Evaluating the effectiveness of the planning and delivery of rehabilitation services by VR&E staff.

(b) *When a plan is prepared.* A plan will be prepared in each case in which a veteran will pursue:

(1) A vocational rehabilitation program, as that term is defined in § 21.35(i);

(2) An extended evaluation program;

(3) An independent living services program; or

(4) An employment program.

(c) *Plan—a generic term.* The term *plan* refers to the IWRP (Individualized Written Rehabilitation Plan) § 21.84, IEAP (Individualized Extended Evaluation Plan) § 21.86, IEAP (Individualized Employment Assistance Plan) § 21.88, and IILP (Individualized Independent Living Plan) § 21.90.

(Authority: 38 U.S.C. 3107(a))

(d) *Plan not required.* A plan will not be prepared for a veteran who is not eligible for any assistance under Chapter 31. Department of Veterans Affairs staff, with the veteran's assistance and cooperation, will utilize information developed in the course of an initial evaluation to assist the veteran to develop alternatives for education and training, independence in daily living, or employment assistance. This assistance should help the veteran in achieving attainable vocational, independent living and employment goals utilizing benefits and services for which the veteran may be eligible under other Department of Veterans Affairs or non-Department of Veterans Affairs programs.

completion of the program provided by the plan under Chapter 31. The provisions of § 21.70 and § 21.78(c) are designed to enable a veteran with a serious employment handicap to pursue and complete a rehabilitation plan under Department of Veterans Affairs auspices. These provisions shall be used as necessary to accomplish the goals of the plan.

(Authority: 38 U.S.C. 3105(c), 3107)

(b) *Employment handicap.* A plan for a veteran with an employment handicap that is not a serious employment handicap shall require that the program be completed within 48 months, if the veteran is not eligible for an extension as provided in § 21.78. When the program provided by the plan cannot be completed under Chapter 31 because of limitations imposed by the veteran's termination date or months of remaining entitlement, realistic, comprehensive and detailed arrangements must be made which will enable the veteran to successfully complete training under other auspices. If an arrangement cannot be made which meets these requirements, the long-range vocational goal of the veteran must be reevaluated, and another vocational goal selected which can be completed using the veteran's remaining Chapter 31 resources.

(Authority: 38 U.S.C. 3107(a))

(c) *Employment assistance when training is not completed under Chapter 31.* A plan for employment assistance may be implemented even though the veteran's training has not been or will not be completed under Chapter 31.

(Authority: 38 U.S.C. 3117(a))

### § 21.84 Individualized written rehabilitation plan.

(a) *Purpose.* The purposes of the IWRP (Individualized Written Rehabilitation Plan) are to:

The development of appropriate intermediate objectives is the cornerstone of an effective plan. Intermediate objectives should have the following characteristics:

(i) The activity specified relates to the achievement of the goal;

(ii) The activity specified is definable in terms of observable behavior (e.g., pursuing an A.A. degree);

(iii) The activity has a projected completion date;

(iv) The outcome desired upon completion is measurable (e.g., receiving an A.A. degree).

(3) The specific services to be provided by the Department of Veterans Affairs as stated. Counseling shall be included in all plans for a veteran with a serious employment handicap.

(b) *College degree.* The course leads to or is fully creditable towards a standard college degree.

(c) *Course content.* The course consists of a prescribed program of study with provision for interaction between the student and regularly employed faculty of the university or college by mail, telephone, personally, or class attendance.

(d) *School responsibility.* The university or college:

(1) Evaluates the course in semester or quarter hours or the equivalent; and

(2) Prescribes a period for completion.

(Authority: 38 U.S.C. 3104(a)(7))

### § 21.129 Home study course.

(a) *Definition.* A *home study* course is a course conducted by mail, consisting of a series of written lesson assignments furnished by a school to the student for study and preparation of written answers, solutions to problems, and work projects which are corrected and graded by the school and returned to the trainee.

(b) *Limitations on inclusion of home study courses, in rehabilitation plans.* A veteran and his or her case manager may include a home study course in a rehabilitation plan only when it supplements the major part of the program. The purpose of the home study course is to provide the veteran with theory or technical information directly related to the practice of the occupation for which the veteran is training.

### § 21.130 Educational and vocational courses outside the United States.

(a) *General.* VA may provide educational and vocational courses outside a State if the case manager determines that such training is in the best interest of the veteran and the Federal Government.

(b) *Specific conditions.* (1) The training must be necessary to enable the veteran to qualify for, obtain, and retain suitable employment in the occupational objective; and

(2) Either:

(i) The training is not available in the United States; or

(ii) The training is available in the United States, but personal hardship would result from requiring that the veteran pursue training in this country; and

(3) All necessary supportive and follow-up services, including medical care and treatment and employment services, reasonably can be provided by or through VA, considering such factors as the availability, accessibility and cost of such services.

(Authority: 38 U.S.C. 3114)

### § 21.132 Repetition of the course.

(a) *Repeating all or part of the course.* A veteran, having completed a course under Chapter 31 according to the standards and practices of the institution, ordinarily will not pursue it again at the expense of VA. However, VA may approve repetition of all, or any part of the course when VA determines that the repetition is necessary to accomplish the veteran's vocational rehabilitation. A veteran repeating a course under Chapter 31 is subject to the same requirements for satisfactory pursuit and completion of the course as are other veterans taking the course unless a longer period is needed because of the veteran's reduced work tolerance.

(Authority: 38 U.S.C. 3104(a)(7))

(b) *Review course.* A veteran who has completed a course of training under Chapter 31 may pursue a review course, such as a bar review course, if it is spe-

cifically organized and conducted as a review course.

(Authority: 38 U.S.C. 3104(a)(7))

(c) *Auditing a subject.* Auditing, as defined in § 21.4200(i), may not be authorized as a part of any rehabilitation plan. However, if an individual repeats a course under the conditions described in paragraph (a) of this section, the course shall not be considered an audited course, if pursued in the same manner as a subject offered for credit. The individual must meet the same requirements as other students, and not be a mere listener.

(Authority: 38 U.S.C. 3680(a))

### § 21.134 Limitation on flight training.

Flight Training approved under chapter 31 may only be authorized in degree curriculums in the field of aviation that include required flight training. This type of training is otherwise subject to the same limitations as are applicable to flight training under Chapter 30.

(Authority: 38 U.S.C. 3105)

**§ 21.142 Adult basic education.**

(a) *Definition.* The term *adult basic education* means an instructional program for the undereducated adult planned around those basic and specific skills most needed to help him or her to function adequately in society.

(b) *Purposes.* The purposes of providing adult basic education are to:

- (1) Upgrade a veteran's basic educational skills;

- (2) Provide refresher training; or
- (3) Remedy deficiencies which prevent the veteran from undertaking a course of education or vocational training.

(c) *Periods during which basic adult education may be provided.* Basic adult education may be authorized, as necessary, during:

- (1) Rehabilitation to the point of employability;
- (2) Extended evaluation; and

(Authority: 38 U.S.C. 3104(a)(7))

**§ 21.146 Independent instructor course.**

(a) *Definition.* An independent instructor course is a full-time course of vocational training which the veteran pursues with an individual instructor, who, independently of a training institution or on-job training establishment, furnishes and conducts a vocational course at a suitable place of training.

(b) *Limitations on including an independent instructor course in a rehabilitation plan.* A veteran and his or her case manager may include an independent instructor course in a rehabilitation plan, other than one involving a farm cooperative program, only when either or both of the following conditions exist:

- (1) Training is not available through an established school, on-job training establishment, rehabilitation facility

or sheltered workshop within a reasonable commuting distance from the veteran's home; or

(2) The veteran's condition or other circumstances do not permit the veteran to attend an otherwise suitable facility within commuting distance. See § 21.126.

(c) *Training in the home.* Training in the home is a specialized type of independent instructor course which the veteran pursues in his or her home if:

(1) He or she is unable to pursue training at an otherwise suitable facility because of the effects of his or her disability;

(2) Based on proper medical opinion, the veteran is able to pursue the prescribed training; and

(3) The veteran's home provides a favorable educational environment with adequate work and study space.

(d) *Planning an individual instructor course.* The case manager, the veteran, and the instructor should jointly plan the training program for a veteran for whom an independent instructor course is prescribed.

(e) *Assuring employment.* Since the customary channels leading to employment may not be readily available to a veteran requiring an individual instructor course, the IEAP (Individual Employment Assistance Plan) shall indicate thorough consideration of plans and prospects for seeking and obtaining employment, including self-employment, upon completion of training.

(f) *Rate of pursuit.* A veteran in an independent instructor program shall pursue training at a rate comparable to the rate at which similar training is pursued on an institutional basis, unless the veteran's work tolerance is reduced by the effects of his or her disability.

(Authority: 38 U.S.C. 3104(a)(7))

### § 21.148 Tutorial assistance.

(b) *Authorization of tutorial assistance.* Tutorial assistance may be provided

during any period of rehabilitation services authorized by VA.

(Authority: 38 U.S.C. 3104(a)(7))

(c) *Use of relatives precluded.* Tutorial assistance at VA expense may not be provided by a relative of the veteran. The term *relative* has the same meaning as under § 21.374 pertaining to the use of a relative as an attendant.

(Authority: 38 U.S.C. 3492)

(d) *Payment at the Chapter 30 rate.* If a veteran has elected payment at the educational assistance rate payable under Chapter 30, he or she may not be provided individualized tutorial assistance under provision of Chapter 31. (See § 21.334.)

(1) Whose best corrected vision is 20/200 in both eyes;

(2) Whose central vision is greater than 20/200 but whose field of vision is limited to such an extent that the widest diameter of a visual field subtends to an angle no greater than 20 degrees; or

(3) With impaired vision, whose condition or prognosis indicates that the residual sight will be adversely affected by the use of his or her eyes for reading.

(b) *Periods during which reader service may be provided.* reader service necessary to the development of a rehabilitation plan, or the successful pursuit of a rehabilitation program may be provided during:

(1) Initial evaluation or reevaluation;

(2) Extended evaluation;

(4) Independent living services; or

(5) Employment services, including an initial employment period of up to three months.

(c) *Reader responsibility.* The reader should be able to do more than read to

## 38 CFR Ch. I (7–1–25 Edition)

the veteran. The reader should have an understanding of the subject matter based upon prior training or experience which allows him or her to:

(1) Read printed material with understanding; and

(2) Test the veteran's understanding of what has been read.

(d) *Extent of service.* The number of hours of service will be determined in each case by the amount of reading necessitated by the course and the efficacy of other equipment with which the veteran has been furnished to enable him or her to read printed material unassisted.

(e) *Recording.* VA will not normally pay for recording textbooks or other materials as a part of reader services, since excellent recording services are provided by volunteer organizations at no cost.

(f) *Selecting a relative as a reader.* Utilization of a relative of the veteran as a reader is subject to the limitations on use of a relative as an attendant under § 21.374.

(Authority: 38 U.S.C. 3104(a)(14))

### § 21.152 Interpreter service for the hearing impaired.

(a) *General.* The main purpose of interpreter service for the hearing impaired is to facilitate instructor-student communication. VA will provide interpreter service as necessary for the development and pursuit of a rehabilitation program. This service will be provided if:

(1) A VA physician determines that:

(i) The veteran is deaf or his or her hearing is severely impaired; and

(ii) All appropriate services and aids have been furnished to improve the veteran's residual hearing; or

(2) A VA physician determines that the veteran:

(i) Can benefit from language and speech training; and

(ii) Agrees to undertake language and speech training.

(b) *Periods during which interpreter service may be provided.* Interpreter service may be furnished during:

(1) Initial evaluation or reevaluation;

(2) Extended evaluation;

(3) Rehabilitation to the point of employability;

(4) Independent living services; or

(5) Employment services, including the first three months of employment.

(c) *Selecting the interpreter.* Only certified interpreters or persons meeting generally accepted standards for interpreters shall provide interpreter service. When an individual is not certified by a State or professional association, VA shall seek the assistance of a State certifying agency or a professional association in ascertaining whether the individual is qualified to serve as an interpreter.

(Authority: 38 U.S.C. 3104(a)(14))

(d) *Relatives.* Interpreter service at VA expense may not be provided by a relative of the veteran. The term *relative* has the same meaning as under § 21.374 pertaining to the use of relatives as attendants.

(Authority: 38 U.S.C. 3492)

### § 21.154 Special transportation assistance.

(a) *General.* A veteran, who because of the effects of disability has transportation expenses in addition to those incurred by persons not so disabled, shall be provided a transportation allowance to defray such additional expenses. The assistance provided in this section is in addition to provisions for interregional and intraregional travel which may be authorized under provisions of §§ 21.370 through 21.376.

(Authority: 38 U.S.C. 3104(a)(13))

(b) *Periods during which special transportation allowance may be provided.* A special transportation allowance may be provided during:

workshop, and other reasonable expenses which may be incurred in local travel;

(2) The veteran's monthly transportation allowance may not exceed the lesser of actual expenses incurred or one-half of the subsistence allowance of a single veteran in full-time institutional training, unless extraordinary arrangements, such as transportation by ambulance, are necessary to enable a veteran to pursue a rehabilitation program.

(d) *Determining the need for a transportation allowance.* The case manager will determine the need for a transportation allowance. The assistance of a medical consultant shall be utilized, as necessary, to determine the need for special transportation assistance and to develop transportation arrangements which do not unduly tax the veteran's ability to travel and pursue a rehabilitation program.

(e) *Use of a relative precluded.* A relative of the veteran may not be paid any part of a special transportation allowance. The term *relative* has the same meaning as under § 21.374 pertaining to the use of a relative as an attendant.

(Authority: 38 U.S.C. 3104(a)(13))

### § 21.155 Services to a veteran's family.

(a) *General.* VA shall provide services to a veteran's family which are necessary to the implementation of the veteran's rehabilitation plan. The term *family* includes the veteran's immediate family, legal guardian, or any individual in whose home the veteran certifies an intention to live.

(b) *Scope of services to a veteran's family.* The services which may be furnished to the family are generally limited to consultation, homecare training, counseling, and mental health services of brief duration which are designed to enable the family to cope with the veteran's needs. Extended medical, psychiatric or other services may not be furnished to family members under these provisions.

(c) *Providing services to a veteran's family.* Veteran Readiness and Employment (VR&E) Staff will:

(1) Identify services which family members may need to facilitate the rehabilitation of the veteran; and

(2) Arrange for provision of the services which have been identified.

(d) *Resources for provision of services to family members.* (1) The established program and services which are furnished by Veterans Health Administration (VHA) to family members of veterans eligible for Chapter 31 should be used to the extent practicable; but

(2) If services are not readily available through regular VHA programs, necessary services will normally be secured through arrangements with other public and nonprofit agencies.

[49 FR 40814, Oct. 18, 1984, as amended at 62 FR 17708, Apr. 11, 1997; 87 FR 8743, Feb. 16, 2022]

### § 21.156 Other incidental goods and services.

(a) *General.* Other incidental goods and services may be authorized if the case manager determines them to be necessary to implement the veteran's rehabilitation plan. For example, a calculator may be authorized for a veteran pursuing an engineering degree, even though the veteran may not be required to have a calculator for any specific subject in his or her course, where there is substantial evidence that lack of a calculator places the veteran at a distinct disadvantage in successfully pursuing the course.

(b) *Limitation on cost.* The costs of incidental goods and services normally should not exceed five percent of training costs for any twelve-month period.

(Authority: 38 U.S.C. 3104(a)(10))

## INDEPENDENT LIVING SERVICES

### § 21.160 Independent living services.

(a) *Purpose.* The purpose of independent living services is to assist eligible veterans whose ability to function independently in family, community, or employment is so limited by the severity of disability (service and nonservice-connected) that vocational or rehabilitation services need to be

## § 21.162

appreciably more extensive than for less disabled veterans.

(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)

(b) *Definitions.* The term *independence in daily living* means the ability of a veteran, without the services of others or with a reduced level of the services of others, to live and function within the veteran's family and community.

(Authority: 38 U.S.C. 3101(2))

(c) *Situations under which independent living services may be furnished.* Independent living services may be furnished:

(1) As part of a program to achieve rehabilitation to the point of employability;

(2) As part of an extended evaluation to determine the current reasonable feasibility of achieving a vocational goal;

(3) Incidental to a program of employment services; or

(4) As a program of rehabilitation services for eligible veterans for whom achievement of a vocational goal is not currently reasonably feasible. This program of rehabilitation services may be furnished to help the veteran:

(i) Function more independently in the family and community without the assistance of others or a reduced level of the assistance of others;

(ii) Become reasonably feasible for a vocational rehabilitation program; or

(iii) Become reasonably feasible for extended evaluation.

(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)

(d) *Services which may be authorized.* The services which may be authorized as part of an IILP (Individualized Independent Living Plan) include:

(1) Any appropriate service which may be authorized for a vocational rehabilitation program as that term is defined in § 21.35(i), except for a course of education or training as described in § 21.120; and

(2) Independent living services offered by approved independent living centers and programs which are determined to be necessary to carry out the veteran's plan including:

(i) Evaluation of independent living potential;

(ii) Training in independent living skills;

(iii) Attendant care;

(iv) Health maintenance programs; and

(v) Identifying appropriate housing accommodations.

(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)

(e) Coordination with other VA elements and other Federal, State, and local programs. Implementation of programs of independent living services and assistance will generally require extensive coordination with other VA and non-VA programs. If appropriate arrangements cannot be made to provide these services through VA, other governmental, private nonprofit and for-profit agencies and facilities may be used to secure necessary services if the requirements contained in § 21.294 are met.

[49 FR 40814, Oct. 18, 1984, as amended at 53 FR 50957, Dec. 19, 1988; 55 FR 42186, Oct. 18, 1990]

### § 21.162 Participation in a program of independent living services.

(a) *Approval of a program of independent living services.* A program of independent living services and assistance is approved when:

(1) The VA determines that achievement of a vocational goal is not currently reasonably feasible;

(2) The VA determines that the veteran's independence in daily living can be improved, and the gains made can reasonably be expected to continue following completion of the program;

(3) All steps required by §§ 21.90 and 21.92 of this part for the development and preparation of an Individualized Independent Living Plan (IILP) have been completed; and

(4) The Veteran Readiness and Employment (VR&E) Officer concurs in the IILP.

(Authority: 38 U.S.C. 3104(a)(15), 3109, 3120)

(b) *Considerations for the VR&E Officer.* The VR&E Officer will consider the following factors in administering programs providing independent living services:

## Department of Veterans Affairs

## § 21.180

(1) If VA resources available limit the number of veterans who may be provided a program of independent living services and assistance, the first priority shall be given to veterans for whom the reasonable feasibility of achieving a vocational goal is precluded solely as a result of service-connected disability; and

(2) To the maximum extent feasible, a substantial portion of veterans provided with programs of independent living services and assistance shall be receiving long-term care in VA medical centers and nursing homes.

### CASE STATUS

#### § 21.180 Case status system.

(a) *General.* Each veteran's case will be assigned to a specific case status from the point of initial contact until all appropriate steps in the rehabilitation process have been completed. The case status system will:

(1) Assist Veteran Readiness and Employment (VR&E) staff to fulfill its case management responsibility to provide authorized assistance to enable the veteran to successfully pursue his or her program; and

(2) Assure program management and accountability.

(Authority: 38 U.S.C. 3107)

(b) *Responsibility for change of case status.* The case manager is responsible for assigning a case to the appropriate case status at each point in the rehabilitation process.

(c) *Case manager.* The VR&E Officer or his or her designee will assign a case manager when the veteran's case is placed in *evaluation and planning* status. The VR&E Officer or his or her designee may assign case management responsibility for development and implementation of a rehabilitation plan authorized under Chapter 31 to a Counseling Psychologist (CP), Vocational Rehabilitation Counselor (VRC) or vocational rehabilitation specialist in the VR&E Division. The case manager as-

signed will, unless replaced by the VR&E Officer, continue to be responsible for case management throughout the course of the veteran's rehabilitation program. When securing medical care, treatment, and other related services, the VR&E case manager will coordinate with Veterans Health Administration (VHA) staff members who have case management responsibility for the veteran.

(Authority: 38 U.S.C. 3106(e))

(d) *Informing the veteran.* The veteran will be informed in writing of changes in case status by VA which affect his or her receipt of benefits and services under Chapter 31. The letter to the veteran will include the reason for the change of case status, and other information required under provisions of § 21.420.

(Authority: 38 U.S.C. 3107)

(e) *Normal progression for eligible veterans.* The cases of veterans who are eligible for and entitled to services under Chapter 31 for whom individualized plans have been prepared will generally undergo the following changes of status:

(1) *Individualized written rehabilitation plan.* A veteran with an IWRP (Individualized Written Rehabilitation Plan) will generally move sequentially from *applicant* status through *evaluation and planning* status, *rehabilitation to the point of employability* status, *employment services* status, and *rehabilitated* status.

(2) *Individualized extended evaluation plan.* A veteran with an IEEP (Individualized Extended Evaluation Plan) will generally move from *applicant* status through *evaluation and planning* status to *extended evaluation* status. Once in *extended evaluation* status there will generally be a finding which leads to development of an IWRP (paragraph (e)(1) of this section), or ILLP (Individualized Independent Living Plan) (paragraph (e)(3) of this section).

(3) *Individualized independent living plan.* A veteran with an ILLP (Individualized Independent Living Plan) will generally move from *applicant* status through *evaluation and planning*, *extended evaluation*, *independent living*, and *rehabilitated* status.

## § 21.182

(4) *Individualized employment assistance plan.* (i) A veteran with an IEAP (Individualized Employment Assistance Plan) which is a part of an IWRP will move through the case statuses described in paragraph (e)(1) of this section, or in some cases through the steps in paragraph (e)(2) of this section.

(ii) A veteran for whom only employment services are provided will generally move from *applicant* through *evaluation and planning, employment services to rehabilitated* status.

(Authority: 38 U.S.C. 3107)

(f) *Normal progression for ineligible veterans.* A veteran found ineligible for services under Chapter 31 will generally move from *applicant to evaluation and planning* status, to *ineligible* status.

(Authority: 38 U.S.C. 3107)

(g) *Changes of status.* The case manager may change the case status when:

(1) Conditions for change specified in the status are met;

(2) The change is not specifically precluded by the status to which change is being considered; and

(3) The change is consistent with provisions of other applicable regulations.

(Authority: 38 U.S.C. 3106)

### § 21.182 “Applicant” status.

(a) *Purpose.* The purposes of *applicant* status are to:

(1) Process a veteran’s claim for assistance under Chapter 31 in a timely manner; and

(2) Identify service-disabled veterans whom VA should contact individually to increase their awareness and understanding of how they may benefit from services furnished under Chapter 31.

(Authority: 38 U.S.C. 3102)

(b) *Assignment to applicant status.* VA will assign a veteran’s records to *applicant* status when either:

(1) VA receives a formal or informal application from a veteran for services under Chapter 31; or

## 38 CFR Ch. I (7–1–25 Edition)

(2) The Veteran Readiness and Employment (VR&E) Division:

(i) Advises a veteran in writing of the veteran’s potential eligibility for Chapter 31 services, or

(ii) Is informed that the veteran has been advised in writing of his or her potential eligibility for Chapter 31 services by other VA elements.

(Authority: 38 U.S.C. 3102(2))

(c) *Termination of applicant status.* *Applicant* status will be terminated when:

(1) An appointment for an initial evaluation has been kept by the veteran; or

(2) The veteran’s service-connected disability is reduced to a noncompensable degree; or

(3) The veteran’s service-connected disability is severed; or

(4) The veteran’s application is invalid because of fraud or error; or

(5) The veteran withdraws his or her claim, or otherwise indicates that no further assistance is desired.

(Authority: 38 U.S.C. 3106)

(d) *Transfer of terminated cases to discontinued status.* Each instance in which a veteran’s case is terminated for reasons described in paragraph (c)(4) or (5) of this section shall be placed in *discontinued* status.

### § 21.184 “Evaluation and planning” status.

(a) *Purpose.* The purpose of *evaluation and planning* status is to identify veterans for whom evaluation and planning services are needed to:

(1) Accomplish an initial evaluation as provided in §21.50;

(2) Develop an IWRP (Individualized Written Rehabilitation Plan), IEEP (Individualized Extended Evaluation Plan), IILP (Individualized Independent Living Plan) or IEAP (Individualized Employment Assistance Plan); or

(3) Reevaluate:

(i) Findings made in prior initial evaluations, or

(ii) Current or previous individualized rehabilitation plans.

(b) *Assignment to evaluation and planning* status. A veteran's records will be assigned to *evaluation and planning* status for any of the purposes specified in paragraph (a) of this section.

(c) *Termination of evaluation and planning* status. The assignment of the veteran's records to *evaluation and planning* status may be terminated under the following conditions:

(1) *Evaluation and planning completed*. The services necessary to complete evaluation and planning have been provided. These services are:

(i) Completion of an initial evaluation;

(ii) Development of an IWRP (Individualized Written Rehabilitation Plan) or other individual rehabilitation plan in those cases in which eligibility and entitlement to services provided under Chapter 31 are established; or

(iii) Completion of reevaluation of prior findings made in initial evaluation or modification of a rehabilitation plan.

(2) *Evaluation and planning not completed*. The Veteran Readiness and Employment (VR&E) Division shall make every reasonable effort to enable the veteran to complete the evaluation and planning phase of the rehabilitation process. A determination that every reasonable effort by VA has been made, and that little likelihood exists that continued efforts will lead to completion of planning and evaluation, may be made under the following conditions:

(i) The veteran writes VA and requests that his or her case be inactivated;

(ii) The veteran fails to keep scheduled appointments following his or her initial appointment; or

(iii) The veteran otherwise fails to cooperate with VA in the evaluation and planning process. If the veteran fails to cooperate, the provisions of § 21.362 are applicable.

**§ 21.186 “Ineligible” status.**

(a) *Purpose*. The purpose of *ineligible* status is to identify the cases in which a veteran requests services under Chapter 31, but the request is denied by VA, usually, on the basis of information developed when the veteran was in *evaluation and planning* status.

(Authority: 38 U.S.C. 3106)

(b) *Assignment to ineligible* status. A veteran's case will be assigned to *ineligible* status following a finding by VA that the veteran is not eligible for or entitled to services under Chapter 31. The finding must preclude all possible Chapter 31 services.

(Authority: 38 U.S.C. 3106, 3107)

(c) *Termination of ineligible* status. The assignment of the veteran's case to *ineligible* status should be terminated if the veteran thereafter becomes eligible to receive any Chapter 31 service. Placement of the case in *ineligible* status is a bar to reconsideration of eligibility unless a material change in circumstances occurs.

(Authority: 38 U.S.C. 3106)

**§ 21.188 “Extended evaluation” status.**

(a) *Purpose*. The purposes of *extended evaluation* status are to:

(2) Assure that necessary services are provided by VA during the extended evaluation.

(Authority: 38 U.S.C. 3106)

(b) *Assignment to extended evaluation* status. A veteran's case may be assigned or reassigned to *extended evaluation* status under provisions of § 21.57, § 21.74, § 21.86, § 21.94, or § 21.96.

(Authority: 38 U.S.C. 3107)

(c) *Continuation in extended evaluation* status. A veteran's case will be in *extended evaluation* status during periods in which:

(1) The veteran is pending induction into the facility at which rehabilitation services will be provided;

**§ 21.190**

**38 CFR Ch. I (7-1-25 Edition)**

(2) The veteran is receiving rehabilitation services prescribed in the IEEP (§21.86); or

(3) The veteran is on authorized leave of absence during an extended evaluation.

(Authority: 38 U.S.C. 3108)

(d) *Termination of extended evaluation status.* A veteran in *extended evaluation status* will remain in that status until one of the following events occur:

(1) Following notification of necessary arrangements to begin an extended evaluation, the date the extended evaluation begins, and instructions as to the next steps to be taken, the veteran:

(i) Fails to report and does not respond to followup contact by the case manager;

(ii) Declines or refuses to enter the program; or

(iii) Defers induction for a period exceeding 30 days beyond the scheduled date of induction, except where the deferment is due to illness or other sufficient reason;

(2) VA determines the reasonable feasibility of a vocational goal for the veteran before completion of all of the planned evaluation because the decision does not require the further evaluation;

(3) The veteran completes the extended evaluation;

(4) Either the veteran or VA interrupts the extended evaluation;

(5) Either the veteran or VA discontinues the extended evaluation; or

(6) Service-connection for the veteran's service-connected disability is severed by VA or his or her continued eligibility otherwise ceases.

(c) *Continuation in rehabilitation to the point of employability status.* A veteran will be assigned to *rehabilitation to the point of employability status* during periods in which:

(2) The veteran is receiving training and rehabilitation services prescribed in the IWRP; or

(3) The veteran is on authorized leave of absence.

(Authority: 38 U.S.C. 3104, 3108)

(d) *Termination of rehabilitation to the point of employability status* when goals of the IWRP for this period are achieved. VA will consider a veteran to have completed the period of rehabilitation to the point of employability, and will terminate this status under the following conditions:

(1) The veteran achieves the goals of, and has been provided services specified in, the IWRP;

(2) The veteran who leaves the program has completed a sufficient portion of the services prescribed in the IWRP to establish clearly that he or she is generally employable as a trained worker in the occupational objective established in the IWRP;

(3) The veteran, who has not completed all prescribed services in the IWRP, accepts employment in the occupational objective established in the IWRP with wages and other benefits commensurate with wages and benefits received by trained workers; or

(4) The veteran:

(i) Satisfactorily completes a prescribed program, the practice of which requires pursuing an examination for licensure, but

(ii) Is unable to take the licensure examination prior to the basic twelve-year termination date and there is no basis for extension of that date.

(Authority: 38 U.S.C. 3107)

(e) *Other conditions for termination of rehabilitation to the point of employability status.* In addition to termination under conditions described in paragraph (d) of this section, the classification of the veteran's records in this status may be terminated under any of the following conditions:

(i) Fails to report and does not respond to initial or subsequent followup by the case manager;

(ii) Declines or refuses to enter the program; or

(iii) Defers induction for a period exceeding 30 days beyond the scheduled beginning date of the program, except where the deferment is due to illness or other sufficient reason.

(2) Either the veteran or VA interrupts the period of rehabilitation to the point of employability;

(3) Either VA or the veteran discontinues the period of rehabilitation to the point of employability;

(4) The veteran reaches his or her termination date, and there is no basis for extension under § 21.44;

(6) Service-connection for the veteran's service-connected disability is served by VA or he or she otherwise ceases to be eligible.

(Authority: 38 U.S.C. 3107)

(f) *Payment of employment adjustment allowance.* An employment adjustment allowance will be paid when the veteran's classification in *rehabilitation to the point of employability* status is ter-

### § 21.196 "Rehabilitated" status.

(a) *Purpose.* The purpose of *rehabilitated* status is to identify those cases in which the goals of a rehabilitation program or a program of employment services have been substantially achieved.

## § 21.197

### § 21.197 “Interrupted” status.

(a) *Purpose.* The purpose of *interrupted* status is to recognize that a variety of situations may arise in the course of a rehabilitation program in which a temporary suspension of the program is warranted. In each case, VA first must determine that the veteran will be able to return to a rehabilitation program or a program of employment services following the resolution of the situation causing the interruption. This determination will be documented in the veteran’s record.

(Authority: 38 U.S.C. 3117)

(b) *Assignment to “interrupted” status.* A veteran’s case will be assigned to *interrupted* status when:

(1) VA determines that a suspension of services being provided is necessary; and

(2) Either:

(i) A definite date for resumption of the program is established; or

(ii) The evidence indicates the veteran will be able to resume the program at some future date, which can be approximately established.

(Authority: 38 U.S.C. 3110)

(c) *Reasons for assignment to “interrupted” status.* A veteran’s case may be interrupted and assigned to *interrupted* status for reasons including but not limited to the following:

(1) *Veteran does not initiate or continue rehabilitation process.* If a veteran does not begin or continue the rehabilitation process, the veteran’s case will be interrupted and assigned to *interrupted* status, including:

(i) A case in *evaluation and planning* status;

(ii) A case in *extended evaluation* status;

(iii) A case in *rehabilitation to the point of employability* status;

(iv) A case in *independent living program* status; or

(v) A case in *employment services* status.

(2) *Unsatisfactory conduct and cooperation.* If a veteran’s conduct or cooperation becomes unsatisfactory, services and assistance may be interrupted as determined under provisions of §§ 21.362 and 21.364.

(3) *Services not available.* The veteran cannot continue the program because the necessary training and rehabilitation services are unavailable.

(4) *Prior to assignment to “discontinued” status.* A veteran’s case shall be assigned to *interrupted* status prior to discontinuance and assignment to *discontinued* status in all cases except as provided in § 21.182(d) and upon the veteran’s death. The purpose of assignment to *interrupted* status is to assure that all appropriate actions have been taken to help the veteran continue in his or her program before discontinuing benefits and services.

(5) *Absences.* The veteran is not entitled to be placed on authorized absence under §§ 21.340 through 21.350 while in interrupted status.

(Authority: 38 U.S.C. 3111)

(d) *Reentrance from “interrupted” status.* (1) A veteran in *interrupted* status may be assigned to his or her prior status or other appropriate status, if he or she reports for entrance or reentrance into the prescribed program at the time and place scheduled for the resumption of the rehabilitation program.

(2) If a veteran in *interrupted* status fails to report for entrance or reentrance into the program at the appointed time and place, the veteran’s case will remain in *interrupted* status. The case manager will then determine whether there is a satisfactory reason for the veteran’s failure to enter a new or reenter the prior program. If the evidence of record does not establish a satisfactory reason, the veteran’s case will be discontinued and assigned to *discontinued* status.

(e) *Case management responsibility during a period of interruption.* The case manager shall maintain contact with the veteran during *interruption* and shall arrange for appropriate medical or other services the veteran needs to be able to enter or reenter a rehabilitation program or a program of employment services.

## § 21.198

## 38 CFR Ch. I (7–1–25 Edition)

### § 21.198 “Discontinued” status.

(a) *Purpose.* The purpose of *discontinued* status is to identify situations in which termination of all services and benefits received under Chapter 31 is necessary.

(b) *Placement in “discontinued”.* VA will discontinue the veteran’s case and assign the case to *discontinued* status following assignment to *interrupted* status as provided in § 21.197 for reasons including but not limited to the following:

(1) *Veteran declines to initiate or continue rehabilitation process.* If a veteran does not initiate or continue the rehabilitation process and does not furnish an acceptable reason for his or her failure to do so following assignment to *interrupted* status, the veteran’s case will be discontinued and assigned to *discontinued* status. This includes:

- (i) A case in *applicant* status;
- (ii) A case in *evaluation and planning* status;
- (iii) A case in *extended evaluation* status;
- (iv) A case in *rehabilitation to the point of employability* status;
- (v) A case in *independent living program* status;
- (vi) A case in *employment services* status; or
- (vii) A case in *interrupted* status;

(2) *Unsatisfactory conduct and cooperation.* When a veteran’s conduct or cooperation becomes unsatisfactory, services and assistance may be discontinued and assigned to *discontinued* status as determined under provisions of §§ 21.362 and 21.364.

(3) *Eligibility and entitlement.* Unless the veteran desires employment assistance, the veteran’s case will be discontinued and assigned to *discontinued* status when:

- (i) The veteran reaches the basic twelve-year termination date, and there is no basis for extension; or
- (ii) The veteran has used 48 months of entitlement under one or more VA programs, and there is no basis for extension of entitlement.

(4) *Medical and related problems.* A veteran’s case will be discontinued and assigned to *discontinued* status when:

- (i) The veteran will be unable to participate in a rehabilitation program because of a serious physical or emo-

tional problem for an extended period; and

- (ii) VA medical staff are unable to estimate an approximate date by which the veteran will be able to begin or return to the program.

(5) *Withdrawal.* Veteran voluntarily withdraws from the program.

(6) *Failure to progress.* The veteran’s case will be discontinued and assigned to *discontinued* status if his or her failure to progress in a program is due to:

- (i) Continuing lack of application by the veteran unrelated to any personal or other problems; or
- (ii) Inability of the veteran to benefit from rehabilitation services despite the best efforts of VA and the veteran.

(Authority: 38 U.S.C. 3108, 3111)

(7) *Special review of proposed discontinuance action.* The Veteran Readiness and Employment (VR&E) Officer shall review each case in which discontinuance is being considered for a veteran with a service-connected disability rated 50 percent or more disabling. The VR&E Officer may utilize existing resources to assist in the review, including referral to the Vocational Rehabilitation Panel (VRP).

(Authority: 38 U.S.C. 3104(a)(1))

(c) *Termination of “discontinued” status.* Except as noted in paragraph (c)(3) of this section assignment of the veteran’s case to the same status from which the veteran was discontinued or to a different one requires that VA first find:

- (1) The reason for the discontinuance has been removed; and
- (2) VA has redetermined his or her eligibility and entitlement under Chapter 31.

(3) In addition to the criteria described in paragraphs (c) (1) and (2) of this section a veteran placed into *discontinued* status as a result of a finding of unsatisfactory conduct or cooperation under §§ 21.362 and 21.364 must also meet the requirements for reentrance into a rehabilitation program found in § 21.364.

(Authority: 38 U.S.C. 3111)

(d) *Follow-up of a cases placed in “discontinued” status.* VA shall establish

appropriate procedures to follow up on cases which have been placed in *discontinued* status, except in those cases re-assigned from *applicant* status. The purpose of such followup is to determine if:

(1) The reasons for discontinuance may have been removed, and reconsideration of eligibility and entitlement is possible; or

(2) The veteran is employed, and criteria for assignment to *rehabilitated* status are met.

#### SUPPLIES

##### § 21.210 Supplies.

(a) *Purpose of furnishing supplies.* Supplies are furnished to enable a veteran to pursue rehabilitation and achieve the goals of his or her program.

(b) *Definition.* The term *supplies* includes books, tools, and other supplies and equipment which VA determines are necessary for the veteran's rehabilitation program.

(c) *Periods during which supplies may be furnished.* Supplies may be furnished during:

- (1) Extended evaluation;
- (2) Rehabilitation to the point of employability;
- (3) Employment services; and
- (4) An independent living services program.

(Authority: 38 U.S.C. 3104(a))

(d) *Supplies precluded.* Notwithstanding the provisions of paragraph (c) of this section, supplies may not be furnished to a veteran who has elected, or is in receipt of, payment at the educational assistance rate paid under Chapter 34.

(Authority: 38 U.S.C. 3108(a))

##### § 21.212 General policy in furnishing supplies during periods of rehabilitation.

(a) *Furnishing necessary supplies during a period of rehabilitation services.* A

veteran will be furnished supplies that are necessary for a program of rehabilitation services. For example, a veteran training in a school will be furnished the supplies needed to pursue the school course. If additional supplies are subsequently needed to secure employment, they will be furnished during the period of employment services as provided in § 21.214(d).

(b) *Determining supplies needed during a period of rehabilitation.* Subject to the provisions of §§ 21.210 through 21.220, VA will authorize only those supplies which are required:

(1) To be used by similarly circumstanced non-disabled persons in the same training or employment situation;

(2) To mitigate or compensate for the effects of the veteran's disability while he or she is being evaluated, trained or assisted in gaining employment; or

(3) To allow the veteran to function more independently and thereby lessen his or her dependence on others for assistance.

(c) *When supplies may be authorized.* Supplies should generally be authorized subsequent to the date of enrollment in training or beginning date of other rehabilitation services unless there are compelling reasons to authorize them earlier. Supplies may not be authorized earlier than the date the veteran's rehabilitation plan is approved by VA and the veteran is accepted by the facility or individual providing services.

(d) *Supplies needed, but not specifically required.* VA may determine that an item, such as a calculator, while not required by the school for the pursuit of a particular school subject, is nevertheless necessary for the veteran to successfully pursue his or her program under the provisions of § 21.156 pertaining to incidental goods and services. The item may be authorized if:

- (1) It is generally owned and used by students pursuing the course; and
- (2) Students who do not have the item would be placed at a distinct disadvantage in pursuing the course.

(e) *Supplies for special projects and theses.* The amount of supplies that VA may authorize for special projects, including theses, may not exceed the amount generally needed by similarly

circumstanced nonveterans in meeting course or thesis requirements.

(Authority: 38 U.S.C. 3104(a))

(f) *Responsibility for authorization of supplies.* The case manager is responsible for the authorization of supplies, subject to requirements for prior approval contained in § 21.258 and other instructions governing payment of program charges.

(Authority: 38 U.S.C. 3106(e))

### § 21.214 Furnishing supplies for special programs.

(a) *General.* A veteran pursuing one of the following types of vocational rehabilitation programs is eligible for any types of supplies listed in § 21.212. The following paragraphs clarify the applicability of the general provisions of § 21.212 to these special situations.

(b) *Supplies furnished to veterans pursuing training in the home.* VA may furnish to veterans training in the home:

(1) Books, tools, and supplies which schools or training establishments that train individuals outside the home for the objective the veteran is pursuing at home ordinarily require all students and trainees to personally possess;

(2) Supplies and equipment which are essential to the prescribed course of training because the veteran is pursuing the course at home. Equipment in this category consists of items which ordinarily are not required by a school or training establishment;

(3) Special equipment, such as a vise or drafting table;

(4) Supplies needed to enable the veteran to function more independently in his or her home and community.

(Authority: 38 U.S.C. 3104(a))

(c) *Supplies furnished to a veteran in farm cooperative training.* The books and related training supplies which VA may furnish a veteran in farm cooperative training depend upon the type of instruction he or she is receiving:

(1) When organized, group instruction is part of a veteran's course, VA will furnish those books and supplies which the school requires all students in the

school portion of the course to own personally or on a rental basis;

(2) When all instruction is given on the veteran's farm by an individual instructor, VA will furnish to a student only those textbooks and other supplies which would ordinarily be required by a school.

(Authority: 38 U.S.C. 3104(a)(7))

(d) *Obtaining and maintaining employment.* A veteran being furnished employment services may receive supplies which:

(1) The employer requires similarly circumstanced nonveterans to own upon beginning employment to the extent that the items were not furnished during the period in which the veteran was training for the objective, or the items that were furnished for training purposes are not adequate for employment;

(2) VA determines that special equipment is necessary for the veteran to perform his or her duties, subject to the obligation of the employer to make reasonable accommodation to the disabling effects of the veteran's condition.

(Authority: 38 U.S.C. 3104(a), 4212)

(e) *Self-employment.* The supplies and related assistance which may be furnished, subject to the requirements prescribed under §§ 21.257 and 21.258, to a veteran for whom self-employment has been approved as the occupational objective, are generally limited to those necessary to begin operations:

(1) Minimum stocks of materials, e.g., inventory of saleable merchandise or goods, expendable items required for day-to-day operations, and items which are consumed on the premises;

(2) Essential equipment, including machinery, occupational fixtures, accessories, and appliances; and

(3) Other related assistance such as business license fees.

(Authority: 38 U.S.C. 3104(a)(12))

(f) *Supplies and related assistance which may not be furnished for self-employment.* VA may not authorize assistance for:

(1) Purchase of, or part payment for, land and buildings;

### §21.216 Special equipment.

(a) *General.* Special equipment should be authorized as necessary to enable a veteran to mitigate or overcome the effects of disability in pursuing a rehabilitation program. The major types of special equipment which may be authorized include:

(1) *Equipment for educational or vocational purposes.* This category includes items which are ordinarily used by nondisabled persons pursuing evaluation or training, modified to allow for use by disabled persons. e.g., calculators with speech capability for blinded persons.

(2) *Sensory aids and prostheses.* This category includes items which are specifically designed to mitigate or overcome the effects of disability. They range from eyeglasses and hearing aids to closed-circuit TV systems which amplify reading material for veterans with severe visual impairments.

(3) *Modifications to improve access.* This category includes adaptations of environment not generally associated with education and training, such as adaptive equipment for automobiles or supplies necessary to modify a veteran's home to make either training or self-employment possible.

(Authority: 38 U.S.C. 3104(a))

(b) *Coordination with other VA elements in securing special equipment.* In any case in which the veteran needs special equipment and is eligible for such equipment under other VA programs, such as medical care and treatment at VA medical centers, the items will be secured under that program. The veteran must be found ineligible for needed special equipment under other programs and benefits adminis-

tered by VA before the item may be authorized under Chapter 31.

(Authority: 38 U.S.C. 3115)

### §21.218 Methods of furnishing supplies.

(a) *Supplies furnished by the school or facility.* VA will make arrangements for the school or other facility furnishing a veteran training, rehabilitation assistance, or employment under Chapter 31 to provide supplies to the extent practicable. This method is the one most likely to assure that supplies are available and can be secured expeditiously. A facility may be considered to be furnishing supplies when the facility itself is the supplier, or the facility has designated a supplier. Prior authorization of supplies by the case manager is required, except for standard sets of books, tools, or supplies which the facility requires all trainees or employees to have.

(b) *Issuance of supplies not furnished by the facility.* VA will issue authorized supplies directly to the veteran, if the supplies are not furnished by the facility providing training, rehabilitation services, or employment.

(Authority: 38 U.S.C. 3104(a))

CROSS REFERENCE: See 48 CFR part 331. Contract cost principles and procedures.

### §21.219 Supplies consisting of clothing, magazines and periodicals, and items which may be personally used by the veteran.

(a) *Furnishing protective articles and clothing.* Protective articles or apparel worn in place of ordinary clothing will be furnished at VA expense, when the school or training establishment requires similarly circumstanced non-veterans to use the articles of apparel. No other clothing will be supplied.

(b) *Furnishing magazines and periodicals.* Appropriate past issues of magazines, periodicals, or reprints may be furnished in the same manner as text material, when relevant to the course or training.

(c) *Furnishing items which may be personally used.* Musical instruments, cameras, or other items which could be used personally by the veteran may

## § 21.220

only be furnished if required by the facility to meet requirements for degree or course completion.

(Authority: 38 U.S.C. 3104(a)(7))

### § 21.220 Replacement of supplies.

(a) *Lost, stolen, misplaced or damaged supplies.* VA will replace articles which are necessary to further pursuit of the veteran's program and which are lost, stolen, misplaced, or damaged beyond repair through no fault of the veteran;

(1) VA will make an advancement from the Vocational Rehabilitation Revolving Fund to a veteran to replace articles for which VA will not pay, if the veteran is without funds to pay for them;

(2) If a veteran refuses to replace an article indispensable to the program after VA determines that its loss or damage was his or her fault, the veteran's refusal may be considered as noncooperation under § 21.364;

(3) If the veteran's program is discontinued under provisions of § 21.364(b), he or she will be reentered into the program only when he or she replaces the necessary articles.

(Authority: 38 U.S.C. 3104(a))

(b) *Personally purchased supplies.* VA will not generally reimburse a veteran who personally buys supplies. VA may pay for the required supplies which a training facility or other vendor sells to a veteran, if the facility chooses to return to the veteran the amounts he or she paid, so that the charges stand as an unpaid obligation of VA to the facility. If the facility does not agree to such an arrangement, VA may still pay the veteran, if the facts and equities of the case are demonstrated.

(Authority: 38 U.S.C. 3115)

(c) *Supplies used in more than one part of the program.* Except as provided in paragraph (a) of this section, VA will generally furnish any nonconsumable supplies only one time, even though the same supplies may be required for use by the veteran in another subject or in another quarter, semester, or school year.

(Authority: 38 U.S.C. 3104(a)(7))

## 38 CFR Ch. I (7–1–25 Edition)

### § 21.224 Prevention of abuse.

Supplies are to be furnished under the most careful checks by the case manager as to what is needed by the veteran to pursue his or her program. Determinations of the supplies needed to enable the veteran to successfully pursue his or her rehabilitation program are made under the provisions of §§ 21.210 through 21.220.

(Authority: 38 U.S.C. 3104, 3111)

### § 21.240 Medical treatment, care and services.

(a) *General.* A Chapter 31 participant shall be furnished medical treatment, care and services which VA determines are necessary to develop, carry out and complete the veteran's rehabilitation plan. The provision of such services is a part of the veteran's entitlement to benefits and services under Chapter 31, and is limited to the period or periods in which the veteran is a Chapter 31 participant.

(Authority: 38 U.S.C. 3104, 3107)

(b) *Scope of services.* The services which may be furnished under Chapter 31 include the treatment, care and services described in part 17 of this title. In addition the following services may be authorized under Chapter 31 even if not included or described in part 17:

(1) Prosthetic appliances, eyeglasses, and other corrective or assistive devices;

(2) Services to a veteran's family as necessary for the effective rehabilitation of the veteran;

(3) Special services (including services related to blindness and deafness) including:

(c) *Eligibility.* A veteran is eligible for the services described in paragraph (b) of this section during periods in which

## Department of Veterans Affairs

## § 21.250

he or she is considered a Chapter 31 participant. These periods include:

- (1) Initial evaluation;
- (2) Extended evaluation;
- (3) Rehabilitation to the point of employability;
- (4) Independent living services program;
- (5) Employment services; and
- (6) Other periods to the extent that services are needed to begin or continue in any of the statutes described in paragraphs (c)(1) through (5) of this section. Such periods include but are not limited to services needed to facilitate reentry into rehabilitation following:
  - (i) Interruption; or
  - (ii) Discontinuance because of illness or injury.

(Authority: 38 U.S.C. 3104)

CROSS REFERENCE: See §17.48(g). Participating in a rehabilitation program under Chapter 31.

### § 21.242 Resources for provision of treatment, care and services.

(a) *General.* VA medical centers are the primary resources for the provision of medical treatment, care and services for Chapter 31 participants which may be authorized under the provisions of §21.240. The availability of necessary services in VA facilities shall be ascertained in each case.

(Authority: 38 U.S.C. 3115)

(b) *Hospital care and medical service.* Hospital care and medical services provided under Chapter 31 shall only be furnished in facilities over which VA has direct jurisdiction, except as authorized on a contract or fee basis under the provisions of part 17 of this title.

### EMPLOYMENT SERVICES

### § 21.250 Overview of employment services.

(a) *General.* Employment services shall be provided if:

- (1) Eligibility for employment services exists;

(2) The employment services which are needed have been identified; and

(3) The services which have been identified are incorporated in the veteran's IWRP (Individualized Written Rehabilitation Plan) or IEAP (Individualized Employment Assistance Plan).

(Authority: 38 U.S.C. 3107, 3117)

(b) *Definitions.* (1) The term *program (period) of employment services* includes the counseling, medical, social, and other placement and postplacement services provided to a veteran under 38 U.S.C. Chapter 31 to assist the veteran in obtaining or maintaining suitable employment. The term *program of employment services* is used only if the veteran's eligibility under Chapter 31 is limited to employment services.

(2) The term *job development* means a comprehensive professional service to assist the individual veteran to actually obtain a suitable job, and not simply the solicitation of jobs on behalf of the veteran. Continuing and mutually beneficial relationships with employers should be established by VA staff through referral of suitable employees and supportive services (e.g., adjustment counseling and job modification). Job development activities by VA staff are intended to provide disabled workers with a chance for suitable employment with cooperating employers.

(3) The term *employable* means the veteran is able to secure and maintain employment in the competitive labor market or in a sheltered workshop or other special situation at the minimum wage.

(Authority: 38 U.S.C. 3101, 3106, 3116, 3117)

(c) *Determining eligibility for, and the extent of, employment services.* (1) A veteran's eligibility for employment services shall be determined under the provisions of §21.47;

(2) The duration of the period of employment services is determined under provisions of §21.73;

(3) An IEAP (Individualized Employment Assistance Plan) shall be prepared under provisions of §21.88;

## § 21.252

(4) A veteran shall be placed in and removed from "Employment Assistance Status" under provisions of § 21.194.

(2) Utilization of the job development and placement services of:

(i) DVOP (Disabled Veterans Outreach Program) specialists;

(iv) The Office of Personnel Management; and

(v) The services of any other public, or nonprofit organization having placement services available; and

(vi) Any for-profit agency in a case in which it has been determined that comparable services are not available through public and nonprofit agencies and comparable services cannot be provided cost-effectively by the public and nonprofit agencies listed in this paragraph.

(Authority: 38 U.S.C. 3117(a)(2))

(b) *Promotion of employment and training opportunities.* As funding permits, VA employees engaged in the administration of Chapter 31 will promote the establishment of employment, training, and related opportunities to accomplish the purposes described in § 21.1.

(Authority: 38 U.S.C. 3101)

(c) *Advocacy responsibility.* VA shall take reasonable steps to ensure that a veteran being provided employment services receives the benefit of any applicable provision of law or regulation providing for special consideration or emphasis or preference of the veteran in employment or training, especially programs and activities identified in

the preceding paragraphs of this section.

(Authority: 38 U.S.C. 523)

### § 21.254 Supportive services.

(c) *Individuals with service-connected disability(ies) trained for self-employment under a State rehabilitation agency.* An

individual with service-connected disability(ies) who has trained for self-employment under a State rehabilitation agency may be provided supplemental equipment and initial stocks and supplies similar to the materials supplied under 38 U.S.C. chapter 31 to individuals with the most severe service-connected disability(ies) who require self-employment as defined in § 21.257(b) if VA determines that the following conditions are met:

(1) The individual is eligible for employment assistance under the provisions of § 21.47;

(2) Evidence of record indicates that the individual has successfully completed training for a self-employment program under a State rehabilitation agency;

(3) No other non-VA sources of assistance are known to be available for the individual to complete his or her self-employment program; and

(4) The individual meets the requirements of the definition in § 21.257(b).

#### § 21.256 Incentives for employers.

(a) *General.* VA may make payments to employers to enable a veteran who has been rehabilitated to employability to begin and maintain employment or to provide on-job training. The purpose of such payment is to facilitate the placement of veterans who are generally qualified for employment but may lack some specific training or work experience which the employer requires or who are difficult to place due to their disability. The specific conditions which must be met before this option may be considered are contained in paragraphs (b) through (d) of this section.

(b) *Requirements for payments to employers.* Payments may be made to employers to provide on-job training or to begin and maintain employment if all of the following conditions are met:

(1) The veteran is in need of an on-job training situation or is generally qualified for employment but such on-job situation or employment opportunity

is not otherwise available despite repeated and intensive efforts on the part of VA and the veteran to secure such opportunities. These conditions are also considered to be met when:

(i) There are few employers within commuting distance of the veteran's home who can provide a training or employment opportunity consistent with the veteran's plan; and

(ii) The veteran reasonably could not be required to seek on-job or employment opportunities in other areas due to the effects of his or her disability, family situation, or other pertinent factors; and

(iii) The available local employers will only provide a training or employment opportunity if VA agrees to reimburse for direct expenses to the degree permitted under this section.

(2) The training establishment or employer is in compliance with provisions of § 21.292 (a) and (b), pertaining to the approval of courses and facilities.

(3) VA entered into an agreement with the employer in writing prior to the beginning of the period of on-job training or employment, whereby the employer will be reimbursed for direct expenses approved under provisions of paragraph (c) of this section.

(4) The on-job training program or employment of the veteran does not displace a current employee or prevent the recall of a laid-off employee.

(c) *Limitation on payment.* Payments to the employer may be made only for the employer's direct expenses as a result of hiring the veteran and generally may not exceed one-half of the wage paid to other employees in the same or similar job. Direct expenses include:

(1) Instruction;

(2) Instructional aids;

(3) Training materials and supplies provided to the veteran;

(4) Minor modification of equipment to the special limitations of the veteran;

(5) Significant loss of productivity of the employer caused by using the veteran as opposed to a nondisabled employee.

(d) *Duration.* The period for which the employer is paid may not exceed the period necessary to accomplish on-job training or to begin and maintain employment at the journeyman level for

§ 21.257

38 CFR Ch. I (7-1-25 Edition)

at least 2 months. The period for which payment may be authorized may not exceed 9 months, unless the Veteran Readiness and Employment (VR&E) Officer, approves a longer period.

(e) *Benefits and services.* (1) An eligible veteran on whose behalf payments are made to the employer shall be provided all other Chapter 31 benefits and services furnished to other veterans receiving employment services. A veteran may not be paid a subsistence allowance during the period in which job training or work experience is furnished under this section.

(2) Notwithstanding any other provisions of these regulations, if the program in which the veteran is participating meets the criteria for approval of on-job training under chapter 30, the veteran may be paid at educational assistance rates provided for this type of training under chapter 30 to the extent that he or she has remaining eligibility and entitlement under chapter 30 and has elected to receive a subsistence allowance in accordance with § 21.7136.

(Authority: 38 U.S.C. 3108(f), 3116(b))

(f) *Non-duplication.* VA will not make payments under the provisions of this section to an employer receiving payments from any other program for the same training or employment expenses.

(Authority: 38 U.S.C. 3116(b))

§ 21.257 Self-employment.

(a) *Approval of self-employment as a vocational goal.* A program of vocational rehabilitation benefits and services may include self-employment for an individual if VA determines that such an objective is a suitable vocational goal. VA will make this determination based on—

- (1) The results of the individual's initial evaluation conducted in accordance with the provisions of § 21.50; and
- (2) The provisions of this section.

(Authority: 38 U.S.C. 3104(a))

(b) *Definition.* For purposes of this subpart, *individuals with the most severe service-connected disability(ies) who re-*

*quire self-employment* means individuals who have been determined by VA to have limitations affecting employability arising from the effects of each individual's service-connected disability(ies), which are so severe as to necessitate selection of self-employment as the only reasonably feasible vocational goal for the individuals.

(Authority: 38 U.S.C. 3104)

(c) *Scope of self-employment benefits and services.* (1) VA may provide the self-employment services listed in paragraph (d) of this section to program participants who are pursuing the vocational goal of self-employment.

(2) VA may provide the more extensive services listed in paragraph (e) of this section to individuals with the most severe service-connected disability(ies) who require self-employment.

- (2) A cost analysis specifying the amount and types of assistance that VA will provide;
- (3) A market analysis for the individual's proposed services or products;

(2) Fully accept the obligation to give the training or rehabilitation services in all parts of the plan which call for the facility's participation;

(3) Provide courses or services which:

(i) Meet the customary requirements in the locality for employment in the occupation in which training is given when employment is the objective of the program; and

(ii) Meet the requirements for licensure or permit to practice the occupation, if such is required;

(4) Agree:

(i) To cooperate with VA, and

(ii) To provide timely and accurate information covering the veteran's attendance, performance, and progress in training in the manner prescribed by VA.

(i) Evaluate independent living potential;

(ii) Provide a program of independent living services to veterans for whom an ILLP (Individualized Independent Living Plan) has been developed; or

(iii) Provide independent living services to veterans as part of an IWRP (Individualized Written Rehabilitation Plan) or an IEEP (Individualized Extended Evaluation Plan).

(2) VA may use public and nonprofit agencies and facilities to furnish independent living services. Public and nonprofit facilities may be:

(i) Veterans Health Administration (VHA) facilities that provide independent living services;

(ii) Facilities which meet standards established by the State rehabilitation agency for rehabilitation facilities or for providers of independent living services;

(iii) Facilities which are neither approved nor disapproved by the State rehabilitation agency, but are determined by VA as able to provide the services necessary in an individual veteran's case.

(3) VA also may use for-profit agencies and organizations to furnish programs of independent living services only if services comparable in effectiveness to those provided by for-profit agencies and organizations:

(i) Are not available through public or nonprofit agencies or VHA; or

(ii) Cannot be obtained cost-effectively from public or nonprofit agencies or VHA.

(4) In addition to the criteria described in paragraph (b)(3)(i) of this section for public and private nonprofit agencies; for-profit agencies and organizations must meet any additional standards established by local, state (including the State rehabilitation agency), and Federal agencies which are applicable to for-profit facilities and agencies offering independent living services.

(Authority: 38 U.S.C. 3115, 3120)

(c) *Use of facilities.* VA policy shall be to use VA facilities, if available, to provide rehabilitation services for veterans in a rehabilitation program under chapter 31. Non-VA facilities may be used to provide rehabilitation services only when necessary services are not readily available at a VHA facility. This policy shall be implemented in accordance with the provisions of paragraph (b) of this section in the case of the use of for-profit facilities to provide programs of independent living services, or in the case of employment services, provision of such services by non-VA sources is permitted under § 21.252.

## Department of Veterans Affairs

## § 21.296

(e) *Relatives.* Relatives of the veteran may not be selected to provide services, even if otherwise qualified, unless such use is specifically permitted by VA regulation governing provision of the service. Selection of a training or rehabilitation facility owned by the veteran or a relative, or in which the veteran or a relative of the veteran has an interest is precluded, except for selection of a farm as provided in § 21.298. The term relative has the same meaning as in § 21.374.

(f) *Contracts or agreements required.* The Department of Veterans Affairs will negotiate formal contracts for reimbursement to providers of services as required by § 21.262. However, a letter contract will be effected immediately to permit the induction of the veteran into a program if:

(1) The veteran is immediately entered into a school with which a contract is required;

(2) The veteran's rehabilitation plan will be jeopardized by withholding services until a contract can be completed; and

(3) There are no known reasons to indicate that a contract may not be completed in a reasonable time.

(Authority: 38 U.S.C. 3115)

(g) *Training outside the United States.* VA may only use those facilities and courses outside the United States to provide training under Chapter 31 which meet requirements for approval under §§ 21.4250(c) and 21.4260. The conditions under which training outside the United States may be approved are contained in § 21.130.

(Authority: 38 U.S.C. 3114)

(h) *Flight training.* Flight training may only be provided in educational institutions which offer a standard college degree. The specific conditions under which flight training may be approved are contained in § 21.134.

(Authority: 38 U.S.C. 3115)

(i) *Additional consideration.* The case manager will consider the veteran's preference for a particular training or rehabilitation facility but VA has final

responsibility for selection of the facility.

**§ 21.298 Selecting a farm.**

(a) *Control of the farm—farm operator.* A farm selected for farm cooperative training must be under the control of the veteran by ownership, lease or other written tenure arrangement. If the veteran does not own the farm, the lease or other written agreement shall:

(8) Provide for the landowner or lessor to share the costs of improved practices put into effect in proportion to the returns he or she will receive from such practices.

(b) *Farms on which more than one person trains—farm operator.* If a veteran in training is a partner of another person or if more than one person is involved in operating the farm, the farm shall be of such size and character that the farm:

(1) Together with the instruction part of the course will occupy the full time of the veteran; and

(2) Meets all requirements of paragraph (a) of this section.

### § 21.299 Use of Government facilities for on-job training or work experience at no or nominal pay.

(a) *Types of facilities which may be used to provide training.* Notwithstanding any other provision of regulations governing chapter 31, the facilities of any agency of the United States or of any State or local government receiving Federal financial assistance may be used to provide training or work experience at no or nominal pay as all or part of the veteran's program of vocational training under §§ 21.123, 21.294, and 21.296 of this part. The Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) and case manager must determine that the training work experience is necessary to accomplish vocational rehabilitation and providing such training or work experience is in the best interest of the veteran and the Federal government.

(Authority: 38 U.S.C. 3115, Pub. L. 100-689)

(b) *Employment status of veterans.* (1) While pursuing on-job training or work experience in a facility of the United States, a veteran:

(Authority: 38 U.S.C. 101(20))

(2) The term *local government agency* means an administrative subdivision of a government including a county, municipality, city, town, township, public authority, district, school district, or other such agency or instrumentality of a local government.

(3) The term *Federal financial assistance* means the direct or indirect provision of funds by grant, loan, contract, or any other arrangement by the Federal government to a State or local government agency.

(d) *Additional considerations in providing on-job training and work experience in State and local government agencies.* (1) The veteran's progress and adjustment in a rehabilitation program conducted wholly or in part at a State or local government agency shall be closely monitored by Veteran Readiness and Employment (VR&E) staff members to assure that:

(i) Training and rehabilitation services are provided in accordance with the veteran's rehabilitation plan. The plan shall provide for:

(A) Close supervision of the veteran's progress and adjustment by the case manager during the period he or she is at the State or local government agency; and

### RATE OF PURSUIT

#### § 21.310 Rate of pursuit of a rehabilitation program.

(a) *Programs offered at educational institutions.* This section provides policy for determining the full-time and part-time rate of pursuit of a rehabilitation program by a veteran whose ability to pursue a program has not been reduced by the effects of disability.

(1) *Measuring full and part-time training.* VA will measure the full-time and part-time rate of pursuit of training offered at educational institutions according to the criteria found in §§ 21.4270 through 21.4275, except as provided in paragraphs (a) (2) and (3) of this section.

(2) *Independent study course.* (i) For certain seriously disabled veterans described in subdivision (i)(A) of this subparagraph VA may measure the veteran's enrollment:

(A) In an independent study course as half-time or greater training, or

(B) Both in independent study subjects and subjects requiring class attendance on the basis of the combined training load when the number of credit hours of independent study equals or exceeds the number of other credit hours.

(ii) To qualify for measurement described in paragraph (a)(2)(i) of this section:

(A) The seriously disabled veteran must have a disability or circumstances which preclude regular attendance at an institution of higher learning, and

(B) Independent study must be a sound method for providing the training necessary for restoring the veteran's employability.

(iii) In all other cases VA will measure independent study according to the provisions of § 21.4280.

(3) *Special school.* If training is pursued in a special school, such as those

for persons with visual or hearing disabilities, the rate of pursuit will be measured under §§ 21.2470 through 21.4275 unless it is the established policy of the school to measure the rate of pursuit for full-time or particular level or part-time training based upon fewer semester, credit, or clock hours of attendance than prescribed in these regulations.

(4) *Farm cooperative.* If training in a farm cooperative program is provided by an educational institution, the rate of pursuit shall be determined the same as under § 21.4270 for that type of training.

(5) *Course offered under contract.* When a school or other entity furnishes all or part of a vocational rehabilitation program under contract with another school, VA will measure the course or courses as appropriate for the school or other entity actually providing the training.

(b) *Education or training not furnished by an educational institution.* The following types of training which are not furnished by an educational institution (§ 21.35(k)(3)) may only be pursued full-time:

(1) *On-job training.* Full-time training in an on-job program is the lesser of the number of hours in the prevailing workweek for:

(i) Journeyman employees in the same job categories at the establishment where training is being provided;

(ii) Other persons in on-job training for the same or similar occupations at the facility where the veteran is training or at other facilities in the locality.

(2) *Farm cooperative training.* If training in a farm cooperative program is provided by an individual instructor, the full-time rate of pursuit must meet the requirements of § 21.126.

(3) *Independent instructor.* The full-time rate of pursuit for a veteran in an independent instructor program must meet the requirements of § 21.146.

(4) *Training in the home.* The full-time rate for a training program provided in the veteran's home must meet the requirements of § 21.146.

(5) *Vocational course in a rehabilitation facility or sheltered workshop.* A vocational course of training offered by a rehabilitation facility or sheltered

**Department of Veterans Affairs**

**§21.312**

workshop (§21.35(k) (5) and (6)), will be measured under provisions of §21.4270(b) for trade or technical non-accredited courses, unless it is the established policy of the facility to measure the rate of pursuit for full-time or a particular level of part-time training based upon fewer clock hours of attendance than provided in that regulation.

(c) *Combination and cooperative programs.* The rate of pursuit of a program which combines institutional training and on job training will be measured as follows:

(1) The institutional part will be assessed under §§21.4270 through 21.4275, and

(2) The on-the-job part will be assessed under paragraph (b)(1) of this section.

(d) *Rehabilitative services.* Measurement of the rate of pursuit for veterans in programs consisting primarily of services designed to evaluate and improve physical and psychological functioning will be assessed under this paragraph.

(1) The services assessed under this paragraph include:

(i) Evaluation and improvement of the rehabilitation potential of a veteran for whom attainment of a vocational goal is reasonably feasible;

(ii) Extended evaluation to determine whether attainment of a vocational goal is reasonably feasible; or

(iii) A program of independent living services to enable a veteran to function more independently in his or her family and community when attainment of a vocational goal is not reasonably feasible.

(2) Measurement of the rate of pursuit for services and programs named in paragraph (d)(1) of this section will be:

(i) As provided in paragraph (a) of this section for services furnished by educational institutions; or

(ii) According to the noneducational facility's customary criteria for full-time and part-time pursuit. If the facility does not have established criteria for full-time and part-time pursuit, or services are being provided by more than one facility, the rate of pursuit will be assessed in the following manner:

Rate of pursuit	Clock hours per month
Full-time .....	120 or more.
Three-quarter time <sup>1</sup> .....	90-119.
Half-time <sup>1</sup> .....	60-89.
Quarter-time <sup>1</sup> .....	30-59.

<sup>1</sup> Extended evaluation and independent living.

(Authority: 38 U.S.C. 3108(d))

**§21.312 Reduced work tolerance.**

(a) *General.* VA will consider that a veteran with reduced work tolerance is pursuing a rehabilitation program full-time when the amount of time the veteran is devoting to his or her program is as great as the effects of his or her disability (service and nonservice-connected) will permit.

(b) *Pursuit of a program.* A veteran with reduced work tolerance may pursue a rehabilitation program when the following conditions are met:

(1) Reduced work tolerance has been determined.

(2) Achievement of the goals of the program are reasonably feasible;

(3) The IWRP (Individualized Written Rehabilitation Plan) or other plan provides for completion of the program under Chapter 31.

(c) *Redetermination of work tolerance.* As necessary, but not less than once yearly, the veteran's work tolerance will be reevaluated. The rate of pursuit required to meet the standard of full-time pursuit will be modified if there is either an increase or decrease in the work tolerance of the veteran.

(d) *Payment of allowance.* A veteran with a reduced work tolerance will be paid a subsistence allowance, at the full-time rate for the type of program being pursued, when the veteran meets the standard for full-time pursuit established for him or her in the Plan. A veteran with reduced work tolerance, who elects benefits at the Chapter 34 rate, will have to meet normal attendance requirements for that chapter, however.

(e) *Determining work tolerance.* A VA physician will make all determinations and redeterminations of work tolerance.

(Authority: 38 U.S.C. 3108(d))

## § 21.314

### § 21.314 Pursuit of training under special conditions.

A veteran is required to pursue a rehabilitation program at a rate which meets the requirement for full- or part-time participation described in §§ 21.310 and 21.312. However, a veteran may pursue a rehabilitation program at a lesser rate, if such pursuit is a part of the veteran's plan. Subsistence allowance is not payable during such periods.

(A) VA receives the claim for the increase within one year of the date of entrance or reentrance; and

(B) VA receives any necessary evidence within 1 year of the date VA requested the evidence and informed the veteran of the time limits during which this evidence must be submitted. #### § 21.440 Purpose and scope.

Sections 21.440 through 21.449 establish and implement the Veterans Employment Pay for Success (VEPFS) grant program, which provides grants to eligible entities to fund outcomes payments for projects that are successful in accomplishing employment rehabilitation for Veterans with service-connected disabilities. These sections apply only to the administration of the VEPFS grant program, unless specifically provided otherwise.

(Authority: 38 U.S.C. 501(d), 3119)

#### § 21.441 Definitions.

For the purposes of §§ 21.440 through 21.449, and any Notices of Funding Availability (NOFA) issued pursuant to §§ 21.440 through 21.449, the following definitions apply:

*Applicant* is an eligible entity that submits an application for a VEPFS grant announced in a NOFA.

*Eligible entity* is a public or nonprofit agency, to include institutions of higher learning.

*Employment outcome* is the employment or earnings of a participant in an

intervention group or control or comparison group during or after the service period. Improving employment outcomes means creating positive impact in terms of these outcomes, where the results for individuals that receive the intervention are better than the results for a valid control or comparison group that did not receive the intervention.

*Intervention* is a service or technology that is provided to individuals and is intended to achieve certain results.

*Outcomes payments* are funds that are paid to an investor or service provider and that are released only for the achievement of outcomes, as compared to those of a control or comparison group, that meet target levels that have been agreed to in advance of the provision of intervention (*i.e.*, if positive impact has been created by the intervention in terms of these outcomes). When investors have provided the upfront capital for the project, these payments generally cover repayment of the principal investment and provide a modest return on investment for any associated risks of paying for the intervention upfront.

*Pay for Success (PFS) agreement* is a multi-party agreement to deliver an innovative or evidence-based intervention intended to improve outcomes for a targeted population signed by the entities that constitute the project partnership.

*Project partnership* is a collaboration among entities that negotiate one or more agreements and execute a project to improve employment outcomes for Veterans with service-connected disabilities. The entities that may be involved in a project partnership include:

(1)(i) *Outcomes payor*. Entity that receives a VEPFS grant and pays for outcomes of services that meet target levels that have been agreed to in advance of the provision of the intervention.

(ii) *Project coordinator*. Facilitates, coordinates, and executes a PFS agreement to improve employment outcomes for Veterans with service-connected disabilities. With respect to other PFS projects, project coordinators are sometimes referred to as intermediaries.

(iii) *Evaluator*. Independent entity that determines the impact of the serv-

ices provided, including whether the services have resulted in employment outcomes that meet target levels that have been agreed to in advance of the provision of the intervention.

(iv) *Investor*. Person or entity that provides upfront capital to cover costs of providing services/delivering an intervention and other associated costs before a determination has been made as to whether certain employment outcomes have been achieved at pre-set target levels.

(v) *Service provider*. Entity that delivers an intervention designed to achieve improved employment outcomes for Veterans with service-connected disabilities.

(2) A full project partnership is a project partnership that includes an outcomes payor, evaluator, investor (if the PFS agreement involves PFS financing), and service provider. A partial project partnership includes an outcomes payor and at least one of the following: Evaluator, investor (if the PFS agreement involves PFS financing), or service provider.

*Recipient* is the entity that receives a VEPFS grant under §§21.440 through 21.449. The recipient is also the outcomes payor.

*Secretary* refers to the Secretary of Veterans Affairs.

*Service-connected disability* is a disability that is “service-connected” as defined in 38 CFR 3.1.

*Social finance strategy* is a method for securing financial resources using an investment approach that focuses on achieving positive social and/or environmental impact with some form of financial return.

*Strong evidence* constitutes results from previous studies, the designs of which can support causal conclusions (*i.e.*, studies with high internal validity), that include enough of the range of participants and settings to support scaling up to the state, regional, or national level (*i.e.*, studies with high external validity).

*Veteran* has the same definition as provided in 38 CFR 3.1.

*Veterans Employment Pay for Success (VEPFS) agreement* is a PFS agreement to deliver an innovative, evidence-based intervention intended to improve Veteran employment outcomes.

## § 21.442

*Veterans Employment Pay for Success (VEPFS) project* is a project with a strategy for delivering a service with a goal to significantly improve a current condition with respect to unemployment of a target Veteran population and sufficient evidence to support the theory behind the project using a financial model that includes cost savings by funding the project only if it is successful.

*Work-plan* is a document that articulates tasks and milestones with regard to a particular project.

### § 21.443 Permissible uses of VEPFS grant funds.

ment outcomes for Veterans with service-connected disabilities.

(b) To pay for the indirect costs of administering a grant, regardless of whether an intervention achieves outcomes at a pre-set target level, a recipient may:

(1) Use a Federally approved indirect cost rate (a rate already negotiated with the Federal Government);

(2) Use a 10% de minimis rate of modified total direct costs;

(3) Negotiate an indirect cost rate for the first time; or

(4) Claim certain costs directly following 2 CFR 200.413.

(Authority: 38 U.S.C. 3119, 2 CFR 200.414)

### § 21.444 Notice of funding availability.

When funds are available for a VEPFS grant, VA will publish a NOFA in the FEDERAL REGISTER and on *Grants.gov* (<http://www.grants.gov>). The NOFA will identify:

(a) The location for obtaining grant applications and the specific forms that will be required;

(b) The date, time, and place for submitting completed grant applications;

(c) The total amount and type of funds available and the maximum amount available to a single applicant;

(d) Information regarding eligibility and the scoring process;

(e) Any timeframes and manner for payments under the grant; and

(f) Other information necessary for the VEPFS grant application process, as determined by VA, including contact information for the VA office that will oversee the VEPFS grant.

(Authority: 38 U.S.C. 501(d), 3119)

### § 21.445 Application.

To apply for a VEPFS grant, eligible entities must submit to VA a complete application package in accordance with the instructions in the NOFA and include the forms specified in the NOFA. ### § 21.446 Scoring and selection.

(a) *Scoring.* VA will score only complete applications received from eligible entities by the deadline established in the NOFA. VA will score applications using the following criteria:

(1) *Project description.* Applicant identifies and describes an intervention that is designed to improve employment outcomes for Veterans with service-connected disabilities through a PFS agreement and demonstrates with strong evidence the ability of the intervention to meet objectives. Project description should explain and justify the need for the intervention, and include concept, size and scope of the project, and the Veteran population to be served.

(2) *Project partnership.* Applicant provides a description of the partnership

and the level of partnership (full, partial, or none) attained at the time of application.

(3) *Work plan and budget.* Applicant provides a work plan that describes in detail the timeline for the tasks outlined in the project description and proposed milestones. Applicant provides a budget that specifies amount of outcome payments and indirect and other relevant costs.

(4) *Expertise and capacity.* Applicant provides evidence of its past experience with PFS or other social finance strategies or experience administering programs that serve Veterans with disabilities, and of its ability and capacity to successfully administer the project.

(5) *Match.* Applicant provides evidence of secured cash matching (1:1) funds or of its ability to secure or commitments to receive such funds.

(b) *Selection of recipients.* All complete applications from eligible entities will be scored using the criteria in paragraph (a) of this section and ranked in order from highest to lowest total score. NOFA announcements may also clarify the selection criteria in paragraph (a). The relative weight (point value) for each selection criterion will be specified in the NOFA. Point values will be assigned according to the criterion's importance in ensuring the successful development and implementation of a VEPFS project. VA will award any VEPFS grant on the primary basis of scores but will also consider a risk assessment evaluation.

### § 21.447 VEPFS grant agreement.

After an applicant is selected to receive a VEPFS grant in accordance with § 21.446, VA will draft a grant agreement to be executed by VA and the applicant. Upon execution of the VEPFS grant agreement, VA will obligate grant funds to cover the amount of the approved grant, subject to the availability of funding. The VEPFS grant agreement will provide that the recipient agrees, and will ensure that each subcontractor (if applicable) agrees, to:

(a) Operate the program in accordance with the provisions of §§ 21.440 through 21.449, 2 CFR part 200, and the applicant's VEPFS grant application;

## § 21.448

(Authority: 38 U.S.C. 5102)

(b) *VA has a duty to notify claimants of necessary information or evidence.* (1) Except when a claim cannot be substantiated because there is no legal basis for the claim, or undisputed facts render the claimant ineligible for the claimed benefit, when VA receives a complete or substantially complete application for educational assistance provided under subpart C, D, G, H, K, L, or P of this part VA will—

(i) Notify the claimant of any information and evidence that is necessary to substantiate the claim; and

(5) For the purpose of this paragraph, if VA must notify the claimant, VA will provide notice to:

- (i) The claimant;
- (ii) His or her fiduciary, if any; and
- (iii) His or her representative, if any.

(2) VA will not pay any fees a custodian of records may charge to provide the records VA requests.

(Authority: 38 U.S.C. 5103A)

(b) *Obtaining records not in the custody of a Federal department or agency.* (1) VA will make reasonable efforts to obtain relevant records not in the custody of a Federal department or agency. These records include relevant records from:

- (i) State or local governments;
- (ii) Private medical care providers;
- (iii) Current or former employers; and
- (iv) Other non-Federal governmental sources.

(2) The reasonable efforts described in paragraph (b)(1) of this section will generally consist of an initial request for the records and, if VA does not receive the records, at least one follow-up request. The following are exceptions to this provision concerning the

## Department of Veterans Affairs

## § 21.1032

number of requests that VA generally will make:

(i) VA will not make a follow-up request if a response to the initial request indicates that the records sought do not exist or that a follow-up request for the records would be futile.

(ii) If VA receives information showing that subsequent requests to the initial or another custodian could result in obtaining the records sought, reasonable efforts will include an initial request and, if VA does not receive the records, at least one follow-up request to the new source or an additional request to the original source.

(3) The claimant must cooperate fully with VA's reasonable efforts to obtain relevant records from non-Federal agency or department custodians. The claimant must provide enough information to identify and locate the existing records, including—

(i) The person, company, agency, or other custodian holding the records;

(ii) The approximate time frame covered by the records; and

(iii) In the case of medical treatment records, the condition for which treatment was provided.

(4) If necessary, the claimant must authorize the release of existing records in a form acceptable to the person, company, agency, or other custodian holding the records.

(Authority: 38 U.S.C. 5103A)

(c) *Obtaining records in the custody of a Federal department or agency.* (1) VA will make as many requests as are necessary to obtain relevant records from a Federal department or agency. These records include but are not limited to:

(i) Military records;

(ii) Medical and other records from VA medical facilities;

(iii) Records from non-VA facilities providing examination or treatment at VA expense; and

(iv) Records from other Federal agencies.

(2) VA will end its efforts to obtain records from a Federal department or agency only if VA concludes that the records sought do not exist or that further efforts to obtain those records would be futile. Cases in which VA may conclude that no further efforts are required include cases in which the Fed-

eral department or agency advises VA that the requested records do not exist or that the custodian of such records does not have them.

(3) The claimant must cooperate fully with VA's reasonable efforts to obtain relevant records from Federal department or agency custodians. At VA's request, the claimant must provide enough information to identify and locate the existing records, including—

(i) The custodian or agency holding the records;

(ii) The approximate time frame covered by the records; and

(iii) In the case of medical treatment records, the condition for which treatment was provided.

(4) If necessary, the claimant must authorize the release of existing records in a form acceptable to the custodian or agency holding the records.

(Authority: 38 U.S.C. 5103A)

(d) *Circumstances where VA will refrain from or discontinue providing assistance.* VA will refrain from providing assistance in obtaining evidence for a claim if the substantially complete or complete application for benefits indicates that there is no reasonable possibility that any assistance VA would provide to the claimant would substantiate the claim. VA will discontinue providing assistance in obtaining evidence for a claim if the evidence obtained indicates that there is no reasonable possibility that further assistance would substantiate the claim. Circumstances in which VA will refrain from or discontinue providing assistance in obtaining evidence include, but are not limited to:

(1) The claimant's ineligibility for the benefit sought because of lack of qualifying service, lack of veteran status, or other lack of legal eligibility;

(2) Claims that are inherently not credible or clearly lack merit; and

(3) An application requesting a benefit to which the claimant is not entitled as a matter of law.

(Authority: 38 U.S.C. 5103A)

(e) *Duty to notify claimant of inability to obtain records.* (1) VA will notify the claimant either orally or in writing when VA:

## § 21.1033

(i) Makes reasonable efforts to obtain relevant non-Federal records, but is unable to obtain them; or

(ii) After continued efforts to obtain Federal records, concludes that it is reasonably certain they do not exist or that further efforts to obtain them would be futile.

(2) For non-Federal records requests, VA may provide the notice to the claimant at the same time it makes its final attempt to obtain the relevant records.

(3) VA will make a record of any oral notice conveyed under paragraph (e) of this section to the claimant.

(4) The notice to the claimant must contain the following information:

(i) The identity of the records VA was unable to obtain;

(ii) An explanation of the efforts VA made to obtain the records;

(iii) The fact described in paragraph (e)(1)(i) or (e)(1)(ii) of this section;

(iv) A description of any further action VA will take regarding the claim, including, but not limited to, notice that VA will decide the claim based on the evidence of record unless the claimant submits the records VA was unable to obtain; and

(v) A notice that the claimant is ultimately responsible for obtaining the evidence.

(5) If VA becomes aware of the existence of relevant records before deciding the claim, VA will notify the claimant of the existence of such records and ask that the claimant provide a release for the records. If the claimant does not provide any necessary release of the relevant records that VA is unable to obtain, VA will ask that the claimant obtain the records and provide them to VA.

(6) For the purpose of this section, if VA must notify the claimant, VA will provide notice to:

(i) The claimant;

(ii) His or her fiduciary, if any; and

(iii) His or her representative, if any.

### § 21.1033 Time limits.

The provisions of this section are applicable to informal claims and formal claims.

## 38 CFR Ch. I (7–1–25 Edition)

(a) *Failure to furnish form, information, or notice of time limit.* VA's failure to give a claimant or potential claimant any form or information concerning the right to file a claim or to furnish notice of the time limit for the filing of a claim will not extend the time periods allowed for these actions.

(Authority: 38 U.S.C. 5101, 5113)

(b) [Reserved]

(c) *Time limit for filing a claim for an extended period of eligibility under 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 33, or 35.* VA must receive a claim for an extended period of eligibility provided by § 21.3047, § 21.5042, § 21.7051, § 21.7551, or § 21.9535 by the later of the following dates:

(1) One year from the date on which the spouse's, surviving spouse's, veteran's, reservist's, or other eligible individual's original period of eligibility ended; or

(2) One year from the date on which the spouse's, surviving spouse's, veteran's, reservist's, or other eligible individual's physical or mental disability no longer prevented him or her from beginning or resuming a chosen program of education.

(Authority: 10 U.S.C. 16133(b); 38 U.S.C. 3031(d), 3232(a), 3321, 3512)

(d) *Time limit for filing for an extension of eligibility due to suspension of program (38 U.S.C. chapter 35).* VA must receive a claim for an extended period of eligibility due to a suspension of an eligible child's program of education as provided in § 21.3043 by the later of the following dates.

(1) One year from the date on which the child's original period of eligibility ended; or

(2) One year from the date on which the condition that caused the suspension of the program of education ceased to exist.

(Authority: 38 U.S.C. 3512(c))

(e) *Extension for good cause.* (1) VA may extend for good cause a time limit within which a claimant or beneficiary is required to act to perfect a claim or challenge an adverse VA decision. VA may grant such an extension only when the following conditions are met:

## Department of Veterans Affairs

## § 21.1035

(i) When a claimant or beneficiary requests an extension after expiration of a time limit, he or she must take the required action concurrently with or before the filing of that request; and

(ii) The claimant or beneficiary must show good cause as to why he or she could not take the required action during the original time period and could not have taken the required action sooner.

(2) Denials of time limit extensions are separately appealable issues.

(Authority: 38 U.S.C. 5101, 5113)

(f) *Computation of time limit.* (1) In computing the time limit for any action required of a claimant or beneficiary, including the filing of claims or evidence requested by VA, VA will exclude the first day of the specified period, and will include the last day. This rule is applicable in cases in which the time limit expires on a workday. When the time limit would expire on a Saturday, Sunday, or holiday, the VA will include the next succeeding day in the computation.

(2) The first day of the specified period referred to in paragraph (f)(1) of this section will be the date of the letter of notification to the claimant or beneficiary for purposes of computing time limits. As to appeals, see §§ 20.203 and 20.110 of this chapter.

### § 21.1034 Review of decisions.

(a) *Decisions.* A claimant may request a review of a decision on eligibility or entitlement to educational assistance under title 38, United States Code. A claimant may request review of a decision on entitlement to educational assistance under 10 U.S.C. 510, and 10 U.S.C. chapters 106a, 1606, and 1607. A claimant may not request review of a decision on eligibility under 10 U.S.C. 510, and 10 U.S.C. chapters 106a, 1606, and 1607 or for supplemental or increased educational assistance under 10 U.S.C. 16131(i) or 38 U.S.C. 3015(d), 3021, or 3316 to VA as the Department of De-

fense solely determines eligibility to supplemental and increased educational assistance under these sections.

(b) *Reviews available.* Except as provided in paragraph (d) of this section, within one year from the date on which the agency of original jurisdiction issues notice of a decision described in paragraph (a) of this section as subject to a request for review, a claimant may elect one of the following administrative review options:

(2) *Higher-level Review.* See § 3.2601 of this chapter.

(3) *Board of Veterans' Appeals Review.* See 38 CFR part 20.

(d) *Contested claims.* See subpart E of part 20 of this title for the timeline pertaining to contested claims.

(e) *Applicability.* This section applies where notice of a decision described in paragraph (a) of this section was provided to a veteran on or after the effective date of the modernized review system as provided in § 19.2(a) of this chapter, or where a veteran has elected review of a legacy claim under the modernized review system as provided in § 3.2400(c) of this chapter.

### § 21.1035 Legacy review of benefit claims decisions.

(a) A claimant who has filed a Notice of Disagreement with a decision described in § 21.1034(a) that does not meet the criteria of § 21.1034(e) of this chapter has a right to a review under this section. The review will be conducted by the Educational Officer of the Regional Processing Officer, at VA's discretion. An individual who did not participate in the decision being reviewed will conduct this review. Only a decision that has not yet become final (by appellate decision or failure to timely appeal) may be reviewed. Review under this section will encompass

## § 21.3001

## 38 CFR Ch. I (7–1–25 Edition)

only decisions with which the claimant has expressed disagreement in the Notice of Disagreement. The reviewer will consider all evidence of record and applicable law, and will give no deference to the decision being reviewed.

(b) Unless the claimant has requested review under this section with his or her Notice of Disagreement, VA will, upon receipt of the Notice of Disagreement, notify the claimant in writing of his or her right to a review under this section. To obtain such a review, the claimant must request it not later than 60 days after the date VA mails the notice. This 60-day time limit may not be extended. If the claimant fails to request review under this section not later than 60 days after the date VA mails the notice, VA will proceed with the legacy appeal process by issuing a Statement of the Case. A claimant may not have more than one review under this section of the same decision.

(c) The reviewer may conduct whatever development he or she considers necessary to resolve any disagreements in the Notice of Disagreement, consistent with applicable law. This may include an attempt to obtain additional evidence or the holding of an informal conference with the claimant. Upon the request of the claimant, the reviewer will conduct a hearing under the version of § 3.103(c) of this chapter predating Public Law 115–55.

(d) A review decision made under this section will include a summary of the evidence, a citation to pertinent laws, a discussion of how those laws affect the decision, and a summary of the reasons for the decision.

(e) The reviewer may grant a benefit sought in the claim, notwithstanding § 3.105(b) of this chapter. The reviewer may not revise the decision in a manner that is less advantageous to the claimant than the decision under review, except that the reviewer may reverse or revise (even if disadvantageous to the claimant) prior decisions of an agency of original jurisdiction (including the decision being reviewed or any prior decision that has become final due to failure to timely appeal) on the grounds of clear and unmistakable error (see § 3.105(a) of this chapter).

(f) Review under this section does not limit the appeal rights of a claimant. Unless a claimant withdraws his or her Notice of Disagreement as a result of this review process, VA will proceed with the legacy appeal process by issuing a Statement of the Case.

A person who is eligible for educational assistance under 38 U.S.C. chapter 35 and is also eligible for assistance under any of the provisions of law listed in this paragraph cannot receive such assistance concurrently. The eligible person must choose which benefit he or she will receive for the particular period(s) of training during which education or training is to be pursued. The individual may choose to receive benefits under another program (other than 38 U.S.C. chapter 33) at any time, but not more than once in a calendar month. The individual may choose to receive benefits under 38 U.S.C. chapter 33 at any time, but not more than once during a certified term, quarter, or semester.

### § 21.3023 Nonduplication; pension, compensation, and dependency and indemnity compensation.

(a) *Child; age 18*. A child who is eligible for educational assistance and who is also eligible for pension, compensation or dependency and indemnity compensation based on school attendance must elect whether he or she will receive educational assistance or pension, compensation or dependency and indemnity compensation.

(1) An election of educational assistance either before or after the age of 18 years is a bar to subsequent payment or increased rates or additional amounts of pension, compensation or dependency and indemnity compensation on account of the child based on school attendance on or after the age of 18 years. The bar is equally applicable where the child has eligibility from more than one parent.

(2) Payment of pension, compensation or dependency and indemnity compensation to or on account of a child after his or her 18th birthday does not bar subsequent payments of educational assistance.

(3) An election of educational assistance will not preclude the allowance of pension, compensation, or dependency and indemnity compensation based on school attendance for periods, including vacation periods, prior to the commencement of educational assistance.

(b) *Child; under 18 or helpless*. Educational assistance allowance or special restorative training allowance may generally be paid concurrently with pension, compensation or dependency and indemnity compensation for a child under the age of 18 years or for a helpless child based on the service of one or more parents. Where, however, entitlement is based on the death of more than one parent in the same parental line, concurrent payments in

## § 21.3024

two or more cases may not be authorized if the death of one such parent occurred on or after June 9, 1960. In the latter cases, an election of educational assistance and pension, compensation or dependency and indemnity compensation in one case does not preclude a reelection of benefits before attaining age 18 or while helpless based on the service of another parent in the same parental line.

(c) *Child; election.* An election by a child under this section must be submitted to VA in writing.

(1) Except as provided in paragraph (c)(2) of this section, an election to receive Survivors' and Dependents' Educational Assistance (DEA) is final when the eligible child commences a program of education under DEA (38 U.S.C. chapter 35). Commencement of a program of education under DEA will be deemed to have occurred for VA purposes on the date the first payment of DEA educational assistance is made, as evidenced by negotiation of the first check or receipt of the first payment by electronic funds transfer.

(2) An election based on erroneous information furnished by an authorized representative of the Department of Veterans Affairs is not considered final.

(3) A child other than a helpless child, whose eligibility was based on a finding that the veteran had a permanent total service-connected disability and who commenced a program of education under DEA may not thereafter qualify as a dependent for disability compensation purposes if the veteran is later found to be less than permanently and totally disabled, or for pension, compensation or dependency and indemnity compensation after the veteran's death.

(d) *Spouse or surviving spouse.* Educational assistance allowance may be paid for an eligible spouse or surviving spouse concurrently with pension, compensation or dependency and indemnity compensation.

An election of Office of Workers' Compensation Programs benefits under the Federal Employees' Compensation Act (FECA) by a surviving spouse filed on or after December 1, 1968, is a bar to subsequent payments of Department of Veterans Affairs benefits during the period of concurrent eligibility.

**§ 21.3040 Eligibility; child.**

(a) *Commencement.* A program of education or special restorative training may not be afforded prior to the eligible person's 18th birthday or the completion of secondary schooling, whichever is earlier, unless it is determined through counseling that the best interests of the eligible person will be served by entering training at an earlier date and the eligible person has passed:

(1) Compulsory school attendance age under State law; or

(2) His or her 14th birthday and due to physical or mental handicap may benefit by special restorative or specialized vocational training.

(b) *Secondary schooling.* *Completion of secondary schooling* means completion of a curriculum offered by a public or private school which satisfies the requirements for a high school diploma or its equivalent—usually completion of the 12th grade in the public school system.

(c) *Age limitation for commencement.* No person is eligible for educational assistance who reached his or her 26th birthday on or before the effective date of a finding of permanent total service-connected disability, or on or before the date the veteran's death occurred, or on or before the 91st day of listing by the Secretary concerned of the member of the Armed Forces on whose service eligibility is claimed as being in one of the missing status categories of § 21.3021 (a)(1)(iv) and (3)(ii).

**§ 21.3041 Periods of eligibility; child.**

(a) *Eligibility derived from a veteran with a P&T disability.* An eligible child's period of eligibility generally begins on the child's 18th birthday, or on the successful completion of the child's secondary schooling, whichever first occurs. The period of eligibility generally ends on the earlier of the date of the child's 26th birthday or the date the veteran is no longer P&T disabled. VA will extend an eligible child's period of eligibility for the reasons listed in paragraphs (g) and (h) of this section. See paragraph (c) of this section if the child serves on duty in the Armed Forces as an eligible child after his or her 18th birthday and before his or her 26th birthday. If the veteran dies while the P&T rating is in effect and before the eligible child's 26th birthday, see paragraph (b) of this section to determine the new period of eligibility. Exceptions to this general period of eligibility are as follows:

(1) *Period of eligibility may begin before the child's 18th birthday.* The period of eligibility may begin before the eligible child's 18th birthday for one of the reasons in paragraphs (a)(1)(i), (ii), or (iii) of this section. The period of eligibility ends on the earlier of the date the veteran is no longer rated P&T disabled or the date of the child's 26th birthday. See § 21.3135(h) if the veteran is no longer rated P&T disabled.

(i) The child completed compulsory school attendance under applicable State law (see § 21.3040(a) and (b));

(ii) The child is pursuing a course designed to prepare him or her for an examination required or used for entrance into an institution of higher education or a graduate school; or

(iii) The child is beyond his or her 14th birthday and has a physical or mental handicap (see § 21.3040(a)).

(Authority 38 U.S.C. 3512(a))

(2) *Period of eligibility may begin after the child's 18th birthday.* A child's period of eligibility may begin after his or her 18th birthday if VA first finds the veteran has a P&T disability after the child's 18th birthday but before the child's 26th birthday. See paragraph (e) of this section if an adopted child becomes eligible through qualifying as

the veteran's child after VA first finds the veteran has a P&T disability. See paragraph (f) of this section if a step-child becomes eligible through qualifying as the veteran's child after VA first finds the veteran is P&T disabled.

(i) *Beginning date if the effective date of the initial P&T rating is before the child's 18th birthday and notification to the veteran occurs after the child's 18th birthday and before his or her 26th birthday.* If the effective date of the P&T rating is before the child's 18th birthday, and the date of notification to the veteran occurs after the child's 18th birthday but before the child's 26th birthday, the child may elect the beginning date of his or her period of eligibility. (See paragraph (i) of this section for election requirements.) If the child elects a beginning date that is before his or her 18th birthday, the period of eligibility ends the earlier of the date that the veteran is no longer rated P&T disabled, or the date of the child's 26th birthday. If the child elects a beginning date after his or her 18th birthday, the period of eligibility ends the earlier of the date the veteran is no longer rated P&T disabled or 8 years after the beginning date the child elects. (See § 21.3135(h) if the veteran is no longer rated P&T disabled.) The child can elect as a beginning date either—

(A) The date of his or her 18th birthday;

(B) The date he or she completed compulsory school attendance under applicable State law (see § 21.3040(a) and (b)), if that date is on or after the effective date of the P&T rating and before his or her 18th birthday;

(C) The date he or she begins a course designed to prepare him or her for an examination required or used for entrance into an institution of higher education or a graduate school, if that date is on or after the effective date of the P&T rating and before the date of notification to the veteran of the P&T rating. If the child elects the beginning date of enrollment in such course, he or she may not receive educational assistance for pursuit of secondary schooling unless secondary school pursuit is otherwise authorized (see § 21.3040);

§ 21.3041

38 CFR Ch. I (7-1-25 Edition)

(D) The date VA notifies the veteran of the P&T rating; or

(E) Any date between the applicable date described in paragraphs (a)(2)(i)(A) through (C) of this section and the date in paragraph (a)(2)(i)(D) of this section.

(ii) *Beginning date if the effective date of the P&T rating is after the child's 18th birthday and before child's 26th birthday.* If the effective date of the P&T rating occurs after the child's 18th birthday but before the child's 26th birthday, the child may elect the beginning date of his or her period of eligibility. (See paragraph (i) of this section for election requirements.) The period of eligibility ends the earlier of the date the veteran is no longer rated P&T disabled, or 8 years after the beginning date the child elects. (See §21.3135(h) if the veteran is no longer rated P&T disabled.) The child can elect as a beginning date—

(A) The effective date of the P&T rating;

(B) The date VA notifies the veteran of the veteran's P&T rating; or

(C) Any date in between.

(Authority: 38 U.S.C. 3512)

(b) *Eligibility derived as the result of veteran's death.* An eligible child's period of eligibility begins on the child's 18th birthday, or on the successful completion of the child's secondary schooling, whichever first occurs. The period of eligibility ends on the child's 26th birthday. VA will extend an eligible child's period of eligibility for reasons shown in paragraphs (g) and (h) of this section. See paragraph (c) of this section if the child serves on duty in the Armed Forces as an eligible child after his or her 18th birthday and before his or her 26th birthday. Exceptions to this general period of eligibility are as follows:

(1) *Period of eligibility may begin before the child's 18th birthday.* The period of eligibility may begin before the eligible child's 18th birthday for one of the reasons in paragraphs (i), (ii), or (iii) of this paragraph. The ending date of the period of eligibility is the child's 26th birthday.

(i) The child completed compulsory school attendance under applicable State law (see §21.3040(a) and (b));

(ii) The child is pursuing a course designed to prepare him or her for an examination required or used for entrance into an institution of higher education or a graduate school; or

(iii) The child is beyond his or her 14th birthday and has a physical or mental handicap (see §21.3040(a)).

(Authority: 38 U.S.C. 3512(a))

(2) *Period of eligibility may begin after the child's 18th birthday.* If the veteran's death occurs after the child's 18th birthday but before the child's 26th birthday, the child may elect the beginning date of his or her period of eligibility. The period of eligibility ends 8 years after the beginning date the child elects. See paragraph (i) of this section for election requirements. VA may extend the period of eligibility for one of the reasons shown in paragraph (g) or (h) of this section. See paragraph (c) of this section if the child serves in the Armed Forces as an eligible person after his or her 18th birthday and before his or her 26th birthday. The child can elect as a beginning date any date between the—

(i) Date of the veteran's death; or

(ii) Date of VA's decision that the veteran's death was service-connected.

(Authority: 38 U.S.C. 3512(a)(3))

(c) *Period of eligibility for a child who serves on duty in the Armed Forces as an eligible person.* If the child serves on duty in the Armed Forces as an eligible person (as defined in §21.3021(a)(1)) after the child's 18th birthday and before the child's 26th birthday, the child is eligible for a modified ending date based on the provisions of this paragraph. Under the provisions of this paragraph, the period of eligibility ends 8 years after the date of the child's first discharge or release from such duty, or the child's 31st birthday, whichever is earlier. VA may extend the ending date for one of the reasons shown in paragraph (g) of this section. See paragraph (h) of this section if the child is ordered to active duty as a reservist.

(Authority: 38 U.S.C. 3512(a)(5))

(d) *Eligibility derived from a parent who is listed by the Armed Forces as missing in*

*action, captured in the line of duty, or forcibly detained or interned in line of duty by a foreign government or power.*

(1) If a child establishes eligibility through the provisions of § 21.3021(a)(1)(iv) after his or her 18th birthday but before his or her 26th birthday, the period of eligibility will end on the earliest of the following dates:

(i) When the parent is no longer listed as described in § 21.3021(a)(1)(iv);

(ii) Eight years after the date on which the child becomes eligible under such provisions; or

(iii) The child's 31st birthday.

(2) VA may extend the ending date for one of the reasons shown in paragraphs (g) or (h) of this section. See § 21.3135(i) if the child is enrolled in an educational institution and the child's ending date is based on paragraph (d)(1)(i) of this section. See paragraph (c) of this section if the child serves in the Armed Forces as an eligible person after his or her 18th birthday and before his or her 26th birthday.

(Authority: 38 U.S.C. 3512(a)(5))

(e) *Adopted child qualifies after VA first finds the veteran P&T disabled.* If an adopted child becomes eligible through qualifying as the veteran's child (see 38 CFR 3.57(c)) and the date the child so becomes eligible is after VA first finds the veteran is P&T disabled, the beginning date of eligibility is the date determined pursuant to paragraphs (a) through (d) of this section, but in no event before the date the adopted child qualifies as the veteran's child under § 3.57(c) of this chapter. The ending date is the child's 26th birthday. VA may extend the period of eligibility for one of the reasons in paragraph (g) or (h) of this section. See paragraph (c) of this section if the child serves on duty in the Armed Forces as an eligible person.

(Authority: 38 U.S.C. 3501)

(f) *Stepchild qualifies after VA first finds the veteran P&T disabled.* If a stepchild becomes eligible through qualifying as the veteran's child and a member of the veteran's household after VA first finds the veteran is P&T disabled, the beginning date of the period of eligibility is the date determined pursu-

ant to paragraphs (a) through (d) of this section, but in no event before the date he or she becomes the veteran's stepchild and a member of the veteran's household. The ending date of the period of eligibility is the stepchild's 26th birthday. VA may extend the ending date for one of the reasons in paragraphs (g) or (h) of this section. See paragraph (c) of this section for the ending date of the period of eligibility if the stepchild serves on active duty in the Armed Forces as an eligible person. See § 21.3135(g) for award discontinuance dates if the veteran and the stepchild's natural or adopted parent divorce or the stepchild ceases to be a member of the veteran's household.

(g) *Extensions to ending dates.* (1) If an eligible child suspends pursuit of his or her program due to conditions that VA determined were beyond the child's control, VA may extend the period of eligibility ending date (see § 21.3043). VA cannot grant an extension beyond age 31 to those children whose period of eligibility ending date (as determined under paragraphs (a) through (f) of this section) is subject to an age limitation.

(2) If an eligible child's period of eligibility ending date (as determined under paragraphs (a) through (f), or (h) of this section) occurs while the child is enrolled in an educational institution, VA may extend the period of eligibility (extensions may be made beyond age 31)—

(i) To the end of the quarter or semester, for a child enrolled in an educational institution that regularly operates on the quarter or semester system; or

(ii) To the end of the course, not to exceed 12 weeks, for a child who completed a major portion of a course while enrolled in an educational institution that operates under other than a quarter or semester system.

(3) If an eligible child's period of eligibility ending date (as determined under paragraphs (a) through (f), or (h) of this section) occurs while the child is pursuing training in a training establishment (as defined in § 21.4200(c)), VA cannot extend the ending date.

(Authority: 38 U.S.C. 3512(a)(7)(c)).

**§ 21.3042**

**38 CFR Ch. I (7–1–25 Edition)**

(h) Notwithstanding any other provision of this section, if during an eligible child's period of eligibility, as determined in paragraphs (a) through (g) of this section, but after September 10, 2001, an eligible child is ordered to active duty or involuntarily ordered to full-time National Guard duty VA will grant an extension of the child's period of eligibility. The extension will be equal to the length of the period served plus an additional 4 months for each qualifying period and applies if after September 10, 2001, the eligible child is—

(i) Ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10, United States Code; or

(ii) Involuntarily ordered to full-time National Guard duty under section 502(f) of title 32, United States Code.

(Authority: 38 U.S.C. 3512(h))

(i) *Elections.* (1) VA must provide written notice to certain eligible children informing them of their right to elect the beginning date of their period of eligibility. The written notice must identify the beginning dates the child may choose from and must contain a statement that the child must make the election within 60 days of the date of the written notice. An eligible child may elect his or her beginning date if—

(i) The effective date of the P&T rating is before the child's 18th birthday, and date of the notification to the veteran from whom the child derives eligibility occurs after the child's 18th birthday but before the child's 26th birthday (see paragraph (a)(2)(i) of this section);

(ii) The effective date of the P&T rating, or the date of notification to the veteran from whom the child derives eligibility, occurs after the child's 18th birthday but before the child's 26th birthday (see paragraph (a)(2)(ii) of this section);

(iii) The veteran's death occurs after the child's 18th birthday but before the child's 26th birthday (see paragraph (b)(2) of this section);

(iv) The child makes such election within 60 days of VA's written notice to the child informing him or her of the right to elect his or her beginning date; and

(v) The child's election is in accordance with the choices VA identified in the written notice described in paragraph (i)(1) of this section.

(2) If the child does not elect a beginning date within 60 days of VA's written notice informing him or her of the right to elect a beginning date, the period of eligibility beginning date will be whichever of the following applies—

(i) The date of VA's decision that the veteran has a P&T disability; or

(ii) The date of VA's decision that the veteran's death is service-connected.

(3) If upon review of the child's application VA determines the child is entitled to and eligible for an immediate award of educational assistance under 38 U.S.C. chapter 35, VA will for purposes of such award—

(i) Consider the beginning date of the child's period of eligibility to be the date of VA's decision that the—

(A) Veteran has a P&T disability in the case of a child whose eligibility is derived from a veteran with a P&T disability; or

(B) Veteran's death is service-connected in the case of a child whose eligibility is derived due to the veteran's death.

(ii) Notify the child of his or her right to elect a beginning date in accordance with paragraph (i)(1) of this section.

(iii) Adjust the child's beginning date based on the child's election if the child makes an election within 60 days after VA's written notice in accordance with paragraph (i)(1) of this section.

### § 21.3043 Suspension of program; child.

For an eligible person who suspends his program due to conditions determined by the Department of Veterans Affairs to have been beyond his or her control the period of eligibility may, upon his request, be extended by the number of months and days intervening the date the suspension began and the date the reason for suspension ceased to exist. The burden of proof is on the eligible person to establish that suspension of a program was due to conditions beyond his or her control. The period of suspension shall be considered to have ended as of the date of the person's first available opportunity to resume training after the condition which caused it ceased to exist. The following circumstances may be considered as beyond the eligible person's control:

(a) While in active pursuit of a program of education he or she is appointed by the responsible governing body of an established church, officially charged with the selection and designation of missionary representatives, in keeping with its traditional practice, to serve the church in an official missionary capacity and is thereby prevented from pursuit of his or her program of studies.

### § 21.3044 Entitlement.

(a) *Limitations on entitlement.* Each eligible person is entitled to educational assistance not in excess of 45 months, or the equivalent thereof in part-time training. The Department of Veterans Affairs will not authorize an extension of entitlement except as provided in paragraph (c) of this section. The period of entitlement when added to education or training received under any or all of the laws cited in § 21.4020 will not exceed 48 months of full-time educational assistance. The period of entitlement will not be reduced by any period during which employment adjustment allowance was paid after the eligible person completes a period of rehabilitation and reaches a point of employability.

(b) *Continuous pursuit is not required.* The 45-month period of entitlement is any 45 months within the period of eligibility. The eligible person is not required to pursue his or her program for 45 consecutive months.

(Authority: 38 U.S.C. 3511(a))

(c) *Exceeding the 45 months limitation.* The 45 months limitation may be exceeded only in the following cases:

(1) Where no charge against the entitlement is made based on a course or courses pursued by a spouse or surviving spouse under the special assistance for the educationally disadvantaged program (See § 21.3344(d)); or

(2) Where special restorative training authorized under § 21.3300 exceeds 45 months.

### § 21.3045 Entitlement charges.

VA will make record-purpose charges against an eligible person's 38 U.S.C. chapter 35 entitlement only when required by this section. Charges for institutional training will be based upon the principle that an eligible person who trains full time for 1 day should be charged 1 day of entitlement.

**§ 21.3045**

**38 CFR Ch. I (7-1-25 Edition)**

(a) *No entitlement charge for eligible persons receiving tutorial assistance.* VA will make no charge against the entitlement of an eligible person for tutorial assistance received in accordance with § 21.4236.

(Authority: 38 U.S.C. 3492, 3533(b))

(b) *Entitlement charges for elementary and secondary education.* (1) When an eligible spouse or surviving spouse is pursuing a course leading to a secondary school diploma or an equivalency certificate as described in § 21.3344, there are two sets of circumstances which will always result in VA's making no charge against his or her entitlement. These are as follows:

(i) Either the eligible spouse or surviving spouse completed training during the period beginning on October 1, 1980, and ending on August 14, 1989, and remained continuously enrolled from October 1, 1980, through the time the spouse or surviving spouse either completed training or August 14, 1989, whichever is earlier; or

(ii) The eligible spouse or surviving spouse completed training before August 15, 1989, and received educational assistance based upon the tuition and fees charged for the course.

(2) When an eligible spouse or surviving spouse is pursuing a course leading to a secondary school diploma or an equivalency certificate as described in § 21.3344, the following circumstances will always result in VA's making a charge against his or her entitlement unless the provisions of paragraph (d) of this section would exempt the spouse or surviving spouse from receiving an entitlement charge.

(i) The spouse or surviving spouse elects to receive dependents' educational assistance at the rate described in § 21.3131(a), and

(ii) Either was not pursuing a course leading to a secondary school diploma or equivalency certificate on October 1, 1980, or has not remained continuously enrolled in such a course since October 1, 1980.

(3) When an eligible person pursues refresher, remedial or deficiency training before August 15, 1989, the following provisions govern the charge against the entitlement.

(i) VA will not make a charge against the entitlement of an eligible spouse or surviving spouse.

(ii) VA will make a charge against the entitlement of an eligible child.

(4) The following provisions apply to an eligible person for training received after August 14, 1989. When he or she is pursuing a course leading to a secondary school diploma or equivalency certificate or refresher, remedial or deficiency training.

(i) VA will make no charge against the entitlement of an eligible person for the first five months of full time pursuit (or its equivalent in part-time pursuit).

(ii) VA will make a charge against the entitlement of an eligible person for pursuit in excess of the pursuit described in paragraph (b)(4)(i) unless the provisions of paragraph (d) of this section would exempt the eligible person from receiving an entitlement charge.

(Authority: 38 U.S.C. 3511(a), 3533(a); Pub. L. 100-689, Pub. L. 102-127)(Oct. 10, 1991)

(c) *Other courses for which entitlement will be charged.* Except when the requirements of paragraph (d) of this section are met, VA will make a charge against the period of entitlement of—

(1) An eligible person for pursuit of a program of apprenticeship or other on-job training;

(2) A spouse or surviving spouse for pursuit of a correspondence course; or

(3) An eligible person for the pursuit of any course not described in paragraph (a) or (b) of this section.

(Authority: 38 U.S.C. 3534)

(d) *Exemption from entitlement charge.* (1) VA will not make a charge against the entitlement of an eligible person for the pursuit of any course or courses when the requirements of paragraphs (d)(1)(i) and (ii) of this section are met, by VA finding that the eligible person—

(i) Had to discontinue pursuit of the course or courses as a result of being—

(A) Ordered, in connection with the Persian Gulf War by orders dated before September 11, 2001, to serve on active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304, or under former 10 U.S.C. 672(a), 672(d),

Department of Veterans Affairs

§ 21.3045

672(g), 673, or 673(b) (redesignated effective December 1, 1994, as 10 U.S.C. 12301(a), 12301(d), 12301(g), 12302, and 12304, respectively);

(B) Ordered, by orders dated after September 10, 2001, to serve on active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304; or

(C) Involuntarily ordered, by orders dated after September 10, 2001, to full-time National Guard duty under 32 U.S.C. 502(f).

(ii) Failed to receive credit or training time toward completion of the eligible person's approved educational, professional or vocational objective as a result of having to discontinue, for a reason described in paragraph (d)(1)(i) of this section, his or her course pursuit.

(2) The period for which VA will not make a charge against entitlement shall not exceed the portion of the period of enrollment in the course or courses for which the eligible person failed to receive credit or with respect to which the eligible person lost training time.

(Authority: 38 U.S.C. 3511(a)(2); sec. 103(e), Pub. L. 107-103, 115 Stat. 980)

(e) *Determining entitlement charge.* The provisions of this paragraph apply to all courses except those courses for which VA is not making a charge against the eligible person's entitlement, apprenticeship or other on-job training, correspondence courses, and courses offered solely through independent study.

(1) After making any adjustments required by paragraph (e)(3) of this section, VA will make a charge against entitlement—

(i) On the basis of total elapsed time (one day for each day of pursuit) if the eligible person is pursuing the program of education on a full-time basis,

(ii) On the basis of a proportionate rate of elapsed time, if the eligible person is pursuing a program of education on a three-quarter, one-half or less than one-half time basis. For the purpose of this computation, training time which is less than one-half, but more than one-quarter time, will be treated as though it were one-quarter time training.

(2) VA will compute elapsed time from the commencing date of enrollment to date of discontinuance. If the eligible person changes his or her training time after the commencing date of enrollment, VA will—

(i) Divide the enrollment period into separate periods of time during which the eligible person's training time remains constant; and

(ii) Compute the elapsed time separately for each time period.

(3) An eligible person may concurrently enroll in refresher, remedial or deficiency training for which paragraph (b)(3) or (b)(4)(i) of this section requires no charge against entitlement and in a course or courses for which paragraph (b)(2) or (b)(4)(ii) or (c) of this section requires a charge against entitlement. When this occurs, VA will charge entitlement for the concurrent enrollment based only on pursuit of the courses described in paragraph (b)(2) or (b)(4)(ii) or (c) of this section, measured in accordance with §§21.4270 through 21.4275 of this part, as appropriate.

(Authority: 38 U.S.C. 3533(a); Pub. L. 100-689)

(f) *Entitlement charge for pursuit solely by independent study.* For enrollments in terms, quarters, or semesters that begin after June 30, 1993, VA will make charges against the entitlement of an eligible person in the manner prescribed by paragraph (e) of this section, if he or she is pursuing a program of education solely by independent study. For all other enrollments where the eligible person is pursuing a program of education solely by independent study, the computation will be made as though the eligible person's training were one-quarter time.

(Authority: 38 U.S.C. 3482(b), 3532(a))

(g) *Entitlement charge for apprenticeship or other on-job training.* For each month that an eligible person is paid a monthly educational assistance allowance while undergoing apprenticeship or other on-job training, including months in which the eligible person fails to complete 120 hours of training, VA will make a record-purpose charge against 38 U.S.C. chapter 35 entitlement, if any, as follows:

(1) For training pursued before October 1, 2005, VA will reduce chapter 35

§ 21.3045

38 CFR Ch. I (7-1-25 Edition)

entitlement by one month for each month of benefits paid.

(2) For training pursued on or after October 1, 2005, VA will reduce chapter 35 entitlement proportionately based on the percentage rate (rounded to the nearest percentage) determined by dividing the amount of the training assistance paid for the month by the monthly educational assistance payable for full-time enrollment in an educational institution.

(Authority: 38 U.S.C. 3534, 3687; sec. 102, Pub L. 108-454, 118 Stat. 3600)

(h) *Entitlement charge for correspondence courses.* The charge against entitlement of a spouse or surviving spouse for pursuit of a course exclusively by correspondence will be 1 month for each of the following amounts paid as an educational assistance allowance:

- (1) \$788.00, paid after June 30, 2004, and before October 1, 2004;
- (2) \$803.00, paid after September 30, 2004, and before October 1, 2005;
- (3) \$827.00, paid after September 30, 2005, and before October 1, 2006;
- (4) \$860.00, paid after September 30, 2006, and before October 1, 2007;
- (5) \$881.00, paid after September 30, 2007, and before October 1, 2008; and
- (6) \$915.00, paid after September 30 2008.

(Authority: 38 U.S.C. 3534(b), 3564, 3686(a))

(i) *Overpayment cases.* VA will make a charge against entitlement for an overpayment only if the overpayment is discharged in bankruptcy, is waived and is not recovered, or is compromised.

(1) If the overpayment is discharged in bankruptcy or is waived and is not recovered, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(2) If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive

of interest, administrative costs of collection, court costs and marshal fees).

(3) If the overpayment is compromised and the compromise offer is equal to or greater than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by—

(i) Subtracting from the sum paid in the compromise offer the amount attributable to interest, administrative costs of collection, court costs and marshal fees,

(ii) Subtracting the remaining amount of the overpayment balance determined in paragraph (i)(3)(i) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees),

(iii) Dividing the result obtained in paragraph (h)(3)(ii) of this section by the amount of the original debt (exclusive of interest, administrative costs of collection, court costs and marshal fees), and

(iv) Multiplying the percentage obtained in paragraph (h)(3)(iii) of this section by the amount of the entitlement otherwise chargeable for the period of the original overpayment.

(Authority: 38 U.S.C. 3471, 3532)

(j) *Interruption to conserve entitlement.* An eligible person may not interrupt a certified period of enrollment for the purpose of conserving entitlement. An educational institution may not certify a period of enrollment for a fractional part of the normal term, quarter or semester, if the eligible person is enrolled for the term, quarter or semester. VA will make a charge against entitlement for the entire period of certified enrollment, if the eligible person is otherwise eligible for benefits, except when benefits are interrupted under any of the following conditions:

- (1) Enrollment is actually terminated;
- (2) The eligible person cancels his or her enrollment, and does not negotiate an educational benefits check for any part of the certified period of enrollment;
- (3) The eligible person interrupts his or her enrollment at the end of any term, quarter, or semester within the

## Department of Veterans Affairs

## § 21.3046

certified period of enrollment, and does not negotiate a check for educational benefits for the succeeding term, quarter, or semester;

(4) The eligible person requests interruption or cancellation for any break when a school was closed during a certified period of enrollment, and VA continued payments under an established policy based upon an Executive Order of the President or an emergency situation. Whether the eligible person negotiated a check for educational benefits for the certified period is immaterial.

(Authority: 38 U.S.C. 3511)

(k) *Education loan after otherwise applicable delimiting date—spouse or surviving spouse.* VA will make a charge against the entitlement of a spouse or surviving spouse who receives an education loan pursuant to § 21.4501(c) at the rate of 1 day for each day of entitlement that would have been used had the spouse or surviving spouse been in receipt of educational assistance allowance for the period for which the loan was granted.

### § 21.3046 Periods of eligibility; spouses and surviving spouses.

This section states how VA will compute the beginning date, the ending date and the length of a spouse's or surviving spouse's period of eligibility. The period of eligibility of a spouse computed under the provisions of paragraph (a) of this section will be recomputed under the provisions of paragraph (b) of this section if her or his status changes to that of surviving spouse.

(Authority: 38 U.S.C. 3512(b))

(a) *Beginning date of eligibility period—spouses.* (1) If the permanent total rating is effective before December 1, 1968, the beginning date of the 10-year period of eligibility is December 1, 1968.

(2) The beginning date of eligibility—  
(i) Shall be determined as provided in paragraph (a)(2) of this section when—

(A) The permanent total rating is effective after November 30, 1968, or the notification to the veteran of the rating was after that date, and

(B) The date of notification, or

(C) Any date between the dates specified in paragraphs (a)(2)(iii) (A) and (B) of this section as chosen by the eligible spouse.

(iv) May not be changed once a spouse has chosen it as provided in paragraph (a)(2)(iii) of this section.

(3) If eligibility arises under § 21.3021(a)(3)(ii) of this part, the beginning date of the 10-year eligibility period is—

(Authority: 38 U.S.C. 3512)

(2) If the veteran's death occurred before December 1, 1968, but VA does not determine that the veteran died of a service-connected disability until after November 30, 1968, the beginning date of the 10-year period is the date on which VA determines that the veteran died of a service-connected disability.

§ 21.3046

38 CFR Ch. I (7-1-25 Edition)

(3) If the veteran's death occurred before December 1, 1968, while a total, service-connected disability evaluated as permanent in nature was in existence, the beginning date of the 10-year period is December 1, 1968.

(i) The date of death of the veteran who dies while a total, service-connected disability evaluated as permanent in nature was in existence, or

(ii) The date on which VA determines that the veteran died of a service-connected disability.

(5) If the veteran's death occurred after November 30, 1968, and VA makes a final decision concerning the surviving spouse's eligibility for dependents' educational assistance after October 27, 1986, VA will determine the beginning date of the 10-year period as follows.

(i) If the surviving spouse's eligibility is based on the veteran's death while a total, service-connected disability evaluated as permanent in nature was in existence, the beginning date of the 10-year period is the date of death.

(ii) If the surviving spouse's eligibility is based on the veteran's death from a service-connected disability, the surviving spouse will choose the beginning date of the 10-year period. That date will be no earlier than the date of death and no later than the date of the VA determination that the veteran's death was due to a service-connected disability.

(Authority: 38 U.S.C. 3512(b); Pub. L. 99-576)

The beginning date of the eligibility period is determined as provided in paragraph (a) of this section. The 10-year eligibility period can be extended only as provided in paragraph (c)(3) of this section and § 21.3047.

(iii) Notwithstanding the provisions of paragraph (c)(1)(i) of this section, if eligibility arises before October 24, 1972, educational assistance will not be afforded later than October 23, 1982, based on a course or program of correspondence, apprentice, or other on-the-job training, approved under the provisions of § 21.4256, § 21.4261, or § 21.4262, except that VA may award educational assistance beyond October 23, 1982, if the eligible spouse qualifies for the extended period of eligibility as provided in paragraph (c)(3) of this section and § 21.3047.

(2) *Surviving spouses.* (i) For surviving spouses, the period of eligibility cannot exceed 10 years and can be extended only as provided in paragraph (c)(3) of this section and § 21.3047.

(3) *Extensions due to certain orders dated after September 10, 2001.* Notwithstanding any other provisions of this section, if a spouse or surviving spouse, during the eligibility period otherwise applicable to such individual under this section, serves on active duty pursuant to an order to active duty dated after September 10, 2001, issued under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304, or is involuntarily ordered by an order dated after September 10, 2001, to full-time National Guard duty under 32 U.S.C. 502(f), VA will grant the individual an extension of the ending date of his or her eligibility period. **§ 21.3100**

**38 CFR Ch. I (7-1-25 Edition)**

(iv) Is otherwise eligible for payment of educational assistance for the training pursuant to 38 U.S.C. chapter 35.

(2) In determining whether the eligible spouse or surviving spouse was prevented from initiating or completing the chosen program of education because of a physical or mental disability, VA will consider the following:

(i) It must be clearly established by medical evidence that such a program of education was medically infeasible.

(ii) An eligible spouse or surviving spouse who is disabled for a period of 30 days or less will not be considered as having been prevented from initiating or completing a chosen program, unless the evidence establishes that the eligible spouse or surviving spouse was prevented from enrolling or reenrolling in the chosen program of education, or was forced to discontinue attendance, because of the short disability.

(iii) VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct and will consider those disabling effects as physical or mental disabilities.

(b) *Commencing date.* The eligible spouse or surviving spouse shall elect the commencing date of an extended period of eligibility. The date chosen—

(1) Must be on or after the original date of expiration of eligibility as determined by § 21.3046(c); and

This will be the case even if the circumstances were not so severe as to preclude continuous pursuit of a program of education.

(4) In the first instance of a withdrawal after May 31, 1989, from a course or courses for which the eligible person received educational assistance under title 38 U.S.C. or under chapter 1606, title 10 U.S.C., VA will consider that mitigating circumstances exist with respect to courses totaling not more than six semester hours or the equivalent. (Authority: 38 U.S.C. 3680(a)(4); Pub. L. 100-689)

VA will determine the stepchild's eligibility ending date as follows:

restorative training. After the counseling psychologist or vocational rehabilitation counselor completes this task, he or she will refer the case to the Vocational Rehabilitation Panel. The panel will consider whether—

(1) There exists a handicap which will interfere with pursuit of a program of education;

(2) The period of special restorative training materially will improve the child's, spouse's, or surviving spouse's ability to:

(i) Pursue a program of education,

(ii) Pursue a program of specialized vocational training,

(iii) Obtain continuing employment in a sheltered workshop, or

(iv) Adjust in his or her family or community;

(3) The special restorative training may be pursued concurrently with a program of education;

(4) Training will affect adversely the child's, spouse's, or surviving spouse's mental or physical condition;

(5) In the case of a child, whether it is in the best interest of the child to begin special restorative training after his or her 14th birthday; and

(6) The Department of Veterans Affairs:

(i) Has considered assistance available under provisions of State-Federal programs for education of individuals with disabilities; and

(ii) Has determined that it is in the eligible person's interest to receive benefits under 38 U.S.C. chapter 35.

(Authority: 38 U.S.C. 3501, 3540, 3541(a), 3543)

(b) *Report.* The Vocational Rehabilitation Panel will prepare a written report of its findings and recommendations as to the need for assistance and the types of assistance which should be provided. The report will be sent to the counseling psychologist or vocational rehabilitation counselor.

(c) *Development and implementation.* Following consultation with the panel and receipt of the panel's report, the counseling psychologist or vocational rehabilitation counselor will determine the need for and feasibility of special restorative training. If this determination is affirmative, the counseling psychologist or vocational rehabilitation counselor will prepare an individual-

ized written plan comparable to a plan for an extended evaluation under 38 U.S.C. chapter 31. In the case of an eligible person who is a spouse or surviving spouse, or a child who has attained majority under laws applicable in his or her State of residence, the plan will be developed jointly with the spouse or surviving spouse, or the child, respectively. In the case of an eligible person who has a guardian or has not attained majority under laws applicable in his or her State of residence, the plan will be developed jointly with the eligible person and his or her parent or guardian (see §21.3021(d)).

(Authority: 38 U.S.C. 3501, 3541(a))

(d) *Notification of disallowance.* When an eligible person, or a parent or guardian on behalf of an eligible person, has requested special restorative training, and the counseling psychologist or vocational rehabilitation counselor finds that this training is not needed or will not materially improve the eligible person's condition, VA will inform the eligible person, except that VA will inform his or her parent or guardian (see §21.3021(d)) if the eligible person has a guardian or has not attained majority under laws applicable in his or her State of residence, in writing of the finding and of his or her appeal rights.

(Authority: 38 U.S.C. 3501, 3540, 3543, 5104)

(e) *Reentrance after interruption.* The case of an eligible person shall be referred to the panel for consideration of whether the eligible person may be permitted reentrance into special restorative training following interruption. The panel will recommend approval to the Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) if there is a reasonable expectation that the purpose of special restorative training will be accomplished. See §21.3306.

### § 21.3303 Extent of training.

(a) *Length of special restorative training.* Ordinarily, special restorative training may not exceed 12 months. When the counseling psychologist or vocational rehabilitation counselor, after consulting with the Vocational Rehabilitation Panel, determines that more than 12 months of training is necessary, he or she will refer the program to the Executive Director, Veteran Readiness and Employment (VR&E) Service for prior approval. Where the plan for a program of special restorative training itself (not in combination with the program of education) will require more than 45 months (or its equivalent in accelerated payments) the plan will be included in the recommendation to the Executive Director, VR&E Service for approval.

(Authority: 38 U.S.C. 3543(b))

(b) *Ending dates of eligibility.* (1) No child may receive special restorative training after reaching the end of his

or her eligibility period as determined under § 21.3041.

(Authority: 38 U.S.C. 3512)

(c) *Full-time training.* An eligible person will pursue special restorative training on a full-time basis.

(1) Full-time training requires training for:

(i) That amount of time per week which commonly is required for a full-time course at the educational institution when, based on medical findings, the Department of Veterans Affairs determines that the eligible person's physical or mental condition permits training for that amount of time, or

(ii) The maximum time per week permitted by the eligible person's disability, as determined by the Department of Veterans Affairs, based on medical findings, if the disability precludes the weekly training time stated in paragraph (c)(1)(i) of this section.

(2) If the hours per week that can reasonably be devoted to restorative training will not of themselves equal the time required by paragraph (c)(1) of this section, the course will be supplemented with subject matter which will contribute toward the objective of the program of education.

eligible person is progressing satisfactorily. When the counseling psychologist or vocational rehabilitation counselor determines that adjustments are needed in the course or in the training situation, he or she will act immediately to bring about the adjustments in accordance with the following:

(1) When the eligible person or his or her instructor indicates dissatisfaction with elements of the program, the counseling psychologist or vocational rehabilitation counselor, through personal discussion with the eligible person or his or her instructor or both, will, if possible, correct the difficulty through such means as making minor adjustments in the course or by persuading the eligible person to give more attention to performance.

(2) When major difficulties cannot be corrected, the counseling psychologist or vocational rehabilitation counselor will prepare a report of pertinent facts and recommendations for action in consultation with the Vocational Rehabilitation Panel.

(3) Action will be taken to terminate the eligible person's course at the proper time so that his or her entitlement may be conserved when the counseling psychologist or vocational rehabilitation counselor determines that:

(i) The eligible person is progressing much faster than anticipated, and

(ii) The eligible person's course may be terminated with satisfactory results before the time originally planned.

### § 21.3305 "Interrupted" status.

(a) *Special restorative training should be uninterrupted.* An eligible person once entered into special restorative training should pursue his or her course to completion without interruption. Wherever possible, continuous training shall be provided for each eligible person, including training during the summer, except where, because of his or her physical condition or other good reason, it would not be to his or her best interest to pursue training. As long as the eligible person is progressing satisfactorily toward overcoming the effects of his or her dis-

ability(ies), the eligible person will be continued in his or her course of training without accounting for days of non-attendance within the authorized enrollment.

(Authority: 38 U.S.C. 3541)

(b) *Interrupting special restorative training.* Special restorative training will be interrupted as necessary under the following conditions:

(1) During summer vacations or periods when no instruction is given before and after summer sessions.

(2) During a prolonged period of illness or medical infeasibility.

(3) When the eligible person voluntarily abandons special restorative training.

### § 21.3306 Reentrance after interruption.

When a course of special restorative training has been interrupted and the eligible person presents himself or herself for reentrance, the Department of Veterans Affairs will act as follows:

(a) *Reentrance without corrective action.* A counseling psychologist or vocational rehabilitation counselor will approve reentrance when special restorative training was interrupted:

(1) For a scheduled vacation period, such as a summer break,

(b) *Consultation with Vocational Rehabilitation Panel.* (1) A counseling psychologist or vocational rehabilitation counselor will consult with the Vocational Rehabilitation Panel when special restorative training was interrupted—

(i) By reason of failure to maintain satisfactory conduct or progress, or

(ii) For any other reason, which requires corrective action, such as changes of place of training, change of course, personal adjustment, etc.

(2) If the counseling psychologist or vocational rehabilitation counselor determines that the conditions which caused the interruption can be overcome, he or she will approve the necessary adjustment.

(3) The counseling psychologist or vocational rehabilitation counselor will make a finding of infeasibility if—

(i) All efforts to effect proper adjustment in the case have failed; and

(ii) There is substantial evidence, resolving any reasonable doubt in favor of the eligible person (as discussed in § 3.102 of this chapter), that additional efforts will be unsuccessful.

**§ 21.3307 “Discontinued” status.**

(a) *Placement in “discontinued” status.* If reentrance from *interrupted* status into a program of special restorative training is not approved under the provisions of § 21.3306, a counseling psychologist or vocational rehabilitation counselor will place the case in *discontinued* status.

(b) *Notification.* In any case of discontinuance the Department of Veterans Affairs will:

(1) Notify the eligible person of the action taken, except that if the eligible person has a guardian or has not attained majority under laws applicable in his or her State of residence, VA will notify his or her parent or guardian (see § 21.3021(d)) of the action taken.

(2) Inform the eligible person of his or her potential right to a program of education, except that if the eligible person has a guardian or has not attained majority under laws applicable in his or her State of residence, VA will

### § 21.4005 Conflicting interests.

For the purposes of this section, a person will be considered to be an “officer” of the State approving agency or VA when he or she has authority to exercise supervisory authority, and “educational institution” includes an organization or entity offering licensing or certification tests.

(Authority: 38 U.S.C. 3683, 3689)

(a) *A conflict of interest can cause the dismissal of a VA or State approving agency officer or employee and other adverse consequences.* (1) An officer or employee of VA will be immediately dismissed from his or her office or employment, if while such an officer or employee he or she has owned any interest in, or received any wages, salary, dividends, profits, gratuities, or services from any educational institution operated for profit—

(i) In which a veteran or eligible person was pursuing a course of education under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, 33, 35, or 36; or

(ii) Offering a licensing or certification test that is approved for payment of educational assistance under 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 33, or 35 to veterans, reservists, or eligible individuals who take that test.

(2) Except as provided in paragraph (a)(3) or (c) of this section, VA will discontinue payments under § 21.4153 to a State approving agency when the Secretary finds that any individual who is an officer or employee of a State approving agency has, while he or she was such an officer or employee, owned any interest in, or received any wages, salary, dividends, profits, gratuities, or services from any educational institution operated for profit—

(i) In which a veteran or eligible person was pursuing a course of education or training under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, 33, 35, or 36; or

(ii) Offering a licensing or certification test that is approved for payment of educational assistance under 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 33, or 35 to veterans, reservists, or eligible individuals who take that test.

(3) VA will not discontinue payments to a State approving agency under paragraph (a)(2) of this section if the State approving agency, after learning that it has any officer or employee described in that paragraph, acts without delay to end the employment of that individual.

(4) If VA discontinues payments to a State approving agency pursuant to paragraph (a)(2) of this section, VA will not resume these payments while such an individual is an officer or employee of the:

(i) State approving agency;

(ii) State Department of Veterans Affairs; or

(iii) State Department of Education.

(5) A State approving agency will not approve any course offered by an educational institution operated for profit and, if any such course has been approved, will disapprove each such course, if it finds that any officer or employee of the Department of Veterans Affairs, or the State approving agency owns an interest in, or receives any wages, salary, dividends, profits, gratuities, or service from, such educational institution.

(6) If a State approving agency finds that any officer or employee of VA or of the State approving agency owns an interest in, or receives wages, salary, dividends, profits, gratuities, or services from an organization or entity, operated for profit, that offers licensing or certification tests, the State approving agency:

(i) Will not approve any licensing or certification test that organization or entity offers; and

(ii) Will withdraw approval of any licensing or certification test that organization or entity offers.

(7) The Secretary may, after reasonable notice, and public hearings if requested, waive in writing the application of this paragraph in the case of any officer or employee of the Department of Veterans Affairs or of a State approving agency, if it is found that no

detriment will result to the United States or to veterans or eligible persons by reason of such interest or connection of such officer or employee.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3683, 3689)

(b) *Waiver.* (1) Where a request is made for waiver of application of paragraph (a)(1) of this section, it will be considered that no detriment will result to the United States or to veterans or eligible persons by reason of such interest or connection of such officer or employee of the Department of Veterans Affairs, if the officer or employee:

(i) Acquired his or her interest in the educational institution by operation of law, or before the statute became applicable to the officer or employee, and his or her interest has been disposed of and his or her connection discontinued, or

(ii) Meets all of the following conditions:

(A) His or her position involves no policy determinations, at any administrative level, having to do with matters pertaining to payment of educational assistance allowance, or special training allowance.

(B) His or her position has no relationship with the processing of any veteran's or eligible person's application for education or training.

(C) His or her position precludes him or her from taking any adjudicative action on individual applications for education or training.

(D) His or her position does not require him or her to perform duties involved in the investigation of irregular actions on the part of educational institutions or veterans or eligible persons in connection with 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 33, 35 or 36.

(E) His or her position is not connected with the processing of claims by, or payments to, schools, or their students enrolled under the provisions of 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 33, 35 or 36.

(F) His or her position is not connected in any way with the inspection, approval, or supervision of educational institutions desiring to train veterans or eligible persons or to offer a licens-

ing or certification test; or with the processing of claims by or making payments to veterans and eligible persons for taking an approved licensing or certification test.

(2) Where a request is made for waiver of application of paragraph (a) (2) of this section, it will be considered that no detriment will result to the United States or to veterans or eligible persons by reason of such interest or connection of such officer or employee of a State approving agency, if the officer or employee:

(i) Acquired his or her interest in the educational institution by operation of law, or before the statute became applicable to the officer or employee, and his or her interest has been disposed of and his or her connection discontinued, or

(ii) Meets all of the following conditions:

(A) His or her position does not require him or her to perform duties involved in the investigation of irregular actions on the part of educational institutions or veterans or eligible persons in connection with 10 U.S.C. chapter 1606 or 38 U.S.C. chapters 30, 32, 33, 35 or 36.

(B) His or her work is not connected in any way with the inspection, approval, or supervision of educational institutions desiring to train veterans or eligible persons, or desiring to offer licensing or certification tests to veterans or eligible persons.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3683, 3689)

(c) *Authority.* (1) Authority is delegated to the Director, Education Service, and to the facility head in the cases of VA employees under his or her jurisdiction, to waive the application of paragraph (a)(1) of this section in the case of any VA employee who meets the criteria of paragraph (b)(1) of this section, and to deny requests for a waiver which do not meet those criteria. If the circumstances warrant, a waiver request may be submitted to the Secretary for a decision.

(2) Authority is delegated to the Director, Education Service, in cases of State approving agency employees to waive the application of paragraph

## § 21.4006

(a)(2) of this section in the case of anyone who meets the criteria of paragraph (b)(2) of this section, and to deny requests for a waiver which do not meet those criteria. If the circumstances warrant, a waiver request may be submitted to the Secretary for a decision.

(3) Authority is reserved to the Secretary to waive the requirement of paragraphs (a) (1) and (2) of this section in the case of an officer of the Department of Veterans Affairs or a State approving agency and in the case of any employee of either who does not meet the criteria of paragraph (b) of this section.

(Authority: 38 U.S.C. 512(a), 3683)

(d) *Notice when VA does not grant a requested waiver.* When VA has denied a request for waiver of application of paragraph (a)(1) or (a)(2) of this section, VA will immediately notify the State approving agency and the educational institution:

(1) That the approval of courses or licensing and certification tests offered by the educational institution must be withdrawn;

(2) The reasons for the withdrawal of approval; and

(3) The conditions that will permit the courses or such tests to be approved again.

(Authority: 38 U.S.C. 3683, 3689(d))

(e) *Notice to veterans, reservists, and eligible individuals.* (1) The veteran or eligible person will be notified in writing sent to his or her latest address of record when, in circumstances involving a finding of conflicting interests:

(ii) The State approving agency fails to disapprove the course or courses within 15 days after the date of written notice to the agency, and no waiver has been requested, or

(iii) Waiver has been denied.

(2) The veteran or eligible person will be informed that he or she may apply for enrollment in an approved course in another educational institution, but that in the absence of such transfer, educational assistance allowance payments will be discontinued effective

### § 21.4009 Waiver or recovery of overpayments.

For the purposes of this section, “educational institution” includes an organization or entity offering licensing or certification tests.

## 38 CFR Ch. I (7–1–25 Edition)

(a) *General.* (1) The amount of the overpayment of educational assistance allowance or special training allowance paid to a veteran or eligible person constitutes a liability of that veteran or eligible person.

(2) The amount of the overpayment of educational assistance allowance or special training allowance paid to a veteran or eligible person constitutes a liability of the education institution if the Department of Veterans Affairs determines that the overpayment was made as the result of willful or negligent:

(i) Failure of the educational institution to report, as required by §§ 21.4203 and 21.4204, discontinuance or interruption of a course by a veteran, reservist or eligible person, or

(ii) False certification by the educational institution.

(3) If it appears that the falsity or misrepresentation was deliberate, the Department of Veterans Affairs may not pursue administrative collection pending a determination whether the matter should be referred to the Department of Justice for possible civil or criminal action. However, the Department of Veterans Affairs may recover the amount of the overpayment from the educational institution by administrative collection procedure when the Department of Veterans Affairs determines the false certification or misrepresentation resulted from an administrative error or a misstatement of fact and that no criminal or civil action is warranted.

(4) If the Department of Veterans Affairs recovers any part of the overpayment from the educational institution, it may reimburse the educational institution, if the Department of Veterans Affairs subsequently collects the overpayment from a veteran or eligible person. The reimbursement—

(i) Will be made when the total amount collected from the educational institution and from the veterans and eligible persons (less any amount applied toward marshal fees, court costs, administrative cost of collection and interest) exceeds the total amount for which the educational institution is liable, and

(ii) Will be equal to the excess.

## Department of Veterans Affairs

§ 21.4009

(5) This paragraph does not preclude the imposition of any civil or criminal liability under this or any other law.

(b) *Reporting.* (1) If a school is required to make periodic or other certifications, the Department of Veterans Affairs may consider the following in determining whether a school is potentially liable for an overpayment:

(i) The school's failure to report, or to report timely facts which resulted in an overpayment, or

(ii) The school's submission of an incorrect certification as to fact.

(2) In either instance the Department of Veterans Affairs will consider other pertinent factors such as:

(i) Allowing for occasional clerical error or occasional administrative error:

(ii) The school's past reliability in reporting;

(iii) The adequacy of the school's reporting system; and

(iv) The extent of noncompliance with reporting requirements.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685)

(c) *Committee on School Liability.* (1) Each VA Regional Processing Office shall have a Committee on School Liability. For the purposes of this section, the Manila Regional Office is considered the VA Regional Processing Office of jurisdiction for educational institutions located in the Philippines.

(2) The Secretary delegates to each Committee on School Liability, and to any panel that the chairperson of the Committee may designate and draw from the Committee, the authority to find whether an educational institution is liable for an overpayment.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(d) *Initial decision.* (1) The Education Officer of the VA Regional Processing Office of jurisdiction, or the Service Center Manager when the Manila Regional Office is considered the VA Regional Processing Office of jurisdiction, will decide whether there is evidence that would warrant a finding that an educational institution is potentially liable for an overpayment.

(2) Following each finding of potential liability, the Finance Officer of the VA Regional Processing Office of jurisdiction will notify the educational institution in writing of VA's intent to apply the liability provisions of paragraph (a) of this section. The notice will—

(i) Identify the students who were overpaid;

(ii) Identify the veterans and eligible persons who took the licensing or certification test and were overpaid;

(iii) Set out in the case of each student, or in the case of each veteran or eligible person who took the test, the educational institution's actions or omissions which resulted in the finding that the educational institution was potentially liable for the overpayment; and

(iv) State that VA will determine liability on the basis of the evidence of record unless the VA Regional Processing Office of jurisdiction receives additional evidence or a request for a hearing within 30 days of the date the educational institution received the notice.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(e) *Hearings.* An educational institution is entitled to a hearing before a panel drawn from the Committee on School Liability before a decision is made as to whether it is liable for an overpayment. Every hearing will be preceded by a prehearing conference unless the conference is waived by the educational institution. The Committee on School Liability will consider all evidence and testimony presented at the hearing.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(f) *Extent of liability.* Waiver of collection of an overpayment as to a veteran, reservist, or eligible person will not relieve the educational institution of liability for the overpayment. Recovery in whole or in part from the veteran, reservist, or eligible person will limit such liability accordingly. If an overpayment has been recovered from the educational institution and the veteran, reservist, or eligible person subsequently repays the amount in whole

## § 21.4020

or in part, the amount repaid will be reimbursed to the educational institution.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(g) *Notice to educational institution.* The educational institution shall be notified in writing of the decision of the Committee on School Liability. If the educational institution is found liable for an overpayment, the educational institution also will be notified of the right to appeal the decision to the Central Office School Liability Appeals Board within 60 days from the date of the letter to the educational institution containing notice of the decision. The 60-day time limit may be extended to 90 days at the discretion of the chairperson of the Committee on School Liability. The appeal must be in writing setting forth fully the alleged errors of fact and law. If an appeal is not received within the 60-day time limit, the Committee decision is final.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(h) *Appeals.* An appeal will be forwarded to Central Office where it will be considered by the School Liability Appeals Board. The Board's decision will serve as authority for instituting collection proceedings, if appropriate, or for discontinuing collection proceedings instituted on the basis of the original decision of the Committee on School Liability in any case where the Board reverses a decision made by the Committee that the educational institution is liable.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(i) *Review.* Review by the School Liability Appeals Board is limited to the issues raised by the educational institution and shall be on the record and not de novo in character. The Board may affirm, modify or reverse a decision of the Committee on School Liability or may remand an appeal for further consideration by the appropriate Committee on School Liability. If new and material evidence is discovered while the School Liability Appeals Board is considering a case, the Board

## 38 CFR Ch. I (7-1-25 Edition)

may remand the case to the appropriate Committee on School Liability.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(j) *Finality of decisions.* The School Liability Appeals Board has authority to act for the Secretary in deciding appeals concerning an educational institution's liability for an overpayment. There is no right of additional administrative appeal of a decision of the School Liability Appeals Board.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3241(a), 3323(a), 3685, 3689(d))

(iv) The Director of the VA Regional Processing Office of jurisdiction has not acted under paragraph (a)(4) of this section to prevent advance payments being made to the veteran's, servicemember's, reservist's, or eligible person's educational institution;

(v) There is no evidence in the veteran's, servicemember's, reservist's, or

eligible person's claim file showing that he or she is not eligible for an advance payment;

(vi) The period for which the veteran, servicemember, reservist, or eligible person has requested a payment either—

(A) Is preceded by an interval of non-payment of 30 days or more; or

(B) Is the beginning of a school year that is preceded by a period of non-payment of 30 days or more; and

(vii) The educational institution or the veteran, servicemember, reservist, or eligible person has submitted the certification required by § 21.7151.

(2) The amount of the advance payment to a veteran, reservist, or eligible person is the educational assistance for the month or fraction thereof in which the term or course will begin plus the educational assistance for the following month. The amount of the advance payment to a servicemember is the amount payable for the entire term, quarter, or semester, as applicable.

(3) VA will mail advance payments to the educational institution for delivery to the veteran, servicemember, reservist, or eligible person. The educational institution will not deliver the advance payment check more than 30 days in advance of the first date of the period for which VA makes the advance payment.

(4) The Director of the VA Regional Processing Office of jurisdiction may direct that advance payments not be made to individuals attending an educational institution if:

(i) The educational institution demonstrates an inability to comply with the requirements of paragraph (a)(3) of this section;

(ii) The educational institution fails to provide adequately for the safekeeping of the advance payment checks before delivery to the veteran, servicemember, reservist, or eligible person or return to VA; or

(iii) The Director determines, based on compelling evidence, that the educational institution has demonstrated its inability to discharge its responsibilities under the advance payment program.

(b) *Lump-sum payments.* A lump-sum payment is a payment of all educational assistance due for an entire quarter, semester, or term. VA will make a lump-sum payment to:

(1) A veteran or servicemember pursuing a program of education at less than the half-time rate under 38 U.S.C. chapter 30;

(2) A servicemember pursuing a program of education at the half-time rate or greater under 38 U.S.C. chapter 30, provided that VA did not make an advance payment to the servicemember for the term for which a lump-sum payment would otherwise be due; and

(3) An eligible person pursuing a program of education at less than the half-time rate under 38 U.S.C. chapter 35.

(c)–(d) [Reserved]

(e) *Other payments.* An individual must be pursuing a program of education in order to receive payments. To ensure that this is the case the provisions of this paragraph must be met.

(1) VA will pay educational assistance to an individual (other than one pursuing a program of apprenticeship or other on-job training or a correspondence course, one who qualifies for an advance payment or one who qualifies for a lump-sum payment) only after—

(i) The educational institution has certified his or her enrollment as provided in §21.4203; and

(ii) VA has received from the individual a verification of the individual's enrollment or verification of pursuit and continued enrollment, as appropriate. Generally, this verification will be required monthly, resulting in monthly payments.

(2) VA will pay educational assistance to an individual pursuing a program of apprenticeship or other on-job training only after—

(i) The training establishment has certified his or her enrollment in the training program as provided in §21.4203; and

(ii) VA has received from the training establishment a certification of hours worked.

(3) VA will pay educational assistance to an individual who is pursuing a correspondence course only after—

(i) The educational institution has certified his or her enrollment;

(ii) VA has received from the individual a certification as to the number of lessons completed and serviced by the educational institution; and

(iii) VA has received from the educational institution a certification or an endorsement on the individual's certificate, as to the number of lessons completed by the individual and serviced by the educational institution.

(f) *Payment for intervals and temporary school closings before August 1, 2011.* VA may authorize payment for an interval or for a temporary school closing that occurs within a certified enrollment period. If a school closing that is or may be temporary occurs during an interval, VA will apply any applicable provisions in paragraphs (f)(1) through (f)(5) of this section concerning intervals and in paragraph (f)(6) of this section concerning temporary school closings. For the purposes of this paragraph, *interval* means a period without instruction between consecutive school terms, quarters, or semesters or a period without instruction between a summer term and a term, quarter, or semester. (See definitions of divisions of the school year in §21.4200(b).)

(1) *Payment for intervals.* In determining whether a student will be paid for an interval, VA will first review the provisions of paragraph (f)(2) of this section. If none of the provisions apply, VA will review the provisions of paragraphs (f)(3), (f)(4), and (f)(5) of this section to determine if payments may be made for the interval. In determining the length of a summer term, VA will disregard a fraction of a week consisting of 3 days or less, and will consider 4 days or more to be a full week.

(2) *Restrictions on payment for intervals.* VA will make no payment for an interval if:

(i) The student is training at less than the half-time rate on the last day of training during the term, quarter, semester, or summer term preceding the interval;

(ii) The student is on active duty;

(iii) The student requests, prior to authorization of an award or prior to negotiating the check, that no benefits be paid for the interval period;

(iv) The student's entitlement applicable to such payment will be exhausted by receipt of such payment,

and it is to the advantage of the student not to receive payment;

(v) The interval occurs between school years at a school that is not organized on a term, quarter, or semester basis,

(vi) The student withdraws from all courses in the term, quarter, semester, or summer session preceding the interval, or discontinues training before the scheduled start of an interval in a school not organized on a term, quarter, or semester basis; or

(vii) The student receives an accelerated payment for the term, quarter, semester, or summer session preceding the interval.

(3) *Payment for interval between periods of enrollment at different schools.* If the student transfers from one approved school for the purpose of enrolling in and pursuing a similar course at the second school, VA may make payments for an interval that does not exceed 30 days. If the student does not enroll in a similar course at the second school, VA may not make payments for the interval.

(4) *Payment for intervals that occur at the same school.* (i) If the student remains enrolled at the same school, VA may make payment for an interval which does not exceed 8 weeks and which occurs between:

(A) Semesters or quarters,

(B) A semester or quarter and a term that is at least as long as the interval,

(C) A semester or quarter and a summer term that is at least as long as the interval,

(D) Consecutive terms (other than semesters or quarters) provided that both terms are at least as long as the interval, or

(E) A term and summer term provided that both the term and the summer term are at least as long as the interval.

(ii) If the student remains enrolled at the same school, VA may make payment for an interval that does not exceed 30 days and that occurs between summer sessions within a summer term.

(5) *Payment for intervals that occur between overlapping enrollments.* (i) If a student is enrolled in overlapping enrollment periods whether before or after an interval (either at the same or

different schools), VA will determine whether the student is entitled to payment for the interval between the overlapping enrollment periods, and what dates the interval and enrollment periods will be considered to begin and end, as follows:

(A) By treating the ending date of each enrollment period as though it were the student's last date of training before the interval,

(B) By treating the beginning date of each enrollment period as though it were the student's first date of training after the interval,

(C) By examining the interval payment that would be made to the student on the basis of the various combinations of beginning and ending dates, and

(D) By choosing the ending date and beginning date that result in the highest payment rate as the start and finish of the interval for VA measurement purposes.

(ii) VA will not reduce the interval rate of payment as a result of training the student may take during the interval, but VA will increase the interval rate of payment if warranted by such training.

(6) *Payment for temporary school closings.* VA may authorize payment for temporary school closings that are due to emergencies (including strikes) or established policy based upon an Executive Order of the President. If a school closing that is or may be temporary occurs in whole or in part during an interval, VA will first review the provisions of paragraphs (f)(2) through (f)(5) of this section to determine if payment may be continued during the interval.

(i) If payment would not be inconsistent with the provisions of paragraphs (f)(2) through (f)(5) of this section, a determination to authorize payment for a period of a temporary school closing, or to not authorize payment if, in the judgment of the VA official specified in this paragraph, either the school closing will not be temporary or payment would not otherwise be in accord with this section, or both, will be made by:

(A) The Director of the VA Regional Processing Office of jurisdiction if:

(1) The reason for the school closing does not result in the closing of a

## §21.4138

school or schools in the jurisdiction of the Director of another VA Regional Processing Office, and

(2) If the reason for the closing is a strike, the strike has lasted 30 days or less and is not anticipated to last more than 30 days.

(B) The Director, Education Service if:

(1) The reason for the school closing results in the closing of schools in the jurisdiction of more than one Director of a VA Regional Processing Office, or

(2) The reason for the closing is a strike and the strike lasts, or is anticipated to last, more than 30 days.

(ii) A school that disagrees with a decision made under paragraph (f)(6) of this section may request an administrative review. The review request must be submitted in writing and received by the Director of the VA Regional Processing Office of jurisdiction within one year of the date of VA's letter notifying the school of the decision. A review of the decision will include the evidence of record and any other pertinent evidence the school may wish to submit. The affirmation or reversal of the initial decision based on an administrative review is final. The review will be conducted by the—

(A) Director, Education Service, if the Director of the VA Regional Processing Office of jurisdiction made the initial decision to continue or discontinue payments.

(B) Under Secretary for Benefits, if the Director, Education Service, made the initial decision to continue or discontinue payments.

(g) *Payment for temporary school closings after July 31, 2011.* (1) Subject to paragraph (g)(2) of this section, VA may authorize payment for a temporary school closing that occurs during a certified period of enrollment if the closing is due to an emergency (including a strike) or established policy based on an Executive order of the President.

(2) An individual may not receive more than 4 weeks of payment for temporary school closings in any 12-month period.

(3) The decision as to whether a school closing is permanent or temporary will be made by—

(i) The director of the VA regional processing office of jurisdiction; or

(ii) The Director, Education Service, if the emergency or established policy based on an Executive Order of the President results in the closing of schools in the jurisdiction of more than one VA regional processing office.

(4) A school that disagrees with a decision made under paragraph (g)(3) of this section may request an administrative review. The review request must be submitted in writing and received by the director of the VA regional processing office of jurisdiction, or the Director, Education Service, whoever made the decision under paragraph (g)(3) of this section, within one year of the date of VA's letter notifying the school of the decision. A review of the decision will include the evidence of record and any other pertinent evidence the school may wish to submit. The affirmation or reversal of the initial decision based on an administrative review is final. The review will be conducted by the—

(i) Director, Education Service, if the director of the VA regional processing office of jurisdiction made the initial decision to continue or discontinue payments.

(ii) Under Secretary for Benefits, if the Director, Education Service, made the initial decision to continue or discontinue payments.

(b) *Selection criteria.* Whenever feasible, the Department of Veterans Affairs will give priority in selection for this allowance to veterans with service-connected disabilities rated at 30 percent or more. (d) *Rate of payment.* In return for the veteran's, reservist's, or eligible person's agreement to perform services for VA totaling not more than 25 hours times the number of weeks contained in an enrollment period, VA will pay an allowance in an amount equal to the higher of:

(1) The hourly minimum wage in effect under section 6(a) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)) times the number of hours the veteran, reservist, or eligible person has agreed to work; or

(ii) Will be subject to recovery the same as any other debt due the United States.

(2) The amount of indebtedness for each hour of unperformed service shall equal the hourly wage that formed the basis of the contract.

### §21.4146 Assignments of benefits prohibited.

(a) *General.* Section 5301(a), Title 38 U.S.C., provides that payments of benefits due or to become due under the laws administered by the Department of Veterans Affairs shall not be assigned, except to the extent specifically authorized by law. No law specifically authorizes assignments of educational assistance allowances payable under 38 U.S.C. chapters 30, 32, 33, 35, or 36, or 10 U.S.C. chapter 1606, and therefore none shall be made.

(b) *Designating an attorney-in-fact.* In any case where a payee of an educational assistance allowance has designated the address of an attorney-in-fact as the payee's address for the purpose of receiving his or her benefit check and has executed a power of attorney giving the attorney-in-fact authority to negotiate such benefit check, such action shall be deemed to be an assignment and is prohibited.

(c) *Arrangements amounting to an assignment.* Payments may be made to a post office box address or a bank address only if the educational institution (other than an organization or entity offering a licensing or certification test) attests that it has not entered into an assignment agreement with the student, and is not the attorney-in-fact of the student with power to negotiate an educational assistance

check on behalf of the student and is not otherwise able to control the proceeds of the benefits check. Such statements shall be subject to review and when determined to be false, may be cause for creation of an overpayment to the account of the veteran or other eligible person, for which the educational institution (other than an organization or entity offering a licensing or certification test) may be liable under the provisions of § 21.4009.

(d) *Correspondence school addresses.* A request by a veteran or other eligible person to send the benefit check payable to him or her at an address which is an educational institution primarily engaged in correspondence course instruction will be presumed not to be the actual address of the veteran or other eligible person and will not be honored. Benefits checks will not be sent to the veteran or other eligible person in that event until a new address is provided designating the individual's mailing address.

(e) *Referral to Committee on Educational Allowances.* When the evidence of record indicates that an educational institution has violated the terms of this section, the matter will be referred to the facility Committee on Educational Allowances as provided in §§ 21.4210(g) and 21.4212.

(c) *Development, adoption and application of qualification and performance standards for employees of State approving agencies.* (1) VA shall:

(ii) Prescribe those standards for State approving agency use in the development of qualification and performance standards for State approving agency personnel carrying out approval responsibilities under a contract or agreement as provided in §21.4153(a) of this part; and

(iii) Review the prototype qualification and performance standards with the State approving agencies no less frequently than once every five years.

(2) In developing and applying standards described in paragraph (d)(1) of this section, a State approving agency may take into consideration the State's merit system requirements and other local requirements and conditions. However, no State approving

agency may develop, adopt or apply qualification or performance standards that do not meet the requirements of paragraph (d)(3) of this section.

(3) The qualification and performance standards adopted by the State approving agency shall describe a level of qualification and performance which shall equal or exceed the level of qualification and performance described in the prototype qualification and performance standards developed by VA with the State approving agencies. The State approving agency may amend or modify its adopted qualification and performance standards annually as circumstances may require.

(4) VA shall provide assistance in developing these standards to a State approving agency that requests it.

(i) Is accredited for degree programs by a recognized accrediting agency, or

(k) *Punitive grade.* The term means a grade assigned for pursuit of a course which is used in determining the student's overall progress toward completion of the school's requirements for graduation. (1) School records show that, prior to the establishment of the additional teaching site, at least 20 students or 5 percent of the enrollment, whichever is the lesser, on the main campus or parent facility were regularly commuting from the area where the additional teaching site is located; or

(2) Other comparable evidence clearly shows that students commute regularly between the two locations.

EDITORIAL NOTE: For FEDERAL REGISTER citations affecting § 21.4200, see the List of CFR Sections Affected, which appears in the Finding Aids section of the printed volume and at [www.govinfo.gov](http://www.govinfo.gov).

### **§ 21.4201 Restrictions on enrollment; percentage of students receiving financial support.**

(a) *General.* Except as otherwise provided in this section the Department of Veterans Affairs shall not approve an enrollment in any course for an eligible veteran, not already enrolled, for any period during which more than 85 percent of the students enrolled in the course are having all or part of their tuition, fees or other charges paid for them by the educational institution or by VA under title 38, U.S.C., or under title 10, U.S.C. This restriction may be waived in whole or in part.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(b) *Affected schools.* The requirements of paragraph (a) of this section apply to all courses not otherwise exempt or waived offered by all educational institutions, regardless of whether the institution is degree-granting, proprietary profit, proprietary nonprofit, eleemosynary, public and/or tax-supported.

(c) *Affected courses.* (1) The following courses or programs are exempt from the requirements of paragraph (a) of this section:

- (i) Any farm cooperative course; and
- (ii) Any course offered by a flying club established, organized and operated pursuant to regulations of a military department of the Armed Forces as *nonappropriated sundry fund activities* which are governmental instrumentalities.

(2) The provisions of paragraph (a) of this section apply to the enrollment of a serviceperson in a course leading to a high school diploma, equivalency certificate, or a refresher, remedial or deficiency course, but they do not apply to the enrollment of a veteran in such a course.

(3) Except as provided in paragraph (c)(2) of this section, the provisions of paragraph (a) of this section do not apply to an approved course which:

(i) Is offered under contract with the Department of Defense,

(ii) Is on or immediately adjacent to a military base, or a facility of the National Guard (including the Air National Guard) or the Selected Reserve,

(iii) Has been approved by the State approving agency of the State:

(A) Where the base is located or

(B) Where the parent school is located if the course is offered overseas, and

(iv) Is available only to:

(A) Military personnel and their dependents, or

(B) Military personnel, their dependents and civilian employees of a base located in a State, or

(C) Persons authorized by the base commander to attend the course provided the base is located outside the United States.

(D) In the case of a course offered on or immediately adjacent to a facility of the National Guard or the Selected Reserve, members of the National Guard, members of the Selected Reserve and their dependents.

(4) The provisions of paragraph (a) of this section generally do not apply to a course when the total number of veterans, eligible persons, and reservists receiving assistance under 38 U.S.C. chapters 30, 31, 32, 33, 35 and 36, and 10 U.S.C. chapter 1606, who are enrolled in the educational institution offering the course, equals 35 percent or less of the total student enrollment at the educational institution (computed separately for the main campus and any branch or extension of the institution). However, the provisions of paragraph (a) of this section will apply to such a course when—

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(i) The course is a course of Special Assistance for the Educationally Disadvantaged and a serviceperson enrolls in it, or

(ii) The Director of the Department of Veterans Affairs facility of jurisdiction has reason to believe that the enrollment of veterans and eligible persons in the course may exceed 85 percent of the total student enrollment in the course.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(d) *Applications for exemptions.* No applications are required for any exemptions except that found in paragraph (c)(4) of this section. To obtain an exemption as stated in paragraph (c)(4) of this section schools must submit reports as required in paragraph (f)(1) of this section.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(e) *Computing the 85–15 percent ratio—*  
 (1) *Determining when separate computations are required.* Except as provided in paragraph (c) of this section and in paragraph (e)(3) of this section, an 85–15 percent ratio must be computed for each course of study or curriculum leading to a separately approved educational or vocational objective. Computations will not be made for unit subjects, unless only one unit subject is approved by the State approving agency to be offered at a separate branch or extension of a school. Courses or curricula which are offered at separately approved branches or extensions, as well as courses or curricula leading to a secondary school diploma or equivalency certificate offered at any branch or extension, must have an 85–15 percent ratio computed separately from the same course offered at the parent institution. The count of students attending the branch may not be added to those attending the parent institution even for the same courses or curricula. However, the count of those attending courses or curricula offered at an additional facility, as opposed to a branch or extension, must be added to those attending the same course at the parent institution. Pursuit of a course or curriculum that varies in any way from a similar course, although it may have the same designation as the other similar course or curriculum, will require a separate 85–15 percent computation. A course or

curriculum will be considered to vary from another if there are different attendance requirements, required unit subjects are different, required completion length is different, etc.

(i) Separate courses for computation purposes in institutions of higher learning will be determined by general curriculum only until the point at which it is reasonable to assume a major field would be declared and after that point by specific curriculum.

(A) General 2-year curricula at 2-year institutions of higher learning, general curricula such as AA (Associate of Arts) or AS (Associate of Science) degrees with no major specified, will require separate computations for each curriculum. Terminal 2-year courses (*i.e.*, AAS (Associate of Applied Science), dental technology or auto mechanics certificate) and other associate degree courses where a field is specified must be computed separately for each objective.

(B) Students attending 4-year institutions of higher learning and graduate schools may be counted in general curricula such as BA (Bachelor of Art) and BS (Bachelor of Science) only until the normal point at which the school requires the student to declare a major subject. Then the 85–15 percent computation must be made for each specific curriculum, *i.e.*, BS (Bachelor of Science) in electrical engineering, MA (Master of Arts) in English, etc.

(ii) NCD (noncollege degree) courses must be computed separately by approved vocational objective. If several curricula lead to the same coded vocational objective, each must meet the 85–15 percent requirement separately, unless it can be shown that two or more courses are identical in all respects (scheduling, hours devoted to each unit subject, etc.). Branch or extension courses will be computed separately from courses at the parent facility. Courses offered on a full- and part-time basis which are identical in length and content will be combined for computing the ratio.

(2) *Assigning students to each part of the ratio.* In accordance with the provisions of paragraph (a) of this section, *non-supported students* are those students enrolled in the course who are having none of their tuition, fees or

other charges paid for them by the educational institution, or by VA under title 38, U.S.C., or under title 10, U.S.C., while *supported students* are those students enrolled in the course who are in receipt of institutional aid or VA educational assistance benefits (*i.e.*, having all or part of their tuition, fees or other charges paid for them by the educational institution, or by VA under chapter 36, title 38, United States Code, or under title 10, United States Code.). *Institutional aid* does not include Federal, state, or municipal grant funding, nor does it include matching funds provided by the educational institution through participation in such Federal, state, or municipal grant programs. Recipients of these funds are to be counted as non-supported students barring receipt of other institutional aid or VA educational assistance benefits.

(3) *Calculation.* (i) To determine if the requirement of paragraph (a) of this section has been met for all courses except flight courses the full-time equivalent, nonsupported students as defined by paragraph (e)(2) of this section will be compared to the full-time equivalent students enrolled in the course. If the full-time equivalent, nonsupported students do not equal at least 15 percent of the total full-time enrollment, the 85-15 percent requirement has not been met for the course. If a non-Department of Veterans Affairs student in a correspondence course has not completed a lesson nor made a payment toward the cost of the course during the 6-month period immediately prior to the computation, the student will not be counted in computing the 85-15 percent ratio.

(ii) The 85-15 percent ratio for flight courses shall be computed by comparing the number of hours of training received by or tuition charged to nonsupported students in the preceding 30 days to the total number of hours of training received by or tuition charged to all students in the same period. All approved courses offered under 14 CFR parts 141 and 142 at a flight school will be considered to be one course for the purpose of making this computation. Similarly, all other approved courses offered at a flight school will be considered to be one course for the purpose of

making this computation. In this computation hours of training or tuition charges for students enrolled—

(A) In the recreational pilot certification course and the private pilot certification course will be excluded;

(B) In a ground instructor certification course will be included;

(C) In courses approved under 14 CFR part 141, other than a ground instructor certification course, will be actual hours of logged instructional flight time or the charges for those hours; and

(D) In courses not approved under 14 CFR part 141, such as courses offered by flight simulator or courses for navigator or flight engineer, shall include ground training time or charges; actual logged instructional flight time or charges; and instructional time in a flight simulator or charges for that training.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(f) *Reports.* (1) Schools must submit to VA all calculations (those needed to support the exemption found in paragraph (c)(4) of this section as well as those made under paragraph (e)(3) of this section). If the school is organized on a term, quarter, or semester basis, it shall make that submission no later than 30 days after the beginning of the first term for which the school wants the exemption to apply. If the school is organized on a non-standard term basis, it shall make its submission no later than 30 days after the beginning of the first non-standard term for which the school wishes the exemption to apply. A school having received an exemption found in paragraph (c)(4) of this section shall not be required to certify that 85 percent or less of the total student enrollment in any course is receiving Department of Veterans Affairs assistance:

(i) Unless the Director of the VA facility of jurisdiction has reason to believe that the enrollment of eligible veterans and eligible persons in a specific course may exceed 85 percent of the total enrollment in a specific course, or

(ii) Until such time as the total number of veterans, eligible persons and reservists receiving assistance under 38

**§ 21.4201**

**38 CFR Ch. I (7-1-25 Edition)**

U.S.C. chapters 30, 31, 32, 33, 35 and 36, and 10 U.S.C. chapter 1606, who are enrolled in the educational institution offering the course, equals more than 35 percent of the total student enrollment at the educational institution (computed separately for the main campus and any branch or extension of the institution). At that time the procedures contained in paragraph (f)(2) of this section shall apply.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(2) The school must submit all calculations made under paragraph (e)(3) of this section to the Department of Veterans Affairs according to these time limits.

(i) If the school is organized on a term, quarter or semester basis, the calculations must be submitted no later than 30 days after the beginning of each regular school term (excluding summer sessions), or before the beginning date of the next term, whichever occurs first.

(ii) If a school is organized on a non-standard term basis, reports must be received by the Department of Veterans Affairs no later than 30 days after the beginning of each non-standard term.

(g) *Effect of the 85-15 percent ratio on processing new enrollments.* (1) The Department of Veterans Affairs will process new enrollments of eligible veterans (and servicepersons where this provision applies to them), in a course on the basis of the school's submission of the most recent computation showing that:

(i) The 85-15 percent ratio is satisfactory, or

(ii) The course is exempt under paragraph (c)(4) of this section.

(2) Except for those enrollments with a beginning date before or the same as the date the school completed the most recent computation, no benefits will be paid under 10 U.S.C. chapter 1606 or under 38 U.S.C. chapter 30, 32, 33, or 36, when that computation establishes that the course:

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(i) Neither has a satisfactory 85-15 percent ratio, nor

(ii) Is exempt under paragraph (c)(4) of this section.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(3) If a school fails to submit a timely computation, no benefits will be paid for:

(i) The enrollment of a serviceperson in a course leading to a secondary school diploma or an equivalency certificate if the enrollment has beginning dates beyond the expiration of the allowable computation period, or

(ii) The enrollment of a veteran in any course to which the provisions of paragraph (a) of this section apply if the enrollment has beginning dates beyond the expiration of the allowable computation period.

(4) Enrollments with later beginning dates may be processed only after the school certifies that:

(i) The proper ratio has been reestablished for the course, or

(ii) The course is exempt from the requirement under paragraph (c)(4) of this section.

(5) When a school shows a reestablished 85-15 percent ratio, each new veteran enrollment or enrollment of a serviceperson in a course leading to a secondary school diploma or an equivalency certificate which is submitted after reestablishment must be individually computed into the ratio to ensure that the 85 percent limitation is not again immediately exceeded. The Department of Veterans Affairs will require individual computations until:

(i) The end of the term for which the ratio was reestablished, or

(ii) The end of the calendar quarter during which the ratio was reestablished if the school is not operated on a term, quarter or semester basis.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3680A(d))

(6) Once a student is properly enrolled in a course which either meets the 85-15 percent requirement or which is exempt pursuant to paragraph (c) of this section, such a student may not have benefits for that course terminated because the 85-15 percent requirement subsequently is not met or because the course loses its exemption,

## Department of Veterans Affairs

as long as the student's enrollment remains continuous. A student enrolled in an institution organized on a term basis need not attend summer sessions in order to maintain continuous enrollment. An enrollment may also be considered continuous if a "break" in enrollment is wholly due to circumstances beyond the student's control such as serious illness.

(h) *Waivers.* Schools which desire a waiver of the provisions of paragraph (a) of this section for a course where the number of full-time equivalent supported students receiving VA education benefits equals or exceeds 85 percent of the total full-time equivalent enrollment in the course may apply for a waiver to the Director, Education Service. When applying, a school must submit sufficient information to allow the Director, Education Service, to judge the merits of the request against the criteria shown in this paragraph. This information and any other pertinent information available to VA shall be considered in relation to these criteria:

(1) Availability of comparable alternative educational facilities effectively open to veterans in the vicinity of the school requesting a waiver.

(2) General effectiveness of the school's program in providing educational and employment opportunities to the particular veteran population it serves. Factors to be considered should include, but are not limited to: percentage of veteran-students completing the entire course, graduate employment statistics, graduate salary statistics, satisfaction of Department of Education requirements regarding gainful employment (where applicable), other Department of Education metrics (such as student loan default rate), student complaints, industry endorsements, participation in and compliance with the Principles of Excellence program, established by Executive Order 13607 (where applicable), etc.

(3) Whether the educational institution's aid program appears to be consistent with or appears to undermine

the 85/15 rule's tuition and fee costs market validation mechanism.

### § 21.4203 Reports—requirements.

(a) *General.* All the reports required by this paragraph shall be in a form specified by the Secretary.

(1) Except as provided in paragraph (a)(2) of this section each educational institution, veteran and eligible person shall report without delay such information on enrollment, entrance, re-entrance, change in the hours of credit or attendance, pursuit, interruption and termination of attendance of each veteran or eligible person enrolled in an approved course as the Secretary may require and using a form specified by the Secretary. See paragraphs (b) through (h) of this section.

(2) An educational institution may delay in reporting the enrollment or reenrollment of a veteran or an eligible person until the end of the term, quarter, or semester when—

(i) The veteran or eligible person is enrolled in a program of independent study;

(ii) The veteran or eligible person is pursuing the program on a less than half-time basis;

§ 21.4203

38 CFR Ch. I (7-1-25 Edition)

(iii) The educational institution has asked the Director of the VA facility of jurisdiction in writing for permission to delay in making the report; and

(iv) The Director of the VA facility of jurisdiction has determined that it is not feasible for the educational institution to monitor interruption or termination of the veteran's or eligible person's pursuit of the program.

(3) An educational institution which disagrees with a decision of a Director of a VA facility as to whether it may delay reporting enrollments or reenrollments as provided in paragraph (a)(2) of this section may ask to have that decision reviewed by the Director, Education Service. That request must be made in writing to the Director of the VA facility within one year of the date of the letter notifying the educational institution of the original decision.

(4) An educational institution which, under paragraph (a)(2) of this section, is delaying the reporting of the enrollment or reenrollment of a veteran shall provide the veteran with notice of the delay at the time that the veteran enrolls or reenrolls.

(5) In addition, educational institutions must—

(Authority: 38 U.S.C. 3685; Pub. L. 99-576)

(i) Verify enrollment for each veteran and eligible person receiving an advance payment; and

(ii) Verify the delivery of advance payment check and education loan check for each veteran and eligible person receiving an advance payment or loan.

(6) Nothing in this section or in any section in 38 CFR part 21 shall be construed as requiring any institution of higher learning to maintain daily attendance records for any course leading to a standard college degree.

(Authority: 38 U.S.C. 3680(d), 3684, 3685, 3698; Pub. L. 95-202, Pub. L. 96-466; Pub. L. 99-576)

(b) *Certifications of enrollment.* All the reports required by this paragraph shall be in a form specified by the Secretary.

(1) VA requires that educational institutions report all entrances and re-entrances on a certification of enrollment.

(2) All educational institutions, regardless of the way in which they are organized, must clearly specify the course in which the veteran or eligible person is enrolled.

(3) Schools organized on a term, quarter or semester basis—

(i) May report enrollment for the term, quarter, semester, ordinary school year plus the following summer term.

(ii) May not report enrollment for a period that exceeds the ordinary school year plus the following summer term.

(iii) Must report the dates for the break between terms if—

(A) The certification covers two or more terms, and a term ends and the following term does not begin in the same or the next calendar month;

(B) The veteran or eligible person elects not to be paid for the intervals between terms;

(C) The certification covers two or more summer sessions; or

(D) The certification covers at least one summer session and at least one term which is not a standard semester or quarter.

(iv) Must submit a separate enrollment certification for each term, quarter or semester if the student—

(A) Is a veteran or eligible person pursuing a program on a less than half-time basis, or

(B) Is a serviceperson.

(Authority: 38 U.S.C. 3684(a); Pub. L. 99-576)

(v) Where a veteran or an eligible person, who is pursuing a course leading to a standard college degree, transfers between consecutive school terms from one approved institution to another approved institution, for the purpose of enrolling in, and pursuing, a similar course at the second institution, the veteran or eligible person shall, for the purpose of entitlement to the payment of educational assistance allowance be considered to be enrolled at the first institution during the interval, if the interval does not exceed 30 days, following the termination date of the school term of the first institution.

(Authority: 38 U.S.C. 3680)

(c) *Nonpunitive grade.* A school may assign a nonpunitive grade for a course

or subject in which the veteran or eligible person is enrolled even though the veteran or eligible person does not withdraw from the course or subject. When this occurs, the school must report the assignment of the nonpunitive grade in a form specified by the Secretary in time for VA to receive it before the earlier of the following dates is reached:

(1) Thirty days from the date on which the school assigns the grade, or

(2) Sixty days from the last day of the enrollment period for which the nonpunitive grade is assigned.

(d) *Interruptions, terminations and changes in hours of credit or attendance.* When a veteran or eligible person interrupts or terminates his or her training for any reason, including unsatisfactory conduct or progress, or when he or she changes the number of hours of credit or attendance, this fact must be reported to VA by the school in a form specified by the Secretary.

(1) If the change in status or change in number of hours of credit or attendance occurs on a day other than one indicated by paragraph (d)(2) or (3) of this section, the school will initiate a report of the change in time for the VA to receive it within 30 days of the date on which the change occurs. If the course in which the veteran or eligible person is enrolled does not lead to a standard college degree, and attendance must be certified for the course, the school may include the information on the monthly certification of attendance.

(2) If the enrollment of the veteran or eligible person has been certified by the school for more than one term, quarter or semester and the veteran or eligible person interrupts or terminates his or her training at the end of a term, quarter or semester within the certified period of enrollment, the school shall report the change in status to the Department of Veterans Affairs in time for the Department of Veterans Affairs to receive the report within 30 days of the last officially scheduled registration date for the next term, quarter or semester.

(3) If the change in status or change in the number of hours of credit or attendance occurs during the 30 days of a drop-add period, the school must report the change in status or change in the number of hours of credit or attendance to the Department of Veterans Affairs in time for the Department of Veterans Affairs to receive the report within 30 days from the last date of drop-add period or 60 days from the first day of the enrollment period, whichever occurs first.

(Authority: 38 U.S.C. 3684(a))

(e) *Correspondence courses.* Where the course in which a veteran is enrolled under 38 U.S.C. chapter 34 or a spouse or surviving spouse is enrolled under 38 U.S.C. chapter 35 is pursued exclusively by correspondence, the school will report by an endorsement on the veteran's or eligible spouse's or surviving spouse's certification the number of lessons completed by the veteran, spouse or surviving spouse and serviced by the school. Such reports will be submitted quarterly in a form specified by the Secretary.

(Authority: 38 U.S.C. 3680)

(f) *Certification.* All reports required by this paragraph must be in a form specified by the Secretary.

(1) *Courses not leading to a standard college degree.* (i) Except as provided in this paragraph VA requires that a certification of attendance be submitted monthly for each veteran or eligible person enrolled in a course not leading to a standard college degree. The fact that the course may be pursued on a quarter, semester or term basis will not relieve the veteran or eligible person and the school of this requirement. Unless exempted by this paragraph this requirement also applies to courses measured on a credit-hour basis. This requirement does not apply to—

(A) Courses measured on a credit-hour basis pursuant to footnote 6 of § 21.4270(a),

(B) A course pursued on a less than one-half-time basis,

(C) A course pursued by a service-person while on active duty, or

(Authority: 38 U.S.C. 3680(a)(2), 3688(a)(7); Pub. L. 99-576)

(2) *Courses leading to a standard college degree.* Schools which have veterans or eligible persons enrolled in courses which lead to a standard college degree are not required to submit periodic certifications for students enrolled in such courses. Certifications are, however, required under paragraphs (b), (c), (d) and (h) of this section.

(3) *Apprentice or other on-the-job training.* A certification of attendance must be submitted monthly during the period of enrollment in the same manner as certifications required in paragraph (f)(1) of this section.

(g) *Flight training courses.* Where the course consists exclusively of flight training, the school will report by an endorsement on the veteran's certification the type and number of hours of actual flight training received by, and the cost thereof to, the veteran. Such reports may be submitted monthly.

(h) *Unsatisfactory progress, conduct or attendance.* At times the unsatisfactory progress, conduct or attendance of a veteran or eligible person is caused by or results in his or her interruption or termination of training. If this occurs, the interruption or termination shall be reported in accordance with paragraph (d) of this section. If the veteran or eligible person continues in training despite unsatisfactory progress, conduct, or despite having failed to meet the regularly prescribed standards of attendance at the school, the school must report the fact of his or her unsatisfactory progress, conduct or attendance to VA within the time limit allowed by paragraph (h) (1) and (2) of this section.

(Authority: 38 U.S.C. 3474, 3524)

(1) A veteran's or eligible person's progress may become unsatisfactory according to the regularly prescribed standards and practices of the school as a result of the grades he or she receives. The school shall report such unsatisfactory progress to VA in time for VA to receive it before the earlier of the following dates is reached:

(i) Thirty days from the date on which the school official, who is responsible for determining whether a student is making progress, first received the final grade report which establishes that the veteran either is not progressing satisfactorily, or

(ii) Sixty days from the last day of the enrollment period during which the veteran or eligible person earned the grades that caused him or her not to meet the satisfactory progress standards.

(2) If the unsatisfactory progress, conduct or attendance of the veteran or eligible person is caused by any factors other than the grades which he or she receives, the school shall report the unsatisfactory progress, conduct or attendance to VA in time for VA to receive it within 30 days of the date on which the progress, conduct or attendance of the veteran or eligible person becomes unsatisfactory. ### § 21.4206 Reporting fee.

VA will pay annually to each educational institution furnishing edu-

cation or to each joint apprenticeship training committee acting as a training facility under 10 U.S.C. 510, chapter 1606, or chapter 1607 or 38 U.S.C. 30, 32, 33, 35, or 36 a reporting fee for required reports or certifications. The reporting fee will be paid as soon as feasible after the end of the calendar year.

(a) Except as provided in paragraph (b) of this section the reporting fee will be computed for each calendar year by multiplying \$7.00 by the number of eligible veterans and eligible persons enrolled under 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 33, 35 or 36 during that calendar year.

(b) In computing the reporting fee, VA will not count an eligible individual whose only receipt of educational assistance during a calendar year was tuition assistance Top-Up under 38 U.S.C. chapter 30, a rural relocation payment, or reimbursement for a national test for admission, national test for credit, or a licensing or certification test.

(c) An additional \$4 will be paid to those institutions which have delivered to the veteran or eligible person at registration the educational assistance check representing an advance payment, or which have delivered educational loan checks in accordance with the provisions of subpart F. If an institution delivers both an advance payment check and educational loan check(s) to the same veteran or eligible person within 1 calendar year, it shall receive only one additional \$4 fee. In order to receive this fee, the institution shall submit to the Department of Veterans Affairs a certification of delivery of each check. If an advance payment check is not delivered within 30 days after commencement of the student's program, the check is to be returned to the Department of Veterans Affairs. If an education loan check is not delivered within 30 days of the date the educational institution received it, the check shall be returned to the Department of Veterans Affairs.

(d) No reporting fee payable to an educational institution under this section shall be subject to offset by the Department of Veterans Affairs against any liability of the educational institution for any overpayment which the

**§ 21.4209**

Department of Veterans Affairs has administratively determined to exist unless the liability of the educational institution was not contested by the educational institution or was upheld by a final decree of a court of appropriate jurisdiction.

(e) Before VA will pay a reporting fee, an educational institution must certify that—

(1) It has exercised reasonable diligence in determining whether it or any courses approved for VA education benefits offered by it meet all the applicable requirements of 10 U.S.C. 510, chapter 1606, or chapter 1607 or 38 U.S.C. 30, 32, 33, 35, or 36;

(2) It will, without delay, report any failure to meet any requirement to VA; and

(3) The reporting fees received after January 4, 2011, will be used solely for the purpose of making certifications for VA educational assistance under 10 U.S.C. 510, chapter 1606, or chapter 1607 or 38 U.S.C. 30, 32, 33, 35, or 36 or for supporting programs for veterans.

(f) *Retention of records.* (1) Except as provided in paragraph (f)(2) of this section, an educational institution must keep records and accounts, including those pertaining to students not receiving benefits from VA, as described in this section, pertaining to each period of enrollment of a veteran, reserv-

person for the individual's pursuit of a course approved in accordance with the provisions of 38 U.S.C. chapter 36; or if the individual has taken a licensing or certification test approved in accordance with the provisions of 38 U.S.C. chapter 36. VA may pay educational assistance under 38 U.S.C. chapter 30 to a veteran or servicemember for the individual's pursuit of a course approved in accordance with the provisions of 38 U.S.C. chapter 36; if the individual has taken a licensing or certification test approved in accordance with the provisions of 38 U.S.C. chapter 36 or if the individual is entitled to be paid benefits (tuition assistance top-up) to meet all or a portion of an educational institution's charges for education or training that the military department concerned has not covered under tuition assistance. VA may pay educational assistance under 38 U.S.C. chapter 33 to an eligible individual or, as appropriate, to the individual's institution of higher learning on his or her behalf, for the individual's pursuit of a course or program of education if the course or program of education is offered by an institution of higher learning and approved under 38 U.S.C. chapter 30 in accordance with the provisions of 38 U.S.C. chapter 36; if the individual has taken a licensing or certification test approved in accordance with the provisions of 38 U.S.C. chapter 36, or if an individual is entitled to be paid educational assistance to meet all or a portion of the institution of higher learning's established charges that the military department concerned has not covered by tuition assistance under 10 U.S.C. 2007(a) or (c). Except for tuition assistance top-up, where courses do not need to be approved, a State approving agency designated by VA, or in some instances VA, approves the course or test for payment purposes. Notwithstanding such approval, VA, as provided in paragraphs (b), (c), and (d) of this section, may suspend, discontinue, or deny payment of benefits to any or all otherwise eligible individuals for pursuit of a course or training approved under 38 U.S.C. chapter 36, and for taking a licensing or certification test approved under 38 U.S.C. chapter 36.

(2) For the purposes of this section and the purposes of §§ 21.4211 through 21.4216, except as otherwise expressly stated to the contrary—

(i) The term “course” includes an apprenticeship or other on-job training program;

(ii) The term “educational institution” includes a training establishment, or organization or entity offering a licensing or certification test; and

(b) *Denial of payment in individual cases.* (1) VA may deny payment of educational assistance to a specific individual for pursuit of a course or courses if, following an examination of the individual's case, VA has credible evidence affecting that individual that—

(i) The course fails to meet any of the requirements of 10 U.S.C. chapter 1606, or 38 U.S.C. chapter 30, 32, 33, 35, or 36; or

(2) VA may deny payment of educational assistance to a specific individual for taking a licensing or certification test if, following an examination of the individual's case, VA has credible evidence affecting that individual that—

(c) *Notice in individual cases.* Except as provided in paragraph (e) of this section, when VA denies payment of educational assistance to an individual under paragraph (b) of this section, VA will provide concurrent written notice to the individual. The notice shall state—

- (1) The adverse action;
- (2) The reasons for the action; and
- (3) The individual's right to an opportunity to be heard thereon in accordance with part 19 of this title.

(d) *Actions affecting groups.* (1) The Director of the VA Regional Processing Office of jurisdiction may:

(i) Suspend payments of educational assistance to all veterans, servicemembers, reservists, or eligible persons already enrolled in a course;

(ii) Disapprove all further enrollments or reenrollments of individuals seeking VA educational assistance for pursuit of the course (except for enrollments and reenrollments of servicemembers seeking to be paid benefits (tuition assistance top-up) to meet all or a portion of an educational institution's charges for education or training that the military department concerned has not covered under tuition assistance); and

(iii) Suspend payments of educational assistance to all veterans, servicemembers, or eligible persons who may take a licensing or certification test after a date that the Director may determine.

(2) Except as provided in paragraphs (d)(3) and (i) of this section, the decision to act as described in paragraph (d)(1) of this section must be based on evidence of a substantial pattern of veterans, servicemembers, reservists, or eligible persons enrolled in the course or taking the test receiving educational assistance to which they are not entitled because:

(i) One or more of the course approval requirements of 38 U.S.C. chapter 36 are not met, including the course approval requirements specified in §§ 21.4253, 21.4254, 21.4261, 21.4262, 21.4263, 21.4264, and 21.4268; or

(ii) The educational institution offering the course has violated one or more

of the recordkeeping or reporting requirements of 10 U.S.C. chapter 1606, or of 38 U.S.C. chapters 30, 32, 33, 35, and 36. These violations may include, but are not limited to, the following:

(A) Willful and knowing submission of false reports or certifications concerning students or courses of education;

(B) Failure to report to VA a veteran's, servicemember's, reservist's, or eligible person's reduction, discontinuance, or termination of education or training; or

(C) Submission of improper or incorrect reports in such number, manner, or period of time as to indicate negligence on its part, including failure to maintain an adequate reporting or recordkeeping system.

(3) The Director also may make a decision to take the action described in paragraph (d)(1) of this section when the Director has evidence that one or more prohibited assignments of benefits have occurred at an educational institution as a result of that educational institution's policy. This decision may be made regardless of whether there is a substantial pattern of erroneous payments at the educational institution. See §21.4146.

(4) The Director may disapprove the enrollment of all individuals not already enrolled in an educational institution (which for the purposes of this paragraph does not include a training establishment) when the Director finds that the educational institution:

(i) Has charged or received from veterans, servicemembers, reservists, or eligible persons an amount for tuition and fees in excess of the amount similarly circumstanced nonveterans are required to pay for the same course; or

(ii) Has instituted a policy or practice with respect to the payment of tuition, fees, or other established charges that substantially denies to veterans, servicemembers, reservists, or other eligible persons the benefits of advance payment of educational assistance authorized to such individuals under §21.4138(a), §21.7140(a), §21.7640(d), or §21.9680; or

(e) *Actions that must accompany a mass suspension of educational assistance payments or suspension of approval of enrollments and reenrollments in a course or educational institution.* (1) The Director of the VA Regional Processing Office of jurisdiction may suspend payment of educational assistance and may suspend approval of new enrollments and reenrollments as provided in paragraph (d) of this section, only after:

(i) The Director notifies in writing the State approving agency concerned and the educational institution of any failure to meet the approval requirements and any violation of record-keeping or reporting requirements; and

(ii) The educational institution—

(A) Refuses to take corrective action; or

(B) Does not take corrective action within 60 days (or 90 days if permitted by the Director).

(2) Not less than 30 days before the Director acts to make a mass suspension of payments of educational assistance and/or suspend approval of new enrollments and reenrollments, the Director will, to the maximum extent feasible, provide written notice to each veteran, servicemember, reservist, and eligible person enrolled in the affected courses. The notice will:

(i) State the Director's intent to suspend payments and/or suspend approval of new enrollments and reenrollments unless the educational institution takes corrective action;

(ii) Give the reasons why the Director intends to suspend payments and/or suspend approval of new enrollments and reenrollments; and

(iii) State the date on which the Director intends to suspend payments and/or suspend approval of new enrollments and reenrollments.

cation test, and the individual took the licensing or certification test during a period when payment for taking such test was suspended, the Director will inform the individual in writing of the fact of the suspension and the reasons why payments were suspended.

(Authority: 38 U.S.C. 3689, 3690)

(f) *Actions in cases indicating submission of false, misleading, or fraudulent claims or statements.* The Director of the VA Regional Processing Office of jurisdiction will take the following action, as indicated, that may be in addition to suspending payments or further approval of enrollments or reenrollments in a course or educational institution.

(1) If the Director has evidence indicating that an educational institution has willfully submitted a false or misleading claim, or that a veteran, servicemember, reservist, eligible person, or other person, with the complicity of an educational institution, has submitted such a claim, the Director will make a complete report of the facts of the case to the appropriate State approving agency and to the Office of Inspector General for appropriate action.

(2) If the Director believes that an educational institution has submitted a false, fictitious, or fraudulent claim or written statement within the meaning of the Program Fraud Civil Remedies Act (31 U.S.C. 3801–3812) or that a veteran, servicemember, reservist, eligible person, or other person, with the complicity of an educational institution, has submitted such a claim or made such a written statement, the Director will follow the procedures in part 42 of this title.

(Authority: 10 U.S.C. 16136(b); 31 U.S.C. 3801–3812; 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689, 3690)

(g) *Referral to the Committee on Educational Allowances.* The Director of the VA Regional Processing Office of jurisdiction will refer the following matters to the Committee on Educational Allowances as provided in § 21.4212:

## §21.4211

(2) A disapproval under paragraph (d) of this section of all further enrollments or reenrollments of individuals seeking VA educational assistance for pursuit of the course (except for enrollments and reenrollments of servicemembers seeking to be paid tuition assistance top-up benefits to meet all or a portion of an educational institution's charges for education or training that the military department concerned has not covered under tuition assistance); and

(3) A suspension under paragraph (d) of this section of payments of educational assistance to all veterans, servicemembers, or eligible persons who may take a licensing or certification test after a date that the Director has determined.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689, 3690)

(h) *Withdrawal of referral to Committee on Educational Allowances.* (1) If, following a suspension of payments and/or of approval of enrollments or reenrollments, the Director of the VA Regional Processing Office of jurisdiction determines that the conditions which justified the suspension have been corrected, and the State approving agency has not withdrawn or suspended approval of the course(s) or test(s), the Director may resume payments to and/or approval of enrollments or reenrollments of the affected veterans, servicemembers, reservists, or eligible persons. If the case has already been referred to the Committee on Educational Allowances under paragraph (g) of this section at the time such action is taken, the Director will advise the Committee that the original referral is withdrawn.

(2) If, following a referral to the Committee on Educational Allowances, the Director finds that the State approving agency will suspend or withdraw approval, the Director may, if otherwise appropriate, advise the Committee that the original referral is withdrawn.

(i) *This section does not apply to disapproval of courses based on conflicts of interests.* VA will disapprove courses when required by §21.4005(d) without

applying the provisions of paragraphs (a) through (h) of this section.

### **§21.4211 Composition, jurisdiction, and duties of Committee on Educational Allowances.**

(a) *Authority.* (1) 38 U.S.C. 3690 authorizes VA to discontinue educational benefits to veterans, servicemembers, reservists, or eligible persons when VA finds that:

(i) The program of education or course in which such individuals are enrolled fails to meet a requirement of 38 U.S.C. chapter 30, 32, 33, 35, or 36, or 10 U.S.C. chapter 1606, or the regulations in this part; or

(ii) An educational institution has violated any such statute or regulation, or fails to meet such a statutory or regulatory requirement.

(2) This authority does not extend to enrollments and reenrollments of individuals seeking to be paid tuition assistance top-up benefits to meet all or a portion of an educational institution's charges for education or training that the military department concerned has not covered under tuition assistance.

(3) 38 U.S.C. 3689 and 3690 further authorize VA to deny payment to servicemembers or veterans for licensing or certification tests when VA finds that either the test or the organization or entity offering the test fails to meet a requirement of 38 U.S.C. 3689 or the applicable regulations of this part.

(4) Sections 21.4210 through 21.4216 implement the authority discussed in paragraphs (a)(1) and (a)(3) of this section.

(5) Each VA Regional Processing Office shall have a Committee on Educational Allowances. For the purposes of this section, the Manila Regional Office is considered the VA Regional Processing Office of jurisdiction for educational institutions located in the Philippines. The Committee's findings of fact and recommendations will be provided to the Director of the VA Regional Processing Office.

## § 21.4211

## 38 CFR Ch. I (7–1–25 Edition)

(6) The Secretary of Veterans Affairs delegates to each Director of a VA Regional Processing Office the authority to suspend or discontinue payment of educational benefits, to disapprove enrollments or reenrollments, or to deny payment of benefits for tests.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 512(a), 3034(a), 3323(a), 3241(a), 3689(d), 3690)

(b) *Purpose.* (1) The Committee on Educational Allowances is established to assist the Director of the VA Regional Processing Office of jurisdiction in deciding in a specific case whether—

(i) Educational assistance should be discontinued to all individuals enrolled in any course or courses an educational institution offers; and

(ii) If appropriate, whether approval of all further enrollments or reenrollments in the course or courses an educational institution offers should be denied to veterans, servicemembers, reservists, or other eligible persons pursuing those courses under programs VA administers; or

(iii) Payment should be denied to all servicemembers and veterans for taking a specific licensing or certification test.

(2) A Director's decision described in paragraph (b)(1) of this section must be based on a finding that the educational institution is not meeting, or has violated, a requirement of 38 U.S.C. chapter 30, 32, 33, 35, or 36, or 10 U.S.C. chapter 1606, or the regulations in this part.

(3) The function of the Committee on Educational Allowances is to develop facts and recommend action to be taken on the basis of the facts found. A hearing before the Committee is not in the nature of a trial in a court of law. Instead, it is an administrative inquiry designed to create a full and complete record upon which a recommendation can be made as to whether the Director should discontinue payment of educational benefits and/or deny approval of new enrollments or reenrollments. Both the interested educational institution and VA Regional Counsel, or designee, representing VA, will be afforded the opportunity to present to the Committee any evidence, argu-

ment, or other material considered pertinent.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3323(a), 3241(a), 3689(d), 3690)

(c) *Jurisdiction.* The Committee on Educational Allowances will consider only those cases which are referred in accordance with §§ 21.4210(g) and 21.4212.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3323(a), 3241(a), 3689(d), 3690)

(d) *Committee members.* The Committee on Educational Allowances will consist of three employees of the VA Regional Processing Office of jurisdiction, at least one of whom is familiar with the adjudication of claims for benefits administered by the Veterans Benefits Administration. The Director of the VA Regional Processing Office of jurisdiction will designate a Chairperson. In the event that any member becomes unable to serve for any reason, the Director may appoint a replacement member. Before the Committee resumes its proceedings, the new member will be given an opportunity to apprise himself or herself of the actions and testimony already taken by the Committee.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3323(a), 3241(a), 3689(d), 3690)

(e) *Duties and responsibilities of the Committee.* (1) The function of the Committee on Educational Allowances is to make recommendations to the Director of the VA Regional Processing Office of jurisdiction in connection with specific cases referred for consideration as provided in §§ 21.4210(g) and 21.4212.

(2) The performance of this function will include:

(i) Hearing testimony or argument from witnesses or representatives of educational institutions and VA, as appropriate, when such persons appear personally before the Committee;

(ii) Receiving and reviewing all the evidence, testimony, briefs, statements, and records included in each case; and

(iii) Furnishing the Director of the VA Regional Processing Office of jurisdiction a written statement setting forth specifically the question or questions considered, a summation of the

essential facts of record, recommendations as to issues referred for consideration by the Committee, and the basis therefor. In any case where there is not unanimity, both the majority and the minority views and recommendations will be furnished.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3323(a), 3241(a), 3689(d), 3690)

### §21.4212 Referral to Committee on Educational Allowances.

(a) *Form and content of referral to Committee.* When the Director of the VA Regional Processing Office of jurisdiction refers a case to the Committee on Educational Allowances, as provided in §21.4210(g), the referral will be in writing and will—

(1) State the approval, reporting, recordkeeping, or other criteria of statute or regulation which the Director has cause to believe the educational institution has violated;

(2) Describe the substantial pattern of veterans, servicemembers, reservists, or eligible persons receiving educational assistance to which they are not entitled which the Director has cause to believe exists, if applicable;

(3) Outline the nature of the evidence relied on by the Director in reaching the conclusions of paragraphs (a)(1) and (a)(2) of this section;

(4) Describe the Director's efforts to obtain corrective action and the results of those efforts; and

(5) Ask the Committee on Educational Allowances to perform the functions described in §§21.4211, 21.4213, and 21.4214 and to recommend to the Director whether educational assistance payable to individuals pursuing the courses in question should be discontinued; approval of new enrollments should be denied; and/or payment to individuals for licensing or certification tests should be denied, as appropriate.

(b) *Notice of the referral.* (1) At the time of referral the Director will—

(i) Send notice of the referral, including a copy of the referral document, by certified mail to the educational institution. The notice will include statements that the Committee on Edu-

cational Allowances will conduct a hearing; that the educational institution has the right to appear before the Committee and be represented at the hearing to be scheduled; and that, if the educational institution intends to appear at the hearing, it must notify the Committee within 60 days of the date of mailing of the notice;

(ii) Provide an information copy of the notice and referral document to the State approving agency of jurisdiction; and

(iii) Place a copy of the notice and referral document on display at the VA Regional Processing Office of jurisdiction for review by any interested party or parties.

(2) The Director will provide a copy of the notice and referral document to the VA Regional Counsel, or designee, of jurisdiction, who will represent VA before the Committee on Educational Allowances.

### §21.4213 Notice of hearing by Committee on Educational Allowances.

(a) *Content of hearing notice.* In any case referred to the Committee on Educational Allowances for consideration, a hearing will be held. If, as provided in §21.4212(b), the educational institution has timely notified the Committee of its intent to participate in the hearing, the educational institution will be notified by certified letter from the Chairperson of the date when the hearing will be held. This hearing notification will inform the educational institution of—

(1) The time and place of the hearing;

(2) The matters to be considered;

(3) The right of the educational institution to appear at the hearing with representation by counsel, to present witnesses, to offer testimony, to present arguments, and/or to submit a written statement or brief; and

(4) The complete hearing rules and procedures.

(b) *Expenses connected with hearing.* The notice also will inform the educational institution that VA will not

**38 CFR Ch. I (7–1–25 Edition)**

pay any expenses incurred by the educational institution resulting from its participation in the hearing, including the expenses of counsel or witnesses on behalf of the educational institution.

(c) *Publication of hearing notice.* Notice of the hearing will be published in the FEDERAL REGISTER, which will constitute notice to any interested individuals, and will indicate that, while such individuals may attend and observe the hearing, they may not participate unless called as witnesses by VA or the educational institution.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

[63 FR 35834, July 1, 1998, as amended at 72 FR 16972, Apr. 5, 2007; 74 FR 14669, Mar. 31, 2009]

**§ 21.4214 Hearing rules and procedures for Committee on Educational Allowances.**

(a) *Rule 1.* The Chairperson of the Committee on Educational Allowances will be in charge of the proceedings, will administer oaths or affirmations to witnesses, and will be responsible for the official conduct of the hearing. A majority of the members of the Committee will constitute a quorum. No party to the proceedings may conduct a *voir dire* of the Committee members.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(b) *Rule 2.* At the opening of the hearing, the Chairperson of the Committee on Educational Allowances will inform the educational institution of the purpose of the hearing, the nature of the evidence of record relating to the asserted failures or violations, and the applicable provisions of law and VA regulations. The Chairperson will advise the VA Regional Counsel, or designee, representing VA, that the Committee on Educational Allowances will entertain any relevant evidence or witnesses which VA Counsel presents to the Committee and which would substantiate a decision by the Committee to recommend that the Director of the VA Regional Processing Office of jurisdiction take an adverse action on the issues submitted for its review. The educational institution will be advised of its right to present any evidence, relevant to the issues submitted for the

Committee's review, by oral or documentary evidence; to submit rebuttal evidence; to present and cross-examine witnesses; and to make such statements as may be appropriate on its behalf for a true and full disclosure of the facts. VA Counsel will be allowed to cross-examine any witnesses offered by the educational institution and to reply to any written briefs or arguments submitted to the Committee.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(c) *Rule 3.* Any testimony or evidence, either oral or written, which the Committee on Educational Allowances deems to be of probative value in deciding the question at issue will be admitted in evidence. While irrelevant, immaterial, or unduly repetitious evidence, testimony, or arguments should be excluded, reasonable latitude will be permitted with respect to the relevancy, materiality, and competency of evidence. In most instances the evidence will consist of official records of the educational institution and VA, and these documents may be attested to and introduced by affidavit; but the introduction of oral testimony by the educational institution or by VA will be allowed, as appropriate, in any instance where the educational institution or VA Counsel desires. VA, however, will neither subpoena any witness on behalf of the educational institution for such purposes nor bear any expenses in connection with the appearance of such witness. In instances where the evidence reasonably available consists of signed written statements, secondary or hearsay evidence, etc., such evidence may be introduced into the record and will be given the weight and consideration which the circumstances warrant.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(d) *Rule 4.* A verbatim stenographic or recorded transcript of the hearing will be made. This transcript will become a permanent part of the record, and a copy will be furnished to the educational institution and the VA Counsel at the conclusion of the proceeding, unless furnishing of the copy of the

## Department of Veterans Affairs

## §21.4214

transcript is waived by the educational institution.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(e) *Rule 5.* The Chairperson of the Committee on Educational Allowances will identify all exhibits in the order of introduction or receipt (numerically for VA exhibits and alphabetically for exhibits introduced by the educational institution). All such original exhibits or documents shall be attached to the original of the transcript. VA shall make photocopies or certified copies and attach them to the copy of the transcript furnished to the educational institution and the VA Counsel. The original transcript will accompany the Committee's recommendation to the Director of the VA Regional Processing Office of jurisdiction along with all exhibits, briefs, or written statements received by the Committee during the course of the proceedings. Such documents should be clearly marked to indicate which were received into evidence and relied upon by the Committee in making its recommendations.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(f) *Rule 6.* The Committee on Educational Allowances, at its discretion, may reasonably limit the number of persons appearing at the hearing, including any affected individuals presented as witnesses by VA or the educational institution.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(g) *Rule 7.* Any person who is presented to testify will be required to be duly placed under oath or affirmation by the Chairperson of the Committee on Educational Allowances. If an official of the educational institution desires to present a statement personally, the individual will be required to be placed under oath or affirmation. The Chairperson will advise each witness that the Committee understands that he or she is voluntarily appearing before the Committee; that any testimony or statement given will be considered as being completely voluntary; and that no one has authority to re-

quire the individual to make any statement or answer any question against his or her will before the Committee, except that a person called as a witness on behalf of either VA or the educational institution must be willing to submit to cross-examination with respect to testimony given. Each witness will also be advised that his or her testimony or statement, if false, even though voluntary, may subject him or her to prosecution under Federal statutes.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(h) *Rule 8.* Any member of the Committee on Educational Allowances may question any witness presented to testify at the hearing or either a representative of the educational institution or the VA Counsel concerning matters that are relevant to the question at issue. Generally, questioning by a Committee member will be limited to the extent of clarifying information on the facts and issues involved.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(i) *Rule 9.* If the educational institution fails to timely notify the Committee of its intent to participate in a hearing or if a representative of the educational institution is scheduled to appear for a hearing but, without good cause, fails to appear either in person or by writing, the Committee will proceed with the hearing and will review the case on the basis of the evidence of record which shall be presented by the VA Counsel.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(j) *Rule 10.* Any objection by an authorized representative of the educational institution or the VA Counsel on a ruling by the Chairperson of the Committee on Educational Allowances regarding the admissibility of testimony or other evidence submitted will be made a matter of record, together with the substance in brief of the testimony intended or other evidence concerned. If the other evidence concerned is in the form of an affidavit or other document, it may be accepted for filing as a future reference if it is later ruled

admissible as part of the record of the hearing.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(k) *Rule 11.* Objections relating to the jurisdiction or membership of the Committee on Educational Allowances or the constitutionality of statutes or the constitutionality of, or statutory authority for, VA regulations, are not before the Committee for decision. The time of the Committee will not be used to hear arguments in this regard. However, any such matters outside the province of the Committee may be the subject of a brief or a letter for consideration by the VA Office of General Counsel upon completion of the hearing. The ruling of such authority upon such issues will be obtained and included in the record before the Committee's recommendations are submitted to the Director of the VA Regional Processing Office of jurisdiction. If the VA General Counsel's ruling on such legal issues necessitates reopening the proceeding, that shall be done before the Committee makes its recommendations to the Director of the VA Regional Processing Office of jurisdiction.

(l) *Rule 12.* The hearing will be open to the public.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(m) *Rule 13.* The hearing will be conducted in an orderly manner with dignity and decorum. The conduct of members of the Committee on Educational Allowances, the VA Counsel, and any representatives of the educational institution shall be characterized by appropriate impartiality, fairness, and cooperation. The Chairperson of the Committee shall take such action as may be necessary, including suspension of the hearing or the removal of the offending person from the hearing room for misbehavior, disorderly conduct, or the persistent disregard of the Chairperson's ruling. Where this occurs, the Chairperson will point out that the Committee is entitled to every possible consideration in

(n) *Rule 14.* The Chairperson of the Committee on Educational Allowances will conduct the hearing proceedings in such a manner that will protect from disclosure information which tends to disclose or compromise investigative sources or methods or which would violate the privacy of any individual. The salient facts, which form the basis of charges, may be disclosed and discussed without revealing the source.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3323(a), 3689(d), 3690)

(o) *Rule 15.* At the close of the hearing, the Chairperson of the Committee on Educational Allowances shall inform the appropriate representative of the educational institution that the arguments and the evidence presented will be given careful consideration; and that notice of the decision of the Director of the VA Regional Processing Office of jurisdiction, together with the Committee's recommendations, will be furnished to the educational institution and the VA Counsel at the earliest possible time. (i) The recommendations of the Committee on Educational Allowances;

(ii) The hearing transcript and the documents admitted in evidence; and

(iii) The ruling on legal issues referred to appropriate authority.

(2) The decision will clearly describe the evidence and state the facts on which the decision is based and, in the event that the decision differs from the recommendations of the Committee on Educational Allowances, will give the reasons and facts relied upon by the Director in deciding not to follow the Committee majority's recommendations.

(c) *Correction of deficiencies.* If the Director of the VA Regional Processing Office of jurisdiction believes that the record provided for review is incomplete or for any reason should be reopened, before rendering a decision he or she will order VA staff to gather any additional necessary evidence and will notify the educational institution that it may comment upon the new evidence added. The Director will then notify the educational institution as to whether the matter will be resubmitted to the Committee on Educational Allowances for further proceedings, on the basis of the new circumstances. If the matter is referred back to the Committee, the Director will defer a decision until he or she has received the Committee's new recommendations

PROGRAMS OF EDUCATION

**§ 21.4232 Specialized vocational training—38 U.S.C. Chapter 35.**

(a) *Eligibility requirements for specialized vocational training.* (1) The Department of Veterans Affairs may provide a program of a specialized course of vocational training to an eligible person who:

- (i) Is not in need of special restorative training, and
- (ii) Requires specialized vocational training because of a mental or physical handicap.

(2) The Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) will:

- (i) After consulting with the Vocational Rehabilitation Panel, determine whether such a course is in the best interest of the eligible person; and
- (ii) Deny the application for the program when the course is not in the eligible person's best interest.

(3) Both the CP or VRC and the Vocational Rehabilitation Panel will assist in developing the program, if the CP or VRC has previously determined that the course is in the eligible person's best interest.

(Authority: 38 U.S.C. 3521, 3536; Pub. L. 99-576)

(4) The Department of Veterans Affairs may authorize specialized vocational training for an eligible child only if the child has passed his or her 14th birthday at the time training is to begin.

(Authority: 38 U.S.C. 3536)

(b) *Program objective.* The objective of a program of specialized vocational training will be designated as a vocational objective.

(c) *Special assistance.* When needed, special assistance will be provided under § 21.4276.

(d) *Length of specialized vocational training.* When the program of specialized vocational training will exceed 45 months, the CP or VRC will refer the program to the Executive Director, Veteran Readiness and Employment (VR&E) Service for prior approval.

**§ 21.4233 Combination.**

An approved program may consist of a combination of courses with instruction offered by a school alternating with instruction in a business or industrial establishment (a cooperative course); courses offered by two schools concurrently; or courses offered through class attendance and by television concurrently. A farm cooperative program may be approved which

## Department of Veterans Affairs

## § 21.4233

consists of a combination of institutional agricultural courses and concurrent agricultural employment (see § 21.4264). A school may contract the actual training to another school or entity, provided the course is approved by the State approving agency having approval jurisdiction of the school or entity which actually provides the training.

(a) *Cooperative courses.* A full-time program of education consisting of phases of school instruction alternated with training in a business or industrial establishment with such training being strictly supplemental to the school instruction may be approved. Alternating periods may be a part-day in school and a part-day on job or may be such periods which alternate on a daily, weekly, monthly or on a term basis. For purposes of approval the school offering the course must submit to the State approving agency, with its application, statements of fact showing at least the following:

(1) That the alternate in-school periods of the course are at least as long as the alternate periods in the business or industrial establishment; in determining this relationship between the two components of the course, training received in a business or industrial establishment during a vacation or officially scheduled school break period shall be excluded from the calculation; where the course is approved as continuous part-time work and part-time study in combination, it shall be measured on the basis of the ratio which each portion of the training bears to full time as defined in § 21.4270(c) of this part. The institutional portion must be at least equivalent to one-half time training and must be combined with a job training portion sufficient for the combined training to equal full time.

(Authority: 38 U.S.C. 3482(a)(2) and 3532(b))

(2) That the course is set up as a cooperative course in the school catalog or other literature of the school;

(3) That the school itself arranges with the employer's establishment for providing the alternate on-job periods of training on such basis that the on-job portion of the course will be training in a real and substantial sense and

will supplement the in-school portion of the course;

(4) That the school arranges directly with the employer's establishment for placing the individual student in that establishment and exercises supervision and control over the student's activities at the establishment to an extent that assures training in a true sense to the student; and

(5) That the school grants credit for the on-job portion of the course for completion of a part of the work required for granting a degree or diploma.

(Authority: 38 U.S.C. 3482(a)(2) and 3532(b))

(b) *Concurrent enrollment.* Where a veteran or eligible person cannot successfully schedule his or her complete program at one school, a program of concurrent enrollment may be approved. When requesting such a program the veteran or eligible person must show that his or her complete program of education or training is not available at the school in which he or she will pursue the major portion of his or her program (the primary school), or that it cannot be scheduled successfully within the period in which he or she plans to complete his or her program.

(1) If VA measures the courses pursued at both institutions on either a clock-hour basis or a credit-hour basis, VA will measure the veteran's or eligible person's enrollment by adding together the units of measurement in the second school to the units of measurement for the courses in the primary institution. The standard for full time will be the full-time standard for the courses at the primary institution.

(2) Where the standards for measurement of the courses pursued concurrently in the two schools are different, VA will measure the veteran's or eligible person's enrollment by converting the units of measurement for courses in the second school to the equivalent in value expressed in units of measurement required for the courses in the program of education which the veteran or eligible person is pursuing at the primary institution.

(Authority: 38 U.S.C. 3688)

**§ 21.4234**

**38 CFR Ch. I (7–1–25 Edition)**

(3) If the provisions of paragraph (b)(2) of this section require VA to convert clock hours to credit hours, it will do so by—

(i) Dividing the number of credit hours which VA considers to be full-time at the educational institution whose courses are measured on a credit-hour basis by the number of clock hours which are full-time at the educational institution whose courses are measured on a clock-hour basis; and

(ii) Multiplying each clock hour of attendance by the decimal determined in paragraph (b)(3)(i) of this section. VA will drop all fractional hours.

(4) If the provisions of paragraph (b)(2) of this section require VA to convert credit hours to clock hours, it will do so by—

(i) Dividing the number of clock hours which VA considers to be full-time at the educational institution whose courses are measured on a clock-hour basis by the number of credit hours which are full-time at the educational institution whose courses are measured on a credit-hour basis; and

(ii) Multiplying each credit hour by the number determined in paragraph (b)(4)(i) of this section. VA will drop all fractional hours.

(5) Periodic certifications of training will be required from the veteran and each of the schools where concurrent enrollment is approved in a course which does not lead to a standard college degree and to which the measurement provisions of §21.4270(b), of this part do not apply. (See §§21.4203 and 21.4204.)

(Authority: 38 U.S.C. 3688)

(c) *Television.* (1) A course offered by open-circuit television is an independent study course. In order for an eligible person to receive educational assistance while pursuing such a course, the course must meet all the requirements for independent study found in §21.4267.

(Authority: 38 U.S.C. 3523, 3680A)

(2) *Closed circuit telecast.* Instruction offered through closed circuit telecast which requires regular classroom attendance is to be recognized to the same extent as regular classroom and/or laboratory instruction.

(d) *Farm cooperative course.* A program of education consisting of institutional agricultural courses pursued by an eligible person who is concurrently engaged in agricultural employment which is relevant to such institutional course may be approved if the course meets the requirements of §21.4264.

(e) *Contract.* All or part of the program of education of a school may be provided by another school or entity under contract. Such school or entity actually providing the training must obtain approval of the course from the State approving agency in the State having jurisdiction of that school or entity. If the course is a course of flight training, the school or entity actually providing the training must also obtain approval of the course from the Federal Aviation Administration. Measurement of the course and payment of an allowance will be appropriate for the course as offered by the school or entity actually providing the training.

**§ 21.4234 Change of program.**

(a) *Definition.* (1) Except as provided in paragraph (a)(2) of this section, a change of program consists of a change in the educational, professional, or vocational objective for which the veteran, reservist, or eligible person entered training.

(2) VA does not consider any of the following to be changes of program:

(i) A change in the type of courses needed to attain a vocational objective;

(ii) A change in the individual's educational, professional or vocational objective following the successful completion of the immediately preceding program of education;

(iii) A return to the individual's prior program of education following a

## § 21.4234

change of program if the individual resumes training in the program without any loss of credit or standing in that program;

(iv) An enrollment in a new program of education when that program leads to a vocational, educational or professional objective in the same general field as the immediately preceding program of education; or

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241, 3323(a), 3691)

(v) An enrollment or reenrollment of a servicemember seeking to be paid tuition assistance top-up benefits to meet all or a portion of an educational institution's charges for education or training that the military department concerned has not covered under tuition assistance.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241, 3323(a), 3691)

(b) *Application.* A veteran, reservist, or eligible person may request a change of program by any form of communication. However, if the veteran, reservist, or eligible person does not furnish sufficient information to allow the Department of Veterans Affairs to process the request, the Department of Veterans Affairs will furnish the prescribed form for a change of program to him or her for completion.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241, 3323(a), 3691)

(c) *Optional change of program.* A spouse or surviving spouse eligible to receive educational assistance under 38 U.S.C. chapter 35 may make one optional change of program if his or her previous course was not interrupted due to his or her own misconduct, neglect, or lack of application.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241, 3323(a), 3691)

(d) *Other changes of program.* (1) The following changes of program may not be made solely at the option of the veteran, reservist, or eligible person. The Department of Veterans Affairs must approve them before paying educational assistance allowance:

(i) A second or subsequent change of program made by a veteran or eligible

person other than a child receiving educational assistance under 38 U.S.C. chapter 35,

(ii) An initial change of program made by a veteran or eligible spouse or surviving spouse if the first program was interrupted or discontinued due to his or her own misconduct, neglect or lack of application, or

(iii) Any change of program made by a child receiving educational assistance under 38 U.S.C. chapter 35.

(2) The Department of Veterans Affairs will approve a change of program listed in paragraph (d)(1) of this section if:

(i) The program of education which the veteran, reservist, or eligible person proposes to pursue is suitable to his or her aptitudes, interests and abilities,

(ii) In any instance where the veteran, reservist, or eligible person has interrupted, or failed to progress in his or her program due to his or her own misconduct, neglect or lack of application, there is a reasonable likelihood with respect to the program the veteran, reservist, or eligible person proposes to pursue that there will not be a recurrence of such an interruption or failure to progress, and

(iii) In the case of an eligible child receiving educational assistance under 38 U.S.C. chapter 35 the new program meets the criteria applicable to final approval of an original application. See § 21.4230.

(3) The Department of Veterans Affairs may approve a third or subsequent change of program if applicable conditions of paragraph (d)(2) of this section are met and the additional change or changes are necessitated by circumstances beyond the control of the veteran, reservist, or eligible person. Circumstances beyond the control of the veteran, reservist, or eligible person include, but are not limited to:

(i) The course being discontinued by the school when no other similar course leading to the same objective is available within normal commuting distance.

(ii) Unexpected financial difficulties preventing completion of the last program because of the overall cost of the program needed to reach the objective, or

## § 21.4235

(iii) The veteran, reservist, or eligible person being required to relocate because of health reasons in an area where training for the last objective is not available within normal commuting distance.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241, 3323(a), 3691)

(4) Notwithstanding any provision of any other paragraph of this section, if a third or subsequent change of program occurs after May 31, 1991, VA will apply only the applicable provisions of paragraph (d)(2) of this section. If the applicable provisions of paragraph (d)(2) of this section are met, VA will approve the change of program. VA will not apply any of the provisions of paragraph (d)(3) of this section in determining whether the change of program should be approved.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241, 3323(a), 3691)

(e) *Adjustments; transfers.* A change in courses or places of training will not be considered a change of objective in the following instances:

(1) The pursuit of the first program is a prerequisite for entrance into and pursuit of a second program.

(2) A transfer from one school to another when the program at the second school leads to the same educational, professional or vocational objective, and does not involve a material loss of credit, or increase training time.

(3) Revision of a program which does not involve a change of objective or material loss of credit nor loss of time originally planned for completion of the veteran's or eligible person's program. For example, an eligible person enrolled for a bachelor of science degree may show a professional objective such as chemist, teacher or engineer. His or her objective for purposes of this paragraph shall be considered to be "bachelor degree" and any change of courses will be considered only an adjustment in the program, not a change, so long as the subjects he or she pursues lead to the bachelor degree and

there is no extension of time in the attaining of that degree.

### § 21.4235 Programs of education that include flight training.

VA will use the provisions of this section to determine whether an individual may be paid educational assistance for pursuit of flight training. See §21.4263 for approval of flight courses for VA training.

(a) *Eligibility.* An individual who is otherwise eligible to receive educational assistance under 38 U.S.C. chapters 30, 32, or 33, or a reservist eligible for educational assistance under 10 U.S.C. chapters 1606 or 1607, may receive educational assistance for flight training in an approved program of education provided that the individual meets the requirements of this paragraph (a). Except when enrolled in a ground instructor certification course or when pursuing flight training under paragraph (e) of this section, the individual must—

(1) Possess a valid private pilot certificate or higher pilot certificate such as a commercial pilot certificate;

(2) If enrolled in a course other than an Airline Transport Pilot (ATP) course, hold a second-class medical certificate on the first day of training and, if that course began before October 1, 1998, hold that certificate continuously during training; and

(3) If enrolled in an ATP certification course, hold a first-class medical certificate on the first day of training and, if that course began before October 1, 1998, hold that certificate continuously during training.

## Department of Veterans Affairs

## § 21.4235

(b) *Pursuit of flight courses.* (1) VA will pay educational assistance to an eligible individual for an enrollment in a commercial pilot certification course leading to Federal Aviation Administration certification for a particular category even if the individual has a commercial pilot certificate issued by the Federal Aviation Administration for a different category, since each category represents a different vocational objective.

(2) VA will pay educational assistance to an eligible individual for an enrollment in an instrument rating course only if the individual simultaneously enrolls in a course required for a commercial pilot certificate for the category for which the instrument rating course is pursued or if, at the time of enrollment in the instrument rating course, the individual has a commercial pilot certificate issued by the Federal Aviation Administration for such category. The enrollment in an instrument rating course alone does not establish that the individual is pursuing a vocational objective, as required for VA purposes, since that rating equally may be applied to an individual's private pilot certificate, only evidencing an intent to pursue a non-vocational objective.

(3) VA will pay educational assistance to an eligible individual for an enrollment in a flight course other than an instrument rating course or a ground instructor course, including courses leading to an aircraft type rating, only if the individual has a commercial pilot certificate issued by the Federal Aviation Administration for the category to which the particular course applies.

(4) VA will pay educational assistance to an eligible individual for an enrollment in a ground instructor certificate course, even though the individual does not have any other flight certificate issued by the Federal Aviation Administration, since the Federal Aviation Administration does not require a flight certificate as a prerequisite to ground instructor certification and ground instructor is a recognized vocational objective.

(5) VA will not pay an eligible individual for simultaneous enrollment in more than one flight course, except as

provided in paragraph (b)(2) of this section.

(c) *Some individuals are already qualified for a flight course objective.* (1) The provisions of §§ 21.5230(a)(4), 21.7110(b)(4), and 21.7610(b)(4), prohibiting payment of educational assistance for enrollment in a course for whose objective the individual is already qualified, apply to enrollments in flight courses.

(2) A former military pilot with the equivalent of a commercial pilot certificate and an instrument rating may obtain a commercial pilot certificate and instrument rating from the Federal Aviation Administration without a flight exam within 12 months of release from active duty. Therefore, VA will consider such a veteran to be already qualified for the objectives of a commercial pilot certification course and an instrument rating course if begun within 12 months of the individual's release from active duty.

(d) *Some flight courses are refresher training.* The provisions of §§ 21.5230(c), 21.7020(b)(26), 21.7122(b), 21.7520(b)(20), and 21.7610(b)(4) that provide limitations on payment for refresher training that is needed to update an individual's knowledge and skill in order to cope with technological advances while he or she was on active duty service apply to flight training.

(1) An individual who held a Federal Aviation Administration certificate before or during active duty service may have surrendered that certificate or the Federal Aviation Administration may have canceled it. The individual may receive the equivalent of the number of months of educational assistance necessary to complete the course that will qualify him or her for the same grade certificate.

(2) A reservist is not eligible for refresher training unless he or she has had prior active duty.

(e) *Flight training at an institution of higher learning.* (1) An individual who is eligible for educational assistance under 10 U.S.C. chapter 1606 or 1607 or 38 U.S.C. chapter 30, 32, 33, or 35 is exempt from the provisions of paragraphs (a)(2) through (c) of this section when

**§ 21.4236**

**38 CFR Ch. I (7-1-25 Edition)**

his or her courses include flight training that is part of a program of education that leads to a standard college degree.

(2) An individual described in paragraph (e)(1) of this section may pursue courses that may result in the individual eventually receiving recreational pilot certification or private pilot certification, provided that the courses also lead to a standard college degree.

(f) *Authority.* (1) Paragraph (a) of this section issued under the authority of 10 U.S.C. 16136(c); 38 U.S.C. 3034(d), 3241(b);

(2) Paragraph (b) of this section issued under the authority of 10 U.S.C. 16136(b); 38 U.S.C. 3002(3)(A), 3034(a), 3202(2)(A), 3241(a), 3241(b), 3452(b), 3680A(a)(3);

(3) Paragraph (c) of this section issued under the authority of 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3241(b), 3471(4);

(5) Paragraph (e) of this section issued under the authority of 10 U.S.C. 16136(b); 38 U.S.C. 3002(3)(A), 3034(a)(3), 3202(2)(A), 3241(a), 3241(b).

**§ 21.4236 Tutorial assistance.**

(a) *Enrollment.* A veteran or eligible person may receive supplemental monetary assistance to provide tutorial services if he or she:

(1) Is pursuing a post-secondary educational program on a half-time or more basis at an educational institution, and

(2) Has a deficiency in a subject which is indispensable to the satisfactory pursuit of an approved program of education.

(b) *Approval.* The Department of Veterans Affairs will grant approval when:

(1) The educational institution certifies that:

(i) Individualized tutorial assistance is essential to correct a deficiency in a specified subject or subjects required as a part of, or which is prerequisite to, or which is indispensable to the satisfactory pursuit of an approved program of education;

(ii) The tutor selected:

(A) Is qualified, and

(B) Is not the parent, spouse, child, brother or sister of the veteran or eligible person; and

(iii) The charges for this assistance do not exceed the customary charges for such tutorial assistance; and

(2) The assistance is furnished on an individual basis.

(2) The total amount of all tutorial assistance provided under this section will not exceed \$1200.

If the State approving agency chooses to approve a resident course (other than a flight course) not leading to a standard college degree, it must also approve the class schedules of that course.

(3) If an educational institution offers a course by independent study or by correspondence, only the State approving agency for the State where the educational institution's main campus is located may approve the course for VA training.

(4) If a training establishment offers a program of apprenticeship or other on-job training, only the State approving agency for the State where the training will take place may approve the course for VA training.

(5) Except as provided in paragraph (a)(6)(ii) of this section, if a State or political subdivision of a State offers a licensing test, only the State approving agency for the State where the license will be valid may approve the test for VA payment.

(6)(i) If an organization or entity offers a licensing or certification test and applies for approval of that test, only the State approving agency for the State where the organization or entity has its headquarters may approve the test and the organization or entity offering the test for VA payment. This approval will be valid wherever the test is given.

(ii) If the organization or entity offering a licensing or certification test does not apply for approval, and a State or political subdivision of a State requires that an individual take the test in order to obtain a license, the State approving agency for the State where the license will be valid may approve the test for VA payment. This approval will be valid for the purpose of VA payment only if the veteran takes the test in the State or political subdivision of the State where the license is valid.

(7) A course approved under 38 U.S.C. chapter 36 will be deemed to be approved for purposes of 38 U.S.C. chapter 35.

(8) Any course that was approved under 38 U.S.C. chapter 33 (as in effect before February 1, 1965), or under 38

U.S.C. chapter 35 before March 3, 1966, and was not or is not disapproved for failure to meet any of the requirements of the applicable chapters, will be deemed to be approved for purposes of 38 U.S.C. chapter 36.

(9) VA may make tuition assistance top-up payments of educational assistance to an individual to meet all or a portion of an educational institution's charges for education or training that the military department concerned has not covered under tuition assistance, even though a State approving agency has not approved the course in which the individual was enrolled.

(Authority: 38 U.S.C. 3014(b), 3313(e), 3315, 3670, 3672(a))

(b) *State approving agencies.* Approval by State approving agencies will be in accordance with the provisions of 38 U.S.C. Chapter 36 and such regulations and policies as the agency may adopt not in conflict therewith.

(1) *Notice of approval.* (i) Each State approving agency must provide to VA:

(A) A list of schools specifying which courses it has approved;

(B) A list of licensing and certification tests and organizations and entities offering these tests that it has approved; and

(C) Any other information that it and VA may determine to be necessary.

(ii) The lists and information must be provided on paper or electronically as VA may require.

(2) *Notice of suspension of approval or disapproval.* Each State approving agency will notify the Department of Veterans Affairs of the suspension of approval or disapproval of any course or licensing or certification test previously approved and will set forth the reasons for such suspension of approval or disapproval. See § 21.4259.

(Authority: 38 U.S.C. 3672(a))

(3) *Failure to act.* If notice has been furnished that the State approving agency does not intend to act on the application of a school, the school may request approval by the Department of Veterans Affairs.

(c) *Department of Veterans Affairs approval.* (1) The Executive Director, Veteran Readiness and Employment (VR&E) Service may approve special

restorative training in excess of 12 months to overcome or lessen the effects of a physical or mental disability to enable an eligible child to pursue a program of education under 38 U.S.C. chapter 35.

(i) A course of education offered by any agency of the Federal Government authorized under other laws to offer such a course;

(ii) A course of education to be pursued under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, 33, 35, or 36 offered by a school located in the Canal Zone, Guam or Samoa;

(iii) Except as provided in §21.4150(d) as to the Republic of the Philippines, a course of education to be pursued under 10 U.S.C. chapter 1606 or 38 U.S.C. chapter 30, 32, 33, or 35 offered by an institution of higher learning not located in a State;

(iv) Any course in any other school in accordance with the provisions of 38 U.S.C. chapter 36;

(v) Any program of apprenticeship the standards for which have been approved by the Secretary of Labor pursuant to section 50a of Title 29 U.S.C. as a national apprenticeship program for operation in more than one State and for which the training establishment is a carrier directly engaged in interstate commerce and providing training in more than one State; and

(vi) Any licensing or certification test and any organization or entity offering such a test if—

(A) The organization or entity is an agency of the Federal government;

(B) The headquarters of the organization or entity offering the test is not located in a State; or

(C) The State approving agency that would, under paragraph (a)(5) or (a)(6) of this section, have approval jurisdiction for the test has declined to perform the approval function for licensing or certification tests and the organizations or entities offering these tests.

### § 21.4251 Minimum period of operation requirement for educational institutions.

The provisions of this section do not apply to licensing or certification tests or to the organizations or entities offering those tests. For information on the minimum period of operation requirement that applies to licensing or certification tests, see §21.4268.

(a) *Definitions.* The following definitions apply to the terms used in this section. The definitions in §21.4200 apply to the extent that no definition is included in this paragraph.

(1) *Control.* The term *control* (including the term *controlling*) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(2) *Person.* The term *person* means an individual, corporation, partnership, or other legal entity.

(Authority: 38 U.S.C. 3680A(e))

(b) *Some educational institutions must be in operation for 2 years.* Except as provided in paragraph (c) of this section, when a proprietary educational institution offers a course not leading to a standard college degree, VA may not approve an enrollment in that course if the proprietary educational institution—

(1) Has been operating for less than 2 years;

(2) Offers the course at a branch or extension and the branch or extension has been operating for less than 2 years; or

(3) Offers the course following either a change in ownership or a complete move outside its original general locality, and the educational institution does not retain substantially the same faculty, student body, and courses as before the change in ownership or the

## Department of Veterans Affairs

## § 21.4251

move outside the general locality unless the educational institution, after such change or move, has been in operation for at least 2 years.

(Authority: 38 U.S.C. 3680A(e) and (g))

(c) *Exception to the 2-year operation requirement.* Notwithstanding the provisions of paragraph (b) of this section, VA may approve the enrollment of a veteran, servicemember, reservist, or eligible person in a course not leading to a standard college degree approved under this subpart if it is offered by a proprietary educational institution that—

(1) Offers the course under a contract with the Department of Defense or the Department of Transportation; and

(2) Gives the course on or immediately adjacent to a military base, Coast Guard station, National Guard facility, or facility of the Selected Reserve.

(Authority: 38 U.S.C. 3680A(e) and (g))

(d) *Operation for 2 years.* VA will consider, for the purposes of paragraph (b) of this section, that a proprietary educational institution (or a branch or extension of such an educational institution) will be deemed to have been operating for 2 years when the educational institution (or a branch or extension of such an educational institution)—

(1) Has been operating as an educational institution for 24 continuous months pursuant to the laws of the State(s) in which it is approved to operate and in which it is offering the training; and

(2) Has offered courses continuously for at least 24 months inclusive of normal vacation or holiday periods, or periods when the institution is closed temporarily due to a natural disaster that directly affected the institution or the institution's students.

(Authority: 38 U.S.C. 3680A(e) and (g))

(e) *Move outside the same general locality.* A proprietary educational institution (or a branch or extension thereof) will be deemed to have moved to a location outside the same general locality of the original location when the new location is beyond normal commuting distance of the original loca-

tion, *i.e.*, 55 miles or more from the original location.

(Authority: 38 U.S.C. 3680A(e))

(f) *Change of ownership.* (1) A change of ownership of a proprietary educational institution occurs when—

(i) A person acquires operational management and/or control of the proprietary educational institution and its educational activities; or

(ii) A person ceases to have operational management and/or control of the proprietary educational institution and its educational activities.

(2) Transactions that may cause a change of ownership include, but are not limited to the following:

(i) The sale of the educational institution;

(ii) The transfer of the controlling interest of stock of the educational institution or its parent corporation;

(iii) The merger of 2 or more educational institutions; and

(iv) The division of one educational institution into 2 or more educational institutions.

(3) VA considers that a change in ownership of an educational institution does not include a transfer of ownership or control of the institution, upon the retirement or death of the owner, to:

(i) The owner's parent, sibling, spouse, child, spouse's parent or sibling, or sibling's or child's spouse; or

(ii) An individual with an ownership interest in the institution who has been involved in management of the institution for at least 2 years preceding the transfer.

(Authority: 38 U.S.C. 3680A(e))

(g) *Substantially the same faculty, student body, and courses.* VA will determine whether a proprietary educational institution has substantially the same faculty, student body, and courses following a change of ownership or move outside the same general locality by applying the provisions of this paragraph.

(1) VA will consider that the faculty remains substantially the same in an educational institution when faculty members who teach a majority of the courses after the move or change in ownership, were so employed by the

§ 21.4252

38 CFR Ch. I (7–1–25 Edition)

educational institution before the move or change in ownership.

(2) VA will consider that the courses remain substantially the same at an educational institution when:

(i) Faculty use the same instructional methods during the term, quarter, or semester after the move or change in ownership as were used before the move or change in ownership; and

(ii) The courses offered after the move or change in ownership lead to the same educational objectives as did the courses offered before the move or change in ownership.

(3) VA considers that the student body remains substantially the same at an educational institution when, except for those students who have graduated, all, or a majority of the students enrolled in the educational institution on the last day of classes before the move or change in ownership are also enrolled in the educational institution after the move or change in ownership.

**§ 21.4252 Courses precluded; erroneous, deceptive, or misleading practices.**

(a) *Bartending and personality development.* Enrollment will not be approved in any bartending or personality development course.

(b) *Avocational and recreational.* Enrollment will not be approved in any course which is avocational or recreational in character or the advertising for which contains significant avocational or recreational themes. The courses identified in paragraphs (b)(1), (2), and (3) of this section are presumed to be avocational or recreational in character and require justification for their pursuit.

(1) Any photography course or entertainment course, or

(2) Any music course, instrumental or vocal, public speaking course, or course in dancing, sports or athletics, such as horseback riding, swimming, fishing, skiing, golf, baseball, tennis, bowling, sports officiating, or other sport or athletic courses, except courses of applied music, physical edu-

cation, or public speaking which are offered by institutions of higher learning for credit as an integral part of a program leading to an educational objective, or

(3) Any other type of course which the Department of Veterans Affairs determines to be avocational or recreational.

(Authority: 38 U.S.C. 3523(a), 3680A(b))

(4) To overcome the presumption that a course is avocational or recreational in character, the veteran or eligible person will be required to establish that the course will be of bona fide use in the pursuit of his or her present or contemplated business or occupation.

(c) *Flight training.* The Department of Veterans Affairs may approve an enrollment in any of the following types of courses of flight training if an institution of higher learning offers the course for credit toward the standard college degree the veteran or eligible person is pursuing. The Department of Veterans Affairs otherwise will not approve an enrollment in:

(1) A course of flight training to obtain a private pilot's license or equivalent level training; or

(2) Any course of flight training under Chapter 35.

(Authority: 10 U.S.C. 16131(f); 38 U.S.C. 3034, 3241(b), 3323(a), 3523(b), 3680A(b))

(d) *Courses by radio.* Enrollment in such courses will not be approved.

(e) *Correspondence courses.* (1) VA will not approve the enrollment of an individual under 10 U.S.C. Chapter 1606 or 38 U.S.C. Chapter 30, 32, or 35 in a correspondence course or the correspondence portion of a correspondence-residence course unless the course is accredited and meets the requirements of §§ 21.4253, 21.4256, and 21.4279, as appropriate.

(2) VA will not approve the enrollment of an eligible child under 38 U.S.C. Chapter 35 in a correspondence course or the correspondence portion of a correspondence-residence course.

**§ 21.4252**

(f) *Alternative teacher certification program.* VA will not approve the enrollment of an eligible person under 38 U.S.C. Chapter 35 in an alternative teacher certification program unless that program is offered by an institution of higher learning as defined in §21.4200(h).

(Authority: 38 U.S.C. 3452(c), 3501(a)(6))

(g) *Independent study.* (1) Effective October 29, 1992, VA may pay educational assistance to a veteran who is enrolled in a nonaccredited course or unit subject offered entirely or partly by independent study only if—

(i) Successful completion of the non-accredited course or unit subject is required in order for the veteran to complete his or her program of education; and the veteran—

(A) Was receiving educational assistance on October 29, 1992, for pursuit of the program of education of which the nonaccredited independent study course or unit subject forms a part, and

(B) Has remained continuously enrolled in that program of education from October 29, 1992, to the date the veteran enrolls in the nonaccredited independent study course or unit subject; or

(ii) Was enrolled in and receiving educational assistance for the non-accredited independent study course or unit subject on October 29, 1992, and remains continuously enrolled in that course or unit subject.

(2) Whether or not the veteran is enrolled will be determined by the regularly prescribed standards and practices of the educational institution.

(Authority: 38 U.S.C. 3680A; sec. 313(b), Pub. L. 102-568, 106 Stat. 4331-4332)

(h) *Erroneous, deceptive, or misleading practices.* For the purposes of this paragraph, “educational institution” includes an organization or entity offering licensing or certification tests.

(1) If an educational institution uses advertising, sales, enrollment practices, or candidate handbooks that are erroneous, deceptive, or misleading by actual statement, omission, or intimidation, VA will not approve:

(i) An enrollment in any course such an educational institution offers; and

(ii) Payment of educational assistance as reimbursement to a veteran or eligible person for taking a licensing or certification test that the educational institution offers.

(2) VA will use the services and facilities of the Federal Trade Commission, where appropriate, under an agreement:

(i) To carry out investigations; and

(ii) To decide whether an educational institution uses advertising, sales, or enrollment practices, or candidate handbooks, described in paragraph (h)(1) of this section.

(3) Any educational institution offering courses approved for the enrollment of veterans, reservists, and/or eligible persons, or offering licensing or certification tests approved for payment of educational assistance as reimbursement to veterans or eligible persons who take the tests, must maintain a complete record of all advertising, sales materials, enrollment materials, or candidate handbooks (and copies of each) that the educational institution or its agents have used during the preceding 12-month period. The State approving agency and VA may inspect this record. The materials in this record shall include but are not limited to:

(i) Any direct mail pieces,

(ii) Brochures,

(iii) Printed literature used by sales people,

(iv) Films, video cassettes and audio tapes disseminated through broadcast media,

(v) Material disseminated through print media,

(vi) Tear sheets,

(vii) Leaflets,

(viii) Handbills,

(ix) Fliers, and

(x) Any sales or recruitment manuals used to instruct sales personnel, agents or representatives of the educational institution.

(Authority: 38 U.S.C. 3689, 3696)

(i) *Audited courses.* The school's certifications shall exclude courses which

§ 21.4252

38 CFR Ch. I (7-1-25 Edition)

are being audited by the veteran or eligible person, since no educational assistance allowances shall be paid for such courses.

(Authority: 38 U.S.C. 3680(a))

(j) *Nonpunitive graded courses.* The school shall report any course for which a nonpunitive grade is assigned and no payment shall be authorized for such a course. If payment has already been made, in whole or in part, by the Department of Veterans Affairs at the time the grade is assigned, an overpayment shall be created against the account of the student for such a course, unless the Department of Veterans Affairs determines there are mitigating circumstances.

(Authority: 38 U.S.C. 3680(a))

(k) *Courses with suspended approval.* When a State approving agency has suspended the approval of a course for new enrollments, new enrollments in the course shall not be approved until the suspense is lifted. If the State approving agency does not lift the suspense, but disapproves the course instead, new enrollments beginning on or after the date the suspense was effective shall not be approved. See § 21.4259.

(Authority: 38 U.S.C. 3672(a))

(l) *Courses taken by a nonmatriculated student who is pursuing a degree.* The provisions of this paragraph apply to veterans and eligible persons who are pursuing a degree, but who have not matriculated. The Department of Veterans Affairs considers a student to have matriculated when he or she has been formally admitted to a college or university as a degree-seeking student.

(1) Some colleges or universities admit students provisionally, pending receipt of test results or transcripts. The Department of Veterans Affairs may approve such a veteran's or eligible person's enrollment in a course or subject only if the veteran or eligible person matriculates during the first two terms, quarters or semesters following his or her admission.

(2) The first portion of the courses leading to a single degree may be offered at one college or university. The remaining courses are not offered at

the college or university, but are offered at a second college or university which grants the degree based upon the combined credits earned by the student. If the student is not required to matriculate during the portion of the program offered at the first college or university, VA may approve an enrollment in a course or subject that is part of that portion of the program only when the certifications described in either paragraph (1)(2)(i) or (ii) of this section are made.

(i) The college or university granting the degree certifies concurrently with the student's enrollment in the first portion of the program, that

(A) Full credit will be granted for the subjects taken in the portion of the curriculum offered at the first college or university;

(B) In the last 5 years at least three students who have completed the first part of the program have been accepted into the second part of the program;

(C) At least 90 percent of those who have applied for admission to the second part of the program, after successfully completing the first part, have been admitted;

(D) The student will be required to matriculate during the first two terms, quarters or semesters following his or her admission to the second part of the program.

(ii) The college or university offering the first part of the program:

(A) Certifies to the appropriate State approving agency that as a result of an agreement between that college or university and the college or university offering the second part of the program, all of the courses taken by the veteran or eligible person in the first part of the program, will be accepted by the college or university offering the second part of the program without any loss of credit in partial fulfillment of the requirements for an associate or higher degree. This certification may be made once for each program for which an agreement exists.

(B) Certifies to VA that the veteran or eligible person has stated to an appropriate official of the college or university offering the first part of the program that he or she is pursuing the program.

## Department of Veterans Affairs

## § 21.4253

(3) The first portion of the subjects or courses in a baccalaureate program beyond those necessary for an associate degree may be given at a 2-year college, while the remainder may be offered at a 4-year college or university. When the college or university does not require the student to matriculate while pursuing the additional study at the 2-year college, VA may approve an enrollment in a course offered in the program at the 2-year college only if the certifications described in either paragraph 1(3)(i) or (ii) of this section are made.

(i) The college or university granting the baccalaureate degree certifies that:

(A) Full credit is granted for the course upon the student's transfer to the college or university granting the baccalaureate degree,

(B) The courses taken at the 2-year college will be acceptable in partial fulfillment for the baccalaureate degree, and

(C) The student will be required to matriculate during the first two terms, quarters or semesters following his or her admission to the college or university granting the baccalaureate degree.

(ii) Either the 2-year college or the college or university granting the baccalaureate degree:

(A) Certifies to the appropriate State approving agency that as a result of agreement between the 2-year college and the college or university offering the baccalaureate degree all of the courses pursued beyond the associate degree will be accepted without any loss of credit in partial fulfillment of the requirements for a baccalaureate degree. This certification may be made once for each program for which an agreement exists.

(B) Certifies to VA that the veteran or eligible person is enrolled in courses covered by the agreement.

(4) Except as provided in paragraphs 1(1), (2), and (3) of this section, the Department of Veterans Affairs will not approve a veteran's or eligible person's enrollment in a course or subject if the veteran or eligible person:

- (i) Is pursuing a degree, and
- (ii) Is not matriculated.

(5) Nothing in this paragraph shall prevent a State approving agency from including more restrictive matricula-

tion requirements in its approval criteria.

(Authority: 38 U.S.C. 3452)

(m) *Courses offered under contract.* VA may not approve the enrollment of a veteran, servicemember, reservist, or eligible person in a course as a part of a program of education offered by any educational institution if the educational institution or entity providing the course under contract has not obtained a separate approval for the course in the same manner as for any other course as required by § 21.4253, § 21.4254, § 21.4256, § 21.4257, § 21.4260, § 21.4261, § 21.4263, § 21.4264, § 21.4265, § 21.4266, or § 21.4267, as appropriate.

### § 21.4253 Accredited courses.

(a) *General.* All standard college degree courses offered at proprietary for-profit institutions and non-college degree courses offered at proprietary for-profit institutions and public or proprietary not-for-profit institutions may be approved as accredited courses if they meet one of the following criteria:

(1) The course has been accredited and approved by a nationally recognized accrediting agency or association. "Candidate for accreditation" status is not a basis for approval of a course as accredited.

(2) Credit for such course is approved by the State department of education for credit toward a high school diploma.

(3) The course is conducted under the Act of February 23, 1917 (20 U.S.C. 11 *et seq.*).

(4) The course is accepted by the State department of education for credit for a teacher's certificate or teacher's degree.

(5) The course is approved by the State as meeting the requirement of regulations prescribed by the Secretary of Health and Human Services under sections 1819(f)(2)(A)(i) and 1919(f)(2)(A)(i) of the Social Security Act (42 U.S.C.1395i-3(f)(2)(A)(i) and 1396r(f)(2)(A)(i)).

(b) *Course objective.* Any curriculum offered by an educational institution which is a member of one of the nationally recognized accrediting agencies or associations and which leads to a degree, diploma, or certificate will be accepted as an accredited course when approved as such by the State approving agency. Any curriculum accredited by one of the specialized nationally recognized accrediting agencies or associations and which leads to a degree, diploma, or certificate will also be accepted as an accredited course when approved as such by the State approving agency. Approval of the individual subjects, required or elective, which are designated as a part of a degree curriculum will not be necessary. Such approval may include noncredit subjects that are prescribed as a required part of the curriculum. The course objective may be educational (high school diploma or a standard college degree) or it may be vocational or professional (an occupation).

(c) *Accrediting agencies.* A nationally recognized accrediting agency or association is one that appears on the list published by the Secretary of Education as required by 38 U.S.C. 3675(a). The State approving agencies may use the accreditation of these accrediting agencies or associations for approval of the course specifically accredited and approved by the agency or association.

(d) *School qualification.* A school desiring to enroll veterans or eligible persons in accredited courses will make application for approval of such courses to the State approving agency. The State approving agency may approve the application of the school when the school and its accredited courses are found to have met the following criteria and additional reasonable criteria established by the State approving agency if the Secretary or designee, in consultation with the State approving agency, approves the additional criteria as necessary and eq-

uitable in its treatment of public, private, and proprietary for-profit educational institutions:

(1) The institution (other than an elementary or secondary school) has submitted to the State approving agency copies of its catalog or bulletin which are certified as true and correct in content and policy by an authorized representative, and the publication shall:

(i) State with specificity the requirements of the institution with respect to graduation;

(ii) Include institution policy and regulations relative to standards of progress required of the student by the institution (this policy will define the grading system of the institution, the minimum grades considered satisfactory, conditions for interruption for unsatisfactory grades or progress, a description of the probationary period, if any, allowed by the institution, conditions of reentrance for those students dismissed for unsatisfactory progress, and a statement regarding progress records kept by the institution and furnished the student);

(iii) Include institution policy and regulations relating to student conduct and conditions for dismissal for unsatisfactory conduct; and

(iv) Include any attendance standards of the institution if the institution has and enforces such standards.

(2) Adequate records are kept by the school to show the progress of each veteran or eligible person. The records must be sufficient to show continued pursuit at the rate for which enrolled and the progress being made. They must include final grade in each subject for each term, quarter, or semester; record of withdrawal from any subject to include the last date of attendance for a resident course; and record of reenrollment in subjects from which there was a withdrawal; and may include such records as attendance for resident courses, periodic grades and examination results.

(3) The school maintains a written record of previous education and training of the veteran or eligible person which clearly indicates that appropriate credit has been given by the school for previous education and training, with the training period shortened proportionately. The record

must be cumulative in that the results of each enrollment period (term, quarter or semester) must be included so that it shows each subject undertaken and the final result, *i.e.*, passed, failed, incomplete or withdrawn.

(4) The school enforces a policy relative to standards of conduct and progress required of the student. The school policy relative to standards of progress must be specific enough to determine the point in time when educational benefits should be discontinued, pursuant to 38 U.S.C. 3474 when the veteran or eligible person ceases to make satisfactory progress. The policy must include the grade or grade point average that will be maintained if the student is to graduate. For example, a 4-year college may require a 1.5 grade point average the first year, a 1.75 average at mid-year the second year, and a cumulative average of 2.0 thereafter on the basis of 4.0 for an A.

(5) If the school has a standard of attendance, it maintains records of attendance for veterans and eligible persons enrolled in resident courses which are adequate to show the student meets the school's standard of attendance.

(6) The accredited courses, the curriculum of which they form a part, and the instruction connected with those courses are consistent in quality, content, and length with similar courses in public educational institutions and other private educational institutions in the State with recognized accepted standards.

(7) There is in the educational institution offering the course adequate space, equipment, instructional material, and instructor personnel to provide training of good quality.

(8) The educational and experience qualifications of directors, and administrators of the educational institution offering the courses, and instructors teaching the courses for which approval is sought, are adequate.

(9)(i) For a course designed to prepare an individual for licensure or certification in a State, the course meets all instructional curriculum licensure or certification requirements of such State.

(ii) For a course designed to prepare an individual for licensure to practice

law in a State, the course is accredited by a specialized accrediting agency for programs of legal education or association recognized by the Secretary of Education under subpart 2 of part H of title IV of the Higher Education Act of 1965 (20 U.S.C. 1099b), from which recipients of law degrees from such accredited programs are eligible to sit for a bar examination in any State.

(iii) For a course designed to prepare an individual for employment pursuant to standards developed by a board or agency of a State in an occupation that requires approval, licensure, or certification, the course meets such standards.

(iv) An educational institution may apply, through their State approving agency of jurisdiction, to the Secretary or designee for a waiver of the requirements of this paragraph (d)(9). The State approving agency will forward an application for waiver, together with its recommendation for granting or denying the application, to the Secretary or designee. The Secretary or designee may grant a waiver upon a finding that all of the following criteria have been met:

(A) The educational institution is not accredited by an agency or association recognized by the Department of Education.

(B) The course did not meet the requirements of this paragraph (d)(9) at any time during the 2-year period preceding the date of the waiver.

(C) The waiver furthers the purposes of the educational assistance programs administered by VA or would further the education interests of individuals eligible for assistance under such programs.

(D) The educational institution does not provide any commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollments or financial aid to any persons or entities engaged in any student recruiting or admission activities or in making decisions regarding the award of student financial assistance, except for the recruitment of foreign students residing in foreign countries who are not eligible to receive Federal student assistance.

§ 21.4254

38 CFR Ch. I (7–1–25 Edition)

(10) Before requiring a school and its accredited courses to meet any additional criteria, the State approving agency must present a written proposal to the Secretary or designee justifying the need for the additional criteria and containing an attestation that the criteria will treat all schools equitably, regardless of whether they are public, private, or for-profit institutions. The Secretary or designee will determine whether the additional criteria are necessary and treat schools equitably based on the proposal and any additional information submitted. The Secretary or designee may change the determination at any time if, after implementation, it becomes apparent that the criteria are unnecessary or schools are treated inequitably under the criteria.

(i) The written proposal must contain a description of the need for the additional criteria and an explanation of how the imposition of the additional criteria would remedy the problem. The proposal must also contain a statement concerning whether State or Federal laws, regulations, or policies require the imposition of the additional criteria and an explanation of the consideration of any alternative means to achieve the same goal as the additional criteria.

(ii) The Secretary or designee may request such additional information from the State approving agency as the Secretary or designee deems appropriate before determining whether the criteria are necessary and treat schools equitably.

(e) *College level.* Under the provisions of paragraph (a)(1) of this section, any course at college level approved by the State approving agency as an accredited course will be accepted by the Department of Veterans Affairs as an accredited course when all of the following conditions are met:

(1) The college or university is accredited by a nationally recognized regional accrediting agency listed by the Secretary of Education or the course is accredited at the college level by a specialized accrediting agency or association recognized by the Secretary of Education; and

(2) The course has entrance requirements of not less than the require-

ments applicable to the college level program of the school; and

(3) Credit for the course is awarded in terms of standard semester or quarter hours or by recognition at completion by the granting of a standard college degree.

(f) *Courses not leading to a standard college degree.* Any course in a school approved by the State approving agency will be accepted as an accredited course when all of the following conditions are met:

(1) The course or the school offering such course is accredited by the appropriate accrediting agency; and

(2) The course offers training in the field for which the accrediting agency is recognized and at a level for which it is recognized; and

(3) The course leads to a high school diploma or a vocational objective.

(g) *Authority.* (1) Paragraph (a) of this section issued under the authority of 38 U.S.C. 3675(a);

(2) Paragraphs (b) through (d)(1) of this section issued under the authority of 38 U.S.C. 3675(a), 3676(b);

(3) Paragraphs (d)(2) and (3) of this section issued under the authority of 38 U.S.C. 3675(b);

(4) Paragraphs (d)(4) and (5) of this section issued under the authority of 38 U.S.C. 3474, 3675);

(5) Paragraphs (d)(6) through (8) of this section issued under the authority of 38 U.S.C. 3675(b), 3676(c)(1), (2), (3);

(6) Paragraph (d)(9) of this section issued under the authority of 38 U.S.C. 3675(b)(3), 3676(c), (f); and

(b) *Application.* Any school desiring to enroll veterans or eligible persons in nonaccredited courses will submit a written application to the appropriate State approving agency for approval of such courses (38 U.S.C. 3676(a)). Such application will be accompanied by not less than two copies of the current catalog or bulletin which is certified as true and correct in content and policy by an authorized owner or official of the school and will include the following:

This policy will define the grading system of the school, the minimum grades considered satisfactory conditions for interruption for unsatisfactory grades or progress, and a description of the probationary period, if any, allowed by the school, and conditions of reentrance for those students dismissed for unsatisfactory progress. A statement will be made regarding progress records kept by the school and furnished the student;

(12) Policy and regulations relative to granting credit for previous education and training.

(Authority: 38 U.S.C. 3676(b))

(c) *Approval criteria.* The appropriate State approving agency may approve the application of such school when the school and its nonaccredited courses are found upon investigation to have met the following criteria:

(1) The courses, curriculum, and instruction are consistent in quality, content, and length with similar recognized accepted standards.

(2) There is in the school adequate space, equipment, instructional material, and instructor personnel to provide training of good quality.

(3) Educational and experience qualifications of directors, administrators, and instructors are adequate.

(5) A copy of the course outline, schedule of tuition, fees, and other charges, regulations pertaining to absences, grading policy, and rules of operation and conduct will be furnished the veteran or eligible person upon enrollment.

(6) Upon completion of training, the veteran or eligible person is given a certificate by the school indicating the

§ 21.4254

approved course and indicating that training was satisfactorily completed.

(7) Adequate records as prescribed by the State approving agency are kept to show attendance and progress or grades, and satisfactory standards relating to attendance, progress, and conduct are enforced.

(8) The school complies with all local, city, county, municipal, State, and Federal regulations, such as fire codes, building, and sanitation codes. The State approving agency may require such evidence of compliance as it deemed necessary.

(9) The school is financially sound and capable of fulfilling its commitments for training.

(10) The school does not utilize advertising of any type which is erroneous or misleading, either by actual statement, omission, or intimation. The school will not be deemed to have met this requirement until the State approving agency:

(ii) Has, if such an order has been issued, given due weight to that fact.

(11) The school does not exceed its enrollment limitations as established by the State approving agency.

(12) The school administrators, directors, owners, and instructors are of good reputation and character.

(ii) Has obtained a waiver of this requirement. See § 21.4255.

(Authority: 38 U.S.C. 3676)

(14)(i) For a course designed to prepare an individual for licensure or certification in a State, the course meets all instructional curriculum licensure or certification requirements of such State.

(ii) For a course designed to prepare an individual for licensure to practice law in a State, the course is accredited by a specialized accrediting agency for

(iii) For a course designed to prepare an individual for employment pursuant to standards developed by a board or agency of a State in an occupation that requires approval, licensure, or certification, the course meets such standards.

(iv) An educational institution may apply, through their State approving agency of jurisdiction, to the Secretary or designee for a waiver of the requirements of this paragraph (c)(14). The State approving agency will forward an application for waiver, together with its recommendation for granting or denying the application, to the Secretary or designee. The Secretary or designee may grant a waiver upon a finding that all of the following criteria have been met:

(A) The educational institution is not accredited by an agency or association recognized by the Department of Education.

(B) The course did not meet the requirements of this paragraph (c)(14) at any time during the 2-year period preceding the date of the waiver.

(C) The waiver furthers the purposes of the educational assistance programs administered by VA or would further the education interests of individuals eligible for assistance under such programs.

(D) The educational institution does not provide any commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollments or financial aid to any persons or entities engaged in any student recruiting or admission activities or in making decisions regarding the award of student financial assistance, except for the recruitment of foreign students residing in foreign countries who are not eligible to receive Federal student assistance.

(15) Such additional reasonable criteria as may be deemed necessary by the State approving agency if the Secretary or designee, in consultation

## Department of Veterans Affairs

## § 21.4255

with the State approving agency, approves the additional criteria as necessary and equitable in its treatment of public, private, and proprietary for-profit educational institutions. The Secretary or designee will determine whether the additional criteria are necessary and treat schools equitably based on a proposal and any additional information submitted.

(i) Before requiring a school and its nonaccredited courses to meet any additional criteria, the State approving agency must present a written proposal to the Secretary or designee justifying the need for the additional criteria and containing an attestation that the criteria will treat all schools equitably, regardless of whether they are public, private or for-profit institutions. The written proposal must contain a description of the need for the additional criteria and an explanation of how the imposition of the additional criteria would remedy the problem. The proposal must also contain a statement concerning whether State or Federal laws, regulations, or policies require the imposition of the additional criteria and an explanation of the consideration of any alternative means to achieve the same goal as the additional criteria.

(ii) The Secretary or designee may request such additional information from the State approving agency as the Secretary or designee deems appropriate before determining whether the criteria are necessary and treat schools equitably.

(iii) The Secretary or designee may change the determination at any time if, after implementation, it becomes apparent that the criteria are unnecessary or schools are treated inequitably under the criteria.

### § 21.4255 Refund policy; nonaccredited courses.

(a) *Acceptable refund policy.* A refund policy meets the requirements of § 21.4254(c)(13), if it provides that the amount charged for tuition, fees, and other charges for a portion of the course does not exceed the approximate pro rata portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the course bears to the total length. The school may make provision for refund within the following limitations:

(1) *Registration fee.* An established registration fee in an amount not to exceed \$10 need not be subject to proration. Where the established registration fee is more than \$10, the amount in excess of \$10 will be subject to proration.

(2) *Breakage fee.* Where the school has a breakage fee, it may provide for the retention of only the exact amount of the breakage, with the remaining part, if any, to be refunded.

(3) *Consumable instructional supplies.* Where the school makes a separate charge for consumable instructional supplies, as distinguished from laboratory fees, the exact amount of the charges for supplies consumed may be retained but any remaining part must be refunded.

(4) *Books, supplies and equipment.* (i) A veteran or eligible person may retain or dispose of books, supplies and equipment at his or her discretion when:

(A) He or she purchased them from a bookstore or other source, and

(B) Their cost is separate and independent from the charge made by the school for tuition and fees.

(ii) The school will make a refund in full for the amount of the charge for unissued books, supplies and equipment when:

(A) The school furnishes the books, supplies and equipment.

§ 21.4256

38 CFR Ch. I (7-1-25 Edition)

(B) The school includes their cost in the total charge payable to the school for the course.

(C) The veteran or eligible person withdraws or is discontinued before completing the course.

(iii) The veteran or eligible person may dispose of issued items at his or her discretion even if they were included in the total charges payable to the school for the course.

(5) *Tuition and other charges.* Where the school either has or adopts an established policy for the refund of the unused portion of tuition, fees, and other charges subject to proration, which is more favorable to the veteran or eligible person than the approximate pro rata basis as provided in this paragraph, such established policy will be applicable. Otherwise, the school may charge a sum which does not vary more than 10 percent from the exact pro rata portion of such tuition, fees, and other charges that the length of the completed portion of the course bears to its total length. The exact proration will be determined on the ratio of the number of days of instruction completed by the student to the total number of instructional days in the course.

(6) *Prompt refund.* In the event that the veteran, spouse, surviving spouse or child fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion of the course, the unused portion of the tuition, fees and other charges paid by the individual shall be refunded promptly. Any institution which fails to forward any refund due within 40 days after such a change in status, shall be deemed, prima facie, to have failed to make a prompt refund, as required by this paragraph.

(b) *Waiver.* (1) An educational institution may apply through the appropriate State approving agency to the Director of the VA facility of jurisdiction for a waiver of the requirements of paragraph (a) of this section as they apply to a veteran or eligible person. The State approving agency shall forward the application to the Director along with its recommendations. The Director shall consider the recommendations and shall grant a waiver only when he or she finds that the educational institution:

(i) Is a college, university, or similar institution offering post-secondary level academic instruction leading to an associate or higher degree;

(ii) Is operated by an agency of a State or a unit of local government;

(iii) If operated by an agency of a State, is located within that State;

(iv) If operated by a unit of local government, is located within the boundaries of the area over which that unit has taxing jurisdiction;

(v) Is a candidate for accreditation by a regional accrediting agency; and

(vi) Charges the veteran or eligible person no more than \$120 per quarter, \$180 per semester or \$360 per school year in tuition, fees and other charges for the course.

(2) If an educational institution disagrees with a decision of a Director of a VA facility, it may ask that the Director, Education Service review the decision. In reviewing the decision the Director must consider the evidence of record. He or she may not grant a waiver unless all the criteria of paragraph (b)(1) of this section are met.

For applications for approval that are pending approval by the State approving agency on February 2, 1995, and for applications received by the State approving agency after that date, the required certification shall be based on the experience of students who completed the program or course during the six-month period immediately preceding the educational institution's application for approval.

(Authority: 38 U.S.C. 3672(e))

(3) State approving agencies have the authority to review periodically the length of time needed to complete each approved correspondence program or approved correspondence-residence course in order to determine whether the program or course should continue to be approved. In implementing this authority, a State approving agency will examine the results over a prior two-year period reasonably related to the date on which such a review is conducted.

(Authority: 38 U.S.C. 3672(e))

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3686(c))

(2) Upon termination of enrollment under an affirmed enrollment agreement for training in the accredited course by the veteran, spouse, surviving spouse, or reservist, without having completed any lessons, a registration fee not in excess of 10 percent of the tuition for the course or \$50, whichever is less, may be charged him or her. When the individual terminates the agreement after completion of less than 25 percent of the lessons of the course, the institution may retain the registration fee plus 25 percent of the tuition. When the individual terminates the agreement after completing 25 percent but less than 50 percent of the lessons, the institution may retain the registration fee plus 50 percent of the tuition for the course. If 50 percent or more of the lessons are completed, no refund of tuition is required.

(4) Any institution that fails to forward any refund due to the veteran, spouse, surviving spouse, or reservist within 40 days after receipt of a notice of termination or disaffirmance, shall be deemed, prima facie, to have failed to make a prompt refund as required by this section.

### § 21.4259 Suspension or disapproval.

(a) The appropriate State approving agency or the Secretary (whichever entity approved the program), after approving a program of education or licensing or certification test—

(1) May suspend the approval of a program of education for new enrollments or for a licensing or certification test for a period not to exceed 60 days to allow the institution to correct any deficiencies if the evidence of record establishes that the program of education or licensing or certification test fails to meet any of the requirements for approval.

(2) Will immediately disapprove the program of education or licensing or certification test if any of the requirements for approval are not being met and the deficiency cannot be corrected within a period of 60 days.

(b)(1) Upon suspension or disapproval, the State approving agency or the Secretary, whichever suspended or disapproved the program of education, will notify the educational institution by certified or registered letter with a return receipt secured. It is incumbent upon the State approving agency or the Secretary to determine the conduct of the program of education and to take immediate appropriate action in each case in which it is found that the conduct of the program of education in any manner fails to comply with the requirements for approval.

(2)(i) Each State approving agency will immediately notify VA of each program of education or licensing and certification test that it has suspended or disapproved.

(ii) The Secretary will immediately notify the appropriate State approving agency of each program of education or licensing and certification test that it has suspended or disapproved.

(c) The Department of Veterans Affairs will suspend approval for or disapprove courses or licensing or certification tests under conditions specified in paragraph (a) of this section where it functions for the State approving agency. See § 21.4150(c).

(d) The Department of Veterans Affairs will immediately notify the State approving agency in each case of Department of Veterans Affairs suspension or disapproval of any school under 38 U.S.C. chapter 31.

(e) The Secretary or the appropriate State approving agency will disapprove a licensing and certification program

of education if the educational institution providing the program of education fails to publicly disclose in a prominent manner any conditions or additional requirements, including training, experience, or examinations required to obtain the license, certification, or approval for which the program of education is designed to provide preparation.

(1) The Secretary will determine whether a disclosure is sufficiently prominent; however, at a minimum, the educational institution must publish the conditions or requirements on a publicly facing website and in their catalog, and include them in any publication (regardless of medium) which explicitly mentions “educational assistance benefits for servicemembers (and their dependents) or veterans (and their dependents)” or which, in the view of the Secretary, is intended for VA educational assistance beneficiaries.

(2) Individuals continuously enrolled at the same educational institution pursuing a program of education subject to disapproval under paragraph (e) of this section may complete the program of education.

(f) Paragraphs (a) through (e) of this section issued under the authority of 38 U.S.C. 3679(d).

**§ 21.4260 Courses in foreign countries.**

(a) *Approval of postsecondary courses in foreign countries.* (1) In order to be approved a postsecondary course offered in a foreign country must meet all the provisions of this paragraph. A course offered by a foreign medical school (other than one located in Canada) must also meet all of the provisions of paragraph (b) of this section.

(i) The educational institution offering the course is an institution of higher learning, and

(ii) The course leads to a standard college degree or its equivalent.

(2) For the purpose of this paragraph, a degree is the equivalent of a standard

college degree when the program leading to the degree has the same entrance requirements as one leading to a degree granted by a public degree-granting institution of higher learning in that country.

(b) *Approval of courses offered by a foreign medical school.* In addition to meeting all the criteria stated in paragraph (a) of this section, a course offered by a foreign medical school (other than one located in Canada) must also meet all of the following criteria:

(1) The school satisfies the criteria for listing as a medical school in the World Directory of Medical Schools published by the World Health Organization (WHO).

(2) The evaluating bodies (such as medical associations or educational agencies) whose views are considered relevant by the Director, Education Service, and which are located in the same country as the school—

(i) Recognize the school as a medical school, and

(ii) Approve the school.

(3) The school provides, and in the normal course requires its students to complete, a program of clinical and classroom instruction at least 32 months long. This program must be—

(i) Supervised closely by members of the school’s faculty, and

(ii) Provided either.

(A) Outside the United States in facilities adequately equipped and staffed to afford students comprehensive clinical and classroom medical instruction, or

(B) Inside the United States, through a training program for foreign medical students which has been approved by all the medical licensing boards and evaluating bodies whose views are considered relevant by the Director, Education Service.

(4) The school has graduated classes during each of the two 12-month periods immediately preceding the date on which VA receives the school’s application for approval of its courses.

(5) The Director, Education Service, shall withdraw approval of any course when the course or the school offering it fails to meet any of the approval criteria in this section or in Chapter 36, Title 38 U.S.C.

(6) In making the decisions required by this paragraph, the Director, Education Service, may consult with the Secretary of Education. The Director may review any information about a foreign medical school which the Secretary may make available.

(c) *Approval of enrollments in foreign courses.* (1) Except as provided in paragraph (c)(2) of this section, the Department of Veterans Affairs will approve the enrollment of a veteran or eligible person in a course offered by an educational institution not located in a State when—

(i) The eligible person, serviceperson, veteran, or reservist meets the eligibility and entitlement requirements of either §§ 21.3040 through 21.3046, §§ 21.5040 and 21.5041, §§ 21.7040 through 21.7045, or § 21.7540, as appropriate;

(ii) The eligible person's, serviceperson's, veteran's, or reservist's program of education meets the requirements of either § 21.3021(h), § 21.5230, § 21.7020(b)(23), or § 21.7520(b)(17), as appropriate; and

(iii) The course meets the requirements of this section and all other applicable VA regulations.

(2) VA may deny or discontinue the payment of educational assistance allowance to a veteran, serviceperson, eligible person or reservist pursuing a course in an institution of higher learning not located in a State when VA finds that the veteran's, serviceperson's, eligible person's, or reservist's enrollment is not in his or her best interest or the best interest of the Federal Government.

**§ 21.4261 Apprentice courses.**

(a) *General.* An apprentice course is any training on-the-job course which has been established as an apprentice course by a training establishment as defined in § 21.4200(c) and which has been approved as an apprentice course by the State approving agency.

(b) *Application.* Any training establishment desiring to furnish a course of apprentice training will submit a written application to the appropriate

State approving agency setting forth the following:

(1) Title and description of the specific job objective for which the veteran or eligible person is to be trained;

(2) The length of the training period;

(3) A schedule listing various operations for major kinds of work or tasks to be learned and showing for each job operations or work, tasks to be performed, and the approximate length of time to be spent on each operation or task;

(4) The number of hours of supplemental related instruction required; and

(5) Any additional information required by the State approving agency.

(c) *Approval criteria.* The appropriate State approving agency may approve a course of apprentice training when the training establishment and its apprentice courses are found upon investigation to have met the following criteria:

(1) The standards of apprenticeship published by the Secretary of Labor pursuant to 29 U.S.C. 50a;

(2) A signed copy of the training agreement for each veteran or eligible person, making reference to the training program and wage schedule as approved by the State approving agency, is provided to the veteran or eligible person and the Department of Veterans Affairs and the State approving agency by the employer; and

(3) The course meets such other reasonable criteria as may be established by the State approving agency.

(Authority: 38 U.S.C. 3687)

(d) *Promotion.* As funding permits, Department of Veterans Affairs employees will promote the development of apprenticeships. They will:

(1) Visit employers and joint apprenticeship committees,

(2) Coordinate their efforts with activities of any State approving agencies that may choose to promote the development of apprenticeships, and

(3) Avoid duplicating the efforts of others by coordinating their promotional efforts with similar activities of the Department of Labor and State employment security agencies as provided by written agreements covering these activities, including utilization

### § 21.4262 Other training on-the-job courses.

(a) *General.* An "other training on-the-job" course is any training on the job which does not qualify as an apprentice course, as defined in § 21.4261, but which otherwise meets the requirements of paragraph (c) of this section.

(b) *Application.* Any training establishment desiring to furnish a course of other training on-the-job will submit to the appropriate State approving agency a written application setting forth the following:

(1) Title and description of the specific job objective for which the veteran or eligible person is to be trained;

(2) The length of the training period;

(3) A schedule listing various operations for major kinds of work or tasks to be learned and showing for each job operations or work, tasks to be performed, and the approximate length of time to be spent on each operation or task;

(4) The number of hours of supplemental related instruction required;

(5) The entrance wage or salary paid by the training establishment to employees already trained in the kind of work for which the veteran or eligible person is to be trained;

(6) A certification that the wages to be paid the veteran or eligible person upon entrance into training are not less than wages paid nonveterans in the same training position and are at least 50 percent of the wages paid for the job for which he or she is to be trained, and will be increased in regular periodic increments until, not later than the last full month of the scheduled training period they will be at least 85 percent of the wages paid for the job for which the veteran or eligible person is being trained;

(7) A certification that there is reasonable certainty that the job for which the veteran or eligible person is to be trained will be available to him

or her at the end of the training period; and

(8) Any additional information required by the State approving agency.

(c) *Approval criteria.* The appropriate State approving agency may approve the application submitted under paragraph (b) of this section, when the training establishment and its courses are found upon investigation to have met the criteria outlined in this paragraph. Approval will not be granted for training in occupations which require a relatively short period of experience for a trainee to obtain and hold employment at the market wage in the occupation. This includes occupations such as automobile service station attendant or manager, soda fountain attendant, food service worker, salesman, window washer, building custodian or other unskilled or common labor positions as well as clerical positions for which on-the-job training is not the normal method of procuring qualified personnel.

(1) The job which is the objective of the training is one in which progression and appointment to the next higher classification are based upon skills learned through organized and supervised training on-the-job and not on such factors as length of service and normal turnover;

(2) The training content of the course is adequate to qualify the veteran or eligible person for appointment to the job for which he or she is to be trained;

(3) The job customarily requires a period of training of not less than 6 months and not more than 2 years of full-time training;

(4) The length of the training period is not longer than that customarily required by the training establishments in the community to provide the veteran or eligible person with the required skills, arrange for the acquiring of job knowledge, technical information, and other facts which the veteran or eligible person will need to learn in order to become competent on the job for which he or she is being trained;

(5) Provision is made for related instruction for the individual veteran or eligible person who may need it;

(6) There is in the training establishment adequate space, equipment, instructional material, and instructor

personnel to provide satisfactory training on-the-job;

(7) Adequate records are kept to show the progress made by each veteran or eligible person toward his or her job objective;

(8) The veteran or eligible person is not already qualified by training and experience for the job;

(9) The requirements of paragraphs (b)(6) and (7) of this section are met;

(10) A signed copy of the training agreement for each veteran or eligible person, including the training program and wage schedule as approved by the State approving agency, is provided to the veteran or eligible person and the Department of Veterans Affairs and the State approving agency by the employer; and

(11) The course meets such other reasonable criteria as may be established by the State approving agency.

(Authority: 38 U.S.C. 3677)

(d) *Promotion.* As funding permits, Department of Veterans Affairs employees will promote the development of on-the-job training courses. They will:

(1) Visit employers,

(2) Coordinate their efforts with activities of any State approving agencies that may choose to promote the development of on-the-job training courses, and

(3) Avoid duplicating the efforts of others by coordinating their promotional efforts with similar activities of the Department of Labor and State employment security agencies as provided by written agreements covering these activities, including utilization of disabled veterans' outreach program specialists.

### § 21.4263 Approval of flight training courses.

(a)(1) A flight program may be approved if—

(i)(A) For 38 U.S.C. chapters 32 and 35 and 10 U.S.C. chapters 1606 and 1607, the

flight courses that constitute the program of education meet Federal Aviation Administration standards for such courses and the Federal Aviation Administration and the State approving agency approve them; or

(B) For 38 U.S.C. chapters 30 and 33, effective August 1, 2011, the flight program is deemed approved (A flight program will be deemed approved if it is approved by the Federal Aviation Administration and is offered by a certified pilot school that possesses a valid Federal Aviation Administration pilot school certificate or provisional pilot school certificate under 14 CFR part 141. Flight programs offered at flight schools listed in paragraphs (b)(2) and (3) of this section will not be approved for VA training under 38 U.S.C. chapters 30 and 33); and

(ii)(A) The flight training offered by a flight school is generally accepted as necessary for the attainment of a recognized vocational objective in the field of aviation; or

(B) The flight training is offered by an institution of higher learning for credit towards a standard college degree program.

(2) A State approving agency may approve a flight course only if a flight school or an institution of higher learning offers the course. A State approving agency may not approve a flight course if an individual instructor offers it.

(3) This paragraph (a) issued under the authority of 10 U.S.C. 16136(c), 16166(c), 38 U.S.C. 3032(e), 3241(b), 3672, 3676, 3680A.

(b) *Definition of flight school.* A *flight school* is a school, other than an institution of higher learning, or is an entity, such as an aero club; is located in a State; and meets one of the following sets of requirements:

(1) The Federal Aviation Administration has issued the school or entity either a pilot school certificate or a provisional pilot school certificate specifying each course the school is approved to offer under 14 CFR part 141;

(2) The entity is either a flight training center or an air carrier that does not have a pilot school certificate or provisional pilot school certificate issued by the Federal Aviation Administration under 14 CFR part 141, but

## § 21.4263

pursuant to a grant of exemption letter issued by the Federal Aviation Administration under 14 CFR part 61 is permitted to offer pilot training by a flight simulator instead of an actual aircraft; or

(3) The Federal Aviation Administration has issued the school or entity a training center certificate under 14 CFR part 142.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3452(c))

(c) *Aero club courses.* An aero club, established, formed, and operated under authority of service department regulations as a nonappropriated sundry fund activity, is an instrumentality of the Federal government. Consequently, VA has exclusive jurisdiction over approval of flight courses offered by such aero clubs.

(Authority: 38 U.S.C. 3671, 3672)

(d) *Approval of flight training as part of a degree program.* A State approving agency may approve a flight training course that is part of a program of education leading to a standard college degree provided the course and program meet the requirements of § 21.4253 or § 21.4254, as appropriate. The institution of higher learning offering the course need not be a flight school.

(Authority: 38 U.S.C. 3675, 3676)

(e) *Approval of flight training courses that are not part of a degree program.* A flight course is subject to the same approval requirements as any other course. In addition, the State approving agency must apply the following provisions to the approval of flight courses:

(1) The Federal Aviation Administration must approve the course; and

(2)(i) The course must meet the requirements of 14 CFR part 63 or 141, and a flight school described in paragraph (b)(1) or (b)(3) of this section must offer it; or

(ii) The course must meet the requirements of 14 CFR part 61, and either be offered—

(A) By a flight school described in paragraph (b)(3) of this section; or

(B) In whole or in part by a flight simulator pursuant to a grant of ex-

emption letter issued by the Federal Aviation Administration to the flight school offering the course.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3034(d), 3241(b), 3676, 3680A)

(f) *Application of 38 U.S.C. 3680A(e)(2) to flight training.* Notwithstanding the fact that the Federal Aviation Administration will permit flight schools to conduct training at a base other than the main base of operations if the requirements of either 14 CFR 141.91 or 14 CFR 142.17 are met, the satellite base is considered under 38 U.S.C. 3680A(e)(2) to be a branch of the principal school, and must meet the requirements of 38 U.S.C. 3680A(e)(2).

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(a), 3241(a), 3241(b), 3680A)

(g) *Providing a flight course under contract between schools or entities.* When a school or entity offers all or part of a flight course under a contract with another school or entity, the State approving agency must apply § 21.4233 in the following manner:

(1) The requirements of § 21.4233(e) must be met for all contracted flight instruction, instruction by flight training device, flight simulator instruction, and ground school training. Ground school training may be given through a ground school facility operated jointly by two or more flight schools in the same locality; and

(2) The responsibility for providing the instruction lies with the flight school. The degree of affiliation between the flight school and the entity or other school that actually does the instructing must be such that all charges for instruction are made by, and paid to, one entity having jurisdiction and control over both the flight and ground portions of the program.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3032(d), 3241(b))

(h) *Nonaccredited courses—(1) Application of § 21.4254 to flight training.* The provisions of § 21.4254 are applicable to approval of flight training courses.

(2) *Additional instruction requirements.* The State approving agency will apply the following additional requirements to a flight course:

## Department of Veterans Affairs

## § 21.4263

(i) All flight instruction, instruction by flight training device, flight simulator instruction, preflight briefings and postflight critiques, and ground school training in a course must be given by the flight school or under suitable arrangements between the school and another school or entity such as a local community college.

(ii) All ground school training connected with the course must be in residence under the direction and supervision of a qualified instructor providing an opportunity for interaction between the students and the instructor. Simply making provision for having an instructor available to answer questions does not satisfy this requirement.

(3) A flight school must keep at a minimum the following records for each eligible veteran, servicemember, or reservist pursuing flight training:

(i) A copy of his or her private pilot certificate;

(ii) Evidence of completion of any prior training that may be a prerequisite for the course;

(iii) A copy of the medical certificate required by paragraph (a)(2) of this section for the courses being pursued and copies of all medical certificates (expired or otherwise) needed to support all periods of prior instruction received at the current school;

(iv) A daily flight log or copy thereof;

(v) A permanent ground school record;

(vi) A progress log;

(vii) An invoice of flight changes for individual flights or flight lessons for training conducted on a flight simulator or advanced flight training device;

(viii) Daily flight sheets identifying records upon which the 85-15 percent ratio may be computed;

(ix) A continuous meter record for each aircraft;

(x) An invoice or flight tickets signed by the student and instructor showing hour meter reading, type of aircraft, and aircraft identification number;

(xi) An accounts receivable ledger;

(xii) Individual instructor records;

(xiii) Engine log books;

(xiv) A record for each student above the private pilot level stating the name of the course in which the student is

currently enrolled and indicating whether the student is enrolled under 14 CFR part 61, part 63, part 141, or part 142;

(xv) Records of tuition and accounts which are evidence of tuition charged and received from all students; and

(xvi) If training is provided under 14 CFR part 141, the records required by that part, or if training is provided under 14 CFR part 142, the records required by that part.

(Authority: 38 U.S.C. 3671, 3672, 3676, 3690(c))

(i) *Hourly limitations.* A flight course approved pursuant to paragraph (e) of this section shall be approved only for those hours of instruction generally considered necessary for a student to obtain an identified vocational objective. This requirement is met only if the number of hours approved does not exceed the maximum set forth in paragraph (i)(1) through (3) of this section. Flight instruction may never be substituted for ground training.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3002(3), 3202(2), 3452(b))

(1) *Flight or flight simulator instruction.* Except as provided in paragraph (i)(4) of this section, the maximum number of hours of flight instruction or flight simulator instruction which may be approved for a flight course shall not exceed the number determined by this paragraph.

(i) The maximum number of hours of solo flight instruction shall not exceed the minimum number of hours required for the course provided by FAA regulations.

(ii) The maximum number of hours of dual flight instruction shall not exceed the lesser of—

(A) The number of hours of dual flight instruction in the course outline approved by the FAA, or

(B) 120% of the minimum number of hours of dual flight instruction required for the course by FAA regulations.

(iii) The maximum number of hours of instruction by flight simulator or flight training device that a State approving agency may approve is the

§ 21.4263

38 CFR Ch. I (7-1-25 Edition)

maximum number of hours of instruction by flight simulator or flight training device permitted by 14 CFR part 61 for that course when:

(A) A course is offered in whole or in part by flight simulator or flight training device conducted by a training center certificated under 14 CFR part 142; and

(B) 14 CFR part 61 contains a maximum number of hours of instruction by flight simulator or flight training device that may be credited toward the requirements of the rating or certificate that is the objective of the course.

(iv) If a course is offered in whole or in part by flight simulator or flight training device, and the course is not described in paragraph (i)(1)(iii) of this section, either because the course is offered by a flight training center with a grant of exemption letter, or because 14 CFR part 61 does not contain a maximum number of hours of instruction by flight simulator or flight training device, the maximum number of hours of instruction by flight simulator or flight training device that may be approved may not exceed the number of hours in the Federal Aviation Administration-approved outline.

(Authority: 10 U.S.C. 16131(g); 38 U.S.C. 3032(f), 3231(f))

(2) *Ground school.* The ground training portion of a flight course may include two forms of ground training instruction, ground school and preflight briefings and postflight critiques. The minimum hours for ground training, as specified in 14 CFR part 141, appendixes C through J refer only to ground school and not to preflight briefings and postflight critiques. If the ground school training consists of units using kits containing audiovisual equipment, quizzes and examinations, the maximum number of units approved shall not exceed the number on the course outline approved by the FAA. For all other ground school training, the number of hours of training shall not exceed the number of hours on the course outline approved by the FAA.

(Authority: 10 U.S.C. 16136(c); 38 U.S.C. 3002(3), 3202(2), 3452(b))

(3) *Preflight briefings and postflight critiques.* Hours spent in preflight brief-

ings and postflight critiques need not be approved by the FAA.

(i) If these hours are on the FAA-approved outline, the maximum number of hours of preflight briefings and postflight critiques shall not exceed the number of hours on the outline exclusive of the preflight briefings and post-flight critiques which are attributable to solo flying hours that exceed the minimum number of solo flying hours for the course in 14 CFR part 141.

(ii) If these hours are not on the FAA-approved outline, they may not be approved unless the State approving agency finds that the briefings and critiques are an integral part of the course and do not precede or follow solo flying hours which exceed the minimum number of solo flying hours for the course in 14 CFR part 141. The maximum number of hours of preflight briefings and postflight critiques which may be approved for these courses may not, when added together, exceed 25 percent of the approved hours of flight instruction.

(Authority: 10 U.S.C. 16131(f)(4); 16136(c), 38 U.S.C. 3002(3), 3032(f)(4), 3202(2), 3231(f)(4), 3452(b))

(4) *Waiver of limitation in approvable course hours.* (i) Flight schools that wish to have a greater number of hours of dual flight instruction approved than are permitted by paragraph (i)(1)(ii) of this section, may seek an administrative review of their approval by the Director, Education Service. Requests for such a review should be made in writing to the Director of the VA facility having jurisdiction over the flight school. The request should—

(A) State the reasons why the flight school believes that the approval should extend to a greater number of hours, and

(B) Include any evidence tending to show that the greater number of hours should be approved.

(ii) The Director, Education Service shall base her or his decision upon the evidence submitted, the recommendation of the Director of the VA facility, and, if appropriate, the recommendation of the State approving agency having jurisdiction over the flight school.

## § 21.4263

(iii) The limit on the number of hours of solo flight instruction found in paragraph (i)(1)(i) of this section may not be waived.

(Authority: 10 U.S.C. 16131(f)(4); 38 U.S.C. 3032(f)(4), 3231(f)(4))

(j) *Charges.* The appropriate State approving agency shall approve charges for tuition and fees for each flight course exclusive of charges for tuition and fees for solo flying hours which exceed the maximum permitted under paragraph (i)(1)(i) of this section and for preflight briefings and postflight critiques which precede or follow the excess solo hours.

(Authority: 38 U.S.C. 3672)

(1) The approved charges for tuition and fees shall be based upon the charges for tuition and fees which similarly circumstanced nonveterans enrolled in the same flight course are required to pay. Charges for books, supplies and lodging may not be reimbursed.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(d), 3241(c), 3690(a)(1))

(2) For the ground school portion of ground training, the State approving agency should approve group charges or unit prices if audio-visual equipment is used. For the preflight briefings and postflight critiques, the State approving agency should approve individual instructor rates for individual training flights. An average charge per hour based upon total hours and cost of all training given on the ground may not be approved.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(d), 3241(c), 3690(a)(1))

(3) A veteran, servicemember or reservist or group (all or part of whom are veterans, servicemembers or reservists) owning an airplane may lease it to an approved flight school and have exclusive use of the aircraft for flight training. The aircraft should meet the requirements prescribed for all airplanes to be used in the course, and should be shown in the approval by the State approving agency. The leasing arrangement should not result in charges for flight instruction for those

owning the airplane greater than charges made to others not leasing an aircraft to the school.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(d), 3241(c), 3690(a)(1))

(4) If membership in a flight club entitles a veteran, servicemember or reservist to flight training at less than the standard rate, his or her educational allowance will be based on the reduced rate. No payments will be made for the cost of joining the flight club, since it is not a charge for the flight course.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3034(d), 3241(c), 3690(a)(1))

(k) *Substitute aircraft.* Except for minor substitutions a veteran, servicemember or reservist enrolled in a flight course may train only in the aircraft approved for that course. If a particular aircraft is not available for some compelling reason, the veteran, servicemember or reservist may be permitted to train in an aircraft different from that approved for the particular course, provided the aircraft substituted will adequately meet the training requirements for this particular phase of the course. Substitutions should be explained on the monthly certifications of flight training. If this shows that the charge for the substituted aircraft is different from the charge approved for the regular aircraft, the reimbursement will be based on the lesser charge. When substitution becomes the practice rather than the exception, VA will suspend payments and notify the veterans, servicemembers, reservists and the school. VA will refer the matter to the State approving agency for appropriate action.

(1) *Enrollment limitations.* A flight course must meet the 85-15 percent ratio requirement set forth in § 21.4201 before VA may approve new enrollments in the course. The contracted portion of a flight course must meet all

the requirements of § 21.4201 for each subcontractor.

**§ 21.4264 Farm cooperative courses.**

(a) *Description of a farm cooperative course.* A farm cooperative course is an institutional agricultural course. It provides training on a reduced basis to those engaged in farming, compared to other types of training. Part-time benefits are provided for students whose farming operation will not permit them to attend class at least 10 hours per week.

(b) *Farm cooperative students must be farmers.* In order to receive educational assistance allowance an eligible person must be engaged concurrently in agricultural employment for an average of at least 40 hours per week. This agricultural employment must be relevant to the farm cooperative course.

(c) *Acceptable class schedules.* (1) The institutional portion of a farm cooperative course:

(i) May be on a term, quarter or semester basis, or

(ii) May consist of courses which:

(A) Are offered during at least 44 weeks of the year, and

(B) Require a minimum of 5 clock hours per week.

(2) The time involved in field trips and individual and group instruction, sponsored and conducted by the educational institution offering farm cooperative courses may be counted toward meeting the clock-hour requirements. See § 21.4270(c) of this part for measurement of farm cooperative courses.

(Authority: 38 U.S.C. 3482, 3532)

(d) *Application.* (1) Any school desiring to enroll spouses or children in farm cooperative courses:

(i) Will submit to the appropriate State approving agency a written ap-

plication for approval in accordance with § 21.4253 or § 21.4254 as appropriate; and

(ii) Must submit statements of fact showing at least the following:

(A) That the course is set up in the school catalog or other literature of the school;

(B) That the agricultural course is offered concurrently with agricultural employment; and

(C) That the school itself verifies on a continuing basis that students are engaged for an average of at least 40 hours per week in suitable agricultural employment which is relevant to the institutional agricultural course offered by the school and is in an area consistent with their institutional training program.

(2) For the purposes of this paragraph suitable agricultural employment must include employment on a farm or other agricultural establishment where the basic activity is either:

(i) The cultivation of the ground such as the raising and harvesting of crops including fruits, vegetables and pastures, or

(ii) The feeding, breeding and managing of livestock, including poultry and other specialized farming.

(3) The Department of Veterans Affairs does not consider employment in training establishments which are engaged primarily in the processing, distribution or sale of agricultural products or combinations thereof, such as dairy processing plants, grain elevators, packing plants, hatcheries, stockyards or florists shops to be suitable agricultural employment.

(e) *Approval criteria.* The appropriate State approving agency may approve the school's application when the agency finds upon investigation that the school and its courses have met the following conditions:

(1) The criteria specified in § 21.4253 or § 21.4254, as appropriate; and

(2) The requirements of paragraph (d) of this section.

**§ 21.4265 Practical training approved as institutional training or on-job training.**

(a) *Medical-dental internships and residencies.* (1) Medical residencies (other than residencies in podiatric medicine), dental residencies, and osteopathic internships and residencies may be approved and recognized as institutional courses only when an appropriate accrediting agency accredits and approves them as leading to certification for a recognized professional objective.

(2) The appropriate accrediting agencies are:

(i) The Accreditation Council for Graduate Medical Education, or where the Accreditation Council for Graduate Medical Education has delegated accrediting authority, the appropriate Residency Review Committee,

(ii) The American Osteopathic Association, and

(iii) The Commission on Dental Accreditation of the American Dental Association.

(3) These residency programs—

(i) Must lead to certification by an appropriate Specialty or Subspecialty Board, the American Osteopathic Association, or the American Dental Association; and

(ii) Will not be approved to include a period of practice following completion of the education requirements even though the accrediting agency requires the practice.

(4) Except as provided in paragraph (a)(5) of this section, no other medical or dental residency or osteopathic internship or residency will be approved or recognized as institutional training.

(5) A residency in podiatric medicine may be approved and recognized as institutional training only when it has been approved by the Council on Podiatry Education of the American Podiatry Association.

(Authority: 38 U.S.C. 3688(b))

(b) *Nursing courses.* (1) Courses for the objective of registered nurse or registered professional nurse will be assessed as institutional training when they are provided in autonomous schools of nursing, hospital schools of nursing, or schools of nursing established in other schools or departments

of colleges and universities, if they are accredited by a nationally recognized accrediting agency or if they meet the requirements of the licensing body of the State in which the school is located. The hospital or fieldwork phase of a nursing course, including a course leading to a degree in nursing, will be assessed as an institutional course when the hospital or fieldwork phase is an integral part of the course, the completion thereof is a prerequisite to the successful completion of the course, the student remains enrolled in the school during the period, and the training is under the direction and supervision of the school.

(2) Courses offered by schools which lead to the objective of practical nurse, practical trained nurse, or licensed practical nurse will be assessed as institutional training including both the academic subjects and the clinical training if the clinical training is offered by an affiliated or cooperating hospital and the student is enrolled in and supervised by the school during the period of such clinical training. Also they must be accredited by a nationally recognized accrediting agency or meet the requirements of the licensing body of the State in which the school is located.

(3) Except for enrollment in a nurse's aide course approved pursuant to § 21.4253(a)(5), VA shall not approve an enrollment in a nonaccredited nursing course which does not meet the licensing requirements of the State where the course is offered.

(Authority: 38 U.S.C. 3452, 3688)

(c) *Medical and dental specialty courses.* (1) Required clinical training included in a school course given in an affiliated hospital, clinic, laboratory, or medical center as a part of a medical or dental specialty course whether accredited or nonaccredited offered by a school such as X-ray technician, medical technician, medical records administrator, physical therapist or dental technician shall be assessed as institutional training provided:

(i) The student remains enrolled in the course during the clinical period;

(ii) The clinical training is;

(a) An integral part of the course;

§ 21.4265

38 CFR Ch. I (7-1-25 Edition)

(b) A prerequisite to the successful completion of the course; and

(c) Under the direction and supervision of the school; and

(iii) The course includes substantial technical or professional training and does not consist of training preliminarily directed to clerical, administrative, secretarial, or receptionist duties.

(2) Medical and dental specialty courses offered in hospitals, clinics, laboratories, or medical centers which are accredited as institutional courses by a nationally recognized accrediting agency will be assessed as institutional training.

(3) Clinical training included in a school course given in a physician's office or a dentist's office, also called externship, will be recognized as part of the institutional training if the course is accredited by a nationally recognized accrediting agency and meets the other requirements of paragraph (c)(1) of this section. If the course is not so accredited such practical or on-the-job training or experience in a physician's office may not be included unless the program is approved as a cooperative course.

(4) Nonaccredited courses offered in hospitals, clinics, laboratories, or medical centers will be considered on-the-job training when the courses meet the requirements of § 21.4262.

(d) *Medical and dental assistants courses for the Department of Veterans Affairs.* A course prescribed by the Secretary for full-time physicians' assistants or for full-time expanded-function auxiliaries (formerly referred to as dentists' assistants) may be approved as institutional training, if the course is conducted at Department of Veterans Affairs facilities or in facilities operated by hospitals, medical schools, or medical installations pursuant to a contract with the Department of Veterans Affairs.

(Authority: 38 U.S.C. 7407)

(e) *Professional training courses.* (1) Any non-medically related professional internship program, such as a clinical pastoral course, will be recognized as an institutional course when it is accredited as an institutional course by a nationally recognized accrediting agency, and

(2) The approved facility for such a course must be the institution or other facility where the training is given.

(f) *Other practical training courses.* (1) Other off-campus job experience included in a school course, variously described by schools as internship, residency, practicum, externship, et cetera, may be included as a part of a cooperative program when the course meets the requirements of § 21.4233(a).

(2) However, such off-campus courses may be considered as resident institutional training only if all of the following conditions are met. The course is:

(i) Accredited by a nationally recognized accrediting agency or is offered by a school that is accredited by one of the regional accrediting associations;

(ii) A part of the approved curriculum of the school;

(iii) Directly supervised by the school;

(iv) Measured in the same unit as other courses;

(v) Required for graduation; and

(vi) Has a planned program of activities described in the school's official publication which is approved by the State approving agency and which is institutional in nature as distinguished from training on-the-job. The description shall include at least:

(A) A unit subject description;

(B) A provision for an assigned instructor;

(C) A statement that the planned program of activities is controlled by the school, not by the officials of the job establishment;

(D) A requirement that class attendance on at least a weekly basis be regularly scheduled to provide for interaction between instructor and student;

(E) A statement that appropriate assignments are required for completion of the course;

(F) A grading system similar to the system used for other resident subjects offered by the school; and

(G) A schedule of time required for the training which demonstrates that the student shall spend at least as much time in preparation and training as is normally required by the school for its other resident courses.

(g) *Nonaccredited courses.* Any non-accredited internship program not

given in a school will be recognized as other on-the-job training when it meets the requirements of § 21.4262 and when the program is required for licensure by the State in which it is offered. (See § 21.4275 for measurement.)

### § 21.4266 Approval of courses at a branch campus or extension.

(a) *Definitions.* The following definitions apply to the terms used in this section.

(1) *Administrative capability* means the ability to maintain all records and accounts that § 21.4209 requires.

(2) *Certifying official* means a representative of an educational institution designated to provide VA with the reports and certifications that §§ 21.4203, 21.4204, 21.5810, 21.5812, 21.7152, and 21.7652 require.

(3) *Main campus* means the location where the primary teaching facilities of an educational institution are located. If an educational institution has only one teaching location, that location is its main campus. If it is unclear which of the educational institution's teaching facilities is primary, the main campus is the location of the primary office of its Chief Executive Officer.

(4) *Branch campus* means a location of an educational institution that—

(i) Is geographically apart from and operationally independent of the main campus of the educational institution;

(ii) Has its own faculty, administration and supervisory organization; and

(iii) Offers courses in education programs leading to a degree, certificate, or other recognized education credential.

(5) *Extension* means a location of an educational institution that is geographically apart from and is operationally dependent on the main campus or a branch campus of the educational institution.

(Authority: 38 U.S.C. 3675, 3676, 3684)

(b) *State approving agency jurisdiction.* (1) The State approving agency for the State where a residence course is being taught has jurisdiction over approval

of that course for VA education benefit purposes.

(2) The fact that the location where the educational institution is offering the course may be temporary will not serve to change jurisdictional authority.

(3) The fact that the main campus of the educational institution may be located in another State from that in which the course is being taught will not serve to change jurisdictional authority.

(Authority: 38 U.S.C. 3672)

(c) *Approving a course offered by a branch campus or an extension of an educational institution.* Before approving a course or a program of education offered at a branch campus or an extension of an educational institution, the State approving agency must ensure that—

(1) Except as provided in paragraph (d) of this section, each location where the course or program is offered has administrative capability; and

(2) Except as provided in paragraph (f) of this section, each location where the course or program is offered has a certifying official on site.

(Authority: 38 U.S.C. 3672)

(d) *Exceptions to the requirement that administrative capability exist at each location.* (1) A State approving agency may approve a course or program offered by a branch campus that does not have its own administrative capability if—

(i) The main campus of the educational institution within the same State maintains a centralized record-keeping system that includes all records and accounts that § 21.4209 requires for each student attending the branch campus without administrative capability. These records may be originals, certified copies, or in an electronically formatted record keeping system; and

(ii) The main campus can identify the records of students at the branch campus for which it maintains centralized records.

(2) The State approving agency may approve a course or program offered by an extension that does not have its own administrative capability if—

§ 21.4266

38 CFR Ch. I (7-1-25 Edition)

(i) The extension and the main campus or branch campus it is dependent on are located within the same State;

(ii) The main campus or branch campus the extension is dependent on has administrative capability for the extension; and

(iii) The State approving agency combines the approval of the course(s) offered by the extension with the approval of the courses offered by the main campus or branch campus the extension is dependent on.

(e) *Combined approval.* The State approving agency may combine the approval of courses offered by an extension of an educational institution with the approval of the main campus or the branch campus that the extension is dependent on, if the extension is within the same State as the campus it is dependent on. Combining the approval of courses offered by an extension, with the approval of courses offered by the main campus or branch campus the extension is dependent on, does not negate the minimum period of operation requirements in §21.4251 for courses that do not lead to a standard college degree offered by an extension of a proprietary educational institution. The State approving agency will list the extension and courses approved on the notice of approval sent to the educational institution pursuant to §21.4258 of this part.

(f) *Exceptions to the requirement that each location where the course or program is offered must have a certifying official on site.* Exceptions to the requirement in paragraph (c) of this section, that each location with an approved course or program of education must have a certifying official on site, will be permitted for—

(1) Extensions of an educational institution when the State approving agency combines the approval of the courses offered by the extension with a branch campus or main campus. (See paragraph (e) of this section.)

(2) Educational institutions with more than one campus within the same State if the main campus—

(i) Maintains a centralized record-keeping system. (See paragraph (d)(1) of this section.);

(ii) Has administrative capability for the branch campus (or branch campuses) within the same State; and

(iii) Centralizes its certifying official function at the main campus.

(3) Educational institutions with multi-state campuses when an educational institution wants to centralize its certifying official function into one or more locations if:

(i) The educational institution submits all required reports and certifications that §§21.4203, 21.4204, 21.5810, 21.5812, 21.7152, and 21.7652 require via electronic submission through VA's Internet-based education certification application;

(ii) The educational institution designates an employee, at each teaching location of the educational institution that does not have a certifying official present, to serve as a point-of-contact for veterans, servicemembers, reservists, or other eligible persons; the certifying official(s); the State approving agency of jurisdiction; and VA. The designated employee must have access (other than to transmit certifications) to VA's Internet-based education certification application to provide certification information to veterans, servicemembers, reservists, or other eligible persons, State approving agency representatives, and VA representatives;

(iii) Each certifying official uses the VA facility code for the location that has administrative capability for the teaching location where the student is training when submitting required reports and certifications to VA; and

(iv) Each certifying official has full access to the administrative records and accounts that §21.4209 requires for each student attending the teaching location(s) for which the certifying official has been designated responsibility. These records may be originals, certified copies, or in an electronically formatted record keeping system.

§ 21.4267

§ 21.4267 Approval of independent study.

(a) Overview. Except as provided in §§ 21.4252(g), 21.7120(d), and 21.7622(f), VA may not pay educational assistance for a nonaccredited course which is offered in whole or in part by independent study. Hence, it is necessary to differentiate independent study from similar courses.

(Authority: 38 U.S.C. 3014, 3523, 3672, 3676(e), 3680A(a))

(b) Definition of independent study. (1) VA considers a course to be offered entirely by independent study when—

(i) It consists of a prescribed program of study with provision for interaction between the student and the regularly employed faculty of the institution of higher learning. The interaction may be personally or through use of communications technology, including mail, telephone, videoconferencing, computer technology (to include electronic mail), and other electronic means;

(ii) It is offered without any regularly scheduled, conventional classroom or laboratory sessions; and

(iii) It is not a course listed in paragraph (c), (d), or (e) of this section.

(2) VA considers a course to be offered in part by independent study when—

(i) It is not classified as one of the three types of courses listed in paragraph (c) of this section;

(ii) It has some weeks when standard class sessions are scheduled; and

(iii) It consists of independent study as defined in paragraph (b)(1) of this section during those weeks when there are no regularly scheduled class sessions.

(Authority: 38 U.S.C. 3523, 3676(e), 3680A(a))

(c) Scope of independent study. VA does not consider any of the following courses to be courses offered by independent study.

(1) A cooperative course as defined in § 21.4233(a);

(2) A farm cooperative course; or

(3) A course approved as a correspondence course.

(Authority: 38 U.S.C. 3676(e), 3680A(a))

(d) Undergraduate resident training. VA considers the following undergraduate courses to be resident training.

(1) A course which meets the requirements for resident institutional training found in § 21.4265(f);

(2) A course which requires regularly scheduled, standard class sessions at least once every two weeks and which has a total number of class sessions equal to the number of credit hours awarded for the course, times the number of weeks in a standard quarter or semester, as applicable;

(3) A course of student teaching; and

(4) Flight training which is an integral part of a standard undergraduate college degree.

(e) Graduate resident training. VA considers a graduate course to be resident training if the course—

(1) Is offered through regularly scheduled, conventional classroom or laboratory sessions; or

(2) Consists of research (either on campus or in absentia) necessary for the preparation of the student's—

(i) Master's thesis,

(ii) Doctoral dissertation, or

(iii) Similar treatise which is prerequisite to the degree being pursued; or

(3) Consists of a combination of training as described in paragraphs (e)(1) and (e)(2) of this section.

(Authority: 38 U.S.C. 3676(e), 3680A(a))

(f) Course approval. A State approving agency may approve a course offered by independent study or a combination of independent study and resident training only if the course—

(1) Is accredited;

(2) Meets the requirements of § 21.4253; and

(3) Either—

(i) Leads to a standard college degree; or

(ii) For courses approved on or after December 27, 2001, leads to a certificate that reflects educational attainment offered by an institution of higher learning.

(Authority: 38 U.S.C. 3672, 3675, 3680A(a)(4))

## § 21.4268

(g) *Remedial and deficiency courses.* Remedial and deficiency courses offered by independent study cannot be approved.

### § 21.4268 Approval of licensing and certification tests.

(a) *Authority to approve licensing and certification tests*—(1) *Tests deemed approved.* Effective August 1, 2011, a licensure test offered by a Federal, State, or local government is deemed approved in accordance with § 21.4150(f).

(2) *VA approval.* The Secretary of Veterans Affairs delegates to the Under Secretary for Benefits, and to personnel the Under Secretary for Benefits may designate within the Education Service of the Veterans Benefits Administration, the authority to approve licensing and certification tests and the organizations and entities offering the tests as provided in § 21.4250(c)(2)(vi).

(3) *State approving agency approval.* Except for the licensing and certification tests and organizations or entities offering these tests that are approved under paragraphs (a)(1) and (2) of this section, the Secretary of Veterans Affairs delegates to each State approving agency the authority to approve licensing and certification tests and the organizations and entities offering these tests located within the State approving agency's jurisdiction as provided in § 21.4250(a).

(b) *Approval of tests.* (1) If an organization or entity wants a licensing or certification test that it offers to be approved for payment of educational assistance, it must apply for approval to the State approving agency having jurisdiction over the locality where the organization or entity has its headquarters. The application must be in the form the State approving agency requires.

(2) In order to be approved for payment of educational assistance to veterans and eligible persons, a licensing or certification test must meet the requirements of paragraph (b) of this section, and the organization or entity offering the test must meet the require-

ments of paragraph (c) of this section and, if appropriate, the requirements of paragraph (d) of this section.

(i) The State approving agency may approve a licensing or certification test only if—

(A) The test is required under Federal, State, or local law or regulation for an individual to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession; or

(B) The State approving agency decides that the test is generally accepted, in accordance with relevant government, business, or industry standards, employment policies, or hiring practices, as attesting to a level of knowledge or skill required to qualify to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession.

(ii) If a State or political subdivision of a State offers a licensing or certification test, the State approving agency will deem the test to have met the requirements of paragraph (b) of this section.

(3) In considering whether the test is generally accepted, a State approving agency may consider the following:

(i) The nature and number of the entities that recognize the certificate awarded to candidates who pass the test;

(ii) The degree to which employers in the relevant industry accept the certification test;

(iii) Whether major employers in an industry require that their employees obtain the certificate awarded to candidates who pass the test;

(iv) The percentage of people employed in the vocation or profession who have taken the test and obtained the certificate; or

(v) Any other reasonable criterion that the State approving agency believes will clarify whether the test is generally accepted.

(4) Generally, if a State approving agency approves a certification test, VA will consider that the test is approved for any veteran or eligible person even if he or she takes the test at a location outside the State where the organization or entity offering the test has its headquarters. However, a certification test approval is valid only in

**§ 21.4268**

the State where the State approving agency has jurisdiction if—

(i) A State licensing agency recognizes the certification test as meeting a requirement for a license and has sought approval for that test; and

(ii) The State approving agency for the State where the licensing agency is located approves that test.

(c) *Approval of organizations or entities offering licensing or certification tests.* An organization or entity must meet the requirements of this paragraph and, if a nongovernmental organization, of paragraph (d) of this section, in order for the State approving agency to approve a licensing or certification test that the organization or entity offers for payment of educational assistance to veterans and eligible persons who take the test. The organization or entity must—

(1) Maintain appropriate records with respect to all candidates who take the test for a period of not less than three years from the date the organization or entity administers the test to the candidates;

(2) Promptly issue notice of the results of the test to the candidate for the license or certificate;

(3) Have a process to review complaints submitted against the organization or entity with respect to the test or the process for obtaining a license or certificate required for a vocation or profession;

(4) Give to the State approving agency the following information:

(i) A description of the licensing or certification test that the organization or entity offers, including the purpose of the test, the vocational, professional, governmental, and other entities that recognize the test, and the license or certificate issued upon passing the test;

(ii) The requirements to take the test, including the amount of the fee charged for the test and any prerequisite education, training, skills, or other certification; and

(iii) The period for which the license or certificate is awarded is valid, and the requirements for maintaining or renewing the license or certificate; and

(5) Agree to give the following information to VA at VA's request:

(i) The amount of the fee a candidate pays to take a test;

(ii) The results of any test a candidate takes; and

(iii) Personal identifying information of any candidate who applies for reimbursement from VA for a test.

(d) *Approval of nongovernmental organizations or entities offering certification tests.* (1) In addition to complying with the requirements of paragraph (c) of this section, a nongovernmental organization or entity must meet the requirements of paragraph (d) of this section before a certification test it offers can be approved for payment of educational assistance to veterans and eligible persons who take the test. Except as provided in paragraphs (d)(3) and (d)(4) of this section, the organization or entity—

(i) Certifies to the State approving agency that the licensing or certification test offered by the organization or entity is generally accepted, in accordance with relevant government, business, or industry standards, employment policies, or hiring practices, as attesting to a level of knowledge or skill required to qualify to enter into, maintain, or advance in employment in a predetermined and identified vocation or profession;

(ii) Is licensed, chartered, or incorporated in a State and has offered the test for a minimum of two years before the date on which the organization or entity first submits to the State approving agency an application for approval under this section;

(iii) Employs, or consults with, individuals with expertise or substantial experience with respect to all areas of knowledge or skill that are measured by the test and that are required for the license or certificate issued; and

(iv) Has no direct financial interest in—

(A) The outcome of the test; or

(B) An organization that provides the education or training of candidates for licenses or certificates required for a vocation or profession.

(2) At the request of the State approving agency, the organization or entity seeking approval for a licensing or certification test must give such information to the State approving agency as the State approving agency decides

(i) The test the organization or entity conducts as compared to the level of knowledge or skills that a license or certificate attests; and

(ii) The applicability of the test over such periods of time as the State approving agency decides is appropriate.

(3) The provisions of paragraph (d)(1)(ii) of this section will not prevent the approval of a test if the organization or entity has offered a reasonably related test for at least two years.

(4) The provisions of paragraph (d)(1)(iv) of this section will not prevent the approval of a test if the organization or entity—

(i) Offers a sample test or preparatory materials to a candidate for the test but does not otherwise provide preparatory education or training to the candidate; or

(ii) Has a financial interest in an organization that provides preparatory education or training of a candidate for a test, but that test is advantageous in but not required for practicing a vocation or profession.

(e) *Notice of approval and withdrawal of approval.* The State approving agency must provide notice of an approval of a test as required in § 21.4250(b). If the State approving agency wishes to withdraw approval of a test, it must follow the provisions of § 21.4259.

If the Director, Education Service has acted as the State approving agency, the organization or entity may seek a review of the decision from the Under Secretary for Benefits.

(2) The organization or entity must make its request for a review in writing to the State approving agency. The State approving agency must receive the request within 90 days of the date of the notice to the organization or entity that the test or the organization or entity is disapproved.

(3) The review will be based on the evidence of record at the time the State approving agency made its initial decision. It will not be *de novo* in character.

(4) The Director, Education Service or the Under Secretary for Benefits may seek the advice of the Professional Certification and Licensure Advisory Committee, established under 38 U.S.C. 3689(e), as to whether the State approving agency’s decision should be reversed.

§ 21.4269 Bar to approval.

(a) Beginning on August 1, 2019, a State approving agency, or the Secretary when acting in the role of the State approving agency, shall disapprove a program of education provided by an educational institution that has in effect a policy that is inconsistent with any of the following:

(1) A policy that permits any covered individual to attend or participate in the program of education during the period beginning on the date on which the individual provides to the educational institution any verifiable and

authoritative VA document demonstrating entitlement to educational assistance under 38 U.S.C. chapter 31, chapter 33, or chapter 35 (such as a decision or notice of decision on entitlement, letter from VA, updated award letter from VA, or print-out of eligibility (statement of benefits) from a web-based VA system or beneficiary portal to include verification through VA's secure information technology system in accordance with 38 U.S.C. 3699A if an individual has provided authorization to obtain remaining entitlement information), and ending on the earlier of the following dates:

(i) The date on which payment from VA is made to the institution.

(ii) The date that is 90 days after the date on which the educational institution certifies tuition and fees following receipt of the verifiable and authoritative VA document proving entitlement to educational assistance under 38 U.S.C. chapter 31, chapter 33, or chapter 35.

(2) A policy that ensures an educational institution will not impose any penalty, including the assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to the delayed disbursement of a payment to be provided by VA under 38 U.S.C. chapter 31, chapter 33, or chapter 35.

(b) For purposes of this section, a covered individual is any individual who is entitled to educational assistance under 38 U.S.C. chapter 31, chapter 33, or chapter 35.

(c) The Secretary (or designee) may waive such requirements of paragraph (a) of this section as the Secretary (or designee) considers appropriate. An educational institution must apply for a waiver within 60 days of the SAA determination that an educational institution is not in compliance with paragraph (a).

(d) It shall not be inconsistent with a policy described in paragraph (a) of this section for an educational institution:

(1) To require a covered individual to take the following additional actions:

(i) Submit any verifiable and authoritative VA document to prove entitlement to educational assistance under 38 U.S.C. chapter 31, chapter 33, or chapter 35 (as described in paragraph (a)(1)) not later than the first day of a program of education for which the individual has indicated the individual wishes to use the individual's entitlement to educational assistance.

(ii) Submit a written request to use such entitlement.

(iii) Provide additional information necessary to the proper certification of enrollment by the educational institution. If an educational institution intends to require additional information necessary for proper certification of enrollment, any such requirement must be included in the school's published catalog and also must be approved by the State approving agency, or the Secretary when acting in the role of the State approving agency, as being necessary for proper certification and not overly burdensome to submit.

(2) In a case in which a covered individual is unable to meet a financial obligation to an educational institution due to the delayed disbursement of a payment to be provided by VA under 38 U.S.C. chapter 31, chapter 33, or chapter 35 and the amount of such disbursement is less than the educational institution anticipated, to require additional payment of or impose a fee for the amount that is the difference between the amount of the financial obligation and the amount of the disbursement.

(i) Such additional payment may include the amount of a financial obligation associated with charges for which VA does not pay benefits (*e.g.*, room and board, any portion of tuition for which a claimant does not qualify).

(ii) An educational institution may utilize its standard debt collection policies for these amounts, including the assessment of late fees.

## ASSESSMENT AND PURSUIT OF COURSES

**§ 21.4270 Measurement of courses.**

(a) *Measurement of trade, technical, and high school courses.* Trade, technical, high school, and high school preparatory courses shall be measured as stated in this paragraph.

(1) *Trade and technical courses.* (i) Except as provided in paragraph (b) of this section, if shop practice is an integral part of a trade or technical course not leading to a standard college degree—

(A) A full-time enrollment is 22 clock hours per week (exclusive of supervised study) with not more than 2½ hours rest period allowance;

(B) A three-quarter-time enrollment is 16 through 21 clock hours per week (exclusive of supervised study) with not more than 2 hours rest period allowance;

(C) A one-half-time enrollment is 11 through 15 clock hours per week (exclusive of supervised study) with not more than 1¼ hours rest period allowance;

(D) A less than one-half-time but more than one-quarter-time enrollment is 6 through 10 clock hours per week (exclusive of supervised study) with not more than ¾ hour rest period allowance; and

(E) A quarter-time enrollment is 1 through 5 clock hours per week (exclusive of supervised study).

(ii) Except as provided in paragraph (b) of this section, if theory and class instruction constitute more than 50 percent of the required hours in a trade or technical course not leading to a standard college degree, enrollments will be measured as follows. In measuring net instruction there will be included customary intervals not to exceed 10 minutes between classes. Shop practice and rest periods are excluded. Supervised instruction periods in a school's shops and the time involved in field trips and group instruction may be included in computing the clock hour requirements.

(A) A full-time enrollment is 18 clock hours net instruction per week (exclusive of supervised study);

(B) A three-quarter-time enrollment is 13 through 17 clock hours net instruction per week (exclusive of supervised study);

(C) A one-half-time enrollment is 9 through 12 clock hours net instruction per week (exclusive of supervised study);

(D) A less than one-half-time but more than one-quarter-time enrollment is 5 through 8 clock hours net instruction per week (exclusive of supervised study); and

(E) A quarter-time enrollment is 1 through 4 clock hours net instruction per week (exclusive of supervised study).

(2) *High school courses.* If a student is pursuing high school courses at a rate which would result in an accredited high school diploma in four ordinary school years, VA considers him or her to be enrolled full time. Otherwise, for high school enrollments, training time will be determined as follows. (For the purpose of this paragraph, a unit is not less than one hundred and twenty 60-minute hours or the equivalent of study in any subject in one academic year.)

(i) A full-time enrollment is 18 clock hours net instruction per week or four units per year or the equivalent;

(ii) A three-quarter-time enrollment is 13 through 17 clock hours net instruction per week or three units per year or the equivalent;

(iii) A one-half-time enrollment is 9 through 12 clock hours net instruction per week or two units per year or the equivalent;

(iv) A less than one-half-time but more than one-quarter-time enrollment is 5 through 8 clock hours net instruction per week or one unit per year or the equivalent; and

(v) A one-quarter-time enrollment is 1 through 4 clock hours net instruction per week.

(3) *Elementary school.* For a high school preparatory course pursued at the elementary school level—

(i) A full-time enrollment is 18 clock hours net instruction per week;

(ii) A three-quarter-time enrollment is 13 through 17 clock hours net instruction per week;

(iii) A one-half-time enrollment is 9 through 12 clock hours net instruction per week;

**Department of Veterans Affairs**

**§ 21.4270**

(iv) A less than one-half-time but more than one-quarter-time enrollment is 5 through 8 clock hours net instruction per week; and

(v) A one-quarter-time enrollment is 1 through 4 clock hours per week.

(Authority: 38 U.S.C. 3688(a))

(b) *Measurement of non-college degree courses offered by institutions of higher learning.* (1) Notwithstanding the provisions of paragraph (a)(1) of this section, if a student is enrolled in a course which is not leading to a standard college degree and which is offered by an institution of higher learning, VA will measure his or her enrollment in the same manner as collegiate undergraduate courses are measured according to the provisions of paragraph (c) of this section.

(2) Notwithstanding the provisions of paragraph (a)(1) of this section, if a student is enrolled in a course not leading to a standard college degree which is offered on a standard quarter- or semester-hour basis by an educational institution which is not an institution of higher learning, VA shall measure his or her enrollment in the same manner as collegiate undergraduate courses are measured according to the provisions

of paragraph (c) of this section, provided that the educational institution requires at least the same minimum number of hours of weekly attendance as are required by paragraph (a)(1) of this section for courses offered on a clock-hour basis. If the educational institution does not require at least the same minimum number of hours of weekly attendance as are required in paragraph (a)(1) of this section, VA will not apply the provisions of paragraph (c) of this section, but will measure the course according to the criteria in paragraph (a)(1) of this section.

(Authority: 38 U.S.C. 3688(a)(7))

(c) *Undergraduate, graduate, professional, and on-the-job training courses.* Collegiate graduate, professional and on-the-job training courses shall be measured as stated in this table. This shall be used for measurement of collegiate undergraduate courses subject to all the measurement criteria of § 21.4272. Clock hours and sessions mentioned in this table mean clock hours and class sessions per week.

<sup>2</sup> When the institution certifies that all undergraduate students enrolled for a minimum of 12 or 13 semester hours or the equivalent are charged full-time tuition, or considered full time for other administrative purposes, such minimum hours will establish the criteria for full-time measurement. When 12 hours is properly certified as full time, VA will measure 9 through 11 hours as ¾ time, 6 through 8 hours as ½ time, 4 through 5 hours as less than ½ time and more than ¼ time, and 1 through 3 hours as ¼ time or less. VA will measure all other undergraduate courses as indicated in the table for undergraduate or professional courses, as appropriate, but when 13 credit hours or the equivalent is certified as full time, ¾ time will be 10 through 12 hours. When, in accordance with § 21.4273(a), a responsible official of a school certifies that a lesser number of hours constitute full time, ¾ time, ½ time, less than ½ time and more than ¼ time, or ¼ time or less, VA will accept the certification for measurement purposes.  
 To meet criteria for full-time measurement in standard collegiate courses which include required noncredit deficiency courses, in the absence of a certification under § 21.4272(k), VA will convert the noncredit deficiency courses on the basis of the applicable measurement criteria, as follows: 18 or 22 clock hours, 4 "Carnegie Units," or 12, 13, or 14 (as appropriate) semester hours equal full time. The credit-hour equivalent of such noncredit courses may constitute any portion of the required hours for full-time measurement.  
<sup>3</sup> Class sessions measured on basis of not less than 50 minutes of classroom instruction. Supervised study periods, class breaks and rest periods are excluded.  
<sup>4</sup> Supervised study must be excluded.  
<sup>5</sup> Full-time training will consist of the number of hours which constitute the standard workweek of the training establishment, but not less than 30 hours unless a lesser number of hours is established as the standard workweek for the particular establishment through bona fide collective bargaining between employers and employees.  
<sup>6</sup> In measuring net instruction there will be included customary intervals not to exceed 10 minutes between classes. Shop practice and rest periods are excluded. Supervised instruction periods in school's shops in farm cooperative programs and the time involved in field trips and individual and group instruction may be included in computing the clock hour requirements.  
<sup>7</sup> For full-time training the 440 clock hours a year may be prescheduled to provide not less than 80 clock hours in any 3-month period.

§ 21.4271 [Reserved]

§ 21.4272 Collegiate course measurement.

VA will measure a college level course in an institution of higher learning on a credit-hour basis provided all the conditions under paragraph (a) or (b) of this section are met. See also § 21.4273.

(Authority: 38 U.S.C. 3688)

(a) *Degree courses—accredited or candidate.* VA will measure a degree course on a credit-hour basis when—

- (1) An institution of higher learning offers the course; and
- (2) A nationally recognized accrediting association either—

- (i) Accredits the institution of higher learning, or
- (ii) Recognizes the institution as a candidate for accreditation; and
- (3) The credits earned in the course can be applied towards an associate, baccalaureate or higher degree which is—
  - (i) Appropriate to the level of the institution of higher learning's accreditation, or
  - (ii) Appropriate to the level of the institution of higher learning's candidacy for accreditation; and
  - (4) The course is offered on a semester-hour or quarter-hour basis, and
  - (5) The degree to which the course credits are applicable either—

(i) Is granted by the institution of higher learning offering the course,

(ii) Is a part of a concurrent enrollment as described in §21.4233(b), or

(iii) Is being pursued by a non-matriculated student as provided in §21.4252(1)(1), (2) or (3).

(b) *Degree courses—nonaccredited.* VA will measure on a credit-hour basis a degree course which does not meet the requirements of paragraph (a) of this section when—

(1) The course is offered on a semester- or quarter-hour basis, and

(2) The course leads to an associate, baccalaureate, or higher degree, which is granted by the school offering the degree under authority specifically conferred by a State education agency, and

(3) The school will furnish a letter from a State university or letters from three schools that are full members of a nationally recognized accrediting association. In each letter the State university or accredited school must certify either:

(i) That credits have been accepted on transfer at full value without reservation, in partial fulfillment of the requirements for a baccalaureate or higher degree for at least three students within the last 5 years, and that at least 40 percent of the subjects within each curriculum, for which credit-hour measurement is sought, has been accepted without reservation by the certifying State university or accredited school, or

(ii) That in the last 5 years at least three students, who have received a baccalaureate or higher degree as a result of having completed the non-accredited course, have been admitted without reservation into a graduate or advanced professional program offered by the certifying State university or accredited school.

(d) *Course measurement general.* When an undergraduate course qualifies for credit-hour measurement, VA will measure it according to the table contained in §21.4270(c) of this part.

(g) *Course measurement; nonstandard terms.* (1) When a term is not a standard semester or quarter as defined in §21.4200(b), the Department of Veterans Affairs will determine the equivalent for full-time training by:

(i) Multiplying the credits to be earned in the term by 18 if credit is granted in semester hours, or by 12 if credit is granted in quarter hours, and

(ii) Dividing the product by the number of whole weeks in the term.

(2) In determining whole weeks for this formula VA will—

(i) Determine the number of days from the beginning to the end of the term as certified by the educational institution, subtracting any vacation period of 7 days or more;

(ii) Divide the number of days in the term by 7;

(iii) Disregard a remainder of 3 days or less, and

(iv) Consider 4 days or more to be a whole week.

(Authority: 38 U.S.C. 3688(b))

(3) The quotient resulting from the use of the formula is called equivalent credit hours. VA treats equivalent credit hours as credit hours for measurement purposes.

(h)-(i) [Reserved]

(j) *Course measurement; credit course taken under special circumstances.* If a course is acceptable for credit, but the educational institution does not award credit to the veteran or eligible person because he or she has not met college entrance requirements or for some other valid reason, the Department of Veterans Affairs will measure the course as though it were pursued for credit, provided the veteran or eligible person performs all of the work prescribed for other students who are enrolled for credit.

(Authority: 38 U.S.C. 3688(b))

(k) *Course measurement; noncredit courses.* (1) Except for courses leading to a secondary school diploma or equivalent, the Department of Veterans Affairs will measure noncredit courses given by an institution of higher learning on a quarter- or semester-hour

(2) The Department of Veterans Affairs shall measure other noncredit courses under the appropriate criteria of § 21.4270.

(3) Where a school requires a veteran or eligible person to pursue noncredit deficiency, remedial or refresher courses in order to meet scholastic or entrance requirements, the school will certify the credit-hour equivalent of the noncredit deficiency, remedial or refresher courses in addition to the credit hours for which the veteran or eligible person is enrolled. The Department of Veterans Affairs will measure the course on the total of the credit hours and credit-hour equivalency.

### § 21.4273 Collegiate graduate.

(a) *In residence.* (1) The Department of Veterans Affairs will measure a non-accredited graduate or advanced professional course (other than a law course) as provided in § 21.4272. The Department of Veterans Affairs will measure a nonaccredited law course as stated in § 21.4274.

(2) An accredited graduate or advanced professional course, including law as specified in § 21.4274, pursued in residence at an institution of higher learning will be measured in accordance with § 21.4272 unless it is the established policy of the school to consider less than 14 semester hours or the equivalent as full-time enrollment, or the course includes research, thesis preparation, or a comparable prescribed activity beyond that normally required for the preparation of ordinary classroom assignments. In either case a responsible official of the school will certify that the veteran or eligible person is pursuing the course full,

three-quarter, one-half, less than one-half but more than one-quarter, or one quarter or less time.

(Authority: 38 U.S.C. 3688(b))

(b) *In absentia.* A responsible official of the school will certify a program of research pursued by a veteran or eligible person in absentia as full, three-fourths, one-half, less than one-half but more than one-quarter, or one-quarter or less time, and the activity will be assessed by the Department of Veterans Affairs accordingly when:

(1) The research activity is defined and organized so as to enable the certifying official to evaluate the time required for its successful pursuit, and

(2) The time certified for the research activity is independent of the time devoted to any employment situation in which the veteran or eligible person might be engaged.

(c) *Undergraduate or combination.* If a graduate student is enrolled in both graduate and undergraduate courses concurrently, or solely in undergraduate courses, VA will measure such an enrollment using the provisions of § 21.4272 or the graduate school's assessment of training time, whichever will result in a higher monthly rate for the veteran.

(a) *Medical and dental residencies and osteopathic internships and residencies.* VA will measure medical and dental residencies, and osteopathic internships and residencies as provided in § 21.4270(c) of this part if they are accredited and approved in accordance with § 21.4265(a) of this part.

(Authority: 38 U.S.C. 3688(b); Pub. L. 99-576)

(b) *Nursing courses.* (1) Courses for the objective of registered nurse or registered professional nurse will be measured on the basis of credit hours or clock hours of attendance, whichever is appropriate. The clock hours of attendance may include academic class time, clinical training, and supervised study periods.

(2) Courses offered by schools which lead to the objective of practical nurse, practical trained nurse, or licensed practical nurse will be measured on credit hours or clock hours of attendance per week whichever is appropriate.

(c) *Medical and dental specialty courses.* (1) Medical and dental specialty courses offered by a school whether accredited or nonaccredited, shall be measured on the basis of credit hours or clock hours of attendance, whichever is appropriate.

(2) Medical and dental specialty courses offered in hospitals, clinics, laboratories or medical centers which are accredited by a nationally recognized accrediting agency shall be measured on the basis of clock hours of attendance per week.

(d) *Medical and dental assistants courses for the Department of Veterans Affairs.* Programs approved in accordance with the provisions of § 21.4265(d) will be measured on a clock-hour basis as appropriate in accordance with § 21.4270, however, the program will be regarded as full-time instructional training: *Provided*, The combined total of the classroom and other formal instruction portion of the program and

on-job-training portion of the program requires 30 or more clock hours of attendance per week.

(e) *Professional training courses.* Non-medically related professional training courses, such as the clinical pastoral course, shall be measured in semester hours of attendance or clock hours of attendance per week, whichever is appropriate.

(2) Must have served on active duty for a period of 181 or more continuous days after December 31, 1976, and

(3) If not enrolled in a course, courses or a program of education leading to a secondary school diploma or equivalency certificate, must have completed the lesser of the following two periods of active duty:

(Authority: 38 U.S.C. 3231(b))

(i) The individual's first obligated period of active duty which began after December 31, 1976, or

(ii) The individual's period of active duty which began after December 31, 1976, and which is 6 years in length,

(4) If enrolled in a course, courses or a program of education leading to a secondary school diploma or equivalency certificate, the individual:

(i) Must be an enlisted member of the Armed Forces,

(ii) Must be a participant

(iii) Must be training during the last 6 months of his or her first period of active duty, or any time thereafter, and

(5) If he or she originally enlisted after September 7, 1980, must have completed at least 24 months of his or her original enlistment

(Authority: 38 U.S.C. 3231(b), 10 U.S.C. 977)

(g) *Election to receive educational assistance allowance under 38 U.S.C. chapter 32 instead of 10 U.S.C. chapter 1606.* An individual who serves in the Selected Reserves may not receive credit for that service under both 38 U.S.C. Chapter 32 and 10 U.S.C. Chapter 1606. If he or she wishes to receive educational assistance based upon this service, the veteran must elect the chapter under which he or she will receive benefits.

(1) This election must be in writing and submitted to VA.

(2) If a veteran elects to receive educational assistance under 38 U.S.C. Chapter 32, and negotiates an educational assistance check which is based upon the period of service for which the election was made, the election is irrevocable. Negotiation of an educational assistance check provided under either 38 U.S.C. chapter 32 or 10 U.S.C. chapter 1606, but based upon a period of service which preceded the period for which an election was made, will not serve to make the election irrevocable.

(2) His or her last discharge or release from a period of active duty of any length when the eligible individual is discharged or released—

(i) For a service-connected disability;

(ii) For a medical condition which preexisted such service and which VA determines is not service-connected;

(iii) For hardship; or  
(iv) Involuntarily for convenience of the government after October 1, 1987, as a result of a reduction in force, as determined by the Secretary of the military department concerned in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

### § 21.5042 Extended period of eligibility.

(a) *General.* A veteran shall be granted an extension of the applicable delimiting period, as otherwise determined by § 21.5041 of this part provided—

(1) The veteran applies for an extension.

(2) The veteran was prevented from initiating or completing the chosen program of education within the otherwise applicable delimiting period because of a physical or mental disability that did not result from the willful misconduct of the veteran. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct. See § 21.5021(v).

(Authority: 38 U.S.C. 105, 3232, 3462; Pub. L. 99-576, Pub. L. 100-689)

(b) *Application.* The veteran must apply for the extended period of eligibility in time for VA to receive the application by the later of the following dates:

(1) One year from the last date of the delimiting period otherwise applicable

to the veteran under § 21.5401 of this part, or

(2) One year from the termination date of the period of the veteran's mental or physical disability.

(Authority: 38 U.S.C. 3232, Pub. L. 99-576)

(c) *Qualifying period of disability.* (1) A veteran's extended period of eligibility shall be based on the period of time that the veteran himself or herself was prevented by reason of physical or mental disability, not the result of the veteran's willful misconduct, from initiating or completing his or her chosen program of education.

(2) VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct provided the last date of the time limit for filing a claim for the extension determined under § 21.5030(c)(3) of this part occurs after November 17, 1988.

(Authority: 38 U.S.C. 105; Pub. L. 100-689)

(3) Evidence must be presented which clearly establishes that the veteran's disability made pursuit of his or her program medically infeasible during the veteran's original period of eligibility as determined by § 21.5041 of this part. A period of disability following the end of the original disability period will not be a basis for extension.

(4) VA will not consider a veteran who is disabled for a period of 30 days or less as having been prevented from enrolling or reenrolling in the chosen program of education or was forced to discontinue attendance, because of the short disability.

(Authority: 38 U.S.C. 3232, Pub. L. 99-576)

(d) *Commencing date.* The veteran shall elect the commencing date of an extended period of eligibility. The date chosen—

(1) Must be on or after the original date of expiration of eligibility as determined by § 21.5041 of this part, and

(2) Must be on or before the 90th day following the date on which the veteran's application for an extension was approved by VA, if the veteran is training during the extended period of eligibility in a course not organized on a term, quarter or semester basis, or

**§ 21.5050**

**38 CFR Ch. I (7-1-25 Edition)**

(3) Must be on or before the first day of the first ordinary term, quarter or semester following the 90th day after the veteran's application for an extension was approved by VA if the veteran is training during the extended period of eligibility in a course organized on a term, quarter or semester basis.

(Authority: 38 U.S.C. 3232; Pub. L. 99-576)

(4) For a veteran whose entitlement to an extended period of eligibility is dependent upon the disabling effects of chronic alcoholism, may not begin before November 18, 1988.

(Authority: 38 U.S.C. 105, 3232; Pub. 99-576, Pub. L. 100-689)

(e) *Determining the length of extended periods of eligibility.* A veteran's extended period of eligibility shall be based upon the qualifying period of disability, and determined as follows:

(1) If the veteran is in training in a course organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran's original delimiting period that his or her training became medically infeasible to the earliest of the following dates:

(i) The commencing date of the ordinary term, quarter or semester following the day the veteran's training became medically feasible,

(ii) The veteran's delimiting date as determined by §21.5041 of this part, or

(iii) The date the veteran resumed training.

(2) If the veteran is training in a course not organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran's original delimiting period that his or her training became medically infeasible to the earlier of the following dates:

(i) The date the veteran's training became medically feasible, or

(ii) The veteran's delimiting date as determined by §21.5041 of this part.

(Authority: 38 U.S.C. 3232; Pub. L. 99-576)

(f) *Discontinuance.* If the veteran is pursuing a course on the date an extended period of eligibility expires (as determined under this section), VA will discontinue the educational assistance allowance effective the day before the end of the extended period of eligibility.

(Authority: 38 U.S.C. 3232; Pub. L. 99-576)

**PARTICIPATION**

**§ 21.5050 Application requirements for participation.**

(a) An individual, who is otherwise eligible to become a participant, must apply to the Service Department under which he or she serves upon forms prescribed by the Service Department and/or Secretary of Defense.

(b) No application to participate may be made before entry upon active duty.

(c) Each application must be submitted in time to permit the Service Department to make the required deduction from the individual's military pay for at least 1 month before the applicant's discharge or release from active duty.

(Authority: 38 U.S.C. 3221)

**§ 21.5052 Contribution requirements.**

(a) *Minimum period of participation.* Each individual who agrees to participate must do so for a minimum period of 12 consecutive months, unless the participant:

(4) Otherwise ceases to be legally eligible to participate; or

(5) Elects to make a lump-sum contribution which, when taken together with his or her other contributions, equals the equivalent of at least 12 months' participation.

(Authority: 38 U.S.C. 3221, 3222)

(b) *Amount of monthly contribution.* The individual shall specify the amount of his or her contribution to the fund.

## Department of Veterans Affairs

## § 21.5053

(1) The contribution shall be at least \$25 per month but not more than \$100 per month.

(2) The contribution shall be evenly divided by five. See § 21.5292 for contributions made during the 1-year pilot program.

(c) *Amount of total contribution.* An individual may contribute for the number of months required to reach a total contribution of \$2,700.

(d) *Changing the monthly contribution.* An individual may increase or decrease the amount of the monthly contribution, but may not do so more than once a month.

(e) *Prohibition against contributing.* An individual may not make contributions to the fund after the date of his or her discharge. The VA does not consider the return of an unnegotiated refund check to be a contribution. A person who returns a refund check remains continuously eligible for benefits.

(Authority: 38 U.S.C. 3222)

(f) *Lump-sum contribution.* After September 30, 1980 an individual may make a lump-sum contribution or contributions in place of or in addition to monthly contributions.

(1) A lump-sum contribution:

(i) Must be evenly divisible by five,

(ii) Must, when taken together with any monthly contributions the participant may have made or may agree to make, equal or exceed 12 months' participation, and

(iii) Must not exceed \$2,700 when taken together with any monthly contributions the participant may have made or may agree to make.

(2) The Department of Veterans Affairs will consider the lump-sum contributions to have been made by monthly deductions from the participant's military pay at the rate of \$100 per month unless the participant specifies a different rate which must be

(i) No lower than \$25 per month,

(ii) No higher than \$100 per month, and

(iii) Evenly divisible by five.

(3) If otherwise eligible to make contributions, a participant:

(i) May make a lump-sum contribution to cover any period of his or her active duty. This may entail a retroactive period, including one which—

(A) Begins after December 31, 1976, and before October 1, 1980, or

(B) Although made after October 27, 1986, includes all or part of the period beginning on July 1, 1985, and ending on October 27, 1986.

(Authority: Pub. L. 99-576, sec. 309(c))

(ii) May make a lump-sum contribution which has the effect of increasing the amount of a monthly contribution the participant made previously, but the payment cannot have the effect of increasing the monthly contribution to an amount greater than \$100;

(iii) May make a lump-sum payment to cover a period for which he or she previously obtained a refund;

(iv) May not make a lump-sum payment to cover a period during which the participant was not on active duty or will not be on active duty.

(4) A participant may make as many lump-sum contributions as he or she desires, but he or she may not make more than one lump-sum contribution per month.

### § 21.5053 Restoration of contributions (Persian Gulf War).

(a) *Restoration of contributions when no entitlement is charged.* If the provisions of § 21.5072(i) require that a veteran's entitlement not be charged for a payment or payments he or she received, the amount of the veteran's contributions which were included in the payment or payments will be restored to the fund by the Department of Defense.

(Authority: 38 U.S.C. 3235; Pub. L. 102-127) (Oct. 10, 1991)

(b) *Restored contributions are treated like other contributions.* VA will treat contributions which have been restored under paragraph (a) of this section as though the veterans had contributed them for all purposes including—

(1) Computing the veteran's monthly rates and benefit payments under § 21.5138, and

## § 21.5054

(2) Determining any refund which may become due the veteran under §§ 21.5064 and 21.5065.

(a) *General.* An individual may participate after December 31, 1976. An individual was not eligible for benefits before July 1, 1977, unless discharged after January 1, 1977, for a service-connected condition. ### § 21.5064 Refund upon disenrollment.

(a) *General.* A disenrolled individual will be refunded all contributions made by him or her to the fund. He or she will be ineligible to receive benefits under §§ 21.5130 and 21.5138, unless the individual reenrolls as a participant and agrees to participate in a new period of 12 consecutive months as pro-

vided in § 21.5058. The amount of the contributions refunded upon disenrollment shall be limited to the amount of his or her contributions not utilized to receive benefits as of the date of disenrollment, less any outstanding debts resulting from overpayments of educational assistance allowance.

(b) *Effective date of refund.* The date upon which the refund of contributions, if any, will be made shall be determined as follows:

(i) On the date of the participant's discharge or release from active duty; or

(ii) Within 60 days of VA's receipt of notice of the individual's discharge or disenrollment; or

(Authority: 38 U.S.C. 3223(b), 3232)

(2) If an individual voluntarily disenrolls from the program after discharge or release from active duty under other than dishonorable conditions, his or her contributions shall be refunded within 60 days of receipt by VA of an application for a refund from the individual.

(Authority: 38 U.S.C. 3202(1)(A), 3223(c), 3232(b))

(3) If an individual is disenrolled because he or she is discharged or released from active duty under dishonorable conditions, the individual's contributions remaining in the fund shall be refunded:

(i) On the date of the individual's discharge or release from active duty; or

(ii) Within 60 days of receipt of notice by the Department of Veterans Affairs of the individual's discharge or release, whichever is the later.

(4) If an individual is disenrolled because he or she has not utilized all of

his or her entitlement to benefits within the 10-year delimiting period, the individual's contributions remaining in the fund shall be refunded.

(i) The Department of Veterans Affairs shall notify the individual that the delimiting period has expired and shall state the amount of unused contributions.

(ii) The Department of Veterans Affairs shall make the refund only if the individual requests it.

(iii) If VA does not receive a request within 1 year from the date that the individual is notified of his or her entitlement to a refund, VA will presume that the individual's whereabouts is unknown. The funds on deposit for that individual will be transferred in accordance with the provisions of section 1322(a), Title 31, United States Code.

**§ 21.5065 Refunds without disenrollment.**

(a) *Refunds made without disenrollment following a discharge or release under dishonorable conditions*—(1) *A discharge or release under dishonorable conditions may result in a partial refund of contributions.* If an individual who would have been eligible, but for the fact of his or her reenlistment, for the award of a discharge or release under conditions other than dishonorable at the time he or she completed an obligated period of service, later receives a discharge or release under dishonorable conditions, the Department of Veterans Affairs may refund a portion of his or her contribution.

(Authority: 38 U.S.C. 101, 3223)

(2) *Amount of refund.* The Department of Veterans Affairs shall refund to the individual all of his or her remaining contributions made to the fund after the individual completed the obligated period of service.

(Authority: 38 U.S.C. 101, 3223)

(3) *Date of refund.* The Department of Veterans Affairs shall refund all monies due the individual:

(i) On the date of the individual's discharge or release from active duty; or

(Authority: 38 U.S.C. 101, 3223, 3232)

(b) *Refunds made without disenrollment following a short period of active duty.* (1) An individual who has contributed to the fund during more than one period of active duty may be required to receive a refund of those contributions made during the most recent period of active duty. When an individual who meets all the criteria in paragraph (b)(2) of this section is discharged, the Department of Veterans Affairs will refund all contributions he or she made during the most recent period of active duty unless the individual meets one or more of the criteria stated in either paragraph (b)(4) or (5) of this section. If he or she meets one of those criteria, the contributions will not be refunded unless the individual voluntarily disenrolls.

(2) Unless a compulsory refund is prohibited by paragraph (b)(4) or (5) of this section, the Department of Veterans Affairs will refund all contributions made by an individual during the most recent period of active duty when the individual:

(i) Completed at least one period of active duty before the most recent one during which he or she established entitlement to Post-Vietnam Era Veterans' Educational Assistance;

(ii) Reentered on his or her most recent period of active duty after October 16, 1981;

(iii) Contributed to the fund during his or her most recent period of active duty; and

(iv) Is discharged.

(3) The circumstances which prohibit an automatic refund of monies contributed during the individual's most recent period of active duty do not relate only to the most recent period of active duty which began after October 16, 1981, but also the individual's prior periods of active duty regardless of

## § 21.5067

whether they began before, after or on October 16, 1981.

(4) Meeting one or more of the following criteria concerning periods of active duty before the most recent one will be sufficient to prohibit a compulsory refund of contributions made during the most recent period of active duty. The individual:

(i) Before the most recent period of active duty began, completed at least one continuous period of active duty of at least 24 months, or

(ii) Was discharged or released under 10 U.S.C. 1171 (early-out discharge) from any period of active duty before the most recent one.

(5) Meeting one or more of the following criteria concerning the most recent period of active duty will be sufficient to prohibit a compulsory refund of contributions made during the most recent period of active duty. The individual:

(i) For the most recent period of active duty completes 24 months of continuous active duty, or the full period for which the individual was called or ordered to active duty, whichever is shorter; or

(ii) Is discharged or released from the most recent period of active duty under 10 U.S.C. 1171 (early-out discharge) or 1173 (hardship discharge); or

(iii) Is discharged or released from the most recent period of active duty for a disability incurred or aggravated in line of duty; or

(iv) Has a service-connected disability which give him or her basic entitlement to disability compensation as described in § 3.4(b) of this chapter.

(6) In computing time served for the purpose of this paragraph, the individual is not entitled for credit for service as specified in § 3.15 of this chapter. However, those periods will be included in determining if the service was continuous.

(7) The Department of Veterans Affairs shall refund all monies due the individual:

(Authority: 38 U.S.C. 3222(d))

(c) *Payments of accrued benefits.* Educational assistance remaining due and unpaid at the date of the veteran's death is payable under the provisions of § 3.1000 of this chapter. For this purpose accrued benefits include the portion of the benefit represented by the individual's contribution as well as the portion included by the Department of Veterans Affairs and the Department of Defense.

(c) *Entitlement based on both monthly and lump-sum contributions.* (1) If the individual makes both monthly and lump-sum contributions, the Department of Veterans Affairs will:

(i) Compute the entitlement due to each type of contribution separately under paragraphs (a) and (b) of this section, and

(ii) Will combine the results of the computations to determine the individual's total entitlement.

(2) In no event will an individual's entitlement exceed 36 months or its equivalent in part-time training.

**ENTITLEMENT**

**§ 21.5070 Entitlement.**

A participant is entitled to a monthly benefit for periods of time during which the individual is enrolled in, and satisfactorily pursuing, an approved program of education. The amount of the benefit will vary from individual to individual and, in some instances, from month to month as provided in § 21.5138.

(Authority: 38 U.S.C. 3231)

**§ 21.5072 Entitlement charge.**

The Department of Veterans Affairs shall determine the entitlement charge for each payment in the same manner for all individuals regardless of whether they are on active duty. Unless the circumstances described in paragraph (i) of this section apply to a service-member or veteran, VA will use paragraphs (a) through (h) of this section to determine an entitlement charge.

**§ 21.5071 Months of entitlement allowed.**

(a) *Entitlement based on monthly contributions.* The Department of Veterans Affairs will credit an individual with 1 month of entitlement for each month he or she contributes to the fund up to a maximum of 36 months or its equivalent in part-time training.

(a) *General.* (1) Except as provided in paragraphs (b) through (i) of this section, VA will make a charge against entitlement as follows:

(i) The Department of Veterans Affairs will charge an individual who is a full-time student 1 month's entitlement for each monthly benefit paid to him or her.

(ii) The Department of Veterans Affairs will charge an individual who is other than a full-time student 1 month's entitlement for each sum of money paid equivalent to what the individual would have been paid had he or she been a full-time student for 1 month.

(Authority: 38 U.S.C. 3231)

(b) *Entitlement based on lump-sum contributions.* If an individual elects to make a lump-sum contribution, the Department of Veterans Affairs will credit an individual with 1 month of entitlement for:

(2) When the computation results in a period of time other than a full month, the entitlement charge will be prorated.

(2) Every amount included in the lump sum which:

(i) Is at least \$25 but no more than \$100,

(ii) Is evenly divisible by five, and

**§ 21.5072**

(b) *Secondary school program.* (1) The Department of Veterans Affairs will make no charge against the entitlement of an individual:

(i) Who is pursuing a course, courses or a program of education leading to a secondary school diploma or an equivalency certificate, and

(ii) Whose educational assistance allowance is the monthly rate of the tuition and fees being charged to him or her for the course.

(2) The Department of Veterans Affairs will make a charge (in the same manner as for any other residence training) against the entitlement of an individual who:

(i) Is pursuing a course, courses or a program of education leading to a secondary school diploma or an equivalency certificate, and

(ii) Elects to receive educational assistance allowance calculated according to § 21.5136.

(Authority: 38 U.S.C. 3241, 3491)

(c) *Correspondence training courses.* (1) A charge against the period of entitlement for a program consisting exclusively of correspondence training will be made on the basis of 1 month for each sum of money paid equivalent to the dollar value of a month of entitlement as determined under § 21.5138(a)(2)(viii), which is paid to the individual as an educational assistance allowance for this training. When computation results in a period of time other than a full month, the charge will be prorated.

(2) If the individual is contributing to the fund at the same time that benefits are being used or subsequently contributes a sum or sums, the entitlement charges will not be recomputed. Thus, if the monthly rate arrived at by applying the formula is determined to be \$150 at the time a benefit program for correspondence training is computed, the individual will be charged 1 month of entitlement for each \$150 paid. If a different monthly rate is computed at the time of a subsequent payment for such training, no adjustment will be made in the entitlement charged for the previous payment(s) even though

the value of each month's entitlement may vary from payment to payment.

(Authority: 38 U.S.C. 3231(c))

(d) *Apprenticeship or other on-job training.* (1) The VA will determine the entitlement charge for a veteran in apprenticeship or other on-job training as stated in this paragraph.

(2) The entitlement charge will be—

(i) 75 percent of a month for those months for which the veteran's monthly payment is based upon 75 percent of the monthly benefit otherwise payable to him or her;

(ii) 55 percent of a month for those months for which the veteran's monthly payment is based upon 55 percent of the monthly benefit otherwise payable to him or her; and

(iii) 35 percent of a month for those months for which the veteran's monthly payment is based upon 35 percent of the monthly benefit otherwise payable to him or her.

(3) The charge against the veteran's entitlement will be prorated if—

(i) The veteran's enrollment period ends in the middle of a month,

(ii) The veteran's monthly rate is reduced in the middle of a month, or

(iii) The veteran's monthly payment is reduced because he or she worked less than 120 hours during the month. In this instance the number of hours worked will be rounded to the nearest multiple of eight, and the entitlement charge will be reduced proportionately.

(Authority: 38 U.S.C. 3233(c); Pub. L. 99-576)

(e) *Cooperative training.* VA will make a charge against entitlement of 80 percent of a month for each month for which a veteran is paid educational assistance allowance at the cooperative training rate as provided in § 21.5138(a). If the veteran is paid for a partial month of training, the entitlement charge will be prorated.

(Authority: 38 U.S.C. 3231(d); Pub. L. 100-689)

(f) *Training while the veteran is incarcerated.* If the veteran must be paid educational assistance allowance at a reduced rate because he or she is incarcerated as provided in § 21.5139 of this part, VA will make a charge against entitlement of one month for each

## § 21.5072

amount of educational assistance allowance paid to the veteran which is the equivalent of one month's benefits as provided in §21.5138 of this part for the appropriate type of training pursued.

(Authority: 38 U.S.C. 3231(e); Pub. L. 100-689)

(g) *Tutorial assistance.* If an individual is paid tutorial assistance as provided in §21.5141 of this part, the following provisions will apply.

(1) There will be no charge to entitlement for the first \$600 of tutorial assistance paid to an individual.

(2) VA will make a charge against the period of entitlement for each amount of tutorial assistance paid to the individual in excess of \$600 that is equal to the amount of monthly educational assistance the individual is otherwise eligible to receive for full-time pursuit of a residence course as provided in §21.5138(c) of this part. When the amount of tutorial assistance paid to the individual in excess of \$600 is less than the amount of monthly educational assistance the individual is otherwise eligible to receive, the entitlement charge will be prorated.

(Authority: 38 U.S.C. 3234; Pub. L. 100-689)

(h) *Flight training courses.* (1) A charge against the period of entitlement for pursuit of a flight training course will be one month for each sum of money paid equivalent to the dollar value of a month of entitlement as determined under §21.5138(a)(5)(viii). When this computation results in a period of time other than a full month, the charge will be prorated.

(2) If the individual is contributing to the fund at the same time that benefits are being used or subsequently contributes a sum or sums, the entitlement charges will not be recomputed. Thus, if the monthly rate arrived at under §21.5138(a)(5)(viii) is \$150 at the time educational assistance allowance is paid for a period of flight training, the individual will be charged one month of entitlement for each \$150 paid. If a different monthly rate is computed at

the time of a subsequent payment for such training, no adjustment will be made in the entitlement charged for the previous payment(s) even though the value of each month's entitlement may vary from payment to payment.

(Authority: 38 U.S.C. 3231(f); Pub. L. 102-16)(Apr. 1, 1991)

(i) *Entitlement charge may be omitted for course discontinuance due to orders to, or changing, active duty in certain instances.* VA will make no charge against the entitlement of a servicemember or veteran for a payment of educational assistance when—

(1)(i) A veteran not serving on active duty had to discontinue course pursuit as a result of being ordered, in connection with the Persian Gulf War by orders dated before September 11, 2001, to serve on active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304, or former 10 U.S.C. 672(a), 672(d), 672(g), 673, or 673b (redesignated effective December 1, 1994, as 10 U.S.C. 12301(a), 12301(d), 12301(g), 12302, and 12304, respectively); or

(ii) A veteran not serving on active duty had to discontinue course pursuit as a result of being ordered, by orders dated after September 10, 2001, to serve on active duty under 10 U.S.C. 688, 12301(a), 12301(d), 12301(g), 12302, or 12304; or

(iii) A servicemember serving on active duty had to discontinue course pursuit as a result of being ordered, in connection with the Persian Gulf War by orders dated before September 11, 2001, to a new duty location or assignment or to perform an increased amount of work; or

(iv) A servicemember serving on active duty had to discontinue course pursuit as a result of being ordered, by orders dated after September 10, 2001, to a new duty location or assignment or to perform an increased amount of work; and

(2) The veteran or servicemember failed to receive credit or lost training time toward completion of his or her educational, professional, or vocational

### § 21.5076 Entitlement charge—overpayment cases.

(a) *Overpayment cases.* VA will make a charge against an individual's entitlement of an overpayment of educational assistance allowance only if:

(1) The overpayment is discharged in bankruptcy; or

(2) VA waives the overpayment and does not recover it; or

(3) The overpayment is compromised.

(Authority: 38 U.S.C. 3231)

(b) *Debt discharged in bankruptcy or is waived.* If the overpayment is discharged in bankruptcy or is waived and is not recovered, the entitlement charge will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(Authority: 38 U.S.C. 3231; Pub. L. 94-502)

(c) *Overpayment is compromised.* (1) If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(2) If the overpayment is compromised and compromise offer is equal to or greater than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by—

(i) Subtracting from the sum paid in the compromise offer the amount attributable to interest, administrative

costs of collection, court costs and marshal fees.

(ii) Subtracting the remaining amount of the overpayment balance determined in paragraph (c)(2)(i) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees),

(iii) Dividing the result obtained in paragraph (c)(2)(ii) of this section by the amount of the original debt (exclusive of interest, administrative costs of collection, court costs and marshal fees), and

(iv) Multiplying the percentage obtained in paragraph (c)(2)(iii) of this section by the amount of the entitlement otherwise chargeable for the period of the original overpayment.

### § 21.5078 Interruption to conserve entitlement.

(a) *Interruption to conserve entitlement generally prohibited.* No one may interrupt a certified period of enrollment for the purpose of conserving entitlement. A school may not certify a period of enrollment for a fractional part of the normal term, quarter or semester if the individual actually is enrolled and is pursuing his or her program of education for the entire term, quarter or semester.

(b) *Exceptions.* The Department of Veterans Affairs will charge entitlement for the entire period of enrollment certified if the individual otherwise is eligible for benefits, except when benefits are interrupted under any of the following conditions:

(1) Enrollment actually is terminated.

(2) Enrollment is canceled and the individual has not negotiated an educational benefits check for any part of the certified period of enrollment.

(3) The individual:

(i) Interrupts his or her enrollment at the scheduled end of any term, quarter, semester or school year within the certified period of enrollment; and

(ii) Has not negotiated any check for educational benefits for the succeeding term, quarter, semester or school year.

**§ 21.5100**

**38 CFR Ch. I (7-1-25 Edition)**

(4) The individual requests interruption or cancellation for any break when a school was closed during a certified period of enrollment and payments were continued under an established policy based upon an Executive order of the President or due to an emergency situation. This exception applies whether or not the individual has negotiated a check for educational benefits for the certified period.

(Authority: 38 U.S.C. 3241, 3697A(a) and (b))

(d) *Required counseling.* (1) In any case in which VA has rated the veteran as being incompetent, VA must provide counseling as described in 38 U.S.C. 3697A prior to selection of a program of education or training. The counseling will follow the veteran's initial application for benefits or any communication from the veteran or guardian indicating that the veteran wishes to change his or her program. This re-

- (i) The veteran has had one or more personal interviews with the counselor;
- (ii) The counselor has jointly developed with the veteran recommendations for selecting a program;
- (iii) These recommendations have been reviewed with the veteran.

(2) The veteran may follow the recommendations developed in the course of counseling, but is not required to do so.

(b) *Persons who may receive transferred entitlement.* An individual meeting the requirements of paragraph (a) of this section may transfer entitlement earned under §21.5071 for the purpose of allowing another person to receive educational assistance allowance. Entitlement may be transferred only:

- (1) To a spouse or child of the participant,
- (2) To one person at a time,
- (3) If the participant is not receiving educational assistance allowance, and
- (4) When the participant states in writing to the Department of Veterans Affairs that the entitlement should be transferred.

(Authority: Sec. 903(c), Pub. L. 96-342, 94 Stat. 1115)

(c) *Educational assistance allowance.*

(1) The individual must specify in writing to the Department of Veterans Affairs the period of time he or she wishes the spouse or child to receive educational assistance allowance on the basis of the transfer of entitlement. § 21.5296 Extended period of eligibility.

(a) *General.* A veteran shall be granted an extension of the applicable delimiting period, as otherwise determined by §21.5041 provided—

(1) The veteran applies for an extension.

(2) The veteran was prevented from initiating or completing the chosen program of education within the otherwise applicable delimiting period because of a physical or mental disability that did not result from the willful misconduct of the veteran. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct.

(Authority: 38 U.S.C. 105, 3232; Pub. L. 99-576, Pub. L. 100-689)

(b) *Application.* (1) Only the veteran may apply for an extended period of eligibility pursuant to this section. A spouse or child to whom entitlement may be or has been transferred may not apply for, nor receive, an extension based upon disability of either the veteran or the spouse or child.

(2) The veteran must apply for the extended period of eligibility in time for VA to receive the application by the later of the following dates:

(i) One year from the last date of the delimiting period otherwise applicable to the veteran under §21.5041, or

(ii) One year from the termination date of the period of the veteran's mental or physical disability.

(3) No application for an extended period of eligibility should be submitted and none will be processed during any period when the veteran has transferred entitlement to a spouse or child, since eligibility cannot be fully determined as provided in paragraph (c)(4)(ii) of this section.

(Authority: 38 U.S.C. 3232; Pub. L. 99-576)

(c) *Qualifying period of disability.* A veteran's extended period of eligibility shall be based on the period of time that the veteran himself or herself was prevented by reason of physical or mental disability, not the result of the veteran's willful misconduct, from initiating or completing his or her chosen

**§ 21.5296**

**38 CFR Ch. I (7-1-25 Edition)**

program of education. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct.

(Authority: 38 U.S.C. 105, 3232; Pub. L. 99-576, Pub. L. 100-689)

(1) Evidence must be presented which clearly establishes that the veteran's disability made pursuant of his or her program medically infeasible during the veteran's original period of eligibility as determined by §21.5041. A period of disability following the end of the original disability period will not be a basis for extension.

(2) VA will not consider a veteran who is disabled for a period of 30 days or less as having been prevented from enrolling or reenrolling in the chosen program of education or was forced to discontinue attendance, because of the short disability.

(3) Except as provided in paragraph (c)(4) of this section, a veteran's transfer of entitlement to a spouse or child during a period for which the veteran's disability prevented his or her pursuit of a program of education will not affect the veteran's entitlement to an extension of eligibility under this section.

(4) Since the act of entitlement transfer to a spouse or child indicates that the veteran did not intend to personally use his or her educational assistance during the specified transfer period, a veteran who becomes disabled after transferring entitlement will not be entitled to an extended period of eligibility based on any period of the disability which coincides with the specified transfer period unless—

(i) The transferee or transferees did not use any entitlement during this period, and

(ii) The veteran can clearly demonstrate that, notwithstanding his or her decision to transfer entitlement, the veteran would have used the entitlement during all or part of the transfer period and was prevented from doing so solely by reason of his or her disability.

(Authority: 38 U.S.C. 3232; Pub. L. 99-576)

(d) *Commencing date.* The veteran shall elect the commencing date of an

extended period of eligibility. The date chosen—

(1) Must be on or after the original date of expiration of eligibility as determined by §21.5041 of this part, and

(2) Must be on or before the 90th day following the date on which the veteran's application for an extension was approved by VA, if the veteran is training during the extended period of eligibility in a course not organized on a term, quarter or semester basis, or

(3) Must be on or before the first day of the first ordinary term, quarter or semester following the 90th day after the veteran's application for an extension was approved by VA if the veteran is training during the extended period of eligibility in a course organized on a term, quarter or semester basis.

(Authority: 38 U.S.C. 3232; Pub. L. 99-576)

(e) *Determining the length of extended periods of eligibility.* A veteran's extended period of eligibility shall be based on the qualifying period of disability, and determined as follows:

(1) If the veteran is in training in a course organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran's original delimiting period that his or her training became medically infeasible to the earliest of the following dates:

(i) The commencing date of the ordinary term, quarter or semester following the day the veteran's training became medically feasible,

(ii) The veteran's delimiting date as determined by §21.5041 of this part, or

(iii) The date the veteran resumed training.

(2) If the veteran is training in a course not organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran's original delimiting period that his or her training became medically infeasible to the earlier of the following dates:

(i) The date the veteran's training became medically feasible, or

(ii) The veteran's delimiting date as determined by § 21.5041 of this part.

(Authority: 38 U.S.C. 3232; Pub. L. 99-576)

(f) *Discontinuance.* If the veteran is pursuing a course on the date an extended period of eligibility expires (as determined under this section), VA will discontinue the educational assistance allowance effective the day before the end of the extended period of eligibility.

(Authority: 38 U.S.C. 3232; Pub. L. 99-576)

(g) *No transfer of entitlement for use during the extended period of eligibility.* (1) The veteran may only transfer entitlement to a spouse or child for use during the original period of eligibility as determined by § 21.5041 of this part.

(2) If the veteran has established an extended period of eligibility with VA, only the veteran may use remaining entitlement during that period.

(3) If the veteran transfers his or her entitlement after having received an extension of eligibility, but before the last day of the delimiting period as determined by § 21.5041 of this part, the eligibility of the spouse or child to use entitlement ends on the veteran's otherwise applicable delimiting date as determined by § 21.5041 of this part.

### § 21.5838 Overpayments.

(a) *Educational assistance.* If an individual receives educational assistance but the educational assistance must be discontinued according to § 21.5835, the amount of educational assistance attributable to the portion of the term, quarter or semester following the effective date of discontinuance shall constitute a debt due the United States.

(1) The amount of the debt is equal to the product of—

(i) The number of days the individual was entitled to receive subsistence allowance during the enrollment period for which educational assistance was paid, divided by the total number of days in that enrollment period, and

(ii) The amount of educational assistance provided for that enrollment period.

(2) Nothing in this method of calculation shall change the fact that the number of months of educational assistance to which the individual remains entitled shall always be the same as the number of months of subsistence allowance to which the individual is entitled.

(Authority: 10 U.S.C. 2143)

(b) *Subsistence allowance.* If an individual receives subsistence allowance under any of the following conditions, the amount of that subsistence allowance shall constitute a debt due the United States unless the debt is waived as provided by §§ 1.955 through 1.970 of this chapter.

(1) Subsistence allowance received for courses pursued while on active duty;

(2) Subsistence allowance received for courses which are precluded under § 21.5800(b);

(3) Subsistence allowance received by a person who is not eligible for educational assistance under § 21.5740;

(4) Subsistence allowance received by an individual who has exhausted all entitlement provided under § 21.5742;

(5) Subsistence allowance received by an individual for a period before the

**§ 21.5870**

**38 CFR Ch. I (7-1-25 Edition)**

commencing date determined by § 21.5831.

(6) Subsistence allowance received by an individual for a period following a discontinuance date determined by § 21.5835.

(7) Subsistence allowance received by an individual in excess of the part-time rate for a period following a reduction date determined by § 21.5835.

(Authority: 10 U.S.C. 2144)

**MEASUREMENT OF COURSES**

**§ 21.5870 Measurement of courses.**

(a) *Credit hour measurement: undergraduate, standard term.* An individual who enrolls in a standard quarter or semester for 12 undergraduate credit hours is a full-time student. An individual who enrolls in a standard quarter or semester for less than 12 undergraduate credit hours is a part-time student.

(Authority: 10 U.S.C. 2144(c))

(b) *Credit hour measurement: Undergraduate, nonstandard term.* (1) If an individual enrolls in a nonstandard term, quarter or semester, and the school measures the course on a credit-hour basis, VA will determine whether that individual is a full-time student by—

(i) Multiplying the credits earned in the term by 18 if credit is granted in semester hours, or by 12 if credit is granted in quarter hours, and

(ii) Dividing the product by the number of whole weeks in the term.

(2) In determining whole weeks VA will—

(i) Divide the number of days in the term by 7;

(ii) Disregard a remainder of 3 days or less, and

(iii) Consider 4 days or more to be a whole week.

(3) If the number obtained by using the formula in paragraphs (b)(1) and (2) of this section is 12 or more, the individual is a full-time student. If that number is less than 12, the individual is a part-time student.

(c) *Credit hour measurement: graduate.* (1) If it is the established policy of a school to consider less than 12 credit hours to be full-time for graduate students, VA will accept the statement of

a responsible school official as to whether the student is a full-time or part-time student. If the school does not have such a policy, VA will measure the student's enrollment according to the provisions of paragraphs (a) and (b) of this section.

(2) VA will measure undergraduate courses required by the school according to the provisions of paragraphs (a) and (b) of this section, even though the individual is enrolled as a graduate student. If the individual is taking both graduate and undergraduate courses, the school will report the credit-hour equivalent of the graduate work. VA will first measure the undergraduate courses according to the provisions of paragraphs (a) and (b) of this section and combine the result with the credit-hour equivalent of the graduate work in order to determine the extent of training.

(d) *Clock hour measurement.* (1) If an individual enrolls in a course measured in clock hours and shop practice is an integral part of the course, he or she is a full-time student when enrolled in 22 clock hours or more per week with not more than a 2½ hour rest period allowance per week. For all other enrollments the individual is a part-time student. VA will exclude supervised study in determining the number of clock hours in which the individual is enrolled.

(2) If an individual enrolls in a course measured in clock hours and theory and class instruction predominate in the course, he or she is a full-time student enrolled in 18 clock hours or more per week. He or she is a part-time student when enrolled in less than 18 clock hours per week. Customary intervals not to exceed 10 minutes between classes will be included in measuring net instruction. Shop practice, rest periods, and supervised study are excluded. Supervised instruction periods in schools' shops and the time involved in field trips and individual and group instruction may be included in computing the clock hour requirements.

### § 21.6052 Evaluations.

(a) *Scope and nature of evaluation.* The scope and nature of the evaluation under this program shall be the same as for an evaluation of the reasonable feasibility of achieving a vocational goal under the procedures described for chapter 31 benefits. *See § 21.50(b)(5) and § 21.53 (d) and (f).*

(Authority: 38 U.S.C. 1524(a)(1)(2))

(b) *Specific services which may be provided in the course of evaluation in determining the reasonable feasibility of achieving a vocational goal.* The following specific services may be provided as a part of the evaluation of reasonable feasibility of achieving a vocational goal, as appropriate:

(1) Assessment of feasibility by a Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC);

(2) Review of feasibility assessment and of need for special services by the Vocational Rehabilitation Panel;

(3) Provision of medical and other diagnostic services;

### § 21.6054 Criteria for determining good employment potential.

(a) *Determining good employment potential.* Before scheduling an evaluation of feasibility to pursue a vocational goal for a qualified veteran under § 21.6005(c)(2), VA will first determine whether the veteran has good potential for achieving employment if provided a vocational training or employment program. This determination shall be made on the basis of the information of record, including information submitted by the veteran at the time of the veteran's request to participate in this temporary program.

(Authority: 38 U.S.C. 1524(a)(2); Pub. L. 100-687).

(b) *Criteria.* The criteria contained in paragraphs (c) and (d) of this section are to be applied by Veteran Readiness and Employment (VR&E) professional staff members to determine whether information of record supports a determination that a veteran age 50 or older has good potential for employment. Any reasonable doubt shall be resolved in the veteran's favor.

(Authority: 38 U.S.C. 1524(a)(2))

(c) *Indicators of good potential for employment.* Indicators of good potential for employment include one or more of the following:

- (1) A period of stable employment prior to the onset of disability.
- (2) Strong motivation to return to the work force.
- (3) Successful pursuit of education or training.
- (4) Cooperation in treatment of disabling conditions.
- (5) Stabilization of medical conditions or substance abuse problems.
- (6) Participation in therapeutic work programs.
- (7) Evidence of recent sustained job-seeking.

(Authority: 38 U.S.C. 1524(b)(1))

(d) *Contraindications of good potential for employment.* Contraindications of good potential for employment include one or more of the following:

- (1) A lifelong history of unstable employment with long periods of employment before the onset of disability.
- (2) Being out of the labor market for five years or more preceding the evaluation.
- (3) Unsuccessful pursuit of education or training.
- (4) Noncooperation in the treatment of disability.
- (5) Need for an additional period of medical care or treatment before training would be feasible.
- (6) Nonparticipation in prescribed or recommended therapeutic work programs.
- (7) Failure of previous vocational rehabilitation programs to achieve employability.

(Authority: 38 U.S.C. 1524(a)(2))

(e) *Negative determinations.* If VA does not find good employment potential, VA will notify the veteran that he or she is not eligible to receive an evaluation. Since this finding will preclude program participation, the veteran will be informed of his or her appellate rights as described in § 21.59 of this part.

- (1) If the determination cannot be made on the evidence of record, VA shall advise the veteran and may provide him or her with an opportunity to submit additional information within a reasonable time.
- (2) A veteran's disagreement with a negative finding shall be considered evidence of motivation for employment, and may, when considered in relation to other information, provide a basis for finding that good employment potential exists;
- (3) If the final VA determination, following a review of a contested negative finding, is that good potential for achieving employment does not exist, a personal interview will be scheduled, and the reasons for VA's determination shall be discussed with the veteran.

## § 21.6056

## 38 CFR Ch. I (7–1–25 Edition)

### § 21.6056 Cooperation of the veteran in an evaluation.

(a) *Cooperation of the veteran.* The cooperation of the veteran is essential to a successful evaluation. The purpose of the evaluation and the steps in the process shall be explained to the veteran, and the importance of his or her cooperation shall be stressed. If the veteran does not cooperate in the initiation or completion of the evaluation, the Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) shall make a reasonable effort through counseling to secure the veteran's cooperation.

(Authority: 38 U.S.C. 1524(a)(3))

(b) *Consequences of noncooperation when evaluation is required.* If the veteran fails to report for or cooperate in a required evaluation and the CP or VRC has made a reasonable effort to secure his or her participation, VA shall take appropriate action, including discontinuance of the evaluation under the provisions of § 21.364 of this part. If the veteran's case is discontinued under § 21.364 of this part, the Veterans Service Center will be notified. The Veterans Service Center also will be informed if the reason for discontinuance is subsequently removed and the evaluation process is resumed.

(Authority: 38 U.S.C. 1524(a)(1))

(c) *Consequences of noncooperation when evaluation is not required.* If the veteran fails to report for or cooperate in an optional evaluation and the CP or VRC has made a reasonable effort to secure the veteran's participation, VA shall take appropriate action, including discontinuance of the evaluation under the provisions of § 21.364 of this part. The evaluation may be resumed if the reason for the discontinuance is removed and the veteran is otherwise eligible.

### § 21.6058 Consequences of evaluation.

(a) *Eligible veteran may choose to participate.* If VA finds, based on the eval-

uation, that achievement of a vocational goal by the veteran is reasonably feasible, the veteran shall be offered and may elect to pursue a vocational training program. If the veteran elects to pursue such a program, the program shall be designed in consultation with the veteran in order to meet the veteran's individual needs, and shall be set forth in an Individualized Written Rehabilitation Plan (IWRP) under the provisions of § 21.84 of this part or an Individualized Employment Assistance Plan (IEAP) under § 21.88 of this part.

(Authority: 38 U.S.C. 1524(b)(1))

(b) *Veteran ineligible to participate.* A veteran for whom achievement of a vocational goal is not found reasonably feasible shall be notified of this finding and be informed of his or her appellate rights as described in § 21.416 of this part. The veteran shall be provided the assistance described in § 21.50(b)(9) of this part.

[53 FR 4397, Feb. 16, 1988, as amended at 84 FR 194, Jan. 18, 2019]

### § 21.6059 Limitations on the number of evaluations.

(a) *Number of evaluations.* No more than 3,500 evaluations of the reasonable feasibility of achieving a vocational goal may be given during any 12-month period, beginning on February 1, 1985, and each subsequent February 1 during the program period.

(Authority: 38 U.S.C. 1524(a)(3); Pub. L. 100-227)

(b) *Cases counted as evaluation.* An evaluation is deemed to be countable against the 3,500 limit permitted during each 12-month period when the following conditions are met:

(1) The veteran is provided one or more personal interviews by a Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC); and

(2) A determination of the reasonable feasibility of achieving a vocational goal is made by the CP or VRC.

(Authority: 38 U.S.C. 1524(a)(3); Pub. L. 100-227)

**Department of Veterans Affairs**

**§ 21.6070**

(c) *Cases not counted as evaluations.* Computation of the number of evaluations which may be provided in a 12-month period shall exclude cases in which:

- (1) The veteran under age 45 awarded pension during the program period is unable to participate for reasons beyond his or her control;
- (2) Review of available information does not indicate a good potential for employment of other qualified veterans.
- (3) The veteran either fails to keep a scheduled appointment to complete the evaluation or withdraws the claim for an evaluation, or
- (4) The veteran who has completed an evaluation requires or requests a re-evaluation.

(Authority: 38 U.S.C. 1524(a)(3); Pub. L. 100-227, Pub. L. 101-237)

(d) *Priority.* If a veteran below age 45 for whom an evaluation is required cannot be provided an evaluation during a particular 12-month period because of the limitation on the number of evaluations, the veteran will be given first priority for evaluation during the following 12-month period, or first available subsequent 12-month period, if otherwise eligible.

SERVICES AND ASSISTANCE TO PROGRAM PARTICIPANTS

**§ 21.6060 Services and assistance.**

(a) *General.* VA may provide to program participants:

- (1) Vocationally oriented services and assistance of the kind provided veterans under chapter 31, title 38 U.S.C.;
- (2) Employment assistance during the 18 month period following completion of a vocational training program, including:
  - (i) Educational, vocational, psychological, employment and personal adjustment counseling;
  - (ii) Placement services to effect suitable placement in employment, and post-placement services to attempt to

insure satisfactory adjustment in employment; and

(iii) Personal adjustment and work adjustment training.

(Authority: 38 U.S.C. 1524(b))

(3) Such other services and assistance of the kind provided veterans under chapter 31, except as provided in paragraph (b) of this section, as are necessary to enable the veteran to prepare for, and participate in, vocational training or employment.

(b) *Services and assistance not provided.* VA will not provide to a participant under this program any:

- (1) Loan;
- (2) Subsistence allowance;
- (3) Automobile adaptive equipment of the kind provided eligible veterans under 38 U.S.C., chapter 39 or chapter 31;
- (4) Training at an institution of higher learning in a program of education that is not predominantly vocational in content;
- (5) Employment adjustment allowance;
- (6) Room and board in a special rehabilitation facility for a period in excess of 30 days;
- (7) Independent living services, except those which are indispensable to the pursuit of the vocational training program during the period of rehabilitation to the point of employability under § 21.6160 of this part; or
- (8) Period of extended evaluation under 38 U.S.C. 3106(e).

(Authority: 38 U.S.C. 1524(b))

DURATION OF TRAINING

**§ 21.6070 Basic duration of a vocational training program.**

(a) *Basic duration of a vocational training program.* The duration of a vocational training program may not exceed 24 calendar months of full-time training except as provided in § 21.6072 of this part.

(Authority: 38 U.S.C. 1524(b)(2))

(b) *Responsibility for estimating the duration of a vocational training program.* The Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) is responsible for estimating the

§ 21.6070

38 CFR Ch. I (7-1-25 Edition)

time needed by the veteran to complete a vocational training program. The estimate is made in consultation with the veteran and the vocational rehabilitation specialist during the preparation of the IWRP.

(Authority: 38 U.S.C. 1524(b)(1))

(c) *Duration of training prescribed must meet general requirements for entry into the occupation selected.* The veterans will be provided training for a period sufficient for the veteran to reach the level generally recognized as necessary for entry into employment in a suitable occupational objective. Where a particular degree, diploma or certificate is generally necessary for entry into employment, the veteran may be trained to that level.

(Authority: 38 U.S.C. 1524(b))

(d) *When duration of the training period may be expanded beyond the entry level.* If the amount of training the particular veteran needs in order to qualify for employment in a particular occupation will exceed the amount generally needed for employment in that occupation, VA may provide the necessary additional training under one or more of the following conditions:

(1) Training requirements for employment in the area in which the veteran lives or will seek employment exceed those generally needed for employment;

(2) The veteran is preparing for a type of work in which he or she will be at a definite disadvantage in competing with nondisabled persons for a job or business, and the additional training will offset the competitive disadvantage;

(3) The choice of a feasible occupation is limited and additional training will enhance the veteran's employability in one of the feasible occupations; or

(4) The number of employment opportunities within a feasible occupation is restricted.

(Authority: 38 U.S.C. 1524(b)(2))

(e) *Estimating the duration of the training period needed.* The CP or VRC, in estimating duration of the training period needed, must determine that:

(1) The proposed vocational training program must be one which, when pursued full-time by a nondisabled person, would not normally require more than 24 calendar months of pursuit for successful completion;

(2) The program of training and other services needed by the veteran, based upon VA's evaluation, will not exceed 24 calendar months, if training is pursued on a full-time basis, or 36 calendar months if pursued on a less than full-time basis. In making this determination the following criteria will be applied:

(i) The number of actual months and days of the period during which the veteran will pursue the training program will be counted;

(ii) Days of authorized leave and other periods during which the veteran will not be pursuing training, such as periods between terms will also be counted;

(iii) The period of evaluation prior to determination of reasonable feasibility will be excluded but the actual number of months and days needed to evaluate and improve rehabilitation potential during the training program will be included;

(iv) The time required, as determined in months and days under paragraph (e)(2)(i) through (iii) of this section, will be the total period that would be required for the veteran to accomplish the vocational program under consideration;

(v) If the total period the veteran requires exceeds 24 calendar months, when pursued on a full-time basis, and an extension of the basic training period may not be approved under § 21.6072 of this part, another suitable vocational goal must be selected for which training can be completed within that period.

(3) If the veteran's vocational training program would require more than 36 calendar months when pursued on a less than full-time basis, the program must be reevaluated to select a vocational goal for which a suitable vocational training program can be completed within that period.

(Authority: 38 U.S.C. 1524(b)(2))

(f) *Effect of change in the vocational goal on duration of training period.* The

veteran's vocational goal may be changed during the program in accordance with § 21.94 (a) through (d) of this part. The extent to which such changes may be made is limited by the following considerations:

(1) A change of the vocational goal from one field or occupational family to another field or occupational family may only be approved before the end of the first 24 months of training, whether training is pursued on a full-time or a less than full-time basis; and

(2) A change from one occupational objective to another within the same field or occupational family shall not be considered a change in the vocational goal identified in the veteran's IWRP.

(Authority: 38 U.S.C. 1524(b)(2))

[31 FR 6774, May 6, 1966, as amended at 81 FR 26132, May 2, 2016]

**§ 21.6072 Extending the duration of a vocational training program.**

(a) *Extension of the duration of a vocational training program.* An extension of a vocational training program as formulated in the IWRP may only be approved to enable the veteran to achieve a vocational goal identified before the end of the first 24 calendar months of the program.

(Authority: 38 U.S.C. 1524(b)(2))

(b) *Maximum number of months for which a program for new participants may be approved.* If a veteran had never participated in this temporary program of vocational training, the originally planned period of training may be extended to a total period consisting of the number of months necessary to attain the vocational goal, but in no case will a program be extended for:

(1) More than 24 calendar months beyond the originally planned period; or

(2) A period which, when added to the originally planned period, totals more than 48 months, as provided in § 21.6074(c) of this part.

(Authority: 38 U.S.C. 1524(b))

(c) *Maximum number of months by which a program may be extended for prior participants in the temporary program.* (1) A veteran who has previously

participated in this program, but who was not *rehabilitated to the point of employability*, may be provided additional training under this program to complete the prior vocational goal or a different vocational goal, subject to the same provisions as apply to new participants;

(2) If a finding of prior *rehabilitation to the point of employability* is set aside to enable a veteran to pursue a program of on-job training or work experience, including the provision of employer incentives under § 21.256 of this part, the number of months for which assistance may be authorized under this program shall be established as provided in § 21.256 of this part to the extent consistent with the rules of this section;

(3) If the determination of *rehabilitation to the point of employability* has been set aside under § 21.6284 (a) or (b) of this part, additional training may be provided subject to the same provisions as apply to new participants.

(Authority: 38 U.S.C. 1524(b))

(d) *Who may authorize an extension to a vocational training program.* (1) The Vocational Rehabilitation Specialist (VRS) may authorize an extension of up to 3 calendar months of full-time or up to 6 calendar months of less than full-time training to the period of an existing vocational training program, if the VRS determines that the additional time is needed to successfully complete training and the following conditions are met:

(i) The veteran is in *rehabilitation to the point of employability* status under § 21.190 of this part;

(ii) The veteran has completed more than half of the prescribed training;

(iii) The veteran is making satisfactory progress;

(iv) The extension is necessary to complete training;

(v) Training can be completed with 3 months of full-time training or not more than 6 calendar months of less than full-time training; and

(vi) The extension plus the original program period will not result in a program of vocational training greater than 36 total calendar months;

(2) The Counseling Psychologist (CP) or Vocational Rehabilitation Counselor

## § 21.6074

## 38 CFR Ch. I (7–1–25 Edition)

(VRC) may approve any other extensions of the vocational training program, except as provided in paragraph (d)(3) of this section, if it is determined that the additional time is needed and the conditions for extension under paragraphs (a) and (b) of this section are met;

(3) The VR&E Officer must also concur in an extension of the vocational training program beyond 24 months when paragraphs (a) through (c) of this section are met.

### § 21.6074 Computing the period of vocational training program participation.

(a) *Computing the participation period.* The number of months and days used in a vocational training program shall be computed on the basis of calendar months and days during which the program participant is receiving services under the plan developed in accordance with § 21.6080 of this part, whether training is pursued on a full-time or less than full-time basis. Leaves of absence during a period of instruction and periods in which the veteran does not pursue actual training, such as breaks between periods of instruction, are included.

(Authority: 38 U.S.C. 1524(b))

(b) *Period of employment services separate.* The period during which employment services may be provided pursuant to § 21.6040(b) of this part is not included in computing the period used for vocational training under this program.

(Authority: 38 U.S.C. 1524(b))

(c) *Limitations.* (1) A program participant may receive the services necessary to carry out the vocational training program during a maximum period of 48 months. The 48-month period begins to run on the day the veteran begins to receive the services needed to carry out the vocational training program as specified in the IWRP, and ends 48 months from that date.

(2) Employment services which begin before the end of the 48-month period may be continued for the period specified in the IEAP, or may be provided after the end of the 48 month period if so specified in the IWRP or IEAP, subject to the provisions of § 21.6040(b) of this part.

(Authority: 38 U.S.C. 1524(b)(2), (3))

### INDIVIDUALIZED WRITTEN REHABILITATION PLAN

### § 21.6080 Requirement for an individualized written rehabilitation or employment assistance plan.

(a) *General.* An Individualized Written Rehabilitation Plan (IWRP) and/or Individualized Employment Assistance Plan (IEAP) will be developed for each program participant for services under 38 U.S.C. 1524. These plans shall be developed in the same manner as for chapter 31 purposes. See §§ 21.80, 21.84, 21.88, 21.90, 21.92, 21.94 (a) through (d), and 21.96.

(Authority: 38 U.S.C. 1524(b)(2))

(b) *Selecting the type of training to include in the plan.* The use of on-job training, including non-pay training, a combination of on-job and institutional training, or institutional training to accomplish the goals of the program should be explored in each case. On-job training, or a combination of on-job and institutional training, should generally be used:

- (1) When these options are available;
- (2) When these options are as suitable as institutional training for accomplishing the goals of the program; and
- (3) The veteran agrees that such training will meet his or her needs.

(Authority: 38 U.S.C. 1524(b))

(c) *Changes in the plan.* Any change amending the duration of a veteran's plan is subject to provisions governing duration of a vocational training program described in § 21.6070 and § 21.6072 of this part.

(Authority: 38 U.S.C. 1524(b)(1))

(d) *Change in the vocational goal after 24 months of training.* If a veteran seeks to change the vocational goal after receipt of 24 months of training and the

change is not permitted under § 21.6070(f) of this part, the Counseling Psychologist (CP) or Vocational Rehabilitation Counselor (VRC) shall inform the veteran that:

(1) No change of goal may be authorized but training for the vocational goal previously established may be continued, if it is still reasonably feasible for the veteran to pursue the training under appropriate extensions of the program pursuant to § 21.6072 of this part;

(2) If the veteran elects to terminate the planned vocational training program, he or she shall be provided assistance, to the extent provided under § 21.80(d) of this part, in identifying other resources through which the training desired may be secured;

(3) If the veteran disagrees with the decision, the veteran's case shall be considered under the provisions of § 21.416 of this part.

[53 FR 4397, Feb. 16, 1988, as amended at 81 FR 26132, May 2, 2016; 84 FR 194, Jan. 18, 2019]

### § 21.6082 Completing the plan.

(a) *Completing the plan.* If the VA determines that the veteran is unable to complete the program within the time limits of the plan after training has begun and the conditions for extension are not met, the long-range vocational goal of the veteran must be reevaluated, and another vocational goal selected which can be completed within the limits prescribed in § 21.6054 and § 21.6072 of this part.

(Authority: 38 U.S.C. 1524(b)(1))

(b) *Employment assistance when training is not completed under 38 U.S.C. chapter 15.* A plan for employment assistance may be implemented under § 21.6040(b) of this part even though the veteran's vocational training program has not been, or will not be, completed under this temporary program, provided the other requirements for participation in the program are met.

(Authority: 38 U.S.C. 1524(b)(3))

## COUNSELING

### § 21.6100 Counseling.

A veteran requesting or being furnished assistance under this temporary program shall be provided professional counseling services by the Veteran Readiness and Employment (VR&E) Division and other qualified staff as necessary, and in the same manner as such services are provided veterans participating in a chapter 31 program. See §§ 21.100, 21.380.

(Authority: 38 U.S.C. 1524(a)(1), (2) and (b)(2))

## EDUCATIONAL AND VOCATIONAL TRAINING SERVICES

### § 21.6120 Educational and vocational training services.

(a) *Purposes.* Educational and vocational training services are to be provided to a veteran eligible for services and assistance under this temporary program to enable the veteran to:

(1) Become employable in the occupational objective established in an IWRP; and

(2) Receive incidental training necessary to achieve the employment objective established in an IEAP.

(Authority: 38 U.S.C. 1524(b)(1))

(b) *Selection of courses.* VA and the veteran will select vocationally oriented courses of study and training, completion of which usually results in a diploma, certificate, degree, qualification for licensure, or employment. The educational and training services to be provided include:

(1) Remedial, deficiency and refresher training; and

(2) Training which leads to a vocational objective. All of the forms of program pursuit presented in § 21.122 through § 21.132 of this part may be authorized. Education and training programs in institutions of higher learning are authorized provided the courses are part of a program which is predominantly vocational in content. The program of education and training

**§ 21.6140**

shall be considered to be predominantly vocational in content if the majority of the instruction offered provides the technical skills and knowledge generally regarded as specific to, and required for, entry into the vocational goal approved for the veteran. Such education and training may generally be authorized at an undergraduate or advanced degree level. However the following are excluded:

- (i) An associate degree program in which the content of the majority of the instruction provided is not vocationally oriented;
- (ii) The first two years of a 4-year baccalaureate degree program;
- (iii) The last two or more years of a 4-year baccalaureate degree program except in degree programs with majors in engineering, teaching, or other similar degree programs with vocational content which ordinarily lead directly to employment in an occupation that is usually available to persons holding such a degree; or
- (iv) An advanced degree program, except for a degree program required for entry into the veteran's employment objective, such as a master's degree in social work.

(Authority: 38 U.S.C. 1524(b))

(c) *Charges for education and training services.* The cost of education and training services will be considered in selecting a facility when:

- (1) There is more than one facility in the area in which the veteran resides which:
  - (i) Meets the requirements for approval under § 21.290 through § 21.299 of this part;
  - (ii) Can provide the education and training services and other supportive services specified in the veteran's plan; and

**§ 21.7042**

(2) Except as provided in paragraph (f)(4) of this section, an individual is not eligible for educational assistance under 38 U.S.C. chapter 30 if after December 31, 1976, he or she receives a commission as an officer in the Armed Forces upon graduation from:

(2) The basic pay of an individual who withdraws an election not to receive educational assistance under 38 U.S.C. ch. 30 as described in paragraph (c) of this section shall be reduced by

- (i) \$1,200, or

(ii) In the case of an individual whose discharge or release from active duty prevents the reduction of the individual's basic pay by \$1,200, an amount less than \$1,200.

(3) The basic pay of any individual who makes the election described in paragraph (e)(1) of this section and who does not withdraw that election will not be subject to the reduction described in either paragraph (g)(1) or paragraph (g)(2) of this section.

(4) The individual who makes the election described in either paragraph (a)(7) or (b)(10) of this section shall have his or her basic pay reduced by \$1,200 in a manner prescribed by the Secretary of Defense. To the extent that basic pay is not so reduced before the individual's discharge or release from active duty, VA will collect from the individual an amount equal to the difference between \$1,200 and the total amount of the reductions described in this paragraph. If the basic pay of an individual is not reduced and/or VA does not collect from the individual an amount equal to the difference between \$1,200 and the total amount of the pay reductions, that individual is ineligible for educational assistance.

## § 21.7044

## 38 CFR Ch. I (7–1–25 Edition)

(a)(6), (b)(1) through (b)(9), (c), or (d) of this section is not reduced as provided in paragraph (g)(1) or (g)(2) of this section, the failure to make the reduction will have no effect on his or her eligibility, but will negate or reduce the individual's entitlement to educational assistance under 38 U.S.C. chapter 30 determined as provided in § 21.7073 for an individual described in paragraph (c) of this section;

(ii) The basic pay of an individual, described in paragraph (a)(7) or (b)(10) of this section, is not reduced as described in paragraph (g)(4) of this section and/or VA does not collect from the individual an amount equal to the difference between \$1,200 and the total amount of the pay reductions described in paragraph (g)(4) of this section, that individual is ineligible for educational assistance. If the failure to reduce the individual's basic pay and/or the failure to collect from the individual was due to administrative error on the part of the Federal government or any of its employees, the individual may be considered for equitable relief depending on the facts and circumstances of the case. Certain individuals with 38 U.S.C. chapter 34 eligibility may establish eligibility for educational assistance under 38 U.S.C. chapter 30. This section requires an individual to complete certain academic requirements before applying for educational assistance. If the individual applies before completing those requirements, VA will disallow the application. However, the individual's premature application will not prevent the individual from establishing eligibility at a later time by applying for educational assistance again

after having completed those academic requirements. In determining whether an individual has met the service requirements of this section, VA will exclude any period during which the individual is not entitled to credit for service for periods of time specified in § 3.15.

(a) *Eligibility based solely on active duty.* An individual may establish eligibility for basic educational assistance based on service on active duty under the following terms, conditions, and requirements—

(1) The individual must have met the requirements of 38 U.S.C. chapter 34, as in effect on December 31, 1989, establishing eligibility for educational assistance allowance under that chapter;

(2) As of December 31, 1989, the individual must have entitlement remaining for educational assistance allowance under 38 U.S.C. chapter 34;

(3) The individual, before applying for educational assistance, must:

(i) Complete the requirements for a secondary school diploma or an equivalency certificate; or

(ii) Successfully complete (or otherwise receive academic credit for) 12 semester hours (or the equivalent) in a program of education leading to a standard college degree;

(4) After June 30, 1985—

(i) The individual must serve at least three years continuous active duty in the Armed Forces, or

(ii) The individual must be discharged or released from active duty—

(A) For a service-connected disability, or

(B) For a medical condition which preexisted the individual's service on active duty and which VA determines is not service connected, or

(C) Under 10 U.S.C. 1173 (Hardship discharge), or

(D) For the convenience of the Government provided the individual completes at least 30 months of active duty, or

(E) Involuntarily for convenience of the government as a result of a reduction in force, as determined by the Secretary of the military department concerned in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when

(5) Upon completion of the requisite active duty service the individual must either—

- (i) Continue on active duty, or

- (ii) Reenlists or reenters on a period of active duty after October 19, 1984; and
- (iii) Serves at least three years of continuous active duty in the Armed Forces after June 30, 1985. The individual is not required to serve three years if he or she is honorably discharged or released from active duty for one of the reasons shown in para-

graphs (a)(4)(ii)(A) through (a)(4)(ii)(F) of this section.

(vi) For a physical or mental condition that was not characterized as a disability and did not result from the individual's own willful misconduct but did interfere with the individual's performance of duty, as determined by the Secretary of each military department

in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

(Authority: 10 U.S.C. 1141; 38 U.S.C. 3018A)

(b) *Additional requirements for those individuals voluntarily separated after October 23, 1992, or involuntarily separated.* An individual who meets the require-

ments of paragraph (a)(1) of this section; or an individual who meets the requirements of paragraph (a)(2) of this section and who either was not a member of the Coast Guard and was separated after October 22, 1992, or who was a member of the Coast Guard and was separated after September 30, 1994, must meet the following additional requirements in order to establish eligibility for educational assistance:

(1) *Required election.* (i) If, under § 21.7042(f), the individual elected not to receive educational assistance under 38 U.S.C. ch. 30, he or she must irrevocably withdraw that election and make an election to receive educational assistance under 38 U.S.C. ch. 30. The withdrawal and the election must be made:

(A) Before the involuntary or voluntary separation as the case may be, and

(B) Pursuant to procedures which the Secretary of the military department concerned provides in accordance with regulations prescribed by the Secretary of Defense or which the Secretary of Transportation provides with respect to the Coast Guard when it is not operating as a service in the Navy; and

(ii) If the individual is a participant (as defined in § 21.5021(e)) in the educational program provided in 38 U.S.C. ch. 32, the individual must make an irrevocable election to receive educational assistance under 38 U.S.C. ch. 30 rather than under 38 U.S.C. ch. 32. Such an election must be made:

(A) Before the individual is involuntarily or voluntarily separated as the case may be, and

(B) Pursuant to procedures which the Secretary of the military department concerned provides in accordance with regulations prescribed by the Secretary of Defense or which the Secretary of Transportation provides with respect to the Coast Guard when it is not operating as a service in the Navy; or

(iii) If the individual is not described in either paragraph (b)(1)(i) or (b)(1)(ii) of this section, he or she must make an irrevocable election to receive educational assistance under 38 U.S.C. ch. 30. This election must be made:

(A) Before the individual is involuntarily or voluntarily separated as the case may be, and

(B) Pursuant to procedures which the Secretary of the military department concerned provides in accordance with regulations prescribed by the Secretary of Defense or which the Secretary of Transportation provides with respect to the Coast Guard when it is not operating as a service in the Navy.

(2) *Reduction in basic pay.* The basic pay of anyone who makes one of the irrevocable elections described in paragraph (b)(1) of this section is required by 38 U.S.C. 3018B to be reduced by \$1,200.

(i) If for any reason the basic pay of an individual who received an involuntary separation is not so reduced by \$1,200, the failure to make the reduction will not affect the individual's eligibility for educational assistance under 38 U.S.C. ch. 30.

(ii) If the individual is voluntarily separated, such reduction of the individual's basic pay by \$1,200 is a precondition to establishing eligibility. Hence, educational assistance under 38 U.S.C. ch. 30 may not be paid to such an individual when the reduction does not occur.

(3) *Educational requirement.* (i) Before the date on which VA receives the individual's application for educational assistance under subpart K of this part, the individual must have:

(A) Successfully completed the requirements of a secondary school diploma (or equivalency certificate); or

(B) Successfully completed (or otherwise received academic credit for) 12 semester hours (or the equivalent) in a program of education leading to a standard college degree.

(ii) If a veteran's application for educational assistance is denied due to failure to meet the requirements of paragraph (b)(3)(i) of this section at the time of his or her application for educational assistance, the veteran may reapply if the requirements are subsequently met.

(Authority: 38 U.S.C. 3018B)

(c) *Additional requirements for individuals who are voluntarily discharged before October 23, 1992.* If an individual meets the requirements of paragraph (a)(2) of this section and is voluntarily discharged before October 23, 1992, he or she must also meet the following re-

quirements in order to establish eligibility for educational assistance.

(1) *Required election.* (i) If, under § 21.7042(f), the individual elected not to receive educational assistance under 38 U.S.C. ch. 30, he or she must irrevocably withdraw that election and make an election to receive educational assistance under 38 U.S.C. ch. 30. The withdrawal and the new election must be made:

(A) Before October 23, 1993, and

(B) In the form and manner prescribed by the Secretary of Veterans Affairs; and

(ii) If the individual is a participant (as defined in § 21.5021(e)) in the educational program provided in 38 U.S.C. ch. 32, the individual must make an irrevocable election to receive educational assistance under 38 U.S.C. ch. 30 rather than under 38 U.S.C. ch. 32. Such an election must be made:

(A) Before October 23, 1993, and

(B) In the form and manner prescribed by the Secretary of Veterans Affairs.

(iii) If the individual is not described in either paragraph (c)(1)(i) or (ii) of this section, he or she must make an irrevocable election to receive educational assistance under 38 U.S.C. ch. 30. This election must be made:

(A) Before October 23, 1993, and

(B) In the form and manner prescribed by the Secretary of Veterans Affairs.

(2) *\$1,200 collection.* VA must collect \$1,200 from the individual before awarding educational assistance under 38 U.S.C. ch. 30. Collection of \$1,200 is a precondition to establishing eligibility.

(3) *Educational requirement.* (i) Before the date on which VA receives the individual's application for educational assistance under subpart K of this part, the individual must have:

(A) Successfully completed the requirements of a secondary school diploma (or equivalency certificate); or

(B) Successfully completed (or otherwise received academic credit for) 12 semester hours (or the equivalent) in a program of education leading to a standard college degree.

(ii) If a veteran's application for educational assistance under subpart K of this part is denied due to failure to meet the requirements of paragraph

**§ 21.7045**

**38 CFR Ch. I (7-1-25 Edition)**

(c)(3)(i) of this section at the time of his or her application for educational assistance, the veteran will be permitted to apply at a later date.

(Authority: 38 U.S.C. 3018B)

(d) *Alternate eligibility requirements for participants in the Post-Vietnam Era Veterans' Educational Assistance Program—*

(1) *Making an election.* To receive educational assistance under the authority of paragraph (d) of this section, a veteran or servicemember must—

(i) Have elected to do so before October 9, 1997;

(ii) Have been a participant (as that term is defined in §21.5021(e)) in the Post-Vietnam Era Veterans' Educational Assistance Program on October 9, 1996;

(iii) Have been on active duty on October 9, 1996; and

(iv) Receive an honorable discharge.

(2) *Election.* The election to receive educational assistance payable under this subpart in lieu of educational assistance payable under the Post-Vietnam Era Veterans' Educational Assistance Program is irrevocable. The election must have been made before October 9, 1997, pursuant to procedures provided by the Secretary of the military department concerned in accordance with regulations prescribed by the Secretary of Defense or provided by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

(3) *\$1,200 collection.* An individual who has made the election described in paragraph (d)(2) of this section shall have his or her basic pay reduced by \$1,200 in a manner prescribed by the Secretary of Defense. To the extent that basic pay is not so reduced before the individual's discharge or release from active duty, VA will collect from the individual an amount equal to the difference between \$1,200 and the total amount of the reductions. Reduction in basic pay by \$1,200 or collection of \$1,200 is a precondition to establishing eligibility.

(4) *Educational requirement.* Before applying for benefits that may be payable as the result of making a valid election, an individual must have—

(i) Completed the requirements of a secondary school diploma (or equivalency certificate); or

(ii) Successfully completed the equivalent of 12 semester hours in a program of education leading to a standard college degree.

(Authority: 38 U.S.C. 3018C)

(e) *Alternate eligibility requirements for former participants in the Post-Vietnam Era Veterans' Educational Assistance Program—(1) Definition.* For the purpose of this paragraph a *participant* is a veteran or servicemember who:

(i) Had enrolled in the Post-Vietnam Era Veterans' Educational Assistance Program, contributed to the fund described in §21.5021(f), and either—

(B) Has some or all of the contributions remaining in that fund;

(C) Has disenrolled, and received a refund of contributions; or

(D) Has used all of his or her entitlement to benefits under the Post-Vietnam Era Veterans' Educational Assistance Program; or

(ii) Had enrolled in the Post-Vietnam Era Veterans' Educational Assistance Program, and has had the Secretary of Defense make contributions to the fund described in §21.5021(f) for him or her.

(2) *Making an election.* To receive educational assistance under authority of this paragraph, a veteran or servicemember must:

(i) Have elected before November 1, 2001, to receive educational assistance payable under 38 U.S.C. chapter 30 in lieu of educational assistance payable under the Post-Vietnam Era Veterans' Educational Assistance Program;

(ii) Have been a participant in the Post-Vietnam Era Veterans' Educational Assistance Program on or before October 9, 1996;

(iii) Have served continuously on active duty since October 9, 1996, through at least April 1, 2000;

(iv) Receive an honorable discharge when discharged or released from the period of active duty during which the servicemember made the election described in paragraph (e)(3) of this section.

## Department of Veterans Affairs

## § 21.7046

(3) *Election.* The election to receive educational assistance payable under 38 U.S.C. chapter 30 in lieu of educational assistance payable under the Post-Vietnam Era Veterans' Educational Assistance Program is irrevocable. The election must have been made before November 1, 2001, pursuant to procedures provided by the Secretary of the military department concerned.

(4) *\$2,700 collection.* (i) An individual who has made the election described in paragraph (e)(3) of this section must have his or her basic pay reduced by \$2,700 in a manner prescribed by the Secretary of the military department concerned. To the extent that basic pay is not so reduced before the individual's discharge or release from active duty, the Secretary of the military department concerned will collect from the individual an amount equal to the difference between \$2,700 and the amount that the individual's basic pay has been reduced. The individual may choose how the \$2,700 is to be collected. The Secretary of the military department concerned, according to the choice the individual makes, will collect this amount—

(A) From the individual; or

(B) By reducing the individual's retired or retainer pay.

(ii) The individual must pay \$2,700 to the Secretary of the military department concerned, as provided for by that Secretary, during an 18-month period beginning on the date the individual made the election described in paragraph (e)(3) of this section.

(iii) Educational assistance under authority of paragraph (e) of this section to an individual who was discharged or released from active duty before the Secretary of the military department concerned had collected the full \$2,700 described in paragraph (e)(4) of this section is not payable until that Secretary either—

(A) Collects in full the \$2,700; or

(B) Has made the first reduction in retired or retainer pay for the purpose of the \$2,700 payment described in paragraph (e)(4) of this section. Thus, a veteran who is making the \$2,700 payment through having retired or retainer pay reduced may be eligible before the Sec-

retary of the military department concerned collects the full \$2,700.

(5) *Educational requirement.* Before applying for benefits that may be payable as the result of making a valid election, an individual must have—

(i) Completed the requirements of a secondary school diploma (or equivalency certificate); or

(ii) Successfully completed the equivalent of 12 semester hours in a program of education leading to a standard college degree.

(2) After completion of the service described in paragraph (a)(1) of this section the individual must either—

(4) The Secretary concerned may prescribe by regulation a maximum period of time during which the individual is

considered to have continuous service in the Selected Reserve even though he or she is not attached to a unit of the Selected Reserve for any reason (also to be prescribed by the Secretary concerned by regulation) other than those stated in paragraph (b)(3) of this section.

(c) *Time limit for some members of the Army and Air National Guard.* (1) If a veteran or servicemember establishes eligibility for the educational assistance payable under this subpart by making the election described in § 21.7042(a)(7) or (b)(10), VA will not provide basic educational assistance or supplemental educational assistance to that veteran or servicemember beyond 10 years from the later of:

(For the purposes of this paragraph, the applicable provisions of those former requirements appear in the July 1, 2002 revision of the Code of Federal Regulations, title 38.)

(i) *A period of active duty other than the initial period was used to establish eligibility.* The veteran was enabled to establish eligibility by the removal of the former eligibility requirement in 38 CFR 21.7042(a)(2)(ii), 21.7042(a)(5)(iv)(A),

(a) *Period of eligibility may be extended.* VA shall grant an extension of the applicable delimiting period, as otherwise determined by § 21.7050 of this part provided:

(1) The veteran applies for an extension within the time specified in § 21.1033(c).

(2) The veteran was prevented from initiating or completing the chosen program of education within the otherwise applicable eligibility period because of a physical or mental disability that did not result from the veteran's willful misconduct. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct. (See § 21.7020(b)(38)) It must be clearly established by medical evidence that such a program of education was medically infeasible. (c) *Length of extended periods of eligibility.* A veteran's extended period of eligibility shall be for the length of time that the individual was prevented from initiating or completing his or

her chosen program of education. This shall be determined as follows:

(1) If the veteran is in training in a course organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran's original eligibility period that his or her training became medically infeasible to the earliest of the following date.

(i) The commencing date of the ordinary term, quarter or semester following the day the veteran's training became medically infeasible.

(ii) The last date of the veteran's delimiting date as determined by § 21.7050 of this part, or

(iii) The date the veteran resumed training.

(2) If the veteran is training in a course not organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the veteran's original delimiting period that his or her training became medically infeasible to the earlier of the following dates:

(i) The date the veteran's training became medically feasible, or

(ii) The veteran's delimiting date as determined by § 21.7050 of this part.

### ENTITLEMENT

#### § 21.7070 Entitlement.

An eligible servicemember or veteran is entitled to a monthly benefit for periods of time during which he or she is enrolled in, and satisfactorily pursuing, an approved program of education.

(Authority: 38 U.S.C. 3014; Pub. L. 98–525)

#### § 21.7072 Entitlement to basic educational assistance.

The provisions of this section apply to all veterans and servicemembers except to those to whom § 21.7073 applies.

(a) *Most individuals are entitled to 36 months of assistance.* Except as provided

in paragraphs (b), (c), and (d) of this section and in § 21.7073, a veteran or servicemember who is eligible for basic educational assistance is entitled to 36 months of basic educational assistance (or the equivalent thereof in part-time educational assistance).

(Authority: 38 U.S.C. 3013; Pub. L. 98–525) (Nov. 18, 1988).

(b) *Entitlement: individual discharged for service-connected disability, a medical condition which preexisted service, hardship, or involuntarily for the convenience of the Government as a result of a reduction in force.* (1) Except as provided in § 21.7073, when the provisions of paragraph (b) of this section are met, an eligible individual is entitled to one month of basic educational assistance (or equivalent thereof in part-time basic educational assistance) for each month of the individual's continuous active duty service that is after June 30, 1985, and that, in the case of an individual who had no previous eligibility under 38 U.S.C. ch. 34, is part of the individual's qualifying obligated period of active duty. In the case of a veteran to whom the definition of continuous active duty found in either § 21.7020(b)(6)(iii) or § 21.7020(b)(6)(iv) applies, the length of the continuous active duty will be the aggregate length of the periods of active duty referred to in those paragraphs. Except as provided in § 21.7073, VA will apply paragraph (b) of this section when the individual:

(i) Establishes eligibility through meeting the eligibility requirements of § 21.7042 or § 21.7044,

(ii) Serves less than 36 months of continuous active duty service after June 30, 1985 (or less than 24 continuous months of a qualifying obligated period of active duty service after June 30, 1985, if his or her qualifying obligated period of active duty is less than 3 years), and

(iii) Is discharged or released from active duty either—

(A) For a service-connected disability, or

(B) For a medical condition which preexisted the individual's service on active duty and which VA determines is not service connected,

## § 21.7072

(C) Under 10 U.S.C. 1173 (hardship discharge), or

(D) Involuntarily for convenience of the government as a result of a reduction in force, as determined by the Secretary of the military department concerned in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy, or;

(E) For a physical or mental condition that was not characterized as a disability and did not result from the individual's own willful misconduct but did interfere with the individual's performance of duty, as determined by the Secretary of each military department in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

(Authority: 38 U.S.C. 3011(f), 3013(a))

(2) Entitlement will be calculated in whole months.

(3) The following types of time lost are not countable in determining the extent of a veteran's or servicemember's entitlement:

- (i) Excess leave,
- (ii) Noncreditable time, and
- (iii) Not-on-duty time.

(Authority: 38 U.S.C. 3013(a); Pub. L. 98-525)

(c) *Entitlement based on service in the Selected Reserve.* (1) Except as provided in § 21.7073, when the provisions of paragraph (c) of this section are met, an individual is entitled to one month of basic educational assistance (or the equivalent thereof in part-time basic educational assistance) for each month of the individual's active duty service that is after June 30, 1985, and that, in the case of an individual who had no previous eligibility under 38 U.S.C. chapter 34, is part of the individual's qualifying obligated period of active duty. An individual is entitled to one month of basic educational assistance (or the equivalent thereof in part-time basic educational assistance) for each four months served by the individual in the Selected Reserve after June 30, 1985 (other than a month in which the indi-

vidual serves on active duty). Except as provided in § 21.7073, VA will apply the provisions of paragraph (c) of this section when the individual—

(i) Establishes eligibility through meeting the eligibility requirements of § 21.7042 or § 21.7044, and

(ii) Bases his or her eligibility upon a combination of service on active duty and service in the Selected Reserve as described in § 21.7042(b) and § 21.7044(b).

(Authority: 38 U.S.C. 3013(b))

(2) Entitlement will be calculated in whole months.

(3) The following types of time lost are not countable in determining the extent of a veteran's or servicemember's entitlement:

- (i) Excess leave,
- (ii) Noncreditable time, and
- (iii) Not-on-duty time.

(4) A veteran described in this paragraph is not entitled to any basic educational assistance for service in the Selected Reserve in excess of the number of months of service in the Selected Reserve which is evenly divisible by four.

(5) VA will consider a veteran to be entitled to 36 months of basic educational assistance when he or she—

(i) Initially enters on active duty after June 30, 1985;

(ii) Is attempting to establish eligibility through service in the Selected Reserve;

(iii) Has completed the active duty service required in § 21.7042 of this part; and

(iv) Is participating in the Selected Reserve, but has not participated for the length of time required in § 21.7042 of this part.

(Authority: 38 U.S.C. 3011, 3012; Pub. L. 98-525)

(d) *Entitlement affected by failure to complete required Selected Reserve service.* If a veteran attempts to establish eligibility through a combination of active duty service and service in the Selected Reserves, but fails to do so, his or her entitlement shall be the number

§ 21.7073

38 CFR Ch. I (7-1-25 Edition)

of months to which he or she is entitled on the basis of his or her active duty service.

(Authority: 38 U.S.C. 3011, 3012; Pub. L. 98-525)

(e) *Repayment of an education loan affects entitlement.* A period of service counted for the purpose of repayment under section 902 of the Department of Defense Authorization Act, 1981, of an education loan may not also be counted for the purposes of determining the number of months of the veteran's or servicemember's entitlement to basic educational assistance. Therefore, in determining a veteran's or servicemember's entitlement, VA will—

(1) Determine his or her entitlement as provided in paragraph (a), (b), (c) or (d) of this section, as appropriate, and

(2) Subtract from the figure determined in paragraph (e)(1) of this section the number of months of service counted for the purposes of repayment of an educational loan under section 902 of the Department of Defense Authorization Act, 1981.

(Authority: 38 U.S.C. 3033(b); Pub. L. 98-525)

(f) *Limitation on entitlement.* Except as provided in § 21.7076(e) and § 21.7135(s) of this part no one is entitled to more than 36 months of full-time basic educational assistance (or its equivalent in part-time educational assistance).

**§ 21.7073 Entitlement for some individuals who establish eligibility during the open period or who establish eligibility before involuntary separation.**

(a) *Individuals who establish eligibility during the open period.* (1) The provisions of this paragraph apply to a veteran or servicemember who:

(i) Establishes eligibility by withdrawing an election not to enroll as provided in § 21.7042(c);

(ii) Has less than \$1,200 deducted from his or her military pay; and

(iii) Before completing the period of service which the individual was obligated to serve on December 1, 1988, the individual:

(A) Is discharged or released from active duty for a service-connected disability, a medical condition which preexisted that service, or hardship; or

(B) For a physical or mental condition that was not characterized as a disability and did not result from the individual's own willful misconduct but did interfere with the individual's performance of duty, as determined by the Secretary of each military department in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

(C) Is discharged or released from active duty for the convenience of the Government after completing not less than 20 months of that period of service, if that period was less than three years, or 30 months, if that period was at least three years; or

(D) Is involuntarily discharged or released from active duty for convenience of the Government as a result of a reduction in force, as determined by the Secretary concerned in accordance with regulations prescribed by the Secretary of Defense or by the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy.

(2) A veteran described in paragraph (a)(1) of this section is entitled to a number of months of basic educational assistance (or equivalent thereof in part-time basic educational assistance) equal to the lesser of:

(i) A number of months determined by multiplying 36 by a fraction the numerator of which is the amount by which the basic pay of the individual has been reduced as provided in § 21.7042(e)(2) and the denominator of which is \$1,200, or

### § 21.7074 Entitlement to supplemental educational assistance.

In determining the entitlement of a veteran or servicemember who is eligible for supplemental educational assistance VA shall—

- (a) Calculate the veteran's or servicemember's entitlement to basic educational assistance on the day he or she establishes eligibility for supplemental educational assistance, and
- (b) Credit the veteran or servicemember with the same number of months and days entitlement to supplemental educational assistance as the number calculated in paragraph (a) of this section.

### § 21.7075 Entitlement to tuition assistance top-up.

An individual who is entitled to educational assistance under 38 U.S.C. chapter 30 is also entitled to 36 months of tuition assistance top-up. This entitlement is parallel to, and does not replace, the entitlement to educational assistance available under § 21.7072. If the individual receives tuition assistance top-up, VA will make a charge against both the entitlement under § 21.7072 and the entitlement under this

section. The charge will be as described in § 21.7076(b)(10).

(Authority: 38 U.S.C. 3013, 3014(b), 3032)

[72 FR 16980, Apr. 5, 2007, as amended at 72 FR 35662, June 29, 2007]

### § 21.7076 Entitlement charges.

(a) *Overview.* VA will make charges against entitlement as stated in this section.

(1) Charges will be made against the entitlement the veteran or servicemember has to educational assistance under 38 U.S.C. chapter 30 as the assistance is paid.

(2) There will be a charge (for record purposes only) against the remaining entitlement, under 38 U.S.C. chapter 34, of an individual who is receiving the educational assistance under § 21.7137 of this part. The record-purpose charges against entitlement under 38 U.S.C. chapter 34 will not count against the 48 months of total entitlement under both 38 U.S.C. chapters 30 and 34 to which the veteran or servicemember may be entitled. (*See* § 21.4020(a) of this part).

(3) Generally, VA will base those entitlement charges on the principle that a veteran or servicemember who trains full time for one day should be charged one day of entitlement. However, this general principle does not apply to a veteran or servicemember who:

- (i) Is pursuing correspondence training;
- (ii) Is pursuing flight training;
- (iii) Is pursuing an apprenticeship or other on-job training;
- (iv) Is paid an accelerated payment;
- (v) Is receiving educational assistance for taking an approved licensing or certification test; or
- (vi) Is receiving tuition assistance top-up.

(4) The provisions of this section apply to:

- (i) Veterans and servicemembers training under 38 U.S.C. chapter 30; and
- (ii) Veterans training under 38 U.S.C. chapter 31 who make a valid election under § 21.21 of this part to receive educational assistance equivalent to that paid to veterans under 38 U.S.C. chapter 30.

(Authority: 38 U.S.C. 3013, 3014(b), 3014A, 3689)

(b) *Determining entitlement charge.* This paragraph states how VA generally will determine the charge against the entitlement of a servicemember or veteran who is receiving educational assistance. However, when the circumstances described in paragraph (e) apply to a servicemember or veteran, VA will use that paragraph to determine an entitlement charge instead of this paragraph.

(1) Except for those pursuing correspondence training, flight training, apprenticeship or other on-job training; those receiving tuition assistance top-up; those receiving educational assistance for taking an approved licensing or certification test; those receiving tutorial assistance; and those receiving an accelerated payment, VA will make a charge against entitlement:

(i) On the basis of total elapsed time (one day for each day of pursuit) if the servicemember or veteran is pursuing the program of education on a full-time basis,

(ii) On the basis of a proportionate rate of elapsed time, if the veteran or servicemember is pursuing the program of education on a three-quarter, one-half or less than one-half time basis. For the purpose of this computation, training time which is less than one-half, but more than one-quarter time, will be treated as though it were one-quarter time training.

(2) VA will compute elapsed time from the commencing date of the award to date of discontinuance. If the veteran or servicemember changes his or her training time after the commencing date of the award, VA will—

(i) Divide the enrollment period into separate periods of time during which the veteran's or servicemember's training time remains constant, and.

(ii) Compute the elapsed time separately for each time period.

(Authority: 38 U.S.C. 3013)

(3) For each month that a veteran is paid a monthly educational assistance allowance while undergoing apprenticeship or other on-job training, VA will make a charge against 38 U.S.C. chapter 30 entitlement of—

(i) .75 of a month in the case of payments made during the first six months

of the veteran's pursuit of the program of apprenticeship or other on-job training,

(ii) .55 of a month in the case of payments made during the second six months of the veteran's pursuit of the program of apprenticeship or other on-job training, and

(iii) .35 of a month in the case of payments made following the first twelve months of the veteran's pursuit of apprenticeship or other on-job training.

(Authority: 38 U.S.C. 3032(c))

(4) For each month that a veteran is paid a monthly educational assistance allowance while undergoing apprenticeship or other on-job training, including any month in which the veteran fails to complete 120 hours of training, VA will make a record-purpose charge against 38 U.S.C. chapter 34 entitlement, if any, as follows:

(i) For training that occurs before October 1, 2005, VA will reduce 38 U.S.C. chapter 34 entitlement by one month for each month of benefits paid.

(ii) For training that occurs on or after October 1, 2005, VA will reduce 38 U.S.C. chapter 34 entitlement proportionately based on the percentage rate (rounded to the nearest percentage) determined by dividing the amount of the training assistance paid for the month by the monthly educational assistance payable for full-time enrollment in an educational institution.

(Authority: 38 U.S.C. 3015(e), 3032(c), 3687; sec. 102, Pub. L. 108-454, 118 Stat. 3600)

(5) When a veteran or servicemember is pursuing a program of education by correspondence, VA will make a charge against entitlement for each payment made to him or her. The charge—

(i) Will be made in months and decimal fractions of a month, and

(ii) Will be determined by dividing the amount of the payment by an amount equal to the rate of educational assistance otherwise applicable to him or her for full-time training (disregarding in the case of a servicemember the cost of course comparison).

(Authority: 38 U.S.C. 3032(d))

**Department of Veterans Affairs**

**§21.7076**

(6) When a veteran or servicemember is pursuing a program of education partly in residence and partly by correspondence, VA will make a charge against entitlement—

(i) For the residence portion of the program as provided in paragraphs (b) (1) and (2) of this section, and

(ii) For the correspondence portion of the program as provided in paragraph (b)(5) of this section.

(Authority: 38 U.S.C. 3032(c), 3032(d))

(7) When a veteran or servicemember is paid an accelerated payment, VA will make a charge against entitlement for each accelerated payment made to him or her. The charge—

(i) Will be made in months and decimal fractions of a month; and

(ii) Will be determined by dividing the amount of the accelerated payment by an amount equal to the rate of basic educational assistance otherwise applicable to him or her for full-time institutional training. If the rate of basic educational assistance increases during the enrollment period, VA will charge entitlement for the periods covered by the initial rate and the increased rate, respectively.

(Authority: 38 U.S.C. 3014A)

(8) If an individual is paid tutorial assistance as provided in §21.7141, the following provisions will apply.

(i) There will be no charge to entitlement for the first \$600 of tutorial assistance paid to an individual under 38 U.S.C. ch. 30.

(ii) VA will make a charge against the period of entitlement of one month for each amount of tutorial assistance paid under 38 U.S.C. ch. 30, to the individual in excess of \$600 that is equal to the amount of monthly educational assistance the individual is otherwise eligible to receive for full-time pursuit of a residence course as provided in §§21.7136, 21.7137 and 21.7138, as appropriate. When the amount of tutorial assistance paid to the individual in excess of \$600 is less than the amount of monthly educational assistance the individual is otherwise eligible to re-

ceive, the entitlement charge will be prorated.

(Authority: 38 U.S.C. 3019; Pub. L. 100-689) (Nov. 18, 1988)

(9) When a veteran or servicemember is pursuing a program of education through flight training, VA will make a charge against entitlement for each payment made to him or her. The charge—

(i) Will be made in months and decimal fractions of a month, and

(ii) Will be determined by dividing the amount of the payment by an amount equal to the rate of basic educational assistance otherwise applicable to him or her for full-time institutional training.

(Authority: 38 U.S.C. 3031(f))

(10) When a servicemember receives tuition assistance top-up, VA will make a charge against his or her entitlement as established under §21.7072 equal to the number of months and days determined by dividing the total amount paid by an amount equal to the servicemember's monthly rate of basic educational assistance as calculated under §21.7136. VA will make a charge against his or her tuition assistance top-up entitlement as established under §21.7075 by subtracting from that entitlement the total number of months and days in the term, quarter, or semester for which the servicemember received tuition assistance.

(Authority: 38 U.S.C. 3014(b))

(11) When a veteran or servicemember receives educational assistance for taking an approved licensing or certification test, VA will make a charge against his or her entitlement equal to the number of months and days determined by dividing the total amount paid by an amount equal to the servicemember's monthly rate of basic educational assistance as calculated under §21.7136, excluding any additional "kicker" that may be paid under §21.7136(g).

(Authority: 38 U.S.C. 3032(f)(2))

(c) *Overpayment cases.* VA will make a charge against entitlement for an overpayment only if the overpayment is

§ 21.7076

38 CFR Ch. I (7-1-25 Edition)

discharged in bankruptcy; is waived, and is not recovered; or is compromised.

(1) If the overpayment is discharged in bankruptcy or is waived and is not recovered, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(2) If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(3) If the overpayment is compromised and the compromise offer is equal to or greater than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by—

(i) Subtracting the portion of the debt attributable to interest, administrative costs of collection, court costs and marshal fees from the compromise offer,

(ii) Subtracting the amount determined in paragraph (c)(3)(i) of this section from the amount of the original debt (exclusive of interest, administrative costs of collection, court costs and marshal fees),

(iii) Dividing the result obtained in paragraph (c)(3)(ii) of this section by the amount of the original debt (exclusive of interest, administrative costs of collection, court costs and marshal fees), and

(iv) Multiplying the percentage obtained in paragraph (c)(3)(iii) of this section by the amount of the entitlement which represents the whole overpaid period.

(Authority: 38 U.S.C. 3013; Pub. L. 98-525)

(d) *Interruption to conserve entitlement.* A veteran may not interrupt a certified period of enrollment for the purpose of conserving entitlement. An educational institution may not certify a period of enrollment for a fractional part of the normal term, quarter or se-

mester, if the veteran or servicemember is enrolled for the entire term, quarter or semester. VA will make a charge against entitlement for the entire period of certified enrollment, if the veteran or servicemember is otherwise eligible for educational assistance, except when educational assistance is interrupted under any of the following conditions:

(1) Enrollment is terminated;

(2) The veteran or servicemember cancels his or her enrollment, and does not negotiate an educational assistance check for any part of the certified period of enrollment;

(3) The veteran or servicemember interrupts his or her enrollment at the end of any term, quarter or semester within the certified period of enrollment, and does not negotiate a check for educational assistance for the succeeding term, quarter or semester;

(4) The veteran or servicemember requests interruption or cancellation for any break when a school was closed during a certified period of enrollment, and VA continued payments under an established policy based upon an Executive Order of the President or an emergency situation. Whether the veteran or servicemember negotiated a check for educational assistance for the certified period is immaterial.

(Authority: 38 U.S.C. 3013; Pub. L. 98-525)

(e) *No entitlement charge for some individuals.* When the criteria described in this paragraph are met, VA will make no charges against entitlement as described in paragraph (b) of this section.

(1) VA will make no charge against an individual's entitlement when the individual—

(i) Either—

(A) While not serving on active duty, had to discontinue pursuit of a course or courses as a result of being ordered, in connection with the Persian Gulf War, to serve on active duty under section 672 (a), (d), or (g), 673, 673b, or 688 of title 10, U.S. Code; or

(B) While serving on active duty, had to discontinue pursuit of a course or courses as a result of being ordered, in connection with the Persian Gulf War, to a new duty location or assignment or to perform an increased amount of work.

(ii) Failed to receive credit or lost training time toward completion of the individual's approved educational, professional or vocational objective as a result of having to discontinue his or her course pursuit.

(2) The period for which receipt of educational assistance allowance is not charged against the entitlement of an individual described in paragraph (e)(1) of this section shall not exceed the portion of the period of enrollment in the course or courses for which the individual failed to receive credit or with respect to which the individual lost training time.

An individual entitled to educational assistance under the Montgomery GI Bill—Active Duty (38 U.S.C. chapter 30) program based on his or her own active duty service, and who is approved by a service department to transfer a portion of his or her entitlement, may transfer up to a total of 18 months of his or her entitlement to a dependent (or among dependents). VA does not require organizations or entities offering a licensing or certification test to certify the fact that the veteran or servicemember took the test. (1) Is enrolled in a correspondence course;

(2) Has received a lump-sum payment for the training completed during a month; or

(3) Has received an advance payment for the training completed during a month.

(Authority: 38 U.S.C. 3014A, 3034, 3684)

(4) Has received an accelerated payment for the enrollment period.

(b) *Items to be reported on all monthly verifications.* (1) The monthly verification for all veterans and servicemembers will include a report on the following items when applicable:

(iii) If submitted on paper, clearly show the date on which it was signed.

(c) *Additional requirements for apprenticeships and other on-job training programs.* (1) When a veteran is pursuing an apprenticeship or other on-job training he or she must certify training monthly by reporting the number of hours worked.

(2) The information provided by the veteran must be verified by the training establishment.

(Authority: 38 U.S.C. 3034, 3680(a))

(d) *Additional requirements for individuals receiving an accelerated payment.* (1) When an individual receives an accelerated payment as provided in § 21.7151(c) and (d), he or she must certify the following information within 60 days of the end of the term, quarter or semester (or entire program when the program is not offered on a term, quarter, or semester basis) for which the accelerated payment was made:

(3) VA will determine the amount of the overpayment of benefits for courses not completed in the following manner—

(i) For a veteran or servicemember who does not complete the full course, courses, or program for which the accelerated payment was made, and who does not substantiate mitigating circumstances for not completing, VA will establish an overpayment equal to the amount of the accelerated payment.

(ii) For a veteran or servicemember who does not complete the full course, courses, or program for which the accelerated payment was made, but who substantiates mitigating circumstances for not completing, VA will prorate the amount of the accelerated payment to which he or she is entitled based on the number of days from the beginning date of the enrollment period through the date of last attendance. VA will determine the prorated amount by dividing the accelerated payment amount by the number of days in the enrollment period, and multiplying the result by the number of days from the beginning date of the enrollment period through the date of last attendance. The result of this calculation will equal the amount the individual is due. The difference between the accelerated payment and the amount the individual is due will be established as an overpayment.

## COURSE ASSESSMENT

### § 21.7170 Course measurement.

In administering benefits payable under 38 U.S.C. chapter 30, VA will apply the following sections:

(a) § 21.4270 (except paragraphs (a)(2) and (a)(3) and those portions of paragraph (c) and footnotes dealing with farm cooperative training)—Measurement of courses;

(b) § 21.4272—Collegiate course measurement;

### § 21.7172 Measurement of concurrent enrollments.

(a) *Conversion of units of measurement required.* Where a veteran enrolls concurrently in courses offered by two schools and the standards for the measurement of the courses pursued concurrently in the two schools are different, VA will measure the veteran's enrollment by converting the units of measurement for courses in the second school to their equivalent in units of measurement required for the courses in the program of education which the

## Department of Veterans Affairs

## § 21.7200

veteran is pursuing at the primary institution. This conversion will be accomplished as follows:

(1) If VA measures the courses at the primary institution on a credit-hour basis (including a course which does not lead to a standard college degree, which is being measured on a credit-hour basis), and VA measures the courses at the second school on a clock-hour basis, the clock hours will be converted to credit hours.

(2) If VA measures the courses pursued at the primary institution on a clock-hour basis, and VA measures the courses pursued at the second school on a credit-hour basis, VA will convert the credit hours to clock hours to determine the veteran's training time.

(Authority: 38 U.S.C. 3034, 3688)

(3) If VA measures the courses pursued at the primary institution on a clock-hour basis, and

(i) VA measures the courses pursued at the second school on a mixed basis, the courses pursued at the second school which VA can measure on credit-hour basis for at least one program at the second school will be converted to clock hours and the resulting clock hours added to determine the veteran's training time; or

(ii) VA measures the courses pursued at the second school on a credit-hour basis, VA will convert the credit hours to clock hours to determine the veteran's training time.

(Authority: 38 U.S.C. 3034, 3688)

(b) *Conversion of clock hours to credit hours.* If the provisions of paragraph (a) of this section require VA to convert clock hours to credit hours, it will do so by—

(1) Dividing the number of credit hours which VA considers to be full-time at the educational institution whose courses are measured on a credit-hour basis by the number of clock hours which are full-time at the educational institution whose courses are measured on a clock-hour basis; and

(2) Multiplying each clock hour of attendance by the decimal determined in paragraph (b)(1) of this section. VA will drop all fractional hours.

(Authority: 38 U.S.C. 3034, 3688)

(c) *Conversion of credit hours to clock hours.* If the provisions of paragraph (a) of this section require VA to convert credit hours to clock hours, it will do so by—

(1) Dividing the number of clock hours which VA considers to be full-time at the educational institution whose courses are measured on a clock-hour basis by the number of credit hours which are full-time at the educational institution whose courses are measured on a credit-hour basis; and

(2) Multiplying each credit hour by the number determined in paragraph (c)(1) of this section. VA will drop all fractional hours.

(Authority: 38 U.S.C. 3034, 3688)

(d) *Both courses measured on a credit hour basis or both courses measured on a clock hour basis.* If VA measures the courses pursued at both institutions on a credit hour basis or on a clock hour basis, VA will measure the veteran's enrollment by adding together the units of measurement for the courses at the second school and the units of measurement for the courses at the primary institution. The standard for full time will be the full-time standard for the courses at the primary institution.

### ELIGIBILITY

#### § 21.7540 Eligibility for educational assistance.

(a) *Basic eligibility requirements*. A reservist must meet the requirements for a secondary school diploma (or an equivalency certificate) before applying for educational assistance. VA will decide whether a reservist met those requirements before applying for educational assistance. If the reservist applies before completing the requirements, VA will disallow the application. A reservist’s premature application will not prevent the reservist from establishing eligibility at a later time by applying for educational assistance

again after having completed the academic requirements. The Armed Forces will decide whether a reservist has met all the other eligibility criteria needed in order to receive educational assistance pursuant to 10 U.S.C. chapter 1606. To be eligible a reservist:

(1) Shall:

(i) Enlist, reenlist, or extend an enlistment as a Reserve for service in the Selected Reserve so that the total period of obligated service is at least six years from the date of such enlistment, reenlistment, or extension; or

(ii) Be appointed as, or be serving as, a reserve officer and agree to serve in the Selected Reserve for a period of not less than six years in addition to any other period of obligated service in the Selected Reserve to which the person may be subject;

(2) Must complete his or her initial period of active duty for training;

(3) Must be participating satisfactorily in the Selected Reserve;

(4) Must not have elected to have his or her service in the Selected Reserve credited toward establishing eligibility to benefits provided under 38 U.S.C. chapter 30; and

(5) Must have met the requirements for a secondary school diploma (or an equivalency certificate) before applying for educational assistance.

(Authority: 10 U.S.C. 16132; 38 U.S.C. 3033(c))

(b) *Eligibility requirements for expanded benefits*. (1) A reservist shall be eligible to pursue all types of training described in subpart L of this part regardless of whether he or she has received a baccalaureate degree or equivalent evidence of completion of study if—

(i) After September 30, 1990, he or she takes one of the actions described in paragraph (a)(1)(i) or (a)(1)(ii) of this section;

(ii) The reservist meets the criteria of paragraphs (a)(2) through (a)(4) of this section; and

(iii) The reservist does not have his or her eligibility limited as described in paragraph (c) of this section.

(2) A reservist shall be eligible to pursue all types of training described in subpart L of this part except the training described in paragraph (b)(3) of this section if—

§ 21.7550

38 CFR Ch. I (7-1-25 Edition)

(i) After June 30, 1985, but not after September 30, 1990, he or she takes one of the actions described in paragraph (a)(1) or (a)(2) of this section;

(ii) The reservist has not received a baccalaureate degree or the equivalent evidence of completion of study;

(iii) The reservist meets all the other eligibility criteria of paragraph (a) of this section; and

(iv) The reservist does not have his or her eligibility limited by paragraph (c) of this section.

(3) The types of training which a reservist described in paragraph (b)(1) of this section may pursue, but which may not be pursued by a reservist described in paragraph (b)(2), are:

(i) A course which is offered by an educational institution which is not an institution of higher learning (to determine if a nursing course is offered by an institution of higher learning, see § 21.7622(f));

(ii) A correspondence course;

(iii) An accredited independent study course leading to a standard college degree. (See § 21.7622(f) concerning enrollment in a nonaccredited independent study course after October 28, 1992);

(iv) An accredited independent study course leading to a certificate that reflects educational attainment from an institution of higher learning. This provision applies to enrollment in an independent study course that begins on or after December 27, 2001. (See § 21.7622(f) concerning enrollment in a nonaccredited independent study course after October 28, 1992);

(v) A refresher, remedial or deficiency course;

(vi) A cooperative course;

(vii) An apprenticeship or other on-job training; and

(viii) A flight course.

(c) *Limitations on establishing eligibility.* (1) An individual must elect in writing whether he or she wishes service in the Selected Reserve to be credited towards establishing eligibility under 38 U.S.C. chapter 30 or under 10 U.S.C. chapter 1606 when:

(i) The individual is a reservist who is eligible for basic educational assist-

ance provided under 38 U.S.C. 3012, and has established eligibility to that assistance partially through service in the Selected Reserve; or

(ii) The individual is a member of the National Guard or Air National Guard who has established eligibility for basic educational assistance provided under 38 U.S.C. 3012 through activation under a provision of law other than 32 U.S.C. 316, 502, 503, 504, or 505 followed by service in the Selected Reserve.

(2) An election under this paragraph (c) to have Selected Reserve service credited towards eligibility for payment of educational assistance under 38 U.S.C. chapter 30 or under 10 U.S.C. chapter 1606 is irrevocable when the reservist either negotiates the first check or receives the first payment by electronic funds transfer of the educational assistance elected.

(3) If a reservist is eligible to receive educational assistance under both 38 U.S.C. chapter 30 and 10 U.S.C. chapter 1606, he or she may receive educational assistance alternately or consecutively under each of these chapters to the extent that the educational assistance is based on service not irrevocably credited to one or the other chapter as provided in paragraphs (c)(1) and (c)(2) of this section.

(Authority: 10 U.S.C. 16132; 38 U.S.C. 3033(c))

(d) *Dual eligibility.* An individual who has established eligibility for basic educational assistance under 38 U.S.C. chapter 30 solely through service on active duty may establish eligibility for educational assistance under 10 U.S.C. chapter 1606 by meeting the requirements of paragraph (a) of this section.

(Authority: 10 U.S.C. 16133)

(b) *Extension due to active duty orders.* If the reservist serves on active duty pursuant to an order to active duty issued under section 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10, U.S. Code, the period of this active duty plus four months shall not be considered in determining the time limit on eligibility found in paragraph (a) of this section.

(Authority: 10 U.S.C. 16133)

(c) *Completion of term of program.* (1) If a reservist is enrolled in an educational institution regularly operated on the quarter or semester system, and the reservist's period of eligibility as defined in paragraph (a) of this section would expire during a quarter or semester, the period of eligibility shall be extended to the end of the quarter or semester.

(i) The end of the course, or

(ii) 12 weeks from the date on which the reservist's eligibility otherwise would have expired.

(Authority: 10 U.S.C. 16133(b)(1); Pub. L. 98-525)

(d) *Discharge for disability.* In the case of a reservist separated from the Selected Reserve because of a disability which was not the result of the individual's own willful misconduct and which was incurred on or after the date on which the reservist became entitled to education assistance, the reservist's period of eligibility expires effective the last day of the—

(1) 10-year period beginning on the date the reservist becomes eligible for educational assistance if the reservist became eligible before October 1, 1992; or

of the Selected Reserve pursuant to 10 U.S.C. 10143(a).

### § 21.7551 Extended period of eligibility.

(a) *Period of eligibility may be extended.* VA shall grant an extension of a delimiting period determined by § 21.7550(a) of this part provided:

(1) The individual applies for an extension within the time period specified in § 21.1033(c) of subpart B.

(2) The individual was prevented from initiating or completing the chosen program of education within the otherwise applicable eligibility period, because of a physical or mental disability, which is not the result of the reservist's own willful misconduct, and which was incurred in or aggravated by service in the Selected Reserve. VA will not consider the disabling effects of chronic alcoholism to be the result of willful misconduct. (See § 21.7520(b)(29)). Evidence must establish that such a program of education was medically infeasible. VA will not

grant a reservist an extension for a period of disability which was 30 days or less unless the evidence establishes that the reservist was prevented from enrolling or reenrolling in the chosen program, or was forced to discontinue attendance, because of the short disability.

(Authority: 10 U.S.C. 16133(b)(2), 38 U.S.C. 105, 3031(d); Pub. L. 98–525, Pub. L. 100–689)(Nov. 18, 1988)

(b) *Commencing date.* The reservist shall elect the commencing date of an extended period of eligibility. The date chosen—

(1) Must be on or after the original date of expiration of eligibility as determined by § 21.7550(a) of this part, and

(2) Must either be—

(i) On or before the 90th day following the date on which the reservist's application for an extension was approved by VA if the reservist is training during the extended period of eligibility in a course not organized on a term, quarter or semester basis, or

(ii) On or before the first day of a term, quarter or semester within an ordinary school year following the 90th day after the reservist's application for an extension was approved in VA, if the reservist is training during the extended period of eligibility in a course organized on a term, quarter or semester basis.

(c) *Length of extended period of eligibility.* A reservist's extended period of eligibility shall be for the length of time that the reservist was prevented from initiating or completing his or her chosen program of education, except that it must end when the reservist is separated from the Selected Reserve. VA shall determine the length of time the reservist was prevented from initiating or completing his or her chosen program of education as follows:

(1) If the reservist is in training in a course organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the reservist's original eligibility period that his

or her training became medically infeasible to the earliest of the following dates:

(i) The commencing date of the ordinary term, quarter or semester following the day the reservist's training became medically infeasible,

(ii) The last date of the reservist's delimiting date as determined by § 21.7550(a) of this part, or

(iii) The date the reservist resumed training.

(2) If the reservist is training in a course not organized on a term, quarter or semester basis, his or her extended period of eligibility shall contain the same number of days as the number of days from the date during the reservist's original delimiting period that his or her training became medically infeasible to the earlier of the following dates:

(i) The date the reservist's training became medically feasible, or

(ii) The reservist's delimiting date as determined by § 21.7550(a)(1) of this part.

### ENTITLEMENT

#### § 21.7570 Entitlement.

Except as provided in § 21.7576(e) each reservist is entitled to a maximum of 36 months of educational assistance (or its equivalent in part-time educational assistance) under this program, but is also subject to the provisions of § 21.4020 (a) and (b).

(Authority: 10 U.S.C. 16131(c); Pub. L. 98-525, Pub. L. 102-127) (Oct. 10, 1991)

[58 FR 51783, Oct. 5, 1993]

#### § 21.7576 Entitlement charges.

(a) *Overview.* VA will make charges against entitlement as stated in this section. Charges are based upon the principle that a reservist who trains full time for one day should be charged one day of entitlement, except for those pursuing:

- (1) Flight training;
- (2) Correspondence training;
- (3) Cooperative training; or

(4) Apprenticeship or other on-job training.

(Authority: 10 U.S.C. 2131(c); sec. 705(a)(1), Pub. L. 98-525, 98 Stat. 2565; sec. 642(a), (b), (d), Pub. L. 101-189, 103 Stat. 1456-1458)

(b) *Determining entitlement charge.* This paragraph states how VA will generally determine the charge against the entitlement of a reservist who is receiving educational assistance. However, when the circumstances described in paragraph (e) of this section apply to a reservist, VA will use that paragraph to determine an entitlement charge instead of this paragraph.

(1) Except for those pursuing flight training, correspondence training, cooperative training, apprenticeship or other on-job training, VA will make a charge against entitlement—

(i) On the basis of total elapsed time (one day for each day of pursuit for which the reservist is paid educational assistance) if the reservist is pursuing the program of education on a full-time basis; or

(ii) On the basis of a proportionate rate of elapsed time, if the reservist is pursuing the program of education on a three-quarter, one-half, or one-quarter-time basis.

(2) VA will compute elapsed time from the commencing date of the award of educational assistance to the date of discontinuance. If the reservist changes his or her training time after the commencing date of the award, VA will—

(i) Divide the enrollment period into separate periods of time during which the reservist's training time remains constant; and

(ii) Compute the elapsed time separately for each time period.

(3) For each month that a reservist is paid a monthly educational assistance allowance while undergoing apprenticeship or other on-job training, VA will make a charge against entitlement of—

(i) .75 of a month in the case of payments made during the first six months of the reservist's pursuit of the program of apprenticeship or other on-job training;

(ii) .55 of a month in the case of payments made during the second six months of the reservist's pursuit of the

§ 21.7576

38 CFR Ch. I (7-1-25 Edition)

program of apprenticeship or other on-job training; and

(iii) .35 of a month in the case of payments made following the first twelve months of the reservist's pursuit of the program of apprenticeship or other on-job training.

(4) When a reservist is pursuing a program of education by correspondence, VA will make a charge against entitlement for each payment made to him or her. The charge will be made in months and decimal fractions of a month, as determined by dividing the amount of the payment by an amount equal to the rate stated in §21.7636(a)(1) as the rate otherwise applicable to the reservist for full-time training.

(5) When a reservist is pursuing a program of education partly in residence and partly by correspondence, VA will make a charge against entitlement—

(i) For the residence portion of the program as provided in paragraphs (b)(1) and (b)(2) of this section; and

(ii) For the correspondence portion of the program as provided in paragraph (b)(4) of this section.

(6) When a reservist is pursuing a program of education through cooperative training, VA will make a charge against entitlement of .8 of a month for each month in which the reservist is receiving payment at the rate for cooperative training. If the reservist is pursuing cooperative training for a portion of a month, VA will make a charge against entitlement on the basis of total elapsed time (.8 of a day for each day of pursuit).

(Authority: 10 U.S.C. 2131(c), (d); sec. 705(a)(1), Pub. L. 98-525, 98 Stat. 2565; sec. 642(b), (d), Pub. L. 101-189, 103 Stat. 1456-1458)

(7) When a reservist is pursuing a program of education through flight training, VA will make a charge against entitlement at the rate of one month for each amount equal to the monthly rate stated in §21.7636(a)(1) as applicable for the month in which the training occurred.

(Authority: 10 U.S.C. 16136(c))

(c) *Overpayment cases.* VA will make a charge against entitlement for an overpayment only if the overpayment is discharged in bankruptcy; is waived

and is not recovered; or is compromised.

(1) If the overpayment is discharged in bankruptcy or is waived and is not recovered, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(2) If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(3) If the overpayment is compromised and the compromise offer is equal to or greater than the amount of interest administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by—

(i) Subtracting from the sum paid in the compromise offer the amount attributable to interest, administrative costs of collection, court costs and marshal fees,

(ii) Subtracting the remaining amount of the overpayment balance determined in paragraph (c)(3)(i) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees),

(iii) Dividing the result obtained in paragraph (c)(3)(i) of this section by the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees), and

(iv) Multiplying the percentage obtained in paragraph (c)(3)(iii) of this section by the amount of the entitlement otherwise chargeable for the period of the original overpayment.

(Authority: 10 U.S.C. 16133(c); Pub. L. 98-525)

(d) *Interruption to conserve entitlement.* A reservist may not interrupt a certified period of enrollment for the purpose of conserving entitlement. An institution of higher learning may not certify a period of enrollment for a fractional part of the normal term,

## Department of Veterans Affairs

## § 21.7600

quarter or semester if the reservist is enrolled for the entire term, quarter or semester. VA will make a charge for the entire period of certified enrollment, if the reservist is otherwise eligible for educational assistance, except when educational assistance is interrupted under any of the following conditions:

(1) Enrollment is terminated;

(2) The reservist cancels his or her enrollment, and does not negotiate an educational assistance check for any part of the certified period of enrollment;

(3) The reservist interrupts his or her enrollment at the end of any term, quarter or semester within the certified period of enrollment, and does not negotiate a check for educational assistance for the succeeding term, quarter or semester; and

(4) The reservist requests interruption or cancellation for any break when an institution of higher learning was closed during a certified period of enrollment, and VA continued payments under an established policy based upon an Executive Order of the President or an emergency situation. In such a case entitlement will be restored unless the reservist negotiated a check for educational assistance for the certified period and does not repay the amount received.

(Authority: 10 U.S.C. 16133(c); Pub. L. 98-525)

(e) *No entitlement charge for some reservists.* When the criteria described in this paragraph are met, there is an exception to the charges against entitlement described in paragraph (b) of this section.

(1) VA will make no charge against a reservist's entitlement when the reservist—

(i) While not serving on active duty, had to discontinue pursuit of a course or courses as a result of being ordered to serve on active duty under sections 12301(a),(d),(g), 12302, or 12304 of title 10, U. S. Code; and

(ii) Failed to receive credit or lost training time toward completion of the reservist's approved educational, professional or vocational objective as a result of having to discontinue his or her course pursuit.

(2) The period for which receipt of educational assistance allowance is not charged against a reservist's entitlement shall not exceed the portion of the period of enrollment in the course or courses for which the reservist failed to receive credit or with respect to which the reservist lost training time.

### COUNSELING

#### § 21.7600 Counseling.

A reservist may receive counseling from VA before beginning training and during training.

(a) *Purpose.* The purpose of counseling is—

(1) To assist in selecting an objective;

(2) To develop a suitable program of education;

(3) To select an institution of higher learning appropriate for the educational or training objective;

(4) To resolve any personal problems which are likely to interfere with the successful pursuit of a program; and

(5) To select an employment objective for the reservist that would be likely to provide the reservist with satisfactory employment opportunities in light of his or personal circumstances.

(Authority: 38 U.S.C. 16136(b), 3233; Pub. L. 98-525)

(b) *Required counseling.* (1) In any case in which the Department of Veterans Affairs has rated the reservist as being incompetent, the reservist must be counseled before selecting a program of education. The requirement that counseling be provided is met when—

(i) The reservist has had one or more personal interviews with the counselor;

(ii) The counselor and the reservist have jointly developed recommendations for selecting a program of education; and

(iii) The counselor has reviewed the recommendations with the reservist.

(2) The veteran may follow the recommendations developed in the course of counseling, but is not required to do so.

## § 21.7603

(3) The Department of Veterans Affairs will take no further action on a reservist's application for assistance under this chapter when he or she—

- (i) Fails to report for counseling;
- (ii) Fails to cooperate in the counseling process; or
- (iii) Does not complete counseling to the extent required under paragraph (b)(1) of this section.

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3967(a); Pub. L. 98-525, Pub. L. 99-576)

(c) *Availability of counseling.* Counseling is available for

(1) Identifying and removing reasons for academic difficulties which may result in interruption of discontinuance of training, or

(2) Considering changes in career plans and making sound decisions about the changes.

VA will not pay benefits to a reservist for pursuit of a course from which the reservist withdraws or receives a nonpunitive grade which is not used in computing requirements for graduation unless the provisions of this paragraph are met.

(i) The reservist withdraws because he or she is ordered to active duty; or  
(ii) Both of the following exist.

(A) There are mitigating circumstances, and

(B) The reservist submits a description of the circumstances in writing to VA either within one year from the date VA notifies the reservist that he or she must submit the mitigating circumstances, or at a later date if the reservist is able to show good cause why the one-year time limit should be extended to the date on which he or she submitted the description of the mitigating circumstances.

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3471, 3680(a), 5101, 5113; Pub. L. 102-127) (Aug. 1, 1990))

(2) If VA considers that mitigating circumstances exist because the reservist withdrew during a drop-add period or because the withdrawal constitutes the first withdrawal of no more than six credits after May 31, 1989, the re-

servist is not subject to the reporting requirement found in paragraph (b)(1)(ii)(B) of this section.

(Authority: 10 U.S.C. 16130(b), 38 U.S.C. 3680(a)) (June 1, 1989)

(B) For which a Federal program (other than one administered by VA) or a State or local program pays all the charges for tuition and fees, but for which the reservist must pay for books, supplies and equipment.

(2) The monthly rate of educational assistance payable to such a reservist is the lesser of the following:

(i) The monthly rate of the portion of tuition and fees that are not paid by a Federal program (other than one administered by VA) or a State or local program plus the monthly rate of any charges to the reservist for the cost of necessary supplies, books and equipment, or

(3) In determining the monthly rate stated in paragraph (c)(2)(i) of this paragraph, VA will—

(i) Add the portion of tuition and fees that are not paid by a Federal program (other than one administered by VA) for the reservist's enrollment period to the total cost to the reservist for the cost of necessary supplies, books and equipment, and

(ii) Divide the figure obtained in paragraph (c)(3)(i) of this paragraph by the number of months and fractions of a month in the reservist's enrollment period.

(ii) Sixty days from the last day of the enrollment period during which the reservist earned the grades that caused him or her to meet the unsatisfactory progress standards.

(2) If the unsatisfactory progress of the reservist is caused solely by any factors other than the grades which he or she receives, the educational institution shall report the unsatisfactory progress in time for VA to receive it within 30 days of the date on which the progress of the reservist becomes unsatisfactory.

(3) The educational institution shall report the unsatisfactory conduct or attendance of the reservist to VA in time for VA to receive it within 30 days of the date on which the conduct or attendance of the reservist becomes unsatisfactory.

[53 FR 34740, Sept. 8, 1988, as amended at 56 FR 9629, Mar. 7, 1991; 57 FR 57107, Dec. 3, 1992; 61 FR 29308, June 10, 1996; 62 FR 55762, Oct. 28, 1997]

### **§21.7672 Measurement of courses not leading to a standard college degree.**

(a) *Overview.* (1) Courses not leading to a standard college degree may be measured on either a clock-hour basis, or a credit-hour basis or a combination of both. Factors which the Department of Veterans Affairs must include in determining the proper basis for measurement include whether the courses are accredited; whether the course could be credited toward a standard college degree; and whether the course is offered on a standard quarter or semester-hour basis.

(2) In determining which is the correct basis for measuring a reservist's enrollment, VA will first examine whether credit-hour measurement is appropriate, as provided in paragraph (b) of this section.

(3) If it is not appropriate to measure a reservist's enrollment on a credit-hour basis, VA will measure the enrollment on a clock-hour basis as described in paragraph (c) of this section.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688(b))

(b) *Credit-hour measurement—standard method.* (1) When all the conditions of paragraph (b)(1) of this section are met, the Department of Veterans Affairs will—

(i) Measure the reservist's enrollment in the same manner as collegiate undergraduate courses are measured in §21.7670 (a), (b), and (c).

(ii) Apply the provisions of §21.4272(g) if one or more of the reservist's courses are offered during a nonstandard term.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688)

(2) For new enrollments beginning on or after July 1, 1993, when a course is offered by an institution of higher learning in residence on a standard

quarter- or semester-hour basis, VA will measure a reservist's enrollment in a course not leading to a standard college degree on the same credit-hour basis as courses leading to a standard undergraduate degree, as provided in §21.7670.

(3) For new enrollments beginning on or after July 1, 1993, when a course is offered in residence on a standard quarter- or semester-hour basis by an educational institution which is not an institution of higher learning, VA also will measure on a credit-hour basis as provided in §21.7670 a reservist's enrollment in a course not leading to a standard college degree, provided that the educational institution requires at least the same number of clock-hours of attendance as required in paragraph (c) of this section. If the educational institution does not require at least the same number of clock-hours of attendance as required in paragraph (c) of this section, VA will not apply the provisions of §21.7670, but will measure the course according to paragraph (c) of this section.

(4) VA will apply the provisions of §21.4272(g) to new enrollments beginning on or after July 1, 1993, if one or more of the reservist's courses are offered during a nonstandard term.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688(a)(7))

(c) *Clock-hour measurement.* The provisions of this paragraph apply to all enrollments in courses not leading to a standard college degree. If VA concludes that the courses in which a reservist is enrolled do not qualify for credit-hour measurement, VA shall measure those courses as follows. (Supervised study shall be excluded from measurement of all courses to which this paragraph applies).

(1) If shop practice is an integral part of the course—

(i) Full-time training shall be 22 clock hours attendance with not more than 2½ hours rest period allowance;

(ii) Three-quarter-time training shall be 16 through 21 clock hours attendance with not more than 2 hours rest period allowance;

(iii) Half-time training shall be 11 through 15 clock hours attendance with

**§ 21.7673**

**38 CFR Ch. I (7-1-25 Edition)**

not more than 1¼ hours rest period allowance; and

(iv) One-quarter-time training shall be 1 through 10 clock hours attendance. For attendance of 6 through 10 clock hours, there shall be not more than one quarter hour rest period allowance. For attendance of 1 through 5 clock hours, there shall be no rest period allowance.

(2) If theory and class instruction predominates—

(i) Full-time training is 18 clock hours net instruction;

(ii) Three-quarter-time training is 13 through 17 clock hours net instruction;

(iii) Half-time training is 9 through 12 clock hours net instruction; and

(iv) Less than half-time training is 1 through 8 clock hours net instruction. In measuring net instruction for this paragraph there will be included customary intervals not to exceed 10 minutes between classes: however, supervised study must be excluded.

**§ 21.7673 Measurement of concurrent enrollments.**

(a) *Conversion of units of measurement required.* Where a reservist enrolls concurrently in courses offered by two schools and the standards for measurement of the courses pursued concurrently in the two schools are different, the Department of Veterans Affairs will measure the reservist's enrollment by converting the units of measurement for courses in the second school to their equivalent in units of measurement required for the courses in the program of education which the reservist is pursuing at the primary institution. This conversion will be accomplished as follows:

(1) If VA measures the course at the primary institution on a credit-hour basis (including a course which does not lead to a standard college degree, which is being measured on a credit-hour basis as provided in § 21.7672(b)), and VA measures the courses at the second school on a clock-hour basis, the clock hours will be converted to credit hours.

(2) If VA measures the courses pursued at the primary institution on a clock-hour basis, and VA measures the courses pursued at the second school on a credit-hour basis, including courses which qualify for credit-hour measurement on the basis of § 21.7672(b), VA will convert the credit hours to clock hours to determine the reservist's training time.

(Authority: 10 U.S.C. 16136(b); 38 U.S.C. 3688)

(b) *Conversion of clock hours to credit hours.* If the provisions of paragraph (a) of this section require the Department of Veterans Affairs to convert clock hours, it will do so by—

(1) Dividing the number of credit hours which the Department of Veterans Affairs considers to be full-time at the educational institution whose courses are measured on a credit-hour basis by the number of clock hours which are full-time at the educational institution whose courses are measured on a clock-hour basis; and

(2) Multiplying each clock hour of attendance by the decimal determined in paragraph (b)(1) of this section. The Department of Veterans Affairs will drop all fractional hours.

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3688)

(c) *Conversion of credit hours to clock hours.* If the provisions of paragraph (a) of this section require the Department of Veterans Affairs to convert credit hours to clock hours, it will do so by—

(1) Dividing the number of clock hours which the Department of Veterans Affairs considers to be full-time at the educational institution whose courses are measured on a clock-hour basis by the number of credit hours which are full-time at the educational institution whose courses are measured on a credit-hour basis; and

(2) Multiplying each credit hour by the number determined in paragraph (b)(1) of this section. The Department of Veterans Affairs will drop all fractional hours.

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3688)

(d) *Standards for measurement the same.* If VA measures the courses pursued at both institutions on either a clock-hour basis or a credit-hour basis,

## Department of Veterans Affairs

## § 21.7720

VA will measure the reservist's enrollment by adding together the units of measurement for the courses in the second school and the units of measurement for courses in the primary institution. The standard for full time will be the full-time standard for the courses at the primary institution.

### § 21.7674 Measurement of practical training courses.

(a) *Nursing courses.* (1) Courses for the objective of registered nurse or registered professional nurse will be measured on the basis of credit hours or clock hours of attendance, whichever is appropriate. The clock hours of attendance may include academic class time, clinical training, and supervised study periods.

(2) Courses offered by institutions of higher learning which lead to the objective of practical nurse, practical trained nurse, or licensed practical nurse will be measured on credit hours or clock hours of attendance per week whichever is appropriate.

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3688; Pub. L. 98-525)

(b) *Medical and dental assistants courses for VA.* Programs approved in accordance with the provisions of § 21.7720(b)(9) will be measured on a clock-hour basis as provided in § 21.7672. However, the program will be regarded as full-time institutional training, provided the combined total of the classroom and other formal instruction portion of the program and the on-the-job portion of the program requires 30 or more clock hours of attendance per week.

(Authority: 10 U.S.C. 16136(b), 38 U.S.C. 3688; Pub. L. 98-525)

(c) *Other practical training courses.* These courses will be measured in semester hours of credit or clock hours of

attendance per week, whichever is appropriate.

GENERAL

**§ 21.8010 Definitions and abbreviations.**

(a) *Program-specific definitions and abbreviations.* For the purposes of this subpart:

*Covered birth defect* means the same as defined at § 3.815(c)(3) of this title.

*Eligible child* means, as appropriate, either an *individual* as defined at § 3.814(c)(3) of this title who suffers from spina bifida, or an *individual* as defined at § 3.815(c)(2) of this title who has a covered birth defect other than a birth defect described in § 3.815(a)(2).

*Employment assistance* means employment counseling, placement and post-placement services, and personal and work adjustment training.

*Institution of higher education* has the same meaning that § 21.4200 provides for the term *institution of higher learning*.

*Program of employment services* means the services an eligible child may receive if the child’s entire program consists only of employment assistance.

*Program participant* means an eligible child who, following an evaluation in which VA finds the child’s achievement of a vocational goal is reasonably feasible, elects to participate in a vocational training program under this subpart.

*Spina bifida* means the same as defined at § 3.814(c)(4) of this title.

*Veteran with covered service in Korea* means a veteran defined at § 3.814(c)(2) of this title.

higher education only if the program is predominantly vocational in content.

*VR&E* refers to the Veteran Readiness and Employment activity (usually a division) in a Veterans Benefits Administration regional office, the staff members of that activity in the regional office or in outbased locations, and the services that activity provides.

**§ 21.8012 Vocational training program for certain children of Vietnam veterans and veterans with covered service in Korea—spina bifida and covered birth defects.**

VA will provide an evaluation to an eligible child to determine the child’s potential for achieving a vocational goal. (a) *Filing an application.* To participate in a vocational training program, the child of a Vietnam veteran or veteran with covered service in Korea (or the child’s parent or guardian, an authorized representative, or a Member of

Congress acting on behalf of the child) must file an application. An application is a request for an evaluation of the feasibility of the child's achievement of a vocational goal and, if a CP or VRC determines that achievement of a vocational goal is feasible, for participation in a vocational training program. The application may be in any form, but it must:

- (1) Be in writing over the signature of the applicant or the person applying on the child's behalf;
- (2) Provide the child's full name, address, and VA claim number, if any, and the parent Vietnam veteran or veteran with covered service in Korea's full name and Social Security number or VA claim number, if any; and
- (3) Clearly identify the benefit sought.

(Authority: 38 U.S.C. 1804(a), 1821, 1832, 5101)

(b) *Time for filing.* For a child claiming eligibility based on having spina bifida, an application under this subpart may be filed at any time after September 30, 1997. For a child claiming eligibility based on a covered birth defect, an application under this subpart may be filed at any time after November 30, 2001. (The Office of Management and Budget has approved the information collection requirements in this section under control number 2900-0579)

**§ 21.8016 Nonduplication of benefits.**

(a) *Election of benefits—chapter 35.* An eligible child may not receive benefits concurrently under 38 U.S.C. chapter 35 and under this subpart. If the child is eligible for both benefits, he or she

must elect in writing which benefit to receive.

(Authority: 38 U.S.C. 1804(e)(1), 1814, 1834)

(b) *Reelections of benefits—chapter 35.* An eligible child receiving benefits under this subpart or under 38 U.S.C. chapter 35 may change his or her election at any time. A reelection between benefits under this subpart and under 38 U.S.C. chapter 35 must be prospective, however, and may not result in an eligible child receiving benefits under both programs for the same period of training.

(Authority: 38 U.S.C. 1804(e)(1), 1814, 1834)

(c) *Length of benefits under multiple programs—chapter 35.* The aggregate period for which an eligible child may receive assistance under this subpart and under 38 U.S.C. chapter 35 together may not exceed 48 months of full-time training or the part-time equivalent.

(Authority: 38 U.S.C. 1804(e)(2), 1814)

(d) *Nonduplication of benefits under 38 U.S.C. 1804 and 1814.* An eligible child may only be provided one program of vocational training under this subpart.

(Authority: 38 U.S.C. 1804, 1814, 1834)

BASIC ENTITLEMENT REQUIREMENTS

**§ 21.8020 Entitlement to vocational training and employment assistance.**

(a) *Basic entitlement requirements.* Under this subpart, for an eligible child to receive vocational training, employment assistance, and related rehabilitation services and assistance to achieve a vocational goal (to include employment), the following requirements must be met:

(1) A CP or VRC must determine that achievement of a vocational goal by the child is reasonably feasible; and

(2) The child and VR&E staff members must work together to develop and then agree to an individualized written plan of vocational rehabilitation identifying the vocational goal and the means to achieve this goal.

(Authority: 38 U.S.C. 1804(b), 1814)

**§ 21.8022**

**38 CFR Ch. I (7–1–25 Edition)**

(b) *Services and assistance.* An eligible child may receive the services and assistance described in § 21.8050(a).

(1) The following sections in subpart A of this part apply to the provision of these services and assistance in a manner comparable to their application for a veteran under the 38 U.S.C. chapter 31 program:

- (i) Section 21.250(a) and (b)(2);
- (ii) Section 21.252;
- (iii) Section 21.254;
- (iv) Section 21.256 (not including paragraph (e)(2));
- (v) Section 21.257; and
- (vi) Section 21.258.

(2) For purposes of this subpart, the requirements for application of § 21.257(e)(1) and (2) are deemed met for an individual in a self-employment program regardless of whether the individual is described in § 21.257(b), if the individual has been determined by VA to have limitations affecting employability arising from the effects of the individual's spina bifida and/or other covered birth defect(s) which are so severe as to necessitate selection of self-employment as the only reasonably feasible vocational goal for the individual.

(Authority: 38 U.S.C. 1804, 1814)

(c) *Requirements to receive employment services and assistance.* VA will provide employment services and assistance under paragraph (b) of this section only if the eligible child:

- (1) Has achieved a vocational objective;
- (2) Has voluntarily ceased vocational training under this subpart, but the case manager finds the child has attained sufficient skills to be employable; or

(3) VA determines during evaluation that the child already has the skills necessary for suitable employment and does not need additional training, but to secure suitable employment the child does need the employment assistance that paragraph (b) of this section describes.

(Authority: 38 U.S.C. 1804, 1814)

(d) *Additional employment services and assistance.* If an eligible child has received employment assistance and becomes suitably employed, but VA later

finds the child needs additional employment services and assistance, VA may provide the child with these services and assistance if, and to the extent, the child has remaining program entitlement.

(Authority: 38 U.S.C. 1804, 1814)

(e) *Program entitlement usage—(1) Basic entitlement period.* An eligible child will be entitled to receive 24 months of full-time training, services, and assistance (including employment assistance) or the part-time equivalent, as part of a vocational training program.

(2) *Extension of basic entitlement period.* VA may extend the basic 24-month entitlement period, not to exceed another 24 months of full-time program participation, or the part-time equivalent, if VA determines that:

- (i) The extension is necessary for the child to achieve a vocational goal identified before the end of the basic 24-month entitlement period; and
- (ii) The child can achieve the vocational goal within the extended period.

(3) *Principles for charging entitlement.* VA will charge entitlement usage for training, services, or assistance (but not the initial evaluation, as described in § 21.8032) furnished to an eligible child under this subpart on the same basis as VA would charge for similar training, services, or assistance furnished a veteran in a vocational rehabilitation program under 38 U.S.C. chapter 31. VA may charge entitlement at a half-time, three-quarter-time, or full-time rate based upon the child's training time using the rate-of-pursuit criteria in § 21.8310. The provisions concerning reduced work tolerance under § 21.312, and those relating to less-than-half-time training under § 21.314, do not apply under this subpart.

(Authority: 38 U.S.C. 1804, 1814)

[67 FR 72565, Dec. 6, 2002, as amended at 75 FR 3170, Jan. 20, 2010]

**§ 21.8022 Entry and reentry.**

(a) *Date of program entry.* VA may not enter a child into a vocational training program or provide an evaluation or any training, services, or assistance under this subpart before the date VA

## Department of Veterans Affairs

## § 21.8050

first receives an application for a vocational training program filed in accordance with § 21.8014.

(Authority: 38 U.S.C. 1151 note, 1804, 1811, 1811 note, 1812, 1814)

(b) *Reentry.* If an eligible child interrupts or ends pursuit of a vocational training program and VA subsequently allows the child to reenter the program, the date of reentrance will accord with the facts, but may not precede the date VA receives an application for the reentrance.

(Authority: 38 U.S.C. 1804, 1814, 1832)

### EVALUATION

#### § 21.8030 Requirement for evaluation of child.

(a) *Children to be evaluated.* The VR&E Division will evaluate each child who:

(1) Applies for a vocational training program; and

(2) Has been determined to be an eligible child as defined in § 21.8010.

(Authority: 38 U.S.C. 1804(a), 1814)

(b) *Purpose of evaluation.* The evaluation has two purposes:

(1) To ascertain whether achievement of a vocational goal by the child is reasonably feasible; and

(2) If a vocational goal is reasonably feasible, to develop an individualized plan of integrated training, services, and assistance that the child needs to prepare for and participate in vocational training or employment.

(Authority: 38 U.S.C. 1804, 1814)

#### § 21.8032 Evaluations.

(a) *Scope and nature of evaluation.* The scope and nature of the evaluation under this program will be comparable to an evaluation of the reasonable feasibility of achieving a vocational goal for a veteran under 38 U.S.C. chapter 31 and §§ 21.50(b)(3) and 21.53(b) and (d).

(Authority: 38 U.S.C. 1804(a), 1814)

(b) *Specific services to determine the reasonable feasibility of achieving a vocational goal.* As a part of the evaluation of reasonable feasibility of achieving a vocational goal, VA may provide the

following specific services, as appropriate:

(1) Assessment of feasibility by a CP or VRC;

(2) Review of feasibility assessment and of need for special services by the Vocational Rehabilitation Panel;

(3) Provision of medical, testing, and other diagnostic services to ascertain the child's capacity for training and employment; and

(4) Evaluation of employability by professional staff of an educational or rehabilitation facility, for a period not to exceed 30 days.

(Authority: 38 U.S.C. 1804(a), 1814)

(c) *Responsibility for evaluation.* A CP or VRC will make all determinations as to the reasonable feasibility of achieving a vocational goal.

(Authority: 38 U.S.C. 1804(a), (b), 1814)

### SERVICES AND ASSISTANCE TO PROGRAM PARTICIPANTS

#### § 21.8050 Scope of training, services, and assistance.

(a) *Allowable training, services, and assistance.* VA may provide to vocational training program participants:

(1) Vocationally oriented training, services, and assistance, to include:

(i) Training in an institution of higher education if the program is predominantly vocational; and

(ii) Tuition, fees, books, equipment, supplies, and handling charges.

(2) Employment assistance including:

(i) Vocational, psychological, employment, and personal adjustment counseling;

(ii) Services to place the individual in suitable employment and post-placement services necessary to ensure satisfactory adjustment in employment; and

(iii) Personal adjustment and work adjustment training.

(3) Vocationally oriented independent living services only to the extent that the services are indispensable to the achievement of the vocational goal and do not constitute a significant portion of the services to be provided.

**§ 21.8070**

**38 CFR Ch. I (7-1-25 Edition)**

(4) Other vocationally oriented services and assistance of the kind VA provides veterans under the 38 U.S.C. chapter 31 program, except as paragraph (c) of this section provides, that VA determines the program participant needs to prepare for and take part in vocational training or in employment.

(Authority: 38 U.S.C. 1804(c), 1814)

(b) *Vocational training program.* VA will provide either directly or by contract, agreement, or arrangement with another entity, and at no cost to the beneficiary, the vocationally oriented training, other services, and assistance that VA approves for the individual child's program under this subpart. Authorization and payment for approved services will be made in a comparable manner to that VA provides for veterans under the 38 U.S.C. chapter 31 program.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) *Prohibited services and assistance.* VA may not provide to a vocational training program participant any:

- (1) Loan;
- (2) Subsistence allowance;
- (3) Automobile adaptive equipment;
- (4) Training at an institution of higher education in a program of education that is not predominantly vocational in content;
- (5) Employment adjustment allowance;
- (6) Room and board (other than for a period of 30 days or less in a special rehabilitation facility either for purposes of an extended evaluation or to improve and enhance vocational potential);
- (7) Independent living services, except those that are incidental to the pursuit of the vocational training program.

(Authority: 38 U.S.C. 1804(c), 1814)

**DURATION OF VOCATIONAL TRAINING**

**§ 21.8070 Basic duration of a vocational training program.**

(a) *Basic duration of a vocational training program.* The duration of a vocational training program, as paragraphs (e)(1) and (e)(2) of § 21.8020 provide, may not exceed 24 months of full-time train-

ing, services, and assistance or the part-time equivalent, except as § 21.8072 allows.

(Authority: 38 U.S.C. 1804(d), 1814)

(b) *Responsibility for estimating the duration of a vocational training program.* While preparing the individualized written plan of vocational rehabilitation, the CP or VRC will estimate the time the child needs to complete a vocational training program.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) *Duration and scope of training must meet general requirements for entry into the selected occupation.* The child will receive training, services, and assistance, as § 21.8120 describes, for a period that VA determines the child needs to reach the level employers generally recognize as necessary for entry into employment in a suitable occupational objective.

(Authority: 38 U.S.C. 1804(c), 1814)

(d) *Approval of training beyond the entry level.* To qualify for employment in a particular occupation, the child may need training that exceeds the amount a person generally needs for employment in that occupation. VA will provide the necessary additional training under one or more of the following conditions:

- (1) Training requirements for employment in the child's vocational goal in the area where the child lives or will seek employment exceed those job seekers generally need for that type of employment;
- (2) The child is preparing for a type of employment in which he or she will be at a definite disadvantage in competing with nondisabled persons and the additional training will offset the competitive disadvantage;
- (3) The choice of a feasible occupation is limited, and additional training will enhance the child's employability in one of the feasible occupations; or
- (4) The number of employment opportunities within a feasible occupation is restricted.

(Authority: 38 U.S.C. 1804(c), 1814)

(e) *Estimating the duration of the training period.* In estimating the length of the training period the eligible child

## Department of Veterans Affairs

## § 21.8074

needs, the CP or VRC must determine that:

(1) The proposed vocational training would not normally require a person without a disability more than 24 months of full-time pursuit, or the part-time equivalent, for successful completion; and

(2) The program of training and other services the child needs, based upon VA's evaluation, will not exceed 24 months or the part-time equivalent. In calculating the proposed program's length, the CP or VRC will follow the procedures in § 21.8074(a).

(Authority: 38 U.S.C. 1804(d), 1814)

(f) *Required selection of an appropriate vocational goal.* If the total period the child would require for completion of an initial vocational training program in paragraph (e) of this section is more than 24 months, or the part-time equivalent, the CP or VRC must work with the child to select another suitable initial vocational goal.

(Authority: 38 U.S.C. 1804(d)(2), 1814)

### **§ 21.8072 Authorizing training, services, and assistance beyond the initial individualized written plan of vocational rehabilitation.**

(a) *Extension of the duration of a vocational training program.* VA may authorize an extension of a vocational training program when necessary to provide additional training, services, and assistance to enable the child to achieve the vocational or employment goal identified before the end of the child's basic entitlement period, as stated in the individualized written plan of vocational rehabilitation under § 21.8080. A change from one occupational objective to another in the same field or occupational family meets the criterion for prior identification in the individualized written plan of vocational rehabilitation.

(Authority: 38 U.S.C. 1804(d)(2), (e)(2), 1814)

(b) *Extensions for prior participants in the program.* (1) Except as paragraph (b)(2) of this section provides, VA may authorize additional training, limited to the use of remaining program entitlement including any allowable extension, for an eligible child who previously participated in vocational

training under this subpart. The additional training must:

(i) Be designed to enable the child to complete the prior vocational goal or a different vocational goal; and

(ii) Meet the same provisions as apply to training for new participants.

(2) An eligible child who has previously achieved a vocational goal in a vocational training program under this subpart may not receive additional training under paragraph (b)(1) of this section unless a CP or VRC sets aside the child's achievement of that vocational goal under § 21.8284.

(Authority: 38 U.S.C. 1804(b) through (e), 1814)

(c) *Responsibility for authorizing a program extension.* A CP or VRC may approve extensions of the vocational training program the child is pursuing up to the maximum program limit of 48 months if the CP or VRC determines that the child needs the additional time to successfully complete training and obtain employment, and the following conditions are met:

(1) The child has completed more than half of the planned training; and

(2) The child is making satisfactory progress.

(Authority: 38 U.S.C. 1804(d)(2), 1814)

### **§ 21.8074 Computing the period for vocational training program participation.**

(a) *Computing the participation period.* To compute the number of months and days of an eligible child's participation in a vocational training program:

(1) Count the number of actual months and days of the child's:

(i) Pursuit of vocational education or training;

(ii) Receipt of extended evaluation-type services and training, or services and training to enable the child to prepare for vocational training or employment, if a veteran in a 38 U.S.C. chapter 31 program would have received a subsistence allowance while receiving the same type of services and training; and

(iii) Receipt of employment and post-employment services (any period of employment or post-employment services is considered full-time program pursuit).

**§ 21.8080**

- (2) Do not count:
  - (i) The initial evaluation period;
  - (ii) Any period before the child enters a vocational training program under this subpart;
  - (iii) Days of authorized leave; and
  - (iv) Other periods during which the child does not pursue training, such as periods between terms.
- (3) Convert part-time training periods to full-time equivalents.
- (4) Total the months and days under paragraphs (a)(1) and (a)(3) of this section. This sum is the period of the child's participation in the program.

(Authority: 38 U.S.C. 1804(d), 1814)

(b) *Consistency with principles for charging entitlement.* Computation of the program participation period under this section will be consistent with the principles for charging entitlement under § 21.8020.

(Authority: 38 U.S.C. 1804(d), 1814)

INDIVIDUALIZED WRITTEN PLAN OF VOCATIONAL REHABILITATION

**§ 21.8080 Requirement for an individualized written plan of vocational rehabilitation.**

(a) *General.* A CP or VRC will work in consultation with each child for whom a vocational goal is feasible to develop an individualized written plan of vocational rehabilitation services and assistance to meet the child's vocational training needs. The CP or VRC will develop this individualized written plan of vocational rehabilitation in a manner comparable to the rules governing the development of an individualized written rehabilitation plan (IWRP) for a veteran for 38 U.S.C. chapter 31 purposes, as §§ 21.80, 21.84, 21.88, 21.90, 21.92, 21.94 (a) through (d), and 21.96 provide.

(Authority: 38 U.S.C. 1804(b), 1814)

(b) *Selecting the type of training to include in the individualized written plan of vocational rehabilitation.* If training is necessary, the CP or VRC will explore a range of possibilities, to include paid and unpaid on-job training, institutional training, and a combination of on-job and institutional training to accomplish the goals of the program. Generally, an eligible child's program should include on-job training, or a

**38 CFR Ch. I (7-1-25 Edition)**

combination of on-job and institutional training, when this training:

- (1) Is available;
- (2) Is as suitable as using only institutional training for accomplishing the goals of the program; and
- (3) Will meet the child's vocational training program needs.

(Authority: 38 U.S.C. 1804(b), (c), 1814)

**§ 21.8082 Inability of child to complete individualized written plan of vocational rehabilitation or achieve vocational goal.**

(a) *Inability to timely complete an individualized written plan of vocational rehabilitation or achieve identified goal.* After a vocational training program has begun, the VR&E case manager may determine that the eligible child cannot complete the vocational training program described in the child's individualized written plan of vocational rehabilitation within the time limits of the individualized written plan of vocational rehabilitation or cannot achieve the child's identified vocational goal. Subject to paragraph (b) of this section, VR&E may assist the child in revising or selecting a new individualized written plan of vocational rehabilitation or goal.

(b) *Allowable changes in the individualized written plan of vocational rehabilitation or goal.* Any change in the eligible child's individualized written plan of vocational rehabilitation or vocational goal is subject to the child's continuing eligibility under the vocational training program and the provisions governing duration of a vocational training program in §§ 21.8020(e) and 21.8070 through 21.8074.

(Authority: 38 U.S.C. 1804(d), 1804(e), 1814)

(c) *Change in the individualized written plan of vocational rehabilitation or vocational goal.* (1) The individualized written plan of vocational rehabilitation or vocational goal may be changed under the same conditions as provided for a veteran under § 21.94 (a) through (d), and subject to § 21.8070 (d) through (f), if:

- (i) The CP or VRC determines that achievement of a vocational goal is still reasonably feasible and that the

## Department of Veterans Affairs

## § 21.8120

new individualized written plan of vocational rehabilitation or goal is necessary to enable the eligible child to prepare for and participate in vocational training or employment; and

(ii) Reentrance is authorized under § 21.8284 in a case when the child has completed a vocational training program under this subpart.

(2) A CP or VRC may approve a change of vocational goal from one field or occupational family to another field or occupational family if the child can achieve the new goal:

(i) Before the end of the basic 24-month entitlement period that § 21.8020(e)(1) describes; or

(ii) Before the end of any allowable extension under §§ 21.8020(e)(2) and 21.8072 if the new vocational goal in another field or occupational family was identified during the basic 24-month entitlement period.

(3) A change from one occupational objective to another in the same field or occupational family does not change the planned vocational goal.

(4) The child must have sufficient remaining entitlement to pursue the new individualized written plan of vocational rehabilitation or goal, as § 21.8020 provides.

(Authority: 38 U.S.C. 1804(d), 1814)

(d) *Assistance if child terminates planned program before completion.* If the eligible child elects to terminate the planned vocational training program, he or she will receive the assistance that § 21.80(d) provides in identifying other resources through which to secure the desired training or employment.

(Authority: 38 U.S.C. 1804(c), 1814)

### COUNSELING

#### § 21.8100 Counseling.

An eligible child requesting or receiving services and assistance under this subpart will receive professional counseling by VR&E and other qualified VA staff members, and by contract counseling providers, as necessary, in a manner comparable to VA's provision of these services to veterans under the 38 U.S.C. chapter 31 program, as §§ 21.100 and 21.380 provide.

(Authority: 38 U.S.C. 1803(c)(8), 1804(c), 1814)

### VOCATIONAL TRAINING, SERVICES, AND ASSISTANCE

#### § 21.8120 Vocational training, services, and assistance.

(a) *Purposes.* An eligible child may receive training, services, and assistance to enable the child to prepare for and participate in vocational training or employment.

(Authority: 38 U.S.C. 1804(b), (c), 1814)

(b) *Training permitted.* VA and the child will select vocationally oriented courses of study and training, completion of which usually results in a diploma, certificate, degree, qualification for licensure, or direct placement in employment. The educational and training services to be provided include:

(1) Remedial, deficiency, and refresher training; and

(2) Training that leads to an identifiable vocational goal. Under this program, VA may authorize all forms of programs that §§ 21.122 through 21.132 describe. This includes education and training programs in institutions of higher education. VA may authorize the education and training at an undergraduate or graduate degree level, only if the degree program is predominantly vocational in nature. For an eligible child to participate in a graduate degree program, the graduate degree must be a requirement for entry into the child's vocational goal. For example, a master's degree is required to engage in social work. The program of training is predominantly vocational in content if the majority of the instruction provides the technical skills and knowledge employers generally regard as specific to, and required for, entry into the child's vocational goal.

(c) *Cost of education and training services.* The CP or VRC will consider the cost of training in selecting a facility when:

(1) There is more than one facility in the area in which the child resides that:

(i) Meets the requirements for approval under §§ 21.290 through 21.298 (except as provided by § 21.8286(b)),

(ii) Can provide the training, services and other supportive assistance the

**§ 21.8140**

**38 CFR Ch. I (7-1-25 Edition)**

child's individualized written plan of vocational rehabilitation specifies, and

(iii) Is within reasonable commuting distance; or

(2) The child wishes to train at a suitable facility in another area, even though a suitable facility in the area where the child lives can provide the training. In considering the costs of providing training in this case, VA will use the provisions of § 21.120 (except 21.120(a)(3)), § 21.370 (however, the words "under § 21.282" in § 21.370(b)(2)(iii)(B) do not apply), and § 21.372 in a manner comparable to that for veterans under the 38 U.S.C. chapter 31 program.

(Authority: 38 U.S.C. 1804(b), (c), 1814)

(d) *Accessible courses not locally available.* If suitable vocational training courses are not available in the area in which the child lives, or if they are available but not accessible to the child, VA may make other arrangements. These arrangements may include, but are not limited to:

(1) Transportation of the child, but not the child's family, personal effects, or household belongings, to another area where necessary services are available; or

(2) Use of an individual instructor to provide necessary training in a manner comparable to that for veterans under the 38 U.S.C. chapter 31 program, as § 21.146 describes.

(Authority: 38 U.S.C. 1804(b), (c), 1814)

EVALUATION AND IMPROVEMENT OF VOCATIONAL POTENTIAL

**§ 21.8140 Evaluation and improvement of vocational potential.**

(a) *General.* A CP or VRC may use the services that paragraph (d) of this section describes to:

(1) Evaluate vocational training and employment potential;

(2) Provide a basis for planning:

(i) A program of services and assistance to improve the eligible child's preparation for vocational training and employment; or

(ii) A vocational training program;

(3) Reevaluate the vocational training feasibility of an eligible child participating in a vocational training program; and

(4) Remediate deficiencies in the child's basic capabilities, skills, or knowledge to give the child the ability to participate in vocational training or employment.

(Authority: 38 U.S.C. 1804(b), 1814)

(b) *Periods when evaluation and improvement services may be provided.* A CP or VRC may authorize the services described in paragraph (d) of this section, except those in paragraph (d)(4) of this section, for delivery during:

(1) An initial or extended evaluation; or

(2) Pursuit of a vocational training program.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) *Duration of services.* The duration of services needed to improve vocational training and employment potential, furnished on a full-time basis either as a preliminary part or all of a vocational training program, may not exceed 9 months. If VA furnishes these services on a less than full-time basis, the duration will be for the period necessary, but may not exceed the equivalent of 9 months of full-time training.

(Authority: 38 U.S.C. 1804(c), 1814)

(d) *Scope of services.* Evaluation and improvement services include:

A case manager may terminate a vocational training program under this subpart for cause, including lack of cooperation, failure to pursue the individualized written plan of vocational rehabilitation, fraud, administrative error, or finding that the child no longer has a covered birth defect. An eligible child for whom a vocational goal is reasonably feasible remains eligible for the program subject to the rules of this subpart unless the child's eligibility for or entitlement to a vocational training program under this subpart resulted from fraud or administrative error or unless VA finds the child no longer has a covered birth defect. The effective date of termination will be the earliest of the following applicable dates:

**§ 21.8284**

**38 CFR Ch. I (7-1-25 Edition)**

(a) *Fraud.* If an eligible child establishes eligibility for or entitlement to benefits under this subpart through fraud, VA will terminate the award of vocational training and rehabilitation as of the date VA first began to pay benefits.

(b) *Administrative error.* If an eligible child who is not entitled to benefits under this subpart receives those benefits through VA administrative error, VA will terminate the award of benefits as of the first day of the calendar month beginning at least 60 days after notifying the child of the proposed termination. This 60-day period may not result in the entrance of the child into a new quarter, semester, or other term of training unless VA has already obligated payment for the training.

(c) *Change in status as an eligible child with a covered birth defect.* If VA finds that a child no longer has a covered birth defect, VA will terminate the award of benefits effective the last day of the month in which such determination becomes final.

This 60-day period may not result in the entrance of the child into a new quarter, semester, or other term of training. VA will deobligate payment for training in the new quarter, semester, or other term of training.

(Authority: 38 U.S.C. 1804, 1814)

**§ 21.8284 Additional vocational training.**

(a) Current facts, including any relevant medical findings, establish that the child's disability has worsened to the extent that he or she can no longer perform the duties of the occupation which was the child's vocational goal under this subpart;

(b) The occupation that was the child's vocational goal under this subpart is now unsuitable;

(c) The vocational training program services and assistance the child originally received are now inadequate to make the child employable in the occupation which he or she sought to achieve;

(d) Experience has demonstrated that VA should not reasonably have expected employment in the objective or field for which the child received vocational training program services and assistance; or

(e) Technological change that occurred after the child achieved a vocational goal under this subpart now prevents the child from:

(1) Performing the duties of the occupation for which VA provided training, services, or assistance, or in a related occupation; or

(2) Securing employment in the occupation for which VA provided training, services, or assistance, or in a related occupation.

(Authority: 38 U.S.C. 1804(c), 1814)

(Authority: 38 U.S.C. 1804(c), 1814)

These staff members will also confer with the medical consultant and the Vocational Rehabilitation Panel described in §§ 21.60 and 21.62, as necessary. This rate and continuity of pursuit determination will occur during development of the individualized written plan of vocational rehabilitation, but may change later, as necessary to enable the child to complete training.

(Authority: 38 U.S.C. 1804(c), 1814)

(d) *Measurement of training time used.* VA will measure the rate of pursuit in a comparable manner to rate of pursuit measurement under § 21.310 for veterans under the 38 U.S.C. chapter 31 program.

(b) *Basis for leave of absence.* The VR&E case manager may grant the child leaves of absence for periods during which the child fails to pursue a vocational training program. For prolonged periods of absence, the VR&E case manager may approve leaves of absence only if the case manager determines the child is unable to pursue a vocational training program through no fault of the child.

(Authority: 38 U.S.C. 1804(c), 1814)

(c) *Effect on entitlement.* During a leave of absence, VA suspends the running of the basic 24-month period of entitlement, plus any extensions thereto, until the child resumes the program.

The provisions for satisfactory conduct and cooperation in §§ 21.362 and 21.364, except as otherwise provided in this section, apply to children under this subpart in a manner comparable to the way they apply to veterans under the 38 U.S.C. chapter 31 program. (Authority: 38 U.S.C. 1804(c), 1814)

(c) *Payment for commuting expenses for training and seeking employment.* VA may pay for transportation during the period of vocational training and the first 3 months the child receives employment services. - (1) Reimburse the facility at which the child is training if the facility provided transportation or related services; or
- (2) Reimburse the child for his or her actual commuting expense if the child paid for the transportation.

(Authority: 38 U.S.C. 1804(c), 1814)

For training that occurs before August 1, 2011—

(a) *Overview.* Except as provided in paragraphs (c) through (f) of this section, VA will base entitlement charges on the principle that an eligible individual who is paid educational assistance for one day of full-time pursuit

§ 21.9560

38 CFR Ch. I (7-1-25 Edition)

should be charged one day of entitlement.

(b) *Determining entitlement charge.* (1) VA will make a charge against entitlement as follows:

(i) *Full-time pursuit.* If the individual is pursuing a program of education on a full-time basis, the entitlement charge will be one of the following—

(A) During any period for which VA pays established charges to the institution of higher learning on the individual's behalf, the entitlement charge will be one day for each day of the certified enrollment period;

(B) During any period for which VA does not pay established charges to the institution of higher learning on the individual's behalf but pays a monthly housing allowance to the individual, the entitlement charge will be one day for each day of the certified enrollment period and/or interval period for which the individual receives the monthly housing allowance; or

(C) During any period for which VA does not pay established charges to the institution of higher learning on the individual's behalf or a monthly housing allowance to the individual but makes a lump sum payment to the individual for books, supplies, equipment, and other educational costs, VA will make an entitlement charge of 1 day for every \$41.67 paid, with any remaining amount rounded to the nearest amount evenly divisible by \$41.67.

(ii) *Less than full-time pursuit.* If the individual is pursuing a program of education on a less than a full-time basis, the entitlement charge will be one of the following—

(A) During any period for which VA pays established charges to the institution of higher learning on the individual's behalf, the individual will be charged a percentage of a day for each day of the certified enrollment period determined by dividing the number of course hours the individual is pursuing by the number of course hours required for full-time pursuit (rounded to the nearest hundredth);

(B) During any period for which VA does not pay established charges to the institution of higher learning on the individual's behalf but pays a monthly housing allowance to the individual, the individual will be charged a per-

centage of a day for each day of the certified enrollment period and/or interval period for which the individual receives the monthly housing allowance determined by dividing the number of course hours the individual is pursuing by the number of course hours required for full-time pursuit (rounded to the nearest hundredth); or

(C) During any period for which VA does not pay established charges to the institution of higher learning on the individual's behalf or a monthly housing allowance to the individual but makes a lump sum payment to the individual for books, supplies, equipment, and other educational costs, VA will make an entitlement charge of 1 day for every \$41.67 paid, with any remaining amount rounded to the nearest amount evenly divisible by \$41.67.

(Authority: 38 U.S.C. 3313)

(2) If the individual changes his or her rate of pursuit after the beginning date of the award, VA will—

(i) Divide the certified enrollment period into separate periods of time so that the individual's rate of pursuit is constant within each period; and

(ii) Compute the rate of pursuit separately for each time period.

(c) *Individuals eligible for, or in receipt of, educational assistance other than that authorized under chapter 33.* If an individual elected 38 U.S.C. chapter 33 by relinquishing educational assistance under another program but receives educational assistance for a program of education that is approved under the relinquished chapter but not approved under 38 U.S.C. chapter 33, VA will make a charge against entitlement equivalent to the entitlement charge—

(1) That would be made under the provisions of §21.7076, if the individual relinquished eligibility under 38 U.S.C. chapter 30;

(2) That would be made under the provisions of §21.7576 if the individual relinquished eligibility under 10 U.S.C. chapter 1606; or

(3) That would be made under 10 U.S.C. chapter 1607 if the individual relinquished eligibility under 10 U.S.C. chapter 1607.

(d) *No entitlement charge.* VA will not make a charge against an individual's entitlement—

(e) *Interruption to conserve entitlement.* An individual may not interrupt a certified period of enrollment for the purpose of conserving entitlement. An institution of higher learning may not certify a period of enrollment for a fractional part of the normal term, quarter, or semester if the individual is enrolled for the entire term, quarter, or semester. VA will make a charge against entitlement for the entire period of certified enrollment, if the individual is otherwise eligible for educational assistance, except when educational assistance is interrupted for any of the following conditions:

(1) Enrollment is terminated;

(2) The individual cancels his or her enrollment and does not negotiate a check or receive a direct deposit for educational assistance provided under this chapter for any part of the certified period of enrollment;

(Authority: 38 U.S.C. 3323(c))

(f) *Overpayment cases.* VA will make a charge against entitlement for an overpayment only if the overpayment is discharged in bankruptcy, is waived and not recovered, or is compromised.

(1) If the overpayment is discharged in bankruptcy or is waived and not recovered, the charge against entitlement will be the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(2) If the overpayment is compromised and the compromise offer is less than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be at the appropriate rate for the elapsed period covered by the overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees).

(3) If the overpayment is compromised and the compromise offer is equal to or greater than the amount of interest, administrative costs of collection, court costs and marshal fees, the charge against entitlement will be determined by—

(i) Subtracting from the sum paid in the compromise offer the amount attributable to interest, administrative costs of collection, court costs and marshal fees;

(ii) Subtracting the remaining amount of the overpayment balances as determined in paragraph (f)(3)(i) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, course costs and marshal fees);

(iii) Dividing the result obtained in paragraph (f)(3)(ii) of this section from the amount of the original overpayment (exclusive of interest, administrative costs of collection, court costs and marshal fees); and

(iv) Multiplying the percentage obtained in paragraph (f)(3)(iii) of this section by the amount of entitlement otherwise chargeable for the period of the original overpayment.

(2) A spouse must meet the definition of spouse in §3.50(a) of this chapter at the time of transfer.

(3) A child must meet the definition of child in §3.57 of this chapter at the time of transfer. The transferor must make the required designation shown in paragraph(d)(1) of this section before the child attains the age of 23.

(4) A stepchild, who meets VA's definition of child in §3.57 of this chapter at the time of transfer and who is temporarily not living with the transferor, remains a member of the transferor's household if the actions and intentions of the stepchild and transferor establish that normal family ties have been maintained during the temporary absence.

(c) *Timeframe during which an individual may transfer entitlement.* An individual approved by his or her department to transfer entitlement may do so at any time while serving as a member of the uniformed services, subject to the transferor's 15-year period of eligibility as provided in §21.9530.

(d) *Designating dependents; designating the amount to transfer; and period of transfer.* (1) An individual transferring entitlement under this section must:

(i) Designate the dependent or dependents to whom such entitlement is being transferred;

(ii) Designate the number of months of entitlement to be transferred to each dependent; and

- (i) To one dependent; or
- (ii) Divided among his or her designated dependents in any manner he or she chooses.

(f) *Revocation of transferred entitlement.* (1) A transferor may revoke any unused portion of transferred entitlement (transferred entitlement is “used” in the amount of the entire enrollment period on the first day of the enrollment period; therefore, a transferor cannot revoke the entitlement used for an enrollment period after the enrollment period has begun) at any time by submitting a written notice to both the Secretary of Veterans Affairs and the Secretary of the department concerned that initially approved the transfer of entitlement. VA will accept a copy of the written notice addressed to the Secretary of the department concerned as sufficient written notification to VA.

(2) The revocation will be effective the later of—

Any modification made will apply only with respect to unused transferred entitlement (transferred entitlement is “used” in the amount of the entire enrollment period on the first day of the enrollment period; therefore, a transferor cannot revoke the entitlement used for an enrollment period after the enrollment period has begun). The transferor must submit a written notice to both the Secretary of Veterans Affairs and the Secretary of the department concerned that initially approved the transfer of entitlement. VA will accept a copy of the written notice addressed to the department as sufficient written notification to VA.

(2) The modification will be effective the later of—

- (i) The date VA receives the notice of modification; or
- (ii) The date the department concerned receives the notice of modification.

(h) *Prohibition on treatment of transferred entitlement as marital property.* Entitlement transferred under this section may not be treated as marital property, or the asset of a marital estate, subject to division in a divorce or other civil proceeding.

(k) *Rate of payment of educational assistance.* VA will apply the rules in § 21.9641 (and §§ 21.9650 and 21.9655 when applicable) to determine the educational assistance rate that would apply to the transferor. VA will pay the dependent and/or the dependent’s institution of higher learning (or school, educational institution, or institution as defined in § 21.4200(a) if the dependent is using transferred entitlement to pursue and complete the requirements of a secondary school diploma or equivalency certificate) the amounts of educational assistance payable under 38 U.S.C. chapter 33 in the same manner and at the same rate as if the transferor were enrolled in the dependent’s program of education, except that VA will—

- (1) Disregard the fact that either the transferor or the dependent child is (or both are) on active duty, and pay the veteran rate to a dependent child;
- (2) Pay the veteran rate to a surviving spouse; and
- (3) Proportionally adjust the payment amounts, other than the book stipend, a dependent would otherwise

receive under §21.9641 if the dependent's months of entitlement will exhaust during the certified enrollment period, by—

(i) Determining the amount of payment for the net cost of tuition and fees the dependent would otherwise be eligible to receive for the entire enrollment period, then dividing this amount by the number of days in the dependent's quarter, semester, or term, as applicable, to determine the dependent's daily rate, then determining the actual amount of payment for the net cost of tuition and fees to be paid by multiplying the dependent's daily rate by his or her remaining months and days of entitlement to educational assistance as provided under §21.9571; and

(ii) Discontinuing the dependent's monthly housing allowance effective as of the date the dependent's months and days of entitlement exhausts.

(1) *Transferor fails to complete required service contract that afforded participation in the transferability program.* (1) Dependents are not eligible for transferred entitlement if the transferor fails to complete the amount of service he or she agreed to serve in the uniformed services in order to participate in the transferability program, unless—

(i) The transferor did not complete the service due to:

- (A) His or her death;
- (B) A medical condition that preexisted such service on active duty and that the Secretary of the department concerned determines is not service-connected;
- (C) A hardship, as determined by the Secretary of the department concerned; or
- (D) A physical or mental condition that was not characterized as a disability and did not result from the individual's own willful misconduct but interfered with the individual's performance of duty, as determined by the Secretary of the department concerned; or

(ii) The transferor is considered to have completed his or her service agreement as a result of being discharged for—

- (A) A disability; or
- (B) A reduction in force.

(2) VA will treat all payments of educational assistance to dependents as overpayments if the transferor does not complete the required service unless the transferor does not complete the required service due to one of the reasons stated in paragraph (1)(1)(i) of this section or the transferor was not discharged for one of the reasons stated in paragraph (1)(1)(ii) of this section.

(m) *Dependent is eligible for educational assistance under this section and is eligible for educational assistance under 38 U.S.C. chapter 33 based on his or her own service.* Dependents who are eligible for payment of educational assistance through transferred entitlement and are eligible for payment under 38 U.S.C. chapter 33 based on their own active service are not subject to the 48-month limit on training provided for in §21.4020 when combining transferred entitlement with their own entitlement earned under 38 U.S.C. chapter 33. If the dependent is awarded educational assistance under another program listed in §21.4020 (other than 38 U.S.C. chapter 33), the 48-month limit on training will apply.

**§ 21.9640 Rates of payment of educational assistance—for provisions effective before August 1, 2011.**

For training that occurs before August 1, 2011, unless otherwise noted, VA will determine the amount of educational assistance payable under 38 U.S.C. chapter 33 as provided in this section.

(a) *Percentage of maximum amounts payable.* (1) Except as provided in paragraphs (a)(2) and (d) of this section, VA will apply the applicable percentage of the maximum amounts payable under this section for pursuit of an approved program of education, in accordance with table 1 to paragraph (a).

TABLE 1 TO PARAGRAPH (a)

Aggregate length of creditable active duty service after 09/10/01	Number of days	Percentage of maximum amounts payable
At least 36 months <sup>1</sup>	If aggregate service (including entry training) is 1095 days or more days.	100

At least 30 continuous days. (Must be discharged due to service-connected disability).	.....	100
At least 30 months, but less than 36 months <sup>1</sup> .	If aggregate service (including entry training) is from 910 to 1094 days.	90

<sup>1</sup> Includes entry level and skill training.

<sup>2</sup> Excludes entry level and skill training.

<sup>3</sup> The 70/80% rule: If the aggregate service including training is at least 24 months but less than 30 months (730–909 days) BUT the aggregate service excluding training is at least 18 but less than 24 months (545 to 729 days), the individual will be deemed eligible at the 70% benefit level. This limitation is explicitly mandated by 38 U.S.C. 3311(e).

(2) *Amounts payable for individuals eligible for the Marine Gunnery Sergeant John David Fry Scholarship.* VA will apply 100 percent of the maximum amounts payable for pursuit of an approved program of education by an individual who is eligible for educational assistance under § 21.9520(d).

(b) *Maximum amounts payable for training at more than one-half time.* An individual, other than one on active duty, who is pursuing a program of education at more than one-half time (at a rate of pursuit greater than 50 percent) and who—

(1) Is enrolled at an institution of higher learning located in the United States, or at a branch of such institution that is located outside the United States, may receive—

(i) A lump sum amount for established charges paid directly to the institution of higher learning for the entire quarter, semester, or term, as applicable. The amount payable will be

**§21.9640**

the sum of the lower amount of tuition as determined in paragraph (b)(1)(i)(A) and the lower amount of fees as determined in paragraph (b)(1)(i)(B) of this section.

(A) The amount of tuition payable is the lesser of—

(1) The actual amount of tuition charged by the institution of higher learning; or

(2) The maximum amount of tuition regularly charged per credit hour to full-time undergraduate in-State students by the public institution of higher learning having the highest rate of regularly-charged tuition per credit hour in the State in which the individual is enrolled or, if the individual is enrolled at a branch located outside the United States, in the State where the main campus of the institution of higher learning is located, multiplied by the number of credit hours in which the individual is enrolled.

(B) The amount of fees payable is the lesser of—

(1) The actual amount of fees charged by the institution of higher learning; or

(2) The maximum amount of fees regularly charged full-time undergraduate in-State students in a term, quarter, or semester by the public institution of higher learning having the highest rate of regularly-charged fees in a term, quarter, or semester in the State in which the individual is enrolled or, if the individual is enrolled at a branch located outside the United States, in the State where the main campus of the institution of higher learning is located.

(C) The lesser amount of paragraph (b)(1)(i)(A) or (B) of this section, divided by the number of days in the individual's quarter, semester, or term, as applicable, to determine the individual's daily rate which will then be multiplied by the individual's remaining months and days of entitlement to educational assistance in accordance with §21.4020 and §21.9635(o);

(ii) Except for individuals pursuing a program of education offered entirely through distance learning, a monthly housing allowance. The monthly housing allowance will be equal to the monthly amount of the basic allowance for housing payable under 37 U.S.C. 403

for a member of the military with dependents in pay grade E-5 using the ZIP code area in which all, or a majority, of the primary institution of higher learning in which the individual is enrolled is located or, if the individual is only pursuing distance learning courses at the primary institution of higher learning, the ZIP code area in which all, or a majority of the institution of higher learning in which the individual is enrolled in one or more resident courses is located; and

(iii) An amount for books, supplies, equipment, and other educational costs (referred to as the "book stipend") payable as a lump sum for each quarter, semester, or term. The maximum amount payable to an eligible individual with remaining entitlement is based on pursuit of twenty-four credit hours (the minimum number of credit hours generally considered to be full-time training at the undergraduate level for an academic year). An individual may receive an amount for each credit hour pursued up to twenty-four credit hours (or the equivalent number of credit hours if enrollment is reported in clock hours) in a single academic year. The lump sum payment for each quarter, semester, or term is equal to—

(A) \$41.67 (\$1,000 divided by 24 credit hours); multiplied by—

(B) The number of credit hours (or the equivalent number of credit hours if enrollment is reported in clock hours) taken by the individual in the quarter, semester, or term, up to a cumulative total of twenty-four credit hours for the academic year.

(2) Is enrolled at an institution of higher learning not located in the United States, may receive—

(i) A lump sum amount for established charges paid directly to the institution of higher learning for the entire quarter, semester, or term, as applicable. The amount payable will be the sum of the lower amount of tuition as determined in paragraph (b)(2)(i)(A) and the lower amount of fees as determined in paragraph (b)(2)(i)(B) of this section. Prior to comparing the amounts in paragraph ((b)(2)(i)(A) and in paragraph (b)(2)(i)(B) of this section, foreign currency must be converted into United States dollars using the

foreign exchange conversion rate as published by the Federal Reserve effective on the first day of the month of July that precedes the beginning date of the individual's enrollment period.

(A) The amount of tuition payable is the lesser of—

(1) The actual amount of tuition charged by the institution of higher learning (converted into United States dollars); or

(2) The average (*i.e.*, unweighted arithmetic mean) amount of tuition per credit hour regularly charged full-time undergraduate in-State students by public institutions of higher learning throughout the United States as published by VA for the relevant academic year.

(C) The lesser amount of paragraph (b)(2)(i)(A) or (B) of this section, divided by the number of days in the individual's quarter, semester, or term, as applicable, to determine the individual's daily rate which will then be multiplied by the individual's remaining months and days of entitlement to educational assistance in accordance with § 21.4020 and § 21.9635(o);

(ii) Except for individuals pursuing a program of education offered entirely through distance learning, a monthly housing allowance. The monthly housing allowance will be equal to the average (*i.e.*, unweighted arithmetic mean) monthly amount of the basic allowance for housing payable under 37 U.S.C. 403 for a member of the military with dependents in pay grade E-5 residing in the United States; and

(iii) An amount for books, supplies, equipment, and other educational costs (referred to as the "book stipend") payable as a lump sum for each quarter, semester, or term. The maximum

(C) The lesser amount of paragraph (c)(1)(i)(A) or (B) of this section, divided by the number of days in the individual's quarter, semester, or term, as applicable, to determine the individual's daily rate which will then be multiplied by the individual's remaining months and days of entitlement to educational assistance in accordance with § 21.4020 and § 21.9635(o);

The institution of higher learning will not deliver the advance payment check more than 30 days in advance of the first date of the enrollment period for which VA makes the advance payment.

(iv) The Director of the VA Regional Processing Office of jurisdiction may direct that advance payments not be made to individuals attending an institution of higher learning if:

(5) VA will pay educational assistance to an eligible individual as reimbursement for taking an approved licensing or certification test only after the eligible individual has submitted to VA a copy of his or her official test results and, if not included in the results, a copy of another official form (such as a receipt or registration form) that together must include:

(6) *Payment for intervals and temporary school closings.* VA may authorize payment of the monthly housing allowance (as increased under §§ 21.9650(a) and 21.9655(a), if applicable) for an interval or for a temporary school closing that occurs within a certified enrollment period. If a school closing that is or may be temporary occurs during an interval, VA will apply any applicable provisions in paragraphs (b)(5)(i) through (b)(5)(v) of this section concerning intervals and in paragraph (5)(vi) of this section concerning temporary school closings. For the purposes of this paragraph, interval means a period without instruction between consecutive school terms, quarters, or semesters or a period without instruction between a summer term and a term, quarter, or semester. (See definitions of divisions of the school year in § 21.4200(b).)

(i) *Payment for intervals.* In determining whether a student will be paid for an interval, VA will first review the provisions of paragraph (b)(5)(ii) of this

section. If none of the provisions apply, VA will review the provisions of paragraphs (b)(5)(iii), (iv), and (v) of this section to determine if payments may be made for the interval. In determining the length of a summer term, VA will disregard a fraction of a week consisting of 3 days or less, and will consider 4 days or more to be a full week.

(ii) *Restrictions on payment for intervals.* VA will make no payment for an interval if—

(A) The individual's rate of pursuit is one-half time or less on the last day of the certified enrollment period preceding the interval;

(B) The individual is on active duty;

(C) The individual requests, prior to authorization of an award or prior to negotiating a check or receiving a direct deposit for educational assistance, that no benefits be paid for the interval period;

(D) The individual's entitlement applicable to such payment will be exhausted by receipt of such payment, and it is to the advantage of the individual not to receive payment;

(E) The interval occurs between school years at a school that is not organized on a term, quarter, or semester basis; or

(F) The individual withdraws from all courses in the term, quarter, semester, or summer session preceding the interval, or discontinues training before the scheduled start of an interval in an institution of higher learning not organized on a term, quarter, or semester basis.

(iii) *Payment for intervals between periods of enrollment at different schools.* If the individual transfers from one approved school for the purpose of enrolling in and pursuing a similar program of education at the second school, VA may make payments for an interval that does not exceed 30 days. If the student does not enroll in a similar program of education at the second school, VA may not make payments for the interval.

(iv) *Payment for intervals that occur at the same school.* (A) If the individual remains enrolled at the same school, VA may make payment for an interval which does not exceed 8 weeks and which occurs between:

**§ 21.9680**

**38 CFR Ch. I (7-1-25 Edition)**

- (1) Semesters or quarters,
- (2) A semester or quarter and a term that is at least as long as the interval,
- (3) A semester or quarter and a summer term that is at least as long as the interval,
- (4) Consecutive terms (other than semesters or quarters) provided that both terms are at least as long as the interval, or
- (5) A term and summer term provided that both the term and the summer term are at least as long as the interval.

(B) If the individual remains enrolled at the same school, VA may make payment for an interval that does not exceed 30 days and that occurs between summer sessions within a summer term.

(Authority: 38 U.S.C. 3034(a), 3323(a), 3680)

(v) *Payment for intervals that occur between overlapping enrollments.* (A) If a student is enrolled in overlapping enrollment periods whether before or after an interval (either at the same or different schools), VA will determine whether the student is entitled to payment for the interval between the overlapping enrollment periods, and which dates the interval and enrollment periods will be considered to begin and end, as follows:

- (1) By treating the ending date of each enrollment period as though it were the individual's last date of training before the interval,
- (2) By treating the beginning date of each enrollment period as though it were the individual's first date of training after the interval,
- (3) By examining the interval payment that would be made to the individual on the basis of the various combinations of beginning and ending dates, and
- (4) By choosing the ending date and beginning date that result in the highest payment rate as the start and finish of the interval for VA measurement purposes.

(B) VA will not reduce the interval rate of payment as a result of training the individual may take during the interval, but VA will increase the inter-

val rate of payment if warranted by such training.

(Authority: 38 U.S.C. 3034(a), 3323(a), 3680(a))

(vi) *Payment for temporary school closings.* VA may authorize payment for temporary school closings that are due to emergencies (including strikes) or established policy based upon an Executive Order of the President. If a school closing that is or may be temporary occurs in whole or in part during an interval, VA will first review the provisions of paragraph (b)(5)(ii) through (v) of this section to determine if payment may be continued during the interval.

(A) If payment would not be inconsistent with the provisions of paragraph (b)(5)(ii) through (v) of this section, a determination to authorize payment for a period of a temporary school closing, or to not authorize payment if it appears that either the school closing will not be temporary or payment would not otherwise be in accord with this section, or both, will be made by:

(1) The Director of the VA Regional Processing Office of jurisdiction if:

(i) The reason for the school closing does not result in the closing of a school or schools in the jurisdiction of the Director of another VA Regional Processing Office, and

(ii) If the reason for the closing is a strike, and the strike lasts, or is anticipated to last, 30 days or less.

(2) The Director of Education Service if:

(i) The reason for the school closing results in the closing of schools in the jurisdiction of more than one Director of a VA Regional Processing Office, or

(ii) The reason for the closing is a strike, and the strike lasts, or is anticipated to last, more than 30 days.

(B) A school that disagrees with a decision made under paragraph (b)(5)(vi) of this section may request an administrative review. The review request must be submitted in writing and received by the Director of the VA Regional Processing Office of jurisdiction within one year of the date of VA's letter notifying the school of the decision. A review of the decision will include the evidence of record and any other pertinent evidence the school may wish to submit. The affirmation or reversal

Department of Veterans Affairs

§ 21.9681

of the initial decision based on an administrative review is final. The review will be conducted by the—

(1) Director, Education Service, if the Director of the VA Regional Processing Office of jurisdiction made the initial decision to continue or discontinue payments; or

(2) Under Secretary for Benefits, if the Director, Education Service, made the initial decision to continue or discontinue payments.

(Authority: 38 U.S.C. 512, 3034(a), 3323(a), 3680(a))

(3) The most recent State income tax return; or

(4) Rental/lease agreement; or

(5) Mortgage document; or

(6) Current real property assessment; or

(7) Voter registration card.

(B) An individual using entitlement granted under § 21.9570 who, because he or she resides with the transferor or, in the case of a child, a parent, cannot provide any of the documents in paragraph (c)(2)(i) of this section, may submit any document in paragraphs (c)(2)(ii)(A)(2) through (7) of this section bearing the name and current address of the transferor or, in the case of a child, a parent as proof of residence; and

(iii) *Proof of relocation.* An individual traveling by air must provide an airline receipt for travel with a departure and destination airport within reasonable distance from the home of resi-

dence and the institution of higher learning, respectively; and

(3) VA has determined that the individual resided in a county (or similar entity utilized by the Bureau of the Census) with less than seven persons per square mile based on the most recent decennial census prior to relocation, and either:

(i) If traveling by land, physically relocated at least 500 miles, confirmed by means of a commonly available internet search engine for mapping upon entering the individual's resident address provided in paragraph (c)(2) as the beginning point and the address of the institution of higher learning as the ending point; or

(ii) If traveling by air, was unable to travel to the institution of higher learning by land due to the absence of road or other infrastructure.

(Authority: 38 U.S.C. 3318)

(b) *Nonduplication—Federal program.* Payment of educational assistance is prohibited to an otherwise eligible re-servist—

(1) For a unit course or courses that are being paid for entirely or partly by the Armed Forces during any period in which he or she is on active duty service; or

(2) For a unit course or courses that are being paid for entirely or partly by the United States under the Government Employees Training Act.

(c) *Nonduplication—Transferred benefits and Fry Scholarship.* An individual entitled to educational assistance under §21.9520(d) and because of a transfer of entitlement under §21.9571—

(1) May not receive educational assistance under both provisions concurrently.

(e) *Nonduplication—Fry Scholarship and compensation and pension.* The commencement of a program of education based on eligibility for educational assistance under § 21.9520(d) by an eligible individual is a bar to—

(1) Subsequent payments of dependency and indemnity compensation or pension based on the death of a parent to the eligible individual when the eligible individual attains 18 years of age.

(2) Increased rates, or additional amounts, of compensation, dependency and indemnity compensation, or pension paid on account of the eligible individual.

(f) *Nonduplication—Fry Scholarship.* (1) An individual who is entitled to educational assistance based on the death of more than one parent under § 21.9520(d) may not receive assistance under § 21.9520(d) for the same enrollment period based on the deaths of both parents.

(2) The individual must specify in writing on which parent's death to base his or her entitlement. The individual may request to base entitlement on either parent's death at any time, but may not change on whose death he or she chooses to base entitlement more than once during a term, quarter, or semester. Except in cases where an individual exhausts entitlement that is based on one parent's death during a term, quarter, or semester, the request will be effective the beginning date of the enrollment period following the request.

(2) The individual must specify in writing the provision under which he or she wishes to receive benefits. The

individual may request to receive benefits under either provision at any time, but may not change the provision under which he or she will receive benefits more than once during a term, quarter, or semester. (h) *Nonduplication—Eligibility based on a single event or period of service—(1) Active duty service.* (i) An individual with qualifying active duty service in the Armed Forces that may be used to establish eligibility for educational assistance under 38 U.S.C. chapter 30, 32, or 33, and 10 U.S.C. chapter 1606 or 1607, must make an irrevocable election in writing specifying under which program to establish eligibility and to which program to credit service.

(ii) An individual may not request that portions of a single period of service be credited to different benefit programs. VA considers a single period of service to be one from which the individual is discharged or released, including a discharge for immediate reenlistment.

#### § 21.9695 Overpayments.

(a) *Prevention of overpayments.* In administering educational assistance payable under 38 U.S.C. chapter 33, VA will apply the provisions of §§ 21.4008 and 21.4009 to eligible individuals and, when appropriate, to educational institutions.

(b) *Liability for overpayments.* (1) An overpayment of educational assistance paid to an eligible individual constitutes a liability of that individual unless—

(i) The overpayment was waived as provided in §§ 1.957 and 1.962 of this chapter, or

(ii) The overpayment results from an administrative error or an error in judgment. See § 21.9635(r).

(2) An overpayment of educational assistance paid to the educational institution on behalf of an eligible individual constitutes a liability of the individual unless the individual never attended the term, quarter, or semester certified by the educational institution. If the individual never attended the term, quarter, or semester certified by the educational institution, the institution must return to VA all educational assistance received under the provisions of 38 U.S.C. chapter 33 on behalf of the individual for such term, quarter, or semester.

(3)(i) The amount of the overpayment of educational assistance paid to the eligible individual, or paid to the educational institution on behalf of the individual, constitutes a liability of the educational institution if:

(A) VA determines that the overpayment is the result of willful or negligent false certification by the educational institution, or willful or negligent failure to certify excessive absences from a course, discontinuance of a course, or interruption of a course by the eligible individual.

(B) The student never attends classes for which he or she was certified (regardless of the reason for non-attendance);

(C) The student completely withdraws from all courses on or before the first day of the certified period of enrollment;

(D) The student dies during the term (see §§ 21.9635(a)(2) and 21.9636(a)(2));

(E) The educational institution receives a payment for the wrong student;

(F) The educational institution receives a duplicate payment for a student;

(G) The educational institution receives a payment in excess of the amount certified to VA on the enrollment certification; or

(H) The educational institution submits an amended enrollment certification to correctly report a reduced amount of tuition and fee charges, reduced Yellow Ribbon Program contributions, or reduced amounts for both tuition and fees and Yellow Ribbon Program contributions.

(ii) In determining whether an overpayment resulting from the actions listed in paragraph (b)(3)(i) of this section should be recovered from an educational institution, VA will apply the provisions of § 21.4009 (except paragraph (a)(1)) to overpayments of educational assistance under 38 U.S.C. chapter 33.

(4) VA will determine the amount of an overpayment as follows—

(i) For an individual who does not complete one or more courses in the certified period of enrollment for which he or she received payment, and who does not substantiate mitigating circumstances for not completing such course or courses, VA will establish an overpayment equal to the amount of educational assistance paid for the course or courses not completed during that certified period of enrollment.

(ii) For an individual who does not complete one or more courses in the

## § 21.9700

## 38 CFR Ch. I (7–1–25 Edition)

certified period of enrollment, but who substantiates mitigating circumstances for not completing such course or courses, VA will prorate the amount of educational assistance to which he or she is entitled.

(A) VA will determine the prorated amount of the tuition and fees by dividing the amount the individual was paid for the course or courses not completed by the number of days in the certified enrollment period, and multiplying the result by the number of days from the beginning date of the enrollment period through the last date of attendance. The result of this calculation will equal the amount the individual is due. The difference between the amount of educational assistance paid and the amount of educational assistance the individual is due for the course or courses not completed will be established as an overpayment.

(B) VA will determine the prorated amount of the monthly housing allowance by determining the amount the individual was entitled to while enrolled and subtracting that amount from the total amount paid. The difference between the amount of the monthly housing allowance paid and the amount of the monthly housing allowance the individual is due will be established as an overpayment.

(C) Individuals who have substantiated mitigating circumstances will not be charged an overpayment for the lump sum payment for books, supplies, equipment, and other educational costs (“book stipend”).

(c) *Authority.* (1) Paragraph (a) of this section issued under the authority of 38 U.S.C. 3034(a), 3323(a), 3690(b);

(2) Paragraphs (b) through (b)(3)(ii) of this section issued under the authority of 38 U.S.C. 3034(a), 3323(a), 3685; and

(3) Paragraphs (b)(3)(iii) through (b)(4) of this section issued under the authority of 38 U.S.C. 3034(a), 3323, 3685, 5302.

### § 21.9700 Yellow Ribbon Program.

(a) *Establishment.* The “Yellow Ribbon G.I. Education Enhancement Program”, known as the “Yellow Ribbon Program,” permits an institution of higher learning (IHL), at the IHL’s op-

tion, to enter into an agreement with VA to allow the two parties to provide matching funds to cover a portion of the outstanding amount of tuition and fees not covered under paragraphs (b) and (c) of § 21.9640 and paragraphs (b)(1) and (2) of § 21.9641.

(b) *Eligible individuals.* This program is only available to individuals entitled to the 100-percent educational assistance rate (based on service requirements as shown in § 21.9640(a) or § 21.9641(a), whichever is applicable) or to their designated dependents using entitlement transferred under § 21.9570 or § 21.9571, whichever is applicable, or effective August 1, 2018, to individuals using Fry Scholarship entitlement under § 21.9520(d) who are pursuing training at an eligible IHL.

(c) *Eligible IHLs.* This program is only available at IHLs located in the United States or at a branch of such IHL that is located outside the United States.

(d) *Agreements.* VA will enter into an agreement with an eligible IHL located in the United States seeking to participate in the Yellow Ribbon Program based on a general agreement format developed by VA in which the IHL must agree to—

(1) Provide contributions to eligible individuals who apply for such program at that institution (in a manner prescribed by the institution) on a first-come-first-served basis, regardless of the rate at which the individual is pursuing training (*i.e.*, full-time versus less than full-time), during the academic year;

(2) Provide contributions during the current academic year and all subsequent academic years in which the IHL participates in the Yellow Ribbon Program and the student maintains satisfactory progress, conduct, and attendance according to the regularly prescribed standards of the institution;

(3) Limit contributions made on behalf of a participant to funds under the unrestricted control of the IHL (e.g., a scholarship sent directly to an IHL on behalf of an individual or specific group of individuals from a third party may not be included in Yellow Ribbon Program contributions). Funds received directly or indirectly from Federal sources may not be counted toward contributions;

## Department of Veterans Affairs

## §21.9715

(4) State the maximum number of individuals for whom contributions will be made during the academic year;

(5) State the manner (whether by direct grant, scholarship, or otherwise) contributions will be made under the Yellow Ribbon Program;

(6) State the maximum dollar amount of contributions that may be provided on behalf of any particular individual during the academic year regardless of the rate at which the individual is pursuing training. IHLs may specify different contributions amounts—

(i) Based on student status (*i.e.*, certificate, undergraduate, graduate, doctoral), or

(ii) For each subelement of the institution (*i.e.*, college or professional school). The maximum amount specified for each subelement of the IHL will apply to all programs and disciplines offered under such subelement.

(7) Provide the maximum amount of contributions payable toward the unmet tuition and fees to all participating individuals during each term, quarter, or semester the individual is enrolled if the IHL's total contribution toward the individual's unmet tuition and fees for the term, quarter, or semester, do not exceed the maximum dollar amount payable during the academic year as specified in paragraph (d)(6) of this section.

(e) *Centralized Agreements.* IHLs with multiple campuses may enter into a single Yellow Ribbon Program Agreement if all participating branches and extensions—

(1) Are listed in the agreement;

(2) Are subject to the authority of the authorizing official signing the Yellow Ribbon Program Agreement; and

(3) Have a certifying official or other employee who meets the requirements of §21.4266(f)(3)(ii) and who has access to the terms of the Yellow Ribbon Program Agreement.

(f) *Matching Contributions.* VA will match each dollar provided by the IHL on behalf of an individual; however, the combined amount of contributions under the Yellow Ribbon Program may not exceed the remaining amount of tuition and fees not covered under

paragraphs (b) and (c) of §21.9640 and paragraphs (b)(1) and (2) of §21.9641.

(g) *Outreach.* The most current list of colleges and universities participating in the Yellow Ribbon Program will be available at VA's GI Bill Web site at <http://www.gibill.va.gov>. The list will include specific information on each IHL's agreement with VA.

### **§ 21.9720 Certification of enrollment— for provisions effective before August 1, 2011.**

For training pursued during the period beginning August 1, 2009, and ending July 31, 2011, an IHL must certify an eligible individual's enrollment before he or she may receive educational assistance, except as stated in § 21.9680.

(a) *Institutions of higher learning must certify most enrollments.* VA does not, as a condition of payment of tuition assistance top-up or advance payment, require institutions of higher learning to certify the enrollments of eligible individuals who either are seeking tuition assistance top-up or, in the cases described in § 21.9715, are seeking an advance payment. VA does not require organizations or entities offering a licensing or certification test to certify that the eligible individual took the test. In all other cases, the institution of higher learning must certify the eligible individual's enrollment before he or she may receive educational assistance. This certification must be in a form specified by the Secretary and contain such information as specified by the Secretary.

(2) Institutions of higher learning organized on a year-round basis that do not offer courses on a term, quarter, or semester basis will report enrollment for the length of the course. The certification will include a report of the dates during which the institution of higher learning closes for any intervals designated in its approval data as breaks between school years.

(3) When an eligible individual enrolls in a distance learning program leading to a standard college degree, the institution of higher learning's certification will include—

(i) The enrollment date; and

(ii) The ending date for the period being certified. If the institution of higher learning has no prescribed maximum time for completion, the certification must include an ending date based on the educational institution's estimate for completion.

### **§ 21.9721 Certification of enrollment— for provisions effective after July 31, 2011.**

For training pursued after July 31, 2011, an educational institution must certify an eligible individual's enrollment before he or she may receive educational assistance, except as stated in § 21.9681.

(a) *Educational institutions must certify most enrollments.* VA does not, as a condition of advance payment, require educational institutions to certify the enrollments of eligible individuals who are seeking an advance payment (as described in § 21.9715). VA does not require organizations or entities offering a national test for admission, a national test for credit, or a licensing or certification test to certify that the eligible individual took the test. In all other cases, the educational institution

must certify the eligible individual's enrollment before he or she may receive educational assistance. This certification must be in a form specified by the Secretary and contain such information as specified by the Secretary.

(b) *Length of the enrollment period covered by the enrollment certification.* (1) Educational institutions that offer courses on a term, quarter, or semester basis will report enrollment for the term, quarter, semester, ordinary school year, or ordinary school year plus summer term. If the certification covers two or more terms, the educational institution will report each term, quarter, or semester separately.

(2) Educational institutions organized on a year-round basis that do not offer courses on a term, quarter, or semester basis will report enrollment for the length of the course. The certification will include a report of the dates during which the educational institution closes for any intervals designated in its approval data as breaks between school years.

## COURSE ASSESSMENT

### § 21.9750 Course measurement.

VA will calculate an individual's rate of pursuit of an approved program of education during the individual's period of enrollment in accordance with this section. For the purpose of this chapter, VA will consider any rate of pursuit higher than 50 percent to be more than one-half time training.

(a) *Measurement of courses reported in credit hours.* If the courses are measured in credit hours, then the number of credit hours the individual is taking in a term, quarter, or semester will be divided by the minimum number of credit hours considered to be full-time pursuit in a term, quarter, or semester at the educational institution as provided in paragraph (c) of this section. The resulting percentage will be the individual's rate of pursuit.

(b) *Measurement of courses reported in clock hours at IHLs.* (1) If the courses pursued at an IHL are measured in clock hours, VA will convert the clock hours to equivalent credit hours by—

(i) Adding the total number of clock hours pursued during the term, quarter or semester;

(ii) Dividing the sum of paragraph (b)(1) of this section by the total number of weeks in the term; and

(iii) Multiplying the result of paragraph (b)(2) of this section rounded to the nearest 100th by—

(A) If the educational institution measures courses using both credit and clock hours, the decimal determined by dividing the number of credit hours considered full-time at the educational institution by the number of clock hours considered full-time at the educational institution.

(B) If the educational institution only measures courses using clock hours, the decimal determined by dividing 14 credit hours by the number of clock hours considered full-time at the educational institution.

(2) Divide the result of paragraph (b)(1) rounded to the nearest hundredth by the minimum number of credit hours considered to be full-time pursuit in a term, quarter, or semester as provided in paragraph (c) of this section. The resulting percentage will be the individual's rate of pursuit.

(c) Fourteen credit hours are full-time unless the institution of higher learning certifies that all undergraduate students enrolled for 13 credit hours, or for 12 credit hours, are charged full-time tuition or are considered full-time for other administrative purposes.

(d) *High school courses.* If an individual using transferred entitlement is eligible for pursuit of a secondary school diploma or equivalency certificate, VA will determine the rate of pursuit in accordance with this paragraph. For individuals pursuing high school courses measured in—

(1) Credit hours, VA will use the formula in paragraph (a) of this section.

(2) Clock hours, VA will use the formula in paragraph (b) of this section.

(3) Units, VA will convert the units to credit hours as follows—

(i) Divide the total number of units required for the program of education by 4 (the number of ordinary school years generally required for completion);

(ii) Round the result of paragraph (d)(3)(i) of this section to the nearest whole number.

(iii) Multiply the result of paragraph (d)(3)(ii) of this section by:

(A) 1.0 to determine the number of units required for a rate of pursuit equal to 100 percent. This number is equivalent to 14 credit hours;

(B) .75 to determine the number of units required for a rate of pursuit equal to 75 percent. An individual will be considered to be enrolled in 10.5 credit hours for any number of units equal to or greater than the number determined in this paragraph but less than the number determined in paragraph (d)(3)(iii)(A) of this section;

(C) .50 to determine the number of units required for a rate of pursuit equal to 50 percent. An individual will be considered to be enrolled in 7 credit hours for any number of units equal to or greater than the number determined in this paragraph but less than the number determined in paragraph (d)(3)(iii)(B) of this section;

(D) .25 to determine the number of units required for a rate of pursuit equal to 25 percent. An individual will be considered to be enrolled in 3.5 credit hours for any number of units up to the number determined in paragraph (d)(3)(iii)(C) of this section.
