(3) *Identifying payees.* VA shall make reasonable efforts to identify the appropriate payee(s) under paragraph (f)(1) of this section based on information in the veteran's claims file. If further information is needed to determine whether any appropriate payee exists or whether there are any persons having equal or higher precedence than a known prospective payee, VA will request such information from a survivor or authorized representative if the claims file provides sufficient contact information. Before releasing payment to an identified payee, VA will ask the payee to state whether there are any other survivors of the class member who may have equal or greater entitlement to payment under this section, unless the circumstances clearly indicate that such a request is unnecessary.

(4) *Bar to accrued benefit claims.* Payment of benefits pursuant to paragraph (f)(1) of this section shall bar a later claim by any individual for payment of all or any part of such benefits as accrued benefits under 38 U.S.C. 5121 and § 3.1000.

(g) *Awards covered by this section.* This section applies only to awards of disability compensation or DIC for disability or death caused by a disease listed in paragraph (b)(2) of this section.
