§ 61.14 Capital grants—selection of grantees.

(a) Applicants will first be grouped in categories according to the funding priorities set forth in the NOFA, if any. Applicants will then be ranked, within their respective funding category if applicable. The highest-ranked applications for which funding is available, within highest priority funding category if applicable, will be conditionally selected to receive a capital grant in accordance with their ranked order, as determined under § 61.13. If funding priorities have been established and funds are still available after selection of those applicants in the highest priority group VA will continue to conditionally select applicants in lower priority categories in accordance with the selection method set forth in this paragraph subject to available funding.

(b) In the event of a tie between applicants, VA will use the score from § 61.13(g) to determine the ranking. If the score from § 61.13(g) is also tied, VA will use the score from § 61.13(d) to determine the ranking.

(c) VA may reject an application where the project is not cost effective based on the cost and number of new supportive housing beds made available—or based on the cost, amount, and types of supportive services made available—when compared to other supportive housing or services projects, and when adjusted for high cost areas.

§61.15

For those applications that VA believes not to be cost-effective VA will;

- (1) Reduce the award; or
- (2) Not select the application for funding.

(d) VA may not reject an application solely on the basis that the entity proposes to use funding from other private or public sources, if the entity demonstrates that a private nonprofit organization will provide oversight and site control for the project. In this section “private nonprofit organization” means one of the following:

(1) An incorporated private institution, organization, or foundation—

(i) That has received, or has temporary clearance to receive, tax-exempt status under paragraph (2), (3), or (19) of section 501(c) of the Internal Revenue Code of 1986;

(ii) For which no part of the net earnings of the institution, organization, or foundation inures to the benefit of any member, founder, or contributor of the institution, organization, or foundation; and

(iii) That VA determines is financially responsible.

(2) A for-profit limited partnership or limited liability company, the sole general partner or manager of which is an organization that is described by paragraph (d)(1) of this section.

(3) A corporation wholly owned and controlled by an organization that is described by paragraph (d)(1) of this section.

(e) In the case of a previously awarded project that can no longer provide services and or housing and the recipient agency has decided to withdraw or the project has been terminated for failure to comply with the terms and conditions of the award; VA may transfer a capital grant or non-capital grant to another eligible entity in the same geographical area without competition, in order to prevent a loss of capacity of services and housing to homeless veterans. The new entity must meet all of the requirements to which the original grantee was subject. In the case of a capital grant transfer the new grantee will only be entitled to the funding that remains from the original capital obligation and remains respon-

sible for all commitments made by the original grantee.

§ 61.16 Matching funds for capital grants.

(a) VA cannot award a capital grant for more than 65 percent of the total allowable costs of the project. The grantee must provide funding (“matching funding”) for the remaining 35 percent of the total cost, using non-federal funds. VA requires that applicants provide documentation of all costs related to the project including those that are not allowable under the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards under 2 CFR part 200. Allowable costs means those related to the portion (percentage) of the property that would be used to provide supportive housing and services under this part.

(b) Capital grants may include application costs, including site surveys, architectural, and engineering fees, but may not include relocation costs or developer’s fees.

(c) *Documentation of matching funds.* The matching funds described in paragraph (a) of this section must be documented as follows; no other format will be accepted as evidence of a firm commitment of matching funds:

(1) Donations must be on the donor’s letterhead, signed and dated.

(2) The applicant’s own cash must be committed on the applicant’s letterhead, signed, and dated.

(3) No conditions may be placed on the matching funds other than the organization’s receipt of the capital grant.

(4) Funds must be committed to the same activity as the capital grant application (*i.e.*, acquisition, renovation, new construction, or a van), and must not relate to operating costs or services.

(5) The value of matching funds must be for a cost that is included in the calculation of the total project cost, thereby decreasing the total expenditures of the grantee.

(d) *Van applications.* The requirements of this section also apply to applications for a capital grant for a van under § 61.18.

§ 61.17 Site control for capital grants.

(a) In order to receive a capital grant for supportive housing or a fixed site service center, an applicant must demonstrate site control. Site control must be demonstrated through a deed or an executed contract of sale, or a capital lease, which assigns control or ownership to the entity whose Federal employer or taxpayer identification number is on the Application for Federal Assistance (SF424), unless one of the following apply:

(1) VA gives written permission for an alternate assignment. VA will permit alternate assignments except when:

(i) The alternate assignment is to a for-profit entity which is neither controlled by the applicant or by the applicant’s parent organization or the entity is controlled by the applicant’s parent organization which is a for-profit entity; or

(ii) VA has a reasonable concern that the assignment may provide an economic or monetary benefit to the assignee other than the benefit that would have inured to the applicant had the applicant not made the alternate assignment.

(2) The site is in a building or on land owned by VA, and the applicant has an agreement with VA for site control.

(b) A capital grant recipient may change the site to a new site meeting the requirements of this part subject to VA approval under § 61.62. However, the recipient is responsible for and must demonstrate ability to provide for any additional costs resulting from the change in site.

(c) If site control is not demonstrated within 1 year after execution of an agreement under § 61.61, the grantee

§ 61.18

38 CFR Ch. I (7–1–25 Edition)

may request a reasonable extension from the VA national GPD office, or the grant may be terminated. VA will authorize an extension request if the grantee was not at fault for being unable to exercise site control and the lack of site control does not affect the grantee's ability to complete the project.

§ 61.18 Capital grants for vans.

(a) *General.* A capital grant may be used to procure one or more vans, as stated in a NOFA, to provide transportation or outreach for the purpose of providing supportive services. The grant may cover the purchase price, sales taxes, and title and licensing fees. Title to the van must vest solely in the applicant, and the applicant must insure the van to the same extent they would insure a van bought with their own funds.

(b) *Who can apply for a van.* VA will only award vans to applicants who currently have an operational grant under this part, or in conjunction with a new application.

(c) *Application packages for van(s).* In order to receive a van, the application must demonstrate the following:

- (1) Clear need for the van(s);
- (2) Specific use of the van(s);
- (3) Frequency of use of the van(s);
- (4) Qualifications of the van driver(s);
- (5) Training of the van driver(s);
- (6) Type of van(s) to be obtained; and
- (7) Adequate financial support will be available for the completion of the project or for the purchase and maintenance, repair, and operation of the van(s).

(d) *Rating criteria.* Applications will be scored using the selection criteria listed in this section. To be eligible for a van grant, an applicant must receive at least 80 points (out of a possible 100) of this section.

(1) *Need.* VA will award up to 60 points based on the extent to which the applicant demonstrates a substantial unmet need for transportation due to:

- (i) Lack of alternative public transportation,

- (ii) Project location,
- (iii) Expired life use of current van, or
- (iv) Special disabled individual transportation.

(2) *Activity.* VA will award up to 20 points based on the extent to which the applicant demonstrates:

- (i) Frequency of use,
- (ii) Type of use, and
- (iii) Type of van, e.g., whether there is a justification for a van with a wheelchair lift or other modifications.

(3) *Operator qualification.* VA will award up to 20 points based on the extent to which the applicant demonstrates a job description for the van operator that details:

- (i) Requirements of the position, and
- (ii) Training that will be provided to the driver.

§ 61.19 Transfer of capital grants.

In the case of a previously awarded project that can no longer provide services and/or housing and the recipient agency has decided to withdraw or the project has been terminated for failure to comply with the terms and conditions of the award, VA may transfer a capital grant or non-capital grant to another eligible entity in the same geographical area without competition, in order to prevent a loss of capacity of services and housing to homeless veterans. The new entity must meet all of the requirements to which the original grantee was subject. In the case of a capital grant transfer the new grantee will only be entitled to the funding that remains from the original capital obligation and remains responsible for all commitments made by the original grantee.

Subpart C—Per Diem Payments

§ 61.30 Per diem—general.

(a) *General.* VA may provide per diem funds to offset operating costs for a program of supportive housing or services. VA may provide:

Department of Veterans Affairs

§ 61.32

grant, if the entity established a program of supportive housing or services after November 10, 1992.

(b) *Capital grant recipients.* Capital grant recipients may request per diem funds after completion of a project funded by a capital grant and a site inspection under § 61.80 to ensure that the grantee is capable of providing supportive services.

(c) *Per diem only applicants.* PDO awards to entities eligible to receive a capital grant must provide supportive housing or services to the homeless veteran population within 180 days after the date on the notification of award letter, or VA will terminate the PDO payments.

(Authority: 38 U.S.C. 501, 2012)

§ 61.31 Per diem—application packages.

(a) *Capital grant recipient.* To apply for per diem, a capital grant recipient need only indicate the intent to receive per diem on the capital grant application or may separately request per diem by submitting to VA a written statement requesting per diem.

(b) *Non-capital-grant recipient (per diem only).* To apply for per diem only, a non-capital grant applicant must obtain from VA a non-capital grant application package and submit to VA the information called for in the application package within the time period established in the Notice of Fund Availability. The application package includes exhibits to be prepared and submitted as part of the application process, including:

- (1) Documentation on eligibility to receive per diem under this part;
- (2) Documentation on operating budget and cost sharing;
- (3) Documentation on supportive services committed to the project;
- (4) Comments or recommendations by appropriate state (and area wide) clearinghouses pursuant to E.O. 12372 (3 CFR, 1982 Comp., p. 197), if the applicant is a state; and
- (5) Reasonable assurances with respect to receipt of per diem under this part that:

(i) The project will be used principally to furnish to veterans the level of care for which such application is made; that not more than 25 percent of

participants at any one time will be non-veterans; and that such services will meet the requirements of this part;

(ii) Adequate financial support will be available for the per diem program; and

(iii) The recipient will keep records and submit reports as VA may reasonably require, within the time frames required; and give VA, upon demand, access to the records upon which such information is based.

§ 61.32 Per diem application packages—rating criteria.

(a) *Conditional selection.* Application packages for per diem only (*i.e.*, from non-capital grant applicants) in response to a Notice of Fund Availability (NOFA) will be reviewed and grouped in categories according to the funding priorities set forth in the NOFA, if any. Such applications will then be ranked within their respective funding category according to scores achieved only if the applicant scores at least 750 cumulative points out of a possible 1000 from each of the following paragraphs: (b), (c), (d), (e), (f), and (g) of § 61.13. The highest-ranked applications for which funding is available, within highest funding priority category if applicable, will be conditionally selected for eligibility to receive per diem payments or special need payment in accordance with their ranked order. If funding priorities have been established and funds are still available after selection of those applicants in the highest priority group, VA will continue to conditionally select applicants in lower priority categories in accordance with the selection method set forth in this paragraph subject to available funding. Conditional selectees will be subsequently awarded per diem, if they otherwise meet the requirements of this part, including passing the inspection required by § 61.80.

(b) *Ranking applications.* In the event of a tie between applicants, VA will use the score from § 61.13(g) to determine

§ 61.33

38 CFR Ch. I (7–1–25 Edition)

the ranking. Note: Capital grant recipients are not required to be ranked; however, continuation of per diem payments to capital grant recipients will be subject to limitations set forth in § 61.33.

(c) *Executing per diem agreements.* VA will execute per diem agreements with an applicant whose per diem application was conditionally selected under this section using the same procedures applicable to a capital grant under § 61.15.

(Authority: 38 U.S.C. 501, 2012)

§ 61.33 Payment of per diem.

(a) *General.* VA will pay per diem to recipients that provide a bed day of care:

(1) For a homeless veteran:

(i) Who VA referred to the recipient; or

(ii) For whom VA authorized the provision of supportive housing or supportive service;

(2) For providers of both supportive housing and services. When the referral or authorization of the homeless veteran will not result in the project exceeding the total number of bed days of care or total obligated funding as indicated in the grant agreement and funding action document; or

(3) For service centers. When the total hours of service or total obligated funding as indicated in the grant agreement and funding action document.

(b) *VA Review.* VA may at any time review the provision of supportive housing and services to individual veterans by the provider to ensure the care provided continues to be needed and appropriate.

(c) *Rate of payments for individual veterans.* The rate of per diem for each veteran in supportive housing will be the lesser of:

(1) The daily cost of care estimated by the per diem recipient minus other sources of payments to the per diem recipient for furnishing services to homeless veterans that the per diem recipient certifies to be correct (other sources include payments and grants from other departments and agencies of the United States, from departments of local and State governments, from private entities or organizations, and from program participants); or

(2) The current VA state home program per diem rate for domiciliary care, as set by the Secretary under 38 U.S.C. 1741(a)(1).

(d) *Rate of payments for service centers.* The per diem amount for service centers shall be 1–8 of the lesser of the amount in paragraph (c)(1) or (c)(2) of this section, per hour, not to exceed eight (8) hours in any day.

(e) *Reimbursements.* Per diem may be paid retroactively for services provided not more than three (3) days before VA approval is given or where, through no fault of the recipient, per diem payments should have been made but were not made.

(f) *Payments for absent veterans.* VA will pay per diem up to a maximum of seventy-two (72) consecutive hours for the scheduled or unscheduled absence of a veteran, or, in the case of an in-patient hospitalization, will pay per diem up to a maximum of seven (7) days.

(g) *Veterans receiving supportive housing and services.* For circumstances where a veteran is receiving supportive housing and supportive services from the same per diem recipient, VA will not pay a per diem for the supportive services.

(h) *Reporting other sources of income.* At the time of receipt of a federal award from VA, a per diem recipient must report to VA all other sources of income for the project for which per diem was awarded. The report provides a basis for adjustments to the per diem payment under paragraph (c)(1) of this section.

§ 61.54 Awarding technical assistance grants.

(a) Applicants will first be grouped in categories according to the funding priorities set forth in the NOFA, if any. Applicants will then be ranked within their respective funding category, if applicable. The highest-ranked applications for which funding is available, within highest priority funding category if applicable, will be selected to receive a technical assistance grant in accordance with their ranked order, as determined under § 61.53. If funding priorities have been established and funds are still available after selection of those applicants in the highest priority group, VA will continue to conditionally select applicants in lower priority categories in accordance with the selection method set forth in this paragraph subject to available funding.

Subpart F—Awards, Monitoring, and Enforcement of Agreements

§ 61.61 Agreement and funding actions.

(a) *Agreement.* When VA selects an applicant for grant or per diem award under this part, VA will incorporate the requirements of this part into an agreement to be executed by VA and the applicant. VA makes the final decision on applicant selection. VA may negotiate with an applicant regarding the details of the agreement and funding, as necessary. VA will enforce the agreement through such action as may be appropriate, including temporarily withholding cash payments pending correction of a deficiency. Appropriate actions include actions in accordance with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards under 2 CFR part 200.

(b) *Obligating funds.* Upon execution of the agreement, VA will obligate funds to cover the amount of the approved grant/per diem, subject to the availability of funding. Payments will be for services rendered, contingent on submission of documentation in the form of invoices or purchase agreements and inspections, as VA deems necessary. VA will make payments on its own schedule to reimburse for amounts expended. Except for increases in the rate of per diem, VA will not increase the amount obligated for assistance under this part after the initial obligation of funds.

(c) *Deobligating funds.* VA may deobligate all or parts of funds obligated under this part:

(1) If the actual total cost for assistance is less than the total cost stated in the application; or

(2) If the recipient fails to comply with the requirements of this part.

(d) *Deobligation procedure.* Before deobligating funds under this section, VA will issue a notice of intent to terminate payments. The recipient will have 30 days to submit documentation demonstrating why payments should not be terminated. After review of any such documentation, VA will issue a final decision concerning termination of payment.

(e) *Other government funds.* No funds provided under this part may be used to replace Federal, state or local funds previously used, or designated for use, to assist homeless veterans.

§ 61.62 Program changes.

(a) Except as provided in paragraphs (b) through (d) of this section, a recipient may not make any significant changes to a project for which a grant has been awarded without prior written approval from the VA National Grant and Per Diem Program Office. Significant changes include, but are not limited to, a change in the recipient, a change in the project site (including relocating, adding an annex, a branch, or other expansion), additions or deletions of activities, shifts of funds from one approved type of activity to another, and a change in the category of participants to be served.

(b) Recipients of grants involving both construction and non-construction projects must receive prior written approval from the VA National Grant and Per Diem Program Office for cumulative transfers among direct cost categories which exceed or are expected to exceed 10 percent of the current total approved budget.

(c) Recipients of grants for projects involving both construction and non-construction who are state or local governments must receive prior written approval from the VA National Grant and Per Diem Program Office for any budget revision which would transfer funds between non-construction and construction categories.

§ 61.63

38 CFR Ch. I (7–1–25 Edition)

(d) Approval for changes is contingent upon the application ranking remaining high enough after the approved change to have been competitively selected for funding in the year the application was selected.

(e) Any changes to an approved program must be fully documented in the recipient's records.

(f) Recipients must inform the VA National Grant and Per Diem Program Office in writing of any key position and address changes in/of their organization within 30 days of the change, *i.e.*, new executive director or chief financial officer, permanent change of address for corporate communications.

§ 61.63 Procedural error.

If an application would have been selected but for a procedural error committed by VA, VA may reconsider that application in the next funding round. A new application will not be required for this purpose so long as there is no material change in the information.

§ 61.64 Faith-based organizations.

(a) Organizations that are faith-based are eligible, on the same basis as any other organization, to participate in VA programs under this part. Decisions about awards of Federal financial assistance must be free from political interference or even the appearance of such interference and must be made on the basis of merit, not on the basis of religion or religious belief or lack thereof.

(b)(1) No organization may use direct financial assistance from VA under this part to pay for any of the following:

(i) Explicitly religious activities such as, religious worship, instruction, or proselytization; or

(ii) Equipment or supplies to be used for any of those activities.

(2) For purposes of this section, “indirect Federal financial assistance” means Federal financial assistance in which a service provider receives pro-

gram funds through a voucher, certificate, agreement, or other form of disbursement, wholly as a result of the genuinely independent and private choice of a beneficiary, not a choice of the Government. The availability of adequate secular alternatives is a significant factor in determining whether a program affords true private choice. “Direct Federal financial assistance” means Federal financial assistance received by an entity selected by the Government or a pass-through entity as defined in 38 CFR 50.1(d) to provide or carry out a service (*e.g.*, by contract, grant, or cooperative agreement). References to “financial assistance” will be deemed to be references to direct Federal financial assistance, unless the referenced assistance meets the definition of “indirect Federal financial assistance” in this paragraph (b)(2).

(c) Organizations that engage in explicitly religious activities, such as worship, religious instruction, or proselytization, must offer those services separately in time or location from any programs or services funded with direct financial assistance from VA, and participation in any of the organization's explicitly religious activities must be voluntary for the beneficiaries of a program or service funded by direct financial assistance from VA.

(d) A faith-based organization that participates in VA programs under this part will retain its independence from Federal, State, or local governments and may continue to carry out its mission, including the definition, practice and expression of its religious beliefs, provided that it does not use direct financial assistance from VA under this part to support any explicitly religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide VA-funded services under this part, without concealing, removing, or altering religious art, icons, scripture, or other religious symbols. In addition, a VA-funded faith-based organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select

its board members and otherwise govern itself on a religious basis, and include religious reference in its organization's mission statements and other governing documents.

(e) An organization that participates in a VA program under this part shall not, in providing direct program assistance, discriminate against a program beneficiary or prospective program beneficiary regarding housing, supportive services, or technical assistance, on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

(f) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this provision applies to all of the commingled funds.

(g) To the extent otherwise permitted by Federal law, the restrictions on explicitly religious activities set forth in this section do not apply where VA funds are provided to faith-based organizations through indirect assistance wholly as a result of a genuinely independent and private choice of a beneficiary, provided the faith-based organizations otherwise satisfy the requirements of this part. A faith-based organization may receive such funds as the result of a beneficiary's genuine and independent choice if, for example, a beneficiary redeems a voucher, coupon, or certificate, allowing the beneficiary to direct where funds are to be paid, or a similar funding mechanism provided to that beneficiary and designed to give that beneficiary a choice among providers.

§ 61.65 Inspections.

VA may inspect the facility and records of any applicant or recipient when necessary to determine compliance with this part or an agreement under § 61.61. The authority to inspect does not authorize VA to manage or control the applicant or recipient.

§ 61.66 Financial management.

(a) All recipients must comply with applicable requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards under 2 CFR part 200.

(b) All entities receiving assistance under this part must use a financial management system that follows generally accepted accounting principles and meets the requirements set forth under 2 CFR part 200. All recipients must implement the requirements of 2 CFR part 200 when determining costs reimbursable under all awards issued under this part.

§ 61.67 Recovery provisions.

(a) *Full recovery of capital grants.* VA may recover from the grant recipient all of the grant amounts provided for the project if, after 3 years after the date of an award of a capital grant, the grant recipient has withdrawn from the VA Homeless Providers Grant and Per Diem Program (Program), does not establish the project for which the grant was made, or has established the project for which the grant was made but has not passed final inspection. Where a recipient has no control over causes for delays in implementing a project, VA may extend the 3-year period, as appropriate. VA may obligate any recovered funds without fiscal year limitation.

(b) *Prorated (partial) recovery of capital grants.* If a capital grant recipient is not subject to recovery under paragraph (a) of this section, VA will seek recovery of the grant amount on a prorated basis where the grant recipient ceases to provide services for which the grant was made or withdraws from the Program prior to the expiration of the applicable period of operation, which period shall begin on the date shown on the activation document produced by the VA National GPD Program. In cases where capital grant recipients have chosen not to receive per diem payments, the applicable period of operation shall begin on the date the VA Medical Center Director approved placement at the project site as shown on the inspection documents. The

§ 61.80

amount to be recaptured equals the total amount of the grant, multiplied by the fraction resulting from using the number of years the recipient was not operational as the numerator, and using the number of years of operation required under the following chart as the denominator.

Grant amount (dollars in thousands)	Years of operation
0–250	7
251–500	8
501–750	9
751–1,000	10
1,001–1,250	11

2,001–2,250	15
2,251–2,500	16
2,501–2,750	17
2,751–3,000	18
Over 3,000	20

(c) *Disposition of real property for capital grantees.* In addition to being subject to recovery under paragraphs (a) and (b) of this section, capital grantees are subject to real property disposition as required by 2 CFR part 200 when the grantee no longer is providing services through a grant awarded under this part.

(d) *Recovery of per diem and non-capital grants.* VA will seek to recover from the recipient of per diem, a special need non-capital grant, or a technical assistance grant any funds that are not used in accordance with the requirements of this part.

(e) *Notice.* Before VA takes action to recover funds, VA will issue to the recipient a notice of intent to recover funds. The recipient will then have 30 days to submit documentation demonstrating why funds should not be recovered. After review of any such documentation, VA will issue a decision regarding whether action will be taken to recover funds.

(f) *Vans.* All recovery provisions will apply to vans with the exception of the period of time for recovery. The period of time for recovery will be 7 years. Disposition provisions of 2 CFR part 200 apply to vans. Grantees are required to notify the VA National Grant and Per Diem Program Office for dis-

position of any van funded under this part.

§ 61.80 General operation requirements for supportive housing and service centers.

(a) Supportive housing and service centers for which assistance is provided under this part must comply with the requirements of the current edition of the Life Safety Code of the National Fire Protection Association and all applicable state and local housing codes, licensing requirements, fire and safety requirements, and any other requirements in the jurisdiction in which the project is located regarding the condition of the structure and the operation of the supportive housing or service centers. Note: All facilities are to be protected throughout by an approved automatic sprinkler system unless a facility is specifically exempted under the Life Safety Code.

(b) Except for such variations as are proposed by the recipient that would not affect compliance with paragraph (a) of this section and are approved by VA, supportive housing must meet the following requirements:

(1) The structures must be structurally sound so as not to pose any threat to the health and safety of the occupants and so as to protect the residents from the elements;

(2) Entry and exit locations to the structure must be capable of being utilized without unauthorized use of other private properties, and must provide alternate means of egress in case of fire;

(6) The water supply must be free from contamination;

(7) Residents must have access to sufficient sanitary facilities that are in proper operating condition, that may be used in privacy, and that are adequate for personal cleanliness and the disposal of human waste;

(8) The housing must have adequate heating and/or cooling facilities in proper operating condition;

(9) The housing must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of residents and sufficient electrical sources must be provided to permit use of essential electrical appliances while assuring safety from fire;

(10) All food preparation areas must contain suitable space and equipment to store, prepare, and serve food in a sanitary manner;

(11) The housing and any equipment must be maintained in a sanitary manner;

(14) Residents must be provided a clean and sober environment that is free from illicit drug use or from alcohol use that: could threaten the health and/or safety of the residents or staff; hinders the peaceful enjoyment of the premises; or jeopardizes completion of the grantee's project goals and objectives. Those supportive housing or service centers that provide medical or social detox at the same site as the supportive housing or service must ensure that those residents in detox are clearly separated from the general residential population.

(c) VA will provide performance goals to recipients in its initial federal award and update annually thereafter:

(1) Each recipient must conduct an ongoing assessment of the supportive housing and services needed by their residents and the availability of housing and services to meet this need. Recipients are expected to make adjustments to meet resident needs.

(2) The recipient will provide to the VA GPD Liaison evidence of its ongoing assessment of the plan described in the grant application. The assessment must show how it is using the plan to meet the GPD performance goals.

(3) The VA GPD Liaison will provide the GPD performance information to recipients. VA will incorporate this assessment information into the annual inspection report.

(i) The VA GPD Liaison will review the quarterly assessment with the recipient no later than (30) days after the end of each of the following quarters:

(A) Quarter 1 (October–December) assessment completed not later than January 30;

(B) Quarter 2 (January–March) assessment completed not later than April 30;

(C) Quarter 3 (April–June) assessment completed not later than July 30; and,

(D) Quarter 4 (July–September) assessment completed not later than October 30.

(ii) A valid assessment must include the following:

(A) A comparison of actual accomplishments to established GPD performance goals for the reporting period addressing quantifiable as well as non-quantifiable goals. Examples include, but are not limited to, a description of grant agreement-related activities, such as: Hiring and training personnel, community orientation/awareness activities, programmatic activities, or job development; and

(B) Identification of administrative and programmatic problems, which may affect performance and proposed solutions.

(iii) Recipients and VA GPD Liaisons must include a summary of the quarterly assessment in their administrative records. These quarterly assessments will be used to provide a cumulative assessment for the entire calendar year.

(iv) The recipient must immediately inform the VA GPD Liaison of any significant developments affecting its ability to accomplish the work. VA GPD Liaisons will provide necessary technical assistance.

(v) If, after reviewing a recipient's assessment, VA determines that it falls more than five percent below any performance goal, then VA may require the recipient to create and follow a performance improvement plan (PIP) as outlined in 38 CFR 61.80(c)(vi).

(vi) Performance Improvement Plan (PIP): If VA determines that a recipient deviates more than five percent from established GPD performance goals for any two (2) consecutive quarters as defined in 38 CFR 61.80(c)(3)(A)(i) through (iv), the recipient will submit a PIP to the VA GPD Liaison sixty (60) calendar days after VA makes its determination.

(A) The PIP must identify the activity which falls below the measure. The PIP must describe the reason(s) why the recipient did not meet the performance measure(s) and provide specific proposed corrective action(s) and a timetable for accomplishment of the corrective action. The plan may include the recipient's intent to propose modifying the grant agreement. The recipient will submit the PIP to the VA GPD Liaison.

(B) The VA GPD Liaison will forward the PIP to the VA National GPD Program Office. The VA National GPD Program Office will review the PIP and notify the recipient in writing whether the PIP is approved or disapproved. If disapproved, the VA GPD Liaison will make suggestions for improving the proposed PIP, and the recipient may resubmit the PIP to the VA National GPD Program Office.

(vii) If the recipient is not compliant after the PIP, then VA may impose any combination of the following enforcement actions by award revision:

- (A) Withhold placements;
- (B) Withhold payment;

(C) Suspend payment; and

(D) Terminate the grant agreement, as outlined in this part or other applicable federal statutes and regulations.

(d) A homeless veteran may remain in supportive housing for which assistance is provided under this part for a period no longer than 24 months, except that a veteran may stay longer, if permanent housing for the veteran has not been located or if the veteran requires additional time to prepare for independent living. However, at any given time, no more than one-half of the veterans at such supportive housing facility may have resided at the facility for periods longer than 24 months.

(e) Each recipient of assistance under this part must provide for the consultation and participation of not less than one homeless veteran or formerly homeless veteran on the board of directors or an equivalent policymaking entity of the recipient, to the extent that such entity considers and makes policies and decisions regarding any project provided under this part. This requirement may be waived if an applicant, despite a good faith effort to comply, is unable to meet it and presents a plan, subject to VA approval, to otherwise consult with homeless or formerly homeless veterans in considering and making such policies and decisions.

(f) Each recipient of assistance under this part must, to the maximum extent practicable, involve homeless veterans and families, through employment, volunteer services, or otherwise, in constructing, rehabilitating, maintaining, and operating the project and in providing supportive services for the project.

(g) Each recipient of assistance under this part shall establish procedures for fiscal control and fund accounting to ensure proper disbursement and accounting of assistance received under this part.

(h) The recipient of assistance under this part that provides family violence prevention or treatment services must establish and implement procedures to ensure:

- (1) The confidentiality of records pertaining to any individual provided services, and

Department of Veterans Affairs

§ 61.80

(2) The confidentiality of the address or location where the services are provided.

(i) Each recipient of assistance under this part must maintain the confidentiality of records kept on homeless veterans receiving services.

(j) VA may disapprove use of outpatient health services provided through the recipient if VA determines that such services are of unacceptable quality. Further, VA will not pay per diem where the Department concludes that services furnished by the recipient are unacceptable.

(k) A service center for homeless veterans shall provide services to homeless veterans for a minimum of 40 hours per week over a minimum of 5 days per week, as well as provide services on an as-needed, unscheduled basis. The calculation of average hours shall include travel time for mobile service centers. In addition:

(1) Space in a service center shall be made available as mutually agreeable for use by VA staff and other appropriate agencies and organizations to assist homeless veterans;

(2) A service center shall be equipped to provide, or assist in providing, health care, mental health services, hygiene facilities, benefits and employment counseling, meals, and transportation assistance;

(3) A service center shall provide other services as VA determines necessary based on the need for services otherwise not available in the geographic area; and

(4) A service center may be equipped and staffed to provide, or to assist in providing, job training and job placement services (including job readiness, job counseling, and literacy and skills training), as well as any outreach and case management services that may be necessary to meet the requirements of this paragraph.

(1) Fixed site service centers will prominently post at or near the entrance to the service center their hours of operation and contacts in case of emergencies. Mobile service centers must take some action reasonably calculated to provide in advance a tentative schedule of visits (e.g., newspapers, fliers, public service announcements on television or radio). The

schedule should include but is not limited to:

- (1) The region of operation;
- (2) Times of operation;
- (3) Expected services to be provided; and
- (4) Contacts for specific information and changes.

(m) Each recipient that provides housing and services must have a written disaster plan that has been coordinated with the emergency management entity responsible for the locality in which the project exists. The plan must encompass natural and man-made disasters.

(n) The recipient will inform within 24 hours its VA liaison of any sentinel events occurring within the program (i.e., drug overdose, death, injury).

(o) The grantee, or sub-grantee, will provide appropriate orientation and training to staff to enable them to provide quality services that are appropriate to homeless veteran or homeless special need veteran population.

(p) The grantee will maintain systematic participant enrollment information and participant tracking records designed to facilitate the uniform compilation and analysis of programmatic data necessary for verification of veteran status and case management, reporting, monitoring, and evaluation purposes.

(q) The grantee will also document in each participant record at a minimum:

- (1) Family status.
- (2) Verification of veteran status (DD214, Department of Veterans Affairs confirmation report and/or identification card).
- (3) Education, employment history, and marketable skills/licenses/credentials.

(4) An Individual Service Plan (ISP) for each individual participant will be maintained in the participant case management record which contains the following:

- (i) An assessment of barriers, service needs, as well as strengths; and
 - (ii) Specific services and referrals planned and benefits to be achieved as a result of program participation.
- (5) Duration and outcome of supportive service.
 - (6) The grantee must verify service outcomes each calendar year quarter

§ 61.81

through the participant and provide documentation of this verification in the participant case management files.

(r) The grantee will ensure that no more than 25 percent of the grant awarded beds are occupied by non-veterans, or VA may take actions as appropriate to decrease the beds, grant amounts, or terminate the grant and seek recapture in the case of capital funding. To calculate the occupancy rate, divide the actual number of bed days of care for veterans eligible to reside in the project, by the total number of possible bed days of care (the previous 180 days from the most current 6 month period).

§ 61.81 Outreach activities.

Recipients of capital grants and per diem relating to supportive housing or service centers must use their best efforts to ensure that eligible hard-to-reach veterans are found, engaged, and provided assistance. To achieve this goal, recipients may search for homeless veterans at places such as shelters, soup kitchens, parks, bus or train stations, and the streets. Outreach particularly should be directed toward veterans who have a nighttime residence that is an emergency shelter or a public or private place not ordinarily used as a regular sleeping accommodation for human beings (e.g., cars, streets, or parks).

§ 61.82 Participant fees for supportive housing.

(a) Each participant of supportive housing may be required to pay a participant fee in an amount determined by the recipient, except that such participant fee may not exceed 30 percent of the participant's monthly income after deducting medical expenses, child care expenses, court ordered child support payments, or other court ordered payments; nor may it exceed the program's set maximum rate or the HUD

38 CFR Ch. I (7-1-25 Edition)

Fair Market Rent for that type of housing and its location, whichever is less. The participant fee determination and collection process/procedures should be documented in the grant recipient's operating procedures to ensure consistency, fairness, and accuracy of fees collected. The participant's monthly income includes all income earned by or paid to the participant.

(b) Retroactive benefit payments from any source to program participants, for the purpose of this part, may be considered income in the month received and therefore may be used in calculating the participant fee for that month.

(c) Participant fees may be used for costs of operating the supportive housing or to assist supportive housing residents' move to permanent housing, and must have a therapeutic benefit.

(d) In addition to a participant fee, recipients may charge residents reasonable fees for extracurricular services and activities (extracurricular fee) that participants are not required to receive under the terms of the grant award, are not paid for by VA per diem, or provided by VA. Extracurricular fees must be voluntary on the part of the participant.

(e) In projects funded under this part where participants sign agreements, VA treats the costs associated with participant eviction to be as unallowable.

(f) Use of participant agreements.

(1) Participant agreements must be between the grant recipient of record and the program participant.

(2) Participant agreements must be part of a therapeutic plan to increase self-determination and responsibility.

(3) Participant agreements must include a clause that allows program participants the ability to break the lease or program agreement without penalty for medical or clinical necessity.

(4) Participant agreements may not be used to exclude homeless veterans with little or no income from the program.

(5) Participant agreements and conditions must be fully disclosed to potential participants and acknowledged in writing by both parties.

§ 61.90 Grant for case management services—program.

(a) *General.* VA may award grants for case management services to non-profit organizations and State, local and tribal governments for the provision of case management services to improve the retention of housing by veterans who were previously homeless and are transitioning to permanent housing and to veterans who are at risk of becoming homeless. The goals of the grant program are: The maintenance of permanent housing by a veteran following discharge from homeless residential services, a reduction in recidivism, and an increase in exits to permanent housing. These grant funds may not be used for veterans who are receiving case management services from permanent supportive housing programs (e.g. Housing and Urban Development—VA Supportive Housing) or rapid re-housing/homeless prevention programs (e.g. Supportive Services for Veterans Families (SSVF)).

(b) *Case management services.* Case management services include, but are not limited to, the following:

- (1) Making home visits by the case manager to monitor housing stability;
- (2) Providing or coordinating educational activities related to meal planning, tenant responsibilities, the use of public transportation, community resources, financial management, and the development of natural supports;
- (3) Making referrals to needed services, such as mental health, substance use disorder, medical, and employment services; and
- (4) Participating in case conferencing with other service providers who are working with the veteran.

(c) *Time limit.* Case management services may be provided for a particular veteran for up to 6 months, unless VA receives and approves a written request

for additional time before the 6-month time limit expires.

§ 61.92 Grant for case management services—application and rating criteria.

(a) *General requirements.* When funds are available for grants for case management services authorized under §§ 61.90 through 61.98, VA will publish a Notice of Fund Availability (NOFA) in the FEDERAL REGISTER in accordance with § 61.3. The applicant must meet all of the following requirements or the application will be rejected without further consideration:

(1) The applicant must submit an application and comply with the application requirements identified in the NOFA, e.g., complete all parts of the correct form and include all information requested in the NOFA.

(2) Include a signed Application for Federal Assistance (SF 424) that contains the applicant’s Employer Identification Number or Taxpayer Identification Number (EIN/TIN). All non-profit applicants must provide their Internal Revenue Service 501(c)(3) or (19) determination letter, which includes the EIN/TIN contained in the application. Applicants that apply under a group EIN/TIN must be identified by the parent EIN/TIN as a member or sub-unit of the parent EIN/TIN and provide supporting documentation.

(3) The application must be received before the deadline established in the NOFA.

(4) The applicant must be a nonprofit organization or a State, local, or tribal government.

(5) The activities for which assistance is requested must be eligible for funding under §§ 61.90–61.98.

(6) The applicant must agree to comply with the requirements of §§ 61.90 through 61.98 and demonstrate the capacity to do so.

(7) The applicant must not have an outstanding obligation to VA that is in arrears, or have an overdue or unsatisfactory response to an audit.

(8) The applicant must not have been notified by VA as being in default.

(b) *Rating criteria.* To be eligible for a case management grant, an applicant must receive at least 750 points (out of a possible 1000) and must receive points

under paragraphs (c) through (f) of this section.

(c) *Project plan.* VA will award up to 400 points based on the demonstration and quality of the following:

(1) The process used for deciding which veterans are referred and accepted for case management services.

(2) How, when, and by whom the progress of participants who are receiving case management services toward meeting their individual goals will be monitored, evaluated, and documented. This monitoring includes, but is not limited to, a description of how home visits would be provided and the general purpose and frequency anticipated of the home visits.

(3) How the participant's system of natural supports would be assessed and developed.

(4) How crisis intervention services will be coordinated, as needed, to promote the maintenance of permanent housing, access to medical care, mental health or substance use disorder treatment.

(5) How the applicant will provide education to case management participants, as needed, in the areas of tenant rights and responsibilities, rental/lease agreements, landlords rights and responsibilities, and budgeting.

(6) How case management services will be phased out.

(d) *Ability of the applicant to develop and operate a project.* VA will award up to 200 points based on the extent to which the applicant demonstrates the necessary staff and organizational experience to develop and operate the proposed project, based on the following:

(1) Staffing plan for the project that reflects the appropriate professional staff, both administrative and clinical;

(2) Experience of staff, or if staff is not yet hired, position descriptions and expectations of time to hire;

(3) Applicant's previous experience assessing and providing for the housing needs of formerly homeless veterans;

(4) Applicant's previous experience in providing case management services to assist persons in maintaining permanent housing;

(5) Applicant's previous experience in coordinating crisis intervention serv-

ices, including medical, mental health, and substance use disorder services.

(6) Applicant's experience in working with local landlords as part of providing housing support services.

(7) Historical documentation of past performance both with VA and non-VA projects, including those from other Federal, state and local agencies, and audits by private or public entities.

(e) *Need.* VA will award up to 150 points based on the extent to which the applicant demonstrates:

(1) Substantial unmet need for formerly homeless veterans who have exited homeless transitional housing or residential services and are in need of time limited case management to maintain permanent housing. Demonstration of need must be based on reliable data from reports or other data gathering systems that directly support claims made; and

(2) An understanding of the formerly homeless population to be served and its supportive service needs.

(f) *Completion confidence.* VA will award up to 50 points based on the review panel's confidence that the applicant has effectively demonstrated the case management services project will be completed as described in the application. VA may use historical program documents demonstrating the applicant's past performance, including those from other Federal, state and local agencies, as well as audits by private or public entities in determining confidence scores.

(g) *Coordination with other programs.* VA will award up to 200 points based on the extent to which the applicant demonstrates that it has coordinated with Federal, state, local, private, and other entities serving homeless persons or persons at risk for homelessness in the planning and operation of the case management services project. Such entities include, but are not limited to, shelters, transitional housing, Public Housing Authorities, health care or social service providers, providers funded through Federal initiatives, local planning coalitions or provider associations, or other program providers relevant to the needs of formerly homeless veterans in the local community. Applicants are required to demonstrate that they have coordinated with the

VA medical facility of jurisdiction or VA regional office of jurisdiction in their area. VA will award up to 50 points of the 200 points based on the extent to which commitments to provide supportive services are documented at the time of application. Up to 150 points of the 200 points will be given to the extent applicants demonstrate that:

(1) They are part of an ongoing community-wide planning process within the framework described in this section, which is designed to share information on available resources and reduce duplication among programs that serve homeless veterans (*e.g.* Continuum of Care);

(2) They have consulted directly with the closest VA medical facility and other providers within the framework described in this section regarding coordination of services for project participants; and

(3) They have coordinated with the closest VA medical facility their plan to assure access to health care, case management, and other care services.

§ 61.94 Grant for case management services—selection of grantees.

(a) *Award priority.* Grants for case management services will be awarded in order of priority as follows:

(1) VA will give extra priority to grants for case management services to applications from operational Grant and Per Diem funded organizations that have given up per diem or special need funding and converted their transitional housing to permanent housing. In order to obtain this extra priority, organizations must provide documentation showing that their permanent housing meets the quality housing standards established under section 8(o)(8)(B) of the United States Housing Act of 1937 (42 U.S.C. 1437f(o)(8)(B)).

(2) VA will give priority to applications from organizations that demonstrate a capability to provide case management services, particularly organizations that are successfully providing or have successfully provided transitional housing services using grants provided by VA under 38 U.S.C. 2012 and 2061.

(3) Applications from other organizations without a Grant and Per Diem grant that seek to provide time limited case management to formerly homeless veterans who have exited VA transitional housing or other VA homeless residential treatment services to permanent housing.

(b) *Higher award priority.* Within each of the three priorities in paragraph (a) of this section, an application with more points using the rating criteria in § 61.92(b) will be given a higher priority for a grant award.

§ 61.96 Grant for case management services—awards.

(a) *Funding.* Grants for case management services will be offered from the current Grant and Per Diem Program budget and will be limited annually by VA's funding availability and commitments to existing programs.

(b) *Use of grant funds for administrative costs.* Grant funds may be used for the following administrative purposes

(1) Case management staff;

(2) Transportation for the case manager;

(3) Cell phones and computers to facilitate home visits and other case management activities associated with the grant; and

(4) Office furniture for the use of the case management staff.

(c) *Awards.* VA will execute an agreement and make payments to the grantee in accordance with the award and funding actions applicable to the Grant and Per Diem Program as described in § 61.61.

§ 61.98 Grant for case management services—requirements and oversight.

VA will oversee grants for case management services to ensure that each grantee operates its program in accordance with §§ 61.90 through 61.98. VA's oversight responsibilities include reviewing and responding to requests from grantees for extensions to the otherwise applicable maximum 6-month time limit. Grantees must also comply with the requirements of 38 CFR 61.65; 61.67(d) and 61.67(e); and 61.80(c), (g), (h), (i), (n), (o), (p), and (q). VA may disapprove of case management services provided by the grantee
