(1) Health insurance; and

(2) Referral to a governmental or eligible entity that provides any of the following services:

(i) Hospital care, nursing home care, out-patient care, mental health care, preventive care, habilitative and rehabilitative care, case management, respite care, and home care;

(ii) The training of any very low-income veteran family member in the care of any very low-income veteran family member; and

(iii) The provision of pharmaceuticals, supplies, equipment, devices, appliances, and assistive technology.

(b) Daily living services, which may consist of the referral of a participant,

as appropriate, to an entity that provides services relating to the functions or tasks for self-care usually performed in the normal course of a day, including, but not limited to, eating, bathing, grooming, dressing, and home management activities.

(c) Personal financial planning services, which include, at a minimum, providing recommendations regarding day-to-day finances and achieving long-term budgeting and financial goals. SSVF funds may pay for credit counseling and other services necessary to assist participants with critical skills related to household budgeting, managing money, accessing a free personal credit report, and resolving credit problems.

(d) *Transportation services.* (1) The grantee may provide temporary transportation services directly to participants if the grantee determines such assistance is necessary; however, the preferred method of direct provision of transportation services is the provision of tokens, vouchers, or other appropriate instruments so that participants may use available public transportation options.

(2) If public transportation options are not sufficient within an area or community, costs related to the lease of vehicle(s) may be included in a supportive services grant application if the applicant or grantee, as applicable, agrees that:

(i) The vehicle(s) will be safe, accessible, and equipped to meet the needs of the participants;

(ii) The vehicle(s) will be maintained in accordance with the manufacturer's recommendations; and

(iii) All transportation personnel (employees and subcontractors) will be trained in managing any special needs of participants and handling emergency situations.

(3) The grantee may make payments on behalf of a participant needing car repairs or maintenance required to operate the vehicle if the payment will allow the participant to remain in permanent housing or obtain permanent housing, subject to the following:

(i) Payments for car repairs or maintenance on behalf of the participant may not exceed \$1,200 during a 3-year period, such period beginning on the

date the grantee first pays for any car repairs or maintenance on behalf of the participant.

(ii) Payments for car repairs or maintenance must be reasonable and must be paid by the grantee directly to the third party that repairs or maintains the car.

(iii) Grantees may require participants to share in the cost of car repairs or maintenance as a condition of receiving assistance with car repairs or maintenance.

(e) Income support services, which may consist of providing assistance in obtaining other Federal, State, tribal and local assistance, in the form of, but not limited to, mental health benefits, employment counseling, medical assistance, veterans' benefits, and income support assistance.

(f) Fiduciary and representative payee services, which may consist of acting on behalf of a participant by receiving the participant's paychecks, benefits or other income, and using those funds for the current and foreseeable needs of the participant and saving any remaining funds for the participant's future use in an interest bearing account or saving bonds.

(g) Legal services, including court filing fees, to assist a participant with issues that interfere with the participant's ability to obtain or retain permanent housing or supportive services, including issues that affect the participant's employability and financial security (such as the lack of a driver's license). However, SSVF funds may not be used to pay for court-ordered judgments or fines, pursuant to § 62.38.

(h) Child care for children under the age of 13, unless disabled. Disabled children must be under the age of 18. Child care includes the:

(1) Referral of a participant, as appropriate, to an eligible child care provider that provides child care with sufficient hours of operation and serves appropriate ages, as needed by the participant; and

(2) Payment by a grantee on behalf of a participant for child care by an eligible child care provider.

(i) Payments for child care services must be paid by the grantee directly to an eligible child care provider and cannot exceed a maximum of 6 months in

## § 62.34

## 38 CFR Ch. I (7–1–25 Edition)

a 12-month period, and 10 months during a 2-year period, such period beginning on the date that the grantee first pays for child care services on behalf of the participant. For extremely low-income veteran families, payments for child care services on behalf of that participant cannot exceed 9 months in a 12-month period and 12 months during a 2-year period, such period beginning on the date that the grantee first pays for child care services on behalf of the participant.

(iii) Payments for child care services cannot be provided on behalf of participants for the same period of time and for the same cost types that are being provided through another Federal, State or local subsidy program.

(iv) As a condition of providing payments for child care services, the grantee must help the participant develop a reasonable plan to address the participant's future ability to pay for child care services. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

(i) Housing counseling, which includes the provision of counseling relating to the stabilization of a participant's residence in permanent housing. At a minimum, housing counseling includes providing referrals to appropriate local, tribal, State, and Federal resources, and providing counseling, education and outreach directly to participants on the following topics, as appropriate:

(1) Housing search assistance, including the location of vacant units, the scheduling of appointments, viewing apartments, reviewing tenant leases, and negotiating with landlords on behalf of a participant;

(2) Rental and rent subsidy programs;

(3) Federal, State, tribal, or local assistance;

(4) Fair housing;

(5) Landlord tenant laws;

(6) Lease terms;

(7) Rent delinquency;

(8) Resolution or prevention of mortgage delinquency, including, but not limited to, default and foreclosure, loss mitigation, budgeting, and credit; and

(9) Home maintenance and financial management.

### § 62.34 Other supportive services.

Grantees may provide the following services which are necessary for maintaining independent living in permanent housing and housing stability:

(a) *Rental assistance.* Payment of rent, penalties or fees to help the participant remain in permanent housing or obtain permanent housing.

(1) A participant may receive rental assistance for a maximum of 10 months during a 2-year period (consecutive or nonconsecutive), such period beginning on the date that the grantee first pays rent on behalf of the participant; however, a participant cannot receive rental assistance for more than 6 months in any 12-month period beginning on the date that the grantee first pays rent on behalf of the participant. For extremely low-income veteran families, payments for rent cannot exceed 9 months in any 12-month period and 12 months during a 2-year period, such period beginning on the date that the grantee first pays rent on behalf of the participant. The rental assistance may be for rental payments that are currently due or are in arrears, and for the payment of penalties or fees incurred by a participant and required to be paid by the participant under an existing lease or court order. In all instances, rental assistance may only be provided if the payment of such rental assistance will directly allow the participant to remain in permanent housing or obtain permanent housing.

(2) Rental assistance must be paid by the grantee directly to the third party to whom rent is owed.

(3) As a condition of providing rental assistance, the grantee must help the participant develop a reasonable plan to address the participant's future ability to pay rent. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

(4) The rental assistance paid by a grantee must be in compliance with the following “rent reasonableness” standard. “Rent reasonableness” means the total rent charged for a unit must be reasonable in relation to the rents being charged during the same time period for comparable units in the private unassisted market and must not be in excess of rents being charged by the property owner during the same time period for comparable non-luxury unassisted units. To make this determination, the grantee should consider:

- (i) The location, quality, size, type, and age of the unit; and
- (ii) Any amenities, housing services, maintenance, and utilities to be provided by the property owner. Comparable rents can be checked by using a market study, by reviewing comparable units advertised for rent, or using a note from the property owner verifying the comparability of charged rents to other units owned by the property owner. Prior to providing rental assistance in the form of payment of penalties or fees incurred by a participant, the grantee must determine that such penalties or fees are reasonable.

(5) With respect to shared housing arrangements, the rent charged for a participant must be in relation to the size of the private space for that participant in comparison to other private space in the shared unit, excluding common space. A participant may be assigned a pro rata portion based on the ratio derived by dividing the number of bedrooms in their private space by the number of bedrooms in the unit. Participation in shared housing arrangements must be voluntary.

(6) Rental assistance payments cannot be provided on behalf of participants for the same period of time and for the same cost types that are being provided through another Federal housing subsidy program; however, such payments may be provided even though the participant is receiving State and local housing subsidy funds as long as the total subsidy received (including payments under this section) does not exceed the rent.

(7) Grantees may require participants to share in the cost of rent as a condition of receiving rental assistance.

(8) Extremely low-income veteran families and very low-income veteran families who meet the criteria of §62.11 may be eligible to receive a rental subsidy as follows:

- (i) For a 2-year period without recertification.
- (ii) The applicable counties will be published annually in the FEDERAL REGISTER. A family must live in one of these applicable counties to be eligible for this subsidy. The counties will be chosen based on the cost and availability of affordable housing for both individuals and families within that county.
- (iii) The maximum amount of this rental subsidy is 50 percent of reasonable rent as defined by paragraph (a)(4) of this section. Grantees must collaborate with their local Continuum of Care (CoC) as defined at 24 CFR 578.3 to determine the proper subsidy amounts to be used by all grantees in each applicable county.

(iv) Grantees must provide a letter of support from their local CoC to the Supportive Services for Veteran Families (SSVF) Program Office when requesting VA approval of this subsidy. The SSVF Program Office must approve all subsidy requests before the subsidy is used.

(v) Very low-income veteran families may receive this subsidy for a period of two years before recertification minus the number of months in which the recipient received the rental assistance provided under paragraph (a)(1) of this section.

(vi) Extremely low-income veteran families may receive this subsidy for up to a 2-year period before recertification following receipt of rental assistance under paragraph (a)(1) of this section.

(vii) For any month, the total rental payments provided to a family under this paragraph (a)(8) cannot be more than the total amount of rent. Payment of this subsidy by a grantee must conform to the requirements set forth in paragraphs (a)(2) through (7) of this section. The rental subsidy amount will not change for the veteran family in the second year of the two-year period, even if the annual amount published changes.

(viii) A veteran family will not need to be recertified as a very low-income veteran family as provided for by § 62.36(a) during the initial two-year period. After an initial two-year period, a family receiving this subsidy, or a combination of the rental assistance under paragraph (a)(1) of this section and this subsidy, may continue to receive rental payments under this section, but would require recertification at that time and once every two years.

(b) *Utility-fee payment assistance.* Payment of utility fees to help the participant to remain in permanent housing or obtain permanent housing.

(1) A participant may receive payments for utilities for a maximum of 10 months during a 2-year period, such period beginning on the date that the grantee first pays utility fees on behalf of the participant; provided, however, that a participant cannot receive payments for utilities for more than 6 months in any 12-month period beginning on the date that the grantee first pays a utility payment on behalf of the participant. For extremely low-income veteran families, payments for utilities cannot exceed 9 months in any 12-month period and 12 months during a 2-year period, such periods beginning on the date that the grantee first pays a utility payment on behalf of the participant. The payment for utilities may be for utility payments that are currently due or are in arrears, provided that the payment of such utilities will allow the participant to remain in permanent housing or obtain permanent housing.

(2) Payments for utilities must be paid by the grantee directly to a utility company. Payments for utilities only will be available if a participant, a legal representative of the participant, or a member of his/her household, has an account in his/her name with a utility company or proof of responsibility to make utility payments, such as cancelled checks or receipts in his/her name from a utility company.

(3) As a condition of providing payments for utilities, the grantee must help the participant develop a reasonable plan to address the participant's future ability to pay utility payments. Grantees must assist the participant to implement such plan by providing any

necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

(4) Payments for utilities cannot be provided on behalf of participants for the same period of time and for the same cost types that are being provided through another Federal, State, or local program.

(5) Grantees may require participants to share in the cost of utility payments as a condition of receiving payments for utilities.

(c) *Deposits.* Payment of security deposits or utility deposits to help the participant remain in permanent housing or obtain permanent housing.

(1) A participant may receive assistance with the payment of a security deposit a maximum of one time in every 2-year period, such period beginning on the date the grantee pays a security deposit on behalf of a participant.

(2) A participant may receive assistance with the payment of a utility deposit a maximum of one time in every 2-year period, such period beginning on the date the grantee pays a utility deposit on behalf of a participant.

(3) Any security deposit or utility deposit must be paid by the grantee directly to the third party to whom the security deposit or utility deposit is owed. The payment of such deposit must allow the participant to remain in the participant's existing permanent housing or help the participant to obtain and remain in permanent housing selected by the participant.

(4) As a condition of providing a security deposit payment or a utility deposit payment, the grantee must help the participant develop a reasonable plan to address the participant's future housing stability. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

(5) Security deposits and utility deposits covering the same period of time in which assistance is being provided through another housing subsidy program are eligible, as long as they cover separate cost types.

(6) Grantees may require participants to share in the cost of the security deposit or utility deposit as a condition of receiving assistance with such deposit.

(d) *Moving costs.* Payment of moving costs to help the participant to obtain permanent housing.

(1) A participant may receive assistance with moving costs a maximum of one time in every 3-year period, such period beginning on the date the grantee pays moving costs on behalf of a participant.

(2) Moving costs assistance must be paid by the grantee directly to a third party. Moving costs assistance includes reasonable moving costs, such as truck rental, hiring a moving company, or short-term storage fees for a maximum of 3 months or until the participant is in permanent housing, whichever is shorter.

(3) As a condition of providing moving costs assistance, the grantee must help the participant develop a reasonable plan to address the participant's future housing stability. Grantees must assist the participant to implement such plan by providing any necessary assistance or helping the participant to obtain any necessary public or private benefits or services.

(4) Moving costs assistance payments cannot be provided on behalf of participants for the same period of time and for the same cost types that are being provided through another Federal, State, or local program.

(5) Grantees may require participants to share in the cost of moving as a condition of receiving assistance with moving costs.

(e) *General housing stability assistance.*

(1) A grantee may provide to a participant items necessary for a participant's life or safety on a temporary basis, in order to address a participant's emergency situation.

(2) A grantee may pay directly to a third party (and not to a participant), in an amount not to exceed \$1,800, per participant during any 2-year period, beginning on the date that the grantee first submits a payment to a third party. This cap will be adjusted annually based on the Consumer Price Index for all Urban Consumers (CPI-U). This

amount is for the following types of expenses:

(i) Expenses associated with gaining or keeping employment, such as obtaining uniforms, tools, certifications, and licenses.

(ii) Expenses associated with moving into permanent housing, such as obtaining basic kitchen utensils, bedding, and other supplies.

(iii) Expenses necessary for securing appropriate permanent housing, such as fees for housing applications, housing inspections, or background checks.

(3) A grantee may pay directly to a third party (and not to a participant) a reasonable amount for a broker's fee when such a third party has assisted in identifying permanent housing. The reasonableness of a fee will be determined based on conditions in the local housing market.

(f) *Emergency housing assistance.* If permanent housing, appropriate shelter beds and transitional housing are not available and subsequent rental housing has been identified generally but is not immediately available for move-in by the participant, then a grantee may place a participant in emergency housing, subject to the following limitations:

(1) Placement for a single veteran may not exceed 72 hours, unless the grantee can certify that appropriate shelter beds and transitional housing are still unavailable at the end of the 72 hour period.

(2) Placement for a veteran and his or her spouse with dependent(s) may not exceed 60 days.

(3) A participant may be placed in emergency housing only once during any 2-year period, beginning on the date that the grantee first pays for emergency housing on behalf of the participant.

(4) Permanent housing will be available before the end of the period during which the participant is placed in emergency housing.

(5) The cost of the emergency housing must be reasonable in relation to the costs charged for other available emergency housing considering the location, quality, size, and type of the emergency housing.

(g) *Other.* Other services as set forth in the Notice of Fund Availability or as

## § 62.35

approved by VA that are consistent with the Supportive Services for Veteran Families Program. Applicants may propose additional services in their supportive services grant application, and grantees may propose additional services by submitting a written request to modify the supportive services grant in accordance with § 62.60.

### **§ 62.35 Limitations on and continuations of the provision of supportive services to certain participants.**

(a) *Extremely low-income veteran families.* A participant classified as an extremely low-income veteran family will retain that designation as long as the participant continues to meet all other eligibility requirements.

(b) *Limitations on the provision of supportive services to participants classified under § 62.11(c).* (1) A grantee may provide supportive services to a participant classified under § 62.11(c) until the earlier of the following dates:

(i) The participant commences receipt of other housing services adequate to meet the participant's needs; or

(ii) Ninety days from the date the participant exits permanent housing.

(2) Supportive services provided to participants classified under § 62.11(c) must be designed to support the participants in their choice to transition into housing that is responsive to their individual needs and preferences.

(c) *Continuation of supportive services to veteran family member(s).* If a veteran becomes absent from a household or dies while other members of the veteran family are receiving supportive services, then such supportive services must continue for a grace period following the absence or death of the veteran. The grantee must establish a reasonable grace period for continued participation by the veteran's family member(s), but that period may not exceed 1 year from the date of absence or death of the veteran, subject to the requirements of paragraphs (a) and (b) of this section. The grantee must notify

## 38 CFR Ch. I (7–1–25 Edition)

the veteran's family member(s) of the duration of the grace period.

(d) *Referral for other assistance.* If a participant becomes ineligible to receive supportive services under this section, the grantee must provide the participant with information on other available programs or resources.

(e) *Families fleeing domestic violence.* Notwithstanding the limitations in § 62.34 concerning the maximum amount of assistance a family can receive during defined periods of time, a household may receive additional assistance if it otherwise qualifies for assistance under this Part and is fleeing from a domestic violence situation. A family may qualify for assistance even if the veteran is the aggressor or perpetrator of the domestic violence. Receipt of assistance under this provision resets the tolling period for the limitations on the maximum amount of support that can be provided in a given amount of time under § 62.34.

### **§ 62.36 General operation requirements.**

(a) *Eligibility documentation.* Prior to providing supportive services, grantees must verify and document each participant's eligibility for supportive services and classify the participant under one of the categories set forth in § 62.11. Grantees must recertify the participant's eligibility as a very low-income veteran family at least once every 3 months.

(b) *Confidentiality.* Grantees must maintain the confidentiality of records kept on participants. Grantees that provide family violence prevention or treatment services must establish and implement procedures to ensure the confidentiality of:

(1) Records pertaining to any individual provided services, and

(2) The address or location where the services are provided.

(c) *Notifications to participants.* (1) Prior to initially providing supportive services to a participant, the grantee must notify each participant of the following:

(i) The supportive services are being paid for, in whole or in part, by VA;

(ii) The supportive services available to the participant through the grantee's program; and

(iii) Any conditions or restrictions on the receipt of supportive services by the participant.

(2) The grantee must provide each participant with a satisfaction survey, which the participant can submit directly to VA, within 30 days of such participant's pending exit from the grantee's program.

(d) *Assessment of funds.* Grantees must regularly assess how supportive services grant funds can be used in conjunction with other available funds and services to assist participants.

(e) *Administration of supportive services grants.* Grantees must ensure that supportive services grants are administered in accordance with the requirements of this part, the supportive services grant agreement, and other applicable laws and regulations. Grantees are responsible for ensuring that any subcontractors carry out activities in compliance with this part.

(f) *Habitability standards.* (1) Grantees using supportive services grant funds to provide rental assistance, payments of utilities fees, security deposits, or utilities deposits, as set forth under § 62.34, on behalf of a participant moving into a new (different) housing unit will be required to conduct initial and any appropriate follow-up inspections of the housing unit into which the participant will be moving. Such inspections shall ensure that the housing unit meets the conditions set forth in 24 CFR 583.300(b) and do not require the use of a certified inspector. Inspections should occur no later than three (3) working days after the housing unit has been identified to the SSVF grantee, unless the Alternative Inspection Method is used to meet the requirements of this paragraph.

(2) *Alternative inspection method.* An inspection of a property will be valid for purposes of this paragraph if:

(i) The inspection was conducted pursuant to the requirements of a Federal, State, or local housing program (including, but not limited to, the Home investment partnership program under title II of the Cranston-Gonzalez National Affordable Housing Act or the low-income housing tax credit program

under section 42 of the Internal Revenue Code of 1986);

(ii) If the inspection was not conducted pursuant to the requirements of a Federal housing program, the public housing agency has certified to the Secretary that such standard or requirement provides the same (or greater) protection to occupants of inspected dwelling units;

(iii) Pursuant to the inspection, the property was determined to meet the requirements regarding housing quality or safety applicable to properties assisted under such program; and

(iv) The inspection was conducted within the past 2 years.

(g) *Continuum of Care coordinated assessment.* Grantees must participate in the development, implementation, and ongoing operations of their local Continuum of Care's coordinated assessment system, or equivalent, as described in the McKinney-Vento Act, as amended by the HEARTH Act (42 U.S.C. 11302).

(b) Construction or rehabilitation of buildings.

**§ 62.40**

(c) Home care and home health aides typically used to provide care in support of daily living activities. This includes care that is focused on treatment for an injury or illness, rehabilitation, or other assistance generally required to assist those with handicaps or other physical limitations.

(a) The location for obtaining supportive services grant applications;

(b) The date, time, and place for submitting completed supportive services grant applications;

(c) The estimated amount and type of supportive services grant funding available;

**§ 62.50 Supportive services grant agreements.**

(a) After an applicant is selected for a supportive services grant in accordance with § 62.23, VA will draft a supportive services grant agreement to be executed by VA and the applicant. Upon execution of the supportive services grant agreement, VA will obligate supportive services grant funds to cover the amount of the approved supportive services grant, subject to the availability of funding. The supportive services grant agreement will provide that the grantee agrees, and will ensure that each subcontractor agrees, to:

(1) Operate the program in accordance with the provisions of this part and the applicant's supportive services grant application;

(2) Comply with such other terms and conditions, including recordkeeping and reports for program monitoring and evaluation purposes, as VA may establish for purposes of carrying out the Supportive Services for Veteran Families Program, in an effective and efficient manner; and

(3) Provide such additional information as deemed appropriate by VA.

(b) After a grantee is selected for renewal of a supportive services grant in accordance with § 62.25, VA will draft a supportive services grant agreement to be executed by VA and the grantee. Upon execution of the supportive services grant agreement, VA will obligate supportive services grant funds to cover the amount of the approved supportive services grant, subject to the availability of funding. The supportive services grant agreement will contain the same provisions described in paragraph (a) of this section.

(c) No funds provided under this part may be used to replace Federal, State, tribal, or local funds previously used, or designated for use, to assist very low-income veteran families.

## Department of Veterans Affairs

## § 62.62

forth in the Notice of Fund Availability.

(Authority: 38 U.S.C. 501, 2044)

### **§ 62.60 Program or budget changes and corrective action plans.**

(a) A grantee must submit to VA a written request to modify a supportive services grant for any proposed significant change that will alter the supportive services grant program. If VA approves such change, VA will issue a written amendment to the supportive services grant agreement. A grantee must receive VA's approval prior to implementing a significant change. Significant changes include, but are not limited to, a change in the grantee or any subcontractors identified in the supportive services grant agreement; a change in the area or community served by the grantee; additions or deletions of supportive services provided by the grantee; a change in category of participants to be served; and a change in budget line items that are more than 10 percent of the total supportive services grant award.

(1) VA's approval of changes is contingent upon the grantee's amended application retaining a high enough rank to have been competitively selected for funding in the year that the application was granted.

(2) Each supportive services grant modification request must contain a description of the revised proposed use of supportive services grant funds.

(b) VA may require that the grantee initiate, develop and submit to VA for approval a Corrective Action Plan (CAP) if, on a quarterly basis, actual supportive services grant expenditures vary from the amount disbursed to a grantee for that same quarter or actual supportive services grant activities vary from the grantee's program description provided in the supportive services grant agreement.

(1) The CAP must identify the expenditure or activity source that has caused the deviation, describe the reason(s) for the variance, provide specific proposed corrective action(s), and provide a timetable for accomplishment of the corrective action.

(2) After receipt of the CAP, VA will send a letter to the grantee indicating that the CAP is approved or dis-

approved. If disapproved, VA will make beneficial suggestions to improve the proposed CAP and request resubmission, or take other actions in accordance with this part.

(c) Grantees must inform VA in writing of any key personnel changes (e.g., new executive director, supportive services grant program director, or chief financial officer) and grantee address changes within 30 days of the change.

(The Office of Management and Budget has approved the information collection provisions in this section under control number 2900-0757)

[75 FR 68979, Nov. 10, 2010, as amended at 80 FR 9613, Feb. 24, 2015]

### **§ 62.61 Procedural error.**

If an applicant would have been selected but for a procedural error committed by VA, VA may select that applicant for funding when sufficient funds become available if there is no material change in the information that would have resulted in the applicant's selection. A new application will not be required for this purpose.

(Authority: 38 U.S.C. 501, 2044)

### **§ 62.62 Faith-based organizations.**

(a) Organizations that are faith-based are eligible, on the same basis as any other organization, to participate in the Supportive Services for Veteran Families Program under this part. Decisions about awards of Federal financial assistance must be free from political interference or even the appearance of such interference and must be made on the basis of merit, not on the basis of religion or religious belief or lack thereof.

(b)(1) No organization may use direct financial assistance from VA under this part to pay for any of the following:

(i) Explicitly religious activities such as, religious worship, instruction, or proselytization; or

(ii) Equipment or supplies to be used for any of those activities.

(2) For purposes of this section, "indirect Federal financial assistance" means Federal financial assistance in

§ 62.63

38 CFR Ch. I (7–1–25 Edition)

which a service provider receives program funds through a voucher, certificate, agreement, or other form of disbursement, wholly as a result of the genuinely independent and private choice of a beneficiary, not a choice of the Government. The availability of adequate secular alternatives is a significant factor in determining whether a program affords true private choice. “Direct Federal financial assistance” means Federal financial assistance received by an entity selected by the Government or a pass-through entity as defined in 38 CFR 50.1(d) to provide or carry out a service (*e.g.*, by contract, grant, or cooperative agreement). References to “financial assistance” will be deemed to be references to direct Federal financial assistance, unless the referenced assistance meets the definition of “indirect Federal financial assistance” in this paragraph (b)(2).

(c) Organizations that engage in explicitly religious activities, such as worship, religious instruction, or proselytization, must offer those services separately in time or location from any programs or services funded with direct financial assistance from VA under this part, and participation in any of the organization’s explicitly religious activities must be voluntary for the beneficiaries of a program or service funded by direct financial assistance from VA under this part.

(d) A faith-based organization that participates in the Supportive Services for Veteran Families Program under this part will retain its independence from Federal, State, or local governments and may continue to carry out its mission, including the definition, practice and expression of its religious beliefs, provided that it does not use direct financial assistance from VA under this part to support any explicitly religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide VA-funded services under this part, without concealing, removing, or altering religious art, icons, scripture, or other religious symbols. In addition, a VA-funded faith-based organization retains its authority over its internal governance, and it may retain religious terms in its

organization’s name, select its board members and otherwise govern itself on a religious basis, and include religious reference in its organization’s mission statements and other governing documents.

(e) An organization that participates in a VA program under this part shall not, in providing direct program assistance, discriminate against a program beneficiary or prospective program beneficiary regarding housing, supportive services, or technical assistance, on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

(f) If a State or local government voluntarily contributes its own funds to supplement federally funded activities, the State or local government has the option to segregate the Federal funds or commingle them. However, if the funds are commingled, this provision applies to all of the commingled funds.

(g) To the extent otherwise permitted by Federal law, the restrictions on explicitly religious activities set forth in this section do not apply where VA funds are provided to faith-based organizations through indirect assistance wholly as a result of a genuinely independent and private choice of a beneficiary, provided the faith-based organizations otherwise satisfy the requirements of this part. A faith-based organization may receive such funds as the result of a beneficiary’s genuine and independent choice if, for example, a beneficiary redeems a voucher, coupon, or certificate, allowing the beneficiary to direct where funds are to be paid, or a similar funding mechanism provided to that beneficiary and designed to give that beneficiary a choice among providers.

**§ 62.63 Visits to monitor operations and compliance.**

(a) VA has the right, at all reasonable times, to make visits to all grantee locations where a grantee is using supportive services grant funds in order to review grantee accomplishments and management control systems and to provide such technical assistance as may be required. VA may

conduct inspections of all program locations and records of a grantee at such times as are deemed necessary to determine compliance with the provisions of this part. In the event that a grantee delivers services in a participant's home, or at a location away from the grantee's place of business, VA may accompany the grantee. If the grantee's visit is to the participant's home, VA will only accompany the grantee with the consent of the participant. If any visit is made by VA on the premises of the grantee or a subcontractor under the supportive services grant, the grantee must provide, and must require its subcontractors to provide, all reasonable facilities and assistance for the safety and convenience of the VA representatives in the performance of their duties. All visits and evaluations will be performed in such a manner as will not unduly delay services.

(b) The authority to inspect carries with it no authority over the management or control of any applicant or grantee under this part.

(Authority: 38 U.S.C. 501, 2044)

**§ 62.70 Financial management and administrative costs.**

(a) Grantees must comply with applicable requirements of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards under 2 CFR part 200.

(b) Grantees must use a financial management system that provides adequate fiscal control and accounting records and meets the requirements set forth in 2 CFR part 200.

(c) Payment up to the amount specified in the supportive services grant must be made only for allowable, allocable, and reasonable costs in conducting the work under the supportive services grant. The determination of allowable costs must be made in accordance with the applicable Federal Cost Principles set forth in 2 CFR part 200.

(d) Grantees are subject to the Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and other Non-Profit Organizations, codified at 38 CFR Part 49.

(e) Costs for administration by a grantee must not exceed 10 percent of the total amount of the supportive services grant. Administrative costs will consist of all direct and indirect costs associated with the management of the program. These costs will include the administrative costs, both direct and indirect, of subcontractors.

**§ 62.71 Grantee reporting requirements.**

(a) VA may require grantees to provide, in such form as may be prescribed, such reports or answers in writing to specific questions, surveys, or questionnaires as VA determines necessary to carry out the Supportive Services for Veteran Families Program.

(b) If, on a quarterly basis, actual supportive services grant expenditures vary from the amount disbursed to a grantee for that same quarter or actual supportive services grant activities vary from the grantee's program description provided in the supportive services grant agreement, grantees must report the deviation to VA.

NOTE TO PARAGRAPH (b): For information on corrective action plans, which may be required in this circumstance, see § 62.60.

(c) At least once per year, or at the frequency set by VA, each grantee must submit to VA a report containing information relating to operational effectiveness, fiscal responsibility, supportive services grant agreement compliance, and legal and regulatory compliance, including a description of the use of supportive services grant funds, the number of participants assisted, the types of supportive services provided, and any other information that VA may request.

(d) Grantees must relate financial data to performance data and develop unit cost information whenever practical.

(e) All pages of the reports must cite the assigned supportive services grant number and be submitted in a timely manner.

## § 62.72

(f) Grantees must provide VA with consent to post information from reports on the Internet and use such information in other ways deemed appropriate by VA. Grantees shall clearly mark information that is confidential to individual participants.

(Authority: 38 U.S.C. 501, 2044)

### § 62.72 Recordkeeping.

Grantees must ensure that records are maintained for at least a 3-year period to document compliance with this part. Grantees must produce such records at VA's request.

(Authority: 38 U.S.C. 501, 2044)

### § 62.73 Technical assistance.

VA will provide technical assistance, as necessary, to eligible entities to meet the requirements of this part. Such technical assistance will be provided either directly by VA or through grants or contracts with appropriate public or non-profit private entities.

(Authority: 38 U.S.C. 501, 2044, 2064)

### § 62.80 Withholding, suspension, deobligation, termination, and recovery of funds by VA.

(a) *Recovery of funds.* VA will recover from the grantee any supportive services grant funds that are not used in accordance with the requirements of this part. VA will issue to the grantee a notice of intent to recover supportive services grant funds. The grantee will then have 30 days to submit documentation demonstrating why the supportive services grant funds should not be recovered. After review of all submitted documentation, VA will determine whether action will be taken to recover the supportive services grant funds.

(b) *VA actions when grantee fails to comply.* When a grantee fails to comply with the terms, conditions, or standards of the supportive services grant, VA may, on 7-days notice to the grantee, withhold further payment, suspend the supportive services grant, or prohibit the grantee from incurring additional obligations of supportive services grant funds, pending corrective action by the grantee or a decision to terminate in accordance with paragraph (c) of this section. VA will allow all

## 38 CFR Ch. I (7–1–25 Edition)

necessary and proper costs that the grantee could not reasonably avoid during a period of suspension if such costs meet the provisions of the applicable Federal Cost Principles.

(c) *Termination.* Supportive services grants may be terminated in whole or in part only if paragraphs (c)(1), (2), or (3) of this section apply.

(1) By VA, if a grantee materially fails to comply with the terms and conditions of a supportive services grant award and this part.

(2) By VA with the consent of the grantee, in which case VA and the grantee will agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the grantee upon sending to VA written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if VA determines in the case of partial termination that the reduced or modified portion of the supportive services grant will not accomplish the purposes for which the supportive services grant was made, VA may terminate the supportive services grant in its entirety under either paragraphs (c)(1) or (2) of this section.

(d) *Deobligation of funds.* (1) VA may deobligate all or a portion of the amounts approved for use by a grantee if:

(i) The activity for which funding was approved is not provided in accordance with the approved application and the requirements of this part;

(ii) Such amounts have not been expended within a 1-year period from the date of the signing of the supportive services grant agreement;

(iii) Other circumstances set forth in the supportive services grant agreement authorize or require deobligation.

(2) At its discretion, VA may re-advertise in a Notice of Fund Availability the availability of funds that have been deobligated under this section or award deobligated funds to an applicant or existing grantee. If VA chooses to award deobligated funds to an applicant or existing grantee, funds will be awarded as follows:

## Department of Veterans Affairs

## § 63.2

(i) VA will first offer to award the deobligated funds to the applicant or grantee with the highest grant score under the relevant Notice of Fund Availability that applied for or was awarded funds in the same community as, or proximate community to, the affected community. Such applicant or grantee must have the capacity and agree to provide prompt services to the affected community. Under this section the relevant Notice of Fund Availability is the most recently published Notice of Fund Availability which covers the geographic area that includes the affected community, or for multi-year grant awards, the most recently published Notice of Fund Availability which covers the geographic area that includes the affected community for which the grantee, who is offered the additional funds, received the multi-year award.

(ii) If the first such applicant or grantee offered the deobligated funds refuses the funds, VA will offer to award funds to the next highest-ranked such applicant or grantee, per to the criteria in paragraph (d)(2)(i) of this section, and continue on in rank order until all deobligated funds are awarded.

### § 62.81 Supportive services grant closeout procedures.

Supportive services grants will be closed out in accordance with the following procedures upon the date of completion:

(a) No later than 90 days after the date of completion, the grantee must refund to VA any unobligated (unencumbered) balance of supportive services grant funds that are not authorized by VA to be retained by the grantee.

(b) No later than 90 days after the date of completion, the grantee must submit all financial, performance and other reports required by VA to close-out the supportive services grant. VA may authorize extensions when requested by the grantee.

(c) If a final audit has not been completed prior to the date of completion, VA retains the right to recover an appropriate amount after considering the

recommendations on disallowed costs once the final audit has been completed.
