Proposed changes to the approved work plan must receive the written approval of ANA prior to implementation by the recipient.

(b) ANA will negotiate the approved project goals, objectives, work plan, and the funding level for each budget period with each recipient.

(c) The evaluation for the purpose of making an approval decision on each proposed work plan will take into account the proposal's conformance with ANA program purposes and the recipient's past performance and accomplishments.

(Approved by the Office of Management and Budget under control number 0980-0016)

(a) An applicant, which has had its application rejected either because it has been found ineligible or because the activities it proposes are ineligible for funding by the Commissioner of ANA, may appeal the Commissioner's ruling to the HHS Departmental Appeals Board, in writing, within 30 days following receipt of ineligibility notification.

(Approved by the Office of Management and Budget under control numbers 0980-0155 and 0980-0144)

Subpart E—Financial Assistance Provisions

§ 1336.50 Financial and administrative requirements.

(a) *General.* The following HHS regulations apply to all grants awarded under this part:

45 CFR Part 16 Department grant appeals process.

45 CFR Part 46 Protection of human subjects.

45 CFR part 75—Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards

45 CFR Part 80 Nondiscrimination under programs receiving Federal assistance through the Department of Health and Human Services—Effectuation of title VI of the Civil Rights Act of 1964.

45 CFR Part 81 Practice and procedure for hearing under part 80.

45 CFR Part 84 Nondiscrimination on the basis of handicap in federally assisted programs.

§ 1336.50

45 CFR Part 86 Nondiscrimination on the basis of sex in education programs and activities receiving or benefiting from Federal financial assistance.

45 CFR Part 91 Nondiscrimination on the basis of age in programs or activities receiving Federal financial assistance from HHS.

(b) *Cost sharing or matching*—(1) *Policy*. Recipients of financial assistance under sections 803, 804, and 805 of the Act are required to provide a matching share of 20 percent of the approved cost of the assisted project.

This requirement may be waived in accordance with the criteria in § 1336.50(b)(3). The matching share requirement may be met using either cash or in-kind contributions.

(2) *Application*. If an applicant or recipient wishes to request a waiver of the requirement for a 20 percent non-Federal matching share, the following conditions must be met:

(i) If an applicant for an initial award or an applicant for a non-competing continuation award anticipates that it will be unable to meet the cost-sharing or matching requirement, the applicant may request a waiver of the 20 percent non-Federal matching share. It must include with its application for funding, the submission of a revised SF424A, a written justification that clearly explains why the applicant cannot provide the matching share including the amount of non-Federal share to be waived, and how it meets the criteria indicated in paragraph (b)(3) of this section. For an applicant for an initial award, or an applicant seeking a non-competing continuation award, a request for a waiver must be submitted at the time of the initial application or non-competing continuation (NCC) application.

(ii) If a recipient is unable to contribute part or all of the required non-Federal matching share during a budget period due to an emergency situation such as a natural disaster, man-made disaster, act of terrorism, public health emergency, or other qualifying event, the recipient may request a waiver of all or part of the requirement for a 20 percent non-Federal matching share specified under paragraph (b)(1) of this section. Any requests for an

45 CFR Ch. XIII (10–1–24 Edition)

emergency waiver may be submitted at any time during a budget period as soon as the adverse effect is known to the recipient and must be submitted in accordance with the requirements specified in paragraph (b)(3) of this section.

(3) *Criteria*. Both of the following criteria must be met for an applicant or recipient to be eligible for a waiver of the non-Federal matching requirement:

(i) Applicant or recipient lacks the available resources to meet part or all of the non-Federal matching requirement. This must be documented by an institutional audit if available, or a full disclosure of applicant's or recipient's total assets and liabilities.

(ii) Applicants or recipients can document that reasonable efforts to obtain cash or in-kind contributions for the purposes of the project from third parties have been unsuccessful, including evidence and the results of such attempts. Evidence of such efforts can include letters from possible sources of funding or any relevant correspondence, indicating that the requested resources are not available for that project. The requests must be appropriate to the source in terms of project purpose, applicant eligibility, and reasonableness of the request.

(4) *Approval*. For a waiver to be approved, ANA must determine that it will not prevent the award of other grants at levels it believes are desirable for the purposes of the program. Waiver of all or part of the non-Federal share shall apply only to the budget period for which application was made.

(c) *Maintenance of effort*. (1) Applications for financial assistance under this Part must include either a statement of compliance with the maintenance of effort requirement contained in section 803(c) of the Act, or a request for a waiver, in accordance with criteria established in this paragraph.

(2) To be eligible for a waiver of the maintenance of effort requirement, the applicant must demonstrate to ANA that the organization whose funds previously supported the project discontinued its support:

(i) As a result of funding limitations; and

(ii) Not as a result of an adverse evaluation of the project's purpose or the manner in which it was conducted; and

(iii) Not because it was anticipated that Federal funds would replace the original source of project funding.

(3) In addition, the applicant must demonstrate in the request for a waiver that the maintenance of effort requirement would result in insurmountable hardship for the recipient or would otherwise be inconsistent with the purposes of this part.

(d) *Delegation of project operations.* (1) Each subgrant awarded to a delegate agency must have specific prior approval by ANA. Such delegation must be formalized by written agreement.

(2) The agreement must specify the activities to be performed by the delegate agency, the time schedule, the policies and procedures to be followed, the dollar limitations, and the costs allowed. The applicant must submit a budget for each delegate agency as part of its application.

(e) *Unallowable costs.* ANA funds may not be used by recipients to purchase real property.

(f) *Office of the Chief Executive.* The costs of salaries and expenses of the Office of Chief Executive of a federally recognized Indian tribal government (as defined in §75.2 of this title) are allowable, provided that such costs exclude any portion of salaries and expenses of the Office of Chief Executive that are a cost of general government and provided they are related to a project assisted under this part.

[48 FR 55821, Dec. 15, 1983, as amended at 81 FR 3022, Jan. 20, 2016; 88 FR 12226, Feb. 27, 2023]

§ 1336.51 Project period.

The Notice of Financial Assistance Awarded will specify the period for which support is intended, although the Department makes funding commitments only for one budget period at a time. Financial assistance under section 803 of the Act may be ongoing, subject to policy decisions and funding limitations.

§ 1336.52 Appeals.

(a) *Right to appeal.* Recipients whose financial assistance has been suspended

or terminated, or whose non-competing continuation applications for refunding have been denied, may appeal such decisions using the procedures described in this section. Denial of an application for refunding means the refusal to fund a non-competing continuation application for a budget period within a previously approved project period.

(b) *Suspension, termination, and denial of funding.* Procedures for and definitions of suspension and termination of financial assistance are published in 45 CFR 75.371 through 75.380. Appeals from a denial of refunding will be treated the same procedurally as appeals to termination of financial assistance. The term "denial of refunding" does not include policy decisions to eliminate one or more activities of an approved project. A decision not to fund an application at the end of the recipients's project period is not a "denial of refunding" and is not subject to appeal.

(c) *Hearings.* (1) A recipient shall be given an initial written notice at least thirty (30) days prior to the suspension or termination of financial assistance except in emergency situations, which occur when Federal property is in imminent danger of dissipation, or when life, health, or safety is endangered. During this period of time, the recipient has the opportunity to show cause to ANA why such action should not be taken.

(2) A recipient who has received final written notice of termination or denial of refunding, or whose financial assistance will be suspended for more than 30 days, or who has other appealable disputes with ANA as provided by 45 CFR part 16 may request review by the Departmental Grant Appeals Board under the provisions of 45 CFR part 16.

(3) If a recipient appeals a suspension of more than 30 days which subsequently results in termination of financial assistance, both actions may be considered simultaneously by the Departmental Grant Appeals Board.

- (5) The ability to properly utilize financing.

45 CFR Ch. XIII (10-1-24 Edition)

(b) *Application process*. The application package includes forms, instructions, and policies and procedures for the loan application. The package must also include instructions for the development of a business and marketing plan and a financing proposal from the applicant.

(c) *Loan evaluation criteria and procedures*. The loan evaluation must include the following topics:

(1) General and specific business trends;

(2) Potential market for the product or service;

(3) Marketing strategy;

(4) Management skills of the borrower;

(5) Operational plan of the borrower;

(e) *Loan closing process*. The guidelines for the loan closing process include the finalization of loan terms; conditions and covenants; the exercise of reasonable and proper care to ensure adherence of the proposed loan and borrower's operations to legal requirements; and the assurance that any requirement for outside financing or other actions on which disbursement is contingent are met by the borrower.

(f) *Loan closing documents*. Documents used in the loan closing process include:

§ 1336.67 Security and collateral: Responsibilities of the Loan Administrator.

The Loan Administrator may require any applicant for a loan from the RLF to provide such collateral as the Loan Administrator determines to be necessary to secure the loan. (Section 803A(b)(3))

(a) *As a Credit Factor*. The availability of collateral security normally is considered an important factor in making loans. The types and amount of collateral security required should be governed by the relative strengths and weaknesses of other credit factors. The taking of collateral as security should be considered with respect to each loan. Collateral security should be sufficient to provide the lender reasonable protection from loss in the case of adversity, but such security or lack thereof should not be used as the primary basis for deciding whether to extend credit.

(b) *Security Interests*. Security interests which may be taken by the lender include, but are not limited to, liens on real or personal property, including leasehold interests; assignments of income and accounts receivable; and liens on inventory or proceeds of inventory sales as well as marketable securities and cash collateral accounts.

(1) *Motor vehicles*. Liens ordinarily should be taken on licensed motor ve-

hicles, boats or aircraft purchased hereunder in order to be able to transfer title easily should the lender need to declare a default or repossess the property.

(2) *Insurance on property secured*. Hazard insurance up to the amount of the loan or the replacement value of the property secured (whichever is less) must be taken naming the lender as beneficiary. Such insurance includes fire and extended coverage, public liability, property damage, and other appropriate types of hazard insurance.

(3) *Appraisals*. Real property serving as collateral security must be appraised by a qualified appraiser. For all other types of property, a valuation shall be made using any recognized, standard technique (including standard reference manuals), and this valuation shall be described in the loan file.

(c) *Additional security*. The lender may require collateral security or additional security at any time during the term of the loan if after review and monitoring an assessment indicates the need for such security.

§ 1336.68 Defaults, uncollectible loans, liquidations: Responsibilities of the Loan Administrator.

(a) Prior to making loans from the RLF, the Loan Administrator will develop and obtain the Commissioner's approval for written procedures and definitions pertaining to defaults and collections of payments. (section 803A(b)(4))

(b) The Loan Administrator will provide a copy of such procedures and definitions to each applicant for a loan at the time the application is made. (section 803A(b)(4))

(c) The Loan Administrator will report to the Commissioner whenever a loan recipient is 90 days in arrears in the repayment of principal or interest or has failed to comply with the terms of the loan agreement. After making reasonable efforts to collect amounts payable, as specified in the written procedures, the Loan Administrator shall notify the Commissioner whenever a loan is uncollectible at reasonable cost. The notice shall include recommendations for future action to be taken by the Loan Administrator. (section 803A(c)(1) and (2))

§ 1336.69

45 CFR Ch. XIII (10-1-24 Edition)

(10) To liquidate or arrange for the operation of economic enterprises financed with the revolving loan until the indebtedness is paid or until the Loan Administrator has received acceptable assurance of its repayment and compliance with the terms of the loan agreement. (Section 803A(c)(2)(B))

§ 1336.69 Reporting requirements: Responsibilities of the Loan Administrator.
