The notice shall be in large print and posted in a conspicuous place. In addition, the carrier shall, upon request, make its tariffs available at that location as soon as possible but not later than within 20 days, or provide the sought information orally if satisfactory to the requestor.

(e) Any publication referred to in a tariff must be maintained with that tariff.

(f) If any tariff maintained pursuant to paragraph (b) of this section has not been used for a substantial length of time, the availability of that tariff, including its reissues, may be discontinued at that office until such time as it is again requested. It shall then be made available within 20 days.

### § 1312.2 Requirement to publish and file a tariff.

(a) *Requirement for tariff.* Except when providing transportation for charitable purposes without charge, or when providing transportation or service described in § 1312.1(b), carriers subject to the Board's jurisdiction under 49 U.S.C. ## § 1312.4

(c) *Other information.* Provisions for information purposes only may be included in a tariff, provided they are clearly identified as such. Such provisions may include rates and service terms covering transportation not subject to regulation by the Board, and advertising and promotional material.

(d) *Effect of filing.* The tender of a tariff and its receipt and acceptance by the Board do not relieve a carrier of liability for violations of the Act, other laws, the Board's regulations, or any decision of the Board or a court, or have any effect on the rights of persons to file complaints for substantive violations of the Act or the Board's regulations.

(e) *Invalidation of tariffs.* Tariffs that violate section 13702 of the Act, or a regulation of the Board carrying out that section, may be invalidated by the Board. ### § 1312.3 Tariff contents and standards; Essential criteria.

(a) *Contents.* Tariffs filed with the Board, including tariffs published, filed, and kept electronically in accordance with § 1312.4(b), must: Be filed in English; include an accurate description of the services offered to the public; provide the specific applicable rates explicitly stated in U.S. dollars and cents (or the basis for calculating the specific applicable rates) and service terms; and be arranged in a way that allows for the determination of the exact rate(s) and service terms applicable to any given shipment (or to any given group of shipments). Tariffs that are electronically kept on the internet must also provide the date on which a new tariff or any change in any tariff matter first appears on the internet and the date on which it becomes effective.

(b) *Use of multiple tariffs.* All information necessary to determine applicable rates and service terms for a given shipment need not be contained in a single tariff, but if multiple tariffs are used to convey that information, the

tariff containing the rates must make specific reference (by STB tariff designation) to all other tariffs required to determine applicable rates and service terms, and the carrier(s) party to the rates must participate in all of the tariffs so linked.

(c) *Clarity.* Tariff information must be presented in a way that facilitates the determination of the prices and services offered, and the related service terms. Ambiguous terms and complex methods of presentation shall not be used.

(d) *Explanations.* Reference marks and abbreviations, other than commonly used abbreviations, shall be explained either in the item in which they are used or in a separate item.

### § 1312.4 Filing of tariffs.

(a) *Paper filing requirements.* (1) Two copies of each tariff publication shall be filed with the Board. Packages containing tariff filings should be prominently marked "TARIFF FILING" and addressed to: Office of Public Assistance, Governmental Affairs and Compliance, Surface Transportation Board, Washington, DC 20423-0001. Tariffs shall be printed on paper not larger than 8½ x 11 inches.

(2) A paper tariff filing must be accompanied by an authorized document of transmittal identifying each publication filed, and by the appropriate filing fee (see 49 CFR part 1002). Acknowledgement of Board receipt of a paper tariff filing can be obtained by enclosing a duplicate transmittal letter and a postage-paid, self-addressed return envelope. Each transmittal letter shall clearly indicate in the upper left-hand corner thereof:

- (i) The assigned alpha code of the issuing carrier or agent;
- (ii) The number of pages transmitted;
- (iii) The filing fee enclosed method of payment (pursuant to 49 CFR 1002.2(a)); and
- (iv) The transmittal number if the filer utilizes transmittal numbers.

(b) *Electronic filing requirements.* As an alternative to the paper tariff filing procedures set forth in paragraph (a) of this section, a water carrier may file its tariffs electronically in accordance

## § 1312.5

## 49 CFR Ch. X (10–1–24 Edition)

with the procedures and requirements of this section. Tariffs published, filed, and kept electronically in accordance with the requirements of this section shall be deemed to be on file with the Board for purposes of 49 U.S.C. 13702(b).

(1) *Annual certification.* A water carrier that seeks to file its tariff electronically must electronically file an annual certification with the Board, made by the water carrier's duly authorized corporate officer. The annual certification must be submitted to the Board on the first business day in October each year. The Director of the Office of Public Assistance, Governmental Affairs, and Compliance or a designee will acknowledge receipt of each carrier's certification in writing. The annual certification shall include the following:

- (i) Certification that it is a water carrier operating in the noncontiguous domestic trade subject to the Board's jurisdiction;
- (ii) Certification that it is in compliance with the regulations of this section for purposes of publishing, filing, and keeping its tariff electronically;
- (iii) Certification that it is in compliance with all other regulations in this part, except those specifically applicable to tariffs maintained in paper format;
- (iv) An active link to the internet address of tariffs;
- (v) The assigned alpha code of the issuing carrier or agent; and
- (vi) Confirmation of electronic payment of the filing fee (pursuant to 49 CFR 1002.2(a)).

(2) *Sample text for the annual certification.*

[Name of Director, Office of Public Assistance, Governmental Affairs, and Compliance], Office of Public Assistance, Governmental Affairs and Compliance, Surface Transportation Board, Washington, DC.

Dear Director: I, [name of signor], certify that I am [title of office] of [name of water carrier], a water carrier operating in the noncontiguous domestic trade subject to the jurisdiction of the Surface Transportation Board, that [name of water carrier] is in compliance with the regulations at part 1312 for purposes of publishing, filing, and keeping its tariff electronically, and

that it is in compliance with all other regulations at part 1312, except those specifically applicable to tariffs maintained in paper format.

The internet address where [name of water carrier]'s tariffs can be located is:

This internet address is current as of [date].

I further declare (certify, verify or state) under penalty of perjury [“under the laws of the United States of America” if executed outside of the United States of America] that the foregoing is true and correct. Executed on [date].

Sincerely,

[signature of a duly authorized corporate officer of water carrier]

(3) *Tariff access requirement.* (i) A water carrier must provide the Board with at least two business days advance notice of any planned outage when its tariff will not be available on the internet, and prompt notice on any occasion when the tariff becomes unavailable due to circumstances beyond the carrier's control. Notice shall be submitted by email to [tariffs@stb.gov](mailto:tariffs@stb.gov). In the event of any outage, carriers are required to make alternative arrangements with the agency to ensure that the Board receives the tariffs in effect during the outage.

(ii) A water carrier may establish reasonable registration requirements for purposes of public access to its current tariff and historical tariff information, such as requiring a user to provide his or her name and email address; however, such requirements may not limit tariff access to any particular group or class of users (such as shippers or potential shippers) or impose unreasonable burdens on the user, such as access fees or a showing of need.

(4) *Historical tariff information and archiving.* Tariffs kept on the internet by a water carrier must allow the Board and the public to retrieve historical versions, including all rates and applicable rules, for a period of not less than five years, beginning on the date when a carrier first electronically files its tariffs under these regulations.

### § 1312.5 Amendments to tariffs.

(a) *Manner of making changes.* An amendment is a change in, addition to,

or cancellation of part of a tariff. Supplements are the tariff publications used to amend bound tariffs, and new or revised pages are the tariff publications normally used to amend looseleaf tariffs, although looseleaf tariffs can also be amended by supplements. Tariffs can also be canceled by new or re-issued tariffs (see § 1312.7).

(b) *Supplements.* Supplements issued to amend a tariff shall be consecutively numbered. Each new supplement shall identify any supplement(s) that it cancels, and any supplement(s) that are still in effect. A tariff amendment published in a supplement may be carried forward to later supplements if it is identified as reissued without change from the supplement in which it was originally published.

(c) *Looseleaf pages.* Looseleaf pages to an original tariff shall be designated as "Original" (e.g., Original Title Page, Original Page 1, Original Page 2, etc.). Looseleaf pages issued to amend the tariff shall bear consecutive revision numbers and shall cancel the prior version(s) of the same page (e.g., 1st Revised Page 1 Cancels Original Page 1, 2nd Revised Page 1 Cancels 1st Revised Page 1, etc.). Additional original pages may also be issued to amend a tariff, by adding new numbered pages after the last numbered page, or by adding existing numbered pages with alphabetic suffixes (e.g., a page designated as Original Page 2-A could be added between pages 2 and 3, etc.). Each looseleaf tariff shall include a Check Sheet, a Correction Number Check Sheet, or some other method of determining the looseleaf pages issued to amend such tariff.

### § 1312.6 Advance notice required.

(a) *Notice requirement.* Unless otherwise specifically authorized by the Board, tariffs must be filed with the Board on not less than the notice shown in paragraph (b) of this section. Notice means the number of days the publication is on file with the Board prior to its effective date(s). The date the publication is received by the Board counts as the first day of notice.

(b) *Length of notice.* A tariff may not become effective earlier than:

(1) Thirty days after filing for all collectively established tariff matter.

(2) Seven workdays after filing for independently established increased tariff matter.

(3) Upon filing for independently established new tariff matter, independently established reduced tariff matter, the addition or restoration of a carrier's participation in a tariff, a correction to the list of participating carriers in a tariff (other than the cancellation of a carrier's participation), an extension of the expiration date of tariff matter, or a postponement of the effective date of proposed tariff matter.

(c) *Receipt of tariffs by the Board.* The Board will receive tariff filings between the hours of 8:30 A.M. and 5:00 P.M. Eastern Time on workdays. Tariff filings delivered to the Board on other than a workday, or after 5:00 P.M. on a workday, will be considered as received the next workday.

(d) *Definitions.* For the purposes of this section:

*Increased* means any tariff change that results in higher charges to the payer of freight charges or reduced service at the same rate;

*New* means an initial rate or other provision for a new service;

*Reduced* means any tariff change that results in lower charges to the payer of freight charges or expanded service at the same rate; and

*Workdays* means all days except Saturdays, Sundays and all Federal holidays observed in the District of Columbia.

(e) *Notice for purposes of electronically filed tariffs.* A water carrier that keeps its tariffs on the internet must comply with the notice requirements set forth in paragraph (b) of this section, provided however, that the relevant notice periods set forth in paragraphs (b)(1) and (2) of this section shall run from the date on which the tariff matter first appears in the water carrier's tariff on the internet.

(b) *Alpha codes.* Alpha codes are assigned to carriers and tariff agents by the National Motor Freight Traffic Association, Inc., 2200 Mill Road, Alexandria, VA 22314.

(c) *Fees for assignment.* Fees may be assessed for the assignment of codes, but may not exceed the processing costs.

### § 1312.11 Special notification for ordered matter.

Every tariff publication containing matter filed in compliance with a Board decision or court order shall indicate in the publication the relevant decision or order, and as well the number of days' notice authorized or required.

shall be in large print and posted in a conspicuous place. In addition, the carrier shall, upon request, make particular tariffs available at that location as soon as possible but not later than within 20 days, or provide the sought information orally if satisfactory to the requestor.

(5) Any publication referred to in a tariff must be posted with that tariff.

(b) *Exception to the posting requirements.* If any tariff maintained pursuant to paragraph (a)(2) of this section has not been used for a substantial length of time, the posting of that tariff, including its reissues, may be discontinued at that station until such time as a request is made to have it reposted. It shall then be reposted within 20 days.

(c) *Exemption for electronically filed tariffs.* A water carrier that publishes, files, and keeps its tariffs electronically in accordance with §1312.4(b) is exempt from the posting requirements of this section.

[62 FR 19058, Apr. 18, 1997, as amended at 84 FR 20296, May 9, 2019]

### §1312.13 Furnishing copies of tariff publications.

(a) *Definitions.* *Subscriber*, as used in this section, means any person (other than carrier participants in a tariff) that is voluntarily furnished, or that requests that it be furnished, one or more copies of a particular tariff with or without subsequent amendments or reissues of that tariff.

(b) *Sending new publications to subscribers.* (1) The publishing carrier or agent shall send each newly-issued tariff, supplement, or loose-leaf page as requested to each subscriber by first class mail, or other means requested in writing by the subscriber.

(2) Newly-issued tariffs, supplements, or loose-leaf pages shall be sent to each subscriber not later than the time the copies for official filing are sent to the Board.

(3) Carriers or agents may, if acceptable to a subscriber, furnish only specific portions of original tariffs and amendments affecting those portions.

(d) *Charges.* (1) If any charge is made, the charge for copies of tariff publications sent to subscribers shall be reasonable, and identical for the same publications.

(2) No charge may be made (even for the cost of sending the publication) for any publication that is invalidated by the Board.

(e) *Notice of invalidation.* If a publication is invalidated, the subscribers shall be notified.

(f) *Alternative subscription services.* The service described in this section must be available to any subscriber requesting it; however, the requirement to offer such service does not preclude the offering of different services to subscribers requesting those services.

(g) *Exemption for electronically filed tariffs.* A water carrier that publishes, files, and keeps its tariffs electronically in accordance with §1312.4(b) is exempt from this section.

[62 FR 19058, Apr. 18, 1997, as amended at 84 FR 20296, May 9, 2019]

### §1312.14 Powers of attorney and concurrences.

(a) *Authorization.* Rates and services of a carrier must be filed in a tariff issued in that carrier's name unless they are filed:

(1) In an agent's tariff when the carrier has executed a power of attorney authorizing that individual or entity to serve as its tariff agent; or

(2) In a tariff of another carrier through issuance of a concurrence to the latter carrier authorizing the first carrier's participation in joint rates and through routes.

(b) *Disclosure of authorization.* If two or more carriers execute powers of attorney to the same agent, it is not necessary for those carriers to exchange concurrences to participate in joint rates in that agent's tariffs. Powers of attorney and concurrences are not to be filed with the Board, but shall be provided to any person on request.

### § 1312.15 Change of carrier or agent.

(a) *Change in carrier.* When a carrier's name is lawfully changed, or a fiduciary assumes possession and control of a carrier's property, all affected tariffs

## § 1312.16

must be amended to reflect the change. The amendments required by this paragraph shall be filed promptly and, if possible, prior to their effective date, but in no case later than 60 days thereafter. Regardless of the date the tariff is actually filed, the effective date for an amendment required by this paragraph is the date the event occurs. A water carrier that publishes, files, and keeps its tariffs electronically in accordance with § 1312.4(b) shall promptly submit any such change by email to *tariffs@stb.gov*, but in no case later than 20 days after the effective date.

(b) *Change of agent.* When a new agent is appointed to take over an agency, or when an alternate agent assumes the duties of the principal agent, each of the superseded agent's effective tariffs shall immediately be amended to reflect the change, bearing an effective date the same as the date of the transfer. In the case of a new agent, this may only occur after one or more of the participating carriers issues a power of attorney to the new agent, and revokes the previous power of attorney. At the same time, all affected tariffs will be amended to reflect the new powers of attorney, and all carriers who have not issued them must be canceled from the tariff. A water carrier that publishes, files, and keeps its tariffs electronically in accordance with § 1312.4(b) shall promptly submit any such change of agent by email to *tariffs@stb.gov*, but in no case later than 200 days after the effective date.
