guilty by reason of insanity, of a disqualifying crime, adjudicated as lacking mental capacity, or committed to a mental health facility.

(c) The applicant must certify and date receipt the following statement:

Privacy Act Notice: Authority: The authority for collecting this information is 49 U.S.C. 114, 40113, and 5103a. Purpose: This information is needed to verify your identity and to conduct a security threat assessment to evaluate your suitability for a hazardous materials endorsement for a commercial driver's license. Furnishing this information, including your SSN or alien registration number, is voluntary; however, failure to provide it will delay and may prevent completion of your security threat assessment Routine Uses: Routine uses of this information include disclosure to the FBI to retrieve your criminal history record: to TSA contractors or other agents who are providing services relating to the security threat assessments; to appropriate governmental agencies for licensing, law enforcement, or security purposes, or in the interests of national security; and to foreign and international governmental authorities in accordance with law and international agreement.

(d) The applicant must certify and date receipt the following statement, immediately before the signature line:

The information I have provided on this application is true, complete, and correct, to the best of my knowledge and belief, and is provided in good faith. I understand that a knowing and willful false statement, or an omission of a material fact on this application can be punished by fine or imprisonment or both (See section 1001 of Title 18 United States Code), and may be grounds for denial of a hazardous materials endorsement.

(e) The applicant must certify the following statement in writing:

I acknowledge that if the Transportation Security Administration determines that I pose a security threat, my employer, as listed on this application, may be notified. If TSA or other law enforcement agency becomes aware of an imminent threat to a maritime facility or vessel, TSA may provide limited information necessary to reduce the risk of injury or damage to the facility or vessel.

## § 1572.11 Applicant responsibilities for HME security threat assessment.

(a) Surrender of HME. If an individual is disqualified from holding an HME under 49 CFR 1572.5(c), he or she must surrender the HME to the licensing

State. Failure to surrender the HME to the State may result in immediate revocation under 49 CFR 1572.13(a) and/or civil penalties.

- (b) Continuing responsibilities. An individual who holds an HME must surrender the HME as required in paragraph (a) of this section within 24 hours, if the individual—
- (1) Is convicted of, wanted, under indictment or complaint, or found not guilty by reason of insanity, in a civilian or military jurisdiction, for a disqualifying criminal offense identified in 49 CFR 1572.103: or
- (2) Is adjudicated as lacking mental capacity, or committed to a mental health facility, as described in 49 CFR 1572.109; or
- (3) Renounces or loses U.S. citizenship or status as a lawful permanent resident; or
- (4) Violates his or her immigration status, and/or is ordered removed from the United States.
- (c) Submission of fingerprints and information. (1) An HME applicant must submit fingerprints and the information required in 49 CFR 1572.9, in a form acceptable to TSA, when so notified by the State, or when the applicant applies to obtain or renew an HME. The procedures outlined in 49 CFR 1572.13(e) apply to HME transfers.
- (2) When submitting fingerprints and the information required in 49 CFR 1572.9, the fee described in 49 CFR 1572.503 must be remitted to TSA.

## § 1572.13 State responsibilities for issuance of hazardous materials endorsement.

Each State must revoke an individual's HME immediately, if TSA informs the State that the individual does not meet the standards for security threat assessment in 49 CFR 1572.5 and issues an Initial Determination of Threat Assessment and Immediate Revocation

- (a) No State may issue or renew an HME for a CDL, unless the State receives a Determination of No Security Threat from TSA.
- (b) Each State must notify each individual holding an HME issued by that State that he or she will be subject to

## § 1572.15

the security threat assessment described in this part as part of an application for renewal of the HME, at least 60 days prior to the expiration date of the individual's HME. The notice must inform the individual that he or she may initiate the security threat assessment required by this section at any time after receiving the notice, but no later than 60 days before the expiration date of the individual's HME.

- (c) The State that issued an HME may extend the expiration date of the HME for 90 days, if TSA has not provided a Determination of No Security Threat or a Final Determination of Threat Assessment before the expiration date. Any additional extension must be approved in advance by TSA.
- (d) Within 15 days of receipt of a Determination of No Security Threat or Final Determination of Threat Assessment from TSA, the State must—
- (1) Update the applicant's permanent record to reflect:
- (i) The results of the security threat assessment:
- (ii) The issuance or denial of an HME; and
- (iii) The new expiration date of the HME.
- (2) Notify the Commercial Drivers License Information System (CDLIS) operator of the results of the security threat assessment.
- (3) Revoke or deny the applicant's HME if TSA serves the State with a Final Determination of Threat Assessment.
- (e) For applicants who apply to transfer an existing HME from one State to another, the second State will not require the applicant to undergo a new security threat assessment until the security threat assessment renewal period established in the preceding issuing State, not to exceed five years, expires.
- (f) A State that is not using TSA's agent to conduct enrollment for the security threat assessment must retain the application and information required in 49 CFR 1572.9, for at least one year, in paper or electronic form.

## § 1572.15 Procedures for HME security threat assessment.

(a) Contents of security threat assessment. The security threat assessment

TSA completes includes a fingerprintbased criminal history records check (CHRC), an intelligence-related background check, and a final disposition.

- (b) Fingerprint-based check. In order to conduct a fingerprint-based CHRC, the following procedures must be completed:
- (1) The State notifies the applicant that he or she will be subject to the security threat assessment at least 60 days prior to the expiration of the applicant's HME, and that the applicant must begin the security threat assessment no later than 30 days before the date of the expiration of the HME.
- (2) Where the State elects to collect fingerprints and applicant information, the State—
- (i) Collects fingerprints and applicant information required in 49 CFR 1572.9;
- (ii) Provides the applicant information to TSA electronically, unless otherwise authorized by TSA:
- (iii) Transmits the fingerprints to the FBI/Criminal Justice Information Services (CJIS), in accordance with the FBI/CJIS fingerprint submission standards: and
- (iv) Retains the signed application, in paper or electronic form, for one year and provides it to TSA, if requested.
- (3) Where the State elects to have a TSA agent collect fingerprints and applicant information—
- (i) TSA provides a copy of the signed application to the State;
- (ii) The State retains the signed application, in paper or electronic form, for one year and provides it to TSA, if requested; and
- (iii) TSA transmits the fingerprints to the FBI/CJIS, in accordance with the FBI/CJIS fingerprint submission standards.
- (4) TSA receives the results from the FBI/CJIS and adjudicates the results of the check, in accordance with 49 CFR 1572.103 and, if applicable, 49 CFR 1572.107
- (c) Intelligence-related check. To conduct an intelligence-related check, TSA completes the following procedures:
- (1) Reviews the applicant information required in 49 CFR 1572.9.
