§ 10201.101 General.

(a) *Purpose.* In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the U.S. Office of Special Counsel (OSC) and supplement the Standards of Ethical Conduct for Employees of the Executive Branch at 5 CFR part 2635.

(b) *Other regulations, guidance, and procedures.* In addition to the standards in 5 CFR part 2635 and this part, all OSC employees are required to comply with implementing guidance and procedures issued by OSC in accordance with 5 CFR 2635.105(c). OSC employees are also subject to all other government-wide regulations concerning executive branch ethics including without limitation, financial disclosure regulations contained in 5 CFR part 2634, regulations concerning financial interests contained in 5 CFR part 2640, post-employment conflict of interest restrictions contained in 5 CFR part 2641, outside earned income limitations and employment and affiliation restrictions applicable to certain noncareer employees contained in 5 CFR part 2636, and the regulations concerning executive branch employee responsibilities and conduct contained in 5 CFR part 735.

§ 10201.102 Prior approval for outside employment or activity.

(a) *General requirement.* Before engaging in any outside employment or activity, whether or not for compensation, an OSC employee must obtain written approval from the Designated

Agency Ethics Official (DAEO) or the Alternate Designated Agency Ethics Official (ADAEO), except to the extent that OSC has issued an internal instruction pursuant to paragraph (d) of this section exempting certain employment or activities from this requirement.

NOTE 1 TO PARAGRAPH (a). 18 U.S.C. 203(d) and 205(e) require special approval for certain representational activities in claims against the Federal Government and other matters affecting the interests of the government.

(b) *Definition of “outside employment or activity”.* For purposes of this section, “outside employment or activity” means any form of non-Federal employment or business relationship involving the provision of services by the employee, whether for compensation or not for compensation. It includes, but is not limited to, serving as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, or teacher. The definition does not include participation in the activities of a nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organization unless such activities involve the provision of professional services or advice, or are for compensation other than reimbursement of expenses.

NOTE 2 TO PARAGRAPH (b). Employees who wish to engage in compensated speaking or writing in a personal capacity are subject to, among other things, the provisions of 5 CFR 2635.703 (concerning use of nonpublic information) and 5 CFR 2635.807 (concerning receipt of compensation for teaching, speaking, and writing related to one’s duties), and are encouraged to seek guidance from an agency ethics official before engaging in such activities. Certain covered non-career employees are also subject to further restrictions on receipt of outside compensation pursuant to section 502 of the Ethics in Government Act (5 U.S.C. app.). In addition, OSC attorneys should consult their applicable state bar rules of professional conduct.

(c) *Standard for approval.* Approval shall be granted by the DAEO or ADAEO upon a determination that the outside employment or activity is not expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635.

(d) *Implementation guidance.* The DAEO or ADAEO may issue internal instructions governing the submission

§ 10201.102

5 CFR Ch. CII (1–1–23 Edition)

of requests for approval of outside employment or activity. The instructions may exempt categories of employment or activities from the prior approval requirement of this section based on a

determination that those categories generally would be approved and are not likely to involve prohibited conduct or create an appearance of lack of impartiality.
