

Federal Retirement Thrift Investment Board

§ 1603.1

(b) *Fund transfers back to TSP core funds.* A participant may elect to make a fund transfer to the TSP core funds from amounts invested in his or her mutual fund window account, subject to the following rules:

(1) Fund transfers must be made in whole dollar increments (percentages are not permitted);

(2) Amounts to be transferred from a participant's mutual fund window account to the TSP core funds must first be transferred to the sweep money market fund. Subsequently, the participant may direct the investment of the transferred amounts into the TSP core funds;

(3) Each fund transfer back to the TSP core funds from the mutual fund window account counts toward the monthly limit set forth in §1601.32(b); except, however, that a participant may always elect a fund transfer from the mutual fund window account to the G Fund; and

(4) Fund transfers are subject to the fees set forth in §1601.53.

(c) *Forced transfers.* The TSP record keeper will force a transfer from the participant's mutual fund window account to the TSP core funds in the following situations, and subject to the following rules:

(1) A forced transfer may occur if the balance invested in the TSP core funds is insufficient to cover:

(i) Amounts necessary to comply with a court order, legal process, or levy described in 5 CFR part 1653;

(ii) A beneficiary asset transfer;

(iii) A required minimum distribution;

(iv) An automatic cash out distribution; or

(v) Any other payment or transfer that the Board is required by law to make from the participant's TSP account balance;

(2) The amount of the forced transfer shall be equal to the amount of the insufficiency described in paragraph (c)(1) of this section, plus \$1,000; except, however, that if the participant's mutual fund window account balance is less than \$25,000, the entire mutual fund window account balance shall be transferred to the TSP core funds;

(3) Forced transfers shall be liquidated from the participant's mutual

fund window account first from amounts held in the sweep money market fund; and then from amounts invested in mutual funds, beginning with the position with the highest balance;

(4) Forced transfers from a participant's mutual fund window account to the TSP core funds shall be invested according to the participant's existing contribution allocation; and

(5) The participant shall be responsible for any fees incurred as a result of the forced transfer.

§ 1601.53 Fees.

(a) The Board will allocate a portion of the TSP's administrative expenses to mutual fund users by charging an administrative fee of \$55.00 annually. The amount of this fee will be redetermined once every three years by multiplying the average mutual fund window account balance by the TSP administrative expense ratio, as of the date of redetermination.

(b) The fee described in paragraph (a) of this section is in addition to any mutual fund window account maintenance fees, trading fees, and fees and expenses associated with the specific mutual fund(s) in which the participant chooses to invest.
