

## Federal Retirement Thrift Investment Board

## § 1639.52

amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset, subject to the following:

(1) The debt is certain in amount; and

(2) It is in the best interest of the Board to collect the debt by administrative offset because of the decreased costs of collection and acceleration in the payment of the debt.

(c) The Executive Director may initiate administrative offset with regard to debts owed by a person to a Federal agency, so long as the funds to be offset are not payable from net assets available for Thrift Savings Plan benefits. The head of the creditor agency, or his or her designee, must submit a written request for the offset with a certification that the debt exists and that the person has been afforded the necessary due process rights.

(d) The Executive Director may request another agency that holds funds payable to a Fund debtor to pay the funds to the Board in settlement of the debt. The Board will provide certification that:

(1) The debt exists; and

(2) The person has been afforded the necessary due process rights.

(e) If the six-year period for bringing action on a debt provided in 28 U.S.C. 2415 has expired, then administrative offset may be used to collect the debt only if the costs of bringing such an action are likely to be less than the amount of the debt.

(f) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years unless facts material to the Board or a Federal agency's right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting the debt.

(g) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute; or

(2) Debts owed to the Board by Federal agencies or by any State or local government.

### § 1639.51 Notice procedures.

Before collecting any debt through administrative offset, the Board will

send a notice of intent to offset to the debtor by certified mail, return receipt requested, at the most current address that is available to the Board. The notice will provide:

(a) A description of the nature and amount of the debt and the intention of the Board to collect the debt through administrative offset;

(b) An opportunity to inspect and copy the records of the Board with respect to the debt;

(c) An opportunity for review within the Board of the determination of the Board with respect to the debt; and

(d) An opportunity to enter into a written agreement for repaying the amount of the debt.

### § 1639.52 Board review.

(a) A debtor may dispute the existence of the debt, the amount of debt, or the terms of repayment. A request to review a disputed debt must be submitted to the Board official who provided the notice of intent to offset within 30 calendar days of the debtor's receipt of the written notice described in § 1639.51.

(b) If the debtor requests an opportunity to inspect or copy the Board's records concerning the disputed claim, the Board will grant 10 business days for the review. The time period will be measured from the time the request for inspection is granted or from the time the debtor receives a copy of the records.

(c) Pending the resolution of a dispute by the debtor, transactions in any of the debtor's account(s) maintained in the Board may be temporarily suspended to the extent of the debt that is owed. Depending on the type of transaction, the suspension could preclude its payment, removal, or transfer, as well as prevent the payment of interest or discount due on the transaction. Should the dispute be resolved in the debtor's favor, the suspension will be immediately lifted.

(d) During the review period, interest, penalties, and administrative costs authorized by law will continue to accrue.

(e) If the debtor does not exercise the right to request a review within the time specified in this section or if, as a result of the review, it is determined

## § 1639.53

that the debt is due and no written agreement is executed, then administrative offset will be ordered in accordance with the regulations in this subpart without further notice.

### § 1639.53 Written agreement for repayment.

A debtor who admits liability but elects not to have the debt collected by administrative offset will be afforded an opportunity to negotiate a written agreement for repaying the debt. If the financial condition of the debtor does not support the ability to pay in one lump sum, the Board may consider reasonable installments. No installment arrangement will be considered unless the debtor submits a financial statement, executed under penalty of perjury, reflecting the debtor's assets, liabilities, income, and expenses. The financial statement must be submitted within 10 business days of the Board's request for the statement. At the Board's option, a confess-judgment note or bond of indemnity with surety may be required for installment agreements. Notwithstanding the provisions of this section, any reduction or compromise of a claim will be governed by 31 U.S.C. 3711.

### § 1639.54 Requests for offset to Federal agencies.

The Executive Director may request that funds due and payable to a debtor by another Federal agency be paid to the Board in payment of a debt owed to the Board by that debtor. In requesting administrative offset, the Board, as creditor, will certify in writing to the Federal agency holding funds of the debtor:

- (a) That the debtor owes the debt;
- (b) The amount and basis of the debt; and
- (c) That the Board has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations in this subpart, and the applicable provisions of 4 CFR part 102 with respect to providing the debtor with due process.

### § 1639.55 Requests for offset from Federal agencies.

Any Federal agency may request that funds due and payable to its debt-

## 5 CFR Ch. VI (1–1–25 Edition)

or by the Board be administratively offset in order to collect a debt owed to that agency by the debtor, so long as the funds are not payable from net assets available for Thrift Savings Plan benefits. The Board will initiate the requested offset only:

(a) Upon receipt of written certification from the creditor agency stating:

- (1) That the debtor owes the debt;
- (2) The amount and basis of the debt;
- (3) That the agency has prescribed regulations for the exercise of administrative offset; and
- (4) That the agency has complied with its own administrative offset regulations and with the applicable provisions of 4 CFR part 102, including providing any required hearing or review; and

(b) Upon a determination by the Board that collection by offset against funds payable by the Board would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such an offset would not otherwise be contrary to law.

### § 1639.56 Expedited procedure.

The Board may effect an administrative offset against a payment to be made to the debtor before completion of the procedures required by §§ 1639.51 and 1639.52 if failure to take the offset would substantially jeopardize the Board's ability to collect the debt and the time before the payment is to be made does not reasonably permit the completion of those procedures. An expedited offset will be promptly followed by the completion of those procedures. Amounts recovered by offset, but later found not to be owed to the Board, will be promptly refunded.
