

section 103 of the Act to be transmitted to the Office of Government Ethics will be transmitted through the executive branch-wide electronic filing system of the Office of Government Ethics, except in cases in which the Director determines that using that system would be impracticable.

§ 2638.204 Collection of other public financial disclosure reports.

This section establishes the procedure that the executive branch ethics program will use to collect, pursuant to section 101 of the Act, public financial disclosure reports of individuals whose reports are not required by section 103 of the Act to be transmitted to the Office of Government Ethics.

(a) *General.* Subject to the exclusions and exceptions in paragraphs (b) through (d) of this section, the public financial disclosure reports required by part 2634 of this chapter will be collected through the executive branch-wide electronic filing system of the Office of Government Ethics.

(b) *Exclusions.* This section does not apply to persons whose financial disclosure reports are covered by section 105(a)(1) or (2) of the Act, persons whose reports are required by section 103 of the Act to be transmitted to the Office of Government Ethics, or such other persons as the Director may exclude from the coverage of this section in the interest of the executive branch ethics program.

(c) *Authorization to collect public reports in paper format or through a legacy electronic filing system.* Upon written request signed by the DAEO or ADAEO and by the Chief Information Officer, the Director of the Office of Government Ethics may authorize an agency in the interest of the executive branch ethics program to collect public financial disclosure reports in paper format or through a legacy electronic filing system other than the executive branch-wide electronic filing system of the Office of Government Ethics. The Director may rescind any such authorization based on a written determination that the rescission promotes the efficiency or effectiveness of the executive branch ethics program, but only after providing the agency with advance written notice and an oppor-

tunity to respond. The rescission will become effective on January 1 of a subsequent calendar year, but not less than 24 months after notice is provided.

(d) *Exceptions in cases of extraordinary circumstances or temporary technical difficulties.* Based on a determination that extraordinary circumstances or temporary technical difficulties make the use of an electronic filing system impracticable, the DAEO or ADAEO may authorize an individual to file a public financial disclosure report using such alternate means of filing as are authorized in the program advisories of the Office of Government Ethics. To the extent practicable, agencies should limit the number of exceptions they grant under this paragraph each year. The Director may suspend an agency's authority to grant exceptions under this paragraph when the Director is concerned that the agency may be granting exceptions unnecessarily or in a manner that is inconsistent with § 2638.601(c). Nothing in this paragraph limits the authority of the agency to excuse an employee from filing electronically to the extent necessary to provide reasonable accommodations under the Rehabilitation Act of 1973 (Pub. L. 93–112), as amended, or other applicable legal authority.

§ 2638.205 Collection of confidential financial disclosure reports.

This section establishes the procedure that the executive branch will use to collect confidential financial disclosure reports from employees of the executive branch. To the extent not inconsistent with part 2634 of this chapter or with the approved forms, instructions, and other guidance of the Office of Government Ethics, the DAEO of each agency will determine the means by which the agency will collect confidential financial disclosure reports, including a determination as to whether the agency will collect such reports in either paper or electronic format. Nothing in this paragraph limits the authority of the agency to provide reasonable accommodations under the Rehabilitation Act of 1973 (Pub. L. 93–112), as amended, or other applicable legal authority.
