

**§ 310.102 Exceptions to the legal restrictions on the employment of relatives.**

Subsection (d) of 5 U.S.C. 3110 authorizes the Office of Personnel Management to prescribe regulations authorizing the temporary employment of relatives, in certain conditions, notwithstanding the restrictions. This regulation sets forth exceptions to the restrictions. When necessary to meet urgent needs resulting from an emergency posing an immediate threat to life or property, or a national emergency as defined in § 230.402(a)(1) of this title, a public official may employ relatives to meet those needs without regard to the restrictions on the employment of relatives in 5 U.S.C. 3110. Such appointments are temporary and may not exceed 30 days, but the agency may extend such an appointment for one additional 30-day period if the emergency need still exists at the time of the extension.

### Subpart B—The Career-Conditional Employment System

#### § 315.201 Service requirement for career tenure.

(a) *Service requirement.* A person employed in the competitive service for other than temporary, term, or indefinite employment is appointed as a career or career-conditional employee subject to the probationary period required by subpart H of this part. Except as provided in paragraph (c) of this section, an employee must serve at least 3 years of creditable service as defined in paragraph (b) of this section to become a career employee.

(b) *Creditable service.* Unless otherwise approved by OPM, the service required for career tenure must include service as described in paragraph (b)(1) of this section and total at least 3 years.

(1) *Nontemporary employment.* To be creditable, the 3 years of service must begin with one of the following:

(i) Nontemporary appointment in the competitive service: For this purpose, nontemporary appointment includes a career-conditional appointment. The 3 years may also begin, but not end, with status quo employment under subpart G of part 316 of this chapter, an overseas limited appointment of indefinite duration, or an overseas limited term appointment under part 301 of this chapter. The 3 years also may have begun with permanent employment under now obsolete appointing authorities such as probational, war service indefinite, emergency indefinite, nontemporary appointment from a civil service register to a position in the excepted service before January 23, 1955, temporary appointment pending establishment of a register (also known as TAPER authority), nontemporary appointment to a position in the District of Columbia Government before January 23, 1955, and appointment based on Public Law 83–121. Determinations of whether an obsolete authority provides the basis for creditable service may be obtained from OPM;

(ii) Nontemporary appointment to an excepted position, provided the employee's excepted position was brought into the competitive service and, on that basis, the employee acquired competitive status or was converted to a career-conditional appointment;

(iii) Nontemporary appointment to a nonappropriated fund (NAF) position in or under the Department of Defense or in or under the U.S. Coast Guard, Department of Homeland Security, provided the employee's NAF position was brought into the competitive service and, on that basis, the employee acquired competitive status or was converted to a career or career-conditional appointment;

(iv) Nontemporary excepted or nonappropriated fund appointment, Foreign Service appointment, or appointment in the Canal Zone Merit System, provided the employee is appointed to a competitive service position under the terms of an interchange agreement with another merit system under §6.7 of this chapter, under Executive Order 11219 as amended by Executive Order 12292, or under Executive Order 11171;

(v) The date of appointment to a position on the White House Staff or in the immediate office of the President or Vice President, provided the service has been continuous and the individual was appointed to a competitive service position under §315.602 of this chapter;

(vi) The date of nontemporary excepted appointment under §213.3202(b) of this chapter (the former Student Career Experience Program) as in effect immediately before July 10, 2012, the effective date of the regulations removing that paragraph, provided the student's appointment was converted to a career or career-conditional appointment under Executive Order 12015 or under Executive Order 13562, with or without an intervening term appointment, and without a break in service of one day;

(vii) The date of veterans recruitment appointment (VRA), provided the appointment is converted to a career or career-conditional appointment under §315.705 of this chapter, or the person is appointed from a civil service register without a break in service while serving under a VRA;

(viii) The date of nontemporary appointment to the Postal Career Service or the Postal Regulatory Commission after July 1, 1971, provided the individual is appointed to a career or career-conditional appointment under 39 U.S.C. 1006;

(ix) The date of nontemporary appointment under Schedule A, §213.3102(u) of this chapter, of a person with an intellectual disability, severe physical disability, or a psychiatric disability, provided the employee's appointment is converted to a career or career-conditional appointment under §315.709;

(x) The date of appointment in the Presidential Management Fellows Program under the provisions of Executive Order 13318, provided the employee's appointment was converted without a break in service to a career or career-conditional appointment under §315.708 as in effect immediately before July 10, 2012, the effective date of the regulations that removed and reserved that section, or under Executive Order 13562;

(xi) The starting date of active service as an administrative enrollee in the United States Merchant Marine Academy;

(xii) Appointment as a career intern under Schedule B, §213.3202(o) of this chapter, provided the employee's appointment was converted to a career or career-conditional appointment under §315.712 as in effect immediately before July 10, 2012, the effective date of the regulations that removed and reserved that section;

(xiii) The date of appointment as a Pathways Participant in the Internship Program under Schedule D, §213.3402(a) of this chapter, provided the employee's appointment is converted to a career or career-conditional appointment under §315.713(a), with or without an intervening term appointment, and without a break in service of one day;

(xiv) The date of appointment as a Pathways Participant in the Recent Graduates Program under Schedule D, §213.3402(b) of this chapter, provided the employee's appointment is converted to a career or career-conditional appointment under §315.713(b), with or without an intervening term appointment, and without a break in service of one day;

(xv) The date of appointment as a Pathways Participant in the Presidential Management Fellows Program under Schedule D, § 213.3402(c) of this chapter, provided the employee's appointment is converted to a career or career-conditional appointment under § 315.713(c), with or without an intervening term appointment, and without a break in service of one day;

(xvi) Employment with the District of Columbia Government after January 1, 1980 (the date the District implemented an independent merit personnel system not tied to the Federal system), provided the person was a District employee on December 31, 1979, was converted to the District system on January 1, 1980, and is employed by non-temporary appointment in the competitive service; and

(xvii) The date of a time-limited post-secondary student appointment under subpart F of this part provided the appointment is converted to career or career-conditional appointment under 5 CFR part 316, subpart I.

(2) *Competitive status.* An individual may attain career tenure only when employed (or reemployed) in a permanent appointment in the competitive service that provides or leads to competitive status.

(3) *Crediting service.* An employee's creditable service must total at least 3 years, under the following conditions:

(i) *Work schedule.* (A) Full-time service, and part-time service on or after July 1, 1962, are counted as calendar time from the date of appointment to date of separation.

(B) Intermittent service on or after July 1, 1962, is counted as 1 day for each day an employee is in pay status, regardless of the number of hours for which the employee is actually paid on a given day. Agencies should consult the "260-Day Work Year Chart" in OPM's *Guide to Processing Personnel Actions* to convert intermittent days worked to calendar time. The service requirement may not be satisfied in less than 3 years of calendar time.

(ii) *Nonpay status on the rolls and time off the rolls.* An agency may not credit periods of nonpay status and time off the rolls except as follows:

(A) Credit the first 30 calendar days of each period of nonpay status on the

rolls during full-time employment, or during part-time employment on or after July 1, 1962. On this same basis, a seasonal employee receives credit for the first 30 calendar days of each period of nonduty/nonpay status. Nonpay status in excess of 30 days is not creditable.

(B) Credit periods of nonpay status and time off the rolls incident to entry into and return from military service and return from defense transfer, provided the person is reemployed in Federal service during the period of his or her statutory or regulatory restoration or reemployment rights.

(C) Credit periods of nonpay status and time off the rolls incident to transfer to and return from an international organization, provided the person is reemployed in Federal service under subpart C of part 352 of this chapter.

(D) Credit periods of nonpay status during which an employee was eligible to receive continuation of pay or injury compensation from the Office of Workers' Compensation Programs. Also credit periods of time off the rolls during which an employee was eligible to receive injury compensation from the Office of Workers' Compensation Programs, provided the person is reemployed under part 353 of this chapter.

(E) Credit up to 30 calendar days for time off the rolls that follows separation by reduction in force of employees who are eligible for entry on the reemployment priority list under subpart B of part 330 of this chapter, provided the person is reemployed in Federal service during the period of his or her reemployment priority.

(F) Credit up to 30 calendar days for time off the rolls that follow involuntary separation without personal cause of employees who are eligible for a noncompetitive appointment based on an interchange agreement with another merit system under § 6.7 of this chapter, provided the person is employed in the competitive service under the agreement during the period of his or her eligibility.

(G) Credit periods of nonpay status incident to an assignment to a State, local, or Indian tribal government, institution of higher education, or other

eligible organization provided the employee returns to a creditable appointment pursuant to an agreement established under subchapter VI of chapter 33, title 5, U.S.C., and part 334 of this chapter.

(iii) *Restoration based on unwarranted or improper actions.* Based on a finding made on or after March 30, 1966, that a furlough, suspension, or separation was unwarranted or improper, an employee restored to duty receives full calendar time credit for the period of furlough, suspension, or separation for which he or she is eligible to receive back pay. If the employee is restored to duty at a date later than the original adverse action, credit for intervening periods of nonpay status is given in accordance with other provisions of this subsection. If the employee had been properly separated from the rolls of the agency before a finding was made that the adverse action was unwarranted or improper, the correction and additional service credit given the employee may not extend beyond the date of the proper separation.

(iv) *Intervening service.* Certain types of service that ordinarily are not creditable are counted when they intervene between two periods of creditable service. Under these conditions, credit each period of service:

(A) In the excepted service of the Federal executive branch, including employment in nonappropriated fund positions in or under any Federal agency;

(B) Under temporary, term, or other nonpermanent employment in the Federal competitive service;

(C) In the Senior Executive Service;

(D) In the Federal legislative branch;

(E) In the Federal judicial branch;

(F) In the armed forces;

(G) In the District of Columbia Government through December 31, 1979. For an employee on the District rolls on December 31, 1979, who converted on January 1, 1980, to the District independent personnel system, credit is also given for service between January 1, 1980, and September 25, 1980. Otherwise, service in the District of Columbia Government on or after January 1, 1980, is not creditable as intervening service; and

(H) Performed overseas by family members, as defined by §315.608 of this chapter.

(c) *Exceptions from service requirement.* The service requirement for career tenure does not apply to:

(1) An appointment to a position required by law to be filled on a permanent basis, or a conversion under this part while the employee is serving in such a position;

(2) An appointment from a register of a person who once completed the service requirement for career tenure;

(3) An appointment under §315.601 of a former Canal Zone Merit System employee who completed the service requirement for career tenure under that system; or

(4) The reinstatement of a person who once completed the service requirement for career tenure.

**§ 315.608 Noncompetitive appointment of certain former overseas employees.**

(a) *Authority.* An executive branch agency may noncompetitively appoint, to a competitive service position within the United States (including Guam, Puerto Rico, and the Virgin Islands), an individual who has completed 52 weeks of creditable overseas service as defined in paragraph (b) of this section and is appointed within the time limits in paragraph (d) of this section. Any law, Executive order, or regulation

that disqualifies an applicant for appointment in the competitive service, such as the citizenship requirement, also disqualifies the applicant for appointment under this section. An individual may be appointed to any occupation and grade level for which qualified. An agency may waive any requirement for a written test after determining that the duties and responsibilities of the applicant's overseas position were similar enough to make the written test unnecessary.

(1) *Tenure.* A person appointed under this section becomes a career-conditional employee unless he or she has already satisfied the requirements for career tenure or is exempt from the service requirement in 5 CFR 315.201.

(2) *Competitive status.* A person appointed under this section acquires competitive status automatically upon completion of probation.

(b) *Creditable overseas service.* For purposes of this section only, creditable service is service in an appropriated fund position(s) performed by a family member under a local hire appointment(s) overseas during the time the family member was accompanying a sponsor officially assigned to an overseas area and for which the family member received a fully successful or better (or equivalent) performance rating. Creditable overseas service is computed in accordance with the procedures in the OPM Guide to Processing Personnel Actions. Creditable service may have been under more than one appointment and need not be continuous. Leave without pay taken during the time an individual is in the overseas area is credited on the same basis as time worked.

(c) *Service waiver.* Up to 26 weeks of the 52-week service requirement is waived when the head of an agency (or designee) that employed the family member overseas certifies that the family member's expected 52 weeks of employment were cut short because of a nonpersonal situation that necessitated the relocation of the family member from the overseas area. The certification must include the number of weeks waived. For this purpose, a nonpersonal situation includes disaster, conflict, terrorism or the threat of terrorism, and those situations when

a family member is forced to return to the United States because of military deployment, drawdowns, or other management-initiated actions. A nonpersonal situation does not include circumstances that specifically relate to a particular individual, for example, ill health or personal interest in relocating.

(d) *Time limit on eligibility.* An individual is eligible for appointment(s) under this authority for a period of 3 years following the date of returning from overseas to the United States to resume residence or until March 31, 1998, whichever date is later. An agency may extend an individual's appointment eligibility beyond 3 years for periods equivalent to—

(1) The time the individual was accompanying a sponsor on official assignment to an area of the United States with no significant opportunities for Federal employment; or

(2) The time an individual was incapacitated for employment.

(e) *Definitions.* In this section terms have the following meaning:

(1) *Family member.* An unmarried child under age 23, a spouse, or a domestic partner. An individual must have been a family member at the time he or she met the overseas service requirement and other conditions but does not need to be a family member at the time of noncompetitive appointment in the United States.

(3) *Accompanying.* The family member resided in the overseas area while the sponsor was officially assigned to an overseas post of duty. The family member need not have physically resided with the sponsor at all times or have traveled with the sponsor to or from the overseas area.

(4) *Local hire appointment.* An appointment that is not actually or potentially permanent and that is made from among individuals residing in the overseas area. In this section only, a local hire appointment includes nonpermanent employment under:

(ii) Expected appointment under Schedule A 213.3106(b)(1), 213.3106(b)(6), or 213.3106(d)(1) when the duration of the appointment is tied to the sponsor's rotation date or when the appointment is made on a not-to-exceed (NTE) basis;

(v) Are not married or joined in a civil union to anyone else;

(vi) Are not the domestic partner of anyone else;

(vii) Are not related in a way that, if they were of opposite sex, would prohibit legal marriage in the U.S. jurisdiction in which the domestic partnership was formed;

(viii) Are willing to certify, if required by the agency, that they understand that willful falsification of any documentation required to establish that an individual is in a domestic partnership may lead to disciplinary action and the recovery of the cost of benefits received related to such falsification, as well as constitute a criminal violation under 18 U.S.C. 1001, and that the method for securing such certification, if required, shall be determined by the agency; and

### §315.614 Hiring Authority for College Graduates.

(a) *Appointment authority*. In accordance with the provisions of this section, an agency may appoint non-competitively an eligible and qualified individual to a position classified in a professional or administrative occupational category at the general schedule (GS) 11 level (or equivalent) or below, without regard to the provisions of 5 U.S.C. 3309 through 3319 and 3330.

(b) *Eligibility*. An eligible college graduate is defined as an individual who:

(1) Has received a baccalaureate or graduate degree from an institution of higher education as defined in 20 U.S.C. 1001(a); and

(i) Has submitted an application for the position being filled under this authority (using the date on which the application is received by the hiring agency as the date of submission).

(ii) Not later than two years after the date on which the individual received their degree described in paragraph (b)(1) introductory text of this section; or

(iii) in the case of an individual who has completed a period of not less than four years of intervening obligated service in a uniformed service, not later than two years after the date on which the individual was released or

discharged from that uniformed service.

(2) Meets the minimum qualification standards prescribed or approved by OPM for the position to which the individual is being appointed.

(c) *Qualifications.* Agencies must evaluate eligible college graduates using the OPM-prescribed qualification standard, or an OPM-approved agency-specific minimum qualification standard, for the position being filled.

(d) *Classification.* An agency may make an initial appointment of an eligible and qualified individual to any position classified according to OPM classification standards in a professional or administrative occupational series at the GS-11 level (or equivalent) or below, including positions with promotion potential beyond the GS-11.

(e) *Public notice and advertising.* An agency must adhere to merit system principles, and thus must publicly advertise the position in a manner that endeavors to reach qualified individuals from all segments of society, including notifying OPM, in accordance with 5 U.S.C. 3327(b), before filling a position under this authority. To meet this requirement, an agency must display information about the position to be filled on its home page (that is accessible to the general public). An agency may, but is not required to, use [www.USAJOBS.gov](http://www.USAJOBS.gov) for this purpose. Alternatively, an agency may either provide an actual job announcement on its public-facing web page (home page) or provide a link to the job announcement on its public-facing homepage. The agency should consider whether additional recruitment and advertisement activities are necessary or appropriate to further merit system principles. If USAJOBS is not used to advertise the position, the agency must satisfy the requirements of 5 U.S.C. 3327(b) by providing OPM information about the position in the same format it usually would when posting a position on USAJOBS. A job announcement must include, at a minimum, the following information:

(1) The position title, series, grade level;

(2) The geographic location where the position will be filled;

(3) The starting salary of the position;

(4) The minimum qualifications of the position;

(5) Whether the position has promotion potential to higher grade levels;

(6) Any other relevant information about the position such as telework opportunities, recruitment incentives, etc.;

(7) Specific information instructing applicants on how to apply;

(8) Equal employment opportunity statement (Agencies may use the recommended equal employment opportunity statement located on OPM's USAJOBS website.); and

(9) Reasonable accommodation statement.

(f) *Appointment type.* College graduates are appointed to career or career-conditional permanent positions in the competitive service.

(g) *Acquisition of competitive status.* A person appointed under this section acquires competitive status upon completion of probationary period in accordance with the provisions of subpart H of this part.

(h) *Tenure upon appointment.* A person appointed under paragraph (a) of this section becomes a career-conditional employee unless the appointee has already satisfied the requirements for career tenure or is exempt from the service requirement pursuant to §315.201.

(i) *Numerical limit on the number of appointments.* (1) Except as provided in paragraph (i)(2) of this section, the total number of individuals that an agency may appoint under this authority during a fiscal year may not exceed 15 percent of the number of individuals that the agency appointed during the previous FY to a position in the competitive service classified in a professional or administrative occupational category, at the GS-11 level or below, or equivalent, under competitive examining procedures. An appointing agency may not count appointments made using direct hire authorities, non-competitive authorities, excepted service authorities, or selections under merit promotion authorities, when establishing the limit for a given fiscal year. In calculating this limitation, agencies must round up or down to the nearest

whole number, if necessary, to eliminate a decimal place. Values ending in “.5” or more may be rounded up to the nearest whole number in determining an agency’s cap limitation. Values ending in less than “.5” should be rounded down to the nearest whole number in determining an agency’s cap limitation.

(2) During any given fiscal year, OPM may establish a lower limitation on the number of individuals that may be appointed under paragraph (i)(1) of this section based on any factor OPM considers appropriate. OPM shall notify agencies via the OPM website to communicate any modification to the numerical limitation.

(j) *Reporting requirements.* (1) Not later than September 30 of each of the first three fiscal years beginning in FY 2020 an agency that makes an appointment under these provisions must report to Congress and to OPM on the impact of this authority for the fiscal year for which the report is submitted. OPM will provide written guidance, at the time this rule is published, describing the means by which agencies should collect this information, the timing of such collections, and the groups as to which information should be collected. An agency’s report must contain the following information:

(i) The total number of individuals appointed by the agency under this authority by position title, series, grade, and geographic location;

(ii) The number of individuals appointed under this authority by the items identified in 5 U.S.C. 3115(g), and in OPM guidance;

(iii) The number of veterans appointed, as defined in 5 U.S.C. 2108;

(iv) Any numerical limitation established in paragraph (i) of this section;

(v) Recruitment sources, outreach, and recruitment activities used to fill positions;

(vi) The total number of individuals appointed by the agency during the applicable fiscal year to a position in the competitive service classified in a professional or administrative occupational category at the GS–11 level, or an equivalent level, or below;

(vii) The number of individuals appointed under the authority that have been separated to show a break down

between involuntary and voluntary separations as well as the reasons for each type of separation;

(viii) Information on difficulties encountered when using the authority;

(2) OPM may request additional information from agencies on their use of this authority. An agency must include in its report to Congress and OPM any additional information required by OPM under this subsection.

(k) *Special provisions for Department of Defense.* These regulations do not preclude the Secretary of Defense from exercising authority to appoint a recent graduate under section 1106 of Public Law 114–328. Additionally, these regulations do not apply to the Department of Defense during the period section 1106 of Public Law 114–328 is in effect.

(b) *Tenure on conversion.* An employee whose appointment is converted under paragraph (a) of this section becomes:

(1) A career-conditional employee except as provided in paragraph (b)(2) of this section;

For an employee who is reemployed after intervening service in the armed forces, the 90-day period begins on the date of reemployment if the employee's combined civilian and military service satisfies the 3-year service requirement on that date.

## Subpart H—Probation on Initial Appointment to a Competitive Position

### § 315.801 Probationary period; when required.

(a) The first year of service of an employee who is given a career or career-conditional appointment under this part is a probationary period when the employee:

(1) Was appointed from a competitive list of eligibles established under subpart C of this part;

(2) Was reinstated under subpart D of this part unless during any period of service which affords a current basis for reinstatement, the employee completed a probationary period or served with competitive status under an appointment which did not require a probationary period.

(b) A person who is:

(1) Transferred under § 315.501; or

(2) Promoted, demoted, or reassigned; before he completed probation is required to complete the probationary period in the new position.

(c) A person who is reinstated from the Reemployment Priority List to a position in the same agency and the same commuting area does not have to serve a new probationary period, but, if separated during probation, is required to complete the probationary period in the new position.

(d) Upon noncompetitive appointment to the competitive service under the Postal Reorganization Act (39 U.S.C. 101 *et seq.*), an employee of the Postal Career Service (including substitute and part-time flexible) who has not completed 1 year of Postal service, must serve the remainder of a 1-year probationary period in the new agency.

(e) A person who is appointed to the competitive service either by special appointing authority or by conversion under subparts F or G of this part serves a 1-year probationary period unless specifically exempt from probation by the authority itself.

### § 315.802 Length of probationary period; crediting service.

(a) The probationary period required by § 315.801 is 1 year and may not be extended.

(b) Prior Federal civilian service (including nonappropriated fund service) counts toward completion of probation when the prior service:

(1) Is in the same agency, e.g., Department of the Army;

(2) Is in the same line of work (determined by the employee's actual duties and responsibilities); and

(3) Contains or is followed by no more than a single break in service that does not exceed 30 calendar days.

(c) Periods of absence while in a pay status count toward completion of probation. Absence in nonpay status while on the rolls (other than for compensable injury or military duty) is creditable up to a total of 22 workdays. Absence (whether on or off the rolls) due to compensable injury or military duty is creditable in full upon restoration to Federal service. Nonpay time in excess of 22 workdays extends the probationary period by an equal amount. An employee serving probation who leaves Federal service to become a volunteer with the Peace Corps or the Corporation for National and Community Service serves the remainder of the probationary period upon reinstatement provided the employee is reinstated within 90 days of termination of service as a volunteer or training for such service.

## § 315.803

## 5 CFR Ch. I (1–1–25 Edition)

(d) The probationary period for part-time employees is computed on the basis of calendar time, in the same manner as for full-time employees. For intermittent employees, *i.e.*, those who do not have regularly scheduled tours of duty, each day or part of a day in pay status counts as 1 day of credit toward the 260 days in a pay status required for completion of probation. (However, the probationary period cannot be completed in less than 1 year of calendar time.)

[60 FR 53504, Oct. 16, 1995]

### § 315.803 Agency action during probationary period (general).

(a) The agency shall utilize the probationary period as fully as possible to determine the fitness of the employee and shall terminate his or her services during this period if the employee fails to demonstrate fully his or her qualifications for continued employment.

(b) Termination of an individual serving a probationary period must be taken in accordance with subpart D of part 752 of this chapter if the individual has completed one year of current continuous service under other than a temporary appointment limited to 1 year or less and is not otherwise excluded by the provisions of that subpart.

[73 FR 7187, Feb. 7, 2008, as amended at 85 FR 65982, Oct. 16, 2020; 87 FR 67782, Nov. 10, 2022]

### § 315.804 Termination of probationers for unsatisfactory performance or conduct.

(a) Subject to § 315.803(b), when an agency decides to terminate an employee serving a probationary or trial period because his work performance or conduct during this period fails to demonstrate his fitness or his qualifications for continued employment, it shall terminate his services by notifying him in writing as to why he is being separated and the effective date of the action. The information in the notice as to why the employee is being terminated shall, as a minimum, consist of the agency's conclusions as to the inadequacies of his performance or conduct.

(b) Probation ends when the employee completes his or her scheduled tour of duty on the day before the an-

niversary date of the employee's appointment. For example, when the last workday is a Friday and the anniversary date is the following Monday, the probationer must be separated before the end of the tour of duty on Friday since Friday would be the last day the employee actually has to demonstrate fitness for further employment.

[33 FR 12418, Sept. 4, 1988, as amended at 60 FR 53505, Oct. 16, 1995; 73 FR 7188, Feb. 7, 2008]

### § 315.805 Termination of probationers for conditions arising before appointment.

Subject to § 315.803(b), when an agency proposes to terminate an employee serving a probationary or trial period for reasons based in whole or in part on conditions arising before his appointment, the employee is entitled to the following:

(a) *Notice of proposed adverse action.* The employee is entitled to an advance written notice stating the reasons, specifically and in detail, for the proposed action.

(b) *Employee's answer.* The employee is entitled to a reasonable time for filing a written answer to the notice of proposed adverse action and for furnishing affidavits in support of his answer. If the employee answers, the agency shall consider the answer in reaching its decision.

(c) *Notice of adverse decision.* The employee is entitled to be notified of the agency's decision at the earliest practicable date. The agency shall deliver the decision to the employee at or before the time the action will be made effective. The notice shall be in writing, inform the employee of the reasons for the action, inform the employee of his right of appeal to the Merit Systems Protection Board (MSPB), and inform him of the time limit within which the appeal must be submitted as provided in § 315.806(d).

[33 FR 12418, Sept. 4, 1968, as amended at 73 FR 7188, Feb. 7, 2008]

### § 315.806 Appeal rights to the Merit Systems Protection Board.

(a) *Right of appeal.* An employee may appeal to the Merit Systems Protection Board in writing an agency's decision to terminate him under § 315.804 or

§ 315.805 only as provided in paragraphs (b) and (c) of this section. The Merit Systems Protection Board review is confined to the issues stated in paragraphs (b) and (c) of this section.

(b) *On discrimination.* An employee may appeal under this paragraph a termination not required by statute which he or she alleges was based on partisan political reasons or marital status.

(c) *On improper procedure.* A probationer whose termination is subject to § 315.805 may appeal on the ground that his termination was not effected in accordance with the procedural requirements of that section.

(d) An employee may appeal to the Board under this section a termination that the employee alleges was based on discrimination because of race, color, religion, sex (including pregnancy and gender identity), national origin, age (as defined by the Age Discrimination in Employment Act of 1967, as amended), or disability. An appeal alleging a discriminatory termination may be filed under this subsection only if such discrimination is raised in addition to one of the issues stated in paragraph (b) or (c) of this section.

### Subpart I—Probation on Initial Appointment to a Supervisory or Managerial Position

SOURCE: 44 FR 44811, July 31, 1979, unless otherwise noted.

#### § 315.901 Statutory requirement.

5 U.S.C. 3321 provides for “a period of probation . . . before initial appointment as a supervisor or manager becomes final.” It also says that a supervisor or manager “who does not satisfactorily complete the probationary period . . . shall be returned to a position of no lower grade and pay than the position from which the individual was transferred, assigned or promoted.” This subpart contains OPM regulations implementing those requirements of law.

#### § 315.902 Definitions.

In this subpart *supervisory position* and *managerial position* have the meaning given them by the General Schedule Supervisory Guide.

[60 FR 53505, Oct. 16, 1995]

#### § 315.903 Coverage.

This subpart applies to appointments and positions without time limitation in the competitive civil service. Agencies may, at their option, apply these provisions to time-limited appointments and positions. This subpart does not apply to appointments or positions in the Senior Executive Service.

#### § 315.904 Basic requirement.

(a) An employee is required to serve a probationary period prescribed by the agency upon initial appointment to a supervisory and/or managerial position.

(b) An employee is required to complete a single probationary period in a supervisory position and a single probationary period in a managerial position, regardless of the number of agencies, occupations, or positions in which the employee serves. However, an agency may by regulation provide for exceptions to the probationary period for managers who have satisfactorily completed a probationary period for supervisors when justified on the basis of performance and experience.

(c) Employees who, as of the date this requirement is effective, are serving or have served in Federal civilian supervisory or managerial positions without time limitation, or in time-limited supervisory or managerial positions under an official assignment exceeding 120 days, are exempt from its provisions, except that supervisors who are assigned to managerial positions may, according to agency regulations, be required to serve a probationary period for managers.

#### § 315.905 Length of the probationary period.

The authority to determine the length of the probationary period is delegated to the head of each agency, provided that it be of reasonable fixed duration, appropriate to the position, and uniformly applied. An agency may

## § 315.906

establish different probationary periods for different occupations or a single one for all agency employees.

### § 315.906 Crediting service toward completion of the probationary period.

(a) An employee who is reassigned, transferred, or promoted to another supervisory or managerial position while serving a probationary period under this subpart is subject to the probationary period prescribed for the new position. Service in the former position counts toward completion of the probationary period in the new position. If the former position was supervisory and the new position managerial, service counts in the manner prescribed by agency regulation.

(b) Service on detail, temporary promotion, or reassignment to another supervisory or managerial position while serving probation is creditable toward completion of probation. Service in a nonsupervisory or nonmanagerial position is not creditable.

(c) Absence in nonpay status while on the rolls (other than for compensable injury or military duty) is creditable up to a total of 22 workdays. Absence (whether on or off the rolls) due to compensable injury or military duty is creditable in full upon restoration to Federal service. Nonpay time in excess of 22 workdays extends the probationary period by an equal amount.

(d) Service during a probationary period from which an employee was separated or demoted for performance or conduct reasons does not count toward completion of probation required under a subsequent appointment. In other situations in which an employee does not complete probation, service is creditable as determined by agency policy.

(e) Temporary service in a supervisory or managerial position under temporary appointment, promotion, or reassignment *prior to probation* is creditable as determined by agency policy. Prior service under a detail may be credited only when a detail to a supervisory or managerial position is made permanent without a break in service.

[44 FR 44811, July 31, 1979, as amended at 60 FR 53505, Oct. 16, 1995]

## 5 CFR Ch. I (1–1–25 Edition)

### § 315.907 Failure to complete the probationary period.

(a) Satisfactory completion of the prescribed probationary period is a prerequisite to continued service in the position. An employee who, for reasons of supervisory or managerial performance, does not satisfactorily complete the probationary period is entitled to be assigned, except as provided in paragraph (b) of this section, to a position in the agency of no lower grade and pay than the one the employee left to accept the supervisory or managerial position.

(b) A nonsupervisory or nonmanagerial employee who is demoted into a position in which probation under § 315.904 is required and who, for reasons of supervisory or managerial performance, does not satisfactorily complete the probationary period is entitled to be assigned to a position at the same grade and pay as the position in which he or she was serving probation. The employee is eligible for repromotion in accordance with agency promotion policy.

(c) The agency must notify the employee in writing that he or she is being assigned in accordance with this section.

[49 FR 39287, Oct. 5, 1984, as amended at 60 FR 53505, Oct. 16, 1995]

### § 315.908 Appeals.

(a) An employee who, in accordance with the provisions of this subpart, is assigned to a nonmanagerial or nonsupervisory position, has no appeal right.

(b) An employee who alleges that an agency action under this subpart was based on partisan political affiliation or marital status, may appeal to the Merit Systems Protection Board.

### § 315.909 Relationship to other actions.

(a) If an employee is required to concurrently serve both a probationary period under this subpart and a probationary period under subpart H of this part, the latter takes precedence and completion of the probationary period for competitive appointment and fulfills the requirements of this subpart.

(b) An action which demotes an employee to a lower grade than the one

#### Subpart C—Term Employment

EDITORIAL NOTE: Nomenclature changes to subpart C of part 316 appear at 70 FR 72067, Dec. 1, 2005.

#### § 316.301 Purpose and duration.

(a) An agency may make a term appointment for a period of more than 1 year but not more than 4 years to positions where the need for an employee's services is not permanent. Reasons for making a term appointment include, but are not limited to: project work, extraordinary workload, scheduled abolishment, reorganization, contracting out of the function, uncertainty of future funding, or the need to maintain permanent positions for placement of employees who would otherwise be displaced from other parts of the organization. Agencies may extend appointments made for more than 1 year but less than 4 years up to the 4-year limit in increments determined by the agency. The vacancy announcement should state that the agency has the option of extending a term appointment up to the 4-year limit.

(b) OPM may authorize exceptions beyond the 4-year limit when the extension is clearly justified and is consistent with applicable statutory provisions. Requests to make and/or extend appointments beyond the 4-year limit must be initiated by the employing office and sent to the appropriate OPM service center.

(c)(1) An agency may make a term appointment for a period of more than
