Subpart A—Agency Awards

SOURCE: 60 FR 43946, Aug. 23, 1995, unless otherwise noted.

§ 451.101 Authority and coverage.

(a) Chapter 45 of title 5, United States Code authorizes agencies to pay a cash award to, grant time-off to, and incur necessary expense for the honorary recognition of, an employee (individually or as a member of a group) and requires the Office of Personnel Management to prescribe regulations governing such authority. Chapter 43 of title 5, United States Code, provides for recognizing and rewarding employees whose performance so warrants. The regulations in this subpart, in combination with chapters 43 and 45 of title 5, United States Code, and any other applicable law, establish the requirements for agency award programs.

(b) Section 4 of E.O. 11438 (Prescribing Procedures Governing Interdepartmental Cash Awards to the Members of the Armed Forces, December 3, 1968) requires the Office of Personnel Management to prescribe procedures for covering the cost of a cash award recommended by more than one agency for a member of the armed forces for the adoption or use of a suggestion, invention, or scientific achievement. Section 1 of E.O. 12828 (Delegation of Certain Personnel Management Authorities, January 5, 1993) delegates to the Office of Personnel Management the authority of the President to permit performance-based cash awards under 5 U.S.C. 4505a to be paid to categories of employees who would not be eligible otherwise.

(c) This subpart applies to employees as defined by section 2105 and agencies as defined by section 4501 of title 5, United States Code, except as provided in §§ 451.105 and 451.201(b).

(d) For the regulatory requirements for granting performance awards to Senior Executive Service (SES) employees under 5 U.S.C. 5384, refer to § 534.405 of this chapter.

(e) An agency may grant performance-based cash awards on the basis of a rating of record at the fully successful level (or equivalent) or above under the authority of 5 U.S.C. 4505a and the provisions of this part to eligible non-

GS employees who are covered by 5 U.S.C. chapter 45 and this part and who are not otherwise covered by an explicit statutory authority for the payment of such awards, including 5 U.S.C. 5384 (SES performance awards).

[60 FR 43946, Aug. 23, 1995; 60 FR 47646, Sept. 13, 1995, as amended at 69 FR 70359, Dec. 6, 2004; 72 FR 1270, Jan. 11, 2007]

§ 451.102 Definitions.

Award means something bestowed or an action taken to recognize and reward individual or team achievement that contributes to meeting organizational goals or improving the efficiency, effectiveness, and economy of the Government or is otherwise in the public interest. Such awards include, but are not limited to, employee incentives which are based on predetermined criteria such as productivity standards, performance goals, measurement systems, award formulas, or payout schedules.

Award program means the specific procedures and requirements established by an agency or a component of an agency for granting awards under subchapter I of chapter 43 and subchapter I of chapter 45 of title 5, United States Code, and this subpart.

§ 451.103 Agency award program(s).

(a) Agencies shall develop one or more award programs for employees covered by this subpart.

(b) Agencies are encouraged to involve employees in developing such programs. When agencies involve employees, the method of involvement shall be in accordance with law.

(c) An agency award program shall provide for—

(1) Obligating funds consistent with applicable agency financial management controls and delegations of authority; and

(2) Documenting justification for awards that are not based on a rating of record (as defined in § 430.203 of this chapter).

[60 FR 43946, Aug. 23, 1995; 60 FR 47646, Sept. 13, 1995]

§ 451.104 Awards.

(a) An agency may grant a cash, honorary, or informal recognition award,

or grant time-off without charge to leave or loss of pay consistent with chapter 45 of title 5, United States Code, and this part to an employee, as an individual or member of a group, on the basis of—

(1) A suggestion, invention, superior accomplishment, productivity gain, or other personal effort that contributes to the efficiency, economy, or other improvement of Government operations or achieves a significant reduction in paperwork;

(2) A special act or service in the public interest in connection with or related to official employment; or

(3) Performance as reflected in the employee's most recent rating of record (as defined in § 430.203 of this chapter), provided that the rating of record is at the fully successful level (or equivalent) or above, except that performance awards may be paid to SES members only under § 534.405 of this chapter and not on the basis of this subpart.

(b) A cash award under this subpart is a lump sum payment and is not basic pay for any purpose.

(c) An award is subject to applicable tax rules, such as withholding.

(d) When an award is approved for—

(1) An employee of another agency, the benefiting agency shall make arrangements to transfer funds to the employing agency to cover the award. If the administrative costs of transferring funds would exceed the amount of the award, the employing agency shall absorb the award costs and pay the award; and

(2) A member of the armed forces for a suggestion, invention, or scientific achievement, arrangements shall be made to transfer funds to the agency having jurisdiction over the member in accordance with E.O. 11438, "Prescribing Procedures Governing Interdepartmental Cash Awards to the Members of the Armed Forces".

(e) An award may be granted to a separated employee or the legal heir(s) or estate of a deceased employee.

(f) A time-off award granted under this subpart shall not be converted to a cash payment under any circumstances.

(g) When granting an award paid as a percentage of basic pay under 5 U.S.C.

4505a(a)(2), the rate of basic pay used must include any applicable locality payment under 5 CFR part 531, subpart F; special rate supplement under 5 CFR part 530, subpart C; or similar payment or supplement under other legal authority. For an employee receiving a retained rate under 5 CFR part 536, subpart C (or similar authority, such as 5 CFR 359.705), the rate of basic pay is the maximum payable rate for the employee's grade or level, rather than the retained rate.

(h) Programs for granting performance-based cash awards on the basis of a rating of record at the fully successful level (or equivalent) or above, as designed and applied, must make meaningful distinctions based on levels of performance.
