(1) *Outside employment* means any form of compensated or uncompensated non-Federal employment or business relationship involving the provision of personal services by the employee. It includes, but is not limited to, personal

services as an officer, director, employee, agent, attorney, consultant, contractor, general partner, trustee, teacher, or speaker. It includes writing when done under an arrangement with another person for production or publication of the written product. It does not, however, include participation in the activities of a nonprofit charitable, religious, professional, social, fraternal, educational, recreational, public service, or civic organization, unless the organization is a prohibited source or unless such activities involve the provision of professional services or advice, or are for compensation other than reimbursement of expenses.

(2) *Profession* has the meaning set forth in 5 CFR 2636.305(b)(1).

(3) *Student intern* means a student employed through a student internship program implemented by the Office of Personnel Management (OPM).

(c) *Prohibited outside employment.* A NASA employee, other than a special Government employee or a student intern, shall not engage in outside employment with the following:

(1) A NASA contractor, subcontractor, or grantee in connection with work performed by that entity for NASA; or

(2) A party to a Space Act agreement, Commercial Launch Act agreement, or other agreement to which NASA is a party pursuant to specific statutory authority, if the employment is in connection with work performed under that agreement.

(d) *Prior approval for outside employment.* A NASA employee, other than a special Government employee, shall request and obtain approval before engaging in the following outside employment activities:

(1) Teaching, speaking, writing, or editing, unless the subject matter pertains to the private interests of the employee, such as a hobby, cultural activity, or a professional pursuit unrelated to the employee's official duties;

(2) The practice of a profession or the rendering of professional consulting services;

(3) The management or conduct of a business in which the employee or the employee's spouse has an ownership interest, if that business performs, or may seek to perform, work (other than

(4) Holding State or local public office, whether by election or appointment;

(5) Employment with a NASA contractor, subcontractor, or grantee;

(6) Employment with a party to a Space Act agreement, Commercial Launch Act agreement, or other agreement to which NASA is a party pursuant to specific statutory authority;

(7) Serving as an officer, trustee, or member of a board, directorate, or other such body of a for profit organization or of a nonprofit organization that is a prohibited source; or

(8) Employment which involves the practice of a NASA-owned invention or the performance of experimental, developmental, research, design, or engineering work that relates to the official duties of such employee.

(e) *Prior approval requested by employee.* Even when not required by paragraph (d) of this section, a NASA employee may request prior approval using the procedures set forth in this section.

(f) *Form of request for approval.* A request for approval of outside employment shall be in writing and shall include the following:

(1) The employee's name and occupational title;

(2) The nature of the employment, including a full description of the specific duties or services to be performed and a statement explaining any relationship between the outside activity and the official duties of the employee;

(3) The name and address of the person or organization for which work will be done;

(7) A statement that the employee currently has no official duties involving a matter that affects the outside employer and will disqualify from future participation in matters that could directly affect the outside employer.

(g) *Approval of requests*—(1) When required to obtain approval prior to commencing outside employment pursuant to paragraph (d) of this section, a NASA employee shall receive approval from the employee's immediate supervisor. Additional authority to approve requests is as follows:
