

Act under the general and specific exemptions set forth in the Act. In utilizing these exemptions, SIGAR is exempting only those portions of systems that are necessary for the proper functioning of SIGAR and that are consistent with the Privacy Act. Where compliance would not appear to interfere with or adversely affect the law enforcement process, and/or where it may be appropriate to permit individuals to contest the accuracy of the information collected, e.g., public source materials, the applicable exemption may be waived, either partially or totally, by SIGAR, in the sole discretion of SIGAR, as appropriate.

(a) *General exemptions.* (1) Individuals may not have access to records maintained by SIGAR that were provided by another agency that has determined by regulation that such information is subject to general exemption under 5 U.S.C. 552a(j)(1). If such exempt records are the subject of an access request, SIGAR will advise the requester of their existence and of the name and address of the source agency, unless that information is itself exempt from disclosure.

(2) The systems of records maintained by the Investigations Directorate (SIGAR-08), are subject to general exemption under 5 U.S.C. 552a(j)(2). All records contained in record system SIGAR-08, Investigations Records, are exempt from all provisions of the Privacy Act except sections (b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), and (11), and (i) to the extent to which they meet the criteria of section (j)(2). These exemptions are necessary to ensure the effectiveness of the investigative, judicial, and protective processes. These exemptions are necessary to ensure the proper functions of the law enforcement activity, to protect confidential sources of information, to fulfill promises of confidentiality, to prevent interference with the enforcement of criminal laws, to avoid the disclosure of investigative techniques, to avoid the endangering of the life and safety of any individual, to avoid premature disclosure of the knowledge of potential criminal activity and the evidentiary bases of possible enforcement actions, and to maintain the integrity of the law enforcement process.

(3) The systems of records maintained by the Investigations Directorate (SIGAR-08) are exempted from 5 U.S.C. 552a (c)(3), (d), (e)(1), (e)(4)(G), (H), and (I), and (f) pursuant to the provisions of 5 U.S.C. 552a(k)(1), (2), and (5). These exemptions are necessary to protect material required to be kept secret in the interest of national defense and foreign policy; to prevent individuals that are the subject of investigation from frustrating the investigatory process; to ensure the proper functioning and integrity of law enforcement activities; to prevent disclosure of investigative techniques; to maintain the confidence of foreign governments in the integrity of the procedures under which privileged or confidential information may be provided; to fulfill commitments made to sources to protect their identities and the confidentiality of information and to avoid endangering these sources and law enforcement personnel; and to ensure the proper functioning of the investigatory process, to ensure effective determination of suitability, eligibility, and qualification for employment and to protect the confidentiality of sources of information.

§ 9302.1 SIGAR Touhy regulations.

(a) *Applicability.* (1) This section sets forth the policies and procedures of the Special Inspector General for Afghanistan Reconstruction (SIGAR or the agency) regarding the testimony of employees and former employees as witnesses and the production or disclosure of SIGAR documents or information for use in legal proceedings in which the United States is not a party and

where the demand is pursuant to a subpoena, order or request (collectively referred to in this section as a “demand”).

(2) This section does not apply to any legal proceeding in which an employee is to testify while on leave status regarding facts or events that are unrelated to the official business of SIGAR.

(3)(i) Nothing in this section affects the rights and procedures governing public access to agency records pursuant to the Freedom of Information Act (5 U.S.C. 552) or the Privacy Act (5 U.S.C. 552a).

(ii) Demands in legal proceedings in which the United States is not a party for the production of SIGAR records or information, or for the testimony of SIGAR employees, regarding information or documents that are protected by the Privacy Act (5 U.S.C. 552a), the Trade Secrets Act (18 U.S.C. 1905) or other statutes, must satisfy the requirements for disclosure set forth in those statutes and the applicable regulations of this part, before the records may be provided or testimony given.

(4) This section is intended to provide guidance for the internal operations of SIGAR and to inform the public about SIGAR procedures concerning service of process upon SIGAR and its responses to demands. The procedures specified in this section, or the failure of any SIGAR employee to follow the procedures specified in this section, are not intended to, do not, and may not be relied upon to create a right or benefit, substantive or procedural, enforceable at law by a party against the United States.

(b) *Definitions.* For purposes of this section:

(c) *SIGAR policy.* (1) SIGAR was established by Section 1229 of the National Defense Authorization Act for Fiscal Year 2008, Public Law 110–181 (January 28, 2008), as a wartime or overseas contingency operation oversight agency of the United States Government’s Executive Branch. SIGAR performs oversight of Afghanistan reconstruction and security programs, operations and contracts to prevent

and detect waste, fraud and abuse pursuant to Sections 1229 and 842 of Public Law 110-181. The records of an inspector general frequently contain sensitive law enforcement information that is protected from disclosure or obtained under guarantees of confidentiality.

(2) In appropriate cases, the agency counsel shall notify the United States Department of Justice (DOJ) of the demand and coordinate with the DOJ to file any appropriate motions or other pleadings.

(3) No current or former employee shall, in response to a demand, produce any SIGAR documents, provide testimony regarding any information relating to or based upon SIGAR documents, or disclose any information or produce materials acquired as part of the performance of that employee's official duties or official status, in a legal proceeding in which the United States is not a party, without the prior written authorization of the General Counsel. *See United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951); and 5 U.S.C. 301 ("The head of an Executive department or military department may prescribe regulations for the government of his department, the conduct of its employees, the distribution and performance of its business, and the custody, use, and preservation of its records, papers, and property. If the demand is served by overnight delivery service or courier, it should be directed to the General Counsel, Special Inspector General for Afghanistan Reconstruc-

tion, 2530 Crystal Drive, Arlington, VA 22202-3940. SIGAR's acceptance of a demand shall not constitute an admission or waiver of any objection with respect to the propriety of jurisdiction, service of process, venue, or any other defense in law or equity available under applicable law.

(2) A subpoena or other demand for testimony directed to an employee or former employee shall be served in accordance with the Federal Rules of Civil or Criminal Procedure or applicable State procedure; and a copy of the subpoena or demand shall be delivered to the General Counsel.

(3)(i) *Touhy* Request. In court cases in which the United States or SIGAR is not a party, where the giving of testimony or the production of documents by SIGAR, or a current or former employee is desired, a verified statement (declaration under penalty of perjury) by the litigant or his counsel, setting forth the information with respect to which the testimony or production is desired ("*Touhy* Request"), must be submitted in order to obtain a decision concerning whether such testimony or production will be authorized by SIGAR. The *Touhy* Request should include: the title of the legal proceeding, the court or other forum, the requesting party's interest in the legal proceeding, a statement whether other evidence reasonably suited to the requester's needs is not otherwise available, and, if testimony is requested, the subject matter and intended use of the testimony, a statement whether document(s) could be provided in lieu of testimony to satisfy the request, and a statement that the requester will submit a check for costs of duplication at commercially reasonable rates to SIGAR if the request is granted. The purpose of these requirements is to assist the General Counsel in making a fair and informed decision under governing law regarding whether testimony or the production of document should be authorized and under what conditions, if any. Permission to testify or produce documents will be limited to the areas of proposed testimony described in the *Touhy* Request.

(ii) Agency counsel may consult or negotiate with an attorney for a party or the party, if not represented by an

attorney, to refine or limit a demand so that compliance is less burdensome or to obtain information necessary to make the determination required by paragraph (e) of this section. Failure of the requester to cooperate in good faith to enable the General Counsel to make an informed determination under this subpart may serve as a basis for denying the *Touhy* Request.

(iii) A determination under this section to comply or not to comply with the *Touhy* Request is without prejudice to the agency's assertion of privilege, lack of relevance, technical deficiency, or any other objection to the demand.

(4)(i) Employees shall immediately refer all inquiries and demands made to SIGAR or its employees to the General Counsel.

(ii) An employee who receives a demand shall forward the demand to the General Counsel, who will determine the agency's response to the demand under this section.

(e) *Factors to be considered by the General Counsel with respect to a Touhy Request.* (1) In deciding whether to authorize the release of official information or the testimony of SIGAR personnel concerning official information (hereafter referred to as the "disclosure"), the General Counsel shall consider the following factors:

(i) Whether the demand is unduly burdensome to the agency or otherwise inappropriate under the applicable rules of discovery, evidence and procedure governing the litigation in which the demand arose, balanced against the need for the specific testimony or documents sought;

(ii) Whether the demand is appropriate under the relevant substantive law of privilege and disclosure of Government information, or seeks information or documents protected from disclosure under the Freedom of Information Act, 5 U.S.C. 552(b), the Privacy Act, 5 U.S.C. 552a, or the Inspector General Act of 1978, as amended, 5 U.S.C. App.;

(iii) Whether the demand would interfere with SIGAR's statutory mandate stated in the "National Defense Authorization Act for Fiscal Year 2008," Pub. L. 110-181 (Jan. 28, 2008), Section 1229 (122 Stat. 378-85), as amended; Pub. L. 110-181, Section 842

(122 Stat. 234-36), 10 U.S.C. 2302 note; or the Inspector General Act of 1978, as amended, 5 U.S.C. App.;

(iv) Whether the demand would be in the public interest;

(v) The extent to which the time of employees for conducting official agency business would be compromised;

(vi) Whether the request demonstrates that the information requested is relevant and material to the action pending, genuinely necessary to the proceeding, unavailable from other sources, and reasonable in scope; and

(vii) Whether other similar requests are likely to have a deleterious cumulative effect on the expenditure of agency time and resources.

(2) Among those demands and requests in response to which compliance will ordinarily not be authorized are those with respect to which any of the following factors exists:

(i) The requested disclosure elicits information or documents protected by a statute, Executive Order or regulation, including but not limited to Section 7(b) of the Inspector General Act of 1978, as amended, 5 U.S.C. App. 3, section 7(b), or other prohibition from disclosure;

(ii) The requested disclosure would interfere with ongoing enforcement proceedings, compromise constitutional rights, reveal the identity of an intelligence source, confidential informant or undercover agent, or disclose trade secrets or similar confidential commercial or financial information.

(iii) The integrity of the administrative and deliberative processes of SIGAR would be jeopardized;

(iv) The requested disclosure would not be appropriate under the rules of procedure governing the pending litigation or matter in which the demand arose;

(v) The requested disclosure is not appropriate under the relevant substantive law concerning privilege; or

(vi) The requested disclosure, except when production is in camera, would reveal information properly classified or other matters exempt from unrestricted disclosure.

(3) All decisions granting or denying a *Touhy* Request must be in writing and, if a denial, provide the grounds for

the decision in summary form based on one or more of the factors listed above.

(f) *Requests for opinion or expert testimony.* (1) Pursuant to 5 CFR 2635.805, an employee shall not provide, with or without compensation, opinion or expert testimony in any proceeding before a court or agency of the United States in which the United States is a party or has a direct and substantial interest, except on behalf of the United States or a party represented by the Department of Justice, without written approval of agency counsel.

(2) Upon a showing by the requestor of exceptional need or unique circumstances, the General Counsel may, in writing, grant authorization for an employee, or former employee, to appear and testify.

(3) Any expert or opinion testimony by a former employee of SIGAR shall be excepted from the restriction under 5 CFR 2635.805 where the testimony involves only general expertise gained while employed at SIGAR.

(g) *Procedures when agency counsel directs an employee not to testify or provide documents.* (1) If agency counsel determines that an employee or former employee should not comply with a subpoena or other request for testimony or the production of documents, agency counsel will so inform the employee and the requesting party who submitted the demand.

(2) If, despite the determination of the agency counsel that testimony should not be given or documents not be produced, a court of competent jurisdiction or other tribunal orders the employee or former employee to testify and/or produce documents, the employee shall promptly notify the General Counsel of such Order.

(i) If agency counsel determines that no further legal review of, appeal from, or challenge to, the Order will be sought, agency counsel shall promptly inform the employee or former employee of said determination.

(ii) If SIGAR determines to challenge an Order directing testimony or the production of documents in litigation in which the United States is not a party, the employee should not comply with the Order. The employee should appear at the time and place as commanded in the order or subpoena. If

legal counsel cannot appear on behalf of the employee, the employee should produce a copy of this section and respectfully inform the Court or other legal tribunal that he/she has been advised by the General Counsel not to provide the requested testimony or documents pursuant to the decision of the United States Supreme Court in *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951), and this section. Agency counsel will coordinate with the DOJ to file such motions or other pleadings that may be deemed appropriate in the circumstances, such as, for example, a notice to remove the case from state court to Federal court, or a motion to quash or modify the subpoena, or a motion for a protective order.

(h) *Fees.* In the event that a Touhy Request is granted, SIGAR may charge reasonable fees to parties seeking official information or records. Such fees are calculated to reimburse the Government for the expense of providing such information or records, and may include the costs of time expended by SIGAR employees to process and respond to the request; attorney time for reviewing the request and any responsive records and for related legal work in connection with the request; and reasonable expenses generated by materials and equipment used to search for, produce, and copy the responsive information or records.
