Office of the Secretary, USDA

participant and the agency of that decision and inform the participant of his or her right to proceed with an appeal.

(3) The Director may delegate his or her authority to conduct a review under this paragraph to any subordinate official of the Division other than a Hearing Officer. In any case in which such review is conducted by such a subordinate official, the subordinate official's determination shall be considered to be the determination of the Director and shall be final and not appealable.

(b) Appeals of adverse decisions. (1) To obtain a hearing under §11.8, a participant personally must request such hearing not later than 30 days after the date on which the participant first received notice of the adverse decision or after the date on which the participant receives notice of the Director's determination that a decision is appealable. In the case of the failure of an agency to act on the request or right of a recipient, a participant personally must request such hearing not later than 30 days after the participant knew or reasonably should have known that the agency had not acted within the timeframes specified by agency program regulations, or, where such regulations specify no timeframes, not later than 30 days after the participant reasonably should have known of the agency's failure to act.

(2) A request for a hearing shall be in writing and personally signed by the participant, and shall include a copy of the adverse decision to be reviewed, if available, along with a brief statement of the participant's reasons for believing that the decision, or the agency's failure to act, was wrong. The participant also shall send a copy of the request for a hearing to the agency, and may send a copy of the adverse decision to be reviewed to the agency, but failure to do either will not constitute grounds for dismissal of the appeal. Instead of a hearing, the participant may request a record review.

(c) If a participant is represented by an authorized representative, the authorized representative must file a declaration with NAD, executed in accordance with 28 U.S.C. 1746, stating that the participant has duly authorized the declarant in writing to represent the participant for purposes of a specified adverse decision or decisions, and attach a copy of the written authorization to the declaration.

§11.7 Ex parte communications.

(a)(1) At no time between the filing of an appeal and the issuance of a final determination under this part shall any officer or employee of the Division engage in *ex parte* communications regarding the merits of the appeal with any person having any interest in the appeal pending before the Division, including any person in an advocacy or investigative capacity. This prohibition does not apply to:

(i) Discussions of procedural matters related to an appeal; or

(ii) Discussions of the merits of the appeal where all parties to the appeal have been given notice and an opportunity to participate.

(2) In the case of a communication described in paragraph (a)(1)(i) of this section, a memorandum of any such discussion shall be included in the hearing record.

(b) No interested person shall make or knowingly cause to be made to any officer or employee of the Division an *ex parte* communication relevant to the merits of the appeal.

(c) If any officer or employee of the Division receives an *ex parte* communication in violation of this section, the one who receives the communication shall place in the hearing record:

(1) All such written communications;

(2) Memoranda stating the substance of all such oral communications; and

(3) All written responses to such communications, and memoranda stating the substance of any oral responses thereto.

(d) Upon receipt of a communication knowingly made or knowingly caused to be made by a party in violation of this section the Hearing Officer or Director may, to the extent consistent with the interests of justice and the policy of the underlying program, require the party to show cause why such party's claim or interest in the appeal should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.
