SOURCE: 58 FR 58643, Nov. 3, 1993, unless otherwise noted.

§ 1944.51 Objective.

This subpart states the policies and procedures for making grants under section 509 of the Housing Act of 1949, as amended (42 U.S.C. 1479). Grants reimburse eligible organizations for part or all of the costs of conducting, administering, and coordinating an effective housing application packaging program in colonias and designated

counties. Eligible organizations will aid very low- and low-income individuals and families in obtaining benefits from Federal, State, and local housing programs. The targeted groups are very low- and low-income families without adequate housing who will receive priority for recruitment and participation and nonprofit organizations able to propose rental or housing rehabilitation assistance benefitting such families. These funds are available only in the areas defined in exhibit D of this subpart. Participants will assist very low- and low-income families in solving their housing needs. One way of assisting is to package single family housing applications for families wishing to buy, build, or repair houses for their own use. Another way is to package applications for organizations wishing to develop rental units for lower income families. The intent is to make Rural Development housing assistance programs available to very low- and low-income rural residents in colonias and designated counties. Rural Development will reimburse eligible organizations packaging loan/grant applications without discrimination because of race, color, religion, sex, national origin, age, familial status, or handicap if such an organization has authority to contract.

Subparts C–E [Reserved]**Subpart F—Congregate Housing
Services Program**

SOURCE: 61 FR 42943, 42949, Aug. 19, 1996, unless otherwise noted.

§ 1944.251 Purpose.

The requirements of this subpart augment the requirements of section 802 of the National Affordable Housing Act of 1990 (approved November 28, 1990, Public Law 101-625) (42 U.S.C. 8011), (hereinafter, section 802), as amended by the Housing and Community Development Act of 1992 (Public Law 102-550, approved October 28, 1992), which authorizes the Congregate Housing Services Program (hereinafter, CHSP or Program).

§ 1944.252 Definitions.

In addition to the definitions in section 802(k), the following definitions apply to CHSP:

Activity of Daily Living (ADL) means an activity regularly necessary for personal care.

(1) The minimum requirements of ADLs include:

(i) Eating (may need assistance with cooking, preparing or serving food, but must be able to feed self);

(ii) Dressing (must be able to dress self, but may need occasional assistance);

(iii) Bathing (may need assistance in getting in and out of the shower or tub, but must be able to wash self);

(iv) Grooming (may need assistance in washing hair, but must be able to take care of personal appearance);

(v) Getting in and out of bed and chairs, walking, going outdoors, using the toilet; and

(vi) Household management activities (may need assistance in doing housework, grocery shopping or laundry, or getting to and from one location to another for activities such as going to the doctor and shopping, but must be mobile. The mobility requirement does not exclude persons in wheelchairs or those requiring mobility devices.)

(2) Each of the Activities of Daily Living noted in paragraph (1) of this definition includes a requirement that a person must be able to perform at a specified minimal level (e.g., to satisfy the eating ADL, the person must be able to feed himself or herself). The determination of whether a person meets this minimal level of performance must include consideration of those services that will be performed by a person's spouse, relatives or other attendants to be provided by the individual. For example, if a person requires assistance with cooking, preparing or serving food plus assistance in feeding himself or herself, the individual would meet the minimal performance level and thus satisfy the eating ADL, if a spouse, relative or attendant provides assistance with feeding the person. Should such assistance become unavailable at any time, the owner is not obligated at any time to provide individualized services beyond those offered to the resident population in general. The Activities of Daily Living analysis is relevant only with regard to determination of a person's eligibility to receive *supportive services* paid for by CHSP and is not a determination of eligibility for occupancy;

Adjusted income means adjusted income as defined in 24 CFR parts 813 or 913.

Applicant means a State, Indian tribe, unit of general local government, public housing authority (PHA), Indian housing authority (IHA) or local nonprofit housing sponsor. A State, Indian tribe, or unit of general local government may apply on behalf of a local nonprofit housing sponsor or a for-profit owner of eligible housing for the elderly.

Area agency on aging means the single agency designated by the State Agency on Aging to administer the program described in Title III of the Older

Americans Act of 1965 (45 CFR chapter 13).

Assistant Secretary means the HUD Assistant Secretary for Housing-Federal Housing Commissioner or the HUD Assistant Secretary for Public and Indian Housing.

Case management means implementing the processes of: establishing linkages with appropriate agencies and service providers in the general community in order to tailor the needed services to the program participant; linking program participants to providers of services that the participant needs; making decisions about the way resources are allocated to an individual on the basis of needs; developing and monitoring of case plans in coordination with a formal assessment of services needed; and educating participants on issues, including, but not limited to, supportive service availability, application procedures and client rights.

Eligible housing for the elderly means any eligible project including any building within a mixed-use project that was designated for occupancy by elderly persons, or persons with disabilities at its inception or, although not so designated, for which the eligible owner or grantee gives preference in tenant selection (with HUD approval) for all units in the eligible project (or for a building within an eligible mixed-use project) to eligible elderly persons, persons with disabilities, or temporarily disabled individuals. For purposes of this subpart, this term does not include projects assisted under the Low-Rent Housing Homeownership Opportunity program (Turnkey III (24 CFR part 905, subpart G)).

Eligible owner means an owner of an eligible housing project.

Excess residual receipts mean residual receipts of more than \$500 per unit in the project which are available and not committed to other uses at the time of application to HUD for CHSP. Such receipts may be used as matching funds and may be spent down to a minimum of \$500/unit.

For-profit owner of eligible housing for the elderly means an owner of an eligible housing project in which some part of the project's earnings lawfully inure to the benefit of any private shareholder or individual.

Grantee or *Grant recipient* means the recipient of funding under CHSP. Grantees under this Program may be states, units of general local government, Indian tribes, PHAs, IHAs, and local nonprofit housing sponsors.

Local nonprofit housing sponsor means an owner or borrower of eligible housing for the elderly; no part of the net earnings of the owning organization shall lawfully inure to the benefit of any shareholder or individual.

Nonprofit includes a public housing agency as that term is defined in section 3(b)(6) of the United States Housing Act of 1937.

Person with disabilities means a household composed of one or more persons, at least one of whom is an adult who has a disability.

(1) A person shall be considered to have a disability if such person is determined under regulations issued by the Secretary to have a physical, mental, or emotional impairment which:

(i) Is expected to be of long-continued and indefinite duration;

(ii) Substantially impedes his or her ability to live independently; and

(iii) Is of such a nature that the person's ability could be improved by more suitable housing conditions.

(2) A person shall also be considered to have a disability if the person has a developmental disability as defined in section 102(5) of the Developmental Disabilities Assistance and Bill of Rights Act (42 U.S.C. 6001-7). Notwithstanding the preceding provisions of this paragraph, the terms *person with disabilities* or *temporarily disabled* include two or more persons with disabilities living together, one or more such persons living with another person who is determined (under regulations prescribed by the Secretary of HUD) to be essential to their care or well-being, and the surviving member or members of any household where at least one or more persons was an adult with a disability who was living, in a unit assisted under this section, with the deceased member of the household at the time of his or her death.

Program participant (participant) means any project resident as defined in section 802(e)(1) who is formally accepted into CHSP, receives CHSP serv-

ices, and resides in the eligible housing project served by CHSP grant.

Qualifying supportive services means those services described in section 802(k)(16). Under this Program, *health-related services* mean non-medical supervision, wellness programs, preventive health screening, monitoring of medication consistent with state law, and non-medical components of adult day care. The Secretary concerned may also approve other requested supportive services essential for achieving and maintaining independent living.

Rural Housing Service (RHS) means a credit agency for rural housing and rural development in the U.S. Department of Agriculture (USDA).

Secretary concerned means (1) The Secretary of Housing and Urban Development, with respect to eligible federally assisted housing administered by HUD; and

(2) The Secretary of Agriculture with reference to programs administered by the Administrator of the Rural Housing Service.

Service coordinator means CHSP staff person responsible for coordinating Program services as described in section 1944.130.

Service provider means a person or organization licensed or otherwise approved in writing by a State or local agency (e.g., Department of Health, Department of Human Services or Welfare) to provide supportive services.

State agency means the State or an agency or instrumentality of the State.

State agency on aging means the single agency designated by the Governor to administer the program described in Title III of the Older Americans Act of 1965 (See 45 CFR part 13).

§ 1944.253 Notice of funding availability, application process and selection.

(a) *Notice of funding availability.* A Notice of Funding Availability (NOFA) will be published periodically in the FEDERAL REGISTER by the Secretary concerned containing the amounts of funds available, allocation or distribution of funds available among eligible applicant groups, where to obtain and submit applications, the deadline for submissions, and further explanation of

§ 1944.254

the selection criteria, review and selection process. The Secretary concerned will designate the maximum allowable size for grants.

(b) *Selection criteria* are set forth in section 802(h)(1) and shall include additional criteria specified by the Secretary concerned.

§ 1944.254 Program costs.

(a) *Allowable costs.* (1) Allowable costs for direct provision of supportive services includes the provision of supportive services and others approved by the Secretary concerned for:

(i) Direct hiring of staff, including a service coordinator;

(ii) Supportive service contracts with third parties;

(iii) Equipment and supplies (including food) necessary to provide services;

(iv) Operational costs of a transportation service (e.g., mileage, insurance, gasoline and maintenance, driver wages, taxi or bus vouchers);

(v) Purchase or leasing of vehicles;

(vi) Direct and indirect administrative expenses for administrative costs such as annual fiscal review and audit, telephones, postage, travel, professional education, furniture and equipment, and costs associated with self evaluation or assessment (not to exceed one percent of the total budget for the activities approved); and

(vii) States, Indian tribes and units of general local government with more than one project included in the grant may receive up to 1% of the total cost of the grant for monitoring the projects.

(2) Allowable costs shall be reasonable, necessary and recognized as expenditures in compliance with OMB Cost Policies, *i.e.*, OMB Circular A-87, 24 CFR 85.36, and OMB Circular A-128.

(b) *Nonallowable costs.* (1) CHSP funds may not be used to cover expenses related to any grantee program, service, or activity existing at the time of application to CHSP.

(2) Examples of nonallowable costs under the program are:

(i) Capital funding (such as purchase of buildings, related facilities or land and certain major kitchen items such as stoves, refrigerators, freezers, dishwashers, trash compactors or sinks);

7 CFR Ch. XVIII (1-1-23 Edition)

(ii) Administrative costs that represent a non-proportional share of costs charged to the Congregate Housing Services Program for rent or lease, utilities, staff time;

(iii) Cost of supportive services other than those approved by the Secretary concerned;

(iv) Modernization, renovation or new construction of a building or facility, including kitchens;

(v) Any costs related to the development of the application and plan of operations before the effective date of CHSP grant award;

(vi) Emergency medical services and ongoing and regular care from doctors and nurses, including but not limited to administering medication, purchase of medical supplies, equipment and medications, overnight nursing services, and other institutional forms of service, care or support;

(vii) Occupational therapy and vocational rehabilitation services; or

(viii) Other items defined as unallowable costs elsewhere in this subpart, in CHSP grant agreement, and OMB Circular A-87 or 122.

(c) *Administrative cost limitation.* Grantees are subject to the limitation in section 802(j)(4).

§ 1944.255 Eligible supportive services.

(a) Supportive services or funding for such services may be provided by state, local, public or private providers and CHSP funds. A CHSP under this section shall provide meal and other qualifying services for program participants (and other residents and non-residents, as described in § 1944.125(a)) that are coordinated on site.

(b) Qualifying supportive services are those listed in section 802(k)(16) and in section 1944.105.

(c) Meal services shall meet the following guidelines:

(1) *Type of service.* At least one meal a day must be served in a group setting for some or all of the participants; if more than one meal a day is provided, a combination of a group setting and carry-out meals may be utilized.

(2) *Hot meals.* At least one meal a day must be hot. A hot meal for the purpose of this program is one in which the principal food item is hot at the time of serving.

(3) *Special menus.* Grantees shall provide special menus as necessary for meeting the dietary needs arising from the health requirements of conditions such as diabetes and hypertension. Grantees should attempt to meet the dietary needs of varying religious and ethnic backgrounds.

(4) *Meal service standards.* Grantees shall plan for and provide meals which are wholesome, nutritious, and each of which meets a minimum of one-third of the minimum daily dietary allowances as established by the Food and Nutrition Board of the National Academy of Sciences-National Research Council (or State or local standards, if these standards are higher). Grantees must have an annual certification, prepared and signed by a registered dietitian, which states that each meal provided under CHSP meets the minimum daily dietary allowances.

(5) *Food stamps and agricultural commodities.* In providing meal services grantees must apply for and use food stamps and agricultural commodities as set forth in section 802(d)(2)(A).

(6) *Preference for nutrition providers:* In contracting for or otherwise providing for meal services grantees must follow the requirements of section 802(d)(2)(B). These requirements do not preclude a grantee or owner from directly preparing and providing meals under its own auspices.

§ 1944.256 Eligibility for services.

(a) *Participants, other residents, and nonresidents.* Such individuals are eligible either to participate in CHSP or to receive CHSP services, if they qualify under section 802(e)(1), (4) and (5). Under this paragraph, temporarily disabled persons are also eligible.

(b) *Economic need.* In providing services under CHSP, grantees shall give priority to very low income individuals, and shall consider their service needs in selecting program participants.

§ 1944.257 Service coordinator.

(a) Each grantee must have at least one service coordinator who shall perform the responsibilities listed in section 802(d)(4).

(b) The service coordinator shall comply with the qualifications and

standards required by the Secretary concerned. The service coordinator shall be trained in the subject areas set forth in section 802(d)(4), and in any other areas required by the Secretary concerned.

(c) The service coordinator may be employed directly by the grantee, or employed under a contract with a case management agency on a fee-for-service basis, and may serve less than full-time. The service coordinator or the case management agency providing service coordination shall not provide supportive services under a CHSP grant or have a financial interest in a service provider agency which intends to provide services to the grantee for CHSP.

(d) The service coordinator shall:

(1) Provide general case management and referral services to all potential participants in CHSP. This involves intake screening, upon referral from the grantee of potential program participants, and preliminary assessment of frailty or disability, using a commonly accepted assessment tool. The service coordinator then will refer to the professional assessment committee (PAC) those individuals who appear eligible for CHSP;

(2) Establish professional relationships with all agencies and service providers in the community, and develop a directory of providers for use by program staff and program participants;

(3) Refer proposed participants to service providers in the community, or those of the grantee;

(4) Serve as staff to the PAC;

(5) Complete, for the PAC, all paperwork necessary for the assessment, referral, case monitoring and reassessment processes;

(6) Implement any case plan developed by the PAC and agreed to by the program participant;

(7) Maintain necessary case files on each program participant, containing such information and kept in such form as HUD and RHS shall require;

(8) Provide the necessary case files to PAC members upon request, in connection with PAC duties;

(9) Monitor the ongoing provision of services from community agencies and keep the PAC and the agency providing

§ 1944.258

7 CFR Ch. XVIII (1–1–23 Edition)

the supportive service informed of the progress of the participant;

(10) Educate grant recipient's program participants on such issues as benefits application procedures (e.g. SSI, food stamps, Medicaid), service availability, and program participant options and responsibilities;

(11) Establish volunteer support programs with service organizations in the community;

(12) Assist the grant recipient in building informal support networks with neighbors, friends and family; and

(13) Educate other project management staff on issues related to "aging-in-place" and services coordination, to help them to work with and assist other persons receiving housing assistance through the grantee.

(e) The service coordinator shall tailor each participant's case plan to the individual's particular needs. The service coordinator shall work with community agencies, the grantee and third party service providers to ensure that the services are provided on a regular, ongoing, and satisfactory basis, in accordance with the case plan approved by the PAC and the participant.

(f) Service coordinators shall not serve as members of the PAC.

§ 1944.258 Professional assessment committee.

(a) *General.* (1) A professional assessment committee (PAC), as described in this section, shall recommend services appropriate to the functional abilities and needs of each eligible project resident. The PAC shall be either a voluntary committee appointed by the project management or an agency in the community which provides assessment services and conforms to section 802(e)(3)(A) and (B). PAC members are subject to the conflict of interest provisions in section 1944.175(b).

(2) The PAC shall utilize procedures that ensure that the process of determining eligibility of individuals for congregate services affords individuals fair treatment, due process, and a right of appeal of the determination of eligibility, and shall ensure the confidentiality of personal and medical records.

(3) The dollar value of PAC members' time spent on regular assessments after initial approval of program par-

ticipants may be counted as match. If a community agency discharges the duties of the PAC, staff time is counted as its imputed value, and if the members are volunteers, their time is counted as volunteer time, according to sections 1944.145(c)(2) (ii) and (iv).

(b) *Duties of the PAC.* The PAC is required to:

(1) Perform a formal assessment of each potential elderly program participant to determine if the individual is frail. To qualify as frail, the PAC must determine if the elderly person is deficient in at least three ADLs, as defined in section 1944.105. This assessment shall be based upon the screening done by the service coordinator, and shall include a review of the adequacy of the informal support network (*i.e.*, family and friends available to the potential participant to assist in meeting the ADL needs of that individual), and may include a more in-depth medical evaluation, if necessary;

(2) Determine if non-elderly disabled individuals qualify under the definition of person with disabilities under section 1944.105. If they do qualify, this is the acceptance criterion for them for CHSP. Persons with disabilities do not require an assessment by the PAC;

(3) Perform a regular assessment and updating of the case plan of all participants;

(4) Obtain and retain information in participant files, containing such information and maintained in such form, as HUD or RHS shall require;

(5) Replace any members of the PAC within 30 days after a member resigns. A PAC shall not do formal assessments if its membership drops below three, or if the qualified medical professional leaves the PAC and has not been replaced.

(6) Notify the grantee or eligible owner and the program participants of any proposed modifications to PAC procedures, and provide these parties with a process and reasonable time period in which to review and comment, before adoption of a modification;

(7) Provide assurance of non-discrimination in selection of CHSP participants, with respect to race, religion, color, sex, national origin, familial status or type of disability;

(8) Provide complete confidentiality of information related to any individual examined, in accordance with the Privacy Act of 1974;

(9) Provide all formal information and reports in writing.

(c) *Prohibitions relating to the PAC.* (1) At least one PAC member shall not have any direct or indirect relationship to the grantee.

(2) No PAC member may be affiliated with organizations providing services under the grant.

(3) Individuals or staff of third party organizations that act as PAC members may not be paid with CHSP grant funds.

(d) *Eligibility and admissions.* (1) Before selecting potential program participants, each grantee (with PAC assistance) shall develop a CHSP application form. The information in the individual's application is crucial to the PAC's ability to determine the need for further physical or psychological evaluation.

(2) The PAC, upon completion of a potential program participant's initial assessment, must make a recommendation to the service coordinator for that individual's acceptance or denial into CHSP.

(3) Once a program participant is accepted into CHSP, the PAC must provide a supportive services case plan for each participant. In developing this plan, the PAC must take into consideration the participant's needs and wants. The case plan must provide the minimum supportive services necessary to maintain independence.

(e) *Transition-out procedures.* The grantee or PAC must develop procedures for providing for an individual's transition out of CHSP to another setting. Transition out is based upon the degree of supportive services needed by an individual to continue to live independently. If a program participant leaves the program, but wishes to retain supportive services, he or she may do so, as long as he or she continues to live in an eligible project, pays the full cost of services provided, and management agrees (section 802(e)(4) and (5)). A participant can be moved out of CHSP if he or she:

(1) Gains physical and mental health and is able to function without sup-

portive services, even if only for a short time (in which case readmission, based upon reassessment to determine the degree of frailty or the disability, is acceptable);

(2) Requires a higher level of care than that which can be provided under CHSP; or

(3) Fails to pay services fees.

(f) *Procedural rights of participants.* (1) The PAC must provide an informal process that recognizes the right to due process of individuals receiving assistance. This process, at a minimum, must consist of:

(i) Serving the participant with a written notice containing a clear statement of the reasons for termination;

(ii) A review of the decision, in which the participant is given the opportunity to present written or oral objections before a person other than the person (or a subordinate of that person) who made or approved the termination decision; and

(iii) Prompt written notification of the final decision to the participant.

(2) Procedures must ensure that any potential or current program participant, at the time of initial or regular assessment, has the option of refusing offered services and requesting other supportive services as part of the case planning process.

(3) In situations where an individual requests additional services, not initially recommended by the PAC, the PAC must make a determination of whether the request is legitimately a needs-based service that can be covered under CHSP subsidy. Individuals can pay for services other than those recommended by the PAC as long as the additional services do not interfere with the efficient operation of the program.

§ 1944.259 Participatory agreement.

(a) Before actual acceptance into CHSP, potential participants must work with the PAC and the service coordinator in developing supportive services case plans. A participant has the option of accepting any of the services under the case plan.

(b) Once the plan is approved by the PAC and the program participant, the participant must sign a participatory agreement governing the utilization of

§ 1944.260

7 CFR Ch. XVIII (1–1–23 Edition)

the plan's supportive services and the payment of supportive services fees. The grantee annually must renegotiate the agreement with the participant.

§ 1944.260 Cost distribution.

(a) *General.* (1) Grantees, the Secretary concerned, and participants shall all contribute to the cost of providing supportive services according to section 802(i)(A)(i). Grantees must contribute at least 50 percent of program cost, participants must contribute fees that in total are at least 10 percent of program cost, and the Secretary concerned will provide funds in an amount not to exceed 40 percent.

(2) Section 802(i)(1)(B)(ii) creates a cost-sharing provision between grantee and the Secretary concerned if total participant fees collected over a year are less than 10 percent of total program cost. This provision is subject to availability of appropriated grant funds. If funds are not available, the grantee must assume the funding shortfall.

(b) *Prohibition on substitution of funds and maintenance of existing supportive services.* Grantees shall maintain existing funding for and provision of supportive services prior to the application date, as set forth in section 802(i)(1)(D). The grantee shall ensure that the activities provided to the project under a CHSP grant will be in addition to, and not in substitution for, these previously existing services. The value of these services do not qualify as matching funds. Such services must be maintained either for the time the participant remains in CHSP, or for the duration of CHSP grant. The grantee shall certify compliance with this paragraph to the Secretary concerned.

(c) *Eligible matching funds.* (1) All sources of matching funds must be directly related to the types of supportive services prescribed by the PAC or used for administration of CHSP.

(2) Matching funds may include:

(i) Cash (which may include funds from Federal, State and local governments, third party contributions, available payments authorized under Medicaid for specific individuals in CHSP, Community Development Block Grants or Community Services Block Grants, Older American Act programs

or excess residual funds with the approval of the Secretary concerned),

(ii) The imputed dollar value of other agency or third party-provided direct services or staff who will work with or provide services to program participants; these services must be justified in the application to assure that they are the new or expanded services of CHSP necessary to keep the program participants independent. If services are provided by the state, Indian tribe, unit of general local government, or local nonprofit housing sponsor, IHA, PHA, or for-profit or not-for-profit owner, any salary paid to staff from governmental sources to carry out the program of the grantee and any funds paid to residents employed by the Program (other than from amounts under a contract under section 1944.155) is allowable match.

(iii) In-kind items (these are limited to 10 percent of the 50 percent matching amount), such as the current market value of donated common or office space, utility costs, furniture, material, supplies, equipment and food used in direct provision of services. The applicant must provide an explanation for the estimated donated value of any item listed.

(iv) The value of services performed by volunteers to CHSP, at the rate of \$5.00 an hour.

(d) *Limitation.* (1) The following are not eligible for use as matching funds:

(i) PHA operating funds;

(ii) CHSP funds;

(iii) Section 8 funds other than excess residual receipts;

(iv) Funds under section 14 of the U.S. Housing Act of 1937, unless used for service coordination or case management; and

(v) Comprehensive grant funds unless used for service coordination or case management;

(2) Local government contributions are limited by section 802(i)(1)(E).

(e) *Annual review of match.* The Secretary concerned will review the infusion of matching funds annually, as part of the program or budget review. If there are insufficient matching funds available to meet program requirements at any point after grant start-up, or at any time during the term of the grant (*i.e.*, if matching funds from

sources other than program participant fees drop below 50 percent of total supportive services cost), the Secretary concerned may decrease the federal grant share of supportive services funds accordingly.

§ 1944.261 Program participant fees.

(a) *Eligible program participants.* The grantee shall establish fees consistent with section 1944.145(a). Each program participant shall pay CHSP fees as stated in paragraphs (d) and (e) of this section, up to a maximum of 20 percent of the program participant's adjusted income. Consistent with section 802(d)(7)(A), the Secretary concerned shall provide for the waiver of fees for individuals who are without sufficient income to provide for any payment.

(b) *Fees shall include:* (1) Cash contributions of the program participant; (2) Food Stamps; and

(3) Contributions or donations to other eligible programs acceptable as matching funds under section 1944.145(c).

(c) *Older Americans Act programs.* No fee may be charged for any meals or supportive services under CHSP if that service is funded under an Older Americans Act Program.

(d) *Meals fees:* (1) For full meal services, the fees for residents receiving more than one meal per day, seven days per week, shall be reasonable and shall equal between 10 and 20 percent of the adjusted income of the project resident, or the cost of providing the services, whichever is less.

(2) The fees for residents receiving meal services less frequently than as described in paragraph (d)(1) of this section shall be in an amount equal to 10 percent of the adjusted income of the project resident, or the cost of providing the services, whichever is less.

(e) *Other service fees.* The grantee may also establish fees for other supportive services so that the total fees collected from all participants for meals and other services is at least 10 percent of the total cost of CHSP. However, no program participants may be required to pay more than 20 percent of their adjusted incomes for any combination of services.

(f) *Other residents and nonresidents.* Fees shall be established for residents

of eligible housing projects (other than eligible project residents) and for non-residents who receive meals and other services from CHSP under section 1944.125(a). These fees shall be in an amount equal to the cost of providing the services.

§ 1944.262 Grant agreement and administration.

(a) *General.* HUD will enter into grant agreements with grantees, to provide congregate services for program participants in eligible housing projects, in order to meet the purposes of CHSP.

(b) *Term of grant agreement and reservation of amount.* A grant will be for a term of five years and the Secretary concerned shall reserve a sum equal to the total approved grant amount for each grantee. Grants will be renewable at the expiration of a term, subject to the availability of funds and conformance with the regulations in this subpart, except as otherwise provided in section 1944.160.

(c) *Monitoring of project sites by governmental units.* States, Indian tribes, and units of general local government with a grant covering multiple projects shall monitor, review, and evaluate Program performance at each project site for compliance with CHSP regulations and procedures, in such manner as prescribed by HUD or RHS.

(d) *Reports.* Each grantee shall submit program and fiscal reports and program budgets to the Secretary concerned in such form and at such times, as the Secretary concerned requires.

(e) *Enforcement.* The Secretary concerned will enforce the obligations of the grantee under the agreement through such action as may be necessary, including terminating grants, recapturing grant funds, and imposing sanctions.

(1) These actions may be taken for:

(i) A grantee's non-compliance with the grant agreement or HUD or RHS regulations;

(ii) Failure of the grantee to provide supportive services within 12 months of execution of the grant agreement.

(2) Sanctions include but are not limited to the following:

(i) Temporary withholding of reimbursements or extensions or renewals under the grant agreement, pending

§ 1944.263

correction of deficiencies by the grantee;

(ii) Setting conditions in the contract;

(iii) Termination of the grant;

(iv) Substitution of grantee; and

(v) Any other action deemed necessary by the Secretary concerned.

(f) *Renewal of grants.* Subject to the availability of funding, satisfactory performance, and compliance with the regulations in this subpart:

(1) Grantees funded initially under this subpart shall be eligible to receive continued, non-competitive renewals after the initial five-year term of the grant.

(2) Grantees will receive priority funding and grants will be renewed within time periods prescribed by the Secretary concerned.

(g) *Use of Grant Funds.* If during any year, grantees use less than the annual amount of CHSP funds provided to them for that year, the excess amount can be carried forward for use in later years.

§ 1944.263 Eligibility and priority for 1978 Act recipients.

Grantees funded initially under 42 U.S.C. 8001 shall be eligible to receive continued, non-competitive funding subject to its availability. These grantees will be eligible to receive priority funding under this subpart if they comply with the regulations in this part and with the requirements of any NOFA issued in a particular fiscal year.

§ 1944.264 Evaluation of Congregate Housing Services Programs.

(a) Grantees shall submit annually to the Secretary concerned, a report evaluating the impact and effectiveness of CHSPs at the grant sites, in such form as the Secretary concerned shall require.

(b) The Secretaries concerned shall further review and evaluate the performance of CHSPs at these sites and shall evaluate the Program as a whole.

(c) Each grantee shall submit a certification with its application, agreeing to cooperate with and to provide requested data to the entity responsible for the Program's evaluation, if

7 CFR Ch. XVIII (1-1-23 Edition)

requested to do so by the Secretary concerned.

§ 1944.265 Reserve for supplemental adjustment.

The Secretary concerned may reserve funds subject to section 802(o). Requests to utilize supplemental funds by the grantee shall be transmitted to the Secretary concerned in such form as may be required.

§ 1944.266 Other Federal requirements.

In addition to the Federal Requirements set forth in 24 CFR part 5, the following requirements apply to grant recipient organizations in this program:

(a) *Office of Management and Budget (OMB) Circulars and Administrative Requirements.* The policies, guidelines, and requirements of OMB Circular No. A-87 and 24 CFR part 85 apply to the acceptance and use of assistance under this program by public body grantees. The policies, guidelines, and requirements of OMB Circular No. A-122 apply to the acceptance and use of assistance under this program by non-profit grantees. Grantees are also subject to the audit requirements described in 24 CFR part 44 (OMB Circular A-128).

(b) *Conflict of interest.* In addition to the conflict of interest requirements in OMB Circular A-87 and 24 CFR part 85, no person who is an employee, agent, consultant, officer, or elected or appointed official of the applicant, and who exercises or has exercised any function or responsibilities with respect to activities assisted with CHSP grant funds, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a personal or financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or any proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties during his or her tenure, or for one year thereafter. CHSP employees may receive reasonable salary and benefits.

(c) *Disclosures required by Reform Act.* Section 102(c) of the HUD Reform Act of 1989 (42 U.S.C. 3545(c)) requires disclosure concerning other government

assistance to be made available with respect to the Program and parties with a pecuniary interest in CHSP and submission of a report on expected sources and uses of funds to be made available for CHSP. Each applicant shall include information required by 24 CFR part 12 on form HUD-2880 "Applicant/Recipient Disclosure/Update Report," as required by the FEDERAL REGISTER Notice published on January 16, 1992, at 57 FR 1942.

(d) *Nondiscrimination and equal opportunity.* (1) The fair housing poster regulations (24 CFR part 110) and advertising guidelines (24 CFR part 109);

(2) The Affirmative Fair Housing Marketing Program requirements of 24 CFR part 200, subpart M, and the implementing regulations at 24 CFR part 108; and

(3) Racial and ethnic collection requirements—Recipients must maintain current data on the race, ethnicity and gender of program applicants and beneficiaries in accordance with section 562 of the Housing and Community Development Act of 1987 and section 808(e)(6) of the Fair Housing Act.

(e) *Environmental requirements.* Support services, including the operating and administrative expenses described in section 1944.115(a), are categorically excluded from the requirements of the National Environmental Policy Act (NEPA) of 1969. These actions, however, are not excluded from individual compliance requirements of other environmental statutes, Executive Orders, and agency regulations where appropriate. When the responsible official determines that any action under this subpart may have an environmental effect because of extraordinary circumstances, the requirements of NEPA shall apply.

Subparts G–H [Reserved]

Subpart I—Self-Help Technical Assistance Grants

SOURCE: 55 FR 41833, Oct. 16, 1990, unless otherwise noted.

§ 1944.401 Objective.

This subpart sets forth the policies and procedures and delegates authority

for providing Technical Assistance (TA) funds to eligible applicants to finance programs of technical and supervisory assistance for self-help housing, as authorized under section 523 of the Housing Act of 1949. Any processing or servicing activity conducted pursuant to this subpart involving authorized assistance to Rural Development employees, members of their families, known close relatives, or business or close personal associates, is subject to the provisions of subpart D of part 1900 of this chapter. Applicants for this assistance are required to identify any known relationship or association with a Rural Development employee. This financial assistance may pay part or all of the cost of developing, administering, or coordinating programs of technical and supervisory assistance to aid needy very low- and low-income families in carrying out self-help housing efforts in rural areas. Very low-income families must receive a priority for recruitment and participation and may not comprise less than the percentage stated in subpart L of part 1940 of this chapter of those assisted in any grant. The primary purpose is to fund organizations that are willing to locate and work with families that otherwise do not qualify as homeowners. Generally, these are families below 50 percent of median incomes, living in substandard housing, and/or lacking the skills to be good homeowners. Grantees will comply with the nondiscrimination regulation subpart E of part 1901 of this chapter which states that no person in the United States shall, on the grounds of race, color, national origin, sex, religion, marital status, mental or physical handicap, or age, be excluded from participating in, be denied the benefits of, or be subject to discrimination in connection with the use of grant funds and all provisions of the Fair Housing Act of 1988.

[55 FR 41833, Oct. 16, 1990, as amended at 58 FR 227, Jan. 5, 1993]

§ 1944.402 Grant purposes.

Rural Development may contract or make a grant to an organization to:

(a) Give technical and supervisory assistance to eligible very low- and low-income families as defined in Appendix 9 of HB-1-3550 (available in any Rural

§ 1944.403

Development office), in carrying out self-help housing efforts.

(b) Assist other organizations to provide technical and supervisory assistance to eligible families.

(c) Develop a final application, recruit families and related activities necessary to participate under paragraph (a) of this section.

[55 FR 41833, Oct. 16, 1990, as amended at 67 FR 78328, Dec. 24, 2002]

§ 1944.403 Definitions.

(a) *Agreement*. The Self-Help Technical Assistance Agreement, which is a document signed by Rural Development and the grantee, sets forth the terms and conditions under which TA funds will be made available. (Exhibit A of this subpart).

(b) *Agreement period (or grant period)*. The period of time for which an agreement is in force. Generally, the period will not exceed 24 months.

(c) *Date of completion*. The date when all work under a grant is completed or the date in the TA grant agreement, or any supplement or amendment to it, when Federal assistance ends.

(d) *Direct costs*. Those costs that are specifically identified with a particular project or activity. Grantees receiving funds from a single grant source would consider all costs as direct costs.

(e) *Disallowed costs*. Those charges to a grant which Rural Development determines cannot be authorized.

(f) *Equivalent units*. Equivalent units represent the “theoretical number of units” arrived at by adding the equivalent percentage of completion figure for each family in the self-help program (pre-construction and actual construction) together at any given date during program operations. The sum of the percentage of completion figures for all participant families represent the total number of “theoretical units” completed at any point in time. Equivalent units are useful in measuring progress during the period of the grant and are not a measurement of actual accomplishments. The number of equivalent units for any group can never exceed the number of planned or completed houses for that group.

(g) *Equivalent value of a modest house*. The equivalent value of a modest house is the typical cost of a recent con-

tractor-built Rural Development financed home in the area plus the actual or projected costs of an acceptable site and site development. If Rural Development has not financed a contractor-built house during the last twelve months, the value will be established by use of the Marshall and Swift cost handbook or a similar type of handbook. Equivalent value of a modest house is established by Rural Development.

(h) *Indirect costs*. Those costs that are incurred for common or joint objectives and therefore, cannot be readily and specifically identified with a particular project or activity, e.g., self-help.

(i) *Mutual self-help*. The construction method by which participating families organized in groups generally of 4 to 10 families utilize their own labor to reduce the total construction cost of their homes. Participating families complete construction work on their homes by an exchange of labor with one another. The mutual self-help method must be used for new construction.

(j) *Organization*. (1) A State, political subdivision, or public nonprofit corporation (including Indian tribes or Tribal corporations); or

(2) A private nonprofit corporation that is owned and controlled by private persons or interests and is organized and operated for purposes other than making gains or profits for the corporation and is legally precluded from distributing any gains or profits to its members.

(k) *Participating family*. Individuals and/or their families who agree to build homes by the mutual self-help method and rehabilitate homes by the self-help method. Participants are families with very low- or low-incomes who have the ability to furnish their share of the required labor input regardless of the handicap, age, race, color, national origin, religion, family status, or sex of the head of household. The participating family must be approved for a section 502 RH loan or similar loans from other Federal, state, and private lenders that uses income guidelines substantially similar to the Department of Housing and Urban Development before the start of construction,

have sufficient time available to assist in building their own homes, and show a desire to work with other families. Each family in the group must contribute labor on each other's homes to accomplish the 65 percent of the total 100 percent of tasks listed in exhibit B-2 of this subpart. A participating family may use a substitute to perform the labor with prior approval of the Grantee and the Rural Development State Director. A substitute is only permitted when the participating family is incapacitated.

(l) *Self-help*. The construction method by which an individual family utilizes their labor to reduce the construction cost of their home without an exchange of labor between participating families. Unless otherwise authorized by the District Director, this method is only funded for repair and rehabilitation type construction.

(m) *Sponsor*. An existing entity that is willing and able to assist an applicant, with or without charge, in applying for a grant and in carrying out responsibilities under the agreement. Examples of sponsors are local rural electric cooperatives, institutions of higher education, community action agencies and other self-help grantees. Also, when available, regional technical and management assistance contractors may qualify to serve as a sponsor at no charge.

(n) *Technical assistance*. The organizing and supervising of groups of families in the construction of their own homes including:

(1) Recruiting families who are interested in sharing labor in the construction of each other's homes and assisting such families in obtaining housing loans.

(2) Conducting meetings of the families to explain the self-help program and subjects related to home ownership, such as loan payments, taxes, insurance, maintenance, and upkeep of the property.

(3) Helping families in planning and developing activities that lead to the acquisition and development of suitable building sites.

(4) Assisting families in selecting or developing house plans for homes which will meet their needs and which they can afford.

(5) Assisting families in obtaining cost estimates for construction materials and any contracting that may be required.

(6) Providing assistance in the preparation of loan applications.

(7) Providing construction supervision and training for families while they construct their homes.

(8) Providing financial supervision to individual families with section 502 Rural Housing (RH) loans which will minimize the time and effort required by Rural Development in processing borrower expenditures for materials and contract services.

(9) Assisting families in solving other housing problems.

(o) *Termination of a grant*. The cancellation of Federal assistance, in whole or in part, at any time before the date of completion.

§ 1944.404 Eligibility.

To receive a grant, the applicant must:

(a) Be an organization as defined in § 1944.403(j) of this subpart.

(b) Have the financial, legal, administrative, and actual capacity to assume and carry out the responsibilities imposed by the Agreement. To meet the requirement of actual capacity it must either:

(1) Have necessary background and experience with proven ability to perform responsibly in the field of mutual self-help or other business management or administrative ventures which indicate an ability to perform responsibility in the field of mutual self-help; or

(2) Be sponsored by an organization with background experience, and ability, which agrees in writing to help the applicant to carry out its responsibilities.

(c) Legally obligate itself to administer TA funds, provide adequate accounting of the expenditure of such funds, and comply with the Agreement and Rural Development regulations.

(d) If the organization is a private nonprofit corporation, be a corporation that:

(1) Is organized under State and local laws.

(2) Is qualified under section 501(c)(3) of the Internal Revenue Code of 1986.

§ 1944.405

(3) Has as one of its purposes the production of affordable housing.

(4) Has a Board of Directors which consist of not less than five.

§ 1944.405 Authorized use of grant funds.

(a) Payment of salaries of personnel as authorized in the Agreement.

(b) Payment of necessary and reasonable office expenses such as office rental, office utilities, and office equipment rental. The purchase of office equipment is permissible when the grantee determines it to be more economical than renting. As a general rule, these types of expenses would be classified as indirect costs in multiple funded organizations.

(c) Purchase of office supplies such as paper, pens, pencils, and trade magazines.

(d) Payment of necessary employee benefit costs including but not limited to items such as Worker's Compensation, employer's share of social security, health benefits, and a reasonable tax deferred pension plan for permanent employees.

(e) Purchase, lease, or maintenance of power or specialty tools such as a power saw, electric drill, sabre saw, ladders, and scaffolds, which are needed by the participating families. The participating families, however, are expected to provide their own hand tools such as hammers and handsaws.

(f) Payment of liability insurance and special purpose audit costs associated with self-help activities. These would be considered direct costs, even though the grantee's general liability insurance cost and the cost of audits for the organization are generally indirect costs.

(g) Payment of reasonable fees for training of grantee personnel including board members. This may include the cost of travel and per diem to attend in or out-of-State training as authorized by the board of directors and, when necessary, for the employee to do the current job. These costs are generally direct costs.

(h) Payment of services rendered by a sponsor or other organization after the grant is closed and when it is determined the sponsor can provide the necessary services which will result in an

7 CFR Ch. XVIII (1-1-23 Edition)

overall reduction in the cost of assistance. Typically, this will be limited to new grantees and an existing grantee for the period of time that its size or activity does not justify a full staff. A full staff is a full or part-time director, project worker, secretary-bookkeeper, and a construction supervisor. This type of cost is generally direct.

(i) Payment of certain consulting and legal costs required in the administration of the grant if such service is not available without cost. This does not include legal expenses for claims against the Federal Government. (Legal costs that may be incurred by the organization for the benefit of the participating families may be paid with prior approval of the State Director).

(j) Payments of the cost of an accountant to set up an accounting system and perform audits that may be required. Generally, these costs are indirect.

(k) Payments of reasonable expenses of board members for attending regular or special board meetings. These costs are indirect.

§ 1944.406 Prohibited use of grant funds.

(a) Hiring personnel specifically for the purpose of performing any of the construction work for participating families in the self-help projects.

(b) Buying real estate or building materials or other property of any kind for participating families.

(c) Paying any debts, expenses, or costs which should be the responsibility of the participating families in the self-help projects.

(d) Paying for training of an employee as authorized by 2 CFR part 200 as adopted by USDA through 2 CFR part 400.

(e) Paying costs other than approved indirect (including salaries) that are not directly related to helping very low- and low-income families obtain housing consistent with the objectives of this program.

§ 1944.407 Limitations.

The amount of the TA grant depends on the experience and capability of the

RHS, RBS, RUS, FSA, USDA

§ 1944.410

applicant and must be justified based on the number of families to be assisted. As a guide, the maximum grant amounts for any grant period will be limited to:

(a) An average TA cost per equivalent unit of no more than 15 percent of the cost of equivalent value of modest homes built in the area. (Upon request, the County Supervisor will provide the grantee the average cost of modest homes for the area); or

(b) An average TA cost per equivalent unit that does not exceed the difference between the equivalent value of modest homes in the area and the average mortgage of the participating families minus \$1,000; or

(c) A TA per equivalent unit cost that does not exceed an amount established by the State Director. The State Director may authorize a greater TA cost than paragraph (a) or (b) of this section when needed to accomplish a particular objective, such as requiring the grantee to serve very low-income families, remote areas, or similar situations; or

(d) A negotiated amount for repair and rehabilitation type proposals. At a minimum, applicants applying for repair and rehabilitation grants must include information on the proximity of the houses in a project, the typical needed repairs, and the cost savings between self-help and contractor rehabilitation and repair.

§ 1944.408 [Reserved]

§ 1944.409 Executive Order 12372.

The self-help program is subject to the provision of Executive Order 12372 which requires intergovernmental consultation with State and local officials. These requirements are set forth in U. S. Department of Agriculture regulations 7 CFR 3015, subpart V and RD Instruction 1970-I, 'Intergovernmental Review,' available in any Agency office or on the Agency's Web site, new applicants for the self-help program must submit their Statement of Activities to the State single point of contact prior to submitting their preapplication to

Agency. The name of the point of contact is available from the State Office.

[55 FR 41833, Oct. 16, 1990, as amended at 61 FR 39851, July 31, 1996; 76 FR 80730, Dec. 27, 2011]

§ 1944.410 Processing preapplications, applications, and completing grant dockets.

(a) *Form SF-424, "Application for Federal Assistance."* Form SF-424 in an original and one copy must be submitted by the applicant to the District Director. It will be used to establish communication between the applicant and RHS, determine the applicant's eligibility, determine how well the project can compete with similar applications from other organizations and eliminate any proposals which have little or no chance for Federal funding before applicants incur significant expenditures for preparing an application. In addition, the following information will be attached to and become a part of the preapplication:

(1) Complete information about the applicant's previous experience and capacity to carry out the objective of the agreement.

(2) If the applicant organization is already formed, a copy of or an accurate reference to the specific provisions of State law under which the applicant is organized; a certified copy of the applicant's Articles of Incorporation and Bylaws or other evidence of corporate existence; certificate of incorporation for other than public bodies; evidence of good standing from the State when the corporation has been in existence 1 year or more; the names and addresses of the applicant's members, directors, and officers; and, if another organization is a member of the applicant-organization, its name, address, and principal business. If the applicant is not already formed, attach copies of the proposed organizational documents demonstrating compliance with § 1944.404(d) of this subpart.

(3) A current (no more than 12 months old) dated and signed financial statement showing the amounts and specific nature of assets and liabilities together with information on the repayment schedule and status of any debt owed by the applicant. If the applicant is being sponsored by another

organization, the same type of financial statement also must be provided by the applicant's sponsor.

(4) A narrative statement which includes information about the amount of the grant funds being requested, area(s) to be served, need for self-help housing in the area(s), the number of self-help units proposed to be built, rehabilitated or repaired during the agreement period, housing conditions of low-income families in the area and reasons why families need self-help assistance. Evidence should be provided that the communities support the activity and that there are low-income families willing to contribute their labor in order to obtain adequate housing. Evidence of community support may be letters of support from local officials, individuals and community organizations. The pre-application may contain information such as census materials, local planning studies, surveys, or other readily available information which indicates a need in the area for housing of the type and cost to be provided by the proposed self-help TA program.

(5) A plan of how the organization proposes to reach very low-income families living in houses that are deteriorated, dilapidated, overcrowded, and/or lacking plumbing facilities.

(6) A proposed budget which will be prepared on SF-424A, "Budget Information (Non-Construction Programs)" will be completed to address applicable assurances as outlined in 2 CFR part 200 as adopted by USDA through 2 CFR part 400. State and local Government will include an assurance that the grantee shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. The State and local governments shall also comply with 2 CFR part 200 as adopted by USDA through 2 CFR part 400.

(7) A preliminary survey as to the availability of lots and projected cost of the sites.

(8) A list of other activities the applicant is engaged in and expects to continue, and a statement as to other sources of funding and whether it will have sufficient funds to assure continued operation of the other activities for at least the period of the agree-

ment. If multi-funded, its cost allocation plan or indirect cost rate must be part of the pre-application.

(9) Whether assistance under paragraph (d) of this section is requested and a brief narrative identifying the need, amount of funds needed, and projected time period.

(10) If a project is planned for five or more housing lots or units, an Affirmative Fair Marketing Plan is required. The plan will be in effect until the completion of the project.

(b) *Preapplication review.* (1) The District Director, within 30 days of receipt of the preapplication, Form SF-424, and all other required information and material will complete a thorough review for completeness, accuracy, and conformance to program policy and regulations.

Incomplete preapplications will be returned to the applicant for completion. The applicant should be given the name of the regional technical assistance contractor. The County Supervisor in the prospective county will be contacted as to the need for the program in the proposed area and if the necessary resources are available to the grantee. This will include a discussion of the number of 502 and 504 units that will need to be committed to the grantee and the potential work impact on the office during the grant period. If it is determined that the County Office lacks the resources (either personnel or funds) to process all loan requests in a timely manner, the District Director must communicate this need to the State Director along with a recommended solution. (Lack of resources at the county level are not grounds to deny a request). After the District Director has determined that the preapplication is complete and accurate, the District Director will assemble the material in an applicant case file and forward it to the State Director. The case file, as a minimum, must contain the following:

- (i) Form SF-424,
- (ii) Documentation required in accordance with 7 CFR part 1970.
- (iii) Eligibility recommendations, and
- (iv) HUD Form 935.2 "Affirmative Fair Housing Marketing Plan", if applicable.

(2) The State Director may, if needed, submit the organizational documents with any comments or questions to the Office of General Counsel (OGC) for a preliminary opinion as to whether the applicant is or will be a legal organization of the type required by these regulations and for advice on any other aspects of the preapplication.

(3) The State Director, if unable to determine eligibility or qualifications with the advice of the OGC, may submit the preapplication to the National Office for review. The preapplication will contain all memoranda from OGC giving the results of its review. The State Director will identify in the transmittal memorandum to the National Office the specific problem and will recommend possible solutions and any information about the applicant which would be helpful to the National Office in reaching a decision.

(4) After an eligibility determination has been made, which should be completed within 30 days unless OGC is involved, the State Director will:

(i) If the applicant is eligible, contact the National Office as to the availability of funds or submit the proposal to the National Office for authorization if the requested amount exceeds the State Director's approval authority. If funds are available, the final review officer, either the State Director or the Assistant Administrator, Housing will issue a letter of conditions that the applicant must meet and direct the District Director to issue Form AD-622, "Notice of Preapplication Review Action."

(ii) If the applicant is determined not eligible, the State Director will direct the District Director to issue Form AD-622.

(c) *Form AD-622, "Notice of Preapplication Review Action."* (1) If the applicant is eligible and after the State Director has returned the pre-application information and, as appropriate, the environmental review documentation required in 7 CFR part 1970 to the Area Office, the Area Director will, within 10 days, prepare and issue Form AD-622. The original Form AD-622 will be signed and delivered to the applicant along with the letter of conditions, a copy to the applicant's case

file, a copy to the County Supervisor, and a copy to the State Director.

(2) If the applicant is not eligible and after the State Director has returned the preapplication information, the District Director will within 5 days notify the applicant on Form AD-622. The notification will inform the applicant that an appeal of the decision may be made to the National Appeals Staff under subpart B of part 1900 of this chapter.

(3) If the applicant is eligible and no grant or loan funds are available, the State Director will return the preapplication information to the District Director who will, within 10 days, notify the applicant on Form AD-622. The notification will explain the facts concerning the lack of funding and that Rural Development will notify them when funding will be available. This is not an appealable decision.

(d) *Self-help technical assistance grant predevelopment agreement.* If the grantee requested predevelopment assistance and the State Director determines that the applicant lacks the financial resources to meet the conditions of grant approval, a grant of up to \$10,000 and for up to six months will be made in order for the applicant to provide what is required by paragraph (e) of this section. Exhibit D of this subpart will be used for this purpose. Existing grantees proposing to operate in an area different from the area that they are currently funded to operate are eligible for this grant. However, this grant is available only once for a defined area. This grant is available only after the letter of conditions has been issued. Denial of this assistance is an appealable decision under subpart B of part 1900 of this chapter.

(e) *Form SF-424, "Application for Federal Assistance."* The applicant will submit Form SF-424 in an original and one copy to the District Director. The application should provide a detailed proposal of its goals including:

(1) Names, addresses, number in household, and total annual household income of families who have been contacted by the applicant and are interested in participating in a self-help housing project. Community organizations including minority organizations

§ 1944.411

7 CFR Ch. XVIII (1–1–23 Edition)

may be used as a source of names of people interested in self-help housing.

(2) Proof that the first group of prospective participating self-help families have qualified for financial assistance.

(3) Evidence that lots are optioned by the prospective participating self-help families for the first group. Evidence that lots are available for the remaining groups.

(4) Detailed cost estimates of houses to be built by the mutual self-help method. Plans and specifications should be submitted with the cost estimates.

(5) Proposed staffing need, including qualifications, experience, proposed hiring schedule, and availability of any prospective employees.

(6) Name, address, and official position of the applicant's representative or representatives authorized to act for the applicant and work with Rural Development.

(7) Budget information including a detailed budget for the Agreement period based upon the needs outlined in the proposal. SF 424A will be completed to furnish the budget information.

(8) Indirect or direct cost policy and proposed indirect cost rate developed in accordance with 2 CFR part 200 as adopted by USDA through 2 CFR part 400.

(9) Personnel procedures and practices that will be established or are in existence. Forms to be used should be submitted with the application.

(10) A proposed monthly activities schedule showing the proposed dates for starting and completing the recruitment, loan processing and construction phases for each group of participant families.

[55 FR 41833, Oct. 16, 1990, as amended at 61 FR 39851, July 31, 1996; 79 FR 76009, Dec. 19, 2014; 81 FR 11031, Mar. 2, 2016]

§ 1944.411 Conditions for approving a grant.

(a) The applicant has or can hire, or contract directly or indirectly with, qualified people to carry out its responsibilities in administering the grant.

(b) The applicant has met all of the conditions listed in § 1944.410(e) of this subpart.

(f) The grantee has agreed by completing SF-424B, “Assurances-Non Construction Programs,” that it will establish a recordkeeping system that is certifiable by a certified public accountant that it adequately meets the Agreement.

(g) The grantee has established an interest bearing checking account on which at least two bonded officials will sign all checks issued and understands that interest earned in excess of \$250.00 annually must be submitted to Rural Development quarterly. (The use of minority depository institutions is encouraged.)

(h) The grantee has developed an agreement to be executed by the grantee and the self-help participants which clearly sets forth what is expected of each and has incorporated exhibit B-2 of this subpart which clearly shows what work is expected of the participating family.

§ 1944.413 Grant approval.

(a) *Approval of grant.* Within 30 days of the grantee meeting the conditions of § 1944.411 of this subpart or, if applicable, signing exhibit D, the approving official will:

(1) Execute and distribute Form RD 1940-1 in accordance with the Forms Manual Insert (FMI).

(2) After the Finance Office acknowledges that funds are obligated, request an initial advance of funds on Form RD 440-57, "Acknowledgment of Obligated Funds/Check Request," in accordance with the FMI. The amount of this request should cover the applicant's needs for the remainder of the month in which the grant is closed plus the next month. Subsequent advances will cover only a one-month period.

(b) *Cancellation of an approved grant.* An approved grant may be canceled before closing if the applicant is no longer eligible, the proposal is no longer feasible, or the applicant requests cancellation. Cancellation will be accomplished as follows:

(1) The District Director will prepare Form RD 1940-10, "Cancellation of U.S. Treasury Check and/or Obligation," according to the FMI and send it to the State Director with the reasons for cancellation. If the State Director approves the request, Form RD 1940-10 will be returned to the District Office for processing in accordance with the FMI.

(2) The District Director will notify the applicant of the cancellation and the right to appeal under subpart B of part 1900 of this chapter. If the applicant requested the cancellation, no appeal rights are provided, but the applicant will still be notified of the cancellation.

(c) *Disapproval of grant.* If a grant is disapproved after the docket has been developed, the approving official will state the reason on the original Form RD 1940-1, or in a memorandum to the District Director. The District Director will notify the applicant in writing of the disapproval and the reason for disapproval. Also, the notification will inform the applicant of its appeal rights under subpart B of part 1900 of this chapter.

§ 1944.414 [Reserved]

§ 1944.415 Grant approval and other approving authorities.

(a) The State Director is authorized to approve or disapprove TA grants under this subpart. For a grant in excess of \$300,000, or in the case of a grant amendment when the amount of the grant plus any unexpended funds from a previous grant will exceed \$400,000, prior written consent of the National Office is required. In such cases, the docket, along with the State Director's recommendations, must be submitted to the National Office for review.

(b) The State Director may approve a grant not to exceed \$10,000 to an eligible organization under § 1944.410(d) of this subpart. The grant must be limited to 6 months and funds must be used for the development of the final application, family recruitment, and related activities as explained in § 1944.410(e) of this subpart. The amount of this grant will not be included in figuring TA cost per units.

(c) The authority to contract for services is limited to the Administrator of Rural Development.

(d) Monthly expenditures of the grantee will normally be approved by the District Director unless:

§ 1944.416

(1) The grantee operates in only one county, in which case the authority may be delegated to the County Supervisor.

(2) The grantee operates in more than one Rural Development District, in which case the State Director will designate the approving official.

(3) The grantee operates in more than one State Director's jurisdiction, in which case the Administrator will designate the approving official.

(4) The expenditure is under contract authority, in which case the Contracting Official Representative will approve the monthly expenditure.

§ 1944.416 Grant closing.

The grant is closed on the date the Agreement is executed as defined in § 1944.403(a) by the applicant and the Government. Funds may not be advanced prior to the signing of the Agreement. The District Director or Assistant District Director are authorized to execute the Agreement for Rural Development. Person(s) authorized by resolution may sign for the applicant.

§ 1944.417 Servicing actions after grant closing.

Rural Development has a responsibility to help the grantee be successful and help the grantee avoid cases of fraud and abuse. Servicing actions also include correlating activities between the grantee and Rural Development to the benefit of the participating families. The amount of servicing actions needed will vary in accordance with the experience of the grantee, but as minimum the following actions are required:

(a) Monthly, the grantee will provide the District Director with a request for additional funds on Form SF-270, "Request for Advance or Reimbursement." This request need only show the amount of funds used during the previous month, amount of unspent funds, projected need for the next 30 days, and written justification if the request exceeds the projected need for the next 30 days. This request must be in the District Director's office fifteen days prior to the beginning of the month. Upon receipt of the grantee's request, the District Director will:

7 CFR Ch. XVIII (1-1-23 Edition)

(1) If the request appears to be in order, process Form RD 440-57 so that delivery of the check will be possible on the first of the next month.

(2) If the request does not appear to be in order, immediately contact the grantee to resolve the problem. After the contact:

(i) If the explanation is acceptable, process Form RD 440-57 so delivery may be possible by the first of the next month, or

(ii) If the explanation is not acceptable, immediately notify the grantee and request the amount of funds that appear reasonable for the next 30 days on Form RD 440-57, so that delivery may be possible by the first of the next month. Unapproved funds that are later approved will be added to the next month's request.

(b) Quarterly, the grantee will submit exhibit B of this subpart in an original and three copies to the County Supervisor on or before January 15, April 15, July 15, and October 15 which will verify its progress toward meeting the objectives stated in the Agreement and the application. The County Supervisor will immediately complete the County Office review part and forward the report to the District Office. After exhibit B is received in the District Office, a meeting should be scheduled between the grantee, District Director, and the County supervisor since this is an opportune time for both the grantee and Rural Development to review progress to date and make necessary adjustments for the future. This meeting is required if the grantee was previously identified as a problem grantee or will be identified as a problem grantee at this time. Regardless of whether a meeting will be held, the following will be done:

(1) Exhibit B and other information will be evaluated to determine progress made to date. The District Director will comment on exhibit B as to whether the grantee is ahead or behind schedule in each of the following areas:

(i) *Assisting the projected number of families.*

(ii) *Serving very low-income applicants.* Is the grantee reaching a minimum of very low-income families as required in exhibit A, attachment 2 to subpart L of

part 1940 of this chapter (available in any Rural Development office).

(iii) *Equivalent units (EUs)*. Is the number of EUs completed representative of lapse in time of the grant? For example, if 25 percent of the grant period has elapsed, are 25 percent of the number of EUs completed?

(iv) *Labor contributions by the family*. Are the families working together and are they completing the labor tasks as established on exhibit B-2?

(2) The District Director will submit exhibit B to the State Director who will evaluate the quarterly report along with the District Director's comments. If the State Director determines the grantee is progressing satisfactorily, the State Director will sign and forward exhibit B to the National Office. However, if the State Director determines the grantee is not performing as expected, the State Director will notify the grantee that it has been classified a "High Risk" grantee. The notice will specify the deficiencies and inform the grantee of proposed remedies for noncompliance. The notice will advise the grantee that Rural Development is available to assist and provide the name and address of an organization that is under contract with Rural Development to assist them. The State Director will forward a copy of exhibit B, District Directors comments, and the reasons for classifying them as "High Risk" to the National Office, Single Family Housing, Special Programs Branch. When the period of time provided for corrective action has expired, an assessment will be made of the progress by the grantee toward correcting the situation. If the State Director determines:

(i) The situation has been corrected or reasonable progress has been made toward correcting the situation, the "High Risk" status will be lifted and the grantee so notified.

(ii) The situation has not been corrected but it is correctable if additional time is granted, an extension will be issued.

(iii) The situation has not been corrected and it is unlikely to be corrected if given additional time, the

grant will be terminated under § 1944.426(b)(1) of this subpart.

§ 1944.418 [Reserved]

§ 1944.419 Final grantee evaluation.

Near the end of the grant period but prior to the last month, an evaluation of the grantee will be conducted by Rural Development. The State Director may use Rural Development employees or an organization under contract to Rural Development to provide the evaluation. The evaluation is to determine how successful the grantee was in meeting goals and objectives as defined in the agreement, application, this regulation, and any amendments.

(a) This is a quantitative evaluation of the grantee to determine if it met its goals in:

(1) Assisting the project number of families in obtaining adequate housing.

(2) Meeting the goal of assisting very low-income families.

(3) Meeting the family labor requirement in § 1944.411(h) and exhibit B-2 of this subpart.

(4) Keeping costs within the guides set in § 1944.407.

(5) Meeting order objectives in the Agreement.

(b) The evaluation is a narrative addressed to the State Director with a copy of the National Office, Single Family Housing Processing Division. It will be in 3 parts, namely; findings, recommendations, and an overall rating. The rating will be either unacceptable, acceptable, or outstanding, as follows:

(1) Outstanding if the grantee met or exceeded all of the goals in paragraph (a) of this section.

(2) Acceptable if the grantee met or exceeded all of the goals as defined in paragraph (a) except two.

(3) Unacceptable if the grantee failed to obtain an acceptable rating.

(c) After the State Director has reviewed the evaluation, a copy will be mailed to the grantee. The grantee may request a review of the evaluation with the District Director. This review is for clarification of the material and to dispute the findings if they are known to be wrong. The rating is not

§ 1944.420

open for discussion except to the extent it can be proven that the findings do not support the rating. If this is the case, the District Director will file an amendment to the State Director.

§ 1944.420 Extension or revision of the grant agreement.

The State Director may authorize the District Director to execute on behalf of the Government, exhibit C of this subpart, at any time during the grant period provided:

(a) The extension period is for no more than one year from the final date of the existing Agreement.

(b) The need for the extension is clearly justified.

(c) If additional funds are needed, a revised budget is submitted with complete justification, and

(d) The grantee is within the guidelines in § 1944.407 of this subpart or the State Director determines that the best interest of the Government will be served by the extension.

§ 1944.421 Refunding of an existing grantee.

Grantees wishing to continue with self-help efforts after the end of the current grant plus any extensions should file Form SF-424, in accordance with § 1944.410(e). It is recommended that it be filed at least 6 months before the end of the current grant period. Funds from the existing grant may be used to meet the conditions of a new grant to serve the same or redefined geographic area. If the grantee is targeting a different geographic area, a new preapplication must be submitted in accordance with § 1944.410 and the grantee may apply for a predevelopment grant in accordance with § 1944.410(d). In addition to meeting the conditions of an applicant as defined in § 1944.411 of this subpart, the grantee must also have received or will receive an acceptable rating on its current grant unless an exception is granted by the State Director. The State Director may grant an exception to the rating if it is determined that the reasons causing the previous unacceptable rating have been removed or will be removed with the approval of this grant.

7 CFR Ch. XVIII (1-1-23 Edition)

§ 1944.422 Audit and other report requirements.

The grantee must submit an audit to the appropriate Rural Development District Office annually (or biennially if a State or local government with authority to do a less frequent audit requests it) and the earlier of 30 calendar days after receipt of the auditor's report or nine months after the end of the grantee's audit period. The audit, conducted by the grantee's auditors, is to be performed in accordance with Generally Accepted Government Auditing Standards (GAGAS), using the publication "Standards for Audit of Governmental Organizations, Programs, Activities and Functions" developed by the Comptroller General of the United States in 1981, and any subsequent revisions. In addition, the audits are also to be performed in accordance with 2 CFR part 200 as adopted by USDA through 2 CFR part 400 and Rural Development requirements as specified in this subpart. Audits of borrower loan funds will be required. The number of borrower accounts audited will be determined by the auditor. In incidences where it is difficult to determine the appropriate number of accounts to be audited, auditors should be authorized by the State Director to audit the lesser of 10 loans or 10 percent of total loans.

(a) *Nonprofit organizations and others.* If determined necessary, these organizations are to be audited in accordance with Rural Development requirements in accordance with 2 CFR part 200 as adopted by USDA through 2 CFR part 400. These requirements also apply to public hospitals, public colleges, and universities if they are excluded from the audit requirements of paragraph (b) of this section.

(1) An audit conducted by the grantee's auditor shall be supplied to the Rural Development District Director as soon as possible but in no case later than ninety (90) days following the period covered by the grant agreement.

(2) Auditors shall promptly notify United States Department of Agriculture's Office of the Inspector General Regional Inspector General and the Rural Development District Office, in writing, of any indication of fraud, abuse, or illegal acts in grantees use of

RHS, RBS, RUS, FSA, USDA

§ 1944.424

grant funds or in the handling of borrowers accounts.

(3) Nonprofit organizations that receive less than \$25,000 a year in Federal financial assistance need not be audited.

(b) *State and local governments and Indian tribes.* These organizations are to be audited in accordance with this subpart and 2 CFR part 200 as adopted by USDA through 2 CFR part 400. The grantee will forward completed audits to the appropriate Federal Cognizant agency and a copy to the Rural Development District Director. "Cognizant agency" for audits is defined at 2 CFR 200.18 as the Federal agency designated to carry out the responsibilities described in §200.513 Responsibilities, paragraph (a). The cognizant agency for audit is not necessarily the same as the cognizant agency for indirect costs. A list of cognizant agencies for audit may be found at the FAC Web site. Within USDA, the OIG shall fulfill cognizant agency responsibilities. Smaller grantees not assigned a cognizant agency by OMB should contact the Federal agency that provided the most funds. When USDA is designated as the cognizant agency or when it has been determined by the borrower that Rural Development provided the major portion of Federal financial assistance, the State Director will contact the appropriate USDA OIG Regional Inspector General. Rural Development and the borrower shall coordinate all proposed audit plans with the appropriate USDA OIG.

(1) State and local governments and Indian tribes that receive \$25,000 or more a year in Federal financial assistance shall have an audit made in accordance with 2 CFR part 200 as adopted by USDA through 2 CFR part 400.

(2) State and local and Indian tribes that receive less than \$25,000 a year in Federal financial assistance shall be exempt from 2 CFR part 200 as adopted by USDA through 2 CFR part 400.

(3) Public hospitals and public colleges and universities may be excluded by the State Director from OMB Circular A-128 audit requirements. If such entities are excluded, audits shall be

made in accordance with paragraph (a) of this section.

§ 1944.423 Loan packaging and 502 RH application submittal.

A grantee is required to assist 502 RH applicants in submitting their application for a RH loan. Loan packaging will be performed in accordance with 7 CFR part 3550; therefore, it is important that the grantee be trained at an early date in the packaging of RH loans. Typically, this training should take place before the first applications are submitted to the County Office and before the grant is closed. A grantee should become very knowledgeable of Rural Development's eligibility requirements but must understand that only Rural Development can approve or deny an applicant assistance. Grantee must work cooperatively with Rural Development in the 502 loan approval process and must work within the regulations for the 502 program and recognize Rural Development's ultimate decision making authority to approve or deny loans. However, the grantee may ask for clarification that may be helpful in working with future applicants. Grant funds may not be used to pay any expense in connection with an appeal that the applicant may file or pursue.

§ 1944.424 Dwelling construction and standards.

All construction will be performed in accordance with subpart A of part 1924 of this chapter. The planned work must meet the building requirements of 7 CFR part 3550 and meet the Development Standards as defined in subpart A of part 1924 of this chapter and in any local codes. Sites and site developments must conform to the requirements of subpart C of part 1924 of this chapter.

§ 1944.425 Handling and accounting for borrower loan funds.

Grantees will be required to administer borrower loan funds during the construction phases. The extent of their involvement will depend on the experience of the grantee and the amount of authority delegated to them by the District Director in accordance with § 1924.6(c) of subpart A of part 1924 of this chapter. Training should include Rural Development's non-discrimination policies in receiving applications.

§ 1944.426 Grant closeout.

(a) *Grant purposes completed.* Promptly after the date of completion, grant closeout actions will be taken to allow the orderly discontinuance of grantee activity.

(1) The grantee will immediately refund to Rural Development any balance of grant funds that are not committed for the payment of authorized expenses.

(2) The grantee will furnish Form SF-269A, "Financial Status Report (short form)" to Rural Development within 90 days after the date of completion of the grant. All other financial, performance, and other reports required as a condition of the grant also will be completed.

(3) After the grant closeout, Rural Development retains the right to recover any disallowed costs which are discovered as a result of the final audit. 7 CFR part 3550 will be used by Rural Development to recover any unauthorized expenditures.

(4) The grantee will provide Rural Development an audit conforming to those requirements established in this part, including audits of self-help borrower accounts.

(5) Upon request from the recipient, any allowable reimbursable cost not covered by previous payments shall be promptly paid by Rural Development.

(b) *Grant purposes not completed—(1) Notification of termination.* The State Director will promptly notify the grantee and the National Office in writing of the termination action including the specific reasons for the decision and the effective date of the termination. The notification to the grantee will specify that if the grantee

believes the reason for the proposed termination can be resolved, the grantee should, within 15 calendar days of the date of this notification, contact the State Director in writing requesting a meeting for further consideration. The meeting will be an informal proceeding at which the grantee will be given the opportunity to provide whatever additional information it believes should be considered in reaching a decision concerning the case. The grantee may have an attorney or any other person present at the meeting if desired. Within 7 calendar days of the meeting, the State Director will determine what action to take.

(i) If the State Director determines that termination is not necessary, the grantee will be informed by letter along with the District Director.

(ii) If the State Director determines that termination of the grant is appropriate, he/she will promptly inform the grantee by the use of exhibit B-3 of subpart B of part 1900 of this chapter.

(2) *National Office review.* (i) Upon receipt of a request from a grantee that the decision of the State Director be reconsidered, the National Office will make a preliminary decision concerning the continued funding of the grantee during the appeal period. Written notification of the decision will be given to the State Director and grantee.

(ii) The National Office will then obtain a comprehensive report on the matter from the State Office. This information will be considered together with any additional information that may be provided by the grantee.

(c) *Grant suspension.* When the grantee has failed to comply with the terms of the agreement, the District Director will promptly report the facts to the State Director. The State Director will consider termination or suspension of the grant usually only after a Grantee has been classified as "high risk" in accordance with § 1944.417(b)(2). When the State Director determines that the grantee has a reasonable potential to correct deficiencies the grant may be suspended. The State Director will request written authorization from the National Office to suspend a grantee. The suspension will adhere to 2 CFR part 200 as adopted by USDA through 2

CFR part 400. The grantee will be notified of the grant suspension in writing by the State Director. The State Director will also promptly inform the grantee of its rights to appeal the decision by use of Exhibit B-3 of Subpart B of part 1900 of this chapter.

(d) *Grant termination.* The State Director may terminate the grant agreement whenever Rural Development determines that the grantee has failed to comply with terms of the Agreement. The reasons for termination may include, but are not limited to, such problems as listed in paragraph (e)(3)(i) of exhibit A of this subpart. The State Director may also withhold further disbursement of grant funds and prohibit the grantee from incurring additional obligations of grant funds with written approval of the National Office. Rural Development will allow all necessary and proper costs which grantee could not reasonably avoid.

(1) *Termination for cause.* The grant agreement may be terminated in whole, or in part, at any time before date of completion, whenever Rural Development determines that the grantee has failed to comply with terms of the Agreement. The State Director will notify the grantee in writing giving the reasons for the action and inform the grantee of its rights of appeal by use of exhibit B-3 of subpart B of part 1900 of this chapter.

(2) *Termination for convenience.* FmHA or its successor agency under Public Law 103-354 or the grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the grant would not produce beneficial results. The two parties will agree in writing to the termination conditions including the effective date. No notice of rights of appeal will be issued by Rural Development.

EXHIBIT A TO SUBPART I OF PART 1944— SELF-HELP TECHNICAL ASSISTANCE GRANT AGREEMENT

THIS GRANT AGREEMENT dated _____, 19____, is between _____

a nonprofit corporation ("Grantee"), organized and operating under _____

(authorizing State statute)

and the United States of America acting through the Farmers Home Administration, Department of Agriculture ("FmHA") or its successor agency under Public Law 103-354.

In consideration of financial assistance in the amount of \$_____ (called "Grant Funds") to be made available by FmHA or its successor agency under Public Law 103-354 to Grantee under section 523(b)(1)(A) of the Housing Act of 1949 to be used in (specify area to be served) _____ for the purpose of providing a program of technical and supervisory assistance which will aid low-income families in carrying out mutual self-help housing efforts. Grantee will provide such a program in accordance with the terms of this

Agreement and FmHA or its successor agency under Public Law 103-354 regulations.

DEFINITIONS:

Date of Completion means the date when all work under a grant is completed or the date in the TA Grant Agreement, or any supplement or amendment thereto, on which Federal assistance ends.

Disallowed costs are those charges to a grant which the FmHA or its successor agency under Public Law 103-354 determines cannot be authorized.

Grant Closeout is the process by which the grant operation is concluded at the expiration of the grant period or following a decision to terminate the grant.

Termination of a grant means the cancellation of Federal assistance, in whole or in part, under a grant at any time prior to the date of completion.

TERMS OF AGREEMENT:

(a) This Agreement shall terminate _____ years from this date unless extended or sooner terminated under paragraphs (e) and (f) of this Agreement.

(b) Grantee shall carry out the self-help housing activity described in the application docket which is attached to and made a part of this Agreement. Grantee will be bound by the conditions set forth in the docket, 7 CFR part 1944, subpart I, and the further conditions set forth in this Agreement. If any of the conditions in the docket are inconsistent with those in the Agreement or subpart I of part 1944, the latter will govern. A waiver of any condition must be in writing and must be signed by an authorized representative of FmHA or its successor agency under Public Law 103-354.

(c) Grantee shall use grant funds only for the purposes and activities specified in FmHA or its successor agency under Public Law 103-354 regulations and in the application docket approved by FmHA or its successor agency under Public Law 103-354 including the approved budget. Any uses not provided for in the approved budget must be approved in writing by FmHA or its successor agency under Public Law 103-354 in advance.

(d) If Grantee is a private nonprofit corporation, expenses charged for travel or per diem will not exceed the rates paid FmHA or its successor agency under Public Law 103-354 employees for similar expenses. If Grantee is a public body, the rates will be those that are allowable under the customary practice in the government of which Grantee is a part; if none are customary, the FmHA or its successor agency under Public Law 103-354 rates will be the maximum allowed.

(e) Grant closeout and termination procedures will be as follows:

(1) Promptly after the date of completion or a decision to terminate a grant, grant closeout actions are to be taken to allow the orderly discontinuation of Grantee activity.

(i) Grantee shall immediately refund to FmHA or its successor agency under Public Law 103-354 any uncommitted balance of grant funds.

(ii) Grantee will furnish to FmHA or its successor agency under Public Law 103-354 within 90 days after the date of completion of the grant a "Financial Status Report", Form SF-269A. All financial, performance, and other reports required as a condition of the grant will also be completed.

(iii) Grantee shall account for any property acquired with technical assistance (TA) grant funds, or otherwise received from FmHA or its successor agency under Public Law 103-354.

(iv) After the grant closeout, FmHA or its successor agency under Public Law 103-354 retains the right to recover any disallowed costs which may be discovered as a result of any audit.

(2) When there is reasonable evidence that Grantee has failed to comply with the terms of this Agreement, the State Director may determine Grantee as "high risk". A "high risk" Grantee will be supervised to the extent necessary to protect the Government's interest and to help Grantee overcome the deficiencies.

(3) Grant termination will be based on the following:

(i) *Termination for cause.* This grant may be terminated in whole, or in part, 90 days after a Grantee has been classified as "high risk" if the State Director determines that Grantee has failed to correct previous deficiencies and is unlikely to correct such items if additional time is allowed. The reasons for termination may include, but are not limited to, such problems as:

(A) Actual TA costs significantly exceeding the amount stipulated in the proposal.

(B) The number of homes being built is significantly less than proposed construction or is not on schedule.

(C) The cost of housing not being appropriate for the self-help program.

(D) Failure of Grantee to only use grant funds for authorized purposes.

(E) Failure of Grantee to submit adequate and timely reports of its operation.

(F) Failure of Grantee to require families to work together in groups by the mutual self-help method in the case of new construction.

(G) Serious or repetitive violation of any of the provisions of any laws administered by FmHA or its successor agency under Public Law 103-354 or any regulation issued under those laws.

(H) Violation of any nondiscrimination or equal opportunity requirement administered

by FmHA or its successor agency under Public Law 103-354 in connection with any FmHA or its successor agency under Public Law 103-354 programs.

(I) Failure to establish an accounting system acceptable to FmHA or its successor agency under Public Law 103-354.

(J) Failure to serve very low-income families.

(K) Failure to recruit families from substandard housing.

(ii) *Termination for convenience.* FmHA or its successor agency under Public Law 103-354 or Grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in case of partial termination, the portion to be terminated.

(4) To terminate a grant for cause, FmHA or its successor agency under Public Law 103-354 shall promptly notify Grantee in writing of the determination and the reasons for and the effective date of the whole or partial termination. Grantee will be advised of its appeal rights under 7 CFR part 1900, subpart B.

(f) An extension of this grant agreement may be approved by FmHA or its successor agency under Public Law 103-354 provided, in its opinion, the extension is justified and there is a likelihood that the Grantee can accomplish the goals set out and approved in the application docket during the period of the extension.

(g) Grant funds may not be used to pay obligations incurred before the date of this Agreement. Grantee will not obligate grant funds after the grant termination or completion date.

(h) As requested and in the manner specified by FmHA or its successor agency under Public Law 103-354, the Grantee must make quarterly reports, exhibit C of this subpart (on $\frac{1}{15}$, $\frac{4}{15}$, $\frac{7}{15}$ and $\frac{10}{15}$ of each year), and a financial status report at the end of the grant period, and permit on-site inspections of program progress by FmHA or its successor agency under Public Law 103-354 representatives. FmHA or its successor agency under Public Law 103-354 may require progress reports more frequently if it deems necessary. Grantee must also comply with the audit requirements found in §1944.422 of subpart I of 7 CFR part 1944, if applicable. Grantee will maintain records and accounts, including property, personnel and financial records, to assure a proper accounting of all grant funds. These records will be made available to FmHA or its successor agency under Public Law 103-354 for auditing purposes and will be retained by Grantee for three years after the termination or completion of this grant.

(i) Acquisition and disposal of personal, equipment and supplies should comply with Subpart R of 2 CFR part 200 as adopted by USDA through 2 CFR part 400.

(j) Results of the program assisted by grant funds may be published by Grantee without prior review by FmHA or its successor agency under Public Law 103-354, provided that such publications acknowledge the support provided by funds pursuant to the provisions of Title V of the Housing Act of 1949, 42 U.S.C. 1471, *et seq.*, and that five copies of each such publication are furnished to the local representative of FmHA or its successor agency under Public Law 103-354.

(k) Grantee certifies that no person or organization has been employed or retained to solicit or secure this grant for a commission, percentage, brokerage, or contingent fee.

(l) Grantee shall comply with all civil rights laws and the FmHA or its successor agency under Public Law 103-354 regulations implementing these laws.

(m) In all hiring or employment made possible by or resulting from this grant, Grantee: (1) Will not discriminate against any employee or applicant for employment because of race, religion, color, sex, marital status, national origin, age, or mental or physical handicap, and (2) will take affirmative action to insure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, sex, marital status, national origin, or mental or physical handicap. This requirement shall apply to, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In the event Grantee signs a contract which would be covered by any Executive Order, law, or regulation prohibiting discrimination, Grantee shall include in the contract the "Equal Employment Clause" as specified by FmHA or its successor agency under Public Law 103-354.

(n) It is understood and agreed by Grantee that any assistance granted under this Agreement will be administered subject to the limitations of Title V of the Housing Act of 1949 as amended, 42 U.S.C. 1471 *et seq.*, and related regulations, and that rights granted to FmHA or its successor agency under Public Law 103-354 in this Agreement or elsewhere may be exercised by it in its sole discretion to carry out the purposes of the assistance, and protect FmHA or its successor agency under Public Law 103-354's financial interest.

(o) Grantee will maintain a code or standards of conduct which will govern the performance of its officers, employees, or agents. Grantee's officers, employees, or agents will neither solicit nor accept gratuities, favors, or anything of monetary value

from suppliers, contractors, or others doing business with the grantee. To the extent permissible by State or local law, rules, or regulations such standards will provide for penalties, sanctions, or other disciplinary actions to be taken for violations of such standards.

(p) Grantee shall not hire or permit to be hired any person in a staff position or as a participant if that person or a member of that person's immediate household is employed in an administrative capacity by the organization, unless waived by the State Director. (For the purpose of this section, the term *household* means all persons sharing the same dwelling, whether related or not).

(q) Grantee's board members or employees shall not directly or indirectly participate, for financial gain, in any transactions involving the organization or the participating families. This includes activities such as selling real estate, building material, supplies, and services.

(r) Grantee will retain all financial records, supporting documents, statistical records, and other records pertinent to this agreement for 3 years, and affirms that it is fully aware of the provisions of the Administrative Remedies for False Claims and Statements Act, 31 U.S.C. 3801, *et seq.*

EXHIBIT B-3 TO SUBPART I OF PART 1944—PRE-CONSTRUCTION AND CONSTRUCTION PHASE BREAKDOWN

I. *General.* This exhibit will be used by Farmers Home Administration (FmHA) or its successor agency under Public Law 103-354 and the Grantee in determining Grantee performance as required in §1944.417(b) of this subpart.

II. *Determining technical assistance (TA) cost per unit.*

A. Equivalent units are used to measure progress at any time during the period of the grant. It is necessary because self-help grantees have several groups of families in various stages of progress during the period of the grant. The following formula has been developed to provide a more accurate method of determining progress.

FORMULA

Phase breakdown	In percent—	
	Value of each phase	Cumulative
Pre-construction:		
Phase I	10	10
Phase II	10	10
Construction:		
Phase III	80	21-100

B. Using the Description of Phase Breakdown as a guide, the project staff selects the total percentage pertinent to the stage the self-help group is in and multiplies that percentage by the number of families (units) in the group. The result is the equivalent number of units completed. No credit may be given for Phase I, if the application is rejected. When this computation has been completed for each group that falls within Phases I-III, the total number of equivalent units is divided into the total grant funds expended to that date. The result is the TA

cost per unit at that stage of the program's progress.

C. The definition of pre-construction and construction phases described are follows:

Pre-Construction

Phase I: Hold community meetings; conduct interviews; obtain house plans; prepare cost estimates; begin search for land; submit family applications to the lender; lender runs credit check; applications. Lender either approves or rejects.

Phase II: Organize an association of section 502 Rural Housing eligible families; association conducts weekly meetings at which required lender forms are discussed and completed; house plans and land sites are selected; outside speakers explain and discuss taxes, insurance, how to keep a checking account, how interest is computed, home maintenance, decorating, and landscaping; etc.; completed loan dockets for each family are submitted to the lender. Family loan dockets are reviewed and recommendations made as to the loan amounts requested; the lender reviews family loan dockets; preliminary title search of each proposed building site is begun; requests loan check from Finance Office; when check arrives, final title search is made, loan closed, checking accounts opened, and construction begun.

Construction: The grantee will utilize exhibit B-2 which outlines 27 construction tasks to determine the percentage of completed construction activities.

D. The computation of equivalent units and TA costs will be computed as follows:

Exhibit C will be used for recording the following information and construction in this example which starts January 1.

STEP 1

Both the grantee and FmHA or its successor agency under Public Law 103-354 review the FmHA or its successor agency

RHS, RBS, RUS, FSA, USDA

Pt. 1944, Subpt. I, Exh. D

under Public Law 103-354 loan application records to determine the percentage of completion for each family in the pre-construction phase of the program. These are Phases I-III. Total these percentages to find the number of "equivalent units" (EUs) completed at that date during pre-construction. For example, if there are eight families in Group #2 and all have completed the 20 percent phase of pre-construction, then there would be 1.6 EUs in the pre-construction phase of the program as of that date. Each phase must be completed before it is considered in the calculation.

STEP 2

Refer to the records of construction progress for families in the construction Phase III. As of that date, the director totals the percentage of completion figures for each family as follows:

Askeu	0.45
Whited	0.40
Martinez	0.40
Gonzalez	0.38
Sherry	0.34
Duran	0.33
Johnson	0.13
Harvey	0.31
EUs	2.92

Total production in the construction phase is therefore 2.92 EUs as of that date.

STEP 3

Add the pre-construction and construction subtotals together:

Pre-construction	1.60
Construction	2.92
Total EUs	4.52

This provides the total EUs of production during the first three months of operation. Steps 1, 2, and 3 will be used to complete items 7, 8 and 9 of exhibit B of this subpart.

III. Preparation:

Compile exhibit B of this subpart in an original and four copies. The exhibit will be signed by the TA Grantee. Submit the original and three copies of the exhibit quarterly to FmHA or its successor agency under Public Law 103-354 County Office on or before January 15, April 15, July 15, and October 15, of each year for the quarters ending March 31, June 30, September 30, and December 31 of each year. The District Director will keep the original and forward two copies to the State Office. The State Office will forward one copy to the National Office. The State Office will prepare information concerning TA grants closed within 30 days of the end of a quarter on the next quarterly report.

**EXHIBIT F TO SUBPART I OF PART 1944—
SITE OPTION LOAN TO TECHNICAL
ASSISTANCE GRANTEES**

I. OBJECTIVES

The objective of a Site Option (SO) loan under Section 523(b)(1)(B) of Title V of the Housing Act of 1949 is to enable technical assistance (TA) grantees to establish revolving fund accounts to obtain options on land needed to make sites available to families that will build their own homes by the self-help method. An SO loan will be considered only when sites cannot be made available by

other means including a regular Rural Housing Site (RHS) loan.

II. ELIGIBILITY REQUIREMENTS

To be eligible for an SO loan, the applicant must be a TA grantee that is currently operating in a satisfactory manner under a TA grant agreement. If the SO loan applicant has applied for TA funds but is not already a TA grantee and it appears that the TA grant will be made, the SO loan may be approved but not closed until the TA grant is closed.

III. LOAN PURPOSES

Loans may be made only as necessary to enable eligible applicants to establish revolving accounts with which to obtain options on land that will be needed as building sites by self-help families participating in the TA self-help housing program. Loans will not be made to pay the full purchase price of land but only for the minimum amounts necessary to obtain an option from the seller. The option should be for as long as necessary but in no case should the option be for less than 90 days.

IV. LIMITATIONS

(A) If the amount of an SO loan will exceed \$10,000, the prior consent of the National Office shall be obtained before approval.

(B) The amount of the SO loan should not exceed 15 percent of the purchase price of the land expected to be under option at any one time, unless a higher percent is authorized by the State Director when other land is not available or the particular area requires more down payment than elsewhere or similar circumstances exist.

(C) Form FmHA or its successor agency under Public Law 103-354 440-34, "Option to Purchase Real Property," will be used without modification in all cases for obtaining options under this subpart.

(D) The limitations of §1822.266(b) (1) and (2) of subpart F of part 1822 of this chapter (FmHA Instruction 444.8, paragraphs VI B (1) and (2)) concerning land purchase will apply to options purchased under this subpart.

V. RATES AND TERMS

(A) *Interest.* Loans will be made at an interest rate of 3 percent.

(B) *Repayment period.* Each SO loan will be repaid in one installment which will include the entire principal balance and accrued interest. The maximum repayment period for each SO loan will be the applicant's remaining TA grant funding period.

(1) A shorter repayment period will be established if SO funds will not be needed for the entire TA grant funding period.

(2) If a regular RHS loan is to be processed, the SO loan should be scheduled for repayment when RHS loan funds will be available to purchase the land and repay the amount

of SO funds advanced on the option, unless SO loan funds will still be needed to purchase other options. Under no circumstances, however, will the repayment period exceed the applicant's remaining TA grant funding period.

VI. PROCESSING APPLICATION

(A) *Form of application:* The application for assistance will be in the form of a letter to the FmHA or its successor agency under Public Law 103-354 County Supervisor having jurisdiction over the area of the proposed site to be optioned. The letter will be signed by the applicant or its authorized representative and contain, as a minimum, the following information:

(1) A copy of the proposed option that shows a legal description of the land, option price, purchase price, and terms of the option. If more than one site is to be purchased, a schedule of the proposed options should be included.

(2) Information to verify that a regular RHS loan cannot be processed in time to secure the option.

(3) Proposed method repayment of the SO loan.

(4) Resolution from the applicant's governing body authorizing the application for an SO loan from FmHA or its successor agency under Public Law 103-354.

(B) *Responsibility of the County Supervisor.* Upon receipt of an SO loan application, the County Supervisor will:

(1) Determine whether the applicant is eligible. If the applicant is not eligible, or the loan cannot be made for other reasons, the application may be rejected by the County Supervisor with the concurrence of the District Director. The reasons for the rejection should be clearly stated and provided, in writing to the applicant. The applicant will have the right to have the decision reviewed following the procedure established in subpart B of part 1900 of this chapter.

(2) Review and verify the accuracy of the information provided.

(3) Make an inspection and a memorandum appraisal of each proposed site "as is." The appraisal will include a narrative statement as to whether the site has been recently sold, verify that the seller is the owner of the property, and indicate whether the purchase price is acceptable based on the selling price of similar properties in the area.

(4) Indicate whether or not it appears that, considering the location and cost of development, adequate building sites can be provided at reasonable costs.

(5) If the option is for a tract of land on which 5 or more sites are proposed, the County Supervisor will forward to the District Director with recommendations as defined in §1924.119 of subpart C of part 1924 of this chapter.

RHS, RBS, RUS, FSA, USDA

§ 1944.501

(6) If approval is recommended, prepare and have the applicant execute Form FmHA or its successor agency under Public Law 103-354 1940-1, "Request for Obligation of Funds," for the amount needed. Copies of the form will be distributed as provided in the Forms Manual Insert (FMI).

(7) Forward the SO loan application and the applicant's TA application or TA docket to the State Director. The submission will include the appraisal report and the County Supervisor's comments and recommendations.

VII. LOAN APPROVAL AUTHORITY AND STATE OFFICE ACTIONS

The State Director is authorized to approve SO loans developed in accordance with this exhibit. The approval or disapproval of the loan will be handled in the same manner as provided in §1822.272 of subpart F of part 1822 of this chapter (FmHA Instruction 444.8, paragraph XII). SO loans will be established in Automated Multiple Housing Accounting System (AMAS) using Form RD 3560-51, "Multiple Family Housing Obligation Fund Analysis". The Issue loan/Grant checks transaction will be used to request a check for SO loans.

VIII. LOAN CLOSING

(A) *General.* Loan closing instructions will be provided by the Office of the General Counsel (OGC) to assure that the Promissory Note is properly completed and executed. The County Supervisor may then close the loan.

(B) *Security for the loan.* The loan will be secured by a Promissory Note properly executed by the grantee using Form FmHA or its successor agency under Public Law 103-354 1940-16, "Promissory Note." A lien on the optioned real estate will not be taken.

(1) The "kind of loan" block on the note will read "SO loan."

(2) The note will be modified to show that the only installment on the loan will be the final installment.

(C) *Loan is closed.* The loan will be considered closed when the note is executed and the loan check delivered to the grantee.

IX. ESTABLISHMENT OF SO LOAN REVOLVING ACCOUNT

(A) Supervised bank accounts will not be used for SO loans.

(B) Grantee will deposit SO loan funds in a depository institution of its choice. The use of minority institutions is encouraged. Such funds will remain separate from any other account of the grantee and shall be established as an SO revolving account.

(C) Checks drawn on the revolving account will be for the sole purpose of purchasing land options and must be signed by at least two authorized officials of the grantee who

have been properly bonded in accordance with §1944.411 (e) and (g) of this subpart.

(D) Grantees will not expend funds for any options until the site and the option form have been reviewed and approved by the County Supervisor.

(1) SO funds will not be left unused in the revolving account in excess of 60 days.

(2) If the funds are not used for the intended purpose within the 60 days specified above, the unused portion will be refunded on the account.

(E) When funds become available for repayment of the SO loan, such funds will be deposited in the revolving account for the purchase of additional site options if needed. If such funds are not needed to purchase more options, they will be applied on the SO loan.

X. SOURCE OF FUNDS

SO loans will be funded from the self-help housing land development fund.

(a) The Administrator will determine, based on the most current available information (generally that information used to determine the allocation to States of Rural Development housing loan funds), those States with the highest degree of substandard housing and persons in poverty in rural areas eligible to receive Rural Development housing assistance. The Administrator will distribute a portion of the available funds for TSA to these States, leaving the balance available for national competition.

(b) The Administrator will provide annual notice through a published Notice on the distribution of appropriated TSA funds, the number of preapplications to be submitted to the National Office from the State Offices, and the maximum grant amount per project.

A preapplication packet including SF 424.1 is available in all District and State Offices.

(i) The applicant will provide informational copies of the preapplication to the County Supervisor(s) of the area to be served by the TSA project at the time of submittal to the appropriate District Office.

(ii) If the TSA area encompasses more than one District Office, the preapplication will be filed at the District Office which serves the area in which the grantee will provide the greatest amount of TSA efforts. Additional informational copies of the preapplication will be sent by the applicant to the other affected District Office(s).

(2) All preapplications shall be accompanied by the following information which will be used to determine the applicant's eligibility to undertake

(2) If the reports indicate unsatisfactory progress, the State Director will

recommend appropriate action to resolve the indicated problem(s). The State Director has the discretion to not authorize further advances where the progress of the project is unsatisfactory. The State Director will notify the grantee through the District Director of a decision not to authorize further advances and advise the grantee of its appeal rights under subpart B of part 1900 of this chapter.

(3) A copy of the memorandum returning the unsatisfactory reports will be forwarded to the National Office together with the State Director's decision, comments and recommendations, if appropriate.

§ 1944.543 Grant monitoring.

Ordinarily, this will involve a review of quarterly and final reports by Rural Development and review by the appropriate District Director.

§ 1944.544 [Reserved]

§ 1944.545 Additional grants.

An additional grant may be made to an applicant that has previously received a TSA grant and has achieved or nearly achieved the goals established for the previous grant by submitting a new proposal for TSA funds. 7 CFR Ch. XVIII (1–1–23 Edition)

(a) TSA employees who will be contacting and assisting families will receive training in packaging single family housing and Rural Rental Housing loans when, or very shortly after, they are hired so that they can work effectively.

(b) TSA employees who will provide counseling, outreach, and other technical and supervisory assistance will receive training on Rural Development policies, procedures, and requirements appropriate to their positions and the type of assistance the grantee will provide at the outset of the grant.

(c) Training will be provided by FmHA or its successor agency under Public Law 103-354 employees and/or outside sources approved by Rural Development when the technical and supervisory assistance involves rural housing programs other than Rural Development programs. Appropriate training of TSA employees should be anticipated during the planning stages of the grant and the reasonable cost of such training included in the budget.

(d) The District Director, in cooperation with the appropriate County Supervisor(s), should coordinate the management assistance given to the TSA grantee in a manner which is timely and effective. This will require periodic meetings with the grantee to discuss problems being encountered and offer assistance in solving these problems; to discuss the budget, the effectiveness of the grant, and any other unusual circumstances affecting delivery of the proposed TSA services; to keep the grantee aware of procedural and policy changes, availability of funds, etc.; and to discuss any other matters affecting the availability of housing opportunities for low-income families.

(e) The District Director will advise the grantee of the options available to bring the delinquent borrowers' accounts current and advise the grantee that the appropriate County Supervisor retains all approval authority for any resolution of the delinquent accounts and all other authority currently available to remedy delinquent accounts.

§ 1944.548 Counseling consent by Rural Development single family housing borrowers.

(a) Subsequent to execution of the TSA grant agreement, the County Supervisor(s) serving the TSA project area will contact the delinquent Rural Development single family housing borrowers who appear to be in need of supervisory assistance as defined in § 1944.506(h)(1). Such contact will indicate the availability of the counseling services of the grantee and solicit the borrower's participation in the program. Exhibit E should be used in contacting and/or discussing counseling with the borrowers.

(b) Upon indication of the borrower's willingness to participate in the program by his or her signature on exhibit E or similar letter or statement, the County Supervisor will make available to the grantee (at no cost) the borrower's Rural Development loan history including the following information:

(1) Name, address, and telephone number;

(2) Status of the account including the amount of the loan, the repayment schedule, and the amount of the delinquency; and

(3) Other information needed for counseling purposes which may be provided in accordance with RD Instruction 2018-F.

(a) Grant evaluation will be an ongoing activity performed by both the grantee and Rural Development. The grantee will perform self-evaluations by preparing periodic project performance reports in accordance with § 1944.541. Rural Development will also review all reports prepared and submitted by the grantee in accordance with the grant agreement and this part.

(b) Within forty-five (45) days after the grant ending date, the grantee will complete closeout procedures as specified in the grant agreement.

(c) The grant can also be terminated before the grant ending date for the causes specified in the grant agreement. No further grant funds will be disbursed when grant suspension or

Final reports may serve as the last quarterly report.

(d) FmHA or its successor agency under Public Law 103-354 may require performance reports more frequently if it deems necessary.

10. In accordance with FMC 74-4, Attachment B, compensation for employees will be considered reasonable to the extent that such compensation is consistent with that paid for similar work in other activities of the State or local government.

12. Results of the program assisted by grant funds may be published by the grantee without prior review by FmHA or its successor agency under Public Law 103-354, provided that such publications acknowledge the support provided by funds pursuant to the provisions of Title V of the Housing Act of 1949 and that five copies of each such publication are furnished to the District Director.

13. Grantee certifies that no person or organization has been employed or retained to solicit or secure this grant for a commission, percentage, brokerage, or contingent fee.

14. No person in the United States shall, on the grounds of race, creed, color, sex, marital status, age, national origin, or mental or physical handicap, be excluded from participating in, be denied the proceeds of, or be subject to discrimination in connection with the use of grant funds. Grantee will comply with pertinent nondiscrimination regulations of FmHA or its successor agency under Public Law 103-354.

15. In all hiring or employment made possible by or resulting from this grant, Grantee: (a) Will not discriminate against any employee or applicant for employment because of race, creed, color, sex, marital status, national origin, age, or mental or physical handicap, and (b) will take affirmative action to insure that employees are treated during employment without regard to their race, creed, color, sex, marital status, national origin, age, or mental or physical handicap. This requirement shall apply to, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. In the event Grantee signs a contract related to this grant

which would be covered by any Executive Order, law, or regulation prohibiting discrimination, Grantee shall include in the contract the "Equal Employment Clause" as specified by FmHA or its successor agency under Public Law 103-354.

16. The grantee accepts responsibility for accomplishing the TSA program as submitted and included in the application docket. The Grantee shall also:

(a) Endeavor to coordinate and provide liaison with State and local housing organizations, where they exist.

(b) Provide continuing information to FmHA or its successor agency under Public Law 103-354 on the status of Grantee programs, projects, related activities, and problems.

(c) The Grantee shall inform the Grantor as soon as the following types of conditions become known:

(i) Problems, delays, or adverse conditions which materially affect the ability to attain program objectives, prevent the meeting of time schedules or goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accompanied by a statement of the action taken or contemplated, and any Grantor assistance needed to resolve the situation.

(ii) Favorable developments or events which enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

17. Grant closeout and termination procedures will be as follows:

(b) When there is reasonable evidence that the Grantee has failed to comply with the terms of this Agreement, the State Director can, on reasonable notice, terminate the grant pursuant to paragraph (c) below and withhold further payments or prohibit the Grantee from further obligating grant funds. FmHA or its successor agency under Public

Law 103-354 may allow all necessary and proper costs which the Grantee could not reasonably avoid.

(c) Grant termination will be based on the following:

(i) *Termination for cause.* This grant may be terminated in whole, or in part, at any time before the date of completion, whenever FmHA or its successor agency under Public Law 103-354 determines that the Grantee has failed to comply with the terms of the Agreement. (F) Failure to maintain an accounting system acceptable to FmHA or its successor agency under Public Law 103-354.

(ii) *Termination for convenience.* FmHA or its successor agency under Public Law 103-354 or the Grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in case of partial termination, the portion to be terminated.

(d) Procedure for termination of grant for cause. FmHA or its successor agency under Public Law 103-354 shall notify the Grantee in writing of the determination and the reasons for and the effective date of the whole or partial termination in accordance with 7 CFR 1900.53.

18. Extension and/or revision of this grant agreement may be approved by FmHA or its successor agency under Public Law 103-354 provided, in its opinion, the extension and/or revision is justified and there is a likelihood that the Grantee can accomplish the goals set out and approved in the application docket during the period of the extension and/or revision as specified in 7 CFR 1944.538.

PART C—GRANTEE AGREES:

(1) To comply with property management standards for expendable and nonexpendable personal property established by Attachment N of OMB Circular A-102 or Attachment N of 2 CFR part 200 as adopted by USDA through

2 CFR part 400 for State and local governments or nonprofit organizations respectively. “Personal property” means property of any kind except real property. It may be tangible—having physical existence—or intangible—having no physical existence, such as patents, inventions, and copyrights. “Nonexpendable personal property” means tangible personal property having a useful life of more than one year and an acquisition cost of \$300 or more per unit. A Grantee may use its own definition of nonexpendable personal property provided that such definition would at least include all tangible personal property as defined above. “Expendable personal property” refers to all tangible personal property other than nonexpendable personal property. When nonexpendable tangible personal property is acquired by a Grantee with project funds, title shall not be taken by the Federal Government but shall vest in the Grantee subject to the following conditions:

(a) Right to transfer title. For items of nonexpendable personal property having a unit acquisition cost of \$1,000 or more, FmHA or its successor agency under Public Law 103-354 may reserve the right to transfer title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such reservation shall be subject to the following standards:

(i) The property shall be appropriately identified in the grant or otherwise made known to the Grantee in writing.

(ii) FmHA or its successor agency under Public Law 103-354 shall issue disposition instructions within 120 calendar days after the end of the Federal support of the project for which it was acquired. If FmHA or its successor agency under Public Law 103-354 fails to issue disposition instructions within the 120 calendar day period, the Grantee shall apply the standards of paragraph 1(c) below.

(iii) When FmHA or its successor agency under Public Law 103-354 exercises its right to take title, the personal property shall be subject to the provisions for federally owned nonexpendable property discussed in paragraph 1(a)(iv) below.

(iv) When title is transferred either to the Federal Government or to a third party and the Grantee is instructed to ship the property elsewhere, the Grantee shall be reimbursed by the benefitting Federal agency with an amount which is computed by applying the percentage of the Grantee participation in the cost of the original grant project or program to the current fair market value of the property, plus any reasonable shipping or interim storage costs incurred.

(b) Use of other tangible nonexpendable property for which the Grantee has title.

(i) The Grantee shall use the property in the project or program for which it was acquired as long as needed, whether or not the

project or program continues to be supported by Federal funds. When it is no longer needed for the original project or program, the Grantee shall use the property in connection with its other federally sponsored activities, in the following order of priority:

(A) Activities sponsored by FmHA or its successor agency under Public Law 103-354.

(B) Activities sponsored by other Federal agencies.

(ii) Shared use. During the time that nonexpendable personal property is held for use on the project or program for which it was acquired, the Grantee shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the property was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by FmHA or its successor agency under Public Law 103-354; second preference shall be given to projects or programs sponsored by other Federal agencies. If the property is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by FmHA or its successor agency under Public Law 103-354. User charges should be considered if appropriate.

(c) Disposition of other nonexpendable property. When the Grantee no longer needs the property, the property may be used for other activities in accordance with the following standards:

(i) Nonexpendable property with a unit acquisition cost of less than \$1,000. The Grantee may use the property for other activities without reimbursement to the Federal Government or sell the property and retain the proceeds.

(ii) Nonexpendable personal property with a unit acquisition cost of \$1,000 or more. The Grantee may retain the property for other use provided that compensation is made to FmHA or its successor agency under Public Law 103-354 or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the property. If the Grantee has no need for the property and the property has further use value, the Grantee shall request disposition instructions from the original Grantor agency. FmHA or its successor agency under Public Law 103-354 shall determine whether the property can be used to meet the agency's requirements. If no requirement exists within that agency, the availability of the property shall be reported, in accordance with the guidelines of the Federal Property Management Regulations (FPMR) to the General Services Administration by FmHA or its successor agency under Public Law 103-354 to determine whether a requirement for the property exists in other Federal agencies.

FmHA or its successor agency under Public Law 103-354 shall issue instructions to the Grantee no later than 120 days after the Grantee request and the following procedures shall govern:

(A) If so instructed or if disposition instructions are not issued within 120 calendar days after the Grantee's request, the Grantee shall sell the property and reimburse FmHA or its successor agency under Public Law 103-354 an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the Grantee shall be permitted to deduct and retain from the Federal shares \$100 or ten percent of the proceeds, whichever is greater, for the Grantee's selling and handling expenses.

(B) If the Grantee is instructed to dispose of the property other than as described in paragraph 1(a)(iv) above, the Grantee shall be reimbursed by FmHA or its successor agency under Public Law 103-354 for such costs incurred in its disposition.

(C) The Grantee's property management standards for nonexpendable personal property shall include the following procedural requirements:

(1) Property records shall be maintained accurately and shall include:

(a) A description of the property.

(b) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(c) Sources of the property including grant or other agreement number.

(d) Whether title vests in the Grantee or the Federal Government.

(e) Acquisition date (or date received, if the property was furnished by the Federal Government) and cost.

(f) Percentage (at the end of the budget year) of Federal participation in the cost of the project or program for which the property was acquired. (Not applicable to property furnished by the Federal Government).

(g) Location, use, and condition of the property and the date the information was reported.

(h) Unit acquisition cost.

(i) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value when a Grantee compensates the Federal agency for its share.

(2) Property owned by the Federal Government must be marked to indicate Federal ownership.

(3) A physical inventory of property shall be taken and the results reconciled with the property records at least once every two years. Any difference between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The Grantee shall, in connection

with the inventory, verify the existence, current utilization, and continued need for the property.

(4) A control system shall be in effect to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft of nonexpendable property shall be investigated and fully documented; if the property was owned by the Federal Government, the Grantee shall promptly notify FmHA or its successor agency under Public Law 103-354.

(5) Adequate maintenance procedures shall be implemented to keep the property in good condition.

(6) When the Grantee is authorized or required to sell the property, proper sales procedures shall be established which will provide for competition to the extent practicable and result in the highest possible return.

(7) Expendable personal property shall vest in the Grantee upon acquisition. If there is a residual inventory of such property exceeding \$1,000 in total aggregate fair market value, upon termination or completion of the grant and if the property is not needed for any other federally sponsored project or program, the Grantee shall retain the property for use on nonfederally sponsored activities, or sell it, but must in either case compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as nonexpendable personal property.

2. To provide a financial management system which will include:

(a) Accurate, current, and complete disclosure of the financial results of each grant. Financial reporting will be on an accrual basis.

(b) Records which identify adequately the source and application of funds for grant-supported activities. Those records shall contain information pertaining to grant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays, and income.

(c) Effective control over and accountability for all funds, property, and other assets. Grantee shall adequately safeguard all such assets and shall assure that they are solely for authorized purposes.

(d) Accounting records supported by source documentation.

3. To retain financial records, supporting documents, statistical records, and all other records pertinent to the grant for a period of at least three years after the submission of the final Project Performance report pursuant to paragraph B(9)(c) of this agreement except in the following situations:

(a) If any litigation, claim, or audit is commenced before the expiration of the three year period, the records shall be retained until all litigations, claims, or audit findings involving the records have been resolved.

(b) Records for nonexpandable property acquired with Federal funds shall be retained for three years after final disposition.

(c) When records are transferred to or maintained by FmHA or its successor agency under Public Law 103-354, the three year retention requirement is not applicable.

Microfilm copies may be substituted in lieu of original records. The Grantor and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the Grantee which are pertinent to the specific grant program for the purpose of making audits, examinations, excerpts, and transcripts.

4. To provide information as requested by the Grantor concerning the Grantee's actions in soliciting citizen participation in the application process, including published notice of public meetings, actual public meetings held, and content of written comments received.

5. Not encumber, transfer, or dispose of the property or any part thereof, furnished by the Grantor or acquired wholly or in part with Grantor funds without the written consent of the Grantor except as provided in part C 1.

6. To provide Grantor with such periodic reports of Grantee operations as may be required by authorized representatives of the Grantor.

7. To execute Form FmHA or its successor agency under Public Law 103-354 400-1, "Equal Opportunity Agreement," and to execute any other agreements required by Grantor to implement the civil rights requirements.

8. To include in all contracts in excess of \$100,000 a provision for compliance with all applicable standards, orders, or regulations issued pursuant to the Federal Clean Air Act as amended. Violations shall be reported to the Grantor and the Regional Office of the Environmental Protection Agency.

9. That, upon any default under its representations or agreements set forth in this instrument, Grantee, at the option and demand of Grantor, will, to the extent legally permissible, repay to the Grantor forthwith the grant funds received with interest at the rate of five percentum per annum from the date of the default. The provisions of this Grant Agreement may be enforced by Grantor, at its option and without regard to prior waivers by it of previous defaults of Grantee, by judicial proceedings to require specific performance of the terms of this Grant Agreement or by such other proceedings in law or equity, in either Federal or State Courts, as may be deemed necessary by Grantor to assure compliance with the provisions of this Grant Agreement and the laws and regulations under which this grant is made.

10. That no member of Congress shall be admitted to any share or part of this Grant or any benefit that may arise therefrom; but this provision shall not be construed to bar as a contractor under the Grant a publicly held corporation whose ownership might include a member of Congress.

11. That all nonconfidential information resulting from its activities shall be made available to the general public on an equal basis.

12. That the purpose for which this grant is made may complement, but shall not duplicate programs for which monies have been received, are committed, or are applied for from other sources, public and private.

13. That the Grantee shall relinquish any and all copyrights and/or privileges to the materials developed under this grant, such material being the sole property of the Federal Government. In the event anything developed under this grant is published in whole or in part, the material shall contain notice and be identified by language to the following effect: "The material is the result of tax-supported research and as such is not copyrightable. It may be freely reprinted with the customary crediting of the source."

(14) That the Grantee shall abide by the policies promulgated in 2 CFR part 200 as adopted by USDA through 2 CFR part 400 which provides standards for use by Grantees in establishing procedures for the procurement of supplies, equipment and other services with Federal grant funds.

15. C. Beyond the responsibilities of the State Office in the selection of grantees and the administration of the program, and as stated in §1944.502 of this subpart, the TSA program provides an opportunity for the State Director to give priority to applicants serving the rural areas of greatest need as well as use the program cooperatively with other Federal and State agencies in addressing the housing needs of the residents of a proposed TSA service area. Therefore, the State Office should be prepared, before receipt of preapplications, to advise the District Directors, potential applicants and other Federal and State agencies which part(s) of the State has the greatest need for the TSA program. 6. Preapplications not selected by the State Office will be returned to the applicants through the appropriate District Offices with notice of appeal rights.

7. In accordance with §1944.525 of this subpart, State Offices will be advised of the number of preapplications to be submitted from each state to the National Office.

E. Sections 1944.531 and 1944.533 of this subpart detail the responsibilities of the State Office after tentative selection or concurrence of the TSA grantees by the National Office. Those preapplicants not selected will be promptly notified and their preapplication returned with notice of appeal rights. Form AD-622, “Notice of Preapplication Review Action,” will be mailed from the State Office to the applicants. District Offices will receive a copy from the State Office.

F. After execution of the grant agreement, the State Office will work closely with the District Office and the grantee to obtain additional resources from other Federal and State agencies to meet the needs of the TSA service area. The State Office should closely review the quarterly project performance reports and assist the District Director, as appropriate, in resolving any problems or taking advantage of favorable funding or program opportunities.

SOURCE: 58 FR 21894, Apr. 26, 1993, unless otherwise noted.

§ 1944.651 General.

(a) This subpart sets forth the policies and procedures for making grants under section 533 of the Housing Act of 1949, 42 U.S.C. 1490(m), to provide funds to eligible applicants (hereafter also referred to as grantee(s)) to conduct housing preservation programs benefiting very low- and low-income rural residents. Program funds cover part or all of the grantee's cost of providing loans, grants, interest reduction payments or other assistance to eligible homeowners, owners of single or multiple unit rental properties or for the benefit of owners (as occupants) of consumer cooperative housing projects (hereafter also referred to as co-ops). Such assistance will be used to reduce the cost of repair and rehabilitation, to

§ 1944.652

remove or correct health or safety hazards, to comply with applicable development standards or codes, or to make needed repairs to improve the general living conditions of the resident(s), including improved accessibility by handicapped persons. Such assistance will be used to reduce the cost of repair and rehabilitation, to remove or correct health or safety hazards, to comply with applicable development standards or codes, or to make needed repairs to improve the general living conditions of the residents, including improved accessibility by persons with a disability. Individual housing that is owner occupied may qualify for replacement housing when it is determined by the grantee that the housing is not economically feasible for repair or rehabilitation.

(b) The Rural Housing Service (RHS) will provide Housing Preservation Grant (HPG) assistance to grantees who are responsible for providing assistance to eligible persons without discrimination because of race, color, religion, sex, national origin, age, familial status, or disability.

(c) The preapplication must only address a proposal to finance repairs and rehabilitation activities to individual housing or rental properties or co-ops. Any combination proposal will not be accepted.

(d) Any processing or servicing activity conducted pursuant to this subpart involving authorized assistance to RHS employees, members of their families, known close relatives, or business or close personal associates, is subject to the provisions of subpart D of part 1900 of this chapter. Applicants for this assistance are required to identify any known relationship or association with an RHS employee.

[58 FR 21894, Apr. 26, 1993, as amended at 62 FR 26208, May 13, 1997]

§ 1944.652 Policy.

(a) The policy of RHS is to provide HPG's to grantees to operate a program which finances repair and rehabilitation activities to individual housing, rental properties, or co-ops for very low- and low-income persons. Individual housing that is owner occupied may qualify for replacement housing when it is determined by the grantee

7 CFR Ch. XVIII (1-1-23 Edition)

that the housing is not economically feasible for repair or rehabilitation. Grantees are expected to:

(1) Coordinate and leverage funding for repair and rehabilitation activities, as well as replacement housing, with housing and community development organizations or activities operating in the same geographic area; and

(2) Focus the program on rural areas and smaller communities so that it serves very low and low-income persons.

(b) RHS intends to permit grantees considerable latitude in program design and administration. The forms or types of assistance must provide the greatest long-term benefit to the greatest number of persons residing in individual housing, rental properties, or co-ops needing repair and rehabilitation or replacement of individual housing.

(c) Repairs and rehabilitation or replacement activities affecting properties on or eligible for listing on the National Register of Historic Places will be accomplished in a manner that supports national historic preservation objectives as specified in § 1944.673.

[62 FR 26208, May 13, 1997]

§ 1944.653 Objective.

The objective of the HPG program is to repair or rehabilitate individual housing, rental properties, or co-ops owned and/or occupied by very low- and low-income rural persons. Grantees will provide eligible homeowners, owners of rental properties, and owners of co-ops with financial assistance through loans, grants, interest reduction payments or other comparable financial assistance for necessary repairs and rehabilitation. Further, individual housing that is owner occupied may qualify for replacement housing when it is determined by the grantee that the housing is not economically feasible for repair or rehabilitation, except as specified in § 1944.659.

Further, all grantees after receiving a HPG must obtain a signed certification (Form AD-1048, "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions") from all persons or entities (excluding homeowner recipients) that the grantee does business with as a result of the HPG. Grantees are responsible for informing these persons or entities of the provisions of exhibit A of RD Instruction 1940-M (available in any Agency office) and of maintaining Form AD-1048 in the grantee's office.

(b) Grantees must also be made aware of the Drug-free Workplace Act of 1988 requirements found in exhibit A of RD Instruction 1940-M (available in any Rural Development office). § 1944.659 Replacement housing.

(1) Shall document the total costs for all repairs and rehabilitation of the existing housing; and

(2) Shall document the basis for the determination that the costs for all repairs and rehabilitation for the existing housing are not economically feasible.

(b) The individual homeowner:

(1) Must meet all requirements of § 1944.661;

(2) Must lack the income and repayment ability to replace their existing home without the assistance of the HPG grantee;

(3) Must have been determined by the HPG grantee and RHS to be unable to afford a loan under section 502 for replacement housing; and

(4) Must be able to afford the replacement housing on terms set forth by the HPG grantee.

(3) Must meet all applicable requirements of 7 CFR 3550.57; and

(4) May not be sold within 5 years of completion of the project.

(e) Any moneys received by the homeowner from selling salvaged material after demolishing the existing home must be used towards the replacement housing.

[62 FR 26209, May 13, 1997]

§ 1944.660 Authorized representative of the HPG applicant and Rural Development point of contact.

(a) Rural Development will deal only with authorized representatives designated by the HPG applicant.

(b) The State Director will designate either the State Office and/or the District Office as the processing office and/or the servicing office for the HPG program. The State Director's selection may be based on staffing, total program size, number of preapplications anticipated, type of applicants, or similar criteria. The State Director must publish this designation each year at the time the FEDERAL REGISTER is published informing the public of the open period for acceptance of preapplications as outlined in § 1944.678 of this subpart.

§ 1944.661 Individual homeowners—eligibility for HPG assistance.

The individual homeowners assisted must have income that meets the very low- or low-income definitions, be the owner of an individual dwelling at least 1 year prior to the time of assistance, and be the intended occupant of the dwelling subsequent to the time of assistance. The dwelling must be located in a rural area and be in need of housing preservation assistance. Each homeowner is required to submit evidence of income and ownership for retention in the grantee's files.

(a) *Income.* Determination of income will be made in accordance with 7 CFR 3550.54(c). All members of the household, as defined in § 1944.656 of this subpart, must be included when determining income. Grantees must use certifications, may require additional information from the homeowner, and should seek advice from their attorney.

Methods for assuring the intention of the homeowner to continue to occupy the unit after assistance will be established by the grantee. Any of the following will satisfy or fulfill this requirement of ownership:

(1) Full marketable title.

(2) An undivided or divided interest in the property to be repaired, rehabilitated, or replaced when not all of the

owners are occupying the property. HPG assistance may be made in such cases when:

(i) The occupant has been living in the house for at least 1 year prior to the date of requesting assistance;

(ii) The grantee has no reason to believe the occupant's position of owner/occupant will be jeopardized as a result of the improvements to be made with HPG funds; and

(iii) In the case of a loan, and to the extent possible, the co-owner(s) should also sign the security instrument.

(3) A leasehold interest in the property to be repaired, rehabilitated, or replaced. When the potential HPG recipient's "ownership" interest in the property is based on a leasehold interest, the lease must be in writing and a copy must be included in the grantee's file. The unexpired portion of the lease must not be less than 5 years and must permit the recipient to make modifications to the structure without increasing the recipient's lease cost.

(4) A life estate, with the right of present possession, control, and beneficial use of the property.

§ 1944.662 Eligibility of HPG assistance on rental properties or co-ops.

(a) *Ownership.* The owner(s) of rental properties or co-ops must own the dwelling at the time of receiving assistance from the HPG grantee. The dwelling must be located in a rural area and be in need of housing preservation assistance. Evidence of ownership may be a photostatic copy of the instrument evidencing ownership. Owners of rental properties and co-ops are required to submit evidence of ownership for retention in the grantee's files. Any of the following will satisfy or fulfill this requirement of ownership:

- (1) Full marketable title.
- (2) An undivided or divided interest in the property to be repaired or rehabilitated.
- (3) A leasehold interest in the property to be repaired or rehabilitated. Ownership interest in the property is based on a leasehold interest. The lease must be in writing and a copy must be included in the grantee's file. The unexpired portion of the lease must not be less than 5 years and must permit the recipient to make modifications to the structure without increasing the recipient's lease cost.
- (4) Land assignments may be accepted as evidence of ownership only for American Indians living on a reservation, when historically the permits have been used by the tribe and have had the comparable effect of a life estate.

(b) *Tenant eligibility.* The following requirements must be met in order for a unit within a rental property or co-op to be assisted with HPG funds:

- (1) The tenant must have income that meets the very low- or low-income definition.
- (2) The tenant must be the intended occupant of the unit, but is not required to have resided previously in the dwelling.
- (3) Any owner(s) who receives assistance from an HPG grantee or a member of the immediate family of the owner(s), who also resides in the unit within the dwelling to be repaired or rehabilitated is eligible to have their unit repaired or rehabilitated, if they are income eligible and meet all other requirements.

(c) *Identity of interest.* When an identity of interest, as defined in §1924.4(i) of subpart A of part 1924 of this chapter, exists between a nonprofit entity and the owner(s) of a dwelling, the property is not eligible for assistance.

§ 1944.663 Ownership agreement between HPG grantee and rental property owner or co-op.

HPG assistance may be provided by a grantee with respect to rental properties or co-ops only if the following conditions are met by the rental property owner(s) or by the co-op during a minimum 5 year restrictive period beginning on the date agreed upon in the agreement between the grantee and the rental property owner (or co-op). The HPG grantee is responsible for preparing, executing, and monitoring for compliance, the ownership agreement with the owner(s) of the rental property or the co-op. The rental property owner(s) or the co-ops are required to enter into an ownership agreement with the grantee to assure compliance with the requirements of this section.

(a) *Ownership agreement.* At a minimum, the ownership agreement must include the following clauses:

- (1) The owner(s) agrees to make the units repaired or rehabilitated available for occupancy to very low- or low-income persons for a period of not less than 5 years, such restrictive period beginning on the date agreed upon in the agreement between the grantee and the rental property owner(s) or co-op.
- (2) The owner(s) agrees to pass on to the tenants any reduction in the debt service payments resulting from the HPG assistance provided by the HPG grantee to the owner(s).
- (3) The owner(s) of rental properties agrees not to convert the units to condominium ownership. In the case of co-ops, the owner(s) agrees not to convert the dwelling(s) to condominium ownership or any form of cooperative ownership not eligible under this section. This paragraph (a)(3) is subject to the restrictive period noted in paragraph (a)(1) of this section.
- (4) The owner(s) agrees not to refuse to rent a unit to any person solely because the person is receiving or is eligible to receive assistance under any

§ 1944.664

7 CFR Ch. XVIII (1-1-23 Edition)

Federal, State, or local housing assistance program.

(5) The owner(s) agrees that the units repaired or rehabilitated will be occupied or available for occupancy by persons of very low- or low-income.

(6) The owner(s) agrees to enter into and abide by written leases with the tenants and that such leases shall provide that the tenants may be evicted only for good cause.

(7) The owner(s) agrees that, in the event the owner(s) or the owner's successors in interest fail to carry out the requirements of this section during the applicable period, they shall make a payment to Rural Development in an amount that equals the total amount of assistance provided by the grantee plus interest thereon (without compounding) for each year and any fraction thereof that the assistance was outstanding. The interest rate shall be that as determined by Rural Development at the time of infraction taking into account the average yield on outstanding marketable long-term obligations of the United States during the month preceding the date on which the assistance was initially made available.

(8) The owner(s) agrees that, notwithstanding any other provisions of law, the HPG assistance provided to the owner(s) shall constitute a debt which is payable in the case of any failure of this section and shall be secured by a security instrument provided by the owner(s) or co-op to the grantee, that provides for Rural Development to take such action upon incapacity or dissolution of the grantee.

(9) The owner(s) agrees and certifies that the assistance is being made available in conformity with Public Law 88-352, the "Civil Rights Act of 1964," and Public Law 90-284, the "Civil Rights Act of 1968."

(b) *Responsibilities of the grantee.* The grantee is responsible for insuring through verification and monitoring that the areas listed below are in compliance:

(1) That HPG funds used for loans, grants, or interest reduction payments providing repair or rehabilitation assistance to owners of rental properties or co-ops are not in excess of 75 percent of the total cost of all repairs and reha-

bilitation activities eligible for HPG assistance.

(2) That the owner(s) is not repairing and/or rehabilitating any unit unless it meets the requirements of §1944.662 (b)(3) of this subpart.

(3) That rental property units being repaired and/or rehabilitated and occupied by owners or members of the owner's immediate family meet all other requirements of this subpart.

(4) That, for multi-units not considered eligible as a result of paragraph (b)(2) or (b)(3) of this section, the grantee and owner(s) shall agree on a method, if any is needed, of determining the prorata share of repairs and rehabilitation activities to the dwelling, based on a percentage of the ineligible units to the total dwelling.

§ 1944.664 Housing preservation and replacement housing assistance.

(e) HPG funds may be used for payment of incidental expenses directly related to accomplishing authorized activities such as fees for connection of utilities (water, sewer, gas, electric), credit reports, surveys, title clearance, loan closing, inspections, and architectural or other technical services. All fees will be in accordance with local prevailing rates and so documented.

(f) HPG funds may be used where they do not contribute to the health, safety and well being of the occupant or do not materially contribute to the structural integrity or long-term preservation of the unit. The percentage of the funds to be used for such purposes must not exceed 20 percent of the total funding for the unit(s) and/or dwelling, and such work must be combined with improvements listed as eligible under

§ 1944.665

(2) The grantee has established a process for third party review of all performance by a local government, building inspector or other independent party;

(3) The grantee has established or makes available a process that provides for consumer protection to the individual homeowner, owner of a rental property, or co-op assisted; and

(4) The grantee's accounting system provides a clear delineation between administrative costs and construction contractor (non-administrative) costs.

(h) HPG funds may *not* be used to:

§ 1944.665 Supervision and inspection of work.

Grantees are responsible for supervising all rehabilitation and repair work, as well as replacement housing financed with HPG assistance. After all HPG work has been completed, a final inspection must be done by a disinterested third party, such as local building and code enforcement officials. (7) Any type of political activities prohibited by the Office of Management and Budget (OMB) Circular A-122.

(c) Advice concerning ineligible costs may be obtained from Rural Development as part of the HPG preapplication

review or when a proposed cost appears ineligible.

Where the grantee performs as a construction contractor, the grantee may be paid such compensation directly related to construction services provided and limited to authorized housing preservation activities.

(e) The policies, guidelines and requirements of 2 CFR part 200, as adopted by USDA through 2 CFR part 400, apply to the acceptance and use of HPG funds.

[58 FR 21894, Apr. 26, 1993, as amended at 62 FR 26210, May 13, 1997; 79 FR 76011, Dec. 19, 2014]

§ 1944.668 Term of grant.

HPG projects may be funded under the terms of a grant agreement for a period of up to 2 years commencing on the date of execution of the grant agreement by the Rural Development approval official. Term of the project will be based upon HPG resources available for the proposed project and the accomplishability of the applicant's proposal within 1 or 2 years. Applicants requesting a 2 year term may be asked to develop a feasible 1 year program if sufficient funds are not available for a 2 year program.

§ 1944.669 [Reserved]

§ 1944.671 Equal opportunity requirements and outreach efforts.

The policies and regulations contained in subpart E of part 1901 of this chapter apply to grantees under this subpart.

(a) *Fair housing.* The Fair Housing Act prohibits any person or entity whose business includes engaging in

residential real estate-related transactions to discriminate against any person in making loans, grants, or other financial assistance for a unit or dwelling, or which will be secured by a unit or dwelling, because of race, color, religion, sex, national origin, age, familial status, or handicap/disability. Prohibited practices under this section include:

(1) Failing to provide any person in connection with a residential real estate-related transaction, information regarding the availability of loans, grants, or other financial assistance, or providing information that is inaccurate or different from that provided others; and

(2) The term *residential and real estate-related transaction* includes the making or purchasing of loans, grants, or other financial assistance for purchasing, constructing, improving, repairing, or rehabilitating a unit or dwelling, as well as for replacement housing for individual homeowners.

(b) *Outreach.* In addition, the HPG grantee is required to address an outreach effort in their program. The amount of outreach should sufficiently reach the entire service area. As a measure of compliance, the percentages of the individuals served by the HPG grantee should be in proportion to the percentages of the population of the service area by race/national origin. If the percentages are not proportional, then adequate justification is to be made. Exhibit E-1 of this subpart (available in any Rural Development office) will be used to monitor these requirements. (Further explanation and guidance of exhibit E-1 can be found in exhibit E-2 of this subpart which is available in any Rural Development office). A separate file will be maintained by the grantee that will include the following outreach activities:

(1) Community contacts to community organizations, community leaders, including minority leaders, by name, race, and date contacted;

(2) Copies of all advertising in local newspapers, and through other media. Any advertising must reach the entire service area. Rural Development encourages the use of minority-owned radio stations and other types of media, if available, in the service area.

The grantee's file shall also include the name of the media used, and the percentage of its patronage by race/national origin; and

(3) Copies of any other advertising or other printed material, including the application form used. The application form shall include the nondiscrimination slogan: "This is an equal opportunity program. Discrimination is prohibited by Federal Law."

(c) *Additional requirements.* In order to meet the Fair Housing requirements and the nondiscrimination requirements of Title VI of the Civil rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, the HPG grantee will need to adhere to the recommendations of exhibit H of this subpart (available in any Rural Development office).

§ 1944.672 Environmental review requirements.

Grants made under this subpart must comply with the environmental review requirements in accordance with 7 CFR part 1970.

(a) The approval of an HPG grant for the repair, rehabilitation, or replacement of dwellings is classified as a Categorical Exclusion, pursuant to § 1970.53. As part of their pre-application materials, applicants shall submit environmental documentation in accordance with 7 CFR part 1970, for the geographical areas proposed to be served by the program. The applicant shall refer to Part 1944 Subpart N Exhibit F-1.

(b) The use of HPG funds by the grantee to repair, rehabilitate, or replace on the same site, specific dwellings is generally exempt from an RHS environmental review. However, if such dwellings are located in a floodplain, wetland, or the proposed work is not concurred in by the Advisory Council on Historic Preservation under the requirements of § 1944.673, an RHS environmental review is required. Dwellings within the Coastal Barrier Resources System are not eligible for HPG assistance. Applicants must include in their preapplication a process for identifying dwellings that may re-

ceive housing preservation or replacement housing assistance that will require an environmental assessment. This may be accomplished through use of exhibit F-2 of this subpart (available in any Rural Development State or District Office) or another process supplying similar information acceptable to RHS.

(c) If a specific dwelling is not located in a floodplain, wetland, or the proposed work is concurred in by the Advisory Council on Historic Preservation under the requirements of § 1944.673 of this subpart, no environmental review is required by Rural Development. The grantee only needs to indicate its review and compliance with this subpart, indicating such in each recipient's file in accordance with paragraph (e) of this section.

(d) When an HPG proposal does not qualify as a categorical exclusion under § 1970.53 and may require either an environmental report under § 1970.54 or an environmental assessment, the applicant will immediately contact the RHS office designated to service the HPG grant. Prior to approval of HPG assistance to the recipient by the applicant, RHS must complete the environmental review process in accordance with 7 CFR part 1970, with the assistance of the applicant, as necessary.

(e) If Rural Development is required to make an environmental assessment, the grantee will be provided with a copy of the assessment which will be made part of the recipient's file. The grantee must also include in each recipient's file:

(1) Documentation on how the process for historic preservation review under § 1944.673 of this subpart has been complied with, including all relevant reviews and correspondence; and

(2) Determination as to whether the unit is located in a 100-year floodplain or a wetland.

(3) *Documentation of this review.* Suggested language is: "We have considered this dwelling under Rural Development's environmental and historic preservation requirements for a HPG (§§ 1944.672 and 1944.673 of this subpart) and an environmental assessment is not required. The review was completed in accordance with the process to identify properties requiring a Rural

§ 1944.673

Development environmental assessment approved with our statement of activities.”

(f) Proposed use of funds by an applicant to use monies for additions under § 1944.664 (c)(11) of this subpart must be addressed in the statement of activities.

(g) Grantees must contact Rural Development prior to actual usage of funds by the grantees under § 1944.664 (c)(11) of this subpart. Rural Development must complete the appropriate level of environmental review in accordance with part 1970 of this chapter.

[58 FR 21894, Apr. 26, 1993, as amended at 62 FR 26210, May 13, 1997; 81 FR 11031, Mar. 2, 2016; 82 FR 19319, Apr. 27, 2017]

§ 1944.673 Historic preservation and replacement housing requirements and procedures.

(a) Rural Development has entered into a Programmatic Memorandum of Agreement (PMOA) with the National Conference of State Historic Preservation Officers (SHPO) and the Advisory Council on Historic Preservation in order to implement the specific requirements regarding historic preservation contained in section 533 of the Housing Act of 1949, 42 U.S.C. 1490(m) of the enabling legislation. The PMOA, with attachments, can be found in RD Instruction 2000-FF (available in any Rural Development office). A copy of the PMOA will be provided to each applicant for a HPG as part of the preapplication package specified in paragraph II of exhibit C of this subpart (available in any Rural Development office).

(b) Each applicant for an HPG grant will provide, as part of its preapplication documentation submitted to RHS, a description of its proposed process for assisting very low- and low-income persons owning historic properties needing rehabilitation, repair, or replacement. “Historic properties” are defined as properties that are listed or eligible for listing on the National Register of Historic Places. Each HPG proposal shall comply with the provisions of Stipulation I, A-G of the PMOA (RD Instruction 2000-FF), available in any Rural Development State or District Office. Should RHS be required to assume responsibility for

7 CFR Ch. XVIII (1–1–23 Edition)

compliance with 36 CFR part 800 in accordance with Stipulation III of the PMOA, the grantee will assist RHS in preparing an environmental assessment. RHS will work with the grantee to develop alternative actions or mitigation measures, as appropriate.

(c) Such assumption of responsibility by Rural Development on a particular property shall not preclude the grantee from carrying out the requirements of 36 CFR part 800 on other properties as though it were a Federal agency, but no work may be commenced on any unit or dwelling in controversy until and unless so advised by Rural Development.

[58 FR 21894, Apr. 26, 1993, as amended at 62 FR 26211, May 13, 1997]

§ 1944.674 Public participation and intergovernmental review.

(a) In preparing its statement of activities, the applicant is responsible for consulting with leaders from the county, parish and/or township governments of the area where HPG activities will take place for the purpose of assuring that the proposed HPO program is beneficial and does not duplicate current activities. American Indian non-profit organization applicants should obtain the written concurrence of the tribal governing body in lieu of consulting with the county governments when the program is operated only on tribal land.

(b) The applicant must also make its statement of activities available to the public for comment. The applicant must announce the availability of its statement of activities for review in a newspaper of general circulation in the project area and allow at least 15 days for public comment. The start of this 15-day period must occur no later than 16 days prior to the last day for acceptance of preapplications by Rural Development.

(c) The HPG program is subject to the provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials. These requirements are set forth in U.S. Department of Agriculture regulations 7 CFR part 3015, subpart V, and RD Instruction 1970-I, ‘Intergovernmental Review,’ available in any Agency office or on the Agency’s Web site.

Prospective applicants for HPG grants must submit its statement of activities to the State single point of contact prior to submitting their preapplication to Rural Development. Evidence of submittal of the statement of activities to the State single point of contact is to be submitted with a preapplication. Comments and recommendations made through the intergovernmental review process are for the purpose of assuring consideration of State and local government views. The name of the State single point of contact is available from any Rural Development office. This section does not apply to American Indian tribes, bands, groups, etc., as noted in §1944.656 of this subpart.

§ 1944.675 Allocation of HPG funds to States and unused HPG funds.

The allocation and distribution of HPG funds is found in §1940.578 of subpart L of part 1940 of this chapter.

§ 1944.676 Preapplication procedures.

(a) All applicants will file an original and two copies of Standard Form (SF) 424.1, "Application For Federal Assistance (For Nonconstruction)," and supporting information with the appropriate Rural Development office. Each preapplication and its accompanying statement of activities will be evaluated and, based solely on the information contained in the preapplication, the applicant's proposal will be numerically rated on each criteria within the range provided. The highest ranking applicant(s) will be selected based on allocation of funds available to the State. Exhibit D of this subpart (available in any Rural Development office) will be used to document the rating.

(1) Points are awarded based on the percentage of very low-income persons that the applicant proposes to assist, using the following scale:

§ 1944.680

7 CFR Ch. XVIII (1–1–23 Edition)

- (iv) 20% to 40%: 5 points.
- (v) Less than 20%: 0 points.

(2) The applicant's proposal may be expected to result in the following percentage of HPG fund use (excluding administrative costs) to total cost of unit preservation. This percentage reflects maximum repair or rehabilitation with the least possible HPG funds due to leveraging, innovative financial assistance, owner's contribution or other specified approaches. Points are awarded based on the following percentage of HPG funds (excluding administrative costs) to total funds:

- (i) 50% or less: 20 points.
- (ii) 51% to 65%: 15 points.

(6) The proposed program contains a component for alleviating overcrowding as defined in §1944.656 of this subpart: 5 points.

(c) In the event more than one preapplication receives the same amount of points, those preapplications will then be ranked based on the actual percentage figure used for determining the points under paragraph (b)(1) of this section. Further, in the event that preapplications are still tied, then those preapplications still tied will be ranked based on the percentage figures used (low to high) in paragraph (b)(2) of this section. Further, for applications where assistance to rental properties or co-ops is proposed, those still tied will be further ranked based on the number of years the units are available for occupancy under the program (a minimum of 5 years is required). For this part, ranking will be based from most to least number of years. Finally, if there is still a tie, then a "lottery" System will be used.

§ 1944.682 Preapplication/application review, grant approval, and requesting HPG funds.

The Rural Development offices processing HPG preapplications/applications will review the preapplications and applications submitted. Further review and actions will be taken by Rural Development personnel in accordance with exhibit C of this subpart (available in any Rural Development office). Exhibit G of this subpart (available in any Rural Development office) will be used by the State Office to notify the National Office of preapplications received, eligibility, ranking, number of proposed units, amount requested by applicants, and amount recommended by State Office. Preapplications determined not eligible and/or not meeting the selection criteria will be notified in the manner prescribed in exhibit C of this subpart (available in any Rural Development office). In addition, Rural Development will document its findings and advise the applicant of its review rights or appeal rights (if applicable) under subpart B of part 1900 of this chapter. Applications determined not eligible will be handled in the same manner. The preapplications or applications determined incomplete will be notified in the manner prescribed in exhibit C of this subpart (available in any Rural Development office) and will not be given appeal rights. The State Director is authorized to approve an HPG in accordance with this subpart and subpart A of part 1901 of this chapter. The State Director may delegate this authority in writing to designated State Office personnel and District Directors. Further:

(a) Grant approval is the process by which Rural Development determines that all applicable administrative and legal conditions for making a grant have been met, the grant agreement is signed, and funds have been obligated for the HPG project. If acceptable, the approval official will inform the applicant of approval, having the applicant sign Form RD 1940-1, "Request for Obligation of Funds," and exhibit A of this subpart (available in any Rural Development office). The applicant will be sent a copy of the executed grant agreement and Form RD 1940-1. Should

any conditions be attached to the grant agreement that must be satisfied prior to the applicant receiving any HPG funds, the grant agreement and the conditions will be returned to the applicant for acceptance and acknowledgement on the grant agreement prior to execution by the approval official.

(b) The application may be disapproved before execution of the grant agreement if the applicant is no longer eligible, the proposal is no longer feasible, or the applicant requests cancellation of its project. Except when the applicant requests cancellation, Rural Development will document its findings and advise the applicant of its appeal rights under subpart B of part 1900 of this chapter.

(c) With the executed grant agreement and Form RD 1940-1, Rural Development will send the approved applicant (now the "grantee") copies of SF-270, "Request for Advance or Reimbursement". The grantee must submit an original and two copies of SF-270 to the Rural Development office servicing the project. In addition, the grantee must submit SF-272, "Federal Cash Transactions Report," each time an advance of funds is made. Requests for reimbursement or advances must be at least 30 calendar days apart.

(d) If the grantee fails to submit required reports pursuant to § 1944.683 of this subpart or is in violation of the grant agreement, Rural Development may suspend HPG reimbursements and advances or terminate the grant in accordance with § 1944.688 of this subpart and the grant agreement.

(b) Quarterly performance reports shall be submitted by grantees with SF-269, in an original and two copies (see exhibit E-1 or this subpart which is available in any Rural Development office.) The quarterly report should relate the activities during the report period to the project's objectives and analyze the effectiveness of the program. As part of the grantee's preapplication submission, as required by § 1944.676(b) of this subpart, the grantee establishes its objectives for the HPG program, including its method of evaluation to determine its effectiveness. Accordingly, the report must include, but need not be limited to, the following:

(5) Reasons why, if established objectives are not met.

(6) Problems, delays, or adverse conditions which will materially affect at-

tainment of the HPG grant objectives, prevent the meeting of time schedules or objectives, or preclude the attainment of program work elements during established time periods. This disclosure shall be accompanied by a statement of the action taken or contemplated and any Federal or other assistance needed to relieve the situation.

(7) Objectives established for the next reporting period, sufficiently detailed to identify the type of assistance to be provided, the number and type of households to be assisted, etc.

(c) The grantee should be prepared to meet with the Rural Development office servicing the project to discuss its quarterly report shortly after submission.

(d) If the reports are not submitted in a timely manner or if the reports indicate that the grantee has made unsatisfactory progress or the grantee is not meeting its established objectives, the Rural Development official servicing the grant will recommend to the State Director appropriate action to resolve the indicated problem(s). If appropriate corrective action is not taken by the grantee, the State Director has the discretion to not authorize further advances by suspending the project in accordance with § 1944.688 of this subpart and the grant agreement.

(b) A grantee may request an extension of the grant agreement prior to the end of the project term specified in

the grant agreement if the grantee anticipates that there will be grant funds remaining and the grantee has demonstrated its ability to conduct its program in a manner satisfactory to Rural Development. The approval official may approve an extension when:

(1) The grantee is likely to complete or exceed the goals outlined in the approved statement of activities; and

(2) The Rural Development office responsible for servicing the grant recommends continuation of the grant until the grantee has expended all of the remaining grant funds.

(c) Modifications to the statement of activities, such as revising the processes the grantee follows in operating the HPG program, may be approved by the approval official when the modifications are for eligible purposes in accordance with §§ 1944.664 and 1944.666 of this subpart, meet any applicable review and process requirements of this subpart, and the program will continue to serve the geographic area originally approved. The grantee will submit its proposed revisions together with the necessary supporting information to Rural Development prior to modifying its operation from the approved statement of activities.

this subpart. Rural Development will also review all reports prepared and submitted by the grantee in accordance with the grant agreement and this subpart.

(b) The grant can be suspended or terminated before the grant ending date for the causes specified in the grant agreement. No further grant funds will be advanced when grant suspension or termination procedures have been initiated in accordance with the grant agreement. Grantees may be reimbursed for eligible costs incurred prior to the effective date of the suspension or termination. Grantees are prohibited from incurring additional obligations of funds after notification, pending corrective action by the grantee. Rural Development may allow necessary and proper costs that the grantee could not reasonably avoid during the period of suspension provided they are for eligible HPG purposes. In the event of termination, Rural Development may allow necessary and reasonable costs for an audit.

(c) Grantees will have the opportunity to appeal a suspension or termination under Rural Development's appeal procedures under subpart B of part 1900 of this chapter.

(d) The grantee will complete the closeout procedures as specified in the grant agreement.

(e) The grantee will have an audit performed upon termination or completion of the project in accordance with 2 CFR part 200 as adopted by USDA through 2 CFR part 400, as applicable. As part of its final report, the grantee will address and resolve all audit findings.

6. If the Grantee is a private nonprofit corporation, expenses charged for travel or per diem will not exceed the rates paid FmHA or its successor agency under Public Law 103-354 employees for similar purposes. If the grantee is a public body, the rates will be those that are allowable under the customary practice in the government of which the grantee is a part; if none are customary, the FmHA or its successor agency under Public Law 103-354 rates will be the maximum allowed.

7. Grant funds will not be used for any of the following:

(a) To pay obligations incurred before the effective date of this Agreement.

(b) To pay obligations incurred after the grant termination or ending date.

(c) Entertainment purposes.

(d) To pay for capital assets, the purchase of real estate or vehicles, improvement or renovation of grantee's office space, or repair or maintenance of privately owned vehicles.

(e) Any other purpose specified in §§1944.664(f) and 1944.666(b) of this subpart.

(f) Administrative expenses exceeding 20% HPG grant funds.

8. Grant funds shall not be used to substitute for any financial support previously provided and currently available or assured from any other source.

9. Disbursal of grants will be governed as follows:

(a) In accordance with Treasury Circular 1075 (fourth revision) part 205, chapter II of title 31 of the Code of Federal Regulations, grant funds will be provided by FmHA or its successor agency under Public Law 103-354 as cash advances on an as needed basis not to exceed one advance every 30 days. The advance will be made by direct Treasury check to the grantee. The financial management system of the recipient organization shall provide for effective control over and accountability for all Federal funds as stated to OMB Circular A-102 (42 FR 45828, September 12, 1977) for State and local governments and OMB Circular A-110 (41 FR 32016, July 30, 1976) for nonprofit organizations.

(b) Cash advances to the grantee shall be limited to the minimum amounts needed and shall be timed to be in accord only with the actual, immediate cash requirements of the Grantee in carrying out the purpose of the planned project. The timing and amount of cash advances shall be as close as administratively feasible to the actual disbursements by the grantee for direct program costs (as identified in the grantee's Statement of Activity and budget and fund use plan) and proportionate share of any allowable indirect costs.

(c) Grant funds should be promptly refunded to the FmHA or its successor agency

under Public Law 103-354 and redrawn when needed if the funds are erroneously drawn in excess of immediate disbursement needs. The only exceptions to the requirement for prompt refunding are when the funds involved:

(i) Will be disbursed by the recipient organization within seven calendar days from the date of the Treasury check, or

(ii) Are less than \$10,000 and will be disbursed within 30 calendar days from the date of the Treasury check.

(d) Grantee shall provide satisfactory evidence to FmHA or its successor agency under Public Law 103-354 that all officers of the Grantee organization authorized to receive and/or disburse Federal funds are covered by satisfactory fidelity bonds sufficient to protect FmHA or its successor agency under Public Law 103-354's interests.

10. The grantee will submit performance and financial reports as indicated below to the appropriate FmHA or its successor agency under Public Law 103-354 office.

(a) As needed, but not more frequently than once every 30 calendar days, an original and 2 copies of SF-270, "Request for Advance or Reimbursement."

(b) Quarterly (not later than February 15, May 15, August 15, and November 15 of each year), an original and 2 copies of SF-269, "Financial Status Report," and a quarterly performance report in accordance with § 1944.683 of this subpart.

(c) Within ninety (90) days after the termination or expiration of the Grant Agreement, an original and 2 copies of SF-269, and a final performance report which will include a summary of the project's accomplishments, problems, and planned future activities of the grantee for HPG. Final reports may serve as the last quarterly report.

(d) FmHA or its successor agency under Public Law 103-354 may require performance reports more frequently if deemed necessary.

11. In accordance with FMC Circular 74-4, Attachment B, compensation for employees will be considered reasonable to the extent that such compensation is consistent with that paid for similar work in other activities of the State or local government.

12. If the grant exceeds \$100,000, cumulative transfers among direct cost budget categories totaling more than 5 percent of the total budget must have prior written approval by FmHA or its successor agency under Public Law 103-354.

13. Results of the program assisted by grant funds may be published by the grantee without prior review by FmHA or its successor agency under Public Law 103-354, provided that such publications acknowledge the support provided by funds pursuant to the provisions of Title V of the Housing Act of 1949, as amended, and that five copies of each such publications are furnished to

FmHA or its successor agency under Public Law 103-354.

14. Grantee certifies that no person or organization has been employed or retained to solicit or secure this grant for a commission, percentage, brokerage, or contingent fee.

15. No person in the United States shall, on the grounds of race, creed, color, sex, marital status, age, national origin, or mental or physical handicap, be excluded from participating in, be denied the proceeds of, or be subject to discrimination in connection with the use of grant funds. Grantee will comply with the nondiscrimination regulations of FmHA or its successor agency under Public Law 103-354 contained in subpart E of part 1901 of this chapter.

16. In all hiring or employment made possible by or resulting from this grant, the grantee: (a) Will not discriminate against any employee or applicant for employment because of race, creed, color, sex, marital status, national origin, age, or mental or physical handicap, and (b) will take affirmative action to insure that employees are treated during employment without regard to their race, creed, color, sex, marital status, national origin, age, or mental or physical handicap. This requirement shall apply to, but not be limited to, the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising, lay-off or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. In the event grantee signs a contract related to this grant which would be covered by any Executive Order, law, or regulation prohibiting discrimination, grantee shall include in the contract the "Equal Employment Clause" as specified by Form FmHA or its successor agency under Public Law 103-354 400-1, "Equal Employment Agreement."

17. The grantee accepts responsibility for accomplishing the HPG program as submitted and included in the Statement of Activities. The grantee shall also:

(a) Endeavor to coordinate and provide liaison with State and local housing organizations, where they exist.

(b) Provide continuing information to FmHA or its successor agency under Public Law 103-354 on the status of grantee HPG programs, projects, related activities, and problems.

(c) The grantee shall inform FmHA or its successor agency under Public Law 103-354 as soon as the following types of conditions become known:

(i) Problems, delays, or adverse conditions which materially affect the ability to attain program objectives, prevent the meeting of time schedules or goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accompanied by a statement of the action taken or contemplated, new time schedules

required and any FmHA or its successor agency under Public Law 103-354 assistance needed to resolve the situation.

(ii) Favorable developments or events which enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

18. Grant closeout and termination procedures will be as follows:

(a) Promptly after the date of completion or a decision to terminate a grant, grant closeout actions are to be taken to allow the orderly discontinuation of grantee activity.

(i) The grantee shall immediately refund to FmHA or its successor agency under Public Law 103-354 any uncommitted balance of grant funds.

(ii) The grantee will furnish to Rural Development or its successor agency under Public Law 103-354 within 90 calendar days after the date of completion of the grant an SF-269 and all financial, performance, and other reports required as a condition of the grant, including an audit report.

(iii) The grantee shall account for any property acquired with HPG grant funds, or otherwise received from FmHA or its successor agency under Public Law 103-354.

(iv) After the grant closeout, FmHA or its successor agency under Public Law 103-354 retains the right to recover any disallowed costs which may be discovered as a result of an audit.

(b) When there is reasonable evidence that the grantee has failed to comply with the terms of this Agreement, the State Director can, on reasonable notice, suspend the grant pending corrective action or terminate the grant pursuant to paragraph (c) below. In such instances, FmHA or its successor agency under Public Law 103-354 may reimburse the grantee for eligible costs incurred prior to the effective date of the suspension or termination and may allow all necessary and proper costs which the grantee could not reasonably avoid. FmHA or its successor agency under Public Law 103-354 will withhold further advances and grantees are prohibited from further obligating grant funds, pending corrective action.

(c) Grant termination will be based on the following:

(i) *Termination for cause.* This grant may be terminated in whole or in part at any time before the date of completion, whenever FmHA or its successor agency under Public Law 103-354 determines that the grantee has failed to comply with the terms of this Agreement. The reasons for termination may include, but are not limited to, such problems as:

(A) Failure to make reasonable and satisfactory progress in attaining grant objectives.

(B) Failure of grantee to use grant funds only for authorized purposes.

(C) Failure of grantee to submit adequate and timely reports of its operation.

(D) Violation of any of the provisions of any laws administered by FmHA or its successor agency under Public Law 103-354 or any regulation issued thereunder.

(E) Violation of any nondiscrimination or equal opportunity requirement administered by FmHA or its successor agency under Public Law 103-354 in connection with any FmHA or its successor agency under Public Law 103-354 programs.

(F) Failure to maintain an accounting system acceptable to FmHA or its successor agency under Public Law 103-354.

(ii) *Termination for convenience.* FmHA or its successor agency under Public Law 103-354 or the grantee may terminate the grant in whole, or in part, when both parties agree that the continuation of the project would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in case of partial termination, the portion to be terminated.

(d) FmHA or its successor agency under Public Law 103-354 shall notify the grantee in writing of the determination and the reasons for and the effective date of the suspension or termination. Except for termination convenience, grantees have the opportunity to appeal a suspension or termination under FmHA or its successor agency under Public Law 103-354's appeal procedure, subpart B of part 1900 of this chapter.

19. Upon any default under its representations or agreements set forth in this instrument, the grantee, at the option and demand of FmHA or its successor agency under Public Law 103-354, will, to the extent legally permissible, repay to FmHA or its successor agency under Public Law 103-354 forthwith the grant funds received with interest at the rate of five per centum per annum from the date of the default. The provisions of this Grant Agreement may be enforced by FmHA or its successor agency under Public Law 103-354, at its option and without regard to prior waivers by it or previous defaults of the grantee, by judicial proceedings to require specific performance of the terms of this Grant Agreement or by such other proceedings in law or equity, in either Federal or State Courts, as may be deemed necessary by FmHA or its successor agency under Public Law 103-354 to assure compliance with the provisions of this Grant Agreement and the laws and regulations under which this grant is made.

20. Extension of this Grant Agreement and/or modifications of the Statement of Activities may be approved by FmHA or its successor agency under Public Law 103-354 provided, in its opinion, the extension and/or modification is justified and there is a likelihood that the grantee can accomplish the

goals set out and approved in the Statement of Activities during the period of the extension and/or modifications as specified in § 1944.684 of this subpart.

PART C—GRANTEE AGREES

1. To comply with property management standards for expendable and nonexpendable personal property established by Attachment N of OMB Circular A-102 or Attachment N of OMB Circular A-110 for State and local governments or nonprofit organizations respectively. *Personal property* means property of any kind except real property. It may be tangible—having physical existence—or intangible—having no physical existence, such as patents, inventions, and copyrights. *Non-expendable personal property* means tangible personal property having a useful life of more than one year and an acquisition cost of \$300 or more per unit. A grantee may use its own definitions of nonexpendable personal property provided that such definition would at least include all tangible personal property as defined above. *Expendable personal property* refers to all tangible personal property other than nonexpendable personal property. When nonexpendable tangible personal property is acquired by a grantee with project funds, title shall not be taken by the Federal Government but shall vest in the grantee subject to the following conditions:

(a) Right to transfer title. For items of nonexpendable personal property having a unit acquisition cost of \$1,000 or more, FmHA or its successor agency under Public Law 103-354 may reserve the right to transfer title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such reservation shall be subject to the following standards:

(i) The property shall be appropriately identified in the grant or otherwise made known to the grantee in writing.

(ii) FmHA or its successor agency under Public Law 103-354 shall issue disposition instructions within 120 calendar days after the end of the Federal support of the project for which it was acquired. If FmHA or its successor agency under Public Law 103-354 fails to issue disposition instructions within the 120 calendar day period, the grantee shall apply the standards of paragraph 1(c) below.

(iii) When FmHA or its successor agency under Public Law 103-354 exercises its right to take title, the personal property shall be subject to the provisions for federally owned nonexpendable property discussed in paragraph 1(a)(iv) below.

(iv) When title is transferred either to the Federal Government or to a third party and the grantee is instructed to ship the property elsewhere, the grantee shall be reimbursed by the benefitting Federal agency with an amount which is computed by applying the percentage of the grantee participa-

tion in the cost of the original grant project or program to the current fair market value of the property, plus any reasonable shipping or interim storage costs incurred.

(b) Use of other tangible nonexpendable property for which the grantee has title.

(i) The grantee shall use the property in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When it is no longer needed for the original project or program, the grantee shall use the property in connection with its other federally sponsored activities, in the following order of priority:

(A) Activities sponsored by FmHA or its successor agency under Public Law 103-354.

(B) Activities sponsored by other Federal agencies.

(ii) Shared use. During the time that non-expendable personal property is held for use on the project or program for which it was acquired, the grantee shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the property was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by FmHA or its successor agency under Public Law 103-354; second preference shall be given to projects or programs sponsored by other Federal agencies. If the property is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by FmHA or its successor agency under Public Law 103-354. User charges should be considered if appropriate.

(c) Disposition of other nonexpendable property. When the grantee no longer needs the property, the property may be used for other activities in accordance with the following standards:

(i) Nonexpendable property with a unit acquisition cost of less than \$1,000. The grantee may use the property for other activities without reimbursement to the Federal Government or sell the property and retain the proceeds.

(ii) Nonexpendable personal property with a unit acquisition cost of \$1,000 or more. The grantee may retain the property for other use provided that compensation is made to FmHA or its successor agency under Public Law 103-354 or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the property. If the grantee has no need for the property and the property has further use value, the grantee shall request disposition instructions from the original Grantor agency. FmHA or its successor agency under Public Law 103-354 shall determine whether the property can be used to meet the agency's

requirements. If no requirement exists within that agency, the availability of the property shall be reported, in accordance with the guidelines of the Federal Property Management Regulations (FPMR) to the General Services Administration by FmHA or its successor agency under Public Law 103-354 to determine whether a requirement for the property exists in other Federal agencies. FmHA or its successor agency under Public Law 103-354 shall issue instructions to the grantee no later than 120 calendar days after the grantee request and the following procedures shall govern:

(A) If so instructed or if disposition instructions are not issued within 120 calendar days after the grantee's request, the grantee shall sell the property and reimburse FmHA or its successor agency under Public Law 103-354 an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the grantee shall be permitted to deduct and retain from the Federal shares \$100 or ten percent of the proceeds, whichever is greater, for the grantee's selling and handling expenses.

(B) If the grantee is instructed to dispose of the property other than as described in paragraph 1(a)(iv) above, the grantee shall be reimbursed by FmHA or its successor agency under Public Law 103-354 for such costs incurred in its disposition.

(C) The grantee's property management standards for nonexpendable personal property shall include the following procedural requirements:

(1) Property records shall be maintained accurately and shall include:

(a) A description of the property.

(b) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(c) Sources of the property including grant or other agreement number.

(d) Whether title vests in the grantee or the Federal Government.

(e) Acquisition date (or date received, if the property was furnished by the Federal Government) and cost.

(f) Percentage (at the end of the budget year) of Federal participation in the cost of the project or program for which the property was acquired. (Not applicable to property furnished by the Federal Government).

(g) Location, use, and condition of the property and the date the information was reported.

(h) Unit acquisition cost.

(i) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value when a grantee compensates the Federal agency for its share.

(2) Property owned by the Federal Government must be marked to indicate Federal ownership.

(3) A physical inventory of property shall be taken and the results reconciled with the property records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The grantee shall, in connection with the inventory, verify the existence, current utilization, and continued need for the property.

(4) A control system shall be in effect to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft of nonexpendable property shall be investigated and fully documented; if the property was owned by the Federal Government, the grantee shall promptly notify FmHA or its successor agency under Public Law 103-354.

(5) Adequate maintenance procedures shall be implemented to keep the property in good condition.

(6) When the grantee is authorized or required to sell the property, proper sales procedures shall be established which will provide for competition to the extent practicable and result in the highest possible return.

(7) Expendable personal property shall vest in the grantee upon acquisition. If there is a residual inventory of such property exceeding \$1,000 in total aggregate fair market value, upon termination or completion of the grant and if the property is not needed for any other federally sponsored project or program, the grantee shall retain the property for use on nonfederally sponsored activities, or sell it, but must in either case compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as nonexpendable personal property.

2. To provide a financial management system which will include:

(a) Accurate, current, and complete disclosure of the financial results of each grant. Financial reporting will be on an accrual basis.

(b) Records which identify adequately the source and application of funds for grant-supported activities. Those records shall contain information pertaining to grant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays, and income.

(c) Effecting control over and accountability for all funds, property, and other assets. Grantee shall adequately safeguard all such assets and shall assure that they are solely for authorized purposes.

(d) Accounting records supported by source documentation.

3. To retain financial records, supporting documents, statistical records, and all other records pertinent to the grant for a period of at least three years after the submission of the final Project Performance report pursuant to part B (10)(c) of this Agreement except in the following situations:

(a) If any litigation, claim, audit, or investigation is commenced before the expiration of the three year period, the records shall be retained until all litigations, claims, audit or investigation findings involving the records have been resolved.

(b) Records for nonexpendable property acquired by FmHA or its successor agency under Public Law 103-354, the three year retention requirement is not applicable.

(c) When records are transferred to or maintained by FmHA or its successor agency under Public Law 103-354, the three year retention requirement is not applicable.

Microfilm copies may be substituted in lieu of original records. FmHA or its successor agency under Public Law 103-354 and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the grantee which are pertinent to the specific grant program for the purpose of making audits, examinations, excerpts, and transcripts.

4. To provide information as requested by FmHA or its successor agency under Public Law 103-354 concerning the grantee's actions in soliciting citizen participation in the application process, including published notice of public meetings, actual public meetings held, and content of written comments received.

5. Not to encumber, transfer, or dispose of the property or any part thereof, furnished by FmHA or its successor agency under Public Law 103-354 or acquired wholly or in part with HPG funds without the written consent of FmHA or its successor agency under Public Law 103-354 except as provided in part C 1 of this Agreement.

6. To provide FmHA or its successor agency under Public Law 103-354 with such periodic reports of grantee operations as may be required by authorized representatives of FmHA or its successor agency under Public Law 103-354.

7. To execute Form FmHA or its successor agency under Public Law 103-354 400-1, and to execute any other agreements required by FmHA or its successor agency under Public Law 103-354 to implement the civil rights requirements.

8. To include in all contracts in excess of \$100,000 a provision for compliance with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, 42 U.S.C. 1875C-9 as amended. Violations shall be reported to FmHA or its successor agency under Public Law 103-354 and the Regional

Office of the Environmental Protection Agency.

9. That no member of Congress shall be admitted to any share or part of this grant or any benefit that may arise therefrom, but this provision shall not be construed to bar as a contractor under the grant a publicly held corporation whose ownership might include a member of Congress.

10. That all nonconfidential information resulting from its activities shall be made available to the general public on an equal basis.

11. That the purpose for which this grant is made may complement, but shall not duplicate programs for which monies have been received, are committed, or are applied for from other sources, public and private.

12. That the grantee shall relinquish any and all copyrights and/or privileges to the materials developed under this grant, such material being the sole property of the Federal Government. In the event anything developed under this grant is published in whole or in part, the material shall contain notice and be identified by language to the following effect: "The material is the result of tax-supported research and as such is not copyrightable. It may be freely reprinted with the customary crediting of the source."

(13) That the grantee shall abide by the policies promulgated in OMB Circular A-102, Attachment O, or OMB Circular A-110, Attachment O, as applicable, which provides standards for use by Grantees in establishing procedures for the procurement of supplies, equipment, and other services with Federal grant funds.

14. That it is understood and agreed that any assistance granted under this Agreement will be administered subject to the limitations of Title V of the Housing Act of 1949 as amended, 42 U.S.C. 1471 *et seq.*, and related regulations, and that all rights granted to FmHA or its successor agency under Public Law 103-354 herein or elsewhere may be exercised by it in its sole discretion to carry out the purposes of the assistance, and project FmHA or its successor agency under Public Law 103-354's financial interest.

15. That it will adopt a Standard of Conduct that provides that, if an employee, officer, or agent of the grantee, or such person's immediate family members conducts business with the grantee, the grantee must not:

(a) Participate in the selection, award, or administration of a contract to such persons for which Federal funds are used;

(b) Knowingly permit the award or administration of the contract to be delivered to such persons or other immediate family members or to any entity (*i.e.*, partnerships, corporation, etc.) in which such persons or their immediate family members have an ownership interest; or

(c) Permit such person to solicit or accept gratuities, favors or anything of monetary
