

§ 1.169

(2) *Objections.* If a party objects to the admission of any evidence or to the limitation of the scope of any examination or cross-examination, the party shall briefly state the grounds of such objections, whereupon an automatic exception will follow if the objection is overruled by the Judge. The ruling of the Judge on any objection shall be part of the transcript or recording. Only objections made before the Judge may subsequently be relied upon in the proceeding.

(3) *Official records or documents.* An official record or document, if admissible for any purpose, shall be admissible in evidence without the production of the person who made or prepared the same, and shall be *prima facie* evidence of the relevant facts stated therein. Such record or document shall be evidenced by an official publication thereof, or by a copy certified by a person having legal authority to make such certification.

(4) *Exhibits.* Unless the Judge finds that the furnishing of multiple copies is impracticable, four copies of each exhibit shall be filed with the Judge unless the Judge finds that a greater or lesser number is desirable. A true copy of an exhibit may be substituted for the original.

(5) *Official notice.* Official notice shall be taken of such matters as are judicially noticed by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character: *Provided*, That the opposing party shall be given adequate opportunity to show that such facts are erroneously noticed.

(6) *Offer of proof.* Whenever evidence is deleted from the record, the party offering such evidence may make an offer of proof, which shall be included in the transcript or recording. The offer of proof shall consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement or of an exhibit, it shall be inserted into the transcript or recording in toto. In such event, it shall be considered a part of the transcript or recording and record if the Judicial Officer decides that the Judge's ruling in excluding the evidence was erroneous and prejudicial. The Judge shall not allow the insertion

of such excluded evidence in toto if the taking of such evidence will consume considerable time at the hearing. In the latter event, if the Judicial Officer decides that the Judge's ruling excluding the evidence was both prejudicial and erroneous, the hearing may be reopened to permit the taking of such evidence.

(7) *Affidavits.* Affidavits may be submitted into evidence, in lieu of witness testimony, only to the extent, and in the manner agreed upon by the parties.

(h) *Transcript or recording.* (1) Hearings to be conducted by telephone shall be recorded verbatim by electronic recording device. Hearings conducted by audio-visual telecommunication or the personal attendance of any individual who is expected to participate in the hearing shall be transcribed, unless the Judge finds that recording the hearing verbatim would expedite the proceeding and the Judge orders the hearing to be recorded verbatim. The Judge shall certify that to the best of his or her knowledge and belief any recording made pursuant to this paragraph with exhibits that were accepted into evidence is the record of the hearing.

(2) If a hearing is recorded verbatim, a party requests the transcript of a hearing or part of a hearing, and the Judge determines that the disposition of the proceeding would be expedited by a transcript of the hearing or part of a hearing, the Judge shall order the verbatim transcription of the recording as requested by the party.

(3) Recordings or transcripts of hearings shall be made available to any person at actual cost of duplication.

§ 1.169 Post-hearing procedure and decision.

(a) *Corrections to transcript or recording.* (1) At any time, but not later than the time fixed for filing proposed findings of fact, conclusions and order, or briefs, as the case may be, any party may file a motion proposing corrections to the transcript or recording.

(2) Unless a party files such a motion in the manner prescribed, the transcript or recording shall be presumed,

except for obvious typographical errors, to be a true, correct, and complete transcript or recording of the testimony given at the hearing and to contain an accurate description or reference to all exhibits received in evidence and made part of the hearing record.

(3) At any time prior to the filing of the Judge's decision and after consideration of any objections filed as to the transcript or recording, the Judge may issue an order making any corrections in the transcript or recording which the Judge finds are warranted, which corrections shall be entered onto the original transcript or recording by the Hearing Clerk (without obscuring the original text).

(b) *Proposed findings of fact, conclusions, order and briefs.* The parties may file with the Hearing Clerk proposed findings of fact, conclusions and orders based solely upon the record and on matters subject to official notice, and briefs in support thereof. The Judge shall announce at the hearing a definite period of time within which these documents may be filed.

(c) *Judge's decision.* The Judge, within a reasonable time after the termination of the period allowed for the filing of proposed findings of fact, conclusions and order, and briefs in support thereof, shall prepare, upon the basis of the record and matters officially noticed, and shall file with the Hearing Clerk, the Judge's decision, a copy of which shall be served by the Hearing Clerk upon each of the parties. Such decision shall become final and effective without further proceedings 35 days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to § 1.170: *Provided*, That no decision shall be final for purposes of a request for Judicial Review, as provided in § 1.175(a), except a final decision of the Judicial Officer on appeal.

§ 1.170 Appeal to the Judicial Officer.

(a) *Filing of petition.* Within 30 days after receiving service of the Judge's decision, a party who disagrees with the decision, or any part thereof, or

any ruling by the Judge or any alleged deprivation of rights, may appeal such decision to the Judicial Officer by filing an appeal petition with the Hearing Clerk. As provided in § 1.168(g)(2), objections regarding evidence or a limitation regarding examination or cross-examination or other ruling made before the Judge may be relied upon in an appeal. Each issue set forth in the petition, and the arguments thereon, shall be separately numbered; shall be plainly and concisely stated; and shall contain detailed citations to the record, statutes, regulations or authorities being relied upon in support thereof. A brief may be filed in support of the appeal simultaneously with the petition.

(b) *Response to appeal petition.* Within 20 days after the service of a copy of an appeal petition and any brief in support thereof, filed by a party to the proceeding, any other party may file with the Hearing Clerk a response in support of or in opposition to the appeal and in such response any relevant issue, not presented in the appeal petition, may be raised.

(c) *Transmittal of record.* Whenever an appeal of a Judge's decision is filed and a response thereto has been filed or time for filing a response has expired, the Hearing Clerk shall transmit to the Judicial Officer the record of the proceeding. Such record shall include: the pleadings; motions and requests filed and rulings thereon; the transcript or recording of the testimony taken at the hearing, together with the exhibits filed in connection therewith; any documents or papers filed in connection with a prehearing conference; such proposed findings of fact, conclusions, and orders, and briefs in support thereof, as may have been filed in connection with the proceeding; the Judge's decision; such exceptions, statements of objections and briefs in support thereof as may have been filed in the proceeding; and the appeal petition, and such briefs in support thereof and responses thereto as may have been filed in the proceeding.

(d) *Oral argument.* A party bringing an appeal may request, within the prescribed time for filing such appeal, an opportunity for oral arguments before the Judicial Officer. Within the time allowed for filing a response, appellee
