Subpart A—General

§ 248.1 General purpose and scope.

This part announces regulations under which the Secretary of Agriculture shall carry out the WIC Farmers' Market Nutrition Program. The dual purposes of the FMNP are:

(a) To provide resources in the form of fresh, nutritious, unprepared foods (fruits and vegetables) from farmers' markets to women, infants, and children who are nutritionally at risk and who are participating in the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) or are on the waiting list for the WIC Program; and

(b) To expand the awareness, use of and sales at farmers' markets.

Food and Nutrition Service, USDA**§ 248.2**

This will be accomplished through payment of cash grants to approved State agencies which administer the FMNP and deliver benefits at no cost to eligible persons. The FMNP shall be supplementary to the food stamp program carried out under the Food Stamp Act of 1977 (7 U.S.C. 2011 *et seq.*) and to any other Federal or State program under which foods are distributed to needy families in lieu of food stamps.

§ 248.2 Definitions.

For the purpose of this part and all contracts, guidelines, instructions, forms and other documents related hereto, the term:

Administrative costs means those direct and indirect costs, exclusive of food costs, as defined in § 248.12(b), which State agencies determine to be necessary to support FMNP operations. Administrative costs include, but are not limited to, the costs of administration, start-up, training, monitoring, auditing, the development of and accountability for coupon and market management, nutrition education, outreach, eligibility determination, and developing, printing, and distributing coupons.

Compliance buy means a covert, on-site investigation in which a FMNP representative poses as a FMNP participant and transacts one or more FMNP food coupons.

Coupon means a coupon, voucher, or other negotiable financial instrument by which benefits under the FMNP are transferred to recipients.

Days means calendar days.

Demonstration project means the Farmers' Market Coupon Demonstration Project authorized by section 17(m) of the Child Nutrition Act of 1966 (CNA), (42 U.S.C. 1786(m)), as amended by section 501 of the Hunger Prevention Act of 1988 (Pub. L. 100-435), enacted September 19, 1988. Public Law 102-314 authorized the Secretary to competitively award, subject to the availability of funds, a 3-year grant (which was subsequently extended for an additional year by Public Law 102-142) to up to 10 States that submitted applications that were approved for the establishment of demonstration projects designed to provide WIC par-

ticipants with coupons that could be exchanged for fresh, nutritious, unprepared foods at farmers' markets. Those States are: Connecticut, Iowa, Maryland, Massachusetts, Michigan, New York, Pennsylvania, Texas, Vermont, and Washington.

Department means the U.S. Department of Agriculture.

Eligible foods means fresh, nutritious, unprepared, locally grown fruits, vegetables and herbs for human consumption. Eligible foods may not be processed or prepared beyond their natural state except for usual harvesting and cleaning processes. Honey, maple syrup, cider, nuts, seeds, eggs, meat, cheese and seafood are examples of foods not eligible for purposes of the FMNP. State agencies shall consider locally grown to mean produce grown only within State borders but may also define it to include areas in neighboring States adjacent to its borders. Under no circumstances can produce grown outside of the United States and its territories be considered eligible foods.

Farmer means an individual authorized to sell produce at participating farmers' markets and/or roadside stands. Individuals who exclusively sell produce grown by someone else, such as wholesale distributors, cannot be authorized to participate in the FMNP. For purposes of this part, the term "farmer" shall mean "producer" as that term is used in section 17(m)(6)(D) of the CNA (42 U.S.C. 1786(m)(6)(D)). A participating State agency has the option to authorize individual farmers, farmers' markets and/or roadside stands.

Farmers' market means an association of local farmers who assemble at a defined location for the purpose of selling their produce directly to consumers.

Fiscal year means the period of 12 calendar months beginning October 1 of any calendar year and ending September 30 of the following calendar year.

FMNP funds means Federal grant funds provided for the FMNP, plus the required matching funds.

FNS means the Food and Nutrition Service of the U.S. Department of Agriculture.

§ 248.2**7 CFR Ch. II (1-1-25 Edition)**

Food costs means the cost of eligible supplemental foods.

Household has the same definition as that of "family" defined in § 246.2 of this chapter. Each such family shall constitute a separate household for FMNP benefit issuance purposes.

In-kind contributions means property or services which benefit the FMNP and which are contributed by non-Federal parties without charge to the FMNP.

Local agency means any nonprofit entity or local government agency which issues FMNP coupons, and provides nutrition education and/or information on operational aspects of the FMNP to FMNP recipients.

Matching requirement means State, local or private funds, or program income, equal to not less than 30 percent of the administrative FMNP cost for the fiscal year. The Secretary may negotiate with an Indian State agency a lower percentage of matching funds, but not less than 10 percent of the administrative cost of the program, if the Indian State agency demonstrates to the Secretary financial hardship for the affected Indian tribe, band, group, or council. The match may be satisfied through expenditures for similar farmers' market programs which operate during the same period as the FMNP. Similar programs include other farmers' market programs which serve low-income women, infants and children (who may or may not be WIC participants or on the waiting list for WIC services), as well as other categories of low-income recipients, such as, but not limited to, low-income elderly persons.

Nonprofit agency means a private agency which is exempt from income tax under the Internal Revenue Code of 1986, as amended, (26 U.S.C. 1 *et. seq.*).

Nutrition education means individual or group education sessions and the provision of information and educational materials designed to improve health status, achieve positive change in dietary habits, and emphasize relationships between nutrition and health, all in keeping with the individual's personal, cultural, and socio-economic preferences.

OIG means the Department's Office of the Inspector General.

Program or FMNP means the WIC Farmers' Market Nutrition Program authorized by section 17(m) of the Child Nutrition Act of 1966 (CNA) (42 U.S.C. 1786(m)), as amended. The Special Supplemental Nutrition Program for Women, Infants and Children (WIC) is authorized by section 17 of the CNA, as amended. Within section 17, section 17(m) authorizes the FMNP.

Recipient means a person chosen by the State agency to receive FMNP benefits. Such person must be a woman, infant over 4 months of age, or child, who receives benefits under the WIC Program or is on the waiting list to receive benefits under the WIC Program.

Roadside stand means a location at which an individual farmer sells his/her produce directly to consumers. This is in contrast to a group or association of farmers selling their produce at a farmers' market.

SFPD means the Supplemental Food Programs Division of the Food and Nutrition Service of the U.S. Department of Agriculture.

Similar programs means other farmers' market projects or programs which serve low-income women, infants and children, or other categories of recipients, such as, but not limited to, elderly persons.

State means any of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Northern Marianas Islands.

State agency means the agriculture department, the health department or any other agency approved by the chief executive officer of the State; an Indian tribe, band or group recognized by the Department of the Interior; an intertribal council or group which is an authorized representative of Indian tribes, bands or groups recognized by the Department of the Interior and which has an ongoing relationship with such tribes, bands or groups for other purposes and has contracted with them to administer the Program; or the appropriate area office of the Indian Health Service (IHS), an agency of the Department of Health and Human Services.

State Plan means a plan of FMNP operation and administration that describes the manner in which the State

Food and Nutrition Service, USDA**§ 248.3**

agency intends to implement, operate and administer all aspects of the FMNP within its jurisdiction in accordance with § 248.4.

Total FMNP funds means the sum of the Federal funds provided to the State agency and non-Federal contributions provided by the State agency for FMNP purposes.

WIC means the Special Supplemental Nutrition Program for Women, Infants and Children authorized by section 17 of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1771 *et. seq.*).

§ 248.3 Administration.

(a) *Delegation to FNS.* Within the Department, FNS shall act on behalf of the Department in the administration of the FMNP. Within FNS, SFPD and the FNS Regional Offices are responsible for FMNP administration. FNS shall provide assistance to State agencies and evaluate all levels of FMNP operations to ensure that the goals of the FMNP are achieved in the most effective and efficient manner possible.

(b) *Delegation to State agency.* The State agency is responsible for the effective and efficient administration of the FMNP in accordance with the requirements of this part; the requirements of the Department's regulations governing nondiscrimination (7 CFR parts 15, 15a and 15b), administration of grants (2 CFR part 200, subparts A, B, D, E and F and USDA implementing regulations 2 CFR part 400 and part 415), nonprocurement debarment/suspension (2 CFR part 180, OMB Guidelines to Agencies on Government-wide Debarment and Suspension and USDA implementing regulations 2 CFR part 417), drug-free workplace (2 CFR part 182, Government-wide Requirements for Drug-Free Workplace), and lobbying (2 CFR part 200, subpart E and USDA implementing regulations 2 CFR part 400, part 415 and part 418); and, Office of Management and Budget Circular A-130, FNS guidelines, and Instructions issued under the FNS Directives Management System. The State agency shall provide guidance to co-operating WIC State and local agencies on all aspects of FMNP operations.

Pursuant to section 17(m)(2) of the CNA, State agencies may operate the FMNP locally through nonprofit organizations or local government entities and must ensure coordination among the appropriate agencies and organizations.

(c) *Agreement and State Plan.* (1) Each State agency desiring to administer the FMNP shall annually submit a State Plan and enter into a written agreement with the Department for administration of the Program in the jurisdiction of the State agency in accordance with the provisions of this part.

(2) The written agreement must include a statement that supports full use of Federal funds provided to State agencies for the administration of the FMNP, and excludes such funds from State budget restrictions or limitations, including hiring freezes, work furloughs, and travel restrictions.

(d) *State agency ineligibility.* A State agency shall be ineligible to participate in the FMNP if State or local sales tax is collected on Program food purchases in the area in which it administers the Program, except that, if sales tax is collected on Program food purchases by sovereign Indian entities which are not State agencies, the State agency shall remain eligible so long as any farmers' markets collecting such tax are disqualified.

(e) *Coordination with WIC agency.* The Chief Executive Officer of the State shall ensure coordination between the designated administering State agency and the WIC State agency, if different, by ensuring that the two agencies enter into a written agreement. Such coordination between agencies is necessary for the successful operation of the FMNP, because WIC participants or persons on the waiting list for WIC services are the only persons eligible to receive Federal benefits under the FMNP. The written agreement shall delineate the responsibilities of each agency, describe any compensation for services, and shall be signed by the designated representative of each agency. This agreement shall be submitted each year along with the State Plan.

(f) *State staffing standards.* Each State agency shall ensure that sufficient

§ 248.4

7 CFR Ch. II (1-1-25 Edition)

staff is available to efficiently and effectively administer the FMNP. This shall include, but not be limited to, sufficient staff to provide nutrition education in coordination with the WIC Program, coupon and market management, fiscal reporting, monitoring, and training. The State agency shall provide an outline of administrative staff and job descriptions for staff whose salaries will be paid from program funds in their State Plans.

The State Plan shall be signed by the State designated official responsible for ensuring that the Program is operated in accordance with the State Plan. FNS will provide written approval or denial of a completed State Plan or amendment within 30 days. Portions of the State Plan which do not change annually need not be resubmitted. However, the State agency shall provide the title of the sections that remain unchanged, as well as the year of the last Plan in which the sections were submitted. At a minimum, the Plan must address the following areas in sufficient detail to demonstrate the State agency's ability to meet the requirements of the FMNP:

[59 FR 11517, Mar. 11, 1994, as amended at 60 FR 49746, Sept. 27, 1995; 64 FR 48076, Sept. 2, 1999; 73 FR 65249, Nov. 3, 2008]

§ 248.5 Selection of new State agencies.

In selecting new State agencies, the Department will use objective criteria to rank and approve State plans submitted in accordance with § 248.4. In making this ranking, the Department will consider the amount of funds necessary to successfully operate the FMNP in the State compared with other States and with the total amount of funds available to the FMNP. Approval of a State Plan does not equate to an obligation on the part of the Department to fund the FMNP within that State agency.

[64 FR 48076, Sept. 2, 1999]

Subpart C—Recipient Eligibility

§ 248.6 Recipient eligibility.

(a) *Eligibility for certification.* Individuals who are eligible to receive Federal benefits under the FMNP are those, excluding infants 4 months of age or younger, who are currently receiving benefits under WIC or who are on the waiting list to receive benefits from WIC.

(b) *Limitations on certification.* If necessary to limit the number of recipients, State agencies may impose additional eligibility requirements, such as limiting participant certification to certain geographic areas, or to high priority WIC participants such as preg-

nant and breastfeeding women. States may also preclude groups of low priority persons, such as persons on the waiting list for WIC. Each State agency must specifically identify these limitations on certification in its State Plan.

(c) *Recipient or household benefit allocation.* On a Statewide basis, State agencies shall elect to allocate and issue benefits either to recipients or households. A State agency allocating benefits on a household basis shall not issue more benefits to a household than it otherwise would if benefits were allocated to individual recipients within the household. For those State agencies issuing FMNP benefits on a household basis, each family as defined in § 246.2 of this chapter shall constitute a separate household. Foods provided, regardless of method of issuance, are intended for the sole benefit of FMNP recipients and are not intended to be shared with other non-participating household members. If a State agency issues benefits on a household basis, data concerning number and type of recipients must still be provided as required by § 248.23(b). Recipients shall receive FMNP benefits free of charge.

§ 248.7 Nondiscrimination.

(a) *Civil rights requirements.* The State agency shall comply with the requirements of title VI of the Civil Rights Act of 1964, title IX of the Education Amendments of 1972, section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Department of Agriculture regulations on nondiscrimination (7 CFR parts 15, 15a and 15b), and applicable FNS Instructions to ensure that no person shall, on the grounds of race, color, national origin, age, sex or handicap, be excluded from participation, be denied benefits, or be otherwise subjected to discrimination, under the FMNP. Because racial and ethnic participation data (as required by title VI of the Civil Rights Act of 1964) are collected at the time women, infants, and children are certified for participation in the WIC Program, the Department has determined that the WIC data collection effort is sufficient to fulfill the racial/ethnic data collection requirement for the FMNP. Therefore, no additional data collection is

Food and Nutrition Service, USDA**§ 248.9**

required. Compliance with title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and regulations and instructions issued thereunder shall include, but not be limited to:

(1) Notification to the public of the nondiscrimination policy and complaint rights of recipients and potentially eligible persons, which may be satisfied through the Department's required nondiscrimination statement on brochures and publications;

(2) Review and monitoring activity to ensure FMNP compliance with the non-discrimination laws and regulations;

(3) Establishment of grievance procedures for handling recipient complaints based on sex and handicap.

(b) *Complaints.* Persons seeking to file discrimination complaints may file them either with the Secretary of Agriculture, or the Director, USDA, Office of Adjudication and Compliance, Room 326-W, Whitten Building, 14th and Independence Avenue, SW., Washington, DC 20250-9410 (or call (800) 795-3272 (voice) or (202) 720-6382 (TTY)), or with the office established by the State agency to handle discrimination grievances or complaints. All complaints received by State agencies which allege discrimination based on race, color, national origin, or age shall be referred to the Secretary of Agriculture or the Director of the Office of Equal Opportunity, USDA. A State agency may process complaints which allege discrimination based on sex or handicap if grievance procedures are in place.

[59 FR 11517, Mar. 11, 1994, as amended at 73 FR 65249, Nov. 3, 2008]

Locally grown shall mean produce grown only within a State's borders but may be defined to include border areas in adjacent States. Under no circumstances can produce grown outside of the United States and its territories be considered eligible foods.

(b) *The value of the Federal benefits received.* The value of the Federal FMNP benefit received by each recipient, or by each family within a household in those States which elect to issue benefits on a household basis under § 248.6(c) may not be less than \$10 per year nor more than \$30 per year.

[59 FR 11517, Mar. 11, 1994, as amended at 60 FR 49746, Sept. 27, 1995; 73 FR 65250, Nov. 3, 2008]

§ 248.9 Nutrition education.

(a) *Goals.* Nutrition education shall emphasize the relationship of proper nutrition to the total concept of good health, including the importance of consuming fresh fruits and vegetables.

(b) *Requirement.* The State agency shall integrate nutrition education into FMNP operations and may satisfy nutrition education requirements through coordination with other agencies within the State. Such other agencies may include the WIC Program which routinely offers nutrition education to participants and which may wish to use the opportunity of the FMNP to reinforce nutrition messages. State agencies wishing to coordinate nutrition education with WIC shall enter into a written cooperative agreement with WIC agencies to offer nutrition education relevant to the use and nutritional value of foods available to FMNP recipients. In cases where relevant WIC nutrition education sessions are used to meet this requirement, reimbursement to the WIC local agency shall not be permitted. In cases where FMNP recipients are not receiving relevant nutrition education from the WIC Program, the State agency shall arrange alternative methods for the provision of such nutrition education which is an allowable cost under the FMNP.

Subpart D—Recipient Benefits**§ 248.8 Level of benefits and eligible foods.**

(a) *General.* State agencies shall identify in the State Plan the fresh, nutritious, unprepared, locally grown fruits, vegetables and herbs which are eligible for purchase under the FMNP. Ineligible foods for the purpose of the FMNP include, but are not limited to: honey, maple syrup, cider, nuts and seeds, eggs, cheese, meat and seafood.

Subpart E—State Agency Provisions**§ 248.10 Coupon and market management.**

(a) *General.* This section sets forth State agency responsibilities regarding the authorization of farmers, farmers' markets, and roadside stands. The State agency is responsible for the fiscal management of, and accountability for, FMNP-related activities for farmers, farmers' markets and roadside stands. Each State agency may decide whether to authorize farmers individually, farmers' markets, roadside stands, or all of the above. All contracts or agreements entered into by the State agency for the management or operation of farmers, farmers' markets and roadside stands shall conform with the requirements of 2 CFR part 200, subpart D and Appendix II, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards and USDA implementing regulations 2 CFR part 400 and 415.

(1) Only farmers, farmers' markets and roadside stands authorized by the State agency may redeem FMNP coupons. Only farmers authorized by the State agency or that have a valid agreement with an authorized farmers' market may redeem coupons.

(2) The State agency shall establish criteria for the authorization of individual farmers, farmers' markets and roadside stands. Any authorized farmer, farmers' market and roadside stand must agree to sell recipients only those foods identified as eligible by the State agency, in exchange for FMNP coupons. Individuals who exclusively sell produce grown by someone else, such as wholesale distributors, cannot be authorized to participate in the FMNP, except individuals employed by a farmer otherwise qualified under these regulations, or individuals hired by a non-profit organization to sell produce at farmers' markets or roadside stands on behalf of local farmers.

(3) The State agency shall ensure that an appropriate number of farmers, farmers' markets and/or roadside stands are authorized for adequate recipient access in the area(s) proposed to be served and for effective management of the farmers, farmers' markets

and/or roadside stands by the State agency. The State agency may establish criteria to limit the number of authorized farmers, farmers' markets and/or roadside stands.

(4) The State agency shall ensure that face-to-face training is conducted prior to start up of the first year of FMNP participation of a farmers' market and individual farmer. The face-to-face training shall include at a minimum those items listed in paragraph (d) of this section.

(5) Authorized farmers shall display a sign stating that they are authorized to redeem FMNP coupons.

(7) The State agency shall ensure that there is no conflict of interest between the State or local agency and any participating farmer, farmers' market and roadside stand.

(b) *Farmers' market agreements.* The State agency shall ensure that all participating farmers' markets enter into written agreements with the State agency. The agreement shall be signed by a representative who has legal authority to obligate the farmer, farmers' market and/or roadside stand. The agreement shall be signed by a representative who has legal authority to obligate the farmers/farmers' market. Agreements shall include a description of sanctions for noncompliance with FMNP requirements and shall contain at a minimum, the following specifications, although the State agency may determine the exact wording to be used:

(1) The farmer, farmers' market and roadside stand shall:

(i) Provide such information as the State agency may require for its periodic reports to FNS;

In those cases where the agreement is between the State agency and the farmer, each transacted FMNP coupon shall contain a farmer identifier and shall be batched for reimbursement under that identifier. In those cases where the agreement is between the State agency and the farmers' market, each transacted FMNP coupon shall contain a farmer identifier and be batched for reimbursement under a farmers' market identifier.

(iii) Issue cash change for purchases that are in an amount less than the value of the FMNP coupon(s).

(3) Neither the State agency nor the farmer, farmers' market nor a roadside stand has an obligation to renew the

agreement. Either the State agency or the farmer, farmers' market or a roadside stand may terminate the agreement for cause after providing advance written notification.

(4) The State agency may deny payment to the farmer, farmers' market or roadside stand for improperly redeemed FMNP coupons and may demand refunds for payments already made on improperly redeemed coupons.

(5) The State agency may disqualify a farmer, farmers' market or roadside stand for FMNP abuse. The farmer, farmers' market and/or roadside stand has the right to appeal a denial of an application to participate, a disqualification, or a FMNP sanction by the State agency. Expiration of a contract or agreement with a farmer, farmers' market or roadside stand, and claims actions under § 248.20, are not appealable.

(6) A farmer, farmers' market or a roadside stand which commits fraud or engages in other illegal activity is liable to prosecution under applicable Federal, State or local laws.

(7) Agreements may not exceed 3 years.

(c) *Farmer agreements for State agencies which do not authorize farmers.* Those State agencies which authorize farmers' markets but not individual farmers shall require authorized farmers' markets to enter into a written agreement with each farmer within the market that is participating in FMNP. The State agency shall set forth the required terms for the agreement and provide a sample agreement which may be used.

(d) *Annual training for farmers/farmers' market managers.* State agencies shall conduct annual training for farmers/farmers' market managers participating in the FMNP. The State agency shall conduct a face-to-face training for all farmers and farmers' market managers who have never previously participated in the program prior to their commencing participation in the FMNP. After a farmer/farmers' market manager's first year of FMNP operation, State agencies have discretion in determining the method used for annual training purposes. At a minimum, annual training shall include instruction emphasizing:

§ 248.10**7 CFR Ch. II (1-1-25 Edition)**

(1) Eligible food choices;

(2) Proper FMNP coupon redemption procedures, including deadlines for submission of coupons for payment;

(3) Equitable treatment of FMNP recipients, including the availability of produce to FMNP recipients that is of the same quality and cost as that sold to other customers;

(4) Civil rights compliance and guidelines;

(5) Guidelines for storing FMNP coupons safely; and

(6) Guidelines for cancelling FMNP coupons, such as punching holes or rubber stamping.

(e) *Monitoring and review of farmers, farmers' markets, roadside stands and local agencies.* The State agency shall be responsible for the monitoring of farmers, farmers' markets, roadside stands and local agencies within its jurisdiction. This shall include developing a system for identifying high risk farmers, farmers' markets, and roadside stands and ensuring on-site monitoring, conducting further investigation, and sanctioning of such farmers, farmers' markets, or roadside stands as appropriate.

(1) Where coupon reimbursement responsibilities are delegated to farmers' market managers, farmers' market associations, or nonprofit organizations, the State agency may establish bonding requirements for these entities. Costs of such bonding are not reimbursable administrative expenses.

(2) Each State agency shall rank participating farmers, farmers' markets and roadside stands by risk factors, and shall conduct annual, on-site monitoring of at least 10 percent of farmers, 10 percent of farmers' markets and 10 percent of roadside stands which shall include those farmers, farmers' markets and roadside stands identified as being the highest risk. Mandatory high-risk indicators are a proportionately high volume of FMNP coupons redeemed by a farmer as compared to other farmers within the farmers' market and within the State, recipient complaints, and farmers and farmers' markets in their first year of FMNP operation. States are encouraged to formally establish other high risk indicators for identifying potential problems. If additional high risk indicators

are established, they shall be set forth in the farmers/farmers' market agreement and in the State Plan. If application of the high-risk indicators results in fewer than 10 percent of farmers and farmers' markets as high-risk, the State agency shall randomly select additional farmers and farmers' markets to be monitored in order to meet the 10 percent minimum. The high-risk indicators listed above generally apply to a State agency already participating in the FMNP. A State agency participating in the FMNP for the first time shall, in lieu of applying the high-risk indicators, randomly select 10 percent of its participating farmers, 10 percent of its participating farmers' markets, and 10 percent of its participating roadside stands for monitoring visits.

(3) The following shall be documented for all on-site farmers, farmers' markets, and roadside stands monitoring visits. At a minimum, documentation must include the names of the farmer, farmers' market or roadside stand and the reviewer; date of review; nature of problem(s) detected or the observation that the farmer, farmers' market or roadside stand appears to be in compliance with FMNP requirements; a record of interviews with recipients, market managers and/or farmers; and the signature of the reviewer. The State agency shall do so after a reasonable delay when necessary to protect the identity of the reviewer(s) or the integrity of the investigation. After the farmer/farmers' market has been informed of any deficiencies detected by the monitoring visit, and instances where the farmer/farmers' market will be permitted to continue participation, the farmer/farmers' market shall provide plans as to how the deficiencies will be corrected.

(4) At least every 2 years, the State agency shall review all local agencies within its jurisdiction. WIC State agency reviews of WIC local agencies, which include reviews of FMNP practices, may contribute to meeting the requirement that all local agencies be reviewed once every 2 years.

(f) *Control of FMNP coupons.* (1) The State agency shall control and provide accountability for the receipt and issuance of FMNP coupons.

Food and Nutrition Service, USDA**§ 248.10**

(2) The State agency shall ensure that there is secure transportation and storage of unissued FMNP coupons.

(3) The State agency shall design and implement a system of review of FMNP coupons to detect errors. At a minimum, the errors the system must detect are a missing recipient signature, a missing farmer and/or market identification, and redemption by a farmer outside of the valid date. The State agency shall implement procedures to reduce the number of errors in transactions, where possible.

(g) *Payment to farmers/farmers' markets.* The State agency shall ensure that farmers/ farmers' markets are promptly paid for food costs.

(h) *Reconciliation of FMNP coupons.* The State agency shall identify the disposition of all FMNP coupons as validly redeemed, lost or stolen, expired, or not matching issuance records. Validly redeemed FMNP coupons are those that are issued to a valid recipient and redeemed by an authorized farmers/ farmers' market within valid dates. FMNP coupons that were redeemed but cannot be traced to a valid recipient or authorized farmer/farmers' market shall be subject to claims action in accordance with § 248.20. (1) If the State agency elects to replace lost, stolen or damaged FMNP coupons, it must describe its system for doing so in the State Plan.

(2) The State agency shall use uniform FMNP coupons within its jurisdiction.

(3) FMNP coupons must include, at a minimum, the following information:

(i) The last date by which the recipient may use the coupon. This date shall be no later than November 30 of each year.

(ii) A date by which the farmer or farmers' market must submit the coupon for payment. When establishing this date, State agencies shall take into consideration the date financial statements are due to the FNS, and allow time for the corresponding coupon reconciliation that must be done by the State agency prior to submission of financial statements. Currently, financial statements are due to FNS by January 30.

(iii) A unique and sequential serial number.

(iv) A denomination (dollar amount).

(v) A farmer identifier for the redeeming farmer when agreements are between the State agency and the farmer.

(vi) In those instances where State agencies have agreements with farmers' markets, there must be a farmer identifier on each coupon and a market identifier on the cover of coupons which are batched by the market manager for reimbursement.

(i) *Instructions to recipients.* Each recipient shall receive instructions on the proper use and redemption of the FMNP coupons, including, but not limited to:

(1) A list of names and addresses of authorized farmers, farmers' markets and roadside stands at which FMNP coupons may be redeemed.

(2) A description of eligible foods and the prohibition against cash change.

(3) An explanation of their right to complain about improper farmer/farmers' market practices with regard to FMNP responsibilities and the process for doing so.

(j) *Recipients and farmer/farmers' market complaints.* The State agency shall have procedures which document the handling of complaints by recipients and farmers/farmers' markets. Complaints of civil rights discrimination shall be handled in accordance with § 248.7(b).

(k) *Recipients and farmer/farmers' market sanctions.* The State agency shall establish policies which determine the type and level of sanctions to be applied against recipients and farmers/ farmers' markets, based upon the severity and nature of the FMNP violations observed, and such other factors as the State agency determines appropriate, such as whether repeated offenses have occurred over a period of time. Farmers/farmers' markets may be sanctioned, disqualified, or both, when appropriate. Sanctions may include fines for improper FMNP coupon redemption procedures and the penalties outlined in § 248.20, in case of deliberate fraud. In those instances where compliance purchases are conducted, the results of covert compliance purchases can be a basis for farmer/farmers' market sanctions. A farmer/farmers' market committing fraud or other

§ 248.11

7 CFR Ch. II (1-1-25 Edition)

unlawful activities is liable to prosecution under applicable Federal, State or local laws. State agency policies shall ensure that a farmer that is disqualified from the FMNP at one market or roadside stand shall not participate in the FMNP at any other farmers' market or roadside stand in the State's jurisdiction during the disqualification period.

§ 248.11 Financial management system.

(a) *Disclosure of expenditures.* The State agency shall maintain a financial management system which provides accurate, current and complete disclosure of the financial status of the FMNP. This shall include an accounting for all property and other assets and all FMNP funds received and expended each fiscal year.

(b) *Internal controls.* The State agency shall maintain effective controls over and accountability for all FMNP funds. The State agency must have effective internal controls to ensure that expenditures financed with FMNP funds are authorized and properly chargeable to the FMNP.

(c) *Record of expenditures.* The State agency shall maintain records which adequately identify the source and use of funds expended for FMNP activities. These records shall contain, but are not limited to, information pertaining to authorization, receipt of funds, obligations, unobligated balances, assets, liabilities, outlays, and income.

(d) *Payment of costs.* The State agency shall implement procedures which ensure prompt and accurate payment of allowable costs, and ensure the allowability and allocability of costs in accordance with the cost principles and standard provisions of this part, 2 CFR part 200, subparts D and E and USDA implementing regulations 2 CFR part 400 and part 415, and FNS guidelines and Instructions.

(e) *Identification of obligated funds.* The State agency shall implement procedures which accurately identify obligated FMNP funds at the time the obligations are made.

(f) *Resolution of audit findings.* The State agency shall implement proce-

dures which ensure timely and appropriate resolution of claims and other matters resulting from audit findings and recommendations.

(g) *Reconciliation of food instruments.* The State agency shall reconcile FMNP coupons in accordance with § 248.10(h).

(h) *Transfer of cash.* The State agency shall establish the timing and amounts of its cash draws against its Letter of Credit in accordance with 31 CFR part 205.

[59 FR 11517, Mar. 11, 1994, as amended at 60 FR 49747, Sept. 27, 1995; 81 FR 66496, Sept. 28, 2016]

§ 248.12 FMNP costs.

(a) *General—(1) Composition of allowable costs.* In general, a cost item will be deemed allowable if it is reasonable and necessary for FMNP purposes and otherwise satisfies allowability criteria set forth in 2 CFR part 200, subpart E and USDA implementing regulations 2 CFR part 400 and part 415 and this part. FMNP purposes include the administration and operation of the FMNP. Program costs supported by State matching contributions must meet the same criteria for allowability as costs supported by Federal funds. Allowable FMNP costs may be classified as follows:

(i) *Food costs and administrative costs.* Food costs are the costs of food benefits provided to FMNP recipients. Administrative costs are the costs associated with providing FMNP benefits and services to recipients and generally administering the FMNP. Specific examples of allowable administrative costs are listed in paragraph (b) of this section. Except as provided in § 248.14(g) of this part, a State agency's administrative costs under the FMNP may not exceed 17 percent of its total FMNP costs. Any costs incurred for food and/or administration above the Federal grant level will be the State agency's responsibility.

(ii) *Market development or technical assistance costs.* Market development or technical assistance costs are those costs under § 248.14(h) incurred to promote the development of farmers' markets in socially or economically disadvantaged areas, or remote rural areas, where individuals eligible for

Food and Nutrition Service, USDA**§ 248.13**

participation in the program have limited access to locally grown fruits and vegetables. Subject to a determination by the Secretary under § 248.14(h), a State agency may, during any fiscal year, use not more than 2 percent of total program funds for such market development or technical assistance.

(iii) *Direct and indirect costs.* Direct costs are food and administrative costs incurred specifically for the FMNP. Indirect costs are administrative costs that benefit multiple programs or activities, and cannot be identified to any one without effort disproportionate to the results achieved. In accordance with the provisions of 2 CFR part 200, subpart E and USDA implementing regulations 2 CFR part 400 and part 415, a claim for reimbursement of indirect costs shall be supported by an approved allocation plan for the determination of such costs. An indirect cost rate developed through such an allocation plan may not be applied to a base that includes food costs.

(2) *Costs allowable with prior approval.* A State or local agency must obtain prior approval in accordance with 2 CFR part 200, subpart E and USDA implementing regulations 2 CFR part 400 and part 415 before charging to the FMNP any capital expenditures and other cost items designated by 2 CFR part 200, subpart E and USDA implementing regulations 2 CFR part 400 and part 415 as requiring such approval.

(3) *Unallowable costs.* Costs that are not reasonable and necessary for FMNP purposes, or that do not otherwise satisfy the cost principles of 2 CFR part 200, subpart E, and USDA implementing regulations 2 CFR parts 400 and 415, are unallowable. Notwithstanding any other provision of 2 CFR part 200, subparts D and E, and USDA implementing regulations 2 CFR parts 400 and 415, the cost of constructing or operating a farmers' market is unallowable. Unallowable costs may never be claimed for Federal reimbursement or counted toward the State matching requirement.

(b) *Specified allowable administrative costs.* Allowable administrative costs include the following:

(1) The costs associated with the provision of nutrition education which

meets the requirements of § 248.9 of this part.

(2) The costs of FMNP coupon issuance, or recipient education covering proper coupon redemption procedures.

(3) The cost of outreach services.

(4) The costs associated with the food delivery process, such as printing FMNP coupons, processing redeemed coupons, and training market managers on the food delivery system.

(5) The cost of monitoring and reviewing Program operations.

(6) The cost of FMNP training.

(7) The cost of required reporting and recordkeeping.

(8) The cost of determining which local WIC sites will be utilized.

(9) The cost of recruiting and authorizing farmers/farmers' markets to participate in the FMNP.

(10) The cost of preparing contracts for farmers/farmers' markets and local WIC providers.

(11) The cost of developing a data processing system for redemption and reconciliation of FMNP coupons.

(12) The cost of designing program training and informational materials.

(13) The cost of coordinating FMNP implementation responsibilities between designated administering agencies.

[59 FR 11517, Mar. 11, 1994, as amended at 60 FR 49747, Sept. 27, 1995; 81 FR 66496, Sept. 28, 2016; 83 FR 14174, Apr. 3, 2018]

§ 248.13 FMNP income.

Program income means gross income the State agency earns from grant supported activities. It includes fees for services performed and receipts from the use or rental of real or personal property acquired with Federal grant funds, but does not include proceeds from the disposition of such property. The State agency shall retain Program income earned during the agreement period and use it for Program purposes in accordance with the addition method described in 2 CFR part 200, subpart D and USDA implementing regulations 2 CFR part 400 and part 415. Fines, penalties or assessments paid by local agencies or farmers/farmers' markets are also deemed to be FMNP income. The State agency shall ensure that the

§ 248.14

sources and applications of Program income are fully documented.

[59 FR 11517, Mar. 11, 1994, as amended at 81 FR 66496, Sept. 28, 2016]

§ 248.14 Distribution of funds.

(a) *Conditions for receipt of Federal funds*—(1) *Matching of funds*—(i) *Match amount*. As a prerequisite to the receipt of Federal funds, a State agency must agree to contribute State, local or private funds, or program income, equal to not less than 30 percent of the total administrative FMNP cost. The Secretary may negotiate a lower percentage of matching funds, but not lower than 10 percent of the administrative cost of the program, in the case of an Indian State agency that demonstrates to the Secretary financial hardship for the affected Indian tribe, band, group, or council. The State agency may contribute more than the minimum amount. State, local or private funds for similar programs as defined in § 248.2 may satisfy the State matching requirement.

(ii) *Sources of matching contributions*. A State agency may count any form of contribution authorized by 2 CFR part 200, subpart D and USDA implementing regulations 2 CFR part 400 and part 415 toward the State matching requirement including in-kind contributions.

(iii) *Failure to match*. A State agency's failure to meet the State matching requirement will result in the establishment of a claim for the amount of Federal grant funds not matched. The matching requirement will be considered satisfied if State or other non-Federal matching contributions reported on the final closeout report (required by § 248.15(a)) amount to at least 30 percent of the administrative costs. This match amount may be lower for those Indian State agencies that have demonstrated to the Secretary financial hardship as set forth in paragraph (a)(1)(i) of this section.

(2) *State Plan and agreement*. A State agency shall have its State Plan approved and shall execute an agreement with the Department in accordance with § 248.3(c) of this part.

(b) *Distribution of FMNP funds to previously participating State agencies*. Provided that sufficient FMNP funds are available, each State agency that par-

ticipated in the FMNP in any prior fiscal year, shall receive not less than the amount of funds the State agency received in the most recent fiscal year in which it received funding, if it otherwise complies with the requirements established in this part.

(c) *Ratable reduction*. If amounts appropriated for any fiscal year for grants under the FMNP are not sufficient to pay to each previously participating State agency at least an amount as identified in paragraph (b) of this section, each State agency's grant shall be ratably reduced, except that, to the extent permitted by available funds, each State agency shall receive at least \$75,000 or the amount that the State agency received for the most recent prior fiscal year in which the State participated, if that amount is less than \$75,000.

(d) *Expansion of participating State agencies and establishment of new State agencies*. Any FMNP funds remaining for allocation after meeting the requirements of paragraph (b) of this section shall be allocated in the following manner:

(1) Of the remaining funds, 75 percent shall be made available to State agencies already participating in the FMNP that wish to serve additional recipients. If this amount is greater than that necessary to satisfy all State plans approved for additional recipients, the unallocated amount shall be applied toward satisfying any unmet need in paragraph (d)(2) of this section.

(2) Of the remaining funds, 25 percent shall be made available to State agencies that have not participated in the FMNP in any prior fiscal year. If this amount is greater than that necessary to satisfy the approved State Plans for new States, the unallocated amount shall be applied toward satisfying any unmet need in paragraph (d)(1) of this section. The Department reserves the right not to fund every State agency with an approved State Plan.

(3) In any fiscal year, any FMNP funds that remain unallocated after satisfying the requirements of paragraphs (d)(1) and (d)(2) of this section, shall be reallocated in accordance with paragraph (k) of this section.

Food and Nutrition Service, USDA**§ 248.15**

(e) *Expansion for current State agencies.* In providing funds to State agencies that participated in the FMNP in the previous fiscal year, the Department shall consider on a case-by-case basis, the following:

(1) Whether the State agency utilized at least 80 percent of its prior year food grant. States that did not spend at least 80 percent of their prior year food grant may still be eligible for expansion funding if, in the judgment of the Department, good cause existed which was beyond the management control of the State, such as severe weather conditions, or unanticipated decreases in participant caseload in the WIC Program.

(2) Documentation supporting the funds expansion request as outlined in § 248.4(a)(19).

(f) *Funding of new State agencies.* Funds will be awarded to new State agencies in accordance with § 248.5.

(g) *Administrative funding.* A State agency shall have available for administrative costs an amount not greater than 17 percent of total FMNP funds. The 17 percent administrative cost limitation shall not apply to any funds that a State agency may contribute in excess of its minimum matching requirement. A State agency may use any non-Federal contributions in excess of the 30 percent (or the negotiated percentage for those Indian State agencies that received a lower amount) matching requirement for food and/or administrative costs.

(h) *Market development.* A State agency shall be permitted to use not more than 2 percent of total program funds for market development or technical assistance to farmers' markets if the Secretary determines that the State intends to promote the development of farmers' markets in socially or economically disadvantaged areas, or remote rural areas, where individuals eligible for participation in the program have limited access to locally grown fruits and vegetables.

(i) *Transfer of funds.* A State agency may use not more than 5 percent of the Federal FMNP funds made available for the fiscal year to reimburse expenses incurred by the FMNP during a preceding fiscal year. The State agency shall provide such justification for its

request to spend back funds under this paragraph as FNS may require.

(j) *Recovery of unused funds.* State agencies shall return to FNS any unexpended funds made available for a fiscal year by February 1 of the following fiscal year.

(k) *Reallocation of funds.* Any funds recovered under paragraphs (d)(3) and (j) of this section will be reallocated in accordance with the appropriate method determined by FNS.

[59 FR 11517, Mar. 11, 1994, as amended at 60 FR 49747, Sept. 27, 1995; 60 FR 57148, Nov. 14, 1995; 64 FR 48076, Sept. 2, 1999; 73 FR 65251, Nov. 3, 2008; 81 FR 66496, Sept. 28, 2016]

§ 248.15 Closeout procedures.

(a) *General.* State agencies shall submit to FNS a final closeout report for the fiscal year on a form prescribed by FNS on a date specified by FNS.

(b) *Grant closeout procedures.* When grants to State agencies are terminated, the following procedures shall be performed in accordance with 2 CFR part 200, subpart D and USDA implementing regulations 2 CFR part 400 and part 415.

(1) FNS may disqualify a State agency's participation under the FMNP, in whole or in part, or take such remedies as may be appropriate, whenever FNS determines that the State agency failed to comply with the conditions prescribed in this part, in its Federal-State Agreement, or in FNS guidelines and instructions. FNS will promptly notify the State agency in writing of the disqualification together with the effective date.

(2) FNS may disqualify the State agency or restrict its participation in the FMNP when both parties agree that continuation under the FMNP would not produce beneficial results commensurate with the further expenditure of funds.

(3) Upon termination of a grant, the affected agency shall not incur new obligations after the effective date of the disqualification, and shall cancel as many outstanding obligations as possible. FNS will allow full credit to the State agency for the Federal share of the noncancelable obligations properly incurred by the State agency prior

§ 248.16

7 CFR Ch. II (1-1-25 Edition)

to disqualification, and the State agency shall do the same for farmers/farmers' markets.

(4) A grant closeout shall not affect the retention period for, or Federal rights of access to, FMNP records as specified in § 248.24(b) and (c). The closeout of a grant does not affect the responsibilities of the State agency regarding property or with respect to any FMNP income for which the State agency is still accountable.

(5) A final audit is not a required part of the grant closeout and should not be needed unless there are problems with the grant that require attention. If FNS considers a final audit to be necessary, it shall so inform OIG. OIG will be responsible for ensuring that necessary final audits are performed and for any necessary coordination with other Federal cognizant audit agencies or State or local auditors. Audits performed in accordance with § 248.18 may serve as final audits providing such audits meet the needs of requesting agencies. If the grant is closed out without an audit, FNS reserves the right to disallow and recover an appropriate amount after fully considering any recommended disallowances resulting from an audit which may be conducted later.

[59 FR 11517, Mar. 11, 1994, as amended at 81 FR 66496, Sept. 28, 2016]

§ 248.16 Administrative appeal of State agency decisions.

(a) *Requirements.* The State agency shall provide a hearing procedure whereby recipients, local agencies and farmers/farmers' markets adversely affected by certain actions of the State agency may appeal those actions. A recipient may appeal disqualification/suspension of FMNP benefits. A local agency may appeal an action of the State agency disqualifying it from participating in the FMNP. A farmer/farmers' market may appeal an action of the State agency denying its application to participate, imposing a sanction, or disqualifying it from participating in the FMNP. Expiration of a contract or agreement shall not be subject to appeal.

(b) *Postponement pending decision.* An adverse action may, at the State agency's option, be postponed until a decision in the appeal is rendered.

(1) In a case where an adverse action affects a local agency or farmer/farmers' market, a postponement is appropriate where the State agency finds that recipients would be unduly inconvenienced by the adverse action. In addition, the State agency may determine other relevant criteria to be considered in deciding whether or not to postpone an adverse action.

(2) In a case where a recipient appeals the termination of benefits, that recipient shall continue to receive FMNP benefits until the hearing official reaches a decision or the expiration of the current FMNP season, whichever occurs first. Applicants who are denied benefits may appeal the denial, but shall not receive benefits while awaiting the decision.

(c) *Procedure.* The State agency hearing procedure shall at a minimum provide the recipient, local agency or farmer/farmers' market with the following:

(1) Written notification of the adverse action, the cause(s) for the action, and the effective date of the action, including the State agency's determination of whether the action shall be postponed under paragraph (b) of this section if it is appealed, and the opportunity for a hearing. Such notification shall be provided within a reasonable timeframe established by the State agency and in advance of the effective date of the action.

(2) The opportunity to appeal the action within the time specified by the State agency in its notification of adverse action.

(3) Adequate advance notice of the time and place of the hearing to provide all parties involved sufficient time to prepare for the hearing.

(4) The opportunity to present its case and at least one opportunity to reschedule the hearing date upon specific request. The State agency may set standards on how many hearing dates can be scheduled, provided that a minimum of two hearing dates is allowed.

(5) The opportunity to confront and cross-examine adverse witnesses.

(6) The opportunity to be represented by counsel, or in the case of a recipient

appeal, by a representative designated by the recipient, if desired.

(7) The opportunity to review the case record prior to the hearing.

(8) An impartial decision maker, whose decision as to the validity of the State agency's action shall rest solely on the evidence presented at the hearing and the statutory and regulatory provisions governing the FMNP. The basis for the decision shall be stated in writing, although it need not amount to a full opinion or contain formal findings of fact and conclusions of law.

(9) Written notification of the decision in the appeal, within 60 days from the date of receipt of the request for a hearing by the State agency.

(d) *Continuing responsibilities.* Appealing an adverse action does not relieve a farmer/farmers' market or local agency permitted to continue in the FMNP while its appeal is pending, from responsibility for continued compliance with the terms of the written agreement or contract with the State agency.

(e) *Judicial review.* If a State level decision is rendered against the recipient, local agency or farmer/farmers' market and the appellant expresses an interest in pursuing a further review of the decision, the State agency shall explain any further State level review of the decision and any available State level rehearing process. If neither is available or both have been exhausted, the State agency shall explain the right to pursue judicial review of the decision.

(f) *Additional appeals procedures for State agencies which authorize farmers' markets and not individual farmers.* A State agency which authorizes farmers' markets and not individual farmers shall ensure that procedures are in place to be used when a farmer seeks to appeal an action of a farmers' market or association denying the farmer's application to participate, or sanctioning or disqualifying the farmer. The procedures shall be set forth in the State Plan and in the agreements entered by the State agency and the farmers' market and the farmers' market and the farmer.

Subpart F—Monitoring and Review of State Agencies

§ 248.17 Management evaluations and reviews.

(a) *General.* FNS and each State agency shall establish a management evaluation system in order to assess the accomplishment of FMNP objectives as provided under these regulations, the State Plan, and the written agreement with the Department. FNS will provide assistance to State agencies in discharging this responsibility, and will establish standards and procedures to determine how well the objectives of this part are being accomplished, and implement sanction procedures as warranted by State FMNP performance.

(b) *Responsibilities of FNS.* FNS shall establish evaluation procedures to determine whether State agencies carry out the purposes and provisions of this part, the State Plan, and the written agreement with the Department. As a part of the evaluation procedure, FNS shall review audits to ensure that the FMNP has been included in audit examinations at a reasonable frequency. These evaluations shall also include reviews of selected local agencies, and on-site reviews of selected farmers, farmers' markets and roadside stands. These evaluations will measure the State agency's progress toward meeting the objectives outlined in its State Plan and the State agency's compliance with these regulations.

(1) If FNS determines that the State agency has failed, without good cause, to demonstrate efficient and effective administration of its FMNP or has failed to comply with the requirements contained in this section or the State Plan, FNS may withhold an amount up to 100 percent of the State agency's administrative grant.

(2) Sanctions imposed upon a State agency by FNS in accordance with this section (but not claims for repayment assessed against a State agency) may be appealed in accordance with the procedures established in § 248.20. Before carrying out any sanction against a State agency, the following procedures will be followed:

(i) FNS will notify the chief departmental officer of the administering agency in writing of the deficiencies

§ 248.17

7 CFR Ch. II (1-1-25 Edition)

found and of FNS' intention to withhold administrative funds unless an acceptable corrective action plan is submitted by the State agency to FNS within 45 days after mailing of notification.

(ii) The State agency shall develop a corrective action plan, including timeframes for implementation to address the deficiencies and prevent their future recurrence.

(iii) If the corrective action plan is acceptable, FNS will notify the chief departmental officer of the administering agency in writing within 30 days of receipt of the plan. The letter will advise the State agency of the sanctions to be imposed if the corrective action plan is not implemented according to the schedule set forth in the approved plan.

(iv) Upon notification from the State agency that corrective action has been taken, FNS will assess such action, and if necessary, perform a follow-up review to determine if the noted deficiencies have been corrected. FNS will then advise the State agency of whether the actions taken are in compliance with the corrective action plan, and whether the deficiency is resolved or further corrective action is needed. Compliance buys can be required if, during FNS management evaluations by regional offices, a State agency is found to be out of compliance with its responsibility to monitor and review farmers, farmers' markets and roadside stands.

(v) If an acceptable corrective action plan is not submitted within 45 days, or if corrective action is not completed according to the schedule established in the corrective action plan, FNS may withhold the award of FMNP administrative funds. If the 45-day warning period ends in the fourth quarter of a fiscal year, FNS may elect not to withhold funds until the next fiscal year. FNS will notify the chief departmental officer of the administering State agency.

(vi) If compliance is achieved before the end of the fiscal year in which the FMNP administrative funds are withheld, the funds withheld may be restored to the State agency. FNS is not required to restore funds withheld be-

yond the end of the fiscal year for which the funds were initially awarded.

(c) *Responsibilities of State agencies.* The State agency is responsible for meeting the following requirements:

(1) The State agency shall establish evaluation and review procedures and document the results of such procedures. The procedures shall include, but are not limited to:

(i) Annual monitoring reviews of participating farmers, farmers' markets and roadside stands, including on-site reviews of a minimum of 10 percent of farmers, 10 percent of farmers' markets, and 10 percent of roadside stands, which includes those farmers, farmers' markets, and roadside stands identified as being the highest risk. First year of operation in the FMNP shall be considered a high-risk indicator. More frequent reviews may be performed as the State agency deems necessary.

(ii) Conducting monitoring reviews of all local agencies within the State agency's jurisdiction at least once every 2 years. Monitoring of local agencies shall encompass, but not be limited to, evaluation of management, accountability, certification, nutrition education, financial management systems, and coupon management systems. WIC State agency reviews of local agencies conducted for the WIC Program may contribute to meeting the FMNP requirement that all local agencies be reviewed once every two years if the reviews include reviews of FMNP practices. When the WIC State agency conducts a review of the local agency outside of the FMNP season, a review of documents and procedural plans of the FMNP, rather than actual FMNP activities, is acceptable.

(iii) Instituting the necessary follow-up procedures to correct identified problem areas.

(2) On its own initiative or when required by FNS, the State agency shall provide special reports on FMNP activities, and take positive action to correct deficiencies in FMNP operations.

Food and Nutrition Service, USDA**§ 248.20****§ 248.18 Audits.**

(a) *Federal access to information.* The Secretary, the Comptroller General of the United States, or any of their duly authorized representatives, or duly authorized State auditors shall have access to any books, documents, papers, and records of the State agency and their contractors, for the purpose of making surveys, audits, examinations, excerpts, and transcripts.

(b) *State agency response.* The State agency may take exception to particular audit findings and recommendations. The State agency shall submit a response or statement to FNS as to the action taken or planned regarding the findings. A proposed corrective action plan developed and submitted by the State agency shall include specific time frames for its implementation and for completion of the correction of deficiencies and problems leading to the deficiencies.

(c) *Corrective action.* FNS shall determine whether FMNP deficiencies identified in an audit have been adequately corrected. If additional corrective action is necessary, FNS shall schedule a follow-up review, allowing a reasonable time for such corrective action to be taken.

(d) *State sponsored audits.* State and local agencies shall conduct independent audits in accordance with 2 CFR part 200, subpart F and Appendix XI Compliance Supplement and USDA implementing regulations 2 CFR part 400 and part 415, as applicable. A State or local agency may elect to obtain either an organization-wide audit or an audit of the Program if it qualifies to make such an election under applicable regulations.

§ 248.19 Investigations.

(a) *Authority.* The Department may make an investigation of any allegation of noncompliance with this part and FNS guidelines and instructions. The investigation may include, where appropriate, a review of pertinent practices and policies of any State and local agency, the circumstances under which the possible noncompliance with this part occurred, and other factors

relevant to a determination as to whether the State and local agency has failed to comply with the requirements of this part.

(b) *Confidentiality.* No State or local agency, recipient, or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege under this part because that person has made a complaint or formal allegation, or has testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of every complainant shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conducting of any investigation, hearing, or judicial proceeding.

Subpart G—Miscellaneous Provisions**§ 248.20 Claims and penalties.**

(a) *Claims against State agencies.* (1) If FNS determines through a review of the State agency's reports, program or financial analysis, monitoring, audit, or otherwise, that any FMNP funds provided to a State agency for food or administrative purposes were, through State agency negligence or fraud, misused or otherwise diverted from FMNP purposes, a formal claim will be assessed by FNS against the State agency. The State agency shall pay promptly to FNS a sum equal to the amount of the administrative funds or the value of coupons so misused or diverted.

(2) If FNS determines that any part of the FMNP funds received by a State agency; or coupons, were lost as a result of theft, embezzlement, or unexplained causes, the State agency shall, on demand by FNS, pay to FNS a sum equal to the amount of the money or the value of the FMNP coupons so lost.

(3) The State agency shall have full opportunity to submit evidence, explanation or information concerning alleged instances of noncompliance or diversion before a final determination is made in such cases.

(4) FNS is authorized to establish claims against a State agency for unreconciled FMNP coupons. When a

§ 248.21

7 CFR Ch. II (1-1-25 Edition)

State agency can demonstrate that all reasonable management efforts have been devoted to reconciliation and 99 percent or more of the FMNP coupons issued have been accounted for by the reconciliation process, FNS may determine that the reconciliation process has been completed to satisfaction.

(b) *Interest charge on claims against State agencies.* If an agreement cannot be reached with the State agency for payment of its debts or for offset of debts on its current Letter of Credit within 30 days from the date of the first demand letter from FNS, FNS will assess an interest (late) charge against the State agency. Interest accrual shall begin on the 31st day after the date of the first demand letter, bill or claim, and shall be computed monthly on any unpaid balance as long as the debt exists. From a source other than the FMNP, the State agency shall provide the funds necessary to maintain FMNP operations at the grant level authorized by FNS.

(c) *Penalties.* In accordance with section 12(g) of the National School Lunch Act, whoever embezzles, willfully misapplies, steals or obtains by fraud any funds, assets or property provided under section 17 of the Child Nutrition Act of 1966, as amended, whether received directly or indirectly from USDA, or whoever receives, conceals or retains such funds, assets or property for his or her own interest, knowing such funds, assets or property have been embezzled, willfully misapplied, stolen, or obtained by fraud shall, if such funds, assets or property are of the value of \$100 or more, be fined not more than \$10,000 or imprisoned not more than five years, or both, or if such funds, assets or property are of a value of less than \$100, shall be fined not more than \$1,000 or imprisoned for not more than one year, or both.

§ 248.21 Procurement and property management.

(a) *Requirements.* State agencies shall comply with the requirements of 2 CFR part 200, subpart D and USDA implementing regulations 2 CFR part 400 and part 415 for procurement of supplies, equipment and other services with FMNP funds. These requirements are adopted by FNS to ensure that such

materials and services are obtained for the FMNP in an effective manner and in compliance with the provisions of applicable law and executive orders.

(b) *Contractual responsibilities.* The standards contained in 2 CFR part 200, subpart D and Appendix II, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards and USDA implementing regulations 2 CFR part 400 and part 415 do not relieve the State agency of the responsibilities arising under its contracts. The State agency is the responsible authority, without recourse to FNS, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in connection with the FMNP. This includes, but is not limited to, disputes, claims, protests of award, source evaluation, or other matters of a contractual nature. Matters concerning violation of law are to be referred to such local, State or Federal authority as may have proper jurisdiction.

(c) *State regulations.* The State agency may use its own procurement regulations which reflect applicable State and local regulations, provided that procurements made with FMNP funds adhere to the standards set forth in 2 CFR part 200, subpart D and Appendix II, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards and USDA implementing regulations 2 CFR part 400 and part 415.

(d) *Property acquired with program funds.* State and local agencies shall observe the standards prescribed in 2 CFR part 200, subpart D and USDA implementing regulations 2 CFR part 400 and part 415 in their utilization and disposition of real property and equipment acquired in whole or in part with FMNP funds.

§ 248.22 Nonprocurement debarment/suspension, drug-free workplace, and lobbying restrictions.

Agencies on Government-wide Debarment and Suspension and USDA implementing regulations 2 CFR part 417), drug-free workplace (2 CFR part 182, Government-wide Requirements for Drug-Free Workplace), and the Department's regulations governing restrictions on lobbying (2 CFR part 200, subpart E and USDA implementing regulations 2 CFR part 400, part 415 and part 418), where applicable.

[81 FR 66497, Sept. 28, 2016]

§ 248.23 Records and reports.

(a) *Recordkeeping requirements.* Each State agency shall maintain full and complete records concerning FMNP operations. Such records shall comply with 2 CFR part 200, subpart D and USDA implementing regulations 2 CFR part 400 and part 415 and the following requirements:

(1) Records shall include, but not be limited to, information pertaining to financial operations, FMNP coupon issuance and redemption, equipment purchases and inventory, nutrition education, and civil rights procedures.

(2) All records shall be retained for a minimum of 3 years following the date of submission of the final expenditure report for the period to which the report pertains. If any litigation, claim, negotiation, audit or other action involving the records has been started before the end of the 3-year period, the records shall be kept until all issues are resolved, or until the end of the regular 3-year period, whichever is later. If FNS deems any of the FMNP records to be of historical interest, it may require the State agency to forward such records to FNS whenever the State agency is disposing of them.

(3) Records for nonexpendable property acquired in whole or in part with FMNP funds shall be retained for three years after its final disposition.

(4) All records shall be available during normal business hours for representatives of the Department of the Comptroller General of the United States to inspect, audit, and copy. Any reports resulting from such examinations shall not divulge names of individuals.

(b) *Financial and recipient reports.* State agencies shall submit financial and FMNP performance data on a year-

ly basis as specified by FNS and required by section 17(m)(8) of the CNA. Such information shall include, but shall not be limited to:

(1) Number and type of recipients (Federal and non-Federal).

(2) Value of coupons issued.

(3) Value of coupons redeemed.

(c) *Source documentation.* To be acceptable for audit purposes, all financial and FMNP performance reports shall be traceable to source documentation.

(d) *Certification of reports.* Financial and FMNP reports shall be certified as to their completeness and accuracy by the person given that responsibility by the State agency.

(e) *Use of reports.* FNS will use State agency reports to measure progress in achieving objectives set forth in the State Plan, and this part, or other State agency performance plans. If it is determined, through review of State agency reports, FMNP or financial analysis, or an audit, that a State agency is not meeting the objectives set forth in its State Plan, FNS may request additional information including, but not limited to, reasons for failure to achieve these objectives.

§ 248.24 Other provisions.

(a) *No aid reduction.* The value of benefits or assistance available under the FMNP shall not be considered as income or resources of recipients or their families for any purpose under Federal, State, or local laws, including, but not limited to, laws relating to taxation, welfare and public assistance programs. Section 17(m)(7)(B) of the CNA provides that any programs for which a grant is received under this subsection shall be supplementary to the food stamp program carried out under the Food Stamp Act of 1977 as amended (7 U.S.C. 2011 *et seq.*) and to any other Federal or State program under which foods are distributed to needy families in lieu of food stamps.

(b) *Statistical information.* FNS reserves the right to use information obtained under the FMNP in a summary, statistical or other form which does not identify particular individuals.

§ 248.25

(c) *Confidentiality.* The State agency shall restrict the use or disclosure of information obtained from FMNP applicants and recipients to persons directly connected with the administration or enforcement of the WIC Program or the FMNP, including persons investigating or prosecuting violations in the WIC Program or FMNP under Federal, State or local authority.

(d) *Program evaluations.* State and local FMNP agencies and contractors must cooperate in studies and evaluations conducted by or on behalf of the Department, related to programs authorized under the Richard B. Russell National School Lunch Act and the Child Nutrition Act of 1966 (42 U.S.C. 1786).
