EDITORIAL NOTE: OMB control numbers relating to this part 272 are contained in § 271.8.

§ 272.1 General terms and conditions.

(a) *Coupons do not reduce benefits.* The coupon allotment provided any eligible household shall not be considered income or resources for any purpose under any Federal, State, or local laws

§ 272.1

7 CFR Ch. II (1–1–23 Edition)

including, but not limited to, laws on taxation, welfare, and public assistance programs. No participating State or political subdivision shall decrease any assistance otherwise provided an individual or individuals because of the receipt of a coupon allotment.

(b) *No sales taxes on SNAP purchases.*

(1) A State shall not participate in SNAP if State or local sales taxes or other taxes or fees, including but not limited to excise taxes, are collected within the State on purchases made with SNAP coupons. “Purchases made with food coupons” for purposes of this provision shall refer to purchases of “eligible foods” as defined in § 271.2. Where the total value of groceries being bought by the recipient is larger than the amount of coupons being presented by the recipient, only the portion of the sale made in exchange for SNAP benefits must be exempt from taxation in order for a State to satisfy the requirements of this provision. Although a SNAP recipient may use a combination of cash and SNAP benefits in making a food purchase, only the dollar amount represented by the food coupons needs to be exempt from taxation.

(2) State and/or local law shall not permit the imposition of tax on food paid for with coupons. FNS may terminate the issuance of coupons and disallow administrative funds otherwise payable pursuant to part 277 in any State where such taxes are charged. Action to disallow administrative funds shall be taken in accordance with the procedures set forth in § 276.4.

(3) A State or local area which taxes some, but not all, eligible food items shall ensure that retail food stores in that locale sequence purchases of eligible foods paid for with a combination of coupons and cash so as to not directly or indirectly charge or assign a tax to SNAP recipients on eligible food items purchased with coupons. Prohibited methods include, but are not limited to, the allocation of coupons first to non-taxable eligible items, and the application of cash, rather than coupons, to taxable eligible food.

(c) *Disclosure.* (1) Use or disclosure of information obtained from SNAP applicant or recipient households shall be restricted to:

(i) Persons directly connected with the administration or enforcement of the provisions of the Food and Nutrition Act of 2008 or regulations, other Federal assistance programs, federally-assisted State programs providing assistance on a means-tested basis to low income individuals, or general assistance programs which are subject to the joint processing requirements in § 273.2(j)(2).

(ii) Persons directly connected with the administration or enforcement of the programs which are required to participate in the State income and eligibility verification system (IEVS) as specified in § 272.8(a)(2), to the extent the SNAP information is useful in establishing or verifying eligibility or benefit amounts under those programs;

(iii) Persons directly connected with the verification of immigration status of aliens applying for SNAP benefits, through the Systematic Alien Verification for Entitlements (SAVE) Program, to the extent the information is necessary to identify the individual for verification purposes.

(iv) Persons directly connected with the administration of the Child Support Program under part D, title IV of the Social Security Act in order to assist in the administration of that program, and employees of the Secretary of Health and Human Services as necessary to assist in establishing or verifying eligibility or benefits under titles II and XVI of the Social Security Act;

(v) Employees of the Comptroller General’s Office of the United States for audit examination authorized by any other provision of law; and

(vi) Local, State, or Federal law enforcement officials, upon their written request, for the purpose of investigating an alleged violation of the Food and Nutrition Act of 2008 or regulation. The written request shall include the identity of the individual requesting the information and his authority to do so, violation being investigated, and the identity of the person on whom the information is requested.

(vii) Local, State, or Federal law enforcement officers acting in their official capacity, upon written request by

such law enforcement officers that includes the name of the household member being sought, for the purpose of obtaining the address, social security number, and, if available, photograph of the household member, if the member is fleeing to avoid prosecution or custody for a crime, or an attempt to commit a crime, that would be classified as a felony (or a high misdemeanor in New Jersey), or is violating a condition of probation or parole imposed under a Federal or State law. The State agency shall provide information regarding a household member, upon written request of a law enforcement officer acting in his or her official capacity that includes the name of the person being sought, if the other household member has information necessary for the apprehension or investigation of the other household member who is fleeing to avoid prosecution or custody for a felony, or has violated a condition of probation or parole imposed under Federal or State law. The State agency must accept any document that reasonably establishes the identity of the household member being sought by law enforcement authorities. If a law enforcement officer provides documentation indicating that a household member is fleeing to avoid prosecution or custody for a felony, or has violated a condition of probation or parole, the State agency shall follow the procedures in § 273.11(n) to determine whether the member's eligibility in SNAP should be terminated. A determination and request for information that does not comply with the terms and procedures in § 273.11(n) would not be sufficient to terminate the member's participation. The State agency shall disclose only such information as is necessary to comply with a specific written request of a law enforcement agency authorized by this paragraph.

(viii) Local educational agencies administering the National School Lunch Program established under the Richard B. Russell National School Lunch Act or the School Breakfast Program established under the Child Nutrition Act of 1966, for the purpose of directly certifying the eligibility of school-aged children for receipt of free meals under the School Lunch and School Breakfast

programs based on their receipt of Supplemental Nutrition Assistance Program benefits.

(2) Recipients of information released under paragraph (c)(1) of this section must adequately protect the information against unauthorized disclosure to persons or for purposes not specified in this section. In addition, information received through the IEVS must be protected from unauthorized disclosure as required by regulations established by the information provider. Information released to the State agency pursuant to section 6103(l) of the Internal Revenue Code of 1954 shall be subject to the safeguards established by the Secretary of the Treasury in section 6103(l) of the Internal Revenue Code and implemented by the Internal Revenue Service in its publication, *Tax Information and Security Guidelines*.

(3) If there is a written request by a responsible member of the household, its currently authorized representative, or a person acting on its behalf to review material and information contained in its casefile, the material and information contained in the casefile shall be made available for inspection during normal business hours. However, the State agency may withhold confidential information, such as the names of individuals who have disclosed information about the household without the household's knowledge, or the nature or status of pending criminal prosecutions.

(4) Disclosure of information obtained from the National Accuracy Clearinghouse (NAC), as described in § 272.18, shall be restricted to persons directly connected with the administration or enforcement of the provisions of the Food and Nutrition Act of 2008, as amended, or SNAP regulations in this subchapter. Information obtained from the NAC may only be used for the purpose of preventing multiple issuances of SNAP benefits to an individual by more than one State agency in a given month. Recipients of information from the NAC must adequately protect the information against disclosure to unauthorized persons and use for purposes not specified in this paragraph (c)(4).

(d) *Information available to the public.*

(1) Federal regulations, Federal procedures embodied in FNS notices and policy memos, State Plans of Operation, and corrective action plans shall be available upon request for examination by members of the public during office hours at the State agency headquarters as well as at FNS regional and national offices. State agency handbooks shall be available for examination upon request at each local certification office within each project area as well as at the State agency headquarters and FNS Regional offices. State agencies, at their option, may require other offices within the State to maintain a copy of Federal regulations.

(2) Copies of regulations, plans of operation, State manuals, State corrective action plans, and Federal procedures may be obtained from FNS in accordance with part 295 of this chapter.

(e) *Records and reports.* Each State agency shall keep such records and submit such reports and other information as required by FNS.

(f) *Retention of records.* Each State agency shall retain all Program records in an orderly fashion for audit and review purposes for no less than 3 years from the month of origin of each record. In addition:

(1) The State agency shall retain fiscal records and accountable documents for 3 years from the date of fiscal or administrative closure. Fiscal closure means that obligations for or against the Federal government have been liquidated. Administrative closure means that the State agency has determined and documented that no further action to liquidate the obligation is appropriate. Fiscal records and accountable documents include, but are not limited to, claims and documentation of lost benefits.

(2) Case records relating to intentional Program violation disqualifications and related notices to the household shall be retained indefinitely until the State agency obtains reliable information that the record subject has died or until FNS advises via the disqualified recipient database system edit report that all records associated with a particular individual, including the disqualified recipient database record, may be permanently removed from the

database because of the individual's 80th birthday.

(3) Disqualification records submitted to the disqualified recipient database must be purged by the State agency that submitted them when the supporting documents are no longer accurate, relevant, or complete. The State agency shall follow a prescribed records management program to meet this requirement. Information about this program shall be available for FNS review.

(g) *Implementation.* The implementation schedule for any amendment to the regulations shall be specified in the amendment.

(1) *Amendment 132.* Program changes required by Amendment 132 to the SNAP regulations shall be implemented as follows:

(i) State agencies shall eliminate the purchase requirement for all households on or before January 1, 1979. The State agency shall designate the month the purchase requirement is to be eliminated. If the month designated is other than January 1979, the State agency shall obtain prior approval of FNS. FNS shall approve the designation of months prior to January 1979, if the State agency demonstrates that an accounting procedure for the new issuance system will be in place. The submission dates for the forms FNS-250 and FNS-256, stipulated in § 274.8(a), shall be effective with the reports for the first month of issuance without a purchase requirement. For example, if EPR is implemented in January, the FNS-250 and FNS-256 for January would be due by March 17, 1979. The FNS-259 shall be submitted in accordance with § 274.8(a)(3) starting with the quarter beginning January 1979.

(ii) State agencies may implement all eligibility rules contained in part 273 and all issuance rules contained in part 274 at the same time the purchase requirement is eliminated, but in no case shall eligibility and issuance rules be implemented prior to elimination of the purchase requirement. State agencies may also implement portions of part 273 and part 274 separately after the purchase requirement is eliminated, provided that the eligibility rules setting the income standards, the income deductions and the household

allotment calculation are implemented at the same time, and all rules are implemented no later than 3 months after the purchase requirement is eliminated. However, if a State agency implements EPR after December 1, 1978, it shall implement the certification and other issuance regulations for all new applications and recertifications no later than March 1, 1979.

(iii) State agencies shall have up to 4 months following the first day that applications are taken under the new rules, to convert the current caseload to the new program. Households coming due for recertification during this time will be converted to the new program at recertification. Remaining households shall be converted by a desk review during that 4-month period. The new income definition, deductions, and allotment calculation shall be completed for all households which are converted through a desk review. To the extent that the case file and other information available to the State agency permit, other eligibility criteria, such as work registration, resources, tax dependency, and alien status, shall be considered during the desk review. Otherwise, nonincome eligibility factors shall be deferred until the household's scheduled recertification. In no event shall a household's certification period be extended as a result of the desk review. Until recertified or converted by a desk review, a household shall continue to receive the bonus portion of the allotment, calculated in accordance with the income, deduction, and basis of issuance provisions of the Food and Nutrition Act of 2008 of 1964. During the case file conversion period, some households may be participating on the basis of the old program rules and some on the new rules. Claims against households and restoration of benefits shall not be assessed provided that whichever program rules are in use for a particular case are correctly applied during the conversion period. However, errors caused by miscalculations based on the old or new program rules which result in an entitlement to restoration of lost benefits or an overissuance shall be assessed in accordance with §§ 273.17 and 273.18 of these regulations. The procedures for calculating lost benefits or

overissuances as specified in §§ 273.17 and 273.18 shall be applied to any case found to be in error after the implementation of these procedures, even though the action which caused the error may have occurred prior to the date of implementation. Notwithstanding anything to the contrary in the preceding provisions of this paragraph, State agencies shall have up to four months following the first day that applications are taken under the new rules, to convert the current caseload to the new program. Households coming due for recertification during this time shall be converted to the new Program at recertification. However, if the State agency elects to schedule a desk review for these households earlier in the four-month period, conversion shall take place after the desk review. Further, State agencies may elect to do a point-in-time computer conversion in lieu of individual desk reviews. Such a computer conversion must cover entire categories of households, such as public assistance households, all households in a particular project area, all households currently in the computer files, etc., and the State agency may not elect to postpone the conversion of certain cases until recertification.

(iv) State agencies shall implement § 273.17 on the restoration of lost benefits on or before March 1, 1979. State agencies are encouraged to implement restoration of lost benefits concurrent with the elimination of the purchase requirement, especially as they relate to households which are entitled to lost benefits but which have been unable to receive them because the households are currently ineligible. State agencies shall notify currently ineligible households of the availability of their lost benefits by using one of the following procedures:

(A) State agencies which can readily identify the ineligible households which are entitled to lost benefits shall notify these households and restore the lost benefits within 4 months of the date restoration of lost benefits is implemented.

(B) Other State agencies shall issue a one-time-only press release notifying ineligible households that benefits can

§ 272.1

be restored. The press release shall advise households to contact the local SNAP office for more information. In addition, State agencies issuing the press release shall request the assistance of local Community Action Programs, general assistance agencies, legal services programs funded by the Legal Services Corporation, State employment service and unemployment compensation offices and other State and Federal governmental agencies providing services to low-income households, such as the Social Security Administration or the Community Services Administration. FNS shall provide the State agency with copies of the letter to be used to request assistance from outreach organizations and governmental agencies, and the fliers and posters which will be distributed upon request to such organizations and agencies. The language of the request for assistance, the notice to households and the poster is contained in the appendix to this rulemaking. State agencies shall mail the request for assistance and display posters in all local agency SNAP certification and issuance offices and welfare offices within 30 days of receipt from FNS. In project areas subject to the bilingual requirements of § 272.4(c), State agencies shall provide translations of the posters and fliers. Upon request, FNS shall provide Spanish posters and fliers. FNS shall reimburse State agencies for all costs of providing translations of the posters and fliers in languages other than Spanish. The State agency shall display the posters in its offices for six months. Households whose entitlement to benefits has been clearly established may apply for restoration of lost benefits under this paragraph for an indefinite period. Households whose entitlement to restoration of lost benefits was established more than three years prior to application for retroactive benefits under this paragraph shall be permitted to document entitlement if entitlement cannot be verified from State agency records. Such households shall sign an affidavit under penalty of perjury explaining their entitlement. In lieu of the requirements of this paragraph, State agencies may elect to provide notice pursuant to paragraph

7 CFR Ch. II (1-1-23 Edition)

(g)(1)(iv)(A) of this section, in any or all project areas within the State.

(v) State agencies shall assume the authority to settle or adjust recipient claims delegated under § 271.4(b) on or before July 1, 1979.

(vi) State agencies without a currently approved utility standard required in § 273.9(d)(5) shall develop and implement an FNS approved utility standard on or before October 1, 1979. The State agency shall notify households certified at the time the utility standard is implemented of the availability of the standard and the conditions for its use in lieu of actual expenses. Households qualified to use the standard and which elect to do so shall have the standard applied as any other change in circumstances. Otherwise, actual utility expenses shall continue to be used for households qualified for the standard until their next recertification.

(vii) State agencies shall advise FNS of their determination of the need for bilingual services as required by § 272.4(c) on or before December 1, 1978. If the State agency cannot determine, based on available information sources, whether or not bilingual services are required in particular project areas, it shall so advise FNS on or before December 1, 1978. The State agency shall then develop procedures to record the number of non-English-speaking low-income households which make contact with its offices in these project areas as required by § 272.4(c)(6). These procedures shall be implemented on or before March 1, 1979, and shall continue for 6 months. The State agency shall submit to FNS its determination(s) of the need for bilingual services not later than 60 days following the end of the 6-month period. Bilingual outreach materials shall be available for distribution within 90 days of the State agency's determination that such materials are required. When the State agency determines that bilingual staff and certification materials are required, it shall also make a determination of whether volunteers or paid staff will be used. When volunteers are to be used, the State agency shall provide the materials and arrange for volunteers within 90 days. Paid staff and materials shall be provided within 180 days.

(viii) Prior to the certification of households under these regulations, State agencies shall implement staff training for the transition as required in § 272.4(e)(3), and training for outreach workers, receptionists, and others, as required in § 272.4(e)(1) (v) and (vi). Beginning with these training sessions for the transition, State agencies shall implement the requirements for public participation at training sessions, as specified in § 272.4(e)(1)(iv). State agencies shall designate a training coordinator and develop and implement the ongoing training program required by § 272.4(e) on or before July 1, 1979.

(ix) Elimination of the purchase requirement and the implementation of the basic financial and nonfinancial eligibility criteria and other coupon issuance criteria shall not be extended for any reason. FNS may grant extensions for other provisions contained in these rules, provided that the State agency presents compelling justification for a delay and establishes an acceptable alternative schedule in advance of the implementation deadline. In no event will FNS grant an extension in excess of 120 days from the specified implementation date. In those cases where extensions are granted, the relevant Department regulations under the Food and Nutrition Act of 2008 of 1964 shall remain in effect until superseded by implementation of the new rules.

(2) *Amendment 137.* Program changes required by Amendment 137 to the SNAP regulations shall be implemented for all households initially applying for SNAP benefits no later than 90 days following the publication of this amendment.

(3) *Amendment 146.* The procedures contained in Amendment 146 shall be implemented by State agencies in time to be able to issue reduced SNAP allotments or to suspend or cancel allotments within 60 days after the date of publication of this amendment in the FEDERAL REGISTER.

(4) *Amendment 141.* State agencies shall begin planning for and conducting ongoing consultations with the Indian tribal organizations of the reservations within their jurisdiction as soon as possible after the effective date of this

amendment. Portions of the State Plan of Operation to be submitted for fiscal year 1980 shall be subject to ITO comment as required by § 281.2(a). The funding authority in § 281.9 shall apply to budgets beginning with the fourth quarter of fiscal year 1979.

(5) *Amendment 211.* State agencies shall implement the new Social Security Number (SSN) provisions for new applicants no later than February 1, 1983 and convert the current caseload at recertification or when the case is otherwise reviewed, whichever occurs first. The citizenship provisions must be implemented on or before April 1, 1983. All other provisions shall be implemented at State agency discretion.

(6) *Amendment 149.* Changes to States' Quality Control systems as required by this amendment shall be implemented as follows:

(i) *All* State agencies shall continue conducting modified QC reviews [in accordance with regulations published February 9, 1979 (43 FR 8548)] through August 31, 1979 and submit Form FNS-133 to FNS by September 15.

(ii) State agencies shall implement the requirements in subpart C of part 275 for conducting QC reviews no later than October 1, 1979. A quality control sampling plan (as specified in § 275.11(a) of these regulations) must be submitted by each State to the appropriate FNS Regional Office no later than September 1, 1979 (30 days prior to implementation). This will allow time necessary for approval of the plans prior to the October 1 implementation date.

(iii) State agencies are encouraged to implement QC September 1, if possible. States opting to implement early would not be required to operate *for this month* under an approved sampling plan. These States must, however, submit sampling plans in accordance with paragraph (g)(6)(ii) of this section. The month of September (sampling month) would serve as a test phase. Therefore, data collected for the sample month would not be required to be submitted to FNS or used in determining a State's cumulative allotment error rate.

(iv) Regulations published October 17, 1978 (43 FR 47846) which implement

§ 272.1

7 CFR Ch. II (1–1–23 Edition)

major aspects of the Food and Nutrition Act of 2008 provide for the conversion of cases via a desk review (§ 272.1(g)(1)(iii)). Desk converted cases would be converted to the new eligibility criteria for income and deductions but may not have been converted to the new criteria for resources, work registration, tax dependency, etc. Therefore, States will have households participating in the program based on some of the eligibility criteria of the 1964 Food and Nutrition Act of 2008. Desk converted cases as provided in § 272.1(g)(1)(iii) and cases which should have been converted via desk review (some cases may not undergo the conversion process as required), shall be subject to standard QC review procedures. When the QC reviewer detects a variance in one of these cases which results from an element of eligibility which was not converted and was not required to have been converted, the reviewer shall disregard the variance. When the reviewer detects a variance in a case when an element of eligibility was, or should have been converted, the reviewer shall handle the variance like any other QC variance as identified in § 275.12 of these regulations. It is possible that desk converted cases may continue to show up in QC samples through February 1980.

(v) State agencies shall submit reports of QC review activity (one copy to the appropriate FNS Regional Office and one copy to the Deputy Administrator for Family Nutrition Programs, Washington, DC) as follows:

(A) Each State agency shall report the monthly progress of sample selection and completion on a form provided by FNS. This report shall be submitted to FNS so that it is received no later than 10 days after the end of each month, beginning December 10, 1979. Each report shall reflect sampling and review activity for the previous month.

(B) Each State agency shall report the results of QC review activity on a form provided by FNS. This report shall be submitted to FNS so that it is received no later than 90 days from the end of the reporting period.

(C) Corrections to information on the above reports requested by FNS must be submitted within 10 days of the request.

(7) *Amendment 151.* (i) State agencies shall implement the program changes required by amendment for all new applications and recertifications no later than January 1, 1980. Currently eligible households shall be converted at recertification or when they request conversion to the new deduction system by responding to the notice required in paragraph (g)(7)(iii) of this section or by otherwise requesting recomputation.

(ii) State agencies may but are not required to convert the current caseload to the shelter deduction system provided for in § 273.9(d)(5) through desk reviews or by computer search. State agencies are encouraged to convert eligible households to the new shelter deduction as soon as possible to allow these households to benefit during the winter months.

(iii) Notices explaining the changes and their applicability shall be available at all SNAP certification offices and shall also be mailed or otherwise provided individually to all currently certified households at least once prior to implementation. At a minimum, these notices shall be distributed in the month prior to implementation either with the ATP card or separately but no later than the 15th of the month. The notice shall advise the household of the availability of the new deductions and the procedures for reporting medical and shelter expenses. If the State agency can identify those households to which this amendment would apply, only these households need to receive the notice.

(iv) Fliers advising of the changes contained in this amendment shall be made available to public and general assistance offices, local Social Security offices, and any interested organizations, particularly those dealing with the elderly or disabled or those places where the elderly or disabled congregate, such as housing units. Also, posters explaining the changes shall be displayed in SNAP certification offices and shall be made available to public and general assistance offices, local Social Security offices and any other interested groups. State agencies shall notify all organizations on its outreach contact list of the changes and of the availability of posters and fliers. State

agencies shall issue press releases to the news media advising of the impending program changes.

(v) For the first two months of implementation, State agencies shall have up to 30 days to process changes in medical and shelter costs reported in conjunction with this amendment. The change shall be effective for the first issuance following that 30-day period with restoration of lost benefits to the point at which the change would normally become effective under § 273.12. The State agency may request an extension of processing time of up to 60 days to act on these changes. The State agency shall submit appropriate documentation to FNS for the State or any part of the State for which such an extension is requested. After the first two months the State agency shall act on these changes in accordance with the normal processing standards in § 273.12(c). For changes reported during a period of two months following a State agency's implementation of this amendment, verification of shelter and medical expenses required by § 273.2(f) must be obtained prior to the issuance of the third normal monthly allotment after the change is reported. If the household does not provide verification, the household's benefits will revert to the original level. State agencies are encouraged to complete such verification and, if needed, conduct an interview prior to processing the change. After this initial period, State agencies will verify these expenses in accordance with the normal timeliness standards.

(vi) Medical expenses shall be subject to the same rounding procedures used for shelter expenses in § 273.10(e)(1)(ii). This procedure shall be in effect until implementation of amendments to § 273.10(e)(1)(ii).

(vii) No household shall be entitled to restoration of lost benefits under this amendment for any period prior to the time the State agency has implemented its provisions. For the initial months after implementation, during which the longer processing time allowed under this amendment is in effect, a household shall be entitled to restoration of lost benefits back to the month the change would have become effective under the normal processing

standards in § 273.12(c). After this initial period, no household shall be entitled to restoration of lost benefits unless the State agency does not act on reported changes in accordance with the timeliness standards in § 273.12(c) or the household is otherwise entitled under the provisions of § 273.17.

(viii) Implementation of these program changes falls in the last three months of the October 1979 to March 1980 reporting period for quality control. For the months of January, February and March 1980, all cases in which a household member is either 60 years of age or over, receives SSI, or disability benefits under title II of the Social Security Act will be subject to standard quality control review procedures, except that any varying information regarding medical deductions and/or shelter deductions in excess of the cap found in the review shall be disregarded in determining errors. Such information shall be noted on the Face Sheet of Form FNS-245 under part VII, Discrepancies and Other Information, and reported to the State agency for appropriate action on an individual case basis. Starting with the April-September 1980 reporting period, when the reviewer detects a variance in the medical deduction and/or the shelter deduction in excess of the cap, and these expenses were reported at application, recertification or during the certification period, the reviewer shall handle the variance like any other QC variance as identified in § 275.12 of the Performance Reporting System regulations.

(8) *Amendment 152.* The rounding procedure set forth in § 273.10(e) shall be in effect for new applications and recertifications no later than July 1, 1980. The State agency shall have up to 12 months following the implementation date of final regulations to convert the current caseload to the rounding procedure that is chosen under § 273.10(e)(1)(ii). The State agency shall have a choice of the following three options in converting households that are already participating at the time the new rounding procedure goes into effect:

(i) Convert households at recertification; (ii) convert households by conducting a desk review; or (iii) convert

§ 272.1

7 CFR Ch. II (1–1–23 Edition)

all households, or all households in a certain category, at a point-in-time. For example, the State agency may convert all public assistance households or all households in a project area by computer. Point-in-time mass conversions shall be conducted no later than July 1, 1980. In any case, the State agency shall advise FNS regarding which rounding and caseload conversion procedures are chosen and when the conversion will be completed.

(9) *Amendment 154.* State agencies shall implement the program changes required by Amendment 154 as follows:

(i) State agencies shall begin requiring social security numbers for all new applications and recertifications no later than the first day of the first month which commences 120 days from the date of publication of final rules. Participating households shall be requested to provide or apply for social security numbers (SSN) for appropriate household members at recertification, or at the time of office contact for any other reason. The State agency shall provide advance notification of this requirement and the consequences of noncompliance by sending an individual notice to all participating households and by providing press releases for dissemination through the media. The individual notices may be sent as either a one-time notice prior to implementation and/or with the notices of expiration of a certification period.

(ii) If any affected member(s) of a household does not have his or her SSN readily available at the time of application, recertification, or any office contact, he or she shall follow the procedures for furnishing an SSN in accordance with § 273.6 as amended.

(iii) State agencies shall implement the fraud claims procedures contained in §§ 273.16 and 273.18. Implementation shall be no later than the first of the month following the 120th day from the date of publication of final rules. By implementation the State agency shall also have an approved system for handling claims, including a method for accounting for the fifty percent retention of the value of funds collected from fraud claims. Any collection action on fraud claims after implementation is subject to the fifty percent re-

tention including claims established under the Food and Nutrition Act of 2008 of 1964 as amended and under the Food and Nutrition Act of 2008, as amended. However, only individuals found guilty of fraud through an administrative fraud hearing or through a court of law under regulations promulgating the Food and Nutrition Act of 2008, as amended, are subject to the recovery provisions in §§ 273.16 and 273.18 retroactive to implementation of fraud claim provisions under the 1977 Act.

(10) *Amendment 207.* State agencies shall implement the changes in the rules required by Amendment 207 no later than January 1, 1983. Disabled parents who requested and were denied separate household status on or after September 8, 1982, will be entitled to benefits retroactive to the dates of their applications for separate household status.

(11) *Amendment 160.* State agencies shall implement the provisions of this amendment as follows:

(i) State agencies shall submit the initial State corrective action plans so they are received by FNS within 90 days of publication of these regulations as required in § 275.22(a) of this chapter. This initial plan shall contain all known deficiencies in the State which meet the criteria set forth in § 275.16(b) of this chapter and shall identify, for each such deficiency, the items required in § 275.17(b) of this chapter. Project areas also shall prepare and submit to the State corrective action plans for all identified deficiencies. These plans shall be submitted within 60 days of identification of a deficiency and shall include any deficiencies known to the project area prior to publication of these regulations for which corrective action has not been completed. Ninety days after publication of these regulations, all provisions of §§ 275.15, 275.16, 275.17, 275.18, 275.19 and 275.22 of this chapter shall be implemented.

(ii) State agencies shall have submitted management evaluation (ME) review schedules within 90 days of publication of these regulations as required by § 275.20 of this chapter. These review schedules shall contain all information required by § 275.20 of this

chapter and shall be adhered to unless a change is necessary. If a modification to an ME review schedule is necessary at any time in the review period, the State shall notify the appropriate FNS Regional Office of the modification.

(iii) State agencies shall implement ME reviews within 90 days of publication of these regulations, following the provisions of §§ 275.5, 275.6, 275.7, 275.8, and 275.9 of this chapter. Any waiver from the requirements of § 275.7 or § 275.9 must be requested 60 days prior to its implementation as identified in § 275.5(c). Development or submission of requests for a deviation shall not delay implementation of the ME review subsystem past the required implementation date.

(iv) All provisions of these regulations which are not addressed in paragraphs (g)(11) (i) and (ii) of this section shall be implemented within 90 days of publication of these regulations. While this includes the requirements for a Performance Reporting System Coordinator and designation of an organizational entity for effecting corrective action as identified in § 275.2(a) of this chapter, this position and designation may be established on an interim basis; provided that the provisions of § 275.2(a) of this chapter are fully implemented by October 1, 1980. During this interim period States shall ensure that all responsibilities of the coordinator or entity are adhered to.

(12) [Reserved]

(13) *Amendment 162.* Program changes required by Amendment 162 of SNAP regulations shall be implemented as follows:

(i) The fee agent system for conducting interviews is currently in use and its continuing use is approved.

(ii) All other rules except paragraph (p) of § 272.8 shall be implemented as soon as practical but no later than 90 days following the date of final rulemaking. A fee agent training plan must be submitted within 45 days of the date of final rulemaking. Paragraph (p) of § 272.8 concerning points and hours shall be implemented following the time standards contained therein.

(14) *Amendment 142.* (i) State agencies shall restore lost benefits to households who had their eligibility or benefit levels adversely affected because

Federal energy assistance payments were counted as income and/or resources. Entitlement to restoration of lost benefits shall be retroactive to October 1, 1979 for payments received under CSA's ECAP; to November 27, 1979 for payments received under DHEW's EAP; and to January 7, 1980 for the one-time-only energy assistance payments to SSI households in accordance with Pub. L. 96-126.

(ii) State agencies shall use the following procedures for notifying households of entitlement to restoration of benefits under Amendment 142:

(A) State agencies which can readily identify those SSI households who received the one-time payment and those households who received payments under the Energy Crisis Assistance or Energy Allowance Programs which lost benefits because their energy assistance payment was counted as income and/or resources must notify such households of entitlement to restoration of lost benefits.

(B) State agencies which cannot readily identify households entitled to restoration of lost benefits due to the circumstances described in § 272.1(g)(14)(i) must issue a one-time-only press release to notify households which have participated since October 1, 1979 of possible entitlement to restoration of lost benefits. State agencies may, at their option, use additional means of notification such as posters.

(15) *Amendment 163.* State agencies shall implement the provisions in this amendment no later than July 1, 1980.

(16) *Amendment 174.* State agencies shall implement the program changes required by Amendment 174 as follows:

(i) State agencies shall implement the income/resource disregard provision for Federal, State, and local energy assistance payments (§§ 273.8 and 273.9 of this subchapter) no later than October 1, 1981.

(ii) State agencies shall implement the new maximum resource limit and the exemption of vehicles for the physically disabled (§ 273.12 of this subchapter) no later than October 1, 1981 for all new applicants. State agencies shall convert the current caseload to the new resource limit at the time of recertification, or at any other time

§ 272.1

7 CFR Ch. II (1–1–23 Edition)

the casefile is reviewed prior to recertification.

(iii) State agencies shall implement the student participation provisions of this amendment (§§ 273.1, 273.2, 273.5, 273.7 and 273.11 of this subchapter) no later than October 1, 1981 for all new applicants. Current caseload shall be converted at the time of recertification or any time the casefile is reviewed prior to recertification.

(17) *Amendment 158.* (i) The procedures contained in part 273 regarding SSI SNAP joint application processing shall become effective on August 1, 1980 for all State agencies except that:

(A) In those areas designated as SSI/Elderly Cash-out Demonstration Project Sites or Demonstration Project Comparison Sites, implementation of these provisions will be delayed. In addition, Social Security office service areas which contain either demonstration projects sites or demonstration comparison sites will be temporarily exempted, in their entirety, from implementation of these provisions whether or not their boundaries are coterminous with demonstration project sites and/or demonstration comparison site boundaries. This temporary exemption removes the administrative problem of the same SSA office simultaneously operating under both joint processing and cash-out regulations. The procedures contained in this rulemaking shall become effective for these project areas on the first day of the month following the ninetieth day after the termination of the demonstration project.

(B) State agencies in SSI cash-out States as defined in § 273.20 shall not implement the provisions of this rulemaking. In the event an SSI cash-out State loses that status, the State agency shall implement the provisions of this rulemaking on the first day of the month following the ninetieth day after the Secretary of Health and Human Services determines that the State no longer qualifies for cash-out status.

(ii) State agencies shall distribute fliers advising of the changes contained in this amendment to public and general assistance offices, local Social Security offices, any interested organizations, particularly those dealing with

the elderly or disabled, and those places where the elderly or disabled congregate, such as housing units senior citizens centers, and elderly feeding programs. Also, posters explaining the changes shall be displayed in SNAP certification offices and shall be made available to public and general assistance offices, local Social Security offices and any other interested groups. State agencies shall notify all organizations on their outreach contact lists of the changes and of the availability of posters and fliers. State agencies shall issue press releases to the news media advising of the impending program changes. FNS will supply State agencies with model language describing the changes which State agencies may use in their publications.

(18) *Amendment 168.* The provisions of Amendment 168 shall be effective on the thirtieth day following their publication. Any claims filed against State agencies for incidents that occur after the publication of this amendment shall be filed in accordance with the provisions of this amendment. Any claims filed against State agencies for incidents that occurred prior to the publication of this amendment shall be filed in accordance with the rules in effect at the time they occurred. However, the administrative review procedures contained in this amendment shall be applicable to all claims that are filed after the effective date of this amendment.

(19)–(20) [Reserved]

(21) *Amendment 178.* State agencies shall implement the provisions of §§ 273.8 and 273.9 of this amendment for all new applicants no later than February 1, 1981. States shall convert the current caseload to the new rules at recertification or at the time the case is otherwise reviewed, whichever comes first.

(22) *Amendment 179.* State agencies shall implement those verification procedures mandated in §§ 273.2 and 273.8 no later than the first of the month 120 days following publication of final regulations. State agencies may implement those provisions allowed at State agency option in §§ 273.2 and 273.12, once the options have been approved by

Food and Nutrition Service, USDA

§ 272.1

FNS and the State certification manuals have been revised to incorporate the options.

(23) *Amendment 171.* (i) All States operating an ATP issuance system shall submit the first Form FNS-46, Food Stamp Reconciliation Report, in accordance with Amendment No. 171, for the month of February 1981. This report shall be submitted to the FNS Regional Office within 90 days from the end of the report month.

(ii) All States shall submit the Form FNS-388, State Coupon Issuance and Participation Estimates, for February 1981 and each month thereafter. Those States that have not submitted procedures for estimating program participation, shall submit them to the FNS Regional Office on or before February 9, 1981.

(24) *Amendment 186.* The procedures of part 275 regarding SSA/SNAP joint processing and demonstration cases shall become effective on August 1, 1980 for all applicable State agencies. These procedures must be implemented by October 1, 1980.

(25) *Amendment 187.* State agencies shall implement the complaint procedures required by § 271.6(a) no later than 180 days following publication of final regulations.

(26) *Amendment 165.* State welfare agencies and State employment agencies shall implement the provisions of Amendment 165 no later than the first of the month following 120 days from publication of amendment 165 in the FEDERAL REGISTER as follows:

(i) Both agencies shall begin immediately to develop the work registration plan and agreements discussed in § 273.7(c) and (d) of Amendment 165. The plan and agreements must be approved and implemented within the 120 day timeframe established for implementation of all provisions of the final rule.

(ii) The provisions of amendment 165 shall be applied to households at the time of initial application, recertification, or reregistration, beginning no later than the first of the month following 120 days from publication of the amendment.

(27) *Amendment 189.* State agencies shall implement the provisions of Amendment No. 189 no later than July 1, 1982.

(28) *Amendment 156.* State agencies shall implement the program changes required by Amendment 156 within 120 days after publication of these regulations, meeting the submittal deadlines outlined in §§ 272.2 and 272.3.

(29) *Amendment 190.* State agencies shall implement these regulations no later than January 1, 1982. The rules are effective November 9, 1981.

(30) [Reserved]

(31) *Amendment 169.* The provisions of Amendment 169 shall be effective March 30, 1981. These provisions shall apply to the period beginning October 1, 1980, except that the provisions of § 277.4(b)(2) shall apply to the period October 1, 1978 through October 1, 1980. No State shall be subject to sanctions based upon quality control error rates for any period prior to October 1, 1980. No State shall receive enhanced funding based upon quality control data for a period prior to the date upon which its quality control system was in operation.

(32)-(33) [Reserved]

(34) *Amendment 198.* State agencies opting to match earnings data provided by applicants and participants with information maintained by the Social Security Administration shall first execute data exchange agreements with the Social Security Administration. After the effective date of this rule and after execution of this agreement, State agencies may implement wage match provisions at their discretion.

(iii) Conversion of the current case-load to the new household definition; ineligibility of strikers and boarders; and, in Puerto Rico, Guam, and the Virgin Islands, a medical deduction, separate dependent care deduction, and uncapped excess shelter expense deduction shall be completed at or before recertification. In no event shall the new medical, dependent care, and excess shelter provisions for Guam, Puerto Rico and the Virgin Islands be implemented prior to October 1, 1981.

(iv) Notification to affected households of these changes shall be done, at a minimum, in the same manner required for mass changes in public assistance grants prescribed in § 273.12(e)(2)(ii).

(v) Beginning October 1, 1981, outreach activities engaged in by State agencies shall be ineligible for Federal matching funds.

(vi) FNS will consider requests for waivers to these timeframes, except for the timeframe in paragraph (g)(35)(v) of this section, on a state-by-state basis, if good cause can be established and justified, in writing, for the need for a longer timeframe.

(36) *Amendment 259.* State agencies may implement this Monthly Reporting and Retrospective Budgeting rule at any time, but shall implement this rule no later than January 1, 1984. Prior to January 1, 1984, this rule may be implemented Statewide, in only part of a State (such as in certain project areas), or for only certain reasonable classifications of households (such as for only households receiving Temporary Assistance for Needy Families) so long as the implementation is completed by January 1, 1984. State agencies shall have begun to send monthly reports to households so that they can report their January 1984 circumstances in accordance with § 273.21(h). However, the changes in the interim provisions made by this final rule need not be implemented on January 1, 1984. The changes made by this final rule shall be implemented no

(38)–(39) [Reserved]

(40) *Amendment 213.* All State agencies shall execute the appropriate data exchange agreements and implement the provisions of this amendment not later than January 1, 1983. State agencies may opt to match earnings data with information maintained by the Social Security Administration upon publication of final regulations provided they have executed data exchange agreements with the Social Security Administration. State agencies which are not prohibited by State law from wage matching with agencies administering unemployment compensation may do so upon publication of final regulations, provided they have executed the appropriate data exchange agreements.

(41) State agencies shall implement the provisions of Amendment 215 upon publication.

(42) *Amendment 217.* The regulations concerning the optional workfare program contained in Amendment 217 shall be in effect November 8, 1982. Workfare programs may be implemented after this date provided FNS has approved the workfare plan.

(43) *Amendment 220.* State agencies shall implement Amendment 220 on October 1, 1982.

(44) *Amendment 221.* State agencies shall implement on a case by case basis the provisions of this rule, excluding the provision which revises the application form, beginning the first of the month 30 days from the date of publication. The provision requiring a notice of verification on the application form shall be implemented on or before the first day of the month beginning at least 90 days from the date of publication. If the State agency has not depleted its existing supply of application forms, the State agency may opt

Food and Nutrition Service, USDA

§ 272.1

to implement this provision by providing an insert to the application form containing the notice of verification.

(45) *Amendment 222.* This amendment shall be implemented by the first day of the month following the 30th day after publication. As of that date prior approval of forms, manuals, instructions, or any other type of operating guidelines will no longer be required and waivers will be granted or denied based on the new criteria contained herein. Additionally, as of that date State agencies shall inform FNS of changes, as they occur, in their organizational outline and agreements with other agencies. The submission requirement for the Budget Projection Statement, Form FNS-366A, as set forth in § 272.2(e) shall become effective on August 15, 1983, for the 1984 Federal fiscal year beginning October 1, 1983 through September 30, 1984.

(46) *Amendment 225.* The State agency shall obtain FNS approval for the exclusion of energy assistance provided under any State or local program, in accordance with the criteria set forth in §§ 273.8(e)(14) and 273.9(c)(11), within six months of the date of publication of the final rule. The new provisions concerning restoration of lost benefits in § 273.17 (a) and (e) shall be implemented no later than 120 days following publication of the final rule.

(47) [Reserved]

(48) *Amendment 228.* FNS will consider requests for waivers to monthly reporting requirements beginning November 5, 1982.

(49) *Amendment 245.* The mail issuance loss rates of 0.75 percent and \$2,250 are effective January 1, 1983. The mail issuance loss rate of 0.5 percent and \$1,500 are effective October 1, 1983. For the second quarter of fiscal year 1983 only, FNS will look at Statewide loss rates and the loss rates of individual reporting units within the State. Where the loss rate for individual reporting units within the State is over the tolerance in that quarter and the Statewide loss rate is also over tolerance, FNS will assess liability for

losses exceeding the tolerance reported for the second quarter of 1983. Where the loss rate for individual reporting units within a State are over tolerance for the second quarter, but the Statewide loss rate is under tolerance, State agencies shall have one additional quarter (the third Fiscal Year 1983 quarter) to bring such individual reporting units' loss rates into compliance with the tolerance levels. Thus for these reporting units, FNS will assess liability beginning with the fourth quarter of fiscal year 1983 and each quarter thereafter for losses which exceed the tolerance levels, regardless of Statewide loss rate. FNS will bill State agencies for losses on a semiannual basis.

(50) *Amendment 230.* State agencies shall implement the provisions of Amendment 230 no later than January 1, 1983.

(51)-(52) [Reserved]

(53) *Amendment 233.* State agencies shall implement these regulations no later than February 1, 1983.

(54) *Amendment 234.* The provisions of Amendment 234 shall apply to those sponsored aliens on behalf of whom the sponsor signed an affidavit of support or similar statement (as a condition of the alien's entry into the United States as a lawful permanent resident) on or after February 1, 1983.

(55) *Amendment 235.* Except for the provisions which simply extend options to State agencies, State agencies shall implement the changes made by Amendment 235 no later than February 1, 1983. Elderly/disabled persons who requested and were denied separate household status or other considerations granted disabled persons on or after September 8, 1982, will be entitled to benefits retroactive to the dates of their applications for separate household status or other special considerations.

(56) [Reserved]

(57) *Amendment 240.* The provisions of Amendment 240 shall be effective on January 11, 1983. The enhanced funding, which the amendment implements, is

§ 272.1

7 CFR Ch. II (1–1–23 Edition)

(58) *Amendment 242.* State agencies shall implement the disqualification penalties for intentional Program violation, and the improved recovery of overpayments provisions contained in Amendment 242 no later than April 1, 1983.

(i) The provision in § 273.11(c) for handling the income and resources of an individual disqualified for intentional Program violation shall apply to any individual disqualified for such a violation since the implementation of the fraud disqualification provisions of the Food and Nutrition Act of 2008. The disqualification procedures for intentional Program violation in § 273.16 shall apply to any individual alleged to have committed one or more acts of intentional Program violation since the implementation of the fraud disqualification provisions under the Food and Nutrition Act of 2008. However, the disqualification penalties in § 273.16(b) shall apply only to individuals disqualified for acts of intentional Program violation which occur after implementation of this amendment. In addition, the disqualification penalties in § 273.16(b) shall apply only to individuals disqualified for acts of intentional Program violation which occurred either during a certification period based on an application form containing these penalties or after receipt of written notification from the State agency of these penalties. Recurring acts of intentional Program violation which occur over a period of time prior to and after implementation of this final rule shall not be separated. Only one penalty can be imposed for such recurring violations and the household member shall be disqualified in accordance with the disqualification penalties specified in this amendment. The reporting requirements of § 273.16(i) shall become effective upon implementation, however, the State agency shall have until October 1, 1983, to submit such reports on individuals disqualified under previous regulations implementing the Food and Nutrition Act of 2008.

(ii) The recovery provisions for claims against households in § 273.18 shall apply to any overissuance caused by an action which occurred after implementation of regulations promulgating the Food and Nutrition Act of 2008, as amended. And, the procedures for calculating the amount of overissuances as specified in § 273.18(c) shall apply to any month in which an overissuance occurred retroactive to March 1, 1979. However, State agency retention of 50 percent of the value of collected intentional Program violation claims and 25 percent of the value of collected inadvertent household error claims as provided in § 273.18(h) shall apply to any collection action retroactive to January 1, 1982. The State agency shall have the option of reinstating any claim previously suspended, but not terminated, under the recovery provisions of regulations implementing the Food and Nutrition Act of 2008 and, once reinstated, such claims shall be subject to the recovery provisions contained in this amendment. However, the State agency shall not reinstate any amount of a claim compromised or any claim terminated under previous regulations implementing the Food and Nutrition Act of 2008, as amended. The submission requirements for the Form FNS-209, Status of Claims Against Households, as set forth in § 273.18(h) shall become effective with the quarter ending March 31, 1983.

(59) *Amendment 243.* (i) State agencies shall implement the provisions contained in § 274.1(d) statewide no later than October 1, 1983. (ii) State agencies shall implement the correction made to § 273.1(a)(1)(iv) retroactive to September 8, 1982.

(iii) The Commonwealth of Puerto Rico shall implement the changes to part 285 on January 1, 1984, as published in the FEDERAL REGISTER for December 21, 1984.

(i) State agencies shall apply the work registration, job search, and voluntary quit provisions of this rule, amending portions of § 273.7, to new applicants no later than January 2, 1985. The provisions shall apply to participating households at recertification or at the time of office contact for any other reason.

(64) *Amendment 252.* (i) The sanction/incentive provisions of § 275.25 were effective October 1, 1982. The previous provisions of § 275.25 shall continue to apply to the review periods prior to October 1982.

(65) *Amendment 253.* The provisions of § 274.8(a)(6) (i), (ii), and (iii) shall be implemented the first month beginning on or after the 90th day following publication of this final rule. In that month, the FNS-388 report shall provide the actual second preceding month data. The initial semiannual coupon issuance and NA/PA household and person participation data shall be provided in September 1985 for the month of July 1985. State agencies will cease submission of the FNS-256 report as of July 1985.

(66) *Amendment 254.* State agencies shall implement the provisions of Amendment 254 no later than October 19, 1983.

(67) [Reserved]

(68) *Amendment 260.* (i) The quality control review provisions contained in Amendment 260 are effective starting with the beginning of Fiscal Year 1984, except as provided in the following sentences. All cases sampled for the six months October 1983 through March 1984 shall be disposed of and reported within 95 days of March 31, 1984. Cases sampled for April 1984 and for months thereafter shall be disposed of and reported according to § 275.21. For example, 90 percent of April cases are due within 75 days of April 30, and 100 percent are due within 95 days of that date. The structure of sample frames specified in § 275.11(e) must be implemented no later than the sample month of October 1984.

(ii) Starting with the October 1983 sample month, cases must be determined complete, not complete, or not subject to review according to §§ 275.12(g) and 275.13(e). As of the beginning of Fiscal Year 1984 the sample sizes stated in § 275.11(b) and related sampling plan requirements are effective, and State agencies are required to meet the completion standard stated in § 275.11(d). State agencies currently sampling at the levels provided in § 275.11(b)(1)(iii) must submit to their respective FNS Regional Offices the reliability statement required by § 275.11(a)(2) within 30 days of the publication of this rule, or no later than the second month after publication of this rule begin sampling at the levels specified in § 275.11(b)(1)(ii).

(69) *Amendment 261.* State agencies shall implement this amendment establishing the Alaska urban and rural allotment levels and the new cap for Guam no later than August 1, 1984. Households in rural Alaska which request retroactive benefits by February 1, 1985 will be entitled to retroactive benefits for the period after September 8, 1982, during which they lived in rural Alaska and participated in SNAP in that area. These retroactive benefits will be provided over a period of time not to exceed one year. The amount provided each month will be the higher

§ 272.1

7 CFR Ch. II (1-1-23 Edition)

of \$50 or one-twelfth of the total amount due. Households in Guam which request retroactive benefits by February 1, 1985 will be entitled to retroactive benefits for the period October 1, 1982, through September 30, 1983, during which they lived in Guam, participated in SNAP in that area, and were in household sizes two, five, or eight or more.

(70) *Amendment 264.* These rules are effective on May 29, 1986. No later than that date State agencies are required to submit the attachment to their State Plan of Operation specified in § 272.2 and in § 272.8(i), documenting either full implementation of these rules or good faith efforts to implement them. The documentation of full implementation or of good faith efforts shall show either that the State agency is routinely requesting and using, or shall show the dates when it will begin routinely to request the use, information from the various data sources specified in § 272.8(a) according to the frequencies for requests, timeframes and other requirements of § 272.8(e), (f) and (g). Full implementation shall include requests for available information from the Social Security Administration for all recipients for which such information has not been previously requested. The 30-day timeframe specified in § 272.8(g) is effective for applicant households which become recipients as discussed in § 272.8(e)(1) as soon as a State agency begin receiving information from particular data sources.

(i) A Plan describing good faith efforts shall at a minimum document that the State agency is currently in compliance with wage match criteria as specified in the final rulemaking of November 5, 1982 (47 FR 50180), assure that such compliance will continue at current levels until such time as these provisions are implemented, and provide an implementation schedule that reflects full compliance in the minimum amount of additional time. Requests for delays of implementation beyond May 29, 1986 shall identify the applicable regulation part, the date for implementation, justification for the delay, and the implementation plan.

(ii) The Secretary shall consult with the Secretary of the Department of Health and Human Services and with

the Secretary of the Department of Labor prior to the approval of Plans of Operation documenting good faith efforts. In no event shall the Secretary approve a delay of the provisions of individual notification in § 273.2(f)(9) beyond the initial implementation date of any of these new provisions.

(iii) Implementation schedules beyond September 30, 1986 are not approvable, with the following exception: If on April 1, 1985 no SWICA exists in a particular State, the provisions of the rule as they relate to SWICAs shall be effective upon the designation of a SWICA. Implementation of a SWICA after April 1, 1985 shall take place as soon thereafter as possible but in no event later than September 30, 1988. All SWICAs with delayed implementation shall be in operation so that wage information is reported to them starting with the month of October 1988.

(71) *Amendment No. 266.* The provisions contained in Amendment No. 266 shall be implemented by March 6, 1987.

(i) All Fiscal Year 1987 review schedules shall continue in force despite the implementation of these provisions. However, a State agency may, at its option, seek a change in that schedule.

(ii) Waivers shall remain in force until their expiration. If a State agency wishes to cancel a waiver it should contact its Regional Office and negotiate whatever change it needs.

(iii) The first periodic Corrective Action Plan update required by this amendment shall be submitted by May 1, 1987.

(72) *Amendment 267.* State agencies shall implement the eligibility requirements of this rulemaking as they apply to offsetting farm self-employment losses and publicly operated community mental health centers not later than March 27, 1986. State agencies must begin taking applications from residents of publicly operated community mental health centers (as defined in § 271.2) not later than March 27, 1986. FNS field offices may authorize these centers to act as retail food stores on February 25, 1986.

(73) *Amendment 269.* The correction to § 273.7(n)(1)(v) outlined in amendment 269 is effective retroactively to October 3, 1984. State agencies which may have implemented the voluntary quit error

Food and Nutrition Service, USDA

§ 272.1

prior to receiving FNS notification not to effectuate the change, shall issue lost benefits to affected households, but not prior to November 2, 1984 (the effective date of the October 3, 1984 final rule). State agencies shall implement the revisions to the rules outlined in amendment 269 for all new applicants no later than the first day of the month following June 26, 1986. Any conversion of the current caseload necessitated by this amendment shall be done at recertification or at the time the case is next reviewed, whichever occurs first.

(74) *Amendment 270.* (i) State agencies shall implement the earned income and dependent care deduction amounts and the resource limit provisions of Amendment 270 on May 1, 1986. If, for any reason, a State agency fails to implement these provisions on that date, households shall be provided the lost benefits which they would have received if the State agency had implemented these provisions as required.

(ii) The provisions of § 272.1(b) regarding the prohibition of State or local sales taxes on foods purchased with SNAP coupons shall be implemented on October 1 of the calendar year during which the first regular session of each State's Legislature is convened following enactment of Pub. L. 99-198 (enacted December 23, 1985). A "regular session" means a scheduled session of a State's legislature convened to address the usual range of statutory and budgetary issues. A "budgetary" session of a legislature shall be considered a "regular session" if State rules allow for statutory issues to be introduced at these "budgetary" sessions even if rules governing these special procedures are stringent.

(A) FNS may approve a delay in the above implementation date if a State provides FNS a request documenting that such date would either:

(1) Have an adverse and disruptive effect on the administration of SNAP in such State; or

(2) would provide inadequate time for retail stores to implement required changes in sales tax policy.

(B) FNS has no authority to approve any State implementation schedule with an effective date later than October 1, 1987.

(75) *Amendment 273.* The State agency shall implement this amendment establishing Alaska urban, Rural I, and Rural II allotment levels by April 1, 1986.

(76) *Amendment 274.* (i) The provisions of this amendment at §§ 271.2, 273.2, 273.5, 273.9, 273.10(d)(6), and 273.21(b) shall be implemented for all new applications and the current caseload no later than August 1, 1986. If, for any reason, a State agency fails to implement these provisions on this date, households shall be provided lost benefits which they would have received if the State agency had implemented these provisions as required.

(ii) The provisions of this amendment at § 273.18 and part 285 shall be implemented June 20, 1986.

(iii) The provisions of this amendment at § 273.21(a)(4)(i)(A) and the second sentence in § 273.10(f)(7) are effective retroactive to August 31, 1981. Section § 273.21(a)(4)(ii)(A) and the first two sentences of § 273.21(a)(4)(ii)(B) described in this amendment are retroactive to September 8, 1982. The provisions of this amendment at §§ 272.3, 273.21(a), 273.21(a)(3), 273.21(a)(4)(i)(B), the third sentence at § 273.10(f)(7), and the last two sentences of § 273.21(a)(4)(ii)(B) are effective retroactive to December 2, 1983. The provision of this amendment at § 276.7(j) is effective retroactive to December 23, 1985.

(77) *Amendment 275.* The program change in § 273.2(l) of Amendment 275 shall be effective October 1, 1986.

(78) *Amendment 276.* (i) This rule is effective retroactively to December 23, 1985. Any household that applied and was denied benefits from that date until implementation of this rule is entitled to restored benefits if it:

(A) Was categorically eligible as defined in this rule;

(B) Is otherwise entitled to benefits; and

(C) Requests a review of its case or if the State agency otherwise becomes aware that a review is needed.

Restored benefits for these households shall be made available, if appropriate, in accordance with § 273.17 back to the date of the SNAP application or December 23, 1985, whichever is later. The State agency shall implement the

§ 272.1

7 CFR Ch. II (1-1-23 Edition)

changes in this rule immediately upon publication and any eligibility determination or issuance made on or after that date shall be made in accordance with this rule.

(ii) For quality control (QC) purposes only, QC reviewers shall not identify variances resulting solely from either implementation or nonimplementation of this rule in cases with review dates between December 23, 1985 and October 31, 1986, inclusive.

(79) *Amendment 277.* State agencies shall implement the provisions of Amendment 277 on August 22, 1986. If, for any reason, a State agency fails to implement the provisions, affected households shall be entitled to restored benefits but not prior to August 22, 1986.

(80) [Reserved]

(81) *Amendment 279.* (i) For State agencies which elected to implement a \$160 dependent care deduction limit for all households prior to October 18, 1986, the dependent care deduction provision of Amendment No. 279 is effective retroactive to May 1, 1986 in accordance with section 638 of Pub. L. 99-500. In such States, for QC purposes only, QC reviewers shall not include in the error determination variances which resulted from early implementation by these States of the deduction limit provided the implementation occurred during the period beginning May 1, 1986 through October 1986.

(ii) For all other State agencies, the \$160 dependent care deduction provision of Amendment No. 279 shall be implemented for elderly and disabled applicant and participating households on December 1, 1986. State agencies shall implement the provision as a mass change in accordance with § 273.12(e), except that affected households in Alaska, Hawaii and Guam shall be issued an individual notice which, at a minimum, informs the households of the general nature of the mass change, the effect of the deduction limit on the household's allotment, and the month the change will take effect. If for any reason the State agency fails to implement the provision on the required date, affected households shall be provided restored benefits, back to December 1, 1986. For QC purposes only in such States, QC re-

viewers shall not include in the error determination variances which resulted solely from a State agency's implementation or nonimplementation of the deduction limit between December 1, 1986 and January 1, 1987.

(82) *Amendment 281.* State agencies shall implement the provisions of this amendment no later than April 1, 1987.

(83) *Amendment 282.* The changes to § 273.2(i)(3)(i) contained in Amendment No. 282 are effective January 12, 1987 and shall be implemented no later than February 11, 1987.

(84) *Amendment 285.* (i) The provisions of Amendment No. 285 at §§ 273.9(d)(6)(i), 273.9(d)(6)(ii), 273.9(d)(6)(v)(B), 273.10(d)(1)(i) and 273.10(d)(6) are retroactively effective to October 1, 1986. The State agency shall implement the provisions immediately upon publication and any eligibility determination made on or after that date shall be made in accordance with this rule. The State agency shall review a case to determine if the household was denied benefits under these amendments whenever the household requests a review or the State agency becomes aware that such a denial may have occurred. Any household that was denied benefits as a result of an eligibility or benefit calculation (e.g., processed change report) made on or after October 1, 1986 is entitled to restored benefits. Restored benefits for these households shall be made available, if appropriate, in accordance with § 273.17 back to:

(A) October 1, 1986 or the date of application whichever is later for new applications; or

(B) October 1, 1986 or the first month in which the application of these amendments would have affected the household's benefits, whichever is later, for certified households.

(ii) For quality control (QC) purposes only, a variance resulting solely from either the implementation or nonimplementation of this rule shall not be identified between October 1, 1986 and April 1, 1987.

(85) *Amendment No. 286.* (i) The provisions of Amendment No. 286 which permit homeless meal providers to apply for authorization to accept SNAP benefits were effective March 11, 1987.

Food and Nutrition Service, USDA

§ 272.1

(ii) All other provisions of this amendment were effective April 1, 1987.

(86) *Amendment No. 287.* The provisions of this amendment are effective April 7, 1987.

(87) *Amendment No. 288.* The removal of the word “funded” from the last sentence in § 273.11(e)(1), the amendments to the first and fourth sentences in § 278.1(e), and the revision of paragraph (a)(2)(iii) in § 273.11 are effective February 25, 1986 and shall be implemented not later than March 27, 1986.

(88) *Amendment No. 292.* (i) The effective date of the provisions of this amendment is retroactive to November 6, 1986.

(ii) The actual dates upon which aliens may become eligible under § 273.4(a) (8), (9), (10), and (11) are specified in those paragraphs. State agencies must inform their staff of the respective dates as they pertain to the eligibility or ineligibility of applicant aliens.

(89) *Amendment No. 293.* The provisions of Amendment No. 293 are effective retroactively to October 17, 1986 and shall be implemented as follows:

(i) State agencies shall implement the provisions of this amendment for new applicant households which apply for program benefits on or after June 1, 1987.

(ii) State agencies shall convert their affected current caseload to the provisions of this amendment at household request, at recertification, or when the case is next reviewed, whichever occurs first and provide restored benefits, if appropriate, back to the date of application of October 17, 1986, whichever occurred later.

(iii) Any affected household that applied for Program benefits from October 17, 1986 until implementation of this rule and was denied benefits is entitled to restored benefits back to the date of application or October 17, 1986, whichever occurred later, if the household:

(A) Is otherwise entitled to benefits, and

(B) Requests a review of its case or the State agency otherwise becomes aware that review is needed.

(iv) For quality control (QC) purposes only, QC shall not identify variances resulting solely from either implemen-

tation or nonimplementation of the provisions of this amendment for cases with review dates between October 17, 1986 (the date of enactment of Pub. L. 99-498) and August 31, 1987.

(90) *Amendment No. 294.* State agencies shall implement the Title IV-D child support income exclusion provision of Amendment No. 294 at its own option, provided it has procedures in place, at the time of implementation, for applying the provision to all affected households and for calculating and reimbursing FNS as required under the provision. State agencies shall implement the remaining provisions of Amendment No. 294 retroactively to April 1, 1987. State agencies shall provide restored benefits, if appropriate, back to the date of application or April 1, 1987, whichever occurred later. Any affected household that applied for Program benefits from April 1, 1987 until implementation of this rule and was denied benefits is entitled to restored benefits back to the date of application or April 1, 1987, whichever occurred later, if the household is otherwise entitled to benefits and requests a review of its case or the State agency otherwise becomes aware that a review is needed. The provision at 7 CFR 273.17, limiting restored benefits to 12 months, shall not apply to households entitled to resorted benefits under the provisions of *Amendment No. 294*. For QC purposes, implementation variances shall not be identified unless a case meets all four of the following conditions: the case's review date is after August 31, 1987; the State agency certified or recertified the case (or was required to recertify the case) after August 31, 1987; the certification or recertification was effective for the review date (or the required recertification should have been effective for the review date); and in a retrospective budget system, the household's budget month was September 1987 or later or in a prospective budget system, the household's issuance month was September 1987 or later. For the purpose of this amendment, State agencies shall not establish a claim against any household which received overissued benefits resulting solely from retroactive implementation of the JTPA income provision in § 273.9(b)(1)(v).

§ 272.1

(ii) *FNS timeframes.* The timeframes for notifying States of their payment error rates and payment error rate liabilities, if any, and the timeframe by which FNS must initiate collection action on claims for such liabilities are effective beginning with the Fiscal Year 1986 reporting period.

(92) *Amendment No. 284.* State agencies shall submit their ADP/CIS plans to FNS for approval no later than October 1, 1987. Portions of ADP/CIS plans may be submitted no later than January 1, 1988. (93) *Amendment No. 298.* The provisions of Amendment No. 298 are effective, and shall be implemented, as follows:

(i) The provision in § 271.2 of this amendment which defines "General assistance" and the provisions contained in § 273.9(b)(2)(i), § 273.9(c)(1)(ii)(A), (c)(1)(ii)(B), and (c)(1)(ii)(C), regarding exclusion of certain PA/GA vendor payments are effective retroactively to April 1, 1987. State agencies shall immediately implement the other provisions listed above. Affected households shall be entitled to restored benefits back to the date of application or April 1, 1987, whichever occurred later.

(ii) The technical amendment to part 277 is effective September 29, 1987, and does not require implementation efforts by State agencies. The remaining provisions of Amendment No. 298 are effective, and must be implemented, as follows:

(G) The first three sentences of § 273.9(d)(8)(i), the raising of the shelter deduction limit for the 48 States and DC., Alaska, Hawaii, Guam and Virgin Islands, are effective October 1, 1987. State agencies shall implement the higher deduction limits appearing in the first sentence of § 273.9(d)(8)(i) on October 1, 1987 only for households whose certification periods begin on or after October 1, 1987. State agencies shall implement the lower deduction limits appearing in the second sentence of § 273.9(d)(8)(i) on October 1, 1987 only for households whose certification periods begin before October 1, 1987. The State agency shall implement the higher deduction limits for households whose certification periods begin before October 1, 1987 beginning with the month in which such household is recertified after October 1, 1987.

(H) Section 273.9(d)(7)(i), the change in the standard deduction methodology, is effective October 1, 1987.

(I) The last sentence of § 273.9(d)(8)(i), the change in the excess shelter deduction methodology, is effective, October 1, 1988.

If, for any reason, the State agency fails to implement the provisions on the required date, affected households, if appropriate, shall be entitled to restored benefits back to the date of application or the effective date of the provision involved, whichever occurred later.

(iv) *Quality control variance exclusion.*

(A) For QC purposes only, QC reviewers shall not identify variances resulting solely from implementation or non-implementation of the following provisions in cases with review dates during the periods indicated:

(1) Sections 273.9(b)(2)(i), 273.9(c)(1)(ii)(A), 273.9(c)(1)(ii)(B), 273.9(c)(1)(ii)(C) and 273.9(c)(1)(iv)(B), concerning PA/GA vendor payments, from April 1, 1987 to December 31, 1987;

(B) State agencies may choose to exclude these variances in Federal subsample reviews; State agencies are not required to do so. To exclude the variances, they shall provide FNS with the following information by April 1, 1994: The review number of each affected Federal subsample review, the sample month, the reason and justification for excluding the variance, and the revised finding.

(106) *Amendment No. 310.* (i) The provisions of this amendment which adopt, as final, interim provisions published July 17, 1987 and those which redesignate or otherwise slightly modify the July 17 interim provisions for clarity only are effective retroactively to April 1, 1987. The conforming amendment at § 273.11(e)(7) is effective retroactively to February 25, 1986. The remaining technical amendments contained in this amendment at §§ 273.2(e)(2), 273.7(b)(1)(vii), 273.9(b)(1)(iii), 276.2(d) and 278.1(e) are effective April 24, 1989. (A) State agencies shall implement the provision for all new applicant households no later than June 1, 1989. Affected applicant households which applied for Program benefits during the period April 1, 1987 and the date the State agency implemented this change and were denied benefits shall be provided restored benefits, if applicable, back to April 1, 1987 or the date of the SNAP application, whichever occurs later, if the household is otherwise entitled to benefits and requests a review

of its case or the State agency otherwise becomes aware that a review is needed.

(B) All other households shall be converted to the provision at household request, at recertification, or when the case is next reviewed, whichever occurs first. Restored benefits shall be provided, if applicable, for such households back to April 1, 1987 or the date of the SNAP application, whichever occurs later.

(C) The provision at 7 CFR 273.17, limiting restored benefits to 12 months, does not apply for households entitled to restored benefits under *Amendment No. 310*.

(107) *Amendment No. 313.* The performance-based funding provisions for Employment and Training programs shall be effective October 1, 1989.

(108) *Amendment No. 314.* (i) The provision of *Amendment No. 314* which adds five sentences to § 273.2(j)(1)(iv) and the provisions which add a new paragraph § 273.2(j)(2)(iii)(B) and amend §§ 273.17 and 273.18 are effective July 7, 1989 and shall be implemented no later than September 1, 1989.

(ii) All remaining provisions of *Amendment No. 314*, which adopt the interim provisions of August 5, 1986 as final without change or modify the interim provisions for clarity only, are effective retroactively to December 23, 1985 (the effective date of the interim rulemaking). These provision do not reflect a change in intended policy and, therefore, do not require special implementation efforts by State agencies.

(109) *Amendment No. 315.* Program changes required by Amendment No. 315 to the SNAP regulations shall be implemented as follows:

(i) The provisions relating to migrant and seasonal farmworkers (7 CFR 273.9(c)(1)(ii)(E) and 273.10(a)(1)(ii)) are effective September 1, 1988 for all households applying or certified subsequent to August 31, 1988. Changes affecting currently participating households are to be implemented at recertification or when it is necessary to implement other changes affecting the household.

(ii) State agencies were required to implement the provision of this rule

§ 272.1

7 CFR Ch. II (1-1-23 Edition)

regarding a technical correction concerning energy assistance payments (7 CFR 273.9(c)(11)) on September 19, 1988.

(iii) State agencies were required to implement revised SNAP allotments on October 1, 1988 (7 CFR 271.2, 271.7, 273.10(e)(2), 273.10(e)(4)(ii), and 273.12(e)). Revised allotments were implemented as mass changes in accordance with 7 CFR 273.12(e).

(iv) State agencies were required to implement the provision relating to the dependent care deduction, 7 CFR 273.9(d)(4), 273.10(d)(1)(i), and 273.10(e)(1)(i)(E), and monthly reporting and retrospective budgeting, 7 CFR 273.21(a) and (b), on October 1, 1988. These provisions were immediately effective for all households certified subsequent to September 30, 1988. Changes affecting currently participating households were to be implemented upon recertification, at the household's request, or when it was necessary to implement other changes affecting the household. (For example, a change reported by a nonmonthly reporting retrospectively budgeted household was to be implemented in accordance with 7 CFR 273.12.) The Department was not requiring State agencies to conduct a casefile review to implement monthly reporting and retrospective budgeting changes for currently participating households. Monthly reports submitted by households which became exempt from MRRB as a result of the Hunger Prevention Act, such as non-migrant seasonal farmworkers or the homeless, were to be treated as change reports and processed prospectively in accordance with 7 CFR 273.12(c).

(v) State agencies were required to implement the provisions of this rule concerning the exclusion of advance payment of earned income tax credits, 7 CFR 273.8(c)(1) and 273.9(c)(14), on January 1, 1989. Households applying subsequent to December 31, 1988 should have had this provision applied to them as of their date of application. Changes affecting households participating as of December 31, 1988 were to be implemented upon recertification, at the household's request, or when it was necessary to implement other changes affecting the household.

(vi) All other provisions of this rule, relating to technical corrections con-

cerning the urban Alaska TFP (7 CFR 272.7(c)), Alaska proration (7 CFR 272.7(f)(3)(iii)), and the dependent care deduction (7 CFR 273.11(c)(2)(iii) and 273.12(e)(1)(i)(C)), are to be implemented August 1, 1989.

(vii) Quality control errors made as a result of this rule's changes to §§ 273.9, 273.10, and 273.21 during the required implementation time frame established by this rulemaking shall be handled in accordance with interim regulations published at 53 *FR* 44171, dated November 2, 1988. SNAP allotment changes are not covered by the interim regulation because this is a mass change.

(viii) State agencies which failed to implement any of these provisions by the required dates shall provide affected households with the lost benefits they would have received if the State agency had implemented these provisions as required.

(110) *Amendment No. 316*. State welfare agencies shall implement the provisions of *Amendment No. 316* as follows:

(i) The provisions contained in § 274.2(b) of *Amendment No. 316* are effective retroactively to January 1, 1989 and shall be implemented by State welfare agencies no later than January 1, 1990 for all households which newly apply for Program benefits or apply for recertification on or after that date.

(ii) The remaining provisions are effective July 1, 1989 and must be implemented on that date for all households which newly apply for Program benefits or apply for recertification on or after that date. The current caseload shall be converted to these provisions at household request, at the time of recertification, or when the case is next reviewed, whichever occurs first and restored benefits shall be provided, if appropriate, back to July 1, 1989 or the date of the application, whichever is later. Additionally, households which applied for Program benefits between July 1, 1989 and the date the State agency implemented these provisions, and were denied benefits, shall be entitled to restored benefits back to July 1, 1989 or the date of the application, whichever occurred later, if the household:

(A) Is otherwise entitled to benefits, and

(B) Requests a review of its case or the State agency otherwise becomes aware that a review is needed.

(111) *Amendment No. 296.* The provisions of Amendment 296 are effective July 5, 1989.

(112) *Amendment No. 309.* (i) The State agency shall have until June 18, 1990, to request regional arbitration of regional office case findings which the State received before February 22, 1988.

(ii) The State agency shall have until June 18, 1990, to request national office arbitration of regional arbitration decisions which the State agency received before February 22, 1988.

(113) *Amendment (320).* (i) The provisions of this rule are effective April 2, 1990.

(ii) The provisions relating to the Expanded Food and Nutrition Education Program (§ 272.5(b)(1)(iv)), the collection of fraud claims § 273.18, the monitoring of claims against households (§ 273.18(k)(5)), adverse action notice on claim demand letters (§ 273.18(d)(3)), notices of fair hearings (§ 273.18(d)(3)), and the results of geographic error prone profiles (§ 275.15(g)) shall be implemented no later than July 2, 1990. The provision relating to fraud detection units (§ 272.4(h)) shall be implemented no later than September 4, 1990. State agencies shall complete the first review of SNAP office hours (§ 272.4(g)) during Federal Fiscal Year 1990.

(iii) State agencies may submit attachments to their Plans of Operation pertaining to the intercept of unemployment compensation benefits to repay intentional Program violations claims as specified in §§ 272.2 (a) and (d) and 272.12(a) of this amendment as of February 22, 1990.

(114) *Amendment No. 322.* The changes contained in this amendment are effective October 15, 1990 and shall be implemented no later than that date. The changes to 7 CFR 273.11 contained in this amendment will apply only to disqualifications imposed after the effective date of this rulemaking.

(115) *Amendment No. 324.* The quality control changes to § 275.12 that are made by Amendment No. 324 shall be implemented for the quality control review period beginning January 1, 1991.

(116) *Amendment No. 330.* The provisions of Amendment No. 330 are effective

and must be implemented on August 1, 1991. Any variance resulting from implementation of the provisions of this amendment shall be excluded from error analysis for 90 days from this required implementation date in accordance with 7 CFR 275.12(d)(2)(vii). The provisions must be implemented for all households that newly apply for Program benefits on or after the required implementation date. The current caseload shall be converted to these provisions at household request, at the time of recertification, or when the case is next reviewed, whichever occurs first, and the State agency must provide restored benefits back to the required implementation date. If for any reason a State agency fails to implement on the required implementation date, restored benefits shall be provided, if appropriate, back to the required implementation date or the date of application, whichever is later.

(117) *Amendment No. 332.* The provision of *Amendment No. 332* regarding the resource exemption for PA and SSI recipients is effective and must be implemented no later than February 1, 1992. Any variances resulting from implementation of the provisions of this amendment shall be excluded from error analysis for 90 days from this required implementation date, in accordance with 7 CFR 275.12(d)(2)(vii). The provision must be implemented for all households that newly applied for Program benefits on or after the required implementation date. The current caseload shall be converted to these provisions at household request, at the time of recertification, or when the case is next reviewed, whichever occurs first, and the State agency must provide restored benefits back to the required implementation date. If for any reason a State agency fails to implement on the required implementation date, restored benefits shall be provided, if appropriate, back to the required implementation date or the date of application whichever is later.

(118) *Amendment No. 321.* (i) The provisions contained in §§ 273.7(d)(1)(ii)(A) and 273.9(c)(5)(i) (A) and (F) of Amendment No. 321, which implement section 404(c) of the Hunger Prevention Act of 1988, are effective and must be implemented retroactively to July 1, 1989.

§ 272.1

7 CFR Ch. II (1-1-23 Edition)

(ii) The remaining provisions of Amendment No. 321 are effective October 1, 1988 and must be implemented no later than March 1, 1992. State agencies may implement the conciliation procedure provisions contained in § 273.7(g)(1)(ii) immediately upon publication of Amendment No. 321. However, in no case shall the conciliation procedures be implemented any later than March 1, 1992. By implemented, the Department means that the State agency shall begin to use conciliation procedures in all cases where the State agency has determined on or after the above implementation date that an individual has refused or failed to comply with an E&T requirement under § 273.7(f).

(119) *Amendment No. 328.* (i) The requirements for State agencies to begin implementation or corrective action for deficiencies which are the cause for non-entitlement to enhanced funding for the Fiscal Year 1986 review period, and review periods thereafter were effective as of October 1, 1985, pursuant to section 604 of Public Law 100-435.

(ii) The requirements for State agencies to begin the implementation of corrective action for deficiencies which result in underissuances, improper denials or improper terminations of benefits to eligible households where such errors are caused by State agency rules, practices or procedures were effective July 1, 1989, pursuant to section 320 of Public Law 100-435. The corrective action must address all such deficiencies which occurred on or after July 1, 1989.

(iii) The State agency shall have until December 27, 1991, to implement changes in the development of quality control sampling plans, such that only those State agencies proposing non-proportional integrated, or other alternative sampling plan designs must:

(A) Demonstrate that the alternative design provides payment error rate estimates with equal-or-better predicted precision than would be obtained had the State agency reviewed simple random samples of the sizes specified in § 275.11(b)(1) of the regulations,

(B) Describe all weighting, and estimation procedures if the sample design is non-self-weighted, or uses a sampling

technique other than systematic sampling,

(C) Demonstrate that self-weighting is actually achieved in sample designs claimed to be self-weighting.

(iv) The State agency shall have until January 27, 1992, to request regional arbitration of any federally subsampled underissuance cases for which the State agency received FNS regional office QC findings on or after February 22, 1988.

(v) The State agency shall have until January 27, 1992, to request national arbitration of any regional arbitration decisions involving underissuance cases for which the State agency received FNS regional arbitration findings on or after February 22, 1988.

(120) *Amendment No. 335.* The provisions contained in *Amendment No. 335* are effective and shall be implemented as follows:

(i) The provisions contained in §§ 271.2, 271.7, 273.1(e)(1)(iii), 273.2(k)(1)(i)(H), 273.2(m), 273.10, 273.18 and 278.1 of Amendment No. 335 are effective on February 1, 1992 and shall be implemented on that date as follows:

(A) The Guam and Virgin Islands State agencies shall communicate the two new group home provisions (§§ 271.2, 273.1(e)(1)(iii) and 278.1) to group homes in their areas by this date so that they can apply for the appropriate certification and residents can apply for SNAP benefits without delay. All State agencies shall implement the expanded group home provisions for applicants newly applying for program benefits on or after February 1, 1992 for approved group homes.

(B) No special implementation efforts are required with regard to the provisions in §§ 273.2(k)(1)(i)(H) and 273.2(m) about informing SSI applicants about SNAP and the availability of an application at the social security office.

(C) State agencies are not required to adjust their computers or train their caseworkers immediately in order to implement the provisions in §§ 271.2, 271.7, 273.10 and 273.18 relative to the minimum benefit for one- and two-person households because the methodology for annually adjusting the minimum benefit will not result in an increase in the minimum benefit for some time. However, State agencies

are expected to have the capability of implementing a change in the minimum benefit in a timely manner when such a change is announced and, therefore, shall not wait until an actual change in the minimum benefit to adjust computers and train caseworkers.

(ii) The remaining provisions of Amendment No. 335 are effective February 1, 1992. The provisions which reflect that a joint application is no longer required for SSI applicants §§ 273.2 (c)(1), 273.2(i)(3)(i), and 273.2(k)(1)(i)(D) do not require implementation efforts by State agencies. The remaining provisions (§§ 273.4, 273.9(b) and 273.9(c)) also do not require special implementation efforts by State agencies as the provisions reflect current policy.

(iii) Any variance resulting from implementation of the provisions of this amendment shall be excluded from quality control error analysis for 90 days from the required implementation date which shall be handled in accordance with 7 CFR 275.12(d)(2)(vii).

(121) *Amendment No. 336.* The provisions of Amendment No. 336 are effective and must be implemented as follows:

(i) The provision that gives State agencies the option of using retrospective budgeting for nonmonthly reporting households other than those exempt from monthly reports (7 CFR 273.21(b) introductory text) was effective as of November 28, 1990, the date of enactment of the Leland Act.

(ii) The delegation of the responsibility for design of the monthly report form (§ 273.21(h)(3) and § 273.21(j)(1)(ii) of this chapter) must be implemented by February 1, 1992.

(iii) The remaining provisions are effective January 3, 1992 and must be implemented by July 1, 1992.

(iv) Any variances resulting from implementation of the provisions of this amendment shall be excluded from error analysis for 90 days from the required implementation dates in accordance with 7 CFR 275.12(d)(2)(vii).

(122) *Amendment No. 337.* The provisions of Amendment No. 337 are effective and must be implemented as follows:

(i) State agencies shall implement the provisions of *Amendment No. 337* on

February 1, 1992, except as provided in paragraph (g)(122)(ii) of this section.

(ii) The amendments to revise the introductory text of § 273.2(j) and § 273.2(j)(3) as they relate to categorical eligibility and the amendment adding § 273.2(j)(4) are effective and must be implemented February 1, 1992 for recipients of GA from a State program. They are effective and must be implemented August 1, 1992 for recipients of GA from a local program.

(iii) Any variance resulting from implementation of the provisions of this amendment shall be excluded from error analysis in accordance with 7 CFR 275.12(d)(2)(vii) for 90 days from the required implementation date. The provisions must be implemented for all households that newly apply for Program benefits on or after the required implementation date. If for any reason a State agency fails to implement on the required implementation date, restored benefits shall be provided, if appropriate, back to the required implementation date, the date of the SNAP application or the date the household was determined categorically eligible in accordance with § 273.2(j)(4), whichever is later.

(iv) The current caseload shall be converted to these provisions at household request, at the time of recertification, or when the case is next reviewed, whichever occurs first. The State agency must provide restored benefits back to the required implementation date.

(123) *Amendment No. 338.* The provisions of *Amendment No. 338* are effective and must be implemented on February 1, 1992. The provisions must be implemented for all households that newly apply for Program benefits on or after the required implementation date of February 1, 1992. The current caseload shall be converted to these provisions at household request, at the time of recertification, or when the case is next reviewed, whichever occurs first. If, for any reason, a State agency fails to implement by the required implementation date, restored benefits shall be provided, if appropriate, back to the required implementation date or the date of the SNAP application, whichever is later. Any variances resulting from implementation of the provisions of this

§ 272.1

(i) Currently operating demonstration projects shall submit to FNS for approval a plan no later than June 30, 1992, to satisfy the requirements of this regulation. The plan shall address the areas in which the State EBT demonstration project does not comply with the provisions of this rule and how the State agency plans to bring its system into compliance. The State agency shall submit a schedule of any actions it proposes to take and when they are to be completed. Compliance with the provisions of this final regulation shall occur within two years from the effective date unless approved by FNS to continue operations under the authority of section 17 of the Act (7 U.S.C. 2026) as a demonstration project. In seeking FNS approval to continue under Section 17 authority, the State agency shall state what research value would be obtained in continuing the demonstration.

(ii) For State agencies that have proposals or planning documents currently under review by the Department, the State agencies and the Department shall establish at what point the State agency is in the planning process and how the State agency will fit into the approval process of these rules. All such State agencies will be expected to comply with the standards of these rules.

(128) *Amendment No. 326.* The provisions of this amendment are effective and must be implemented no later than December 1, 1993. Any variance resulting from implementation of the provisions of this amendment shall be excluded from quality control error analysis for 60 days from the required implementation date which shall be handled in accordance with 7 CFR 275.12(d)(2)(vii).
