§ 273.23

(3) *Reinstatement.* If a household is terminated for failing to submit a monthly report, the household shall be reinstated without being required to submit a new application if a monthly report is submitted no later than the last day of the month following the month the household was terminated.

(4) *Notices.* (i) All notices regarding changes in a household's benefits shall meet the definition of adequate notice as defined in § 271.2 of this chapter.

(ii) If a household fails to file a monthly report by the specified filing date, the State agency shall notify the household within five days of the filing date:

(A) That the monthly report is either overdue or incomplete;

(B) What the household must do to complete the form;

(C) If any verification is missing;

(D) That the Social Security number of a new member must be reported, if the household has reported a new member but not the new member's Social Security number;

(E) What the extended filing date is;

(F) That the State agency will assist the household in completing the report; and

(G) That the household's benefits will be issued based on the previous month's submitted report without regard to any changes in the household's circumstances if the missing report is not submitted.

(iii) Simultaneously with the issuance, the State agency shall notify a household, if its report has not been received, that the benefits being provided are based on the previous month's submitted report and that this benefit does not reflect any changes in the household's circumstances. This notice shall also advise the household that, if a complete report is not filed timely, the household will be terminated.

(iv) If the household is terminated, the State agency shall send the notice so the household receives it no later than the date benefits would have been received. This notice shall advise the household of its right to reinstatement if a complete monthly report is submitted by the end of the month following termination.

(5) *Supplements and claims.* If the household submits the missing monthly report after the issuance date but in the issuance month, the State agency shall provide the household with a supplement, if warranted. If the household submits the missing monthly report after the issuance date or the State agency becomes aware of a change that would have decreased benefits in some other manner, the State agency shall file a claim for any benefits overissued.

However, income definitions appropriate to the TANF, SSI or Medicaid programs shall be used instead of SNAP income definitions in determining eligibility. In addition, such households shall, as a condition of program eligibility, meet and/or fulfill all SNAP nonfinancial eligibility requirements.
