A loan guarantee under this part will be evidenced by a Loan Note Guarantee issued by the Agency. Each lender will execute a Lender's Agreement. If a valid Lender's Agreement already exists, it is not necessary to execute a new Lender's Agreement with each loan guarantee.

(a) *Rights and liabilities.* A guarantee under this part is backed by the full faith and credit of the United States and is incontestable except for fraud or misrepresentation of which the lender had knowledge at the time the lender acquired the guarantee or assigned the loan, or in which a lender participates or condones. The guarantee will be unenforceable by the lender to the extent any loss is occasioned by a violation of usury laws, negligent servicing or origination by the lender, including a failure to acquire required security, or as a result of a use of loan funds for purposes other than those authorized by the Agency. The acts in the previous sentence constitute grounds for the refusal to make full payment under the guarantee to the lender, and will not be taken until the Agency gives the lender notice of the acts or omissions that it considers to constitute such grounds, specifying the applicable provisions of the Statute, Regulations, Loan Note Guarantee, or Lender's Agreement; the lender has not cured the acts or omissions within 90 calendar days after such notice; and the acts or omissions can reasonably be expected to have a material adverse effect on the credit quality of the guaranteed mortgage or the physical condition of the property securing the guaranteed mortgage. If such acts or omissions cannot be cured within a 90 calendar day period, the 90 calendar day cure period automatically shall be extended so long as curative activities are commenced during the 90 calendar day period. At no time shall the curative period extend more than 270 calendar days from the expiration of the original 90 calendar day cure period. When a guaranteed portion of a loan is sold to a Holder, the Holder shall suc-

ceed to all rights of the lender under the Loan Note Guarantee to the extent of the portion purchased. The lender will remain bound to all obligations under the Loan Note Guarantee, Lender's Agreement, and the Agency program regulations.

(b) *Liability of the Holder.* The Holder shall not be liable for the actions of the lender including, but not limited to, negligence, fraud, abuse, misrepresentation or misuse of funds, and its rights under the guarantee shall be fully enforceable notwithstanding the actions of the lender, unless the Holder has knowledge of fraud, misrepresentation or misuse of funds when it becomes the Holder or condones or participates in such actions.

(c) *Types of guarantees.* The Agency may provide a lesser guarantee based upon its evaluation of the credit quality of the loan. Penalties incurred as a result of default are not covered by the guarantee. The Agency liability under any guarantee will decrease or increase, in proportion to any increase or decrease in the amount of the unpaid portion of the loan, up to the maximum amount specified in the Loan Note Guarantee. The Agency will not guarantee construction loans only. The Agency offers the following types of guarantees:

(1) *Option One.* The Agency may guarantee permanent loans subject to the conditions specified in § 3565.303(d). The maximum guarantee for a permanent loan will be 90 percent [unless the Agency establishes a different percent and announces this different percent through a Notice in the FEDERAL REGISTER] of the unpaid principal and interest up to default and accrued interest 90 calendar days from the date the liquidation plan is approved by the Agency, as defined in § 3565.452.

(2) *Option Two.* The Agency may provide a guarantee which will cover construction loan advances (advances) during construction. The maximum guarantee of construction advances related to a construction and permanent loan will not at any time exceed the lesser of 90 percent [or the percent established by the Agency and announced through a Notice in the FEDERAL REGISTER] of the amount of principal and accrued interest up to default for

amounts which exceed the original advance if for eligible uses of loan proceeds or 90 percent of the original principal amount and accrued interest up to default of the loan. The Agency's guarantee will cover losses to the extent aforementioned once all sureties/insurances and/or performance and payment bonds have fully performed their contractual obligations. A construction contingency reserve is required. This guarantee will be enforceable during the construction period but will cease to be enforceable once construction is completed unless and until the requirements for the continuation of the guarantee contained in the Conditional Commitment and this part are completed and approved by the Agency by the date stated in the Conditional Commitment and any Agency approved extension(s). The Agency will provide written confirmation to the lender when all of the requirements for continuation of the guarantee to cover the permanent loan have been satisfied. Any losses sustained while the guarantee is unenforceable (after the end of the construction period and, if applicable, before the continuation of the guarantee) are not covered by the guarantee. For purposes of this guarantee, the construction period will end on the earlier of:

(i) Twenty-four months from the closing of the construction loan, if the certificates of occupancy for all units in the project have not been issued by then, or

(ii) The date of the issuance of the last certificate of occupancy, if the certificates of occupancy for all units in the project are issued on or before 24 months from the closing of the construction loan.

(3) *Option Three.* The Agency may provide a single, continuous guarantee for construction and permanent loans. Only projects that have low loan-to-cost ratios, which will be defined by the Agency in a Notice published periodically in the FEDERAL REGISTER, are eligible for this type of guarantee. A construction contingency reserve is required. The Agency may require that a lease-up reserve, in an amount established by the Agency and announced through a Notice in the FEDERAL REGISTER, be set-aside prior to closing the

construction loan. This lease-up reserve is an additional amount, over and above the required initial operating and maintenance contribution. The maximum guarantee of construction advances will not at any time exceed the lesser of 90 percent [or the percent established by the Agency and announced through a Notice in the FEDERAL REGISTER] of the amount of principal and interest up to default advanced for eligible uses of loan proceeds or 90 percent of the original principal amount and interest up to default.

(d) *Maximum loss payment.* The maximum loss payment to a lender or holder is as follows:

(1) To any holder, 100 percent of any loss sustained by the holder on the guaranteed portion of the loan and on interest due on such portion.

(2) To the lender, the lesser of:

(i) Any loss sustained by the lender on the guaranteed portion, including principal and up to 90 days of accrued interest as evidenced by the notes or assumption agreements and secured advances for protection and preservation of collateral made with the Agency's authorization; or

(ii) The guaranteed principal advanced to or assumed by the borrower and any interest and accrued interest up to 90 days due thereon.

(e) *Funding of reserves.* For each Option under paragraph (c) of this section, the lender must require an operating and maintenance reserve and provide the Agency adequate evidence of the funding of all required reserves.

(1) For Option 1 under paragraph (c) of this section, the funding schedule for the lease-up reserve and the operating and maintenance reserve must be included in the Agency-approved construction budget and be fully funded before the issuance of the permanent guarantee.

(2) For Option 2 under paragraph (c) of this section, the funding schedule for the lease-up reserve and the operating and maintenance reserve must be included in the Agency-approved construction budget and be fully funded before the issuance of the permanent guarantee.

§ 3565.101

(3) For Option 3 under paragraph (c) of this section, the operating and maintenance reserve must be fully funded before the issuance of the guarantee. The lease-up reserve must be funded 30 days before the first Certificate of Occupancy is anticipated.

§ 3565.53 Guarantee fees.

As a condition of receiving a loan guarantee, the Agency will charge the following guarantee fees to the lender. Changes to the initial and annual guarantee fees will be established by the Agency and will be published in a notice in the FEDERAL REGISTER.

(a) *Initial guarantee fee.* The Agency will establish and charge an initial guarantee fee of up to one percent of the guarantee amount. For purposes of calculating this fee, the guarantee amount is the product of the percentage of the guarantee times the initial principal amount of the guaranteed loan.

(b) *Annual guarantee fee.* An annual guarantee fee will be charged, as established by the Agency, each year or portion of a year that the guarantee is in effect. This fee is due no later than February 28, of each calendar year.

(c) *Surcharge for guarantees on construction advances.* The Agency may, at its sole discretion, charge an additional fee on the portion of the loan advanced during construction. If applicable, this fee will be charged in advance at the start of construction.

§ 3565.56 Suspension or termination of loan guarantee agreement.

A guarantee agreement will terminate when one of the following actions occurs: (In accordance with subpart H of this part, use restrictions on the property will remain if the following actions take place prior to the term of the loan and RHS determines the restrictions apply.)

(a) *Voluntary termination.* A lender and borrower voluntarily request the termination of the loan guarantee.

(b) *Agency withdrawal of guarantee.* The Agency withdraws the loan guarantee in the event of fraud, misrepresentation, abuse, negligence, or failure to meet the program requirements.

(c) *Mortgage pay-off.* The loan is paid.

(d) *Settlement of claim.* Final settlement of the claim.

§ 3565.57 Modification, extension, reinstatement of loan guarantee.

To protect its interest or further the objectives of the program, the Agency may, at its sole discretion, modify, extend, or reinstate a loan guarantee. In making this decision the Agency will consider potential losses under the program, impact on the tenants and the public reaction that may be received regarding the action. Further, the Agency may authorize a guarantee on a new loan that is originated as a part of a workout agreement.

(11) That the borrower provides management satisfactory to the lender and to the Agency and complies with an approved management plan for the project.

(b) *Use restriction.* For the original term of the guaranteed loan, the housing must remain available for occupancy by low and moderate income households, in accordance with subpart E of this part. This requirement will be included in a deed restriction or other instrument acceptable to the Agency. The restriction will apply unless the housing is acquired by foreclosure or an instrument in lieu of foreclosure, or the Agency waives the applicability of this requirement after determining that each of the following three circumstances exist.

(1) There is no longer a need for low- and moderate-income housing in the market area in which the housing is located;

(2) Housing opportunities for low-income households and minorities will not be reduced as a result of the waiver; and

Subpart I—Servicing Requirements

§ 3565.401 Servicing objectives.

The participating lender is responsible for servicing the guaranteed loan throughout the term of the loan or guarantee, whichever is less. In all cases, the lender remains responsible for liquidation of the property in accordance with the Loan Note Agreement, unless otherwise determined by the Agency. A lender-servicing plan must be designed and implemented to achieve the following objectives.

(a) To preserve the value of the loan and the real estate;

(b) To avoid a loss to the lender or the Agency and to limit exposure to potential loss;

(c) To protect the interests of the tenants; and

(d) To further program objectives.

§ 3565.402 Servicing responsibilities.

The lender must service the loan in accordance with this subpart and per-

7 CFR Ch. XXXV (1–1–25 Edition)

form the services contained in this section in a reasonable and prudent manner. The lender is responsible for the actions of its agents and representatives.

(a) *Funds management.* The lender must have a funds management system to receive and process borrower payments, including the following.

(1) All principal and interest (P&I) funds and guarantee fees collected and deposited into the appropriate custodial accounts.

(2) Payments to custodial escrow accounts for taxes and insurance premiums, assessments that might impair the security (such as ground rent), and reserve accounts for repair and capital improvement of the property.

(b) *Asset management.* The lender must ensure that the property securing the guaranteed loan remains in good physical and financial condition, in accordance with project management requirements contained in subpart H of this part.

(c) *Management of delinquencies and defaults.* Each month the lender must report to the Agency any delinquencies and defaults in accordance with subpart H of this part.

§ 3565.403 Special servicing.

Special servicing must be initiated when regular servicing actions are insufficient to resolve borrower default or property deficiencies.

(a) *Repurchase from Holder.* For securitized loans, the Holder may require the lender or Government to repurchase the security in accordance with the provisions of § 3565.405.

(b) *Responsibility of lender.* It is the lender's responsibility during special servicing to make a special effort to ensure that maintenance of the property meets Agency requirements and the tenants' rights are protected, until such time that the property is liquidated by the lender, the loan is paid in full, or the loan is assigned to the Agency. The lender must update the Agency monthly until the default is cured or a claim is filed. The lender must maintain adequate records of any and all efforts to cure the default or to foreclose.

Rural Housing Service, USDA

§ 3565.405

(c) *Initiating special servicing.* When special servicing is initiated, the lender must submit for Agency review a special servicing plan that includes proposed actions to cure the deficiencies and a timeframe for completion. The special servicing plan will specify the proposed terms of any workout agreement recommended by the lender. The lender must obtain Agency approval of the terms of any workout agreement with the borrower. The workout agreement may include a loan modification, transfer of physical assets, or partial payment of claim and reamortization of the loan. Failure to comply with terms contained in the executed workout agreement will be considered a default of the guaranteed loan.

(1) *Loan modification.* The borrower and lender may agree to a loan modification when such action will improve the financial viability of the project and its operations, and when a circumstance exists that is beyond the borrower's control. The Agency must approve in advance any loan modification that extends the life of the loan or requires an increase in the amount of the guarantee. All changes must be within the requirements of section 538 of the Housing Act of 1949.

(2) *Change in ownership and transfer of physical assets.* A default or delinquency may be resolved by a change of the ownership entity in whole or in part. The Agency must approve all changes in ownership prior to the effective date of the transfer, and may require additional resources from the lender or borrower to resolve project deficiencies.

(3) *Partial payment of claims.* The lender may request a partial payment of claim as a result of a loss experienced by the lender as a means to work out a troubled loan. The Agency will accept such claim if it determines that it is in the best interest of the government. In applying the partial payment, the lender must assign the obligation covered by the partial payment to the Agency, and, if required by the Agency, reamortize the obligation using the amount of the remaining obligation over an agreed-upon term.

(d) *Claims processing.* In the event of a loss, the lender must submit claims

under the guarantee in accordance with subpart J of this part. Prior to submitting a claim, the lender must exhaust all possibilities of collection on the loan.

(e) *Displacement prevention.* The actions of the lender must not harm the property's tenants through displacement.

[63 FR 39458, July 22, 1998, as amended at 67 FR 16971, Apr. 9, 2002; 70 FR 2931, Jan. 19, 2005]

§ 3565.404 Transfer of loans or mortgage servicing.

Transfer of servicing is prohibited unless the Agency determines that circumstances warrant such action, the proposed lender is an eligible lender approved by the Agency, and the transfer of servicing is approved by the Agency in advance.

§ 3565.405 Repurchase of guaranteed loans.

(a) *Repurchase by lender.* The Holder may make written demand on the lender to repurchase the unpaid guaranteed portion of the loan when the borrower is in default not less than 60 calendar days on principal or interest due on the loan; or the lender has failed to remit to the Holder its pro rata share of any payment made by the borrower within 30 calendar days of receipt by the lender. The Holder must concurrently send a copy of the demand letter to the Agency. The lender will notify the Holder and the Agency of its decision to repurchase within 10 business days from the date of the written demand letter by the Holder. The lender may agree to repurchase the unpaid portion of the entire loan from the Holder, even though the guarantee does not cover any unguaranteed portion of the loan held by the Holder. If the lender decides to repurchase, the lender has 30 calendar days from the date of the Holder's written demand letter to do so. The guarantee does not cover any unguaranteed portion of the loan or the note interest to the Holder on the guaranteed loan accruing after 90 calendar days from the date of the Holder's demand letter to the lender requesting the repurchase. The lender may deduct the lender's servicing fee

from the repurchase amount. The lender will accept an assignment without recourse from the Holder upon repurchase. The lender is encouraged to repurchase the loan to facilitate the accounting of funds, resolve problems, and to prevent default where and when reasonable.

(b) *Repurchase by Agency.* (1) If the lender does not repurchase the loan as provided in paragraph (a) of this section, the Agency will purchase from the Holder the unpaid principal balance of the guaranteed portion together with accrued interest to date of repurchase, less the lender's servicing fee, within 30 calendar days after written demand to the Agency from the Holder. The guarantee will not cover the note interest to the Holder on the guaranteed loan accruing after 90 calendar days from the date of the original demand letter of the Holder to the lender requesting the repurchase. Holders of Loan Note Guarantees that have been issued prior to the effective date of this final rule may opt to adhere to the terms and conditions of the Loan Note Guarantee then in effect. In case of loan default, the Holder of a Loan Note Guarantee issued prior to the effective date of this final rule will stipulate, in a written demand for repurchase, its preference for repurchase in accordance with the Loan Note Guarantee issued prior to the effective date of this final rule. If the demand for repurchase does not stipulate a preference for repurchase in accordance with the Loan Note Guarantee issued prior to the effective date of this final rule, the Agency will process the demand for repurchase as stated in this final rule. The Holder must stipulate a preference for repurchase in accordance with the Loan Note Guarantee issued prior to the effective date of this final rule in the first demand for repurchase. The Holder of the Loan Note Guarantee issued prior to the effective date of this final rule cannot make a subsequent demand for repurchase changing the preference stipulated in the original demand for repurchase.

(2) The Holder's demand to the Agency must include a copy of the written demand made to the lender. The Holder must also include evidence of its right to require payment from the Agency.

Such evidence will consist of either the original of the Loan Note Guarantee properly endorsed to the Agency or the original of an Agency approved assignment guarantee agreement, properly assigned to the Agency without recourse including all rights, title, and interest in the loan. The Holder must include in its demand the amount due including unpaid principal, unpaid interest to date of demand, and interest subsequently accruing from date of demand to proposed payment date. The Agency will be subrogated to all rights of the Holder.

(3) The Agency will notify the lender of its receipt of the Holder's demand for payment. The lender must provide the Agency with the information necessary for the Agency to determine the appropriate amount due the Holder within 10 business days from the date of the written demand letter to the lender from the Holder requesting repurchase of the guaranteed portion. The lender will furnish a current statement certified by an appropriate authorized officer of the lender stating the unpaid principal and interest then owed by the borrower on the loan and the amount then owed to any Holder. Any discrepancy between the amount claimed by the Holder and the information submitted by the lender must be resolved between the lender and the Holder before payment will be approved. The Agency will coordinate the resolution of the discrepancy. Such conflict will suspend the running of the 30 calendar day payment requirement.

(4) Purchase by the Agency does not change, alter, or modify any of the lender's obligations to the Agency arising from the loan or guarantee nor does it waive any of the Agency's rights against the lender. As Holder, the Agency will have the right to set-off any payments the Agency owes the lender.

Subpart J—Assignment, Conveyance, and Claims

§ 3565.451 Preclaim requirements.

(a) *Lender certifications.* After borrower default and before filing a claim or assignment of the loan to the Agency, the lender must make every reasonable and prudent effort to resolve the default. The lender must provide the Agency with an accounting of all proposed and actual actions taken to cure the default. The lender must certify that all reasonable efforts to cure the default have been exhausted. Where the lender fails to comply with the terms of the loan guarantee agreement and the corresponding regulations and guidance with regard to liquidating the property, the Agency, at its option, may take possession of the security collateral and dispose of the property.

(b) *Due diligence by lender.* For all loan servicing actions where a market, net recovery or liquidation value determination is required, guaranteed lenders shall perform due diligence in conjunction with the appraisal and submit it to the Agency for review. The Phase I Environmental Site Assessment published by the American Society of Testing and Materials is considered an acceptable format for due diligence.

(c) *Environmental review.* The Agency is required to complete an environmental review under the National Environmental Policy Act, in accordance with 7 CFR part 1970. Servicing actions as defined in § 1970.6 are part of financial assistance already provided and do not require additional NEPA review. However, certain post-financial assistance actions that have the potential to have an effect on the environment, such as lien subordinations, sale or lease of Agency-owned real property, or approval of a substantial change in the scope of a project, as defined in § 1970.8, are subject to a NEPA analysis in accordance with 7 CFR part 1970.

§ 3565.452 Decision to liquidate.

(a) A decision to liquidate shall be made when it is determined that the default cannot be cured through actions contained in § 3565.403 or it has been determined that it is in the best interest of the Agency and the lender to liquidate. For interest accrual purposes, interest will accrue for 90 calendar days after the date the liquidation plan is approved by the Agency. If within 20 calendar days of the Agency's receipt of the liquidation plan, the Agency fails to respond to the lender's proposal or advise the lender to make revisions to the plan that was submitted, the liquidation plan will be approved by default, and the 90 calendar day period for interest accrual will commence.

(b) In the event of a default involving a loan to an Indian tribe or tribal corporation made under this section which is secured by an interest in land within such tribe's reservation (as determined by the Secretary of the Interior), including a community in Alaska incorporated by the Secretary of the Interior pursuant to the Indian Reorganization Act (25 U.S.C. 461 *et seq.*), the lender shall only pursue liquidation after offering to transfer the account to an eligible tribal member, the tribe, or the Indian housing authority serving the tribe. If the lender subsequently proceeds to liquidate the account, the lender shall not sell, transfer, or otherwise dispose of or alienate the property except to one of the entities described in the preceding sentence.

[67 FR 16971, Apr. 9, 2002, as amended at 70 FR 2932, Jan. 19, 2005]

§ 3565.453 Disposition of the property.

(a) Submission of the liquidation plan. The lender will, within 30 calendar days after a decision to liquidate, submit to the Agency in writing, its proposed detailed plan of liquidation. The Agency will inform the lender, in writing, whether the Agency concurs in the lender's liquidation plan. Should the Agency and the lender not agree on the liquidation plan, negotiations will take place between the Agency and the lender to resolve the disagreement. When the liquidation plan is approved by the Agency, the

lender will proceed expeditiously with liquidation. The liquidation plan submitted to the Agency by the lender shall include:

(1) Satisfactory proof of the lender's ownership of the guaranteed loan promissory note and related security instruments.

(2) A copy of the payment ledger or equivalent which reflects the current loan balance and accrued interest to date and the method of computing the interest.

(3) A full and complete list of all collateral including any personal and corporate guarantees.

(4) The recommended liquidation methods for making the maximum collection possible on the indebtedness and the justification for such methods, including recommended actions for:

(i) Obtaining an appraisal of the collateral;

(ii) Acquiring and disposing of all collateral;

(iii) Collecting from guarantors;

(iv) Setting the proposed date of foreclosure; and

(v) Setting the proposed date of liquidation.

(5) Necessary steps for protection of the tenants and preservation of the collateral.

(6) Copies of the borrower's latest available financial statements.

(7) Copies of the guarantor's latest available financial statements.

(8) An itemized list of estimated liquidation expenses expected to be incurred along with justification for each expense.

(9) A schedule to periodically report to the Agency on the progress of liquidation.

(10) Estimated protective advance amounts with justification.

(11) Proposed protective bid amounts on collateral to be sold at auction and a breakdown to show how the amounts were determined.

(12) If a voluntary conveyance is considered, the proposed amount to be credited to the guaranteed debt.

(13) Any legal opinions supporting the decision to liquidate.

(14) The lender will obtain a complete appraisal report on all collateral securing the loan, which will reflect the fair market value and potential liquidation

value, and an examination of the title on the collateral. In order to formulate a liquidation plan, which maximizes recovery, collateral must be evaluated for hazardous substances, petroleum products, or other environmental hazards, which may adversely impact the market value of the collateral.

(b) A transfer and assumption of the borrower's operation can be accomplished before or after the loan goes into liquidation. However, if the collateral has been purchased through foreclosure or the borrower has conveyed title to the lender, no transfer and assumption is permitted.

(c) A protective bid may be made by the lender, with prior Agency written approval, at a foreclosure sale to protect the lender's and the Agency's interest. The protective bid will not exceed the amount of the loan, including expenses of foreclosure, and should be based on the liquidation value considering estimated expenses for holding and reselling the property. These expenses include, but are not limited to, expenses for resale, interest accrual, length of weatherization, and prior liens.

(d) Filing an estimated loss claim. When the lender is conducting the liquidation and owns any or all of the guaranteed portion of the loan, the lender will file an estimated loss claim with the liquidation plan if the lender expects liquidation to exceed 90 calendar days. The estimated loss payment will be based on the outstanding loan amount minus the liquidation value of the collateral. For the purpose of reporting and loss claim computation, the loss claim will be promptly processed in accordance with applicable Agency regulations, as set forth in this section. The loss claim calculation will include 90 calendar days of interest accrual on the defaulted loan at the time the estimated loss claim is paid by the Agency. If the lender estimates that there will be no loss after considering the costs of liquidation, the lender submits an estimated loss claim of zero. Interest accrual will cease 90 calendar days after the date the liquidation plan is approved by the Agency.

(e) Property disposition. Once the liquidation plan has Agency approval, the

Rural Housing Service, USDA

§ 3565.457

lender must make every effort to liquidate the property in a manner that will yield the highest market value consistent with the protections afforded to tenants in 7 CFR part 1944, subpart L or successor regulation.

(f) Accounting and reports. When the lender conducts liquidation, the lender will account for funds during the period of liquidation and provide the Agency with reports at least quarterly on the progress of liquidation, including disposition of collateral, resulting costs, and additional procedures necessary for successful completion of the liquidation.

(g) Transmitting payments and proceeds to the Agency. When the Agency is the Holder of a portion of the guaranteed loan, the lender will transmit to the Agency its pro rata share of any payments received from the borrower, liquidation, or elsewhere.

[70 FR 2932, Jan. 19, 2005]

§ 3565.454 [Reserved]

§ 3565.455 Alternative disposition methods.

The Agency, in its sole discretion, may choose to obtain an assignment of the loan from the lender or conveyance of title obtained by the lender through foreclosure or a deed-in-lieu of foreclosure.

(a) *Assignment*. In the case of an assignment of the loan, the assignment of the security instruments or the security must be in written and recordable form. Completion of the assignment will occur once the following transactions are completed to the Agency's satisfaction.

(1) Conveyance to the Agency of all the lender's rights and interests arising under the loan.

(2) Assignment to the Agency of all claims against the borrower or others arising out of the loan transactions, including:

(i) All collateral agreements affecting financing, construction, use or operation of the property; and

(ii) All insurance or surety bonds, or other guarantees, and all claims under them.

(3) Certification that the collateral has been evaluated for the presence of contamination from the release of haz-

ardous substances, petroleum products or other environmental hazards which may adversely impact the market value of the property and the results of that evaluation.

(b) *Conveyance of title*. In the case of a conveyance of title to the property, the lender must inform the Agency in advance of how it plans to acquire title and a timetable for doing so. The Agency will accept the conveyance upon receipt of an assignment to the Agency of all claims of the lender against the property and assignment of the lender's rights to any operating funds and any reserves or escrows established for the maintenance of the property or the payment of property taxes and insurance.

§ 3565.456 Filing a claim.

Once the lender has disposed of the property or the Agency has agreed to accept an assignment of the loan or conveyance of title to the property, the lender may file a claim for the guaranteed portion of allowable losses. All claim amounts must be calculated in accordance with this subpart and be approved by the Agency.

§ 3565.457 Determination of claim amount.

In all liquidation cases, final settlement will be made with the lender after the collateral is liquidated, unless otherwise designated as a future recovery or after settlement and compromise of all parties has been completed.

(a) *Report of loss form*. An Agency approved form will be used for calculations of all estimated and final loss determinations. Estimated loss payments will only be paid by the Agency after it has approved a liquidation plan.

(b) *Estimated loss*. An estimated loss claim based on liquidation appraisal value will be prepared and submitted by the lender.

(1) The estimated loss payment shall be applied as of the date of such payment. The total amount of the loss payment paid by the Agency will be applied by the lender on the loan debt. Such application does not release the borrower from liability.

(2) The Government's written authorization is required for all protective advances in excess of \$5,000. Protective advances include, but are not limited to, advances made for property taxes, annual assessments, ground rent, hazard or flood insurance premiums affecting the collateral, and other expenses necessary to preserve or protect the security. Attorney fees are not a protective advance. A protective advance claim will be paid only at the time of the final report of loss payment except in certain transfer and assumption situations with Agency approval.

(c) *Final loss.* Within 30 calendar days after liquidation of all collateral, except for certain unsecured personal or corporate guarantees (as provided for in this section) is completed, a final report of loss on a form approved by the Agency must be prepared and submitted by the lender to the Agency. Before approval by the Agency of any final loss report, the lender must account for all funds during the period of liquidation, disposition of the collateral, all costs incurred, and any other information necessary for the successful completion of liquidation. Upon receipt of the final accounting and report of loss, the Agency may audit all applicable documentation to determine the final loss. The lender will make its records available and otherwise assist the Agency in making any investigation. The documentation accompanying the report of loss must support the amounts shown on the report of loss form.

(1) A determination must be made regarding the collectability of unsecured personal and corporate guarantees. If reasonably possible, such guarantees should be promptly collected prior to completion of the final loss report. However, in the event that collection from the guarantors appears unlikely or will require a prolonged period of time, the report of loss will be filed when all other collateral has been liquidated, and unsecured personal or corporate guarantees will be treated as a future recovery with the net proceeds to be shared on a pro rata basis by the lender and the Agency.

(2) The lender must document that all of the collateral has been accounted for and properly liquidated and that

liquidation proceeds have been properly accounted for and applied correctly to the loan.

(3) The lender will show a breakdown of any protective advance amount as to the payee, purpose of the expenditure, date paid, and evidence that the amount expended was proper and that payment was actually made.

(4) The lender will show a breakdown of liquidation expenses as to the payee, purpose of the expenditure, date paid, and evidence that the amount expended was proper and that payment was actually made. Liquidation expenses are recoverable only from collateral proceeds.

(5) Accrued interest will be supported by documentation as to how the amount was accrued.

(6) Loss payments will be paid by the Agency within 60 calendar days after the receipt of the final loss report and accounting of the collateral.

(7) Should there be a circumstance where the lender cannot or will not sign a final report of loss, the State Director may complete the final report of loss and submit it to the Finance Office without the lender's signature. Before this action can be taken, all collateral must be disposed of or accounted for; there must be no evidence of fraud, misrepresentation, or negligent servicing by the lender; and all efforts to obtain the cooperation of the lender must have been exhausted and documented.

(d) *Maximum guarantee payment.* The maximum guarantee payment will not exceed the amount of guarantee percentage as contained in the guarantee agreement (but in no event more than 90%) times the allowable loss amount.

(e) *Rent.* Any net rental or other income that has been received by the lender from the collateral will be applied on the guaranteed loan debt after paying operating expenses of the property.

(f) *Liquidation costs.* Liquidation costs will be deducted from the proceeds of the disposition of primary collateral. If changed circumstances after submission of the liquidation plan require a substantial revision of liquidation costs, the lender will procure the Agency's written concurrence prior to proceeding with the proposed changes.

Rural Housing Service, USDA

§ 3565.502

(g) *Payment.* When the Agency finds the final report of loss to be proper in all respects, it will approve the form and proceed as follows:

(1) If the loss is greater than any estimated loss payment, the Agency will pay the additional amount owed by the Agency to the lender.

(2) If the loss is less than the estimated loss payment, the lender will reimburse the Agency for the overpayment.

(3) If the Agency determines that it is in the Government's best interest to take assignment of the loan and conduct liquidation, as stipulated in 42 U.S.C. 1490(i)(3), Assignment by Secretary, the Agency will pay the lender in accordance with the Loan Note Guarantee.

(h) *Date of loss.* The date of loss is the date on which the collateral will be liquidated in the liquidation plan, unless an alternative date is approved by the Agency. Where the Agency chooses to accept an assignment of the loan or conveyance of title, the date of loss will be the date on which the Agency accepts assignment of the loan or conveyance of title.

(i) *Allowable claim amount.* The allowable claim amount must be calculated by:

(1) Adding to the unpaid principal and interest on the date of loss, an amount approved by the Agency for payments made by the lender for amounts due and owing on the property, including:

(i) Property taxes and other protective advances as approved by the Agency;

(ii) Water and sewer charges and other special assessments that are liens prior to the guaranteed loan;

(iii) Insurance of the property; and

(iv) Reasonable liquidation expenses.

(2) And by deducting the following items:

(i) Any amount received by the lender on the account of the guaranteed loan after the date of default;

(ii) Any net income received by the lender from the secured property after the date of default; and

(iii) Any cash items retained by the lender, except any amount representing a balance of the guaranteed loan not advanced to the borrower.

Any loan amount not advanced will be applied by the lender to reduce the outstanding principal on the loan.

(j) *Lender certification.* The lender must certify that all possibilities of collection have been exhausted and that all of the items specified in paragraph (c) of this section have been identified and reported to the Agency as a condition for payment of claim.

[70 FR 2933, Jan. 19, 2005, as amended at 76 FR 5, Jan. 3, 2011]

§ 3565.458 Withdrawal of claim.

If the lender provides timely written notice to the Agency of withdrawal of the claim, the guarantee will continue as if the default had not occurred if the borrower cures the default prior to foreclosure or prior to acceptance of a deed-in-lieu of foreclosure.
