[45 FR 40566, June 16, 1980, as amended at 87 FR 36213, June 16, 2022]

§ 925.31 Compensation and expenses.

The members of the committee, and alternates when acting as members, shall serve without compensation but may be reimbursed for expenses necessarily incurred by them in the performance of their duties under this part: *Provided*, That the committee at its discretion may request the attendance of one or more alternates at any or all meetings notwithstanding the expected or actual presence of the respective members and may pay expenses as aforesaid.

§ 925.32 Annual report.

The committee should, as soon as practicable, after the close of each fiscal period, prepare and mail an annual

7 CFR Ch. IX (1–1–23 Edition)

report to the Secretary and make a copy available to each grower and handler who requests a copy of the report.

EXPENSES AND ASSESSMENTS

§ 925.40 Expenses.

The committee is authorized to incur such expenses as the Secretary finds are reasonable and likely to be incurred by the committee for its maintenance and functioning and to enable it to exercise its powers and perform its duties in accordance with the provisions of this part. The funds to cover such expenses shall be acquired in the manner prescribed in § 925.41.

§ 925.41 Assessments.

(a) Each person who first handles grapes shall pay to the committee, upon demand, such handler's pro rata share of the expenses which the Secretary finds are reasonable and likely to be incurred by the committee during a fiscal period. The payment of assessments for the maintenance and functioning of the committee may be required under this part throughout the period it is in effect irrespective of whether particular provisions thereof are suspended or become inoperative.

(b) The Secretary shall fix the rate of assessment to be paid by each such person during a fiscal period in an amount designed to secure sufficient funds to cover the expenses which may be incurred during such period and to accumulate and maintain a reserve fund equal to approximately one fiscal period's expenses. At any time during or after a fiscal period, the Secretary may increase the rate of assessment in order to secure sufficient funds to cover any later findings by the Secretary relative to the expenses which may be incurred. Such increase shall be applied to all grapes handled during the applicable fiscal period. In order to provide funds for the administration of the provisions of this part during the first part of a fiscal period before sufficient operating income is available from assessments in the current period's shipments, the committee may accept the payment of assessments in advance, and may also borrow money for such purpose.

Agricultural Marketing Service, USDA

§ 925.50

(c) Any assessment not paid by a handler within a period of time prescribed by the committee may be subject to an interest or late payment charge, or both. The period of time, rate of interest, and late payment charge shall be recommended by the committee and approved by the Secretary. Subsequent to such approval, all assessments not paid within the prescribed time shall be subject to the interest or late payment charge, or both.

§ 925.42 Accounting.

(a) If, at the end of a fiscal period, the assessments collected are in excess of expenses incurred, such excess shall be accounted for in accordance with one of the following:

(1) If such excess is not retained in a reserve, as provided in paragraph (d)(2) of this section, it shall be refunded proportionately to the persons from whom it was collected: *Provided*, That any sum paid by a person in excess of that person's pro rata share of the expenses during any fiscal period may be applied by the committee at the end of such fiscal period to any outstanding obligations due the committee from such person.

(2) The committee, with the approval of the Secretary, may carry over such excess into subsequent fiscal periods as a reserve: *Provided*, That funds in the reserve shall not exceed approximately one fiscal period's expenses. Such reserve funds may be used: (i) To defray expenses, during any fiscal period, prior to the time the assessment income is sufficient to cover such expenses; (ii) to cover deficits incurred during any fiscal period when assessment income is less than expenses; (iii) to defray expenses incurred during any period when any or all provisions of this part are suspended or are inoperative; or (iv) to cover necessary expenses of liquidation in the event of termination of this part. Upon such termination, any funds not required to defray the necessary expenses of liquidation shall be disposed of in such manner as the Secretary may determine to be appropriate: *Provided*, That to the extent practicable such funds shall be returned pro rata to the per-

sons from whom such funds were collected.

(b) All funds received by the committee under this part shall be used solely for the purpose specified in this part and shall be accounted for in the manner provided in this part. The Secretary may at any time require the committee and its members to account for all receipts and disbursements.

(c) Upon the removal or expiration of the term of office of any member of the committee, such member shall account for all receipts and disbursements and deliver all property and funds in such member's possession to the committee, and shall execute such assignments and other instruments as may be necessary or appropriate to vest in the committee full title to all of the property, funds, and claims vested in such member pursuant to this part.

RESEARCH AND MARKET DEVELOPMENT

§ 925.45 Production research and market research and development.

The committee, with the approval of the Secretary, may establish or provide for the establishment of production research, marketing research and development projects designed to assist, improve or promote the marketing, distribution and consumption or the efficient production of grapes. The expense of such projects shall be paid from funds collected pursuant to this part.

§ 925.52 Issuance of regulations.

(a) The Secretary shall regulate, in the manner specified in this section, the handling of grapes upon finding from the recommendations and information submitted by the committee, or from other available information, that such regulation would tend to effectuate the declared policy of the act. Such regulation may:

(4) Fix the size, capacity, weight, dimensions, markings, materials, or pack of the container which may be used in handling of grapes;

(5) Establish holidays by prohibiting the packing of all varieties of grapes during a specified period or periods.

(b) No handler shall handle grapes that were packed during any period when such packing was prohibited by any regulation issued under paragraph (a)(5) of this section unless such grapes are handled under §925.54.

7 CFR Ch. IX (1-1-23 Edition)

§ 925.53 Modification, suspension, or termination of regulations.

(a) In the event the committee at any time finds that, by reason of changed conditions, any regulations issued pursuant to §925.52 should be modified, suspended, or terminated, it shall so recommend to the Secretary.

(b) Whenever the Secretary finds from the recommendations and information submitted by the committee or from other available information that a regulation should be modified, suspended, or terminated with respect to any or all shipments of grapes in order to effectuate the declared policy of the act, the Secretary shall modify, suspend, or terminate such regulation. If the Secretary finds that a regulation obstructs or does not tend to effectuate the declared policy of the act, the Secretary shall suspend or terminate such regulation. On the same basis and in like manner the Secretary may terminate any such modification or suspension.

§ 925.54 Special purpose shipments.

(a) Regulations in effect pursuant to §925.41, §925.52, or §925.55 may be modified, suspended, or terminated to facilitate handling of grapes for purposes which may be recommended by the committee and approved by the Secretary.

(b) The committee shall, with the approval of the Secretary, prescribe such rules, regulations, and safeguards as it may deem necessary to prevent grapes handled under the provisions of this section from entering the channels of trade for other than the specific purposes authorized by this section.

INSPECTION AND CERTIFICATION

§ 925.55 Inspection and certification.

(a) Whenever the handling of any variety of grapes is regulated pursuant to §925.52, each handler who handles grapes shall, prior thereto, cause such grapes to be inspected by the Federal or Federal-State Inspection Service and certified as meeting the applicable requirements of such regulation: *Provided*, That inspection and certification shall not be required for grapes which previously have been so inspected and certified if such prior inspection was

Agricultural Marketing Service, USDA

§ 925.63

performed within such period as may be established pursuant to paragraph (b) of this section. Promptly after the inspection and certification each such handler shall submit, or cause to be submitted, to the committee a copy of the certificate of inspection issued with respect to such grapes.

(b) The committee may, with the approval of the Secretary, establish a period prior to shipment during which the inspection required by this section must be performed.

(c) The committee may enter into an agreement with the Federal and Federal-State Inspection Services with respect to the costs of the inspection required by paragraph (a) of this section, and may collect from handlers their respective pro rata share of such costs.

REPORTS

§ 925.60 Reports.

(a) Each handler shall furnish to the committee, at such times and for such periods as the committee may designate, certified reports covering, to the extent necessary for the committee to perform its functions, each shipment of grapes as follows:

(c) Each handler shall maintain for at least two succeeding fiscal periods after the end of the fiscal period in which the transactions occurred, such records of the grapes received and disposed of by such handler as may be necessary to verify the reports such

handler submits to the committee pursuant to this section.

(d) All reports and records submitted by handlers pursuant to the provisions of this section shall be received by, and at all times be in custody of one or more designated employees of the committee. No such employee shall disclose to any person, other than the Secretary upon request therefor, data or information obtained or extracted from such reports and records which might affect the trade position, financial condition, or business operation of the particular handler from whom received: *Provided*, That such data and information may be combined, and made available to any person, in the form of general reports in which the identities of the individual handlers furnishing the information are not disclosed and may be revealed to any extent necessary to effect compliance with the provisions of this part and the regulations issued thereunder.

MISCELLANEOUS PROVISIONS

§ 925.61 Compliance.

Except as provided in this part, no handler shall handle grapes except in conformity with the provisions of this part and the regulations issued thereunder.

§ 925.62 Right of the Secretary.

Each and every regulation, decision, determination, or other act of the committee shall be subject to the continuing right of the Secretary to disapprove of the same at any time. Upon such disapproval, the disapproved action of the committee shall be deemed null and void, except as to acts done in reliance thereon or in accordance therewith prior to such disapproval by the Secretary.

§ 925.63 Termination.

§ 925.64

the Secretary finds that such provisions do not tend to effectuate the declared policy of the act.

(b) The Secretary shall terminate the provisions of this part whenever it is found by referendum or otherwise that such termination is favored by a majority of the growers: *Provided*, That such majority has during the current marketing season produced more than 50 percent of the volume of grapes which were produced within the production area for shipment in fresh form. Such termination shall become effective on the first day of December subsequent to the announcement thereof by the Secretary.

(c) The provisions of this part shall, in any event, terminate whenever the provisions of the act authorizing them cease to be in effect.

Any action by said trustees shall require the concurrence of a majority of the trustees.

(b) The said trustees shall:

(1) Continue in such capacity until discharged by the Secretary;

(2) From time to time account for all receipts and disbursements and deliver all property on hand, together with all books and records of the committee and of the trustees, to such persons as the Secretary may direct;

(3) Upon the request of the Secretary, execute such assignments or other instruments necessary or appropriate to vest in such person, full title and right to all of the funds, property, and claims vested in the committee or the trustees pursuant thereto.

§ 925.67 Derogation.

Nothing contained in this part is, or shall be construed to be, in derogation or in modification of the rights of the Secretary or of the United States: (a) To exercise any powers granted by the act or otherwise; or (b) in accordance with such powers, to act in the premises whenever such action is deemed advisable.

§ 925.68 Personal liability.

(ii) Containers with a net weight of 5 kilograms (approximately 11 pounds) shall be for export only.

(iii) Such other types and sizes of containers as may be approved by the Committee for experimental or research purposes.

(2) The minimum net weight of grapes in any such containers, except for containers containing grapes packed in sawdust, cork, excelsior or similar packing material, or packed in bags or wrapped in plastic or paper, and containers authorized in paragraph (b)(1)(iii) of this section, shall be 20 pounds based on the average net weight of grapes in a representative sample of containers. Grapes in any such containers packed in bags, or wrapped in plastic or paper prior to being placed in these containers shall meet a minimum net weight of 18 pounds based on the average net weight of grapes in a representative sample of containers: *Provided*, That grapes packed in master containers containing individual consumer packages are exempt from container marking requirements and minimum net weight requirements. Containers of grapes other than master containers containing individual consumer packages shall be marked with the minimum net weight of 20 or 18 pounds.

(3) Such containers of grapes shall be plainly marked with the minimum net weight of grapes contained therein (with numbers and letters at least one-fourth inch in height), the name of the variety of the grapes and the name of the shipper, as provided in §§1436.30 and 1359 of Title 3: California Code of Regulations.

(4) Such containers of grapes shall be plainly marked with the lot stamp number corresponding to the lot inspection conducted by an authorized inspector, except that such requirement shall not apply to containers in the center tier of a lot palletized in a 3 box by 3 box pallet configuration: *Provided*, That pallets of reusable plastic containers shall have the lot stamp number stamped on two USDA-approved pallet tags, each affixed to opposite sides of the pallet of containers, in addition to other required information on the cards of the individual containers.

(c) *Donation to charitable organizations.* Handlers of grapes failing to meet the requirements of §925.55 and paragraph (a) of this section may donate such grapes to charitable organizations. Any such grapes shall not be used for resale. Handlers donating such grapes to a charitable organization shall submit a completed Food Donation Form, CDGAC Form No. 8, as required in §925.160(c), within 2 days of receipt by the intended charity.

(d) *Organically grown grapes.* Organically grown grapes (defined to mean grapes which have been grown for market as natural grapes by performing all the normal cultural practices, but not using any inorganic fertilizers or agricultural chemicals including insecticides, herbicides, and growth regulators, except sulfur) need not meet the minimum individual berry size requirements of this section if the following conditions and safeguards are met: (1) The handler of such grapes has registered and certified with the committee on a date specified by the committee the location of the vineyard, the acreage and variety of grapes, and such other information as may be needed by the committee to carry out these provisions; (2) each container of organically grown grapes bears the words "organically grown" on one outside end of the container in plain letters in addition to requirements specified under paragraph (b)(3) of this section.

(e) *By-product grapes.* The handling of grapes for processing (raisins, crushing and other by-products) is exempt from requirements specified in paragraphs (a), (b), and (c) of this section if the committee determines that the person handling such grapes has secured the appropriate permit or order from the County Agricultural Commissioner, and the by-product plant or packing plant to which the grapes are shipped has adequate facilities for commercial processing, grading, packing or manufacturing of by-products for resale.

(f) *Suspension of packing holidays.* Upon recommendation of the committee and approval of the Secretary, the prohibition against packing or repacking grapes on any Saturday, Sunday or on Memorial Day or Independence Day holidays of each year, may be modified or suspended to permit the

handling of grapes provided such handling complies with procedures and safeguards specified by the committee as follows:

(1) All requests for suspension of a packing holiday shall be in writing, shall state the reasons the suspension is being requested, and shall be submitted to the Committee manager by noon on Wednesday or at least 3 days prior to the requested suspension date;

(2) Upon receipt of a written request, the Committee manager shall promptly give reasonable notice to producers and handlers and to the Secretary that an assembled Committee meeting will be held to discuss the request(s). The representative of the Secretary shall attend the meeting via speakerphone or in person, and all votes of the Committee members shall be cast in person;

(3) The Committee members shall consider marketing conditions (i.e., supplies of competing commodities to include quantities in inventory, the expected demand conditions for grapes in different markets, and any pertinent documents which provide data on market conditions), weather conditions, labor shortages, the size of the crop remaining to be marketed, and other pertinent factors in reaching a decision to suspend packing holidays;

(4) Once a vote is taken, any documents utilized during the meeting will be forwarded immediately to the Secretary's representative and a summary of the Committee's action and reasons for recommending approval or disapproval will be prepared and also forwarded by the committee; and

(5) The Secretary's representative shall notify the Committee manager of approval or disapproval of the request prior to commencement of the suspended packing holiday and the Committee manager shall notify handlers and producers accordingly.
