certified to another Service official for decision. In addition, regional commissioners, regional service center directors, district directors, officers in charge in districts 33 (Bangkok, Thailand), 35 (Mexico City, Mexico), and 37 (Rome, Italy), and the Director, National Fines Office, may certify their decisions to the appropriate appellate authority (as designated in this chapter) when the case involves an unusually complex or novel issue of law or fact.

(2) *Notice to affected party.* When a case is certified to a Service officer, the official certifying the case shall notify the affected party using a Notice of Certification (Form I-290C). The affected party may submit a brief to the officer to whom the case is certified within 30 days after service of the notice. If the affected party does not wish to submit a brief, the affected party may waive the 30-day period.

(3) *Favorable action.* The Service officer to whom a case is certified may suspend the 30-day period for submission of a brief if that officer takes action favorable to the affected party.

(4) *Initial decision.* A case within the appellate jurisdiction of the Associate Commissioner, Examinations, or for which there is no appeal procedure may be certified only after an initial decision is made.

(5) *Certification to AAU.* A case described in paragraph (a)(4) of this section may be certified to the AAU.

(6) *Appeal to Board.* In a case within the Board's appellate jurisdiction, an unfavorable decision of the Service official to whom the case is certified (whether made initially or upon review) is the decision which may be appealed to the Board under §3.1(b) of this chapter.

(7) *Other applicable provisions.* The provisions of §103.3(a)(2)(x) of this part also apply to decisions on certified cases. The provisions of §103.3(b) of this part also apply to requests for oral argument regarding certified cases considered by the AAU.

(b) *Certification of denials of special agricultural worker and legalization applications.* The Regional Processing Facility director or the district director may, in accordance with paragraph (a) of this section, certify a decision to the

§ 103.5 Reopening or reconsideration.

(a) *Motions to reopen or reconsider in other than special agricultural worker and legalization cases—*(1) *When filed by affected party—*(i) *General.* Except where the Board has jurisdiction and as otherwise provided in 8 CFR parts 3, 210, 242 and 245a, when the affected party files a motion, the official having jurisdiction may, for proper cause shown, reopen the proceeding or reconsider the prior decision. Motions to reopen or reconsider are not applicable to proceedings described in §274a.9 of this chapter. Any motion to reconsider an action by the Service filed by an applicant or petitioner must be filed within 30 days of the decision that the motion seeks to reconsider. Any motion to reopen a proceeding before the Service filed by an applicant or petitioner, must be filed within 30 days of the decision that the motion seeks to reopen, except that failure to file before this period expires, may be excused in the discretion of the Service where it is demonstrated that the delay was reasonable and was beyond the control of the applicant or petitioner.

(ii) *Jurisdiction.* The official having jurisdiction is the official who made the latest decision in the proceeding unless the affected party moves to a new jurisdiction. In that instance, the new official having jurisdiction is the official over such a proceeding in the new geographical locations.

(iii) *Filing Requirements.* A motion shall be submitted on Form I-290B and may be accompanied by a brief. It must be:

(A) In writing and signed by the affected party or the attorney or representative of record, if any;

(B) Accompanied by a nonrefundable fee as set forth in 8 CFR 106.2;

(C) Accompanied by a statement about whether or not the validity of the unfavorable decision has been or is the subject of any judicial proceeding

and, if so, the court, nature, date, and status or result of the proceeding;

(D) Addressed to the official having jurisdiction; and

(E) Submitted to the office maintaining the record upon which the unfavorable decision was made for forwarding to the official having jurisdiction.

(iv) *Effect of motion or subsequent application or petition.* Unless the Service directs otherwise, the filing of a motion to reopen or reconsider or of a subsequent application or petition does not stay the execution of any decision in a case or extend a previously set departure date.

(2) *Requirements for motion to reopen.* A motion to reopen must state the new facts to be provided in the reopened proceeding and be supported by affidavits or other documentary evidence. A motion to reopen an application or petition denied due to abandonment must be filed with evidence that the decision was in error because:

(i) The requested evidence was not material to the issue of eligibility;

(ii) The required initial evidence was submitted with the application or petition, or the request for initial evidence or additional information or appearance was complied with during the allotted period; or

(iii) The request for additional information or appearance was sent to an address other than that on the application, petition, or notice of representation, or that the applicant or petitioner advised the Service, in writing, of a change of address or change of representation subsequent to filing and before the Service's request was sent, and the request did not go to the new address.

(3) *Requirements for motion to reconsider.* A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service policy. A motion to reconsider a decision on an application or petition must, when filed, also establish that the decision was incorrect based on the evidence of record at the time of the initial decision.

(4) *Processing motions in proceedings before the Service.* A motion that does

not meet applicable requirements shall be dismissed. Where a motion to reopen is granted, the proceeding shall be reopened. The notice and any favorable decision may be combined.

(5) *Motion by Service officer*—(i) *Service motion with decision favorable to affected party.* When a Service officer, on his or her own motion, reopens a Service proceeding or reconsiders a Service decision in order to make a new decision favorable to the affected party, the Service officer shall combine the motion and the favorable decision in one action.

(ii) *Service motion with decision that may be unfavorable to affected party.* When a Service officer, on his or her own motion, reopens a Service proceeding or reconsiders a Service decision, and the new decision may be unfavorable to the affected party, the officer shall give the affected party 30 days after service of the motion to submit a brief. The officer may extend the time period for good cause shown. If the affected party does not wish to submit a brief, the affected party may waive the 30-day period.

(6) *Appeal to AAU from Service decision made as a result of a motion.* A field office decision made as a result of a motion may be applied to the AAU only if the original decision was appealable to the AAU.

(7) *Other applicable provisions.* The provisions of §103.3(a)(2)(x) of this part also apply to decisions on motions. The provisions of §103.3(b) of this part also apply to requests for oral argument regarding motions considered by the AAU.

(8) *Treating an appeal as a motion.* The official who denied an application or petition may treat the appeal from that decision as a motion for the purpose of granting the motion.

(b) *Motions to reopen or reconsider denials of special agricultural worker and legalization applications.* Upon the filing of an appeal to the Associate Commissioner, Examinations (Administrative Appeals Unit), the Director of a Regional Processing Facility or the consular officer at an Overseas Processing Office may *sua sponte* reopen any proceeding under his or her jurisdiction opened under part 210 or 245a of this

chapter and may reconsider any decision rendered in such proceeding. The new decision must be served on the appellant within 45 days of receipt of any brief and/or new evidence, or upon expiration of the time allowed for the submission of a brief. The Associate Commissioner, Examinations, or the Chief of the Administrative Appeals Unit may *sua sponte* reopen any proceeding conducted by that Unit under part 210 or 245a of this chapter and reconsider any decision rendered in such proceeding. Motions to reopen a proceeding or reconsider a decision under part 210 or 245a of this chapter shall not be considered.

(c) *Motions to reopen or reconsider decisions on replenishment agricultural worker petitions.* (1) The director of a regional processing facility may *sua sponte* reopen any proceeding under part 210a of this title which is within his or her jurisdiction and may render a new decision. This decision may reverse a prior favorable decision when it is determined that there was fraud during the registration or petition processes and the petitioner was not entitled to the status granted. The petitioner must be given an opportunity to offer evidence in support of the petition and in opposition to the grounds for reopening the petition before a new decision is rendered.

(2) The Associate Commissioner, Examinations or the Chief of the Administrative Appeals Unit may *sua sponte* reopen any proceeding conducted by that unit under part 210a of this title and reconsider any decision rendered in such proceeding.

(3) Motions to reopen a proceeding or reconsider a decision under part 210a of this title shall not be considered.
