

relating to any of these issues is determined during the course of the interview, such information shall be forwarded to the investigations unit for appropriate action. If no unresolved derogatory information is determined relating to these issues, the petition shall be approved and the conditional basis of the alien's permanent resident status removed, regardless of any action taken or contemplated regarding other possible grounds for deportation.

(d) *Decision*—(1) *Approval*. If, after initial review or after the interview, the director approves the petition, he or she will remove the conditional basis of the alien's permanent resident status as of the second anniversary of the alien's entry as a conditional permanent resident. He or she shall provide written notice of the decision to the alien and shall require the alien to report to the appropriate district office for processing for a new Permanent Resident Card, Form I-551, at which time the alien shall surrender any Permanent Resident Card previously issued.

(2) *Denial*. If, after initial review or after the interview, the director denies the petition, he or she shall provide written notice to the alien of the decision and the reason(s) therefor, and shall issue an order to show cause why the alien should not be deported from the United States. The alien's lawful permanent resident status and that of his or her spouse and any children shall be terminated as of the date of the director's written decision. The alien shall also be instructed to surrender any Permanent Resident Card previously issued by the Service. No appeal shall lie from this decision; however, the alien may seek review of the decision in deportation proceedings. In deportation proceedings, the burden shall rest with the Service to establish by a preponderance of the evidence that the facts and information in the alien's petition for removal of conditions are not true and that the petition was properly denied.

#### § 1235.4 Withdrawal of application for admission.

The Attorney General may, in his or her discretion, permit any alien applicant for admission to withdraw his or her application for admission in lieu of removal proceedings under section 240 of the Act or expedited removal under section 235(b)(1) of the Act. An alien permitted to withdraw his or her application for admission shall normally remain in carrier or Service custody pending departure, unless the district director determines that parole of the alien is warranted in accordance with § 1212.5(b) of this chapter.
