AMERICAN OVERSEAS INTEREST ACT

Committee on Rules: Granted, by a voice vote, a modified open rule providing 2 hours of general debate on H.R. 1561, American Overseas Interests Act of 1995.

The rule waives clause 2(l)(6) of rule XI (three day availability for committee reports); section 302(f) (prohibiting consideration of legislation providing new entitlement authority in excess of a committee's allocation); 303(a) (prohibiting consideration of budgetary legislation prior to the adoption of the budget resolution); 308(a) requiring a CBO cost estimate in the committee report on legislation containing new entitlement, spending, or budget authority, or a change in revenues); 402(a) (credit authority not subject to appropriations in advance) of the Congressional Budget Act of 1974 against consideration of the bill.

The rule makes in order the amendment in the nature of a substitute recommended by the Committee on International Relations as an original bill for the purpose of amendment. The committee amendment shall be considered as read. The rule waives clause 5(a) of rule XXI (prohibiting appropriations on a legislative bill); section 302(f); 303(a); and 402(a) of the Congressional Budget Act of 1974 against the committee amendment.

The rule requires that amendments be pre-printed in the CONGRESSIONAL RECORD. The rule further provides for consideration for amendment under the 5-minute rule for 10 hours, followed by debate as guaranteed under clause 6 of rule XXIII (permitting five minutes for and against each amendment). Consideration of the bill for amendment may not continue beyond 2:30 p.m., on Thursday, May 25, 1995. The rule allows the chairman of the International Relations Committee the authority to offer certain pre-printed amendments en bloc or germane modifications of any such amendment. The amendments shall not be subject to amendment or to a di-

vision of the question in the House or in the Committee of the Whole.

The rule deletes section 2210 from the committee amendment in the nature of a substitute through a self-executing provision. Section 2210 would establish a new scorekeeping system for certain lease purchasing agreements that is contrary to scorekeeping under the Budget Act. As such, the provision violates section 306 of the Budget Act which prohibits the consideration of amendments under the Budget Committee's jurisdiction if offered to bills not reported by the Budget Committee. Since the Budget Committee has communicated opposition to waiving points of order against the International Relations Committee's amendment in the nature of a substitute for this provision, the provision in the rule would delete the offending section from the substitute.

Finally, the rule provides for one motion to recommit, with or without instructions. Testimony was heard from Chairman Gilman and Representative Hamilton.
