LEGISLATIVE BRANCH APPROPRIATIONS

Committee on Rules: Granted, by voice vote, a structured rule providing for the consideration of H.R. 1854, making appropriations for the Legislative Branch for the fiscal year ending September 1996. The rule provides one hour of general debate divided equally between the chairman and ranking minority member of the Committee on Appropriations.

The rule waives sections 302(f) and section 308(a) of the Budget Act against consideration of the bill. Section 302(f) prohibits consideration of a bill that exceeds a committee's allocation of entitlement authority (in this instance); and section 308(a) requires that the report on a measure to include cost estimates on entitlement changes in the bill. These waivers are necessary due to a minor provision relating to the annual salary level of the Director of the Congressional Research Service which is technically considered an entitlement change, even though the same provision has been contained in past years' Acts as well. Clauses 2 and 6 of rule XXI, prohibiting unauthorized appropriations and legislative provisions in an appropriations bill, and prohibiting reappropriations, respectively, are waived against provisions of the bill.

The rule makes in order only the amendments printed in this report if offered in the order printed, by the Member specified, and for the time specified in the report. The amendments are not subject to an amendment, unless specified in the report, or to a demand for a division of the question in the House or in the Committee of the Whole. All points of order are waived against the amendments. The Chairman of the Committee of the Whole is authorized to postpone record votes and to reduce to 5-

minutes the time for voting after the first of a series of votes. Finally, the rule provides one motion to recommit.

Testimony was heard from Representatives Miller of Florida, Clinger, Houghton, Shays, Davis, Christensen, Schroeder, and Harman.
