The rule makes in order only those amendments printed in Part 2 of the Rules Committee report, in the order specified; by Members designated in the report; debatable for the time specified in the report, equally divided between a proponent and an opponent; and provides for amendments to be considered as read. If adopted, the amendments are considered as part of the base text for further amendment purposes. The rule provides for the reading of the bill by title rather than by paragraph, with each title considered as read. The rule waives clause 2 of rule XXI (prohibiting unauthorized and legislative provisions) and clause 6 of rule XXI (prohibiting reappropriations) against provisions in the bill.
