NOT VOTING—4

Waldholtz
 Yates

□ 1448

Mr. MOORHEAD changed his vote from “nay” to “yea.”

So the motion was agreed to.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

REQUEST TO DISCHARGE COMMITTEE ON APPROPRIATIONS FROM FURTHER CONSIDERATION OF HOUSE JOINT RESOLUTION 119, FURTHER CONTINUING APPROPRIATIONS FOR FISCAL YEAR 1996

Mr. OBEY. Mr. Speaker, I ask unanimous consent that the Committee on Appropriations be discharged from further consideration of House Joint Resolution 119, a clean continuing resolution through midnight tomorrow, and ask for its immediate consideration in the House.

The SPEAKER pro tempore (Mr. COMBEST). Under the guidelines consistently issued by successive Speakers, and procedures recorded on page 534 of the House Rules Manual, the Chair is constrained not to entertain the gentleman's request until it has been cleared by the bipartisan floor and committee leaderships.

Mr. OBEY. Mr. Speaker, I would urge the Speaker to clear such a motion. It obviously needs to be done.

ENFORCEMENT OF PUBLIC DEBT LIMIT AND PROTECTION OF SOCIAL SECURITY AND OTHER FEDERAL TRUST FUNDS AND ACCOUNTS

The SPEAKER pro tempore. The pending business is the question of suspending the rules and passing the bill, H.R. 2621.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas [Mr. ARCHER] that the House suspend the rules and pass the bill, H.R. 2621.

The question was taken.

RECORDED VOTE

Mr. McCRERY. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The vote was taken by electronic device, and there were—ayes 247, noes 179, not voting 6, as follows:

□ 1509

Messrs. CHAPMAN, SKELTON, SISKY, and CRAMER changed their vote from "nay" to "yea."

So (two-thirds not having voted in favor thereof) the motion was rejected.

The result of the vote was announced as above recorded.

PERSONAL EXPLANATION

Mr. FOGLIETTA. Mr. Speaker, due to a delayed flight to Washington, I was forced to miss the vote on Senate Concurrent Resolution 31, honoring Yitzhak Rabin. Had I been present, I would have voted "aye."

ICC TERMINATION ACT OF 1995

Mr. QUILLEN. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 259 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 259

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2539) to abolish the Interstate Commerce Commission, to amend subtitle IV of title 49, United States Code, to reform economic regulation of transportation, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill for failure to comply with section 302(f) or 308(a) of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Transportation and Infrastructure. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Transportation and Infrastructure now printed in the bill. The committee amendment in the nature of a substitute shall be considered by title rather than by section. The first section and each title shall be considered as read. Points of order against the committee amendment in the nature of a substitute for failure to comply with clause 5(a) of rule XXI or section 302(f) of the Congressional Budget Act of 1974 are waived. Before consideration of any other amendment, if shall be in order without intervention of any point of order to consider the amendment caused by the chairman of the Committee on Transportation and Infrastructure to be printed in the portion of the Congressional Record designated for the purpose in clause 6 of rule XXIII. That amendment may be offered only by the chairman of the Committee on Transportation and Infrastructure or his designee, shall be considered as read, shall be debatable for ten minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. If that amendment is adopted, the bill, as amended, shall be considered as the original bill for the purpose of further amendment. During further consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for the purpose in clause 6 of the rule XXIII. Amendments so printed shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

The SPEAKER pro tempore. The gentleman from Tennessee [Mr. QUILLEN] is recognized for 1 hour.

Mr. QUILLEN. Mr. Speaker, I yield myself such time as I may consume.

(Mr. QUILLEN asked and was given permission to revise and extend his remarks.)

□ 1515

Mr. QUILLEN. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the distinguished ranking member of the Rules Committee, the gentleman from Massachusetts [Mr. MOAKLEY], pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate only.

Mr. Speaker, House Resolution 259 is an open rule providing for the consideration of H.R. 2539, the ICC Termination Act of 1995. The rule provides 1 hour of general debate divided equally between the chairman and ranking minority member of the Committee on Transportation and Infrastructure.

The rule waives section 302(f)—prohibiting consideration of legislation providing new entitlement authority in excess of a committee's allocation—and section 308(a)—requiring a CBO cost estimate in the committee report on legislation containing new entitlement, spending, or budget authority, or a change in revenues—of the Congressional Budget Act of 1974 against consideration of the bill.

The bill creates the position of director of the transportation adjudication panel and prescribes the rate of pay for this position. This would be considered an entitlement and, therefore, requires these Budget Act waivers.

The rule makes in order the Committee on Transportation and Infrastructure amendment in the nature of a substitute now printed in the bill as an original bill for the purpose of amendment. Section 302(f) of the Congressional Budget Act and clause 5(a) of rule XXI—prohibiting appropriations in a legislative bill—are waived against the committee amendment in the nature of a substitute.

These waivers are necessary to protect provisions which authorize the Secretary of Transportation to collect registration fees and use them to cover costs of operations relating to the registration system without further appropriation.

Mr. Speaker, the rule further provides for the consideration of a manager's amendment printed in the CONGRESSIONAL RECORD of November 13, 1995, which is considered as read, not subject to amendment or to a division of the question, and is debatable for 10 minutes equally divided between the proponent and an opponent of the amendment. If adopted, the amendment is considered as part of the base text for the purpose of further amendment.

Under the rule, the Chair may accord priority in recognition to members who
