

REMOVAL OF NAME OF MEMBER  
AS COSPONSOR OF H.R. 774

Mrs. SEASTRAND. Mr. Speaker, I ask unanimous consent that my name be removed as a cosponsor of H.R. 774. The SPEAKER pro tempore (Mr. INGLIS of South Carolina). Is there objection to the request of the gentleman from California?

There was no objection.

#### LEGISLATIVE PROGRAM

(Mr. BONIOR asked and was given permission to address the House for 1 minute.)

Mr. BONIOR. Mr. Speaker, I wish to take this opportunity to inquire of the majority leader the schedule for next week.

Mr. ARMEY. Mr. Speaker, will the gentleman yield?

Mr. BONIOR. I yield to the gentleman from Texas.

Mr. ARMEY. Mr. Speaker, the House will not be in session on Monday, May 8. On Tuesday, May 9, the House will meet at 12:30 p.m. for morning hour and 2 o'clock p.m. for legislative business to take up H.R. 1139, the Striped Bass Conservation Act Amendments of 1995.

Mr. Speaker, of course, this is very important legislation, and we will want to give it our immediate attention. Mr. Speaker, this bill will be considered under suspension of the rules.

After we complete H.R. 1139, we plan to take up H.R. 1361, the fiscal year 1996 Coast Guard reauthorization, which is subject to a rule. While it is our intent to complete consideration of H.R. 1361 on Tuesday, we do not expect Tuesday to be a late night for Members. Members should be advised that we do not expect any recorded votes to be taken before 3:30 p.m. on Tuesday.

On Wednesday the House will meet at 11 o'clock a.m. to consider H.R. 961, the Clean Water Act Amendments of 1995, subject to a rule. We expect consideration of this bill to extend through the end of the week. The House will meet at 10 o'clock a.m. on Thursday and Friday. It is our hope to have Members on their way home to their families and their districts by no later than 3 o'clock p.m. on Friday.

Mr. BONIOR. If I might inquire to my friend from Texas, on Tuesday we have the suspension bill that the gentleman mentioned, which I know is of great interest particularly to my friend from Texas, who is one of the best at that sport. But let me ask you this: Is it possible if we could not hold the votes until 5 p.m. on Tuesday, given the fact we are going to have a suspension bill and the Coast Guard authorization will be under an open rule?

Mr. ARMEY. Well, I appreciate the gentleman's inquiry, but we do believe there will be some important amendments offered on the Coast Guard bill that follows. We do not expect a vote on the rule, but I do think in fairness to all Members who would participate in that important legislation, that we

need to be prepared to have the membership prepared to have a vote as early as 3:30, but not before 3:30, on Tuesday.

Mr. BONIOR. Before 3:30?

Mr. ARMEY. 3:30, yes.

Mr. BONIOR. Does the gentleman plan to vote directly on the suspension on Tuesday, or are we going to take that up after the Coast Guard bill?

Mr. ARMEY. If there is a vote on the suspension ordered, we will roll that vote. But we do not intend to roll votes that might be called while we are in the Committee of the Whole.

Mr. BONIOR. I thank the gentleman. So Members would be safe until 3:30, and presumably longer?

Mr. ARMEY. Right.

Mr. BONIOR. Do you expect votes on Friday?

Mr. ARMEY. At this point, I think we have to be prepared for votes on Friday. We will be working on the Clean Water Act, and again we want to be able to, as we prepare for the week, be prepared to accommodate all the participation that any of the Members might want to make on that.

Mr. BONIOR. On the clean water bill that we will have before us, since it is probably one of the most important environmental pieces of legislation that we will consider in this body this Congress, I would ask my friend, what do you anticipate with respect to a rule?

It is our hope, obviously, that the rule will be open and we will not have a time cap on amendments, especially as the latter part of the week looks as if it is open and we can use indeed Thursday and Friday to complete this. I would hope that we would have an open process on this important bill.

Mr. ARMEY. Well, again, the gentleman is absolutely correct on that, although a rule has not yet been granted. It is anticipated that will be an open rule, and on that basis it is our anticipation we should expect some votes on Friday.

Mr. BONIOR. I would hope we would not have a time cap on that bill, I would ask my colleague. We want to clean up the waters of the country so you can catch all the great bass you referred to.

Mr. ARMEY. The gentleman's priorities are those I applaud in that regard. We want to keep this as open a process as possible.

Mr. BONIOR. Finally, I would inquire from my friend from Texas with respect to the budget resolution. We are now into the 3d day of the month of May and we are past the April 15 deadline in which a budget resolution is required to be produced by this Congress. We are weeks behind. It is the first time that we have been behind in a number of years.

When are you going to bring the budget bill to the floor?

Mr. ARMEY. It is our anticipation we can have the budget bill to the floor the week after next on May 17. Obviously the committee is working very hard and working as much as it can in

conjunction with other committees. I checked with the committee, and we are very confident that that timetable will hold up.

Mr. BONIOR. I thank the gentleman and yield back my time.

Mr. ARMEY. If the gentleman would yield for one final observation, as long as we are on the subject of striped and other bass, may I just ask the Nation, catch 'em, kiss 'em, and release 'em.

#### AUTHORIZING THE SPEAKER AND THE MINORITY LEADER TO ACCEPT RESIGNATIONS AND TO MAKE APPOINTMENTS NOTWITHSTANDING ADJOURNMENT

Mr. ARMEY. Mr. Speaker, I ask unanimous consent that notwithstanding any adjournment of the House until Tuesday, May 9, 1995, the Speaker and the minority leader be authorized to accept resignations and to make appointments authorized by law or by the House.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

#### DISPENSING WITH CALENDAR WEDNESDAY BUSINESS ON WEDNESDAY NEXT

Mr. ARMEY. Mr. Speaker, I ask unanimous consent that business in order under the Calendar Wednesday rule be dispensed with on Wednesday, May 10, 1995.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Texas?

There was no objection.

Mr. ARMEY. Mr. Speaker, if I may just take a moment, I would like to thank all of these Members that are patiently waiting for their 1-minutes for the courtesy they have extended Mr. BONIOR, the Democratic whip, and myself, in carrying out this colloquy.

#### REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 1361, THE COAST GUARD AUTHORIZATION ACT FOR FISCAL YEAR 1996

Mr. DIAZ-BALART, from the Committee on Rules, submitted a privileged report (Rept. No. 104-111) on the resolution (H. Res. 139) providing for the consideration of the bill (H.R. 1361) to authorize appropriations for fiscal year 1996 for the Coast Guard, and for other purposes, which was referred to the House Calendar and ordered to be printed.

#### TIME TO KEEP CONTRACT WITH OLDER AMERICANS

(Mr. TATE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TATE. Mr. Speaker, we were sent here to keep our word with the Contract With America, and that is exactly what we did. Now we plan to keep a contract with our older Americans. Bill Clinton's own Medicare Board of Trustees, which includes the Cabinet members of Mr. Rubin, Secretary Shalala, and Secretary Reich, came out with a report that said that Medicare will be insolvent in the next few years, within 7 years. But have we heard something from the President? I am still listening. I have heard nothing.

This report that came out is not a Republican fact, it is not a Democrat fact. It is the Board of Trustees, and it is a fact.

Now, the Democrats' proposal as well, we had health care reform last year and that had Medicare reforms. If you have a leaky roof, you do not tear off the entire roof, you fix the leak. And that is what we want to do. Republicans are committed to preserve, to protect, and to improve Medicare, not to bury our heads in the sand, and that is exactly what we are going to do.

#### KEEP MEDICARE SOLVENT

(Ms. PELOSI asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. PELOSI. Mr. Speaker, our seniors depend on Medicare, and its solvency is a national priority. That is why President Clinton addressed this issue as soon as he took office in 1993.

The omnibus budget bill of 1993 not only reduced the deficit; it also strengthened the Medicare Trust Fund and made it solvent for 3 additional years. President Clinton and the Democrats in Congress did this without one Republican vote. The administration also recognized that Medicare could only be solvent if we have comprehensive health care reform. These initiatives passed out of committee without one Republican vote.

□ 1145

Now, Mr. Speaker, Republicans are poised to take \$300 billion over 7 years from the Medicare Program. The Republicans plan to use the Medicare Program as a bank for their tax cuts. We must not let this happen. These Medicare cuts will cost seniors \$3,000 over the next 7 years, using up most of their Social Security cost-of-living adjustment.

Chief of Staff Panetta said it well when he said, "No amount of accounting gimmicks, separate accounts, dual budget reconciliations can hide the reality that you," the Republicans, "essentially are calling for the largest Medicare cut in history to pay for tax cuts for the well-off."

We must fight these cuts.

#### TRADE IMBALANCE WITH JAPAN

(Mrs. MEYERS of Kansas asked and was given permission to address the

House for 1 minute and to revise and extend her remarks.)

Mrs. MEYERS of Kansas. Mr. Speaker, today U.S. Trade Representative Mickey Kantor is meeting with Japanese Trade Representative Hashimoto in Canada to discuss United States auto sales in Japan. Last year, as in previous years, the largest share of our trade imbalance with Japan was in the automotive sector. In 1994, this imbalance was about \$37 billion and represented 56 percent of our total trade deficit with Japan.

Japan has the second largest auto market in the world, but has by far the lowest sales of imported cars and trucks of all industrialized nations that manufacture cars.

General Motors has been building cars in the Third District of Kansas since the late 1940's, and I hope they will be there for another 50 years. But to ensure the success of our domestic automobile manufacturers, we must gain access to the second largest auto market in the world.

Right now Japanese auto makers hold 22 percent of the United States market, while the United States "Big Three" has only 1 percent of the Japanese market. United States Trade Representative Kantor should take all steps necessary to level this playing field with Japan. So long as this automotive imbalance exists, we will never be able to reduce our trade deficit with Japan.

#### WALK AMERICA

(Mr. BARRETT of Wisconsin asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BARRETT of Wisconsin. Mr. Speaker, today I rise to recognize the 25th anniversary of Walk America, the annual fundraiser for the March of Dimes, and one of the most important walking events in the Nation.

In 1938, President Franklin Delano Roosevelt, a man who wanted to save future generations from the pain of paralysis that he understood so well, founded the National Foundation for Infantile Paralysis, which later became the March of Dimes.

For almost 60 years, the March of Dimes has been helping America's children live healthier lives. In Wisconsin, grants from the March of Dimes have provided prenatal care for low-income women, bought soccer tickets for children with disabilities, and funded research that has led to breakthroughs in understanding birth defects.

Building a healthy future for our kids is an important part of what this Congress is all about, and the March of Dimes has provided invaluable assistance and dedication for our work in this direction.

I appreciate this opportunity to thank the March of Dimes on behalf of my State and to wish the foundation continued success.

#### OPENING JAPANESE MARKETS

(Mr. LEVIN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LEVIN. Mr. Speaker, it was 10 years ago that MARCY KAPTUR and I met with Japanese officials about opening their markets to United States auto parts. Imports then had less than 1 percent of Japan's protected market. Today, despite incessant American efforts, that figure is only 2.4 percent.

The Japanese sell their automotive products on every United States Main Street, but they make it difficult, often impossible, to sell United States products even on Japanese side streets.

The negotiations that begin today in Vancouver are make it or break it for opening the Japanese market. That is why there is broad support on a bipartisan basis here in Congress and in the U.S. business community, from the Business Roundtable and NAM to semiconductors and motion pictures.

Japan's protected markets undermine the world trading system. Resolution of this issue with Japan will affect this Nation's economic future, the confidence of Americans in their Nation's trade policy.

#### CIVIL LIBERTIES FOR ALL

(Mr. FRANK of Massachusetts asked and was given permission to address the House for 1 minute.)

Mr. FRANK of Massachusetts. Mr. Speaker, I am fascinated with the process by which right-wingers have become devotees of civil liberties. A few years ago, when a lot of them were getting indicted, they became great supporters of such procedural protections as due process and the fifth amendment.

Now we have seen a great rightwing rush, late in life, but I always like conversions, to embrace the principles of free speech. They have now decided that people who say crazy, irresponsible, dangerous things under the first amendment should be allowed to say them. I agree with them. I have always felt that way.

The problem is that they only imperfectly understand that. Because the fact is that the right to say these kinds of things—irresponsible and obnoxious and in some cases threatening—cannot only go to their rightwing caricatures. It goes to the left as well.

I am particularly struck by the fact that many of those who wanted the rapper Ice-T to be shut up and taken off the air, because he talked about killing policemen—and he certainly was, in my judgment, obnoxious and irresponsible—turn around and want to honor G. Gordon Liddy.

Now, they got a little embarrassed after the Oklahoma bombing, so they backed away from Liddy a little bit. But the fact is, there is very little difference morally or in the nature of the rhetoric between Ice-T and G. Gordon
