

as the utilization of international diversionary shipping routes to and from Libya. The FAC has continued to work closely with the Departments of State and Justice to identify U.S. persons who enter into contracts or agreements with the Government of Libya, or other third-country parties, to lobby United States Government officials or to engage in public relations work on behalf of the Government of Libya without FAC authorization. In addition, during the period FAC hosted or attended several bilateral and multilateral meetings with foreign sanctions authorities, as well as with private foreign institutions, to consult on issues of mutual interest and to encourage strict adherence to the U.N.-mandated sanctions.

5. The expenses incurred by the Federal Government in the 6-month period from July 7, 1994, through January 6, 1995, that are directly attributable to the exercise of powers and authorities conferred by the declaration of the Libyan national emergency are estimated at approximately \$1.4 million. Personnel costs were largely centered in the Department of the Treasury (particularly in the Office of Foreign Assets Control, the Office of the General Counsel, and the U.S. Customs Service), the Department of State, and the Department of Commerce.

6. The policies and actions of the Government of Libya continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. In adopting UNSCR 883 in November 1993, the Security Council determined that the continued failure of the Government of Libya to demonstrate by concrete actions its renunciation of terrorism, and in particular its continued failure to respond fully and effectively to the requests and decisions of the Security Council in UNSCRs 731 and 748, concerning the bombing of the Pan Am 103 and UTA 772 flights, constituted a threat to international peace and security. The United States continues to believe that still stronger international measures than those mandated by UNSCR 883, possibly including a worldwide oil embargo, should be imposed if Libya continues to defy the will of the international community as expressed in UNSCR 731. We remain determined to ensure that the perpetrators of the terrorist acts against Pan Am 103 and UTA 772 are brought to justice. The families of the victims in the murderous Lockerbie bombing and other acts of Libyan terrorism deserve nothing less. I shall continue to exercise the powers at my disposal to apply economic sanctions against Libya fully and effectively, so long as those measures are appropriate, and will continue to report periodically to the Congress on significant developments as required by law.

To the Congress of the United States:

In accordance with section 540 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. 360qq) (previously section 360D of the Public Health Service Act), I am submitting the report of the Department of Health and Human Services regarding the administration of the Radiation Control for Health and Safety Act of 1968 during calendar year 1993.

The report recommends the repeal of section 540 of the Federal Food, Drug, and Cosmetic Act that requires the completion of this annual report. All the information found in this report is available to the Congress on a more immediate basis through the Center for Devices and Radiological Health technical reports, the Radiological Health Bulletin, and other publicly available sources. This annual report serves little useful purpose and diverts Agency resources from more productive activities.

RULES OF PROCEDURE FOR THE COMMITTEE ON TRANSPORTATION AND INFRASTRUCTURE FOR THE 104TH CONGRESS

(Mr. SHUSTER asked and was given permission to extend his remarks at

this point in the RECORD and to include extraneous matter.)

Mr. SHUSTER. Mr. Speaker, pursuant to clause 2(a) of House rule XI, I submit a copy of the Rules of The Committee on Transportation and Infrastructure.

RULES OF THE COMMITTEE ON TRANSPORTATION AND INFRASTRUCTURE

RULE I.—GENERAL PROVISIONS

(a) Applicability of House Rules.—(1) The Rules of the House are the rules of the Committee and its subcommittees so far as applicable, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, are non-debatable motions of high privilege in the Committee and its subcommittees.

(2) Each subcommittee is part of the Committee, and is subject to the authority and direction of the Committee and its rules so far as applicable.

(3) Rule XI of the Rules of the House, which pertains entirely to Committee procedure, is incorporated and made a part of the rules of the Committee to the extent applicable.

(b) Authority to Conduct Investigations.—The Committee is authorized at any time to conduct such investigations and studies as it may consider necessary or appropriate in the exercise of its responsibilities under Rule X of the Rules of the House and (subject to the adoption of expense resolutions as required by Rule XI, clause 5 of the Rules of the House) to incur expenses (including travel expenses) in connection therewith.

(c) Authority to Print.—The Committee is authorized to have printed and bound testimony and other data presented at hearings held by the Committee. All costs of stenographic services and transcripts in connection with any meeting or hearing of the Committee shall be paid from the contingent fund of the House.

(d) Activities Report.—(1) The Committee shall submit to the House, not later than January 2 of each odd-numbered year, a report on the activities of the Committee under Rules X and XI of the Rules of the House during the Congress ending on January 3 of such year.

(2) Such report shall include separate sections summarizing the legislative and oversight activities of the Committee during that Congress.

(3) The oversight section of such report shall include a summary of the oversight plans submitted by the Committee pursuant to clause 2(d) of Rule X of the Rules of the House, a summary of the actions taken and recommendations made with respect to each such plan, and a summary of any additional oversight activities undertaken by the Committee, and any recommendations made or actions taken thereon.

(e) Publication of Rules.—The Committee's rules shall be published in the Congressional Record not later than 30 days after the Committee is elected in each odd-numbered year.

RULE II.—REGULAR, ADDITIONAL AND SPECIAL MEETINGS

(a) Regular Meetings.—Regular meetings of the Committee shall be held on the first Wednesday of every month to transact its business unless such day is a holiday, or Congress is in recess or is adjourned, in which case the Chairman shall determine the regular meeting day of the Committee for that month. The Chairman shall give each member of the Committee, as far in advance of the day of the regular meeting as the circumstances make practicable, a written notice of such meeting and the matters to be considered at such meeting. If the Chairman

believes that the Committee will not be considering any bill or resolution before the full Committee and that there is no other business to be transacted at a regular meeting, the meeting may be canceled or it may be deferred until such time as, in the judgment of the Chairman, there may be matters which require the Committee's consideration. This paragraph shall not apply to meetings of any subcommittee.

(b) **Additional Meetings.**—The Chairman may call and convene, as he or she considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other committee business. The Committee shall meet for such purpose pursuant to the call of the Chairman.

(c) **Special Meetings.**—If at least three members of the Committee desire that a special meeting of the Committee be called by the Chairman, those members may file in the offices of the Committee their written request to the Chairman for that special meeting. Such request shall specify the measure or matter to be considered. Immediately upon the filing of the request, the clerk of the Committee shall notify the Chairman of the filing of the request. If, within three calendar days after the filing of the request, the Chairman does not call the requested special meeting to be held within 7 calendar days after the filing of the request, a majority of the members of the Committee may file in the offices of the Committee their written notice that a special meeting of the Committee will be held, specifying the date and hour thereof, and the measures or matter to be considered at that special meeting. The Committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the Committee shall notify all members of the Committee that such meeting will be held and inform them of its date and hour and the measure or matter to be considered; and only the measure or matter specified in that notice may be considered at that special meeting.

(d) **Vice Chairman.**—The Chairman shall appoint a vice chairman of the Committee and of each subcommittee. If the Chairman of the Committee or subcommittee is not present at any meeting of the Committee or subcommittee, as the case may be, the vice chairman shall preside. If the vice chairman is not present, the ranking member of the majority party on the Committee or subcommittee who is present shall preside at that meeting.

(e) **Prohibition on Sitting During 5-Minute Rule.**—The Committee may not sit, without special leave, while the House is reading a measure for amendment under the 5-minute rule. The Committee may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

(f) **Addressing the Committee.**—A Committee member may address the Committee or a subcommittee on any bill, motion, or other matter under consideration or may question a witness at a hearing only when recognized by the Chairman for that purpose. The time a member may address the Committee or subcommittee for any such purpose or to question a witness shall be limited to 5 minutes, except that this time limit may be waived by the Chairman, and a member shall be limited in his or her remarks to the subject matter under consideration. The Chairman shall enforce the preceding sentence.

(g) **Meetings to Begin Promptly.**—Each meeting or hearing of the Committee shall begin promptly at the time so stipulated in the public announcement of the meeting or hearing.

RULE III.—OPEN MEETINGS AND HEARINGS; BROADCASTING

(a) **Open meetings.**—Each meeting for the transaction of business, including the markup of legislation, and each hearing of the Committee or a subcommittee shall be open to the public, except as provided by clause 2(g) of Rule XI of the Rules of the House.

(b) **Broadcasting.**—Whenever a meeting for the transaction of business, including the markup of legislation, or a hearing is open to the public, that meeting or hearing shall be open to coverage by television, radio, and still photography in accordance with clause 3 of Rule XI of the Rules of the House.

RULE IV.—RECORDS AND ROLL CALLS

(a) **Keeping of Records.**—The Committee shall keep a complete record of all Committee action which shall include—

(1) in the case of any meeting or hearing transcripts, a substantially verbatim account of remarks actually made during the proceedings, subject only to technical, grammatical and typographical corrections authorized by the person making the remarks involved, and

(2) a record of the votes on any question on which a roll call is demanded.

The result of each such roll call vote shall be made available by the Committee for inspection by the public at reasonable times in the offices of the Committee. Information so available for public inspection shall include a description of the amendment, motion, order or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members present but not voting. A record vote may be demanded by one-fifth of the members present.

(b) **Property of the House.**—All Committee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the member serving as Chairman of the Committee; and such records shall be the property of the House and all Members of the House shall have access thereto.

(c) **Availability of Archived Records.**—The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule XXXVI of the Rules of the House. The Chairman shall notify the ranking minority member of the Committee of any decision, pursuant to clause 3(b)(3) or clause 4(b) of such rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on written request of any member of the Committee.

RULE V.—POWER TO SIT AND ACT; SUBPOENA POWER

(a) **Authority to Sit and Act.**—For the purpose of carrying out any of its functions and duties under Rules X and XI of the Rules of the House, the Committee and each of its subcommittees, is authorized (subject to paragraph (b)(1) of this Rule)—

(1) to sit and act at such times and places within the United States whether the House is in session, has recessed, or has adjourned and to hold such hearings, and

(2) to require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memorandums, papers, and documents,

as it deems necessary. The Chairman of the Committee, or any member designated by the Chairman, may administer oaths to any witness.

(b) **Issuance of Subpoenas.**—(1) A subpoena may be issued by the Committee or subcommittee under paragraph (a)(2) in the conduct of any investigation or activity or se-

ries of investigations or activities, only when authorized by a majority of the members voting, a majority being present. Such authorized subpoenas shall be signed by the Chairman of the Committee or by any member designated by the Committee. If a specific request for a subpoena has not been previously rejected by either the Committee or subcommittee, the Chairman of the Committee, after consultation with the ranking minority member of the Committee, may authorize and issue a subpoena under paragraph (a)(2) in the conduct of any investigation or activity or series of investigations or activities, and such subpoena shall for all purposes be deemed a subpoena issued by the Committee. As soon as practicable after a subpoena is issued under this Rule, the Chairman shall notify all members of the Committee of such action.

(2) Compliance with any subpoena issued by the Committee or subcommittee under paragraph (a)(2) may be enforced only as authorized or directed by the House.

(c) **Expenses of Subpoenaed Witnesses.**—Each witness who has been subpoenaed, upon the completion of his or her testimony before the Committee or any subcommittee, may report to the offices of the Committee, and there sign appropriate vouchers for travel allowances and attendance fees. If hearings are held in cities other than Washington, DC, the witness may contact the counsel of the Committee, or his or her representative, before leaving the hearing room.

RULE VI.—QUORUMS

(a) **Working Quorum.**—One-third of the members of the Committee or a subcommittee shall constitute a quorum for taking any action other than the closing of a meeting pursuant to clauses 2(g) and 2(k)(5) of Rule XI of the Rules of the House, the authorizing of a subpoena pursuant to paragraph (b) of Committee Rule V, the reporting of a measure or recommendation pursuant to paragraph (b)(1) of Committee Rule VIII, and the actions described in paragraphs (b), (c) and (d) of this Rule.

(b) **Quorum for Reporting.**—A majority of the members of the Committee or a subcommittee shall constitute a quorum for the reporting of a measure or recommendation.

(c) **Approval of Certain Matters.**—A majority of the members of the Committee or a subcommittee shall constitute a quorum for approval of a resolution concerning any of the following actions:

(1) A prospectus for construction, alteration, purchase or acquisition of a public building or the lease of space as required by section 7 of the Public Buildings Act of 1959.

(2) Survey investigation of a proposed project for navigation, flood control, and other purposes by the Corps of Engineers (section 4 of the Rivers and Harbors Act of March 4, 1913, 33 U.S.C. 542).

(3) Construction of a water resources development project by the Corps of Engineers with an estimated Federal cost not exceeding \$15,000,000 (section 201 of the Flood Control Act of 1965).

(4) Deletion of water quality storage in a Federal reservoir project where the benefits attributable to water quality are 15 percent or more but not greater than 25 percent of the total project benefits (section 65 of the Water Resources Development Act of 1974).

(5) Authorization of a Natural Resources Conservation Service watershed project involving any single structure of more than 4,000 acre feet of total capacity (section 2 of P.L. 566, 83rd Congress).

(d) **Quorum for Taking Testimony.**—Two members of the Committee or subcommittee shall constitute a quorum for the purpose of taking testimony and receiving evidence.

RULE VII.—HEARING PROCEDURES

(a) Announcement.—The Chairman, in the case of a hearing to be conducted by the Committee, and the appropriate subcommittee Chairman, in the case of a hearing to be conducted by a subcommittee, shall make public announcement of the date, place, and subject matter of such hearing at least one week before the hearing unless the Committee determines that there is good cause to begin the hearing at an earlier date. In the latter event the Chairman or the subcommittee chairman, as the case may be, shall make such public announcement at the earliest possible date. The clerk of the Committee shall promptly notify the Daily Digest Clerk of the Congressional Record and shall promptly enter the appropriate information into the Committee scheduling service of the House Information Systems as soon as possible after such public announcement is made.

(b) Written Statement; Oral Testimony.—So far as practicable, each witness who is to appear before the Committee or a subcommittee shall file with the clerk of the Committee or subcommittee, at least 2 working days before the day of his or her appearance, a written statement of proposed testimony and shall limit his or her oral presentation to a summary of the written statement.

(c) Minority Witnesses.—When any hearing is conducted by the Committee or any subcommittee upon any measure or matter, the minority party members on the Committee or subcommittee shall be entitled, upon request to the Chairman by a majority of those minority members before the completion of such hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon.

(d) Summary of Subject Matter.—Upon announcement of a hearing, to the extent practicable, the Committee shall make available immediately to all members of the Committee a concise summary of the subject matter (including legislative reports and other material) under consideration. In addition, upon announcement of a hearing and subsequently as they are received, the Chairman shall make available to the members of the Committee any official reports from departments and agencies on such matter.

(e) Participation of Committee Members in Subcommittees.—All members of the Committee may sit with any subcommittee during any hearing or deliberations and may participate in such hearing or deliberations, but a member who is not a member of the subcommittee may not vote on any matter before such subcommittee.

(f) Questioning of Witnesses.—The questioning of witnesses in Committee and subcommittee hearings shall be initiated by the Chairman, followed by the ranking minority member and all other members alternating between the majority and minority parties. In recognizing members to question witnesses in this fashion, the Chairman shall take into consideration the ratio of the majority to minority members present and shall establish the order of recognition for questioning in such a manner as not to disadvantage the members of the majority nor the members of the minority. The Chairman may accomplish this by recognizing two majority members for each minority member recognized.

(g) Investigative Hearings.—(1) Clause 2(k) of Rule XI of the Rules of the House (relating to additional rules for investigative hearings) applies to investigative hearings of the Committee and its subcommittees.

(2) A subcommittee may not begin a major investigation without approval of a majority of such subcommittee.

RULE VIII.—PROCEDURES FOR REPORTING BILLS AND RESOLUTIONS

(a) Filing of Reports.—(1) The Chairman of the Committee shall report promptly to the House any measure or matter approved by the Committee and take necessary steps to bring the measure or matter to a vote.

(2) The report of the Committee on a measure or matter which has been approved by the Committee shall be filed within 7 calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the clerk of the Committee a written request, signed by a majority of the members of the Committee, for the reporting of that measure or matter. Upon the filing of any such request, the clerk of the Committee shall transmit immediately to the Chairman of the Committee notice of the filing of that request.

(b) Quorum; Roll Call Votes.—(1) No measure, matter or recommendation shall be reported from the Committee unless a majority of the Committee was actually present.

(2) With respect to each roll call vote on a motion to report any measure or matter of a public character, and on any amendment offered to the measure or matter, the total number of votes cast for and against, and the names of those members voting for and against, shall be included in the Committee report on the measure or matter.

(c) Required Matters.—The report of the Committee on a measure or matter which has been approved by the Committee shall include the items required to be included by clause 2(l)(3) of Rule XI and clause 7 of Rule XIII of the Rules of the House.

(d) Inflation Impact.—Each report of the Committee on a bill or joint resolution of a public character reported by the Committee shall contain a detailed analytical statement as to whether the enactment of such bill or joint resolution into law may have an inflationary impact on prices and costs in the operation of the national economy.

(e) Additional Views.—If, at the time of approval of any measure or matter by the Committee, any member of the Committee gives notice of intention to file supplemental, minority, or additional views, that member shall be entitled to not less than three calendar days (excluding Saturdays, Sundays, and legal holidays) in which to file such views in accordance with clause 2(l)(5) of Rule XI of the Rules of the House.

(f)(1) Approval of Committee Views.—All Committee and subcommittee prints, reports, documents, or other materials, not otherwise provided for under this Rule, that purport to express publicly the views of the Committee or any of its subcommittees or members of the Committee or its subcommittees shall be approved by the Committee or the subcommittee prior to printing and distribution and any member shall be given an opportunity to have views included as part of such material prior to printing, release and distribution in accordance with subparagraph (e) of this rule.

(2) A Committee or subcommittee document containing views other than those of members of the Committee or subcommittee shall not be published without approval of the Committee or subcommittee.

RULE IX.—OVERSIGHT

(a) Purpose.—The Committee shall carry out oversight responsibilities as provided in this Rule in order to assist the House in—

(1) its analysis, appraisal, and evaluation of (A) the application, administration, execution, and effectiveness of the laws enacted by the Congress, or (B) conditions and circumstances which may indicate the necessity or desirability of enacting new or additional legislation, and

(2) its formulation, consideration, and enactment of such modifications or changes in those laws, and of such additional legislation, as may be necessary or appropriate.

(b) Oversight Plan.—Not later than February 15 of the first session of each Congress, the Committee shall adopt its oversight plans for that Congress in accordance with clause 2(d)(1) of Rule X of the Rules of the House.

(c) Review of Laws and Programs.—The Committee and the appropriate legislative subcommittees shall cooperatively review and study, on a continuing basis, the application, administration, execution, and effectiveness of those laws, or parts of laws, the subject matter of which is within the jurisdiction of the Committee, and the organization and operation of the Federal agencies and entities having responsibilities in or for the administration and execution thereof, in order to determine whether such laws and the programs thereunder are being implemented and carried out in accordance with the intent of the Congress and whether such programs should be continued, curtailed, or eliminated. In addition, the Committee and the appropriate legislative subcommittees shall cooperatively review and study any conditions or circumstances which may indicate the necessity or desirability of enacting new or additional legislation within the jurisdiction of the Committee (whether or not any bill or resolution has been introduced with respect thereto), and shall on a continuing basis undertake future research and forecasting on matters within the jurisdiction of the Committee.

(d) Review of Tax Policies.—The Committee and the appropriate legislative subcommittees shall cooperatively review and study on a continuing basis the impact or probable impact of tax policies affecting subjects within the jurisdiction of the Committee.

RULE X.—REVIEW OF CONTINUING PROGRAMS; BUDGET ACT PROVISIONS

(a) Ensuring Annual Appropriations.—The Committee shall, in its consideration of all bills and joint resolutions of a public character within its jurisdiction, ensure that appropriations for continuing programs and activities of the Federal Government and the District of Columbia government will be made annually to the maximum extent feasible and consistent with the nature, requirements, and objectives of the programs and activities involved. For the purposes of this paragraph, a Government agency includes the organizational units of government listed in clause 7(d) of Rule XIII of the Rules of the House.

(b) Review of Multi-year Appropriations.—The Committee shall review, from time to time, each continuing program within its jurisdiction for which appropriations are not made annually in order to ascertain whether such program could be modified so that appropriations therefore would be made annually.

(c) Views and Estimates.—The Committee shall, on or before February 25 of each year, submit to the Committee on the Budget (1) its views and estimates with respect to all matters to be set forth in the concurrent resolution on the budget for the ensuing fiscal year which are within its jurisdiction or functions, and (2) an estimate of the total amount of new budget authority, and budget outlays resulting therefrom, to be provided or authorized in all bills and resolutions within its jurisdiction which it intends to be effective during that fiscal year.

(d) Budget Allocations.—As soon as practicable after a concurrent resolution on the budget for any fiscal year is agreed to the

Committee (after consulting with the appropriate committee or committees of the Senate) shall subdivide any allocations made to it in the joint explanatory statement accompanying the conference report on such resolution, and promptly report such subdivisions to the House, in the manner provided by section 302 or section 602 (in the case of fiscal years 1991 through 1995) of the Congressional Budget Act of 1974.

(e) Reconciliation.—Whenever the Committee is directed in a concurrent resolution on the budget to determine and recommend changes in laws, bills, or resolutions under the reconciliation process, it shall promptly make such determination and recommendations, and report a reconciliation bill or resolution (or both) to the House or submit such recommendations to the Committee on the Budget, in accordance with the Congressional Budget Act of 1974.

RULE XI.—COMMITTEE BUDGETS

(a) Biennial Budget.—The Chairman, in consultation with the chairman of each subcommittee, the majority members of the Committee and the minority members of the Committee, shall, for each Congress, prepare a consolidated Committee budget. Such budget shall include necessary amounts for staff personnel, necessary travel, investigation, and other expenses of the Committee.

(b) Additional Expenses.—Authorization for the payment of additional or unforeseen Committee expenses may be procured by one or more additional expense resolutions processed in the same manner as set out herein.

(c) Travel Requests.—The Chairman or any chairman of a subcommittee may initiate necessary travel requests as provided in Committee Rule XIII within the limits of the consolidated budget as approved by the House and the Chairman may execute necessary vouchers thereof.

(d) Monthly Reports.—Once monthly, the Chairman shall submit to the Committee on House Oversight, in writing, a full and detailed accounting of all expenditures made during the period since the last such accounting from the amount budgeted to the Committee. Such report shall show the amount and purpose of such expenditure and the budget to which such expenditure is attributed. A copy of such monthly report shall be available in the Committee office for review by members of the Committee.

RULE XII.—COMMITTEE STAFF

(a) Appointment by Chairman.—The Chairman shall appoint and determine the remuneration of, and may remove, the professional and clerical employees of the Committee not assigned to the minority. The professional and clerical staff of the Committee not assigned to the minority shall be under the general supervision and direction of the Chairman, who shall establish and assign the duties and responsibilities of such staff members and delegate such authority as he or she determines appropriate.

(b) Appointment by Ranking Minority Member.—The ranking minority member of the Committee shall appoint and determine the remuneration of, and may remove, the professional and clerical staff assigned to the minority within the budget approved for such purposes; except, that no minority staff person shall be compensated at a rate which exceeds that paid his or her majority party staff counterpart. The professional and clerical staff assigned to the minority shall be under the general supervision and direction of the ranking minority member of the Committee who may delegate such authority as he or she determines appropriate.

(c) Intention Regarding Staff.—It is intended that the skills and experience of all members of the Committee staff shall be available to all members of the Committee.

RULE XIII.—TRAVEL OF MEMBERS AND STAFF

(a) Approval.—Consistent with the primary expense resolution and such additional expense resolutions as may have been approved, the provisions of this rule shall govern travel of Committee members and staff. Travel to be reimbursed from funds set aside for the Committee for any member or any staff member shall be paid only upon the prior authorization of the Chairman. Travel shall be authorized by the chairman for any member and any staff member in connection with the attendance of hearings conducted by the Committee or any subcommittee and meetings, conferences, and investigations which involve activities or subject matter under the general jurisdiction of the Committee. Before such authorization is given there shall be submitted to the Chairman in writing the following:

- (1) the purpose of the travel;
- (2) the dates during which the travel is to be made and the date or dates of the event for which the travel is being made;
- (3) the location of the event for which the travel is to be made;
- (4) the names of members and staff seeking authorization.

(b) Subcommittee Travel.—In the case of travel of members and staff of a subcommittee to hearings, meetings, conferences, and investigations involving activities or subject matter under the legislative assignment of such subcommittee, prior authorization must be obtained from the subcommittee chairman and the Chairman. Such prior authorization shall be given by the Chairman only upon the representation by the chairman of such subcommittee in writing setting forth those items enumerated in subparagraphs (1), (2), (3), and (4) of paragraph (a) and that there has been a compliance where applicable with Committee Rule VII.

(c) Travel Outside the United States.—(1) In the case of travel outside the United States of members and staff of the Committee or of a subcommittee for the purpose of conducting hearings, investigations, studies, or attending meetings and conferences involving activities or subject matter under the legislative assignment of the Committee or pertinent subcommittee, prior authorization must be obtained from the Chairman, or, in the case of a subcommittee from the subcommittee chairman and the Chairman. Before such authorization is given there shall be submitted to the Chairman, in writing, a request for such authorization. Each request, which shall be filed in a manner that allows for a reasonable period of time for review before such travel is scheduled to begin, shall include the following:

- (A) the purpose of the travel;
- (B) the dates during which the travel will occur;
- (C) the names of the countries to be visited and the length of time to be spent in each;
- (D) an agenda of anticipated activities for each country for which travel is authorized together with a description of the purpose to be served and the areas of Committee jurisdiction involved; and
- (E) the names of members and staff for whom authorization is sought.

(2) Requests for travel outside the United States may be initiated by the Chairman or the chairman of a subcommittee (except that individuals may submit a request to the Chairman for the purpose of attending a conference or meeting) and shall be limited to members and permanent employees of the Committee.

(3) At the conclusion of any hearing, investigation, study, meeting or conference for which travel has been authorized pursuant to this rule, each staff member involved in such travel shall submit a written report to the

Chairman covering the activities and other pertinent observations or information gained as a result of such travel.

(d) Applicability of Laws, Rules, Policies.—Members and staff of the Committee performing authorized travel on official business shall be governed by applicable laws, resolutions, or regulations of the House and of the Committee on House Oversight pertaining to such travel, and by the travel policy of the Committee as set forth in the Committee Travel Manual.

RULE XIV.—ESTABLISHMENT OF SUBCOMMITTEES; SIZE AND PARTY RATIOS; CONFERENCE COMMITTEES

(b) Ex Officio Members.—The Chairman and ranking minority member of the Committee shall serve as ex officio voting members on each subcommittee.

(c) Ratios.—On each subcommittee there shall be a ratio of majority party members to minority party members which shall be no less favorable to the majority party than the ratio for the full Committee. In calculating the ratio of majority party members to minority party members, there shall be included the ex officio members of the subcommittees.

(d) Conferees.—The Chairman of the Committee shall recommend to the Speaker as conferees the names of those members (1) of the majority party selected by the Chairman and (2) of the minority party selected by the ranking minority member of the Committee. Recommendations of conferees to the Speaker shall provide a ratio of majority party members to minority party members which shall be no less favorable to the majority party than the ratio for the Committee.

RULE XV.—POWERS AND DUTIES OF SUBCOMMITTEES

(a) Authority to Sit.—Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the full Committee on all matters referred to it or under its jurisdiction. Subcommittee chairmen shall set dates for hearings and meetings of their respective subcommittees after consultation with the Chairman and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of full Committee and subcommittee meetings or hearings whenever possible.
