

treaty between Israel and Jordan, which established full diplomatic relations and pledged to resolve all future disputes by peaceful means;

Whereas the Israeli-Jordanian peace treaty has resulted in rapid normalization and unprecedented cooperation between the two nations in security, economic development, the environment, and other areas;

Whereas the Israeli-Palestinian Declaration of Principles helped pave the way for Israel to establish low-level diplomatic relations with Morocco and Tunisia, and to initiate official contacts with Qatar, Oman, and Bahrain;

Whereas the six nations of the Gulf Cooperation Council have announced their decision to end all enforcement of the secondary and tertiary boycotts of Israel;

Whereas extremists opposed to the Middle East peace process continue to use terrorism to undermine the chances of achieving a comprehensive peace, including on August 21, 1995, when a suicide bomber blew up on a bus in Jerusalem, killing one American and four Israeli civilians;

Whereas the issue of security and preventing acts of terrorism is and must remain of paramount importance in the Israeli-Palestinian negotiations; and;

Whereas compliance by the Palestine Liberation Organization and the Palestinian Authority with all of their solemn commitments is essential to the success of the peace process; therefore, be it

Resolved, That the Senate—

(1) expresses its support for the Israeli-Palestinian Declaration of Principles on the second anniversary of its historic signing;

(2) supports the efforts of Israel and the Palestinians to conclude an agreement on implementation of the second phase of the Declaration of Principles;

(3) condemns, in the strongest possible terms, all acts of terrorism aimed at undermining the Israeli-Palestinian peace negotiations and other tracks of the Middle East peace process, and calls upon all parties to take all necessary steps to prevent such acts;

(4) calls upon the Palestine Liberation Organization and the Palestinian Authority to comply with all of their commitments;

(5) welcomes the progress made toward peace between Israel and its neighbors;

(6) commends those Middle Eastern leaders who have committed to resolve their differences through only peaceful means;

(7) reiterates its belief that a comprehensive, lasting peace between Israel and its neighbors is in the national interest of the United States;

(8) encourages all participants in the Middle East peace process to continue working to achieve lasting peace agreements while adhering fully to all commitments made and agreements reached thus far;

(9) calls upon the Arab states to demonstrate their commitment to peace by completely dismantling the Arab boycott of Israel in its primary, secondary, and tertiary aspects; and

(10) strongly supports the Middle East peace process and seeks to effect policies that will help the peace process reach a successful conclusion.
