

Medicare managed care programs. For example, Fall River County in South Dakota, receives \$177 per month, per beneficiary versus \$678 for Bronx County in New York—a 367 percent difference.

My bill reduces this variation and reimburses rural providers relative to their metropolitan counterparts. The result, of course, is that Medicare beneficiaries in rural areas will have the opportunity to participate in managed care plans.

Third, it improves the educational opportunities for nurses. Nurses are a critical component to rural health care. My bill guarantees that 20 percent of all scholarships offered through the National Health Service Corps go to nurses in rural areas. Since 1972, over 70 health care providers have served in Wyoming through the services of the National Health Service Corps Program. So we put greater emphasis there.

Regarding recruiting and retaining physicians, Medicare currently provides a 10 percent bonus in rural areas. Ten percent is not much of an incentive. So it is increased to 20. To compensate for the increase, the bonus is restricted to primary care physicians in rural areas.

In addition, the bill guarantees 24-hour emergency care. Medicare currently restricts States from establishing limited-service hospitals. As a result, many facilities either have to operate as full-service hospitals, with very low utilization, or close. We are suggesting they be recategorized as a rural emergency access care hospital so that indeed they can be reimbursed from HCFA for these emergency services.

In conclusion, Mr. President, as we search for solutions to deliver health care throughout the country, the Rural Development Health Care Act is one proposal that should be added to the list. Many of the provisions have received a favorable response—so much so that they are likely to be folded into the reconciliation package.

More important, the Rural Development Health Care Act provides the answer to rural communities that are looking to keep up with the rapidly changing health care environment.

(a) FINDINGS.—The Senate finds that—

(1) the concurrent resolution on the budget for fiscal year 1996 (H. Con. Res. 67) calls for \$245 billion in tax reductions and \$270 billion in projected spending reductions from Medicare;

(2) reducing projected Medicare spending by \$270 billion could substantially increase out-of-pocket health care costs for senior citizens, reduce the quality of care available to Medicare beneficiaries and threaten the financial health of some health care providers, especially in rural areas;

(3) seventy-five percent of Medicare beneficiaries have annual incomes of less than \$25,000;

(4) most of the tax cuts in the tax bill passed by the House of Representatives (H.R. 1215) go to families making over \$100,000 per year, according to the Office of Tax Analysis of the United States Department of the Treasury.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that—

(1) the Committee on Finance and the Senate should approve no tax legislation which reduces taxes for those making over \$101,000 per year; and

ADDITIONAL STATEMENTS

RECONCILIATION SUBMISSIONS

● Mr. DOMENICI. Mr. President, pursuant to section 105(a) of the 1996 budget resolution, House Concurrent Resolution 67, Senate committees are to submit their reconciliation recommendations to the Senate Budget Committee no later than September 22. While the Budget Committee has the discretion to report the reconciliation bill at any time after that date, the Budget Committee's obligation to report the bill to the Senate arises upon receipt of all of the committee's submissions. In addition, under the reconciliation procedures applicable this year it is particularly important that as many submissions be included in the reconciliation package as possible.

It has come to my attention that the Senate Finance Committee cannot submit its recommendations to the Budget Committee prior to September 29. Because the Finance Committee's submission will carry a great portion of the outlays reductions necessary to achieve balance and to obtain certification by CBO, the Senate Budget Committee will exercise its discretion and wait to receive Finance's submissions on September 29 before initiating
