THE RETIREMENT OF JAMES E. CARNEY FROM THE RHODE ISLAND DEPARTMENT OF HEALTH

Mr. PELL. Madam President, at the end of 1994, the Rhode Island Department of Health suffered an enormous loss—the retirement of James E. Carney. Jim was with the department of health for 16 years, serving as its director of community affairs for 13 years.

And what a job he did. There was no question, no deadline, no request that I or my staff made that Jim Carney could not handle quickly, courteously, and to the point. He was always well informed about the activities and mission of the department, and the need for communication and coordination with other branches of government. He was a public servant in the very finest sense of the word, and we will sorely miss his help, his good humor, and his presence at the department of health.

Jim was involved in the passage and implementation of many laws and programs, including the HMO Act of 1983; the central cancer registry at the department of health; newborn screening programs, childhood immunization and lead screening programs; oversight of the State medical examiner's office; protection of the rights of the terminally ill, and promotion of public health research and minority health programs.

I regret to hear that Jim has not been in the best of health recently, and, on behalf of myself, my staff, and the people of Rhode Island, I want to wish him a speedy recovery, a long and happy retirement, and the best of everything in the future.

RETIREMENT OF ROBERT J. PFEIFFER

Mr. INOUE. Madam President, I have known Robert J. Pfeiffer, the outgoing chairman of the Board of Alexander & Baldwin, Inc. for many years. He is an acknowledged and respected leader in the shipping industry in Hawaii and in our Nation. I wish to join the people of Hawaii in wishing him a happy and rewarding retirement.

Bob Pfeiffer was born in Fiji in 1920. As a very young child he came to Honolulu, was educated at McKinley High School and became a deckhand

for the Inter-Island Steam Navigation Co., Ltd., of which he later became president.

Bob Pfeiffer's career with Alexander & Baldwin [A&B] began in 1956 when he joined its subsidiary, Matson Navigation Co., Inc. Matchinal Corp., a Matson off-shoot, was a stevedoring and terminal company in the San Francisco Bay area, which Bob Pfeiffer joined as vice president and general manager. In 1962 he was promoted to president of Matson Terminals, Inc., another Matson subsidiary. He was appointed Matson president and CEO in 1973; he has served as Matson's chairman continuously since 1979. At Matson, he guided the company through a period of tremendous growth and success and in the process transformed it into one of the world's most efficient, modern ocean transportation companies.

Bob Pfeiffer was named to A&B's board of directors in 1978; he was appointed president of A&B the next year. He assumed the posts of chief executive officer and chairman of the board in 1980. Under his leadership, A&B has grown, modernized, and diversified. Bob Pfeiffer also earned the company a solid reputation for involvement in philanthropic activities and community affairs, both in Hawaii and California, its two principal places of business.

Today, the Alexander & Baldwin Foundation, which he created, has established a level of giving in excess of \$1 million a year. Bob Pfeiffer has served on many corporate, professional and non-profit boards and organizations, often in leadership positions. These include First Hawaiian, Inc.; First Bank; the Chamber of Commerce of Hawaii; the American Bureau of Shipping; the Maritime Transportation Research Board of the National Academy of Sciences, as chairman; and many others.

Bob Pfeiffer's community and professional leadership earned him numerous honors. The latest was the presentation to him on January 25, 1995, of the Charles Reed Bishop Medal by Honolulu's Bishop Museum, which cited his "leadership and personal example" in making A&B "a leader in corporate citizenship * * * through its exemplary support of community organizations * * *"

In 1986 the Aloha Council of the Boy Scouts of America honored him with the Distinguished Citizen of the Year Award and in 1985 the United Seamen's Service gave him its Admiral of the Ocean Sea Award in New York. Bob Pfeiffer has been granted honorary doctorates by the Marine Maritime Academy, the University of Hawaii, and Hawaii Loa College.

His outstanding contributions to the State of Hawaii and to our Nation will not be forgotten.

THREAT OF ORGANIZED CRIME IN EASTERN EUROPE

Mr. NUNN. Madam President, in May of last year the Senate Permanent Subcommittee on Investigations held a hearing on the growing threat of organized crime in Eastern Europe and the countries of the former Soviet Union. This hearing featured an historic joint appearance by Louis Freeh, the Director of the FBI, Hans-Ludwig Zachert, the President of Germany's Bundeskriminalamt, and General Mikhail Yegorov, the head of Russia's Organized Crime Control Department.

In his prepared statement submitted to the subcommittee, General Yegorov made reference to an Austrian company by the name of Nordex, implying that its president was an individual known as Umar Vokov, who is suspected by Russian authorities of underground criminal activity. Recently, the subcommittee has received a letter from the real president of Nordex, a Mr. G. Loutchansky, disputing General Yegorov's statement and denying any relationship between Nordex and Umar Vokov. Mr. Loutchansky also provided the subcommittee with a letter from the Russian Ministry of Internal Affairs to Nordex's attorney in which the Ministry accepted Nordex's assurances concerning Vokov and expressed regret to Nordex for any inaccuracies in General Yegorov's statement.

Mr. Loutchansky had sought to have these letters added to the subcommittee's hearing record in order to correct any misimpressions which could result from the printing of General Yegorov's original statement. Unfortunately, by the time the subcommittee received Mr. Loutchansky's request the hearing record had already gone to print. While I have directed that Mr. Loutchansky's material be included in the official exhibits to the hearing, I believe it is important that they also be placed on the public record. For this reason, I would ask that the correspondence between Mr. Loutchansky and the subcommittee and the letter from the Russian Ministry of the Internal Affairs to Nordex's attorney be reprinted in the CONGRESSIONAL RECORD.

There being no objection, the material was ordered to be printed in the RECORD, as follows:

U.S. SENATE,
COMMITTEE ON GOVERNMENTAL AFFAIRS,
Washington, DC, February 7, 1995.
Mr. G. LOUTCANSKY,
President, Nordex G.m.b.H.,
Vienna, Austria

DEAR MR. LOUTCANSKY: The Permanent Subcommittee on Investigations has received your letter of December 2, 1994, in which you dispute a statement in the prepared testimony of First Deputy Minister Mikhail Yegorov submitted to the Subcommittee in connection with its May 25, 1994 hearing on "International Organized Crime and Its Impact on the United States." This statement concerned an alleged relationship between your company and an individual named Umar Vokov, who is suspected by Russian authorities of criminal activity. Attached to your letter was a letter from the Russian Ministry of Internal Affairs which

accepted your assurances of a lack of any relationship between your company and this individual and expressed regret for any inaccuracies regarding this matter in the statement of First Deputy Minister Yegorov.

You have requested that these letters be made a part of the printed record of the Subcommittee's proceedings. Under normal circumstances, the Subcommittee would be happy to accommodate such a request; however, by the time the Subcommittee received your letter, the hearing record was already in the process of being printed. Although the Subcommittee is thus unable to include this information in the printed record, I have directed that it be included in the official exhibits to the hearing. As such the information will become part of the permanent records of the Subcommittee with respect to these proceedings. I will also request that your material be reprinted in the Congressional Record.

I thank you for bringing this matter to the attention of the Subcommittee.

Sincerely,

SAM NUNN.

NORDEX,

Vienna, Austria; Dec. 2, 1994.

Subject: hearing of the Committee on May 25, 1994, Testimony of Mr. Mikhail Yegorov, First Deputy Minister and Head of the Organized Crime Control Department, Russian Ministry of Internal Affairs.

Hon. Senator SAM NUNN,
Chairman, Committee on Governmental Affairs,
Permanent Subcommittee on Investigations,
Capitol Hill, Washington, DC.

DEAR SENATOR NUNN, In subject Testimony the Russian Deputy Minister stated:

"Vokov's brother Umar is the President of the Austrian company Nordex, located in Vienna, and also suspected of underground business."

This statement of Minister Yegorov went on the Congressional files, and had probably also been picked up by various agencies of the Government of the United States of America.

We were very concerned about this statement and its implications, since neither Vokov nor his brother Umar are or were shareholders, directors, or employees of our company or any of their associated companies. We have, therefore, taken up this matter with the Russian Ministry of Internal Affairs and enclosed herewith is a copy of their letter, dated November 9, 1994, together with a translation thereof, which I believe clarifies the position.

Nordex G.m.b.H. is a very big Trading house based in Vienna and has no connections whatsoever to organized crime or any other illegal activities.

It is, therefore, essential that the correction and expression of regret contained in the a/m letter of the Russian Ministry of Internal Affairs, dated November 9, 1994, be entered into the public record of your Committee and also passed on to the various governmental organizations, so that the reputation of Nordex G.m.b.H. and its associates, is cleared.

May we ask you to kindly confirm the receipt of this letter and for your consent to take the requested steps. If you require any further information, please feel free to contact us.

We remain, Sir,

Sincerely yours,

G. LOUTCHANSKY,

President.

MINISTRY OF INTERNAL AFFAIRS
OF THE RUSSIAN FEDERATION,
City Moscow, November 9, 1994.

To Dr. GABRIEL LANSKY,
Lawyer,
Vienna, Austria.

DEAR MR. LANSKY, The Ministry of Internal Affairs of the Russian Federation has examined your letter of August 29, 1994, and subsequent letters, concerning the speech of the First Deputy Minister of Internal Affairs, M. Egorov, on May 25, 1994, in the course of open hearings of the Permanent Subcommittee on Investigations of the USA Senate on the question of organized crime in the republics of the former USSR.

The quotation in your letter has been taken from M. Egorov's written thesis, which was handed to the organisers of the hearings, and not from the transcript of proceedings of his speech in the Subcommittee.

Having received your assurances that Umar Bokov is neither an employee, nor a manager, nor a shareholder of either the "Nordex GmbH" company or of any of its branches, representative offices or joint ventures, one could state with regret, that an inaccuracy occurred in the quotation, which was caused by two circumstances.

Firstly, in the course of the investigation of the criminal case in connection with the murder of a militiamen, Umar Bokov, while given evidence, stated his place of work as the firm "Nordex", situated in Vienna, and also presented himself as its president. The preliminary examination proved the existence of a firm with the given name in Vienna and the fact that U. Bokov used to leave for Austria on commercial business trips. There was no need to prove U. Bokov's place of work because he was merely a witness in that case.

Secondly, at the stage of translation or typing of M. Egorov's thesis, the important word in this context, "likely" (also given in English in the text), which applied to the phrase that U. Bokov is the president of the Austrian company "Nordex", was omitted.

Expressing regret concerning the inaccuracy, we declare that the Ministry of Internal Affairs of Russia had no basis for, or intention of, connecting the "Nordex GmbH" company and its actual President, G. Loutchansky, with the underground business in general or, in particular, with international drug trafficking.

The quotation stated in your letter applies exclusively to Umar Bokov.

Yours faithfully,

V.P. GORTCHAKOV.
