

it is the laws you carry in your heart that govern your day to day behavior, and the way you react with one another, your neighbors, and the larger community. I believe the pillars of character count, and I am happy to be part of this coalition.

Mr. LIEBERMAN. Mr. President, I am pleased to join Senator DOMENICI and other cosponsors of this resolution designating the week of October 15, 1995, as Character Counts Week. This is the second year I have worked with a bipartisan group of Senators to promote character education. Our goal is to support the many Americans who are working to strengthen the moral fiber of our children through character education. The resolution specifically embraces six ethical values common to this diverse group of Senators and, we believe, to all Americans—trustworthiness, respect, responsibility, fairness, caring, and citizenship.

We are dedicated to instilling these six pillars of character in our youth. Too many forces in our society teach children to reject these values and too few individuals and institutions reinforce them. The media often glorifies deceitful, violent characters. The breakdown of the family has left many children without consistent caretakers and role models that can nourish their moral development. Even some government policies send the wrong message. Our current welfare system, for example, fosters dependency rather than responsibility and self-sufficiency.

This resolution reflects our support for the education, community, and religious organizations that are working at the grassroots level to promote character education. As politicians we should reinforce their efforts wherever we can. Too often politicians are wary of using their position and the law to reinforce specific moral objectives for fear of weakening the separation of church and state. But the laws society enacts and observes are ultimately expressions of values. They serve as a moral structure for our civilization. We cannot and should not downplay this connection.

This resolution will help reinforce the importance of developing our children's character and will add momentum to the many character education programs underway today. I am committed to working with my colleagues to find other ways to build character education into public and private programs through our political leadership and legislative work.

SENATE RESOLUTION 104— RELATIVE TO S. 676

Mr. GRAMS submitted the following resolution; which was referred to the Committee on the Judiciary:

S.RES. 104

Resolved, That the bill S. 676 entitled "A bill for the relief of D.W. Jacobson, Ronald Karkala, and Paul Bjorgen of Grand Rapids, Minnesota, and for other purposes." is referred, with all accompanying papers, to the chief justice of the United States Court of

Federal Claims for a report in accordance with sections 1492 and 2509 of title 28, United States Code.

SENATE RESOLUTION 103— RELATIVE TO IRAN

Mr. D'AMATO submitted the following resolution; which was referred to the Committee on Foreign Relations:

S.RES. 105

Whereas, an estimated crowd of 100,000 Iranian people assembled in Southern Teheran on April 4, 1995 to protest sharp price increases and a shortage of water, and other important staples of daily life;

Whereas, the Iranian Revolutionary Guard and the Bassidj, a political militia, have been granted the right to "shoot-to-kill" in order to quell disturbances;

Whereas, these force, supplemented by armed helicopter gunships, on April 14, 1995, opened fire on the demonstrators killing as many as 150 people, thereby ending the protest: Now, therefore, be it

Resolved, That it is the Sense of the Senate that the President should—

Immediately condemn this brutal suppression of a crowd of protesters resulting in the death of as many as 150 people by the Government of Iran and instruct the United States Ambassador to the United Nations to bring this matter before the United Nations Security Council with the intent of pursuing a Security Council condemnation of Iran.

• Mr. D'AMATO. Mr. President, I submit a sense-of-the-Senate resolution condemning the violent suppression of a protest in Southern Teheran yesterday by the Iranian Revolutionary Guards and the political militia. The protesters were demonstrating against the doubling of public transportation, gasoline, basic foodstuffs, and drinking water.

When the protesters gathered in the morning of April 4, 1995, their numbers were few. By the afternoon, the crowd swelled to over 100,000. According to Iranfax, a daily brief on Iranian affairs, the crowd overwhelmed police who were shooting tear gas at them and seized their weapons. As the protests spread to other districts in Teheran, the Government called out the Revolutionary Guards and the Bassidj, a political militia, to quell the riots.

Soon, helicopter gunships and troops arrived and began to fire into the crowds. According to the latest reports, at least 150 people died in the attacks. We have no way of knowing how many were injured. Owing to the order of last year that allowed for a shoot-to-kill policy by government troops against civilians, this outcome should have been expected.

Nor should this be surprising because it came from this terrorist regime. Any government willing to do this to its own people, will have no qualms about killing and maiming foreigners. This is why Iran is so dangerous.

This resolution is simple. It requests that the President immediately condemn this brutal act and instruct the United States Ambassador to the United Nations to bring this matter before the Security Council with the intent of pursuing a Security Council condemnation of Iran.

Mr. President, we cannot allow Iran to slaughter its people. This brutal regime has abused the human rights of so many people, inside its country and outside. The time for their atrocious abuses to end is now.

I hope that my colleagues join me in support of this important resolution. •

Mr. LEVIN. Mr. President, the Senator from Minnesota has raised an important issue, whether the benefits of national nutritional standards for families and children receiving Federal food assistance could be reduced if each State were given the power to determine its own standards. There is another issue which is also overlooked: Federal nutritional messages are sometimes inconsistent and can result in national standards that do not make sense. Such standards should be amended to be more consistent with USDA's nutritional advice to WIC and other food program participants.

The USDA and other Federal agencies and nutritional experts advise that fruit is an essential element of a nutritional diet. The USDA's food pyramid specifically recommends that people eat 2 to 4 servings of fruit per day. The WIC Program distributes literature urging that participants eat fruit and "use fruit in cereal." Yet, USDA still enforces a regulation prohibiting the inclusion of certain nutritious cereals, such as Raisin Bran, in the WIC food package because of the sugar content of the fruit they contain.

That makes no sense.

USDA should revise its current WIC Program regulations to conform to its own dietary and nutritional guidelines. USDA is being inconsistent when it does not allow WIC participants to purchase cereals because of the recommended fruit they contain. It is because of this kind of regulation that national standards fall into disrepute, and encourage calls for State assumption of Federal standard-making authority.

PELL (AND OTHERS) AMENDMENT
NO. 490

(Ordered to lie on the table.)

Mr. PELL (for himself, Mrs. FEINSTEIN, Mr. FEINGOLD, Ms. MOSELEY-BRAUN, and Mr. SIMON) submitted and intended to be proposed by him to amendment No. 420 proposed by Mr. HATFIELD to the bill, H.R. 1158, supra; as follows:

On page 33, line 9, strike "\$236,417,000" and insert "\$242,417,000".

On page 33, line 14, strike "\$8,900,000" and insert "\$14,900,000".

On page 34, line 4, strike "\$60,566,000" and insert "\$54,566,000".

On page 34, line 7, strike "\$8,891,000" and insert "\$2,891,000".

Mr. PELL. Mr. President, I offer this amendment on behalf of myself, Senator FEINSTEIN, Senator FEINGOLD, Senator SIMON, and Senator MOSELEY-BRAUN.

The amendment will ensure continued funding for the National Center for Research in Vocational Education. The Center is a consortium of institutions of higher education in California, Wisconsin, Illinois, New York, and Virginia. The Center is widely recognized for the important research work it does in vocational education, and it would be very unfortunate, indeed, if funding to permit it to continue its work were curtailed.

As my colleagues know, we will soon be considering reauthorization of the Vocational Education Act. The work of the Center has provided the authorizing committee invaluable information to help guide and facilitate our work. But even more critical, their research efforts are vital to improving the quality of vocational education throughout our Nation.

I view the amendment as an important placeholder so that when the Senate and House conferees meet on this legislation, they will have the opportunity to give this matter full and complete consideration. I am very hopeful they will ultimately decide to retain funding for the Center, but without this amendment there will be no chance whatsoever to provide continued funding for the Center and the important work it does.

AMENDMENT No. 513

On page 19, line 2, strike "\$11,297,000" and insert "\$10,597,000".

Mr. SIMON. Mr. President, I am introducing an amendment for myself and my colleagues from Illinois and Missouri. Quite simply it restores \$700,000 to the land acquisition account of the National Park Service for the Jefferson National Expansion Memorial. One hundred acres on the riverbank of the Mississippi River in East St. Louis, IL was designated in 1992 as a National Park. Included in the authorization was \$2 million allocation for land acquisition. This \$700,000 is well within that allocation.

The park is designed to be an extension of the Arch Park in St. Louis, MO. It enjoys the bipartisan support of Governors and delegations in both Illinois and Missouri and for a good reason. Similar to the resources and effort that went into revitalizing the riverfront in St. Louis, investors on both sides of the river have and will continue considerable private sector donations towards development of the park.

Those important investment by the private sector are jeopardized if the Federal Government backs out of its commitment to share in the development of the park. A great deal is at stake in the development of the park. It's influence in the years ahead on the economy of East St. Louis could be significant. For that reason my colleagues and I share a commitment to this project and its success.

(4) the Department of Education found that another guaranty agency used Federal funds for excessive salaries, and to purchase furs, artwork, expensive and unnecessary automobiles, resort retreats, and other items not critical to the Federal purpose of providing student access to loans and protecting the Federal guarantee of student loans.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the Secretary of Education should fully investigate the types of guaranty agency activities and arrangements described in subsection (a), and, where appropriate, should take prompt and decisive action to protect the Federal fiscal interest.
