By Mr. BAUCUS:

S. 886. A bill to provide for the conveyance of the radar bomb scoring site, Forsyth, MT; to the Committee on Armed Services.

RADAR BOMB SCORING SITE LAND CONVEYANCE

Mr. BAUCUS. Mr. President, today, I am introducing a bill which directs the Secretary of the Air Force to convey to the city of Forsyth, MT, the radar bomb scoring site operated by USAF Detachment 18 at Forsyth. The purpose of the legislation is to allow the land, housing units, and facilities supporting detachment 18 to be turned into housing units for the elderly.

The Air Force has decided to close its facility at Forsyth. Because of the base's small size, the closure is not part of the Base Realignment and Closure Commission process. The city of Forsyth is eager to acquire the facility as soon as possible to help alleviate an elderly housing shortage.

This bill contains special procedures for turning the facility over to the city of Forsyth because we believe it offers the best solution. If the normal process is followed, continued maintenance and upkeep of the facility could be a serious burden. Inattentive maintenance could result in serious deterioration of the facility by the time the normal property disposal process finally ends. Obviously, this would not benefit the U.S. Government or the elderly who will live there. The city of Forsyth is prepared to accept the responsibility for the detachment 18 facility and rapidly transform it into much needed housing for the elderly.

I urge my colleagues to incorporate this language into the fiscal year 1996 Defense authorization bill without delay. And I ask unanimous consent that the full text of my bill be printed in the RECORD.

There being no objection, the bill was ordered to be printed in the RECORD, as follows:

(1) utilize the property and recreational facilities conveyed under that subsection for housing and recreation purposes; or
